BUILDING RESTRICTIONS

KNOW ALL MEN BY THESE PRESENTS:

That the undersigned, owners of the following described real property situate in Salt Lake County, State of Utah, to wit:

All of Lots 1 to 70, inclusive, CREST VIEW MANOR, a subdivision of Salt Lake County, Utah, according to the official plat thereof on file and of record at the office of the County Recorder of said County,

hereby DECLARE that all and each of said lots above described is and shall be subject to the RESERVATIONS, RESTRICTIONS And COVENANTS hereinafter set forth.

We further hereby declare that we are the owners of all the afore-described real property, except those areas designated for public-road purposes. The following reservations, restrictions, and covenants shall, insofar as it is within our prerogative to designate, take the place of and supersede all previously recorded restrictions, except those imposed by public authority.

I

Each and every numbered lot shall be known as a "residential lot". No structure shall be erected, altered, placed or permitted to remain on any "residential lot" other than one detached single family dwelling, a private garage for not more than three automobiles and outbuildings for pets as hereinafter set forth. No single family dwelling constructed in this subdivision shall exceed one story in height, except that two-level dwellings shall be permitted.

No residential structure, nor any part thereof, shall be erected, altered, place, or permitted to remain on any parcel of land containing less than an entire residential lot, unless said parcel shall have a width of at least sixty-five (65) feet at the front "building setback line" (defined hereinafter in Paragraph III).

II

Every detached single-family dwelling erected on any one of the abovedescribed residential sites shall have a minimum ground floor area of 900 square feet, exclusive of garages and open porches.

III

The front residential lot line is defined and designated as all of the street frontage of every lot except that it shall not include the street frontage along 3580 South Street in Lots 7, 8, 21, 30 and 43, nor shall it include the street frontage along one street adjacent to Lot 29; provided, however, that in respect to said Lot 29, the owner may elect which lot line as between those fronting on Eastwood Drive and 3580 South Street should be deemed the "front residential lot line."

The minimum "building setback line" shall be located 30 feet from the "front residential lot line." No building shall extend nearer to the "front residential lot line" than the "building setback line," except as hereinafter expressly enumerated: (A) uncovered and unenclosed porches, patios, terraces, and steps leading to the dwelling may extend

beyond the "building setback line" not more than 10 feet, provided the floor level of such appurtenance is no higher than the floor level of the ground floor of the residential structure; (B) customary architectural appurtenances, such as cornices, bay windows, spoutings, and chimneys, may extend not more than four (4) feet beyond said "building setback line."

## IV

A side yard shall be maintained in respect to every residential structure such that the total combined side yard of the main structure shall be not less than 18 feet and one side yard shall be not less than 10 feet in width measured from the nearest point of the main residential structure to the dividing line between the building site on which the building structure is located and the site adjacent thereto; provided, however, that chimneys, cornices, and bay windows may extend into such side yard to the extent permitted by the zoning ordinance of Salt Lake County, Utah, applicable to this property; and provided, however, that if the main residential structure has incorporated within it a garage or carport for not less than one automobile, the total combined side yard for the main structure may be reduced to 16 feet and the minimum single side yard shall be reduced to 8 feet in width, measured as per this paragraph.

No building shall be located nearer than 25 feet to the side street in Lots 7, 8, 21, 30, 43 and 29, and the side street shall be deemed to be the street upon which the "front residential lot line" does not abut.

No outbuilding shall be erected, altered, placed, or permitted to remain nearer than eight (8) feet to either side line of a "residential lot," unless no portion of said outbuilding extends nearer to the "Front residential lot line" than sixty-five (65) feet.

No driveway shall bypass a residential structure on a side having a side yard of less than ten (10) feet between the principal residential structure and the property line of the adjacent owner. Every residential structure shall have one side yard as aforementioned of at least ten (10) feet unless said structure has incorporated within it or attached to it a garage for at least one motor vehicle.

## V

No fence, walls or hedge over six (6) feet in height shall be erected or grown at any place on said premises; provided, however, that the restrictions set forth in this paragraph may be waived or nullified by the owners of more than fifty per cent (50%) of the numbered lots within this subdivision obtained in writing.

## VI

No noxious or offensive trade or activity shall be carried on upon any residential lot or building site hereinbefore described or any part or portion thereof, nor shall anything be done thereon which may become an annoyance or nuisance to the occupants of the remaining residential lots or building sites hereinbefore described.

## VII

No fur-bearing animals except dogs, cats and rabbits as domestic pets may be kept, housed or maintained temporarily or permanently on any lot or residential site in this subdivision. No chickens or other fowl may be housed on any lot in this subdivision; provided, however, that pet canaries or similar domestic pets housed within the main residential structure are permitted.

## VIII

No trailer, basement, tent, shack, garage, or other outbuilding erected in, upon or about any of said residential building sites hereinbefore described or any part thereof shall at any time be used as a residence temporarily or permanently, nor shall any structure of a temporary character be used as a residence.

## IX

No structure shall be moved onto any residential building site hereinbefore described or any part thereof unless it meets with the approval of one hundred per cent (100%) of the fee title holders of other lots in this subdivision, such approval to be given in writing.

## X

No trash, ashes, or any other refuse may be thrown or dumped on any residential lot hereinbefore described or any part or portion thereof.

## XI

Easements are reserved as shown on the recorded plat for utility installation, pipelines, ditches, and maintenance. No main residential structure shall be constructed on top of any portion of any easement shown on such official plat, nor on top of any easement reserved by conveyance or otherwise and not shown on such official plat. Nothing in this paragraph contained shall be interpreted as prohibiting construction of walks, driveways, porches, etc., over such easements, subject to the rights of those with easements to make necessary repairs and conduct necessary maintenance along such easements.

## XII

All covenants and restrictions herein provided and set forth shall run with the land and shall be binding on all the parties and persons claiming any interest in said residential lots hereinbefore described, or any part thereof until twenty-five years from the date hereof, at which time said covenants and restrictions shall be automatically extended for successive periods of ten (10) years unless, by a vote of the then record owners of the majority of said residential lots, it is agreed to change the said covenants in whole or in part.

## XIII

If the parties now claiming any interest in said residential lots hereinbefore described, or any of the, or their heirs, successors, grantees, personal representatives or assigns, shall violate or attempt to violate any of the covenants and restrictions herein contained prior to twenty-five (25) years from the date hereof, it shall be lawful for any other person or persons owning any other residential lot or lots in said area to prosecute any proceedings at law or in equity against the person or persons, firms or corporations so violating or attempting to violate any such covenant or covenants and/or restrictions or restrictions, and either prevent him or them from so doing or to recover damages or other dues for such violation or violations.

## XIV

Invalidation of any one or any part or portion of one or more of the covenants and restrictions hereinbefore set forth by judgment or court order shall in no wise affect any of the other provisions hereof which shall remain in full force and effect until twenty-five (25) years from the date hereof subject to automatic extension as provided in Paragraph XII hereof.
