

NOTES:

1. In conjunction with the recordation of this plat for DAYBREAK VILLAGE 9 PLAT 5, there shall also be recorded, with respect to the "tract" described hereon, a document entitled "Supplement to Covenant for Community for Daybreak Submitting Additional Property", and with respect to the residential lots and certain other lots within this Plat, a document entitled "Supplement to Community Charter for Daybreak Submitting Additional Property" (each, a "Supplement").

2. The "tract" subdivided by this Plat is hereby specifically subjected to a reservation by the Owner of (i) all oil, gas, geothermal and mineral rights and interests under or appurtenant to the "tract" subdivided by this Plat, and (ii) all water flowing or located under, within, over, or through the "tract" subdivided by this Plat, including, without limitation, all storm water and reclaimed water.

3. All areas identified on this Plat as public rights-of-way are intended for public use and are hereby dedicated for the perpetual use of the public pursuant to the Owner's dedication shown hereon. All other areas are not dedicated for public use by this Plat.

4. The Owner reserves, in favor of Daybreak Water Company, a Utah non-profit corporation, easements over, across and under all streets, public rights-of-way, alleys, "P" lots and "O" lots, and other public use areas, and all public utility and drainage easement areas to install, maintain, repair, and otherwise operate and accomplish all things associated with, a secondary water system providing secondary water to portions of Daybreak.

5. On any lot in this Plat encumbered by a blanket PU#DE easement, Owner reserves the right to relocate and/or more particularly define the location of such easement by Owner recording a notice of such location concerning such lot in the Official Records of Salt Lake County. Owner's relocation or definition of the easement is subject to existing utility's consent.

6. From and after recordation of this plat, any amendment thereto or further subdivision thereof or within thereunto shall not be deemed to be an amendment to the Kennecott Master Subdivision #1 referred to hereon. Further subdivision of the Kennecott Master Subdivision #1 is consented to by any owner at any time hereafter purchasing or having an interest in any lots shown on this plat.

7. Certain lots on this Plat may be served by sewer laterals that are less than 11 feet below ground level. In such event the residences on such lots with basements may not have sewer service available to the basements. The owner of any lot in this Plat shall be responsible for verifying the sewer lateral depth serving said lot and shall be responsible for setting the foundation elevation of the residence constructed thereon to a depth sufficient for adequate fall into the respective sewer lateral.

8. The total development known as Daybreak, of which this plat is a part, is a large, master planned community. Phases of Daybreak may contain or be adjacent to a significant mix of land uses including parks, recreational facilities, churches, schools, retail, office and commercial, and industrial uses, which will be intermingled with residential properties.

9. For any "P" lots or "O" lots with paved sidewalks and/or walkways constructed thereon, the Owner hereby grants a public access easement thereon for public use by pedestrians and non-motorized vehicles for the purpose of reasonable access, ingress and egress over and across such paved sidewalks and/or walkways.

10. Approval of this plat by South Jordan City does not mean that individual lot drainage to a road or retention facility is assured. Development and grading may necessitate swales and other drainage facilities to protect individual properties. Approval of this plat also does not constitute representation by the City that swales or other drainage facilities are appropriate and maintained nor that drainage from adjacent properties is prevented.

EASEMENT NOTE:

Owner certifies that the easements, claims of easements, or encumbrances on the platted property which are shown by public records are shown on this plat based on the title report issued by Cottowood Title, Order Number 175663-TOE, Amendment No. _____ with an effective date of June 6, 2024.

HIGH GROUND WATER:

Many areas in South Jordan City have ground water problems due to high (fluctuating) water table. Approval of this plat does not constitute representation by the City that building at any specified elevation will solve groundwater problems, if any.

SEWER LATERAL NOTE:

All lots contained within this Plat are served by private sewer laterals. The owner(s) of a lot in this Plat or any portion of an Alpha Parcel which is served by a sewer lateral which traverses a lot labeled "P" or "O", a public right-of-way, or a PU#DE easement is hereby granted an easement over and through such "P" and/or "O" lots, public rights-of-way and/or PU#DE easements for the purpose of allowing such owner(s) the right to operate, maintain and repair over and across such sewer lateral.

NOTICE:

Potential purchasers of property described on this plat are advised by South Jordan City to familiarize themselves with all notes, lot information, easements and other pertinent information contained on this plat and also with any Covenants, Conditions and Restrictions ("CC&Rs") recorded against such property, including those described in note 1 of this plat.
