Said restrictions to supersede and make null and void all previous recorded Declaration of Restrictions covering the above described lots. The Restrictions are as follows:

B. No building, outhouse, garage, fence, wall, retaining wall, or other structures of any kind shall be erected, constructed, placed or maintained on said real property, or any part

thereof, nor shall there be any changes made to the exterior by way of alteration, addition, repairing, remodeling or adding, unless prior to the commencement of any construction, excavation, or other work, two complete plans and specifications thereof, including front, side and rear elevations and floor plans for each floor and basement, color scheme thereof, and two plot plans indicating and fixing the exact location of such structure, or such altered structure, on the lot with reference to the street and side lines thereof, shall have been first submitted in writing for approval, and approved in writing by a committee, which committee is provided for in Paragraph "F". In no event shall the fences placed on any of the lots extend toward the street, either in front or at the side of the house, beyond the nearest extension of the house or garage to the street, nor shall any fence exceed six feet in height above the finished surface of the ground.

C. In the event the proposed improvement be only for repainting or redecorating the exterior of such structure without remodeling or changing it, or making additions thereto, it shall be necessary to file in duplicate the color schemes of such proposed work, and have the same approved in writing prior to the commencement of such work.

D. The Committee shall endorse the plans and specifications, etc. on all work performed, whether for decoration or alteration, and shall return one set of approved plans and specifications to the owner, and retain one set in a file for a permanent record.

Neither the members of such Committee, nor its designated representative shall be entitled to any compensation for services performed pursuant to this Covenant. The powers and the duties of such Committee, and of its designated representative, shall cease on and after January 1, 1986. Nor shall any rubbish or trash or waste soil or material be dumped into the street except in prescribed garbage containers.

R. No carport on any lot shall be used for storage or clothes drying purposes.

These covenants are to run with the land and shall be binding on all parties and all persons claiming under them until January 1st, 1986, at which time said Covenants shall be automatically extended for successive periods of ten years unless by

vote of a majority of the then owners of the lots it is agreed to change said Covenants in whole, or in part.

If the parties hereto, or any of them, or their heirs or assigns, shall violate or attempt to violate any of the Covenants herein, it shall be lawful for any other person, or persons, owning any real property situated in said development or subdivision to prosecute any proceedings at law or in equity against the person, or persons, violating or attempting to violate any such Covenant either to prevent him or them from so doing or to recover damages or other dues for such violation.
