THE ASSOCIATION

3.1. Membership.

Each Owner shall be entitled and required to be a Member of the Association. Membership will begin immediately and automatically upon becoming an Owner and shall terminate immediately and automatically upon ceasing to be an Owner. If title to a Unit is held by more than one person, the membership apportionment to the Unit shall be shared by all such persons in the same proportionate interest and by the same type of tenancy in which title to the Unit is held. An Owner shall be entitled to one membership for each Unit owned. Each membership shall be apportioned to the Unit to which it relates and shall be transferred automatically by conveyance of that Unit. Ownership of a Unit within the Project

cannot be separated from membership in the Association appurtenant thereto and any devise, encumbrance, conveyance or other disposition of the Owner's membership in the Association and rights appurtenant thereto.

E 1483351 02439 P 583

No person or entity other than an Owner may be a Member of the Association and membership in the Association cannot be transferred except in connection with the transfer of a Unit. The Association shall make available to the Owners, Mortgagees and the holders, insurers and guarantors of the First Mortgage on any Unit, current copies of the Declaration, Articles Bylaws and other rules governing the Project and other books, records and financial statements of the Association. The term "available" shall mean available for inspection, upon request, during normal business hours or under other reasonable circumstances.

3.2.1 Five (5) years from the date on which the first Unit in the Project is conveyed;

3.2.2 One hundred twenty (120) days after seventy-five percent (75%) of the Units have been conveyed by Declarant; or

3.2.3 Unilateral election by Declarant in its sole discretion.

Except as otherwise expressly set forth in this Declaration, all decisions by the Board of Trustees shall be effected by a majority vote of all the Trustees.

3.3. Votes.

The Owner of each Unit shall be entitled to one (1) vote for each Unit owned. The number of votes appurtenant to each Unit shall be permanent and shall not change. In the event that there is more than one Owner of a particular Unit, the votes relating to such Unit shall be exercised as such Owners may determine among themselves. No Unit shall have more than one (1) vote, regardless of the number of persons having an ownership interest in the Unit. The votes cast at any Association meeting by any of such Owners, whether in person or by proxy, shall be conclusively presumed to be the votes attributable to the Unit concerned unless an objection is immediately made by another Owner of the same Unit. In the event such an objection is made, the votes involved shall not be counted for any purpose whatsoever other than to determine the existence of a quorum. The Declarant shall have full voting rights with respect to each Unit which it owns.

Except as otherwise expressly set forth in this Declaration, all decisions by the Owners shall be effected by a majority vote of all the Owners.

3.4. Maintenance of Condominium Building Exteriors.

The Association shall maintain the exteriors of all Units and all Condominium Buildings as follows: paint, repair, replacement and care of roofs, gutters, downspouts, foundations, window wells, sump pumps, fences, exterior building surfaces, exterior door and other exterior improvements, as well as all trees, shrubs, grass, walks and steps located on or around a Unit. Such exterior maintenance shall not

include glass surfaces and window screens or patios included on any Unit. The Association shall have the right of entry to any Unit to perform emergency repairs or do other work necessarily required to perform the maintenance obligations hereunder.

E 1483351 8 2439 P 584

In the event the need for maintenance or repair of the exterior of a Unit or Condominium Building is caused through the willful or negligent acts of an Owner, or through the willful or negligent acts of the family, guests, tenants or invitees of an Owner, the costs of such exterior maintenance shall be added to and become a part of the assessment to which such Owner and that Owner's Unit are subject.

3.5. Professional Management.

The Association may carry out through the Manager, those of its functions which are properly the subject of delegation as determined by the Association. The Manager so engaged shall be an independent contractor and not an agent or employee of the Association and shall be responsible for management of the Project for the benefit of the Association and the Owners and shall, to the extent permitted by law and by the terms of the management agreement with the Association, be authorized to perform any of the functions or acts required or permitted to be performed by the Association itself.

3.6. Amplification.

The provisions of this Section may be amplified by the Articles and the Bylaws; provided, however, that no such amplification shall substantially alter or amend any of the rights or obligations of the Owners set forth in this Declaration.

3.7. Initial Agent for Service.

The initial agent for service of process for the Association and on behalf of the Project shall be:

ARTICLE IV.

PROPERTY RIGHTS IN COMMON AREAS AND UNITS

4.1. Description of Improvements.

The Improvements contained in the Project are now or will be located upon the Property. The major Improvements contained in the Project include thirteen (13) separate two (2) level buildings (without basements) each of which will have six (6) Units. The buildings will have exterior walls consisting primarily of wood, stucco and stone. The buildings will have wood-frame interiors with interior wall finish of sheet rock according to applicable building codes. The Project is further described on the Plat, Phase 2 through and including Phase 8 of The Courtyard at Pages Lane, A Condominium Development.

4.2. Description and Legal Status of Units.

The Plat shows each Unit number, its location, dimensions from which its size may be determined, the Common Areas to which it has immediate access and the Limited Common Areas, if any, reserved for each Unit. The undivided ownership interest in the Common Areas appurtenant to a Unit may not be

partitioned from the balance of the Common Areas or Units for any reason.

1483351 8 2439 P 585

4.3. Estate of an Owner.

The Project is hereby divided into Units, each consisting of a fee simple interest in a Unit and a Percentage Interest. The Percentage interests are hereby declared to be appurtenant to the respective Units. Each Owner shall have the right to horizontal and lateral support of that Owner's Unit and such rights shall be appurtenant to and pass with the title to each Unit.

4.4. Title.

Title to a Unit may be held or owned by any person or more than one person and in any manner in which title to any other real property may be held or owned in the State, including, without limitation, joint tenants or tenancy in common.

4.5. Inseparability.

No part of a Unit or the legal rights comprising ownership of a Unit may be separated from any other part thereof during the period of ownership prescribed herein, so that each Unit and the Percentage Interest appurtenant to such Unit shall always be conveyed, devised, encumbered or otherwise affected only as a complete Unit. Every gift, devise, bequest, transfer, encumbrance, conveyance or other disposition of a Unit shall be presumed to be a gift, devise bequest, transfer, encumbrance or conveyance, respectively, of the entire Unit and associated Percentage Interest, together with all appurtenant rights created by law or by this Declaration. The Common Areas shall be owned in common by all the Owners and no Owner may bring any action for partition thereof.

4.6. Computation of Percentage Interests.

Declarant reserves the right to make minor adjustments in some or all of the Percentage Interests for the purpose of assuring that the total of all the Percentage Interests equals one-hundred percent (100%). Except as set forth above, the Percentage Interests shall have a permanent character and shall not be altered without the consent of all the Members expressed in an amended declaration duly recorded.

4.7. Owner's Rights Respecting Interiors.

Each Owner shall have the exclusive right at its sole cost to maintain, repair, paint, repaint, tile, wax, paper, or otherwise refinish and decorate the interior surfaces of the walls, ceilings and floors forming the boundaries of that Owner's Unit so long as such actions do not have an adverse impact on the structural components or exterior of the Unit or anything outside the Unit.

4.8. Separate Mortgages.

Each Owner shall have the right separately to mortgage or otherwise encumber that Owner's Unit. No Owner shall have the right to mortgage or otherwise encumber the Common Areas, except the Percentage Interest therein appurtenant to that Owner's Unit. Any Mortgage or other encumbrance of any Unit shall be subordinate to all of the provisions of this Declaration and in the event of foreclosure, this Declaration shall be binding upon any Owner whose title is derived through foreclosure by private power of sale, judicial foreclosure, or otherwise.

4.9. Taxation.

Each Unit and appurtenant Percentage Interest, shall be deemed to be a parcel and shall upon conveyance of any Unit by Declarant be assessed separately for all taxes, assessments and other charges of any political subdivision or any special improvement district or of any other taxing or assessing authority. The valuation of the Common Areas and Limited Common Areas shall be apportioned among the Units in

proportion to the respective Percentage Interests appertaining thereto. All such taxes, assessments and other charges of each respective Unit shall be separately levied against that Unit and the Owner thereof. No forfeiture or sale of any Unit for delinquent taxes, assessments or other governmental charges shall divest or in any way affect the title to any other Unit.

E 1483351 12439 P 586

4.10. Lien.

In the event that any judgment, claim, encumbrance or lien of any type attaches to any particular Unit, with or without the consent of the Owner or that Unit, that judgment, claim, encumbrance or lien shall not attach to or encumber any other Unit.

4.11. Easements for Parking.

Temporary guest parking or recreational parking shall be permitted within the Common Areas only within spaces and areas clearly marked for such purpose, excepting spaces and areas as shall be specifically reserved and marked as such. Spaces shall be shown by signs or markings on the paved area. The Association, through its officers, committees and agents, is hereby empowered to establish "parking" and "no parking" areas within the Common Areas, as well as to enforce those parking limitations by all means lawful for such enforcement, including the removal of any violating vehicle by those so empowered.

4.12. Easements for Marketing.

In addition to the other easements over the Common Areas, Declarant reserves to itself and its employees and agents easements over the Common Areas and any Units owned by Declarant to the extent necessary to market and sell the Units in the Project. Declarant may maintain sales offices, trailers or model units in the Project in the number, size, location and time-periods reasonably determined by Declarant.

4.13. Easements for Utilities.

4.13.1 General.

Declarant and the Association desire to have utilities for water, sewer, electricity, fuel, power, cable television and all other utility services (collectively, the "Utilities"), provided to the Project and located in the Common Areas and areas noted on the Plats (collectively the "Easement Areas"). The providers of all such utilities to the Project and their respective successors, assigns, agents and affiliates are hereinafter collectively called the "Utility Providers".

4.13.2 Grant.

Declarant and the Association do hereby grant to the Utility Providers a non-exclusive easement (the "Utility Easement") to, from, across, over, upon and under all the Easement Areas to construct, maintain, operate, repair, inspect, protect, remove and replace all lines, pipes, valves, meters, equipment, facilities and other improvements reasonably and customarily necessary to provide and maintain all the Utilities to the Project and perform the Utility Providers' obligations under this Utility Easement (collectively, the "Utility Improvements"). This grant of Utility Easement is intended for the benefit of all individuals and entities comprising the Utility Providers. This Utility Easement shall include a right of ingress and egress to and from the Easement Areas. During temporary periods, the Utility Providers may use such portions of the Project along and adjacent to the Easement Areas as may be reasonably necessary in connection with the Utility Providers' obligations under this Utility Easement.

4.13.3 Utility Providers' Rights and Obligations.

The Utility Providers shall take all actions and pay all costs necessary to construct, maintain in good condition, operate, repair, inspect, protect, remove and replace all their respective Utility Improvements. The Utility Providers shall exercise all their rights and obligations under this Utility

Easement in a reasonable and customary manner so as to minimize disruption and damage to the Project, the Declarant, the Association, the Owners and the residents, guests and invitees associated with the Project.

4.13.4 Declarant's and Association's Rights and Obligations.

Declarant and the Association shall have the right to use the surface of the Easement Areas except for the purposes for which this Utility Easement is granted provided such use does not interfere with the Utility Improvements, Utilities or any other rights granted to the Utility Providers hereunder. The Association shall not build or construct, nor permit to be built or constructed, any building or other structure on, over or across the Easement Areas, nor change the contour thereof.

4.13.5 Easement for Specific Units.

A Utility Easement for the installation and maintenance of the Utilities is also reserved within each Unit. It is contemplated that the Utilities may originate in one Unit and terminate in another Unit. A right of access to all Units is reserved to the Declarant, the Association and the Utility Providers for all matters pertaining to the Utilities.

4.13.6 Term.

This Utility Easement shall commence as of the date that this Declaration is recorded in the official records of County and shall continue in perpetuity until terminated by the Association upon written notice to the other Utility Providers hereto. The termination of this Utility Easement with respect to one or more of the Utility Providers shall not terminate this Utility Easement with respect to any other Utility Provider unless written notice of that termination has been sent to that Utility Provider.

4.13.7 Transfer.

This Utility Easement shall run with, and be appurtenant to, the land associated with the Project and shall be transferred, assigned, sold, encumbered or otherwise conveyed with all or any portion of the Project without the consent of any other person or entity.

4.13.8 Miscellaneous.

The Utility Providers shall perform their respective obligations under this Utility Easement in compliance with all applicable laws, permits and agreements affecting the Project. Nothing in this Utility Easement shall be construed to create any partnership, joint venture or fiduciary relationship among the Declarant, the Association and/or any of the Utility Providers.

4.14. Easements for Vehicular Traffic.

In addition to the general easements for use of the Common Area reserved herein, there shall be, and Declarant hereby covenants for itself, its successors and assigns, and all future Owners within the Project, that each and every Owner shall have a non-exclusive easement appurtenant for vehicular traffic over all private streets within the Project, subject to the parking provisions set forth in Section 4.11 of Article IV hereof. Declarant reserves the right to grant similar easements to owners of property within adjacent subdivisions or subdivisions annexed hereto, if any, pursuant to Article IV.

4.15. Easements for City and County Use.

In addition to the foregoing easements over the Common Areas, there shall be, and Declarant hereby reserves and covenants for itself and all future Owners, easements for city, county and federal public services, including but not limited to, the right of the police to enter upon any part of the Common Areas for the purpose of enforcing the laws and permanent easements in favor of the City pursuant to the

ordinances of the City to guarantee that the open spaces remain perpetually in the uses for which intended.

4.16. Creation of Easements.

Each of the easements provided for in this Declaration shall be deemed to be established upon the recordation of this Declaration, and shall thenceforth be deemed to be covenants running with the land for the use and benefit of the Units superior to all other encumbrances applied against or in favor of any portion of the Project. In furtherance of the easements provided for in this Declaration, the individual grant deeds to Units may, but shall not be required to, set forth said easements.

4.17. Entry onto Units.

The Association and its representatives shall have the right to enter upon any Unit within the Project, without being liable to any Owner, to the extent such entry is necessary in connection with the enforcement of the provisions of this Declaration or with the performance by the Association of its duties and responsibilities under this Declaration, including, without limitation, the construction, maintenance or effectation of emergency repairs for the benefit of the Units, the Common Areas, or for any of the Owners within the Project. Reasonable advance notice shall be given to any Owner of a Unit before such entry thereupon, except in the case of emergencies.

4.18. Power to Grant Easements.

The Association shall have the power to grant and convey in the name of all the Owners as their attorney in fact (or in the name of the Association as to any property to which the Association holds title) to any Owner or other party, easements and rights-of-way in, on, over or under the Common Areas for the purpose of constructing and maintaining utility services and infrastructure improvements. Each Owner hereby appoints the Association its attorney in fact for the purposes set forth in this Section.

4.19. Easement of Enjoyment.

Each Owner shall have a right and easement of use and enjoyment in and to the Common Areas. Each Owner shall have an unrestricted right of ingress or egress to and from his or her Unit over and across such Common Areas. Each Owner shall also have the exclusive right to use and enjoy any Limited Common Areas that may be designated for exclusive use by such Owner. Such rights and easements shall be appurtenant to and shall pass the right and easement of use and enjoyment described herein to any family member, household guest, tenant, lessee, contract purchaser, or other person who resides in such Member's Unit.

4.20. Easements for Encroachments.

If any portion of the Common Areas encroaches on any portion of a Unit, regardless of the cause, a valid easement exists for such encroachment and for the maintenance of it as long as it remains, and all Units and Common Areas are made subject to such easements.

There is also hereby created an easement for any encroachment by any roof overhang upon an adjoining Unit or any part of the Common Areas to the extent that such roof overhang was constructed by Declarant.

Each Unit and Owner is granted an easement over all adjoining Units and Common Areas for the purpose of accommodating any encroachment due to engineering errors, errors in original construction, settlement or shifting of structures, or any other cause as long as the encroachment remains. However, in no event shall a valid easement for encroachment exist in favor of an Owner if the encroachment occurred due to the willful misconduct of the Owner.

In the event a structure on any Unit is partially or totally destroyed and then repaired or rebuilt, the Owner of such Unit agrees that minor encroachments over adjoining Units and the Common Areas shall be permitted and there shall be valid easements for the maintenance of the encroachments as long as they shall exist.

1483351 2439 589

In no event shall a valid easement for encroachment exist in favor of an Owner if the encroachment occurred due to the willful misconduct of the Owner.

Each Unit and its Owner shall have and is hereby granted an easement appurtenant to such Unit over each adjoining Unit or the Common Areas, for overhanging roofs and eaves, and other structural components as originally constructed or, if partially or totally destroyed, as subsequently rebuilt or repaired in accordance with the original plans and specifications.

4.21. Limitation on Easement.

An Owner's right and easement of use and enjoyment concerning the Common Areas shall be subject to the following:

4.21.1. The right of the Association to suspend an Owner's voting right in the Association and an Owner's right to the use of any recreational facilities included in the Common Areas for any period during which:

4.21.1.A An assessment on such Owner's Unit remains unpaid;

4.21.1.B For a period not exceeding sixty (60) days for any infraction by such Owner of the provisions of this Declaration or of any rule or regulation promulgated by the Association; and

4.21.1.C For successive sixty (60) day periods if any such infraction is not corrected during any prior sixty (60) day suspension period;

4.21.2. The right of the Association to impose reasonable limitations on the number of guests of each Owner who at any given time are permitted to use the Common Areas;

4.21.3. The right of the County or any other governmental or quasi-governmental body having jurisdiction over the Property to have rights of access, ingress and egress over and across any street, parking area, walkway or open area contained within the Property for purposes of providing police and fire protection, transporting school children and providing other governmental or municipal service.

4.22. Party Walls.

Each wall or ceiling-floor physical boundary which is built as part of the original construction (or reconstruction) of the Units and placed on the dividing line (whether horizontal or vertical) between the Units shall constitute a "Party Wall" and, to the extent not inconsistent with the provisions of this Section, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply to all Party Walls within the Project. The cost of reasonable repair and maintenance shall apply to all Party Walls within the Project. The cost of reasonable repair and maintenance of a Party Wall shall be shared equally by the Owners who make use of such Party Wall. Notwithstanding any other provision of this Section, an Owner who by his negligent or willful act causes a Party Wall to be damaged shall bear the entire cost of furnishing repairs to the Party Wall. The right of any Owner to contribution from any other Owner under this Section shall be appurtenant to the Unit and shall pass to such Owner's successors in title.

4.23. Conveyance.

Any deed, lease, mortgage, deed of trust, sales contract or other instrument conveying or encumbering a Unit shall describe the interest or estate involved substantially as follows:

E 1483351 B 2439 P 590

Unit No. _____, contained within a condominium development as the same is identified in the Record of Survey Plats Phase 2 through 8, The Courtyard at Pages Lane, a Condominium Development, recorded in the official records of Davis County, State of Utah, as Entry No. _____ in Book _____ and Page _____ and in the Amended and Restated Declaration of Covenants, Conditions and Restrictions of The Courtyard At Pages Lane, A Condominium Development, recorded in the official records of Davis County, State of Utah, as Entry No. _____ in Book _____ and Page _____ (as that Record of Survey Plats and Declaration may have heretofore been amended or supplemented);

Together with the undivided ownership interest in the Project's Common Areas which are appurtenant to the Unit.

That description shall be construed to describe the Unit, together with the appurtenant Percentage Interest in the Common Areas and to incorporate all the rights incident to ownership of a Unit and all the limitations on that ownership as described in this Declaration.

ARTICLE V.
ASSESSMENTS

5.1. Agreement to Pay Assessments.

The Declarant for each Unit owned by it within the Project and each Owner of any Unit by the acceptance of instruments of conveyance and transfer therefor, whether or not it be so expressed in said instruments, shall be deemed to covenant and agree with each other and with the Association to pay the Association all assessments made by the Association for the purposes provided in this Declaration. Such assessments shall be fixed, established and collected from time to time as provided in this Article V. In any event, all Units shall be allocated the then applicable assessments upon conveyance of the first Unit.

5.1.1. From and after January 1 of the year immediately following the conveyance of the first Unit to an Owner, the maximum annual assessment may be set and such assessment may then be increased each year by up to fifteen percent (15%) above the maximum assessment for the previous year without a vote of the membership regarding such increases.

5.1.2. From and after January 1 of the second year immediately following the conveyance of the first Unit to an Owner, the maximum annual assessment may be increased above fifteen percent (15%) only by a vote of a majority of the votes of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

5.1.3. The Board may fix the annual assessment at an amount not in excess of the maximum.

5.2. Annual Assessments.

Annual assessments shall be computed and assessed against all Units in the Project as follows:

5.2.1. Common Expenses.

Annual assessments shall be based upon advance estimates of the Association's cash requirements to provide for payment of all estimated expenses arising out of or connected with the

maintenance and operation of the Common Areas, the Condominium Building and Unit exteriors and furnishings common utility service and other common items to the Units. Such estimated expenses may include, without limitation, the following: expenses of management, real property taxes and special assessments on the Common Areas (and the Units until the Units are separately assessed); premiums for all insurance that the Association is required or permitted to maintain hereunder; repairs and maintenance of the Common Areas and Condominium Building and Unit exteriors; landscaping; wages of Association employees, including fees for a Manager; repairs and replacements of window well sump pumps; utility charges, including charges for utility services to the Units to the extent not separately metered or billed; legal and accounting fees; any deficit remaining from a previous period; creation of an adequate contingency reserve, major maintenance reserve and/or sinking fund; creation of an adequate reserve fund for maintenance repairs and replacement of those Common Areas and Condominium Buildings and Unit exteriors that must be replaced on a periodic basis; and any other expenses and liabilities which may be incurred by the Association for the benefit of the Owners under or by reason of this Declaration.

The aggregate of all such items shall constitute the Common Expenses and all funds received from assessments under this Section 5.2.1 shall be part of the Common Expense Fund. Two separate and distinct funds shall be created and maintained hereunder, one for operating expenses and one for capital expenses which together shall constitute the Common Expense Fund.

5.2.2. Apportionment.

Common Expenses shall be apportioned among and assessed to all Units and their Owners in accordance with the assessment percentages allocated to each Unit, as set forth on Exhibit "B", which is attached hereto and incorporated herein by this reference. The Declarant shall be liable for the amount of any assessments against Units owned by Declarant.

5.2.3. Annual Budget.

Annual assessments shall be determined on the basis of a fiscal year beginning January 1, and ending December 31, next following, provided the first fiscal year shall begin on the date of conveyance of the first Unit by Declarant. On or before December 1, of each year thereafter, the Board of Trustees shall prepare and furnish to each Owner, or cause to be prepared and furnished to each Owner, an operating budget for the upcoming fiscal year. The budget shall itemize the estimated expenses of Common Expense for such fiscal year, anticipated receipts (if any) and any deficit or surplus from the prior operating period. The budget shall serve as the supporting document for the annual assessment for the upcoming fiscal year and as the major guideline under which the Project shall be operated during such annual period.

5.2.4. Notice and Payment.

Except with respect to the first fiscal year, the Board of Trustees shall notify each Owner in writing as to the amount of the annual assessment against his or her Unit on or before December 1, each year for the fiscal year beginning on January 1, next following. Except as otherwise provided by the Board, each annual assessment shall be payable in twelve (12) equal monthly installments, one such installment due on the first day of each calendar month during the fiscal year to which the assessment relates; provided, however, the annual assessment for the first fiscal year shall be based upon such portion of the first fiscal year.

All unpaid installments of any annual assessment shall bear interest at the rate established by the Board of Trustees, not to exceed eighteen percent (18%) per annum from fifteen (15) days after the date each such installment becomes due, until paid. The Board of Trustees shall also have the right to assess a late fee of up to five percent (5%) of any assessment installment not paid within fifteen (15) days

following the due date thereof. In addition, in the event that any installment of the annual assessment is not paid within fifteen (15) days of the date such installment becomes due, the Association may, at its option, and upon fifteen (15) days' prior written notice to the Owner, accelerate the due date for all remaining unpaid installments of the annual assessment for the remainder of the fiscal year and all accrued but unpaid interest thereon. Payment of the annual assessment installments so accelerated shall be due at the expiration of said fifteen (15) day notice period and interest shall accrue on the entire sum at the rate established by the Board not to exceed eighteen percent (18%) per annum from such date until paid in full.

The failure of the Board of Trustees to give timely notice of any annual assessment as provided herein shall not be deemed a waiver or modification in any respect of the provisions of this Declaration, or a release of any Owner from the obligation to pay such assessment or any other assessment.

5.2.5. Insufficient Funds.

In the event that the Common Expense Fund proves inadequate at any time for whatever reason, including nonpayment of any Owner's assessment, the Board of Trustees may, on behalf of the Association, levy additional assessments in accordance with the procedure set forth in Section 5.3 below.

5.3. Emergency Assessment.

The Board may increase assessments necessary for emergency situations. For purposes of this Section, an emergency situation is any of the following: (i) an extraordinary expense required by an order of the court; (ii) an extraordinary expense necessary to repair or maintain the property or any part of it for which the Association is responsible where a threat to personal safety on the Project is discovered; or (iii) an extraordinary expense necessary to repair or maintain the Project or any part of it for which the Association is responsible that could not have been reasonably foreseen by the Board. However, prior to the imposition or collection of such an emergency assessment, the Board shall pass a resolution containing written findings as to the necessity of the extraordinary expense involved and why the expense was not or could not have been reasonably foreseen in the budgeting process, and such resolution shall be distributed to the Members with the notice of assessment.

5.4. Reimbursement Assessment.

The term "Reimbursement Assessment" as used herein shall mean a charge against each Owner and that Owner's Unit for the purpose of reimbursing the Association for any costs incurred by the Association on behalf of an individual Owner. A Reimbursement Assessment may also be levied by the Association for purposes of collecting any monetary penalties which may be imposed by the Association against an Owner who fails to comply with provisions of this Declaration, the determinations of the Board or the Architectural Committee, or any rule or regulation adopted by the Association. The Association shall levy a Reimbursement Assessment against any Owner who fails to comply with the provisions of this Declaration, the determinations of the Architectural Committee or the Board, the Association's Articles or Bylaws, or any rule or regulation adopted by the Association, if such failure results in the expenditure of moneys by the Association in carrying out its functions hereunder or for purposes of collecting any fines which may be levied by the Association. Except for collection of fines, such assessment shall be for the purpose of reimbursing the Association, shall be limited to the amount so expended, and shall be due and payable to the Association when levied.

5.5. Special Assessments.

In addition to the annual assessments authorized by this Article V, the Board of Trustees may, on behalf of the Association, levy at any time, and from time to time, upon the affirmative vote of at least sixty-seven percent (67%) of the voting power of the Association in person or by proxy at a meeting called for such purpose of defraying, in whole or in part, the cost of any construction or reconstruction,

unexpected repair or replacement of the Project or any part thereof, or for any other expenses incurred or to be incurred as provided in this Declaration (including, without limitation, Common Expenses).

This Section shall not be construed as an independent source of authority for the Association to incur expenses but shall be construed to prescribe the manner of assessing for expenses authorized by other sections or articles hereof. Any amounts assessed pursuant hereto shall be assessed to Owners in accordance with the percentages allocated to each Unit, as set forth in Exhibit "B". Notice in writing of the amount of each such special assessment and the time for payment thereof shall be given promptly to the Owners; no payment shall be due less than fifteen (15) days after such notice shall have been given. All unpaid portions of any special assessment shall bear interest at the rate established by the Board not to exceed eighteen percent (18%) per annum from the date such portions become due until paid. All funds received from assessments under this Section shall be part of the Common Expense Fund. In connection with any such special assessment, if the Declarant is only obligated to pay twenty-five percent (25%) of the annual assessment attributable to Units it owns pursuant to Section 5.6 below, it shall only be required to pay twenty-five (25%) of the special assessment otherwise attributable to each such Unit. The provisions of this Section are not intended to preclude or limit the assessment, collection or use of annual assessments for the aforesaid purposes.

5.6. Uniform Rate of Assessment.

The amount of any annual or special assessment against each Unit shall be fixed at a uniform rate based on the assessment percentages allocated to each Unit, as set forth on Exhibit "B", except that Declarant shall pay only twenty five-percent (25%) of the annual assessment attributable to each Unit which it owns until the conveyance by Declarant of such Unit to a third-party purchaser. If the Declarant ceases to qualify for the reduced twenty-five percent (25%) rate during the period to which an annual assessment is attributable, the assessment attributable to the membership shall be prorated between the applicable rate on the basis of the number of days in the period that the Owner qualified for each rate.

Annual assessments may be collected on a monthly basis and special assessments may be collected as specified by the Board unless otherwise determined by a resolution of the Members of the Association approving the special assessment.

So long as the Declarant pays the reduced assessment rate with respect to the Units which it owns, if the assessments of the Association shall fail to equal or exceed the actual expenses incurred by the Association because of the Declarant's right to pay reduced assessments, then the Declarant shall pay to the Association a sufficient amount, up to the amount of the full assessment for each Unit owned by Declarant to meet any such deficit, so long as a written notice of such deficit is given by the Association to the Declarant.

5.7. Notice and Quorum for Any Action Authorized Under Section 5.1.

Written notice of any meeting called for the purpose of taking any action authorized under Section 5.1 shall be sent to all Members no less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of Members or of proxies entitled to cast fifty percent (50%) of all votes (exclusive of suspended voting rights) of Members shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement and the required quorum at the subsequent meeting shall be one half (½) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

5.8. Lien for Assessments.

All sums assessed to Owners of any Unit within the Project pursuant to the provisions of this Article V, together with penalties and interest thereon as provided herein, shall be secured by a lien on such Unit in favor of the Association. To evidence a lien for sums assessed pursuant to this Article V, the Board of Trustees may prepare a written notice of lien setting forth the amount of the assessment, the date due, the amount remaining unpaid, the name of the Owner of the Unit and a description of the Unit. Such a notice shall be signed and acknowledged by a duly authorized officer of the Association and may be recorded in the official records of the County. No notice of lien shall be recorded until there is a delinquency in payment of the assessment. Such lien may be enforced by sale or foreclosure conducted in accordance with the provisions of law applicable to the exercise of powers of sale or judicial foreclosure of deeds of trust or mortgages with the attorney for the Association being here designated as the trustee with power of sale, or in any other manner permitted by law. In any such foreclosure, the Owner shall be required to pay the costs and expenses of such proceeding (including reasonable attorney's fees), and such costs and expenses shall be secured by the lien being foreclosed. The Owner shall also be required to pay to the Association any assessment against the Unit which shall become due during the period of foreclosure and all such assessments shall be secured by the lien being foreclosed. The Board of Trustees shall have the right and power in behalf of the Association to bid in at any foreclosure sale and to hold, lease, mortgage or convey the subject Unit in the name of the Association.

5.9. Personal Obligation of Owner.

The amount of any assessment against any Unit shall be the personal obligation of the Owner of such Unit to the Association. Suit to recover a money judgment for such personal obligation shall be maintainable by the Association without foreclosing or waiving the lien securing the same. No Owner may avoid or diminish any such personal obligation by waiver of the use and enjoyment of any of the Common Areas or by abandonment of his Unit or by waiving any services or amenities provided for in this Declaration. In the event of any suit to recover a money judgment or unpaid assessment hereunder, the involved Owner shall pay the costs and expenses incurred by the Association in connection therewith, including reasonable attorney's fees.

A transferee of a Unit shall be jointly and severally liable with the transferor for all unpaid assessments against the Unit up to the time of the transfer, without prejudice to the transferee's right to recover from the transferor of the amount paid by the transferee for such assessments.

5.10. Personal Liability of Grantee.

Except as expressly otherwise set forth herein, in a conveyance of a Unit, the grantee of that Unit shall be jointly and severally liable with the grantor for all unpaid assessments against the grantor of the Unit, without prejudice to the grantee's rights to recover from the grantor the amounts paid by the grantee. However, any such grantee shall be entitled to a statement from the Association setting forth the amounts of the unpaid assessments against the grantor and the grantee shall not be liable for, nor shall the Unit conveyed by subject to a lien for, any unpaid assessments against the grantor in excess of the amount set forth in that statement except to the extent that additional penalties and interest accrue on the amount set forth in that statement. Notwithstanding the foregoing, foreclosure of a lien by a First Mortgagee shall extinguish any liens for assessments payable prior to the foreclosure sale.

5.11. Reserves and Working Capital.

In addition to its day-to-day operating funds, the Association shall establish the following funds:

5.11.1. Reserve Fund.

The Association shall establish and maintain an adequate reserve fund for the periodic maintenance, repair and replacement of improvements to the Common Areas and Condominium Building and Unit exteriors the Association is obligated to maintain, repair or replace. The reserve fund shall be maintained out of regular assessments for Common Expenses.

5.11.2. Working Capital Fund.

The Declarant shall have the right but not the obligation, to establish and maintain for the Project, a working capital fund equal to at least two monthly installments of the annual assessment of each Unit. Each Unit's share of the working capital fund must be collected and transferred to the Association at the time of the closing of sale of that Unit. Notwithstanding the foregoing, the contribution to the working capital fund for each unsold Unit shall be paid by the Declarant to the Association within sixty (60) days after the date of conveyance of the first Unit in the Project. With respect to each Unit for which the Declarant pays the contribution to the working capital fund, Declarant shall be reimbursed for such contribution either by the purchaser of such Unit at the time of the closing of the sale to such purchaser or by the Association upon termination of the Declarant's control of the Association as described in Section 5.11.2 of this Article V, whichever is earlier. The working capital fund must be maintained in a segregated account for the use and benefit of the Association. The purpose of the working capital fund is to ensure that the Association will have cash available to meet unforeseen expenditures or to acquire additional equipment or services deemed necessary or desirable by the Association. Amounts paid into the working capital fund are not to be considered advance payments of any annual or special assessment. The working capital fund shall be transferred to the Association for deposit to a segregated fund when control of the Association is transferred to the Owners. The Declarant shall not use the working capital fund to defray any of its expenses, reserve contributions, or construction costs or to make up any budget deficits while it is in control of the Association.

5.12. Evidence of Payment of Annual and Special Assessments.

Upon receipt of a written request by a Member or any other person, the Association within a reasonable period of time thereafter shall issue to such Member or other person a written certificate stating:

5.12.1. That all annual and special assessments (including interest, costs and attorneys' fees, if any, as provided in Section 5.12 above) have been paid with respect to any specified Unit as of the date of such certificate, or

5.12.2. That certain annual and/or special assessments have not been paid, and the amount of such annual and special assessments (including interest, costs and attorneys' fees, if any) due and payable as of such date. The Association may impose a reasonable charge for the issuance of such certificates, not to exceed the maximum amount established by law, which charge must be paid at the time the request for any such certificate is issued. Any such certificate, when duly issued as herein provided, shall be conclusive and binding with respect to any matter therein stated as against any bona fide purchaser of, or Mortgagee on, the Unit in question.

5.13. Subsurface Drainage System Assessments.

The Owners shall be responsible for the exclusive management, control and maintenance of the subsurface drainage system serving the Project. An annual fee shall be assessed on all property located within the Project in an amount sufficient to cover on-site and off-site maintenance of the subdrain system and related parts thereof serving the Project.

Each Owner, by acceptance of instruments of conveyance and transfer therefor, whether or not it be so expressed in said instruments, shall be deemed to covenant and agree with each other (and with the Association) to pay all assessments made for the purposes of providing maintenance of the subsurface drain system serving the Project. Unless otherwise specified herein, the fee assessed shall be a portion of the total maintenance costs representing the Owner's prorate share, i.e., if there are twenty (20) Units total in the Project and Owner owns one (1) Unit, Owner's share will be one twentieth (1/20) of total expenses for year.

All sums assessed on Owner within the Project pursuant to the provisions hereof, together with the interest thereon as provided in this Declaration, shall be secured by a lien on such Unit in favor of the Association. To evidence a lien for sums assessed pursuant to this Section, the Association shall prepare a written notice of lien setting forth the amount of the assessment, the due date, the amount remaining unpaid, the name of the Owner and description of the Unit. Such notice shall be signed and acknowledged by a duly authorized officer of the Association and may be recorded in the official records of the County.

The Association and each Owner hereby covenants and agrees with City that in the event the subsurface drainage system is not maintained and assessments therefor paid as indicated above, the City shall have the right to assume responsibility for the maintenance thereof and assess each Owner's prorate share of the costs of such maintenance on an annual basis and shall have the right to secure such assessments with a lien with interest thereon and to provide notice thereof in the manner above described.

ARTICLE VI OPERATION AND MAINTENANCE

6.1. Maintenance of Units by Owners.

The Owner of each Unit shall take all actions and pay all costs necessary to maintain the interior of that Unit in good and clean condition and repair and so as not to adversely impact the appearance, value or use of any portion of the Project. The interior of a Unit shall include all interior surfaces of walls, doors, floors and ceilings as well as plumbing, electrical, heating, air conditioning, water, sewer lines, ducts and other such utilities and appliances that do not extend beyond the interior of the Unit.

If the interior of any Unit or any Limited Common Area associated with that Unit shall develop an unclean or unsanitary condition or fall into a state of disrepair, and the Owner of that Unit fails to correct that condition or disrepair promptly following delivery of written notice to that Owner, the Association shall have the right, but not the obligation, at the expense of the Owner and without liability by the Owner for trespass or otherwise, to enter that Unit as well as any Limited Common Area associated therewith and correct or eliminate the unsanitary or unclean condition or state of disrepair. The Association shall have the irrevocable right to access and inspect each Unit at reasonable times following reasonable notice to ensure that the Owner is in compliance with this Section and all other covenants under this Declaration.

6.2. Operation and Maintenance by Association.

The Association shall have no obligation regarding maintenance or care of any Units and their associated Limited Common Areas, except as set forth in this Section 6.2 or elsewhere in this Declaration. The Association shall provide for such maintenance, landscaping (including area within City's monument sign easement), roadway drainage system sustentation, snow removal and operation of the Common Areas as may be necessary or desirable to make them appropriately usable in conjunction with the Units and to keep them clean, functional, attractive and generally in good condition and repair. The Association shall also provide for the maintenance of all Condominium Building Exteriors. The expenses incurred by the Association for such purposes shall be paid for with funds from the Common Expense Fund.

6.3 Maintenance of Limited Common Areas.

Each Owner shall keep the Limited Common Areas designated for use in connection with that Owner's Unit, if any, in a good, clean, sanitary and attractive condition; provided, however, the Association shall keep the same in a good state of repair, including without limitation the exterior of all garage doors.

6.4 Utilities.

The Owner shall pay for all utility services furnished to each Unit except utility services which are not separately billed or metered to individual Units by the utility or other party furnishing such service. The Association shall pay such bills which are not separately metered and charge an appropriate share to each Unit and Owner as part of the Common Expenses.

Wherever utility connections, including, without limitation, sanitary sewer house connections, water hose connections, drainage facilities, and electricity, gas, telephone and cable television lines are installed within the Project, which connections, lines or facilities, or any portion thereof, lie in or upon areas of the Project owned by persons other than the Owner of a Unit served by said connections, the Owner of any Unit served by said connections, lines or facilities shall have the right, and is hereby granted an easement to the full extent necessary therefor, to enter upon, or to have utility companies enter upon, the areas within the Project in or upon which said connection, lines or facilities, or any portion thereof, lie, to repair, replace and generally maintain said connections as and when the same may be necessary as set forth below.

Wherever utility connections are installed within the Project, which connections serve more than one Unit, the Owner of each Unit served by said connections shall be entitled to the full use and enjoyment of such portions of said connections as service that Owner's Unit.

In the event of a dispute between Owners with respect to the repair or rebuilding of any utility connections or with respect to the sharing of the cost thereof, then upon the written request of one of those Owners addressed to the Association, the matter shall be submitted to the Board and the Board shall decide and make an assessment against any or all of the Owners involved, which assessment shall be final and collected and enforced in the manner provided by this Declaration.

6.5 Damage to Common Area by Owners.

The foregoing maintenance, repairs or replacements within the Common Area arising out of or caused by the willful or negligent act of the Owner, the Owner's family, guests or invitees, shall be done at said Owner's expense or a special assessment therefor shall be made against said Owner's Unit; provided, however, that the liability of an individual Owner for such damage to the Common Area shall not be absolute, but shall only be that for which the Owner is legally responsible under applicable law.

ARTICLE VII INSURANCE

The Association shall at all times maintain in force insurance meeting the following requirements:

7.1 Hazard Insurance.

A "master" or "blanket" type policy of property insurance shall be maintained covering the entire Project, including: Common Areas; the Condominium Building and Unit exteriors; common fixtures, building service equipment, personal property and supplies comprising a part of the Common Areas or owned by the Association and which are of a class typically encumbered by Mortgages held by FNMA or other similar institutional Mortgage investors; but excluding land, foundations, excavations and other items

normally not covered by such policies. References herein to a "master" or "blanket" type policy of property insurance are intended to denote single entity insurance coverage. As a minimum, such "master" or "blanket" policy shall afford protection against loss or damage by fire, by other perils normally covered by the standard extended coverage endorsement and by all other perils which are customarily covered with respect to projects similar to the Project, location and use, including (without limitation) all perils normally covered by the standard "all-risk" endorsement, where such endorsement is available. Such "master" or "blanket" policy shall be in an amount not less than one hundred percent (100%) of current replacement cost of all elements of the Project covered by such policy, exclusive of land, foundations, excavation and other items normally excluded from coverage. The insurance policy shall include either of the following endorsements to assure full insurable value replacement cost coverage:

7.1.1. A Guaranteed Replacement Cost Endorsement (under which the insurer agrees to replace the insurable property regardless of the cost) and, if the policy included a co-insurance clause, an Agreed Amount Endorsement (which waives the requirement for co-insurance).

7.1.2. A Replacement Cost Endorsement (under which the insurer agrees to pay up to one hundred percent (100%) of the property's insurable replacement cost but no more) and, if the policy includes a co-insurance clause, an Agreed Amount Endorsement (which waives requirement for co-insurance). The maximum deductible amount for such policy covering the Common Areas shall be the lesser of Ten Thousand Dollars (\$10,000) or one percent (1%) of the policy face amount. However, for losses related to individual Units that are covered by such a policy, the deductible related to each individual Unit shall be One Thousand Dollars (\$1,000). Funds to cover these deductible amounts shall be included in the Association's operating reserve account.

7.2. Flood Insurance.

If any part of the Project is or comes to be situated in a Special Flood Hazard Area as designated on a Flood Insurance Rate Map, a "master" or "blanket" policy of flood insurance shall be maintained covering the Condominium Building and Unit exteriors, any machinery and equipment that are not part of a Condominium Building and Unit exteriors and all Common Areas within the Project (hereinafter "Insurable Property") in an amount deemed appropriate, but not less than the lesser of:

7.2.1. The maximum limit of coverage available under the National Flood Insurance Administration Program for the Condominium Building and Insurable Property within any portion of the Project located within a designated flood hazard area.

7.2.2. One hundred percent (100%) of the insurable value of all such facilities. The maximum deductible amount for any such policy shall be the lesser of Five Thousand Dollars (\$5,000) or one percent (1%) of the policy face amount.

7.2.3. The name of the insured under each policy required under Article VII, shall be designated by name, if required. Each such policy may be issued in the name of an authorized representative of the Association, including any Insurance Trustee with whom the Association has entered into an Insurance Trust Agreement, or any successor to such Trustee, for the use and benefit of the individual Owners. Loss payable shall be in favor of the Association (or Insurance Trustee), as a trustee for each Owner and each such Owner's Mortgagee. Each Owner and each such Owner's Mortgagee, if any, shall be beneficiaries of such policy. Evidence of insurance shall be issued to each Owner and Mortgagee upon request.

7.2.4. Each policy required to be maintained under Article VII, shall contain the standard mortgage clause, or equivalent endorsement (without contribution), commonly accepted by private

institutional mortgage investors in the area in which the Project is located. If FNMA is a holder of one or more Mortgages on Units within the Project, such mortgage clause shall name FNMA or FNMA's servicer of such Mortgages as Mortgagee. If FNMA's servicer named as Mortgagee in such mortgage clause, such servicer's name shall be followed therein by the phrase "its successors and assigns". In addition, such mortgage clause or other appropriate provision of each such policy shall provide that the policy may not be canceled or substantially modified without at least ten (10) days' prior written notice to the Association and to each Mortgagee which is listed as a scheduled holder of a Mortgage in the policy.

7.2.5. Each policy required to be maintained under Article VII, shall provide, if available, for the following: recognition of any insurance trust agreement, a waiver of the right of subrogation against Owners individually; the insurance is not prejudiced by any act or neglect of individual Owners which is not in the control of such Owners collectively; and the policy is primary in the event the Owner has other insurance covering the same loss.

7.2.6. Each policy required to be maintained under Article VII, shall also contain or provide the following: (1) "Inflation Guard Endorsement", if available; (2) "Building Ordinance or Law Endorsement", if the enforcement of any building, zoning, or land use law will result in loss or damage, increased cost of repairs or reconstruction, or additional demolition and removal costs. (The endorsement must provide for contingent liability from the operation of building laws, demolition costs, and increased costs of reconstruction); and, (3) "Steam Boiler and Machinery coverage Endorsement", if the Project has central heating or cooling, which shall provide that the insurer's minimum liability per accident at least equals the lesser of Two Million Dollars (\$2,000,000) or the insurable value of the Condominium Building containing the boiler or machinery. In lieu of obtaining this as an endorsement to the commercial package property, the Association may purchase separate stand-alone boiler and machinery coverage.

7.3. Fidelity Bonds.

The Association shall at all times maintain in force and pay the premiums for "blanket" fidelity bonds for all officers, members and employees of the Association and for all other persons handling or responsible for funds of or administered by the Association whether or not that individual receives compensation for services. Furthermore, where the Association has delegated some or all of the responsibility for the handling of funds to a Manager, the Manager shall provide "blanket" fidelity bonds, with coverage identical to such bonds required of the Association for the Manager's officers, employees and agents handling or responsible for funds of, or administered on behalf of, the Association.

The total amount of fidelity bond coverage required shall be based upon the Association's best business judgment and shall not be less than the estimated maximum of funds, including reserve funds, in the custody of the Association, or the Manager, as the case may be, at any given time during the term of each bond. A lesser amount of fidelity insurance coverage is acceptable for the Project so long as the Association and the Manager adhere to the following financial controls: (1) the Association or the Manager maintains separate bank accounts for the working account and the reserve account, each with appropriate access controls and the bank in which the funds are deposited sends copies of the monthly bank statements directly to the Association; (2) the Manager maintains separate records and bank accounts for each Association that uses its services and the Manager does not have authority to draw checks on or transfer funds from the Association's reserve account; or (3) two members of the Board must sign any checks written on the reserve account. Nevertheless, in no event may the amount of such bonds be less than the sum equal to three (3) months' aggregate assessments in all Units.

The bonds required shall meet the following additional requirements: (1) the fidelity bonds shall name the Association as obligee; (2) the bonds shall contain waivers by the issuers of the bonds of all

defenses based upon the exclusion of persons serving without compensation from the definition of "employees", or similar term or expressions; (3) the premium on all bonds required herein for the Association, (except for premiums on fidelity bonds maintained by the Manager for its officers, employees and agents) shall be paid by the Association as a part of the Common Expenses; and (4) the bonds shall provide that they may not be canceled or substantially modified (including cancellation for nonpayment of premium) without at least ten (10) days prior written notice to the Association, to any Insurance Trustee and to each servicer of loans on behalf of FNMA.

7.4. Liability Insurance.

The Association shall maintain in force, and pay the premium for a policy providing comprehensive general liability insurance coverage covering all of the Common Areas, Condominium Building and Unit exteriors, public ways in the Project, including any dedicated trail system(s), all other areas of the Project under the Association's supervision and commercial spaces owned by the Association, if any, whether or not such spaces are leased to some third party. Coverage limits under such policy shall be in amounts generally required by private institutional Mortgage investors for similar projects, location and use. Nevertheless, such coverage shall be for at least One Million Dollars (\$1,000,000) for bodily injury, including deaths of persons and property damage arising out of a single occurrence. Coverage under such policy shall include, without limitation, legal liability of the insured for property damage, bodily injury and death of persons in connection with the operation, maintenance or use of the Common areas, and/or Condominium Building and Unit exteriors and legal liability arising out of lawsuits related to employment contracts of the Association. Additional coverage under such policy shall include protection against such other risks as are customarily covered with respect to projects similar to the Project, location and use, including but not limited to (where economically feasible and if available), host liquor liability, contractual and all-written contract insurance, employers liability insurance and comprehensive automobile liability insurance. If such policy does not include "severability of interest" in the terms, the policy shall include a special endorsement to preclude an insurer's denial of any Owner's claim because of negligent acts of the Association or any other Owner. Such policy shall provide that it may not be canceled or substantially modified, by any party, without at least ten (10) days prior written notice to the Association and each Mortgagee which is listed as a scheduled holder of a Mortgage in such policy.

7.5. Insurance Trustee and General Requirements Concerning Insurance.

Notwithstanding any of the foregoing provisions and requirements relating to property or liability insurance, there may be named as an insured on behalf of the Association, the Association's authorized representative, including any trustee with whom the Association may enter into any Insurance Trust Agreement or any successor to such trustee (each of whom shall be referred to herein as the "Insurance Trustee"), who shall have exclusive authority to negotiate losses under any policy providing such property or liability insurance.

Each Owner hereby appoints the Association, or any Insurance Trustee or substitute Insurance Trustee designated by the Association, as his or her attorney-in-fact for the purpose of purchasing and maintaining such insurance, including: the collection and appropriate disposition of the proceeds thereof; the negotiation of losses and execution of releases of liability; the execution of all documents; and the performance of all other acts necessary to accomplish such purpose.

The Association, or any Insurance Trustee, shall receive, hold, or otherwise properly dispose of any proceeds of insurance in trust for the use and benefit of the Owners and their Mortgagees, as their interests may appear. Each insurance policy maintained pursuant to Article VII, shall be written by an insurance carrier which is licensed to transact business in the State of Utah and which has a "B" general

policyholder's rating or a financial performance index of "G" or better in the Best's Key Rating Guide or an "A" or better rating from Demotech, Inc., or which is written by Lloyd's of London. No such policy shall be maintained where: (1) under the terms of the carrier's charter, bylaws, or policy, contributions may be required from, or assessments may be made against, an Owner, a Mortgagee, the Board, the Association, FNMA, or the designee of FNMA; (2) by the terms of the carrier's charter, bylaws or policy, fees payments are contingent upon action by the carrier's board of directors, policyholders or members; or (3) the policy includes any limiting clauses (other than insurance conditions) which could prevent the party entitled (including, without limitation, the Board, the Association, an Owner, or FNMA) from collecting insurance proceeds.

The provisions of Article VII shall not be construed to limit the power of authority of the Association to obtain and maintain insurance coverage, in addition to any insurance coverage required hereunder, in such amounts and in such forms as the Association may deem appropriate from time to time.

7.6. Annual Review of Policies.

All insurance policies shall be reviewed at least annually by the Board in order to ascertain whether the coverage contained in the policies is sufficient to make any necessary repair or replacement of the Project which may have been damaged or destroyed. In addition, such policies shall be reviewed to determine their compliance with the provisions of this Declaration.

7.7. Insurance Rates.

Nothing shall be done or kept in the Project which will increase the rate of insurance on any property insured by the Association without the approval of the Board, nor shall anything be done or kept in the Project which would result in the cancellation of insurance on any property insured by the Association or which would be in violation of any governing laws.

ARTICLE VIII.

DAMAGE OR DESTRUCTION

8.1. Association as Attorney in Fact.

All of the Owners irrevocably constitute and appoint the Association their true and lawful attorney in fact in their name, place and stead for the purpose of dealing with the Project upon its damage or destruction as hereinafter provided. Acceptance by said grantee of the Association as his or her attorney in fact as herein provided. As attorney-in-fact, the Association shall have full and complete authorization, right and power to make, execute and deliver any contract, deed or other instrument with respect to the interest of an Owner which may be necessary or appropriate to exercise the powers herein granted. All insurance proceeds shall be payable to the Association except as otherwise provided in this Declaration.

8.2. Definition of Repair and Reconstruction.

Repair and reconstruction of the improvements as used herein means restoring the Project to substantially the same condition in which it existed prior to the damage and destruction, with each Unit and the Common Areas having substantially the same vertical and horizontal boundaries as before.

8.3. Procedure.

In the event all or any part of the Project is damaged or destroyed, the Association shall proceed as follows:

8.3.1. Notice to First Mortgagees.

The Association shall give timely written notice to any holder of any First Mortgage on a

Unit who requests such notice in writing in the event of substantial damage to or destruction of any part of the Common Areas or a Unit subject to such First Mortgage.

8.3.2. Estimate of Costs.

As soon as practicable after an event causing damage to or destruction of any part of the Project, the Association shall obtain complete and reliable estimates of the costs to repair and reconstruct the part of the Project damaged or destroyed.

8.3.3. Sufficient Insurance.

If the proceeds of the insurance maintained by the Association equal or exceed the estimated costs to repair and reconstruct the damaged or destroyed portion of the Project, such repair and reconstruction shall be carried out.

8.3.4. Insufficient Insurance, Less than Seventy-Five Percent (75%) Destruction.

If the proceeds of the insurance maintained by the Association are less than the estimated costs to repair and reconstruct the damaged or destroyed part of the Project and if less than seventy-five percent (75%) of the Project is damaged or destroyed, such repair and reconstruction shall nevertheless be carried out. The Association shall levy a special assessment sufficient to provide funds to pay the actual costs of such repair and reconstruction to the extent that such insurance proceeds are insufficient to pay such costs. Such special assessment shall be allocated and collected as provided in Article V hereof, except that the vote therein specified shall be unnecessary. Further levies may be made in like manner if the amounts collected, together with the proceeds of insurance are insufficient to pay all actual costs of such repair and reconstruction.

8.3.5. Insufficient Insurance, Seventy-Five Percent (75%) or More Destruction.

If the proceeds of the insurance maintained by the Association are less than the estimated costs to repair and reconstruct the damaged or destroyed part of the Project and if seventy-five percent (75%) or more of the Project is damaged or destroyed, such damage or destruction shall be repaired and reconstructed, but only if within one hundred (100) days following the damage or destruction and Owners entitled to vote at least seventy five-percent (75%) of the votes of the Members to carry out such repair and reconstruction. If, however, the Owners do not, within one hundred (100) days after such damage or destruction, elect by a vote of at least seventy-five percent (75%) of the votes of the Members to carry out such repair and reconstruction but rather elect to terminate the Project and if Eligible Mortgagees who represent fifty-one percent (51%) of the votes of the Units subject to Mortgages held by Eligible Mortgagees approve such termination, the Association shall record in the official records of the County, a notice setting forth such facts. Upon the recording of such notice, the following shall occur:

8.3.5.A The Project shall be deemed to be owned in common by the Owners;

8.3.5.B Each Owner shall own an undivided interest in the Project equal to such Owner's Percentage Interest as set forth on Exhibit "B";

8.3.5.C Any liens affecting any of the Units shall be deemed to be transferred, in accordance with the existing priorities, to the undivided interest of the respective Owner in the Project; and

8.3.5.D The Project shall be subject to an action for partition at the suit of any Owner, in which event the net proceeds of any sale resulting from such suit for partition, together with the net proceeds of the insurance of the Project, if any, shall be considered as one fund and shall be divided

among all Owners after first paying out of the respective share of each Owner, to the extent sufficient for the purposes, all liens on the undivided interest in the Project owned by such Owner. The division of funds shall be based on the fair market values of the Units immediately prior to the damage or destruction and the Owners shall divide said funds based upon the relative value of the Units prior to the damage or destruction.

8.3.6. Priority.

In no event shall an Owner of a Unit or any other party have priority over the holder of any First Mortgage on such Unit with respect to the distribution to such Unit of any insurance proceeds.

8.4. Repair or Reconstruction.

If the damage or destruction is to be repaired or reconstructed as provided above, the Association shall, as soon as practicable after receiving the said estimate of costs, commence and diligently pursue to completion the repair and reconstruction of that part of the Project damaged or destroyed. The Association may take all necessary or appropriate action to effect repair and reconstruction as attorney in fact for the Owners and no consent or other action by any Owner shall be necessary in connection therewith, except as otherwise expressly provided herein.

The Project shall be restored or repaired in substantially the same condition in which it existed prior to the damage or destruction, with Unit, Condominium Buildings and Commons Areas having the same vertical and horizontal boundaries as before. Any restoration or repair of the Project, after a partial condemnation or damage due to an insurable hazard, shall be performed substantially in accordance with this Declaration and the original architectural plans and specifications.

8.5. Disbursement of Funds for Repair and Reconstruction.

If repair or reconstruction is to occur, the insurance proceeds held by the Association and any amounts received from assessments made pursuant to this Article VIII, shall constitute a fund for the payment of costs of repair after casualty. It shall be deemed that the first money disbursed in payment for costs of repair and reconstruction shall be made from insurance proceeds; if there is a balance after payment of all such repair reconstruction, such balance shall be distributed to the Owners equally.

8.6. Amendment of Article.

This Article VIII shall not be amended unless Owners entitled to vote at least seventy-five percent (75%) of the votes of the Members consent and agree to such amendment and such consent and agreement is reflected in an instrument duly executed by the Board of Trustees of the Association and recorded in accordance with the provisions of this Declaration.

ARTICLE IX. CONDEMNATION

9.1. Condemnation.

If at any time or times all or any part of the Project shall be taken or condemned by any public authority under power of eminent domain, the provisions of this Article IX shall apply. A voluntary sale or conveyance of all or any part of the Project in lieu of condemnation, but under threat of condemnation, shall be deemed to be a taking by power of eminent domain. If any Unit or portion thereof or the Common Areas or any portion thereof is made the subject matter of any condemnation or eminent domain proceeding or is otherwise sought to be acquired by a condemning authority, the Board of Trustees shall give prompt, written notice of any such proceeding or proposed acquisition to each Owner in the Project and to any First Mortgagee who has requested in writing notice thereof.

The Association shall represent the Owners in any condemnation proceedings or in negotiations, settlements or agreements with the condemning authority for acquisition of the Common Areas, or any part thereof and each Owner hereby appoints the Association as such Owner's attorney in fact for the purposes of such representation.

9.2. Proceeds.

All compensation, damages and other proceeds from any such taking by power of eminent domain (hereinafter "Condemnation Award") shall be made payable to the Association and shall be distributed by the Board of Trustees, on behalf of the Association as herein provided.

9.3. Complete Taking.

In the event the entire Project is taken by power of eminent domain, ownership pursuant hereto shall terminate and the Condemnation Award shall be allocated among and distributed to the Owners and the Owners shall divide the Condemnation Award based upon the relative values of the Units and/or Condominium Buildings immediately prior to the condemnation. Such distribution shall be made by check payable jointly to the respective Owners and their respective Mortgagees, as appropriate.

9.4. Partial Taking.

9.4.1. Partial Taking.

In the event less than the entire Project is taken by power of eminent domain, the following shall occur:

9.4.1.A The total amount apportioned to taking of or injury to the Common Areas shall be allocated among and distributed to all Owners (including Owners whose entire Units have been taken).

9.4.1.B The total amount apportioned to severance damages shall be allocated and distributed equally to the Owners of those Units which have not been taken.

9.4.1.C The respective amounts apportioned to the taking of or injury to a particular Unit shall be allocated and distributed to the Owner of such Unit.

9.4.1.D The total amount apportioned to consequential damages and any other taking or injuries shall be allocated and distributed as the Association determines to be equitable under the circumstances;

9.4.1.E If apportionment or allocation is already established by negotiation, judicial decree, statute or otherwise, the Association shall employ such apportionment and allocation to the extent it is relevant and applicable.

9.4.1.F Distribution of allocated proceeds shall be made by check payable jointly to individual Owners and their respective Mortgagees, as their interests may appear; and

9.4.1.G No provision of this Article IX or any other provision of this Declaration, the Articles or the Bylaws shall entitle the Owner of a Unit or other party to priority over any First Mortgagee holding such Unit with respect to the distribution to such Unit of the proceeds of any award, settlement or proceeds from any eminent domain or condemnation proceeding.

9.4.2. Continuation and Reorganization.

If less than the entire Project is taken by power of eminent domain, ownership pursuant hereto shall not terminate but shall continue. In such event, the Project shall be reorganized as follows:

9.4.2.A If any partial taking results in the taking of an entire Unit, then the Owner thereof shall cease to be a member of the Association and all voting rights shall terminate;

9.4.2.B If any partial taking results in the taking of a portion of a Unit, the voting rights appertaining to such Unit shall continue.

9.4.2.C If any partial taking results in the taking of a portion of a Unit and if there is a determination made by the Board of Trustees, after duly considering any recommendations, proposals, or other input from the Owners, that such taking makes it impractical to use the remaining portion of such Unit, then all voting rights terminate and the remaining portion of such Unit shall thenceforth be part of the Common Areas;

9.4.2.D The Board of Trustees, after duly considering any recommendations, proposals or other input from the Owners, shall have the duty and authority to make all determinations and to take all actions necessary or appropriate to effectuate reorganization of the Project under the provisions of this Article IX; provided, however, that if any such determination shall have been or such action taken by judicial decree, the Board of Trustees shall defer thereto and proceed in accordance therewith.

9.5. Repair and Reconstruction.

Any repair and reconstruction necessitated by condemnation shall be governed by the provisions specified in Article VIII hereof for cases of Damage or Destruction; provided, however, that the provisions of said article dealing with sufficiency or insufficiency of insurance proceeds shall not be applicable.

**ARTICLE X.
TERMINATION**

10.1. Required Vote.

This Declaration shall be effective upon the date of recordation hereof and, as amended from time to time, shall continue in full force and effect until terminated as provided herein.

Except as otherwise provided in Articles VIII and IX, the Project may be terminated only by agreement of Owners entitled to vote at least seventy-five percent (75%) of the votes attributable to all Units.

10.2. Termination Agreement.

An agreement to terminate shall be evidenced by the execution or ratification of a termination agreement, in the same manner as a deed, by the requisite number of Owners. Such an agreement to terminate shall also be approved by the Eligible Mortgagees who represent Units subject to First Mortgages held by Eligible Mortgagees. Such approval (and any other approval related to an amendment to this Declaration) shall be deemed given when an Eligible Mortgagee fails to submit a response within thirty (30) days after receipt of proper notice of the proposal, provided the notice was delivered by certified or registered mail, with a "return receipt" requested. The termination agreement shall specify a date after which the agreement will be void unless it is recorded before that date. A termination agreement, including all ratifications of such termination agreement, shall be recorded in the official records of the County, and is effective only upon recordation.

10.3. Sale of Project.

A termination agreement may provide that the entire Project shall be sold following termination. If, pursuant to the agreement, any real estate in the Project is to be sold following termination, the termination

10.4. Association Duties.

The Association, on behalf of the Owners, may contract for the sale of real estate in the Project, but the contract is not binding on the Owners until approved pursuant to this Article X. If any real estate in the Project is to be sold following termination, title to that real estate on termination vests in the Association as trustee for all Owners. Thereafter, the Association has all powers necessary and appropriate to effect the sale.

Until the sale has been concluded and the proceeds of the sale distributed, the Association continues in existence with all powers it had before termination. Proceeds of the sale shall be distributed to Owners and Mortgagees as their interest may appear, based on the relative value of each Unit and/or Condominium Building. Unless otherwise specified in the termination agreement, as long as the Association holds title to the real estate, each Owner and their successors in interest have an exclusive right to occupancy of the portion of the real estate that formerly constituted their Unit in accordance with the terms of this Declaration.

During the period of that occupancy right, each Owner and their successors in interest remain liable for all assessments and other obligations imposed on Owners by this Declaration.

10.5. Proceeds of Sale.

Following termination of the Project, the proceeds of any sale of real estate, together with the assets of the Association, shall be held by the Association as trustee for Owners and Mortgagees as their interests may appear. Following termination, Mortgagees holding Mortgages on the Units which were recorded before termination may enforce those liens in the same manner as any lienholder.

**ARTICLE XI.
GENERAL USE RESTRICTIONS**

11.1. Rules and Regulations.

The Association shall have authority to promulgate and enforce such reasonable rules, regulations and procedures as may be necessary or desirable to aid the Association in carrying out any of its functions or to insure that the Property is maintained and used in a manner consistent with the interest of the Owners.

11.2. Use of Common Areas.

The Common Areas shall be used only in a manner consistent with their community nature and with the rules, regulations and use restrictions applicable to Units and Condominium Buildings. No admission fees, charges for use, leases, or other income generating arrangement of any type shall be employed or entered into with respect to any portion of the Common Areas except for guest or special event charges that may be established by the Board from time to time. Provided, however, vending machines and similar devices approved by the Board may be made available within the Common Areas.

11.3. Use of Units.

Each Unit shall be used only as a single-family residence. No Unit or Condominium Building shall be used, occupied, or altered in violation of law, so as to jeopardize the support of any other Unit, so as to create a nuisance or interfere with the rights of any Owners, or in any way which would result in an increase in the cost of any insurance covering the Units, Condominium Buildings or Common Areas.

11.4. Exception for Declaration.

Notwithstanding the restrictions contained in this Article XI, for the five (5) year period following

the date on which this Declaration is filed for record in the official records of the County, Declarant shall have the right to use any Unit owned by it and any part of the Common Areas reasonably necessary or appropriate, in furtherance of any activities designed to accomplish or facilitate improvement and sale of all Units owned by Declarant. Declarant shall have the right to maintain one or more sales offices and model Units. Such offices and model Units may be located in any Unit owned or leased by Declarant, or in one or more separate structures or facilities placed upon the Property for the purpose of aiding Declarant's sales efforts, or any combination of the foregoing. Declarant shall also have the right to maintain a reasonable number of promotional, advertising, or directional signs, banners, or similar devices at any place or places on the Property. Declarant shall have the right from time to time to locate or relocate any of its sales offices, model Units, signs, banners or similar devices.

11.5. Leases.

Any lease agreement between an Owner and a lessee respecting a Unit shall be subject in all respects to the provisions of this Declaration, the Articles and Bylaws and any failure by lessee to comply with the terms of such documents shall be a default under the lease. All such lease agreements shall be in writing and shall have a term of at least six (6) months. Other than the foregoing, there is no restriction on the right of any Owner to lease a Unit. An Owner shall be responsible and liable for any damage to the Project caused by its tenant.

11.6. Nuisances.

No rubbish or debris of any kind shall be placed or permitted to accumulate upon the Property and no odors shall be permitted to arise therefrom so as to render any part of the Property unsanitary or unsightly or which would be offensive or detrimental to any other part of the Property or to the occupants thereof. No noise or other nuisance shall be permitted to exist or operate upon any part of the Property so as to be offensive or detrimental to any other part of the Property, or to the occupants thereof. Without limiting the generality of any of the foregoing, no exterior speakers, horns, whistles, bells or other sound devices (other than security devices used exclusively for security purposes) shall be located, used or placed on the Property without the prior written approval of the Board.

11.7. Animal Restrictions.

No insects, reptiles, poultry or animals of any kind shall be raised, bred or kept on or within any Unit, Condominium Building, Limited Common Areas, Common Areas, or otherwise within the Project, except usual and ordinary dogs, cats, fish, birds and other household pets (excluding without limitation, equine, bovine, sheep, swine, goats and other such animals) may be kept in Units, subject to rules and regulations adopted by the Association, and provided that they are not kept, bred or maintained for commercial purposes or in unreasonable quantities. As used in this Declaration, "unreasonable quantities" shall ordinarily mean more than two (2) pets per household, provided, however, that the Association (or the Architectural Committee or other such person or entity as the Association may from time to time designate) may determine that a reasonable number in any instance may be more or less. No pet shall weigh more than sixty (60) pounds.

The Association acting through the Board of Trustees, shall have the right to prohibit maintenance of any animal which constitutes, in the opinion of the Board, a nuisance to any other Owner. Animals belonging to Owners, occupants or their licensees, tenants or invitees within the Project must be either kept within an enclosure, an enclosed patio, or on a leash being held by a person capable of controlling said animals. The enclosure must be so maintained that the animal cannot escape therefrom and shall be subject to the approval of the Architectural Committee. Should any animal belonging to an Owner be found unattended, out of the enclosure, and not being held on a leash by a person capable of controlling the

animal, such animal may be removed by Declarant or a person designated by the Declarant to do so (for so long as Declarant owns any interest in the Project), to a shelter under the jurisdiction of the local municipality in which the Project is situated and subject to the laws and rules governing such shelter, or to a comparable animal shelter.

Furthermore, any Owner shall be absolutely liable to each and all remaining Owners, their families, guests, tenants and invitees, for any unreasonable noise or damage to person or property caused by any animals brought or kept within the Project by an Owner or by members of his family, his tenants or guests; and it shall be the absolute duty and responsibility of each such Owner to clean up after such animals which have used any portion of the Common Areas or any other area within the Project.

11.8. Trash.

No rubbish, trash or garbage or other waste material shall be kept or permitted on or within any Unit, Condominium Building, Limited Common Areas, Common Areas or otherwise within the Project, except in sanitary containers located in appropriate areas screened and concealed from view, and no odor shall be permitted to arise therefrom so as to render the Project, or any portion thereof, unsanitary, unsightly, offensive or detrimental to any other property in the vicinity thereof or to its occupants. Such containers shall be exposed to the view of neighboring Units only when set out for a reasonable period of time (not to exceed twenty-four (24) hours before and after scheduled trash collection hours).

There shall be no exterior fires whatsoever except barbecue fires contained within appropriate receptacles therefor.

11.9. Temporary and Other Structures.

No structures of a temporary nature, trailer, basement, house, tent, shack, shed, garage, barn or other outbuildings shall be used at any time as a residence either temporarily or permanently, nor shall said structures be permitted on the Property at any time. All Units erected and maintained within the Property shall be of good construction, of good quality, workmanship and material.

11.10. Unightly Articles.

No unsightly articles shall be permitted to remain on or near a Unit so as to be visible from any other Unit or the Common Areas. Without limiting the generality of the foregoing, trailers, mobile homes, trucks other than pickups, boats, tractors, vehicles other than automobiles, campers not on a truck, snowmobiles, snow removal equipment and garden or maintenance equipment shall be kept at all times, except when in actual use, in an enclosed structure or screened from view. Refuse, garbage and trash shall be kept at all times in a covered, noiseless container and any such container shall be kept within an enclosed structure or appropriately screened from view. Service areas storage piles, compost piles and facilities for hanging, drying or airing clothing or household fabrics shall be appropriately screened from view. No lumber, grass, shrub or tree clippings or plant waste, metals, bulk materials or scrap or refuse or trash shall be kept, stored or allowed to accumulate on any Unit except within an enclosed structure or when appropriately screened from view.

11.11. No Further Subdividing.

No Unit or Common Areas may be further subdivided, nor may any easement or other interest therein less than the whole be conveyed by the Owner thereof without the prior written approval of the Association; provided, however, that nothing herein shall be deemed to prevent or require the approval of the Association for the transfer or sale of any Unit, to more than one person to be held by them as tenants in common, joint tenants, or otherwise.

11.12. Signs.

No sign of any kind shall be displayed to the public view without approval of the Association, except such signs as may be used by Declarant in connection with the development of the Project and the sale of Units and except such signs of customary and reasonable dimensions as may be displayed on a Unit advertising a Unit for sale or lease. Display of any "for sale" or "for lease" sign more than three (3) feet by two (2) feet shall require the prior written approval of the Association. A residential identification sign is permitted but should not exceed one (1) square foot in surface area. Numbers on residences shall be located in a position clearly legible. Any existing street sign identifying the Project may not be changed without prior approval by the Association.

11.13. No Hazardous Activities.

No activities shall be conducted on the Property and no improvements shall be constructed on the Property which are or might be unsafe or hazardous to any person or property. Without limiting the generality of the foregoing, no firearms shall be discharged upon the Property and no open fires nor incinerators shall be lighted or permitted on the Property except in a contained barbecue unit while attended and in use for cooking purposes.

11.14. Repair of Buildings.

No improvement upon the Property shall be permitted to fall into disrepair, and each such improvement shall at all times be kept in good condition and repair and adequately painted or otherwise finished by the Owner thereof or the Association as applicable.

11.15. Improvements and Alterations.

There shall be no excavation, construction or alteration which in any way alters the exterior appearance or structure of any improvement within the Project, no alteration of any structural component of any Unit, no plumbing or electrical work outside the Unit, no removal of any Unit or other improvement within the Project (other than repairs or rebuilding) without the prior written approval of the Architectural Committee.

No building, fence, wall or other structure shall be commenced, erected or maintained upon the Property, nor shall any exterior addition to or change or alteration therein be made unless and until the plans and specifications showing the color, nature, kind, shape, height, materials and location of the same shall have been submitted to and approved in writing by the Architectural Committee.

All improvements and alterations shall be performed in compliance with all applicable laws. No Owner shall perform any work or make any alterations or changes which would jeopardize the soundness or safety of any portion of the Project, reduce its value or impair any easement or hereditament, without in every such case the unanimous written consent of all the other Owners being first obtained.

11.16. Outside Installations.

No television, ham radio, citizens band or radio antenna, satellite receiving or other similar electronic receiving or sending device shall be permitted upon the rooftop or side of any Unit or elsewhere if exposed to view from any other Unit. Such antennas, if used, must be of the type that are installed within the natural building structure. In no case will any such receiving or sending antenna or other device be allowed to interfere with the peace and quiet enjoyment of any neighboring Unit Owner's premises or home entertainment facilities or equipment. Provided, however, Declarant and the Association reserve the right and option to install cable service lines and antennas as needed throughout the Project in connection with its development.

11.17 Spas.

Spas or whirlpools shall only be permitted in those Units containing main floor patios. Owners of these Units may be entitled to install spas or whirlpools if first approved in writing by the Architectural Control Committee.

11.18 Window Coverings.

No blinds, draperies or other window coverings or treatments shall be permitted with respect to Unit windows which face any road, whether public or private, except those which are conservative in style and neutral (white or off-white) in color or otherwise approved in writing by the Architectural Control Committee.

11.19 Automatic Garage Door Openers.

Installation or replacement of automatic garage door openers shall be restricted to automatic openers which are comparable to the Lift Master Formula I Whisper Drive model to include the following features: heavy duty one-half horsepower motor, automatic dual lighting, steel reinforced polyurethane drive belt, one piece, solid steel T-rail with automatic belt trolley tensioner, safety alert system, multi-function control panel, light switch / lock security switch, remote control with computer programmed security code.

11.20. General Obligations.

Each Owner shall enjoy and be subject to all rights and duties assigned to Owners pursuant to this Declaration. The Declarant shall enjoy the same rights and assume the same duties with respect to each unsold Unit.

ARTICLE XII MORTGAGE PROTECTION

12.1. Notice of Action.

Upon written request made to the Association by a First Mortgagee, or an insurer or governmental guarantor of a First Mortgage, which written request shall identify the name and address of such First Mortgagee, insurer or governmental guarantor and number or address of the Unit, any such First Mortgagee, insurer or governmental guarantor shall be entitled to timely written notice of:

12.1.1. Any condemnation loss or any casualty loss which affects a material portion of the Project or any Unit on which there is a First Mortgage held, insured or guaranteed by such First Mortgagee, insurer or governmental guarantor;

12.1.2. Any delinquency in the payment of assessments or charges owed by an Owner, whose Unit is subject to a First Mortgage held, insured or guaranteed by such First Mortgagee, insurer or governmental guarantor, which default remains uncured for a period of sixty (60) days;

12.1.3. Any lapse, cancellation or material modification of any insurance policy or fidelity bond maintained by the Association; and

12.1.4. Any proposed action which would require the consent of Eligible Mortgagees as specified in Section 12.2 below or elsewhere herein.

12.2. Matters Requiring Prior Eligible Mortgagee Approval.

Except as provided elsewhere in this Declaration, the prior written consent of Owners entitled to vote at least sixty-seven percent (67%) of the votes of the Units in the Association (unless pursuant to a specific provision of this Declaration the consent of Owners entitled to vote a greater percentage of the votes in the Association is required, in which case such specific provisions shall control), and Eligible

Mortgagees holding First Mortgages on sixty-seven percent (67%) of Units held by Eligible Mortgagees shall be required to:

12.2.1. Abandon or terminate the legal status of the Project after substantial destruction or condemnation occurs.

12.2.2. To partition or subdivide any Unit;

12.2.3. To abandon, partition, subdivide, encumber, sell or transfer all or any part of the Common Areas (except for the granting of easement for utilities and similar purposes consistent with the intended use of the Common Areas);

12.2.4. To use hazard insurance proceeds resulting from damage to any part of the Project (except within a Unit) for purposes other than the repair, replacement or reconstruction of such improvements, except as otherwise provided in this Declaration;

12.2.5. To materially change the Percentage Interests or obligations of any Unit.

Any Mortgagee, insurer or governmental guarantor who receives a written request from the Association to approve additions or amendments to the constituent documents and who fails to deliver or post to the Association a negative response within thirty (30) days shall be deemed to have approved such request, provided the written request was delivered by certified or registered mail, with a "return receipt" requested.

12.3. Availability of Project Documents and Financial Statements.

The Association shall maintain and have current copies of the Declaration, Articles, Bylaws and other rules concerning the Project as well as its own books, records and financial statements available for inspection by the Owners or by holders, insurers and guarantors of First Mortgages that are secured by Units in the Project. Generally, these documents shall be available during normal business hours. The Association shall make a financial statement for the preceding fiscal year (if the Project has been established for a full fiscal year) available to the holder, insurer, or guarantor of any First Mortgage on submission of a written request for it. The financial statement shall be made available within 120 days of the Association's fiscal year-end.

12.4. Subordination of Lien.

The lien or claim against a Unit for unpaid assessments or charges levied by the Association pursuant to this Declaration shall be subordinate to the First Mortgage affecting such Unit if the First Mortgage was recorded before the delinquent assessment was due and the First Mortgage thereunder which comes into possession of or which obtains title to the Unit shall take the same free of such lien or claim for unpaid assessment of charges, but only to the extent of assessments or charges which accrue prior to foreclosure of the First Mortgage, exercise of a power of sale available thereunder, or taking of a deed or assignment in lieu of foreclosure. No assessment, charge, lien, or claim which is described in the preceding sentence as being subordinate to a First Mortgage or as not to burden a First Mortgagee which comes into possession of a purchaser from such mortgagee which obtains title shall be collected or enforced by the Association from or against a First Mortgagee, a successor in title to a First Mortgagee, or the Unit affected or previously affected by the First Mortgage concerned.

12.5. Payment of Taxes.

In the event any taxes or other charges which may or have become a lien on the Common Areas are not timely paid, or in the event the required hazard insurance described in Section 7.1 of Article VII lapses, is not maintained, or the premiums therefore are not paid when due, any Mortgagee or any combination of

Mortgagees may jointly or singly, pay such taxes or premiums or secure such insurance. Any Mortgagee which expends funds for any of such purposes shall be entitled to immediate reimbursement therefor from the Association.

12.6. Priority.

No provision of this Declaration or the articles gives or may give an Owner or any other party priority over any rights of Mortgagees pursuant to their respective Mortgages in the case of a distribution to Owners of insurance proceeds or condemnation awards for loss to or taking of all or any part of the Units or the Common Areas.

12.7. Implied Approval.

In the event that the approval of an Eligible Mortgagee is required under this Declaration, that Mortgagee's approval shall be deemed given if the party requesting that approval does not receive any written disapproval from the Mortgagee within thirty (30) days after delivering to that Mortgagee a written request for the same.

ARTICLE XIII.
ARCHITECTURAL COMMITTEE

13.1. Members of Committee.

The Architectural Committee shall consist of not less than three (3) members but not more than five (5) members as shall be determined by the Board. The Declarant shall appoint all of the original members of the Architectural Committee and all replacements until one (1) year following the date of issuance of the Final Plat for the Project. Declarant shall have the right and power to appoint and remove a majority of the members of the Architectural Committee or to fill any vacancy of such majority until the "turnover date" which shall be the date on which either, (i) ninety percent (90%) of the Units subject to this Declaration have been sold and the deeds recorded with the County recorder, or (ii) five (5) years following the date of issuance of the final Plat for the Project, whichever occurs earlier. Commencing one (1) year from the date of close of escrow for the sale of the first Unit in the Project to a purchaser from Declarant, the Board shall have the power to appoint one (1) member to the Architectural Committee, until the turnover date. Thereafter, the Board shall have the power to appoint and remove all of the members of the Architectural Committee. Persons appointed to the Architectural Committee by the Board shall be Members of the Association, but persons appointed to the Architectural Committee by Declarant need not be Members of the Association. The Architectural Committee shall have the right and duty to promulgate reasonable standards against which to examine any request made pursuant to this Article, in order to ensure that the proposed plans conform harmoniously to the exterior design and existing materials of the buildings in the Project. The Architectural Committee may designate and appoint a representative who is a licensed architect and a majority of the members of said Architectural Committee may, from time to time, remove or replace such representative. The designated representative of the Architectural Committee may be, but need not be, a Member of the Architectural Committee.

13.2. Review of Plans and Specifications.

The Architectural Committee shall consider and act upon any and all plans and specifications submitted for its approval under this Declaration and perform such other duties as from time to time shall be assigned to it by the Board, including the inspection of construction in progress to assure its conformance with plans approved by the Architectural Committee. No construction, alteration, addition, modification, decoration, redecoration or reconstruction of an Improvement in the Project shall be commenced maintained, painted, erected or otherwise altered until the plans and specifications therefor showing the nature, kind, shape, height, width, color, materials and location of the same shall have been submitted to and approved in writing by the Architectural Committee. The address for submission of such plans and specifications shall be the address of the principal place of business of the Association. The Architectural Committee shall approve plans and specifications submitted for its approval only if it deems

that the construction, alterations or additions contemplated thereby in the locations indicated will not be detrimental to the surrounding area of Project as a whole, that the appearance of any structure affected thereby will be in harmony with the surrounding structures, that the construction thereof will not detract from the beauty, wholesomeness and attractiveness of the Common Areas or the enjoyment thereof by the Members, and that the upkeep and maintenance thereof will not become a burden on the Association. The Architectural Committee may condition its approval of proposals or plans and specifications for any Improvement on such changes therein as the Architectural Committee deems appropriate, upon the agreement by the Person (referred to in this Section as "Applicant") submitting the same to grant appropriate easements to the Association for the maintenance of the Improvement, or upon the agreement of the applicant to reimburse the Association for the cost of such maintenance, and may require submission of additional plans and specifications or other information prior to approving or disapproving material submitted. The Architectural Committee may also issue rules or guidelines setting forth procedures for the submission of plans for approval, require a fee payable to the Association to accompany each application for approval, or require any additional factors which it will take into consideration in reviewing submissions. The Architectural Committee may provide that the amount of such fee shall be uniform or that it be determined in any other reasonable manner, such as by the reasonable cost of the construction, alterations or additions contemplated. The Architectural Committee may require such detail in plans and specifications submitted for its review as it deems proper, including, without limitation, floor plans, site plans, drainage plans, elevation drawings or descriptions or samples of exterior material and colors. Decisions of the Architectural Committee and the reasons therefor shall be transmitted by the Architectural Committee to the applicant at the address set forth in the application for approval within thirty (30) days after receipt by the Architectural Committee of all materials required by the Architectural Committee. Any application submitted pursuant to this Section shall be deemed approved, unless written disapproval or a request for additional information or materials by the Architectural Committee shall have been transmitted to the applicant within thirty (30) days after the date of receipt by the Architectural Committee of such application or additional information.

13.3. Meetings of the Architectural Committee.

The Architectural Committee shall meet from time to time as necessary to perform its duties hereunder. The Architectural Committee may, from time to time, by resolution unanimously adopted in writing, designate an Architectural Committee representative (who may, but need not, be one of its members) to take any action or perform any duties for and on behalf of the Architectural Committee, except the granting of variances pursuant to this Article. In the absence of such designation, the vote of a majority of the members of the Architectural Committee taken without a meeting, shall constitute an act of the Architectural Committee.

13.4. Decisions.

All decisions by the Architectural Committee shall require a majority vote of all the members of that Committee.

13.5. No Waiver of Future Approvals.

The approval of the Architectural Committee of any proposals or plans and specifications or drawings for any work done or proposed or in connection with any other matter requiring the approval and consent of the Architectural Committee, shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any similar proposals, plans and specifications, drawings or matter whatever subsequently or additionally submitted for approval or consent.

13.6. Compensation of Members.

The members of the Architectural Committee shall receive no compensation for services rendered, other than reimbursement for expenses incurred by them in the performance of their duties hereunder.

13.7. Inspection of Work.

Inspection of work and correction of defects therein shall proceed as follows:

13.7.1. Upon the completion of any work for which approved plans are required under this Article, the Owner shall give written notice of completion to the Architectural Committee.

13.7.2. Within sixty (60) days thereafter, the Architectural Committee or its duly authorized representative may inspect such Improvement. If the Architectural Committee finds that such work was not done in substantial compliance with the approved plans, it shall notify the Owner in writing of such noncompliance within such sixty (60) day period, specifying the particulars of noncompliance, and shall require the Owner to remedy the same.

13.7.3. If, upon the expiration of thirty (30) days from the date of such notification the Owner shall have failed to remedy such noncompliance, the Architectural Committee shall notify the Board in writing of such failure. After affording such Owner notice and hearing, the Board shall determine whether there is noncompliance and, if so, the nature thereof and the estimated cost of correcting or removing the same. If a noncompliance exists, the Owner shall remedy or remove the same within a period of not more than forty-five (45) days from the date of announcement of the Board ruling. If the Owner does not comply with the Board ruling within such period, the Board, at its option, may record a notice of noncompliance in the Office of the County recorder and may remove the noncomplying Improvement or otherwise remedy the noncompliance, and the Owner shall reimburse the Association, upon demand, for all expenses, including legal fees, incurred in connection therewith. If such expenses are not promptly repaid by the Owner to the Association, the Board shall levy a special Reimbursement Assessment against such Owner for reimbursement.

13.7.4. If for any reason the Architectural Committee fails to notify the Owner of any noncompliance within sixty (60) days after delivery of said written notice of completion from the Owner, the Improvement shall be deemed to be in accordance with said approved plans.

13.8. Non-liability of Architectural Committee Members.

Neither Declarant, the Architectural Committee nor any Member of the Architectural Committee, the Board nor their duly authorized representatives, shall be liable to the Association, or to any Owner or any other person or entity for any loss, damage or injury arising out of or in any way connected with the performance of the Architectural Committee's duties hereunder, unless due to the willful misconduct or bad faith of the Architectural Committee. The Architectural Committee shall review and approve or disapprove all plans submitted to it for any proposed Improvement, alteration or addition, solely on the basis of aesthetic considerations and the overall benefit or detriment which would result to the immediate vicinity and the Project generally. The Architectural Committee shall take into consideration the aesthetic aspects of the architectural designs, placement of buildings, landscaping, color schemes, exterior finishes and materials and similar features. The Architectural Committee's approval or disapproval shall be based solely on the considerations set forth in this Article, and the Architectural Committee shall not be responsible for reviewing, nor shall its approval of any plan or design be deemed approval of, any plans or designs from the standpoint of structural safety or conformance with building or other codes.

13.9. Variance.

The Architectural Committee may authorize variances from compliance with any of the architectural provisions of this Declaration, including without limitation, restrictions upon height, size, floor area or placement of structures, or similar restrictions, when circumstances such as topography, natural obstructions, hardship, aesthetic or environmental consideration may require. Such variances must be evidenced in writing, must be signed by at least two (2) members of the Architectural Committee, and

shall become effective upon recordation in the official records of the County. If such variances are granted, no violation of the covenants, conditions and restrictions contained in this Declaration shall be deemed to have occurred with respect to the matter for which the variance was granted. The granting of such a variance shall not operate to waive any of the terms and provisions of this Declaration for any purpose except as to the particular property and particular provision hereof covered by the variance, nor shall it affect in any way the Owner's obligation to comply with all governmental laws and regulations affecting that Owner.

13.10. Appeal.

In the event plans and specifications submitted to the Architectural Committee are disapproved thereby, the party or parties making such submission may appeal in writing to the Board. The written request for appeal must be received by the Board not more than thirty (30) days following the final decision of the Architectural Committee. Within forty-five (45) days following the receipt of the request for appeal, the Board shall render its written decision. The failure of the Board to render a decision within said forty-five (45) day period shall be deemed a decision in favor of the applicant.

ARTICLE XIV. DEFAULTS AND REMEDIES

14.1. Default.

An "Event of Default" shall occur under this Declaration if any party governed hereby fails to perform its obligations under this Declaration where those obligations are due and that party has not performed the delinquent obligations within thirty (30) days following delivery to that party of written notice of such delinquency (the "Notice of Default"). These provisions shall not supersede more restrictive requirements set forth elsewhere in this Declaration.

14.2. Remedies.

14.2.1. General.

Upon the occurrence of an Event of Default, the Association shall have the right to exercise all rights and remedies available in this Declaration, at law and in equity, including injunctive relief and specific performance. The Owners acknowledge that their obligations under this Declaration are unique and defaults may not be compensated by purely monetary damages. Those rights and remedies shall be cumulative. Under no circumstances, even an Event of Default, shall any Owner have the right to terminate this Declaration or take any action that would damage, injure, impair, prohibit or revoke approvals, licenses, permits, uses or other rights associated with the other Owners or their respective portions of the Project that are not in default under this Declaration.

14.2.2. Cure.

Furthermore, the Association shall have the right to cure the default and seek reimbursement from the defaulting Owner for the costs incurred in effecting such cure. Notwithstanding any provision herein to the contrary, the Owner shall reimburse the Association for such costs of curing a default within fifteen (15) days following delivery to the defaulting Owner of a written notice of such costs along with reasonable support documentation.

14.2.3. Additional Remedies.

In addition to any other enforcement rights and remedies described in this Declaration, the Association may take any of the following actions against any Owner whose act or failure to act violates or threatens to violate any provision of this Declaration: impose monetary penalties, including late charges and interest; suspend voting rights in the Association; suspend use privileges for the Common Area; and/or remove the defaulting Owner from the Board and/or the Architectural Committee.

14.2.4. No Cross-Defaults.

If any Owner shall create an Event of Default hereunder, only the defaulting Owner shall be subject to remedies and none of the other Owners governed by this Declaration shall be deemed to be in default or be penalized in any manner. For example, if an Owner shall cause an Event of Default, the Association may exercise its rights and remedies against the defaulting Owner, but shall not take any action that would damage, injure, impair, prohibit or revoke approvals, licenses, permits, uses or other rights associated with the other Owners that are not in default under this Declaration.

14.2.5. Jurisdiction.

Any judicial or arbitration action associated with this Declaration shall be taken in the courts within the jurisdiction where the Project is located.

14.2.6. Enforcement by City.

The City shall have the right, but not the obligation, to exercise all rights and enforce all provisions in this Declaration. The City shall have no obligations or liabilities under this Declaration except to the extent that the City seeks to exercise rights or remedies under this Declaration in breach thereof or in violation of any applicable laws.

14.2.7. Enforcement by Declarant and Owners.

In addition to the Association, Declarant and any Owner or the successor-in-interest of an Owner, shall have the right to enforce by proceedings at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration or any amendment thereto, including the right to prevent the violation of any such restrictions, conditions, covenants or reservations, and the right to recover damages or other sums for such violation; provided, however, that with respect to assessment liens, the Association shall have the exclusive right to the enforcement thereof. Failure by the Association, Declarant or by any Owner to enforce any covenant, condition or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

14.2.8. Non-liability of Officials.

To the fullest extent permitted by law, the Declarant, the Board, the Architectural Committee, the City any other committees of the Association or any Member of such Board or committee shall not be liable to any Owner or Member for any damage, loss or prejudice suffered or claimed on account of any decision, approval or disapproval of plans or specifications (whether or not defective), course of action, act, omission, error, negligence or the like made in good faith within which such Board, committees or persons reasonably believed to be the scope of their duties.

**ARTICLE XV.
MISCELLANEOUS**

15.1. Act.

This Declaration and the Project are intended to be governed by the Act and all other applicable laws. In the event of any conflict between the Act and this Declaration, the Act shall govern.

15.2. Single Family Residence.

Each Unit shall be used as a residence for a single family residence and for no other purpose.

15.3. Business or Commercial Activity.

No part of the Project or a Unit shall be used or caused to be used or allowed or authorized in any way, directly or indirectly, for any business, commercial, manufacturing, mercantile, storage, vending or other such non-residential purposes; except Declarant, its successors or assigns, may use any portion or

portions of the Project for model homes sites and display and sales offices during the construction and sales period and to accomplish any of Declarant's other rights and obligations hereunder. The provisions of this Section shall not preclude professional and administrative occupations in a Unit without external evidence thereof, for so long as such occupations are in conformance with City ordinances, all other applicable governing laws and ordinances, and are merely incidental to the use of the Unit as a residential home.

15.4. Toxic Materials.

No Owner shall store, use, manufacture, process, distribute, treat, transport, handle, emit, dispose of, discharge or release any Toxic Materials in violation of environmental laws governing the Project. Each Owner shall indemnify and hold the Association and the other Owners harmless from and against any liabilities, claims and/or expenses (including attorneys' fees) arising in connection with that Owner violation of this Section.

The term "Toxic Materials" as used herein shall mean any flammable explosives, asbestos, industrial substances, pollutants, contaminants, chemicals, wastes, discharges, emissions, radioactive materials and other hazardous substances, whether injurious by themselves or in combination with other materials, including, but not limited to, substances defined as "hazardous substances," "hazardous materials," "hazardous wastes," or "toxic substances" described in the environmental laws governing the Project.

15.5. Parking and Vehicular Restrictions.

No Owner shall park, store or keep any vehicle, except wholly within the parking area designated therefor, and any inoperable vehicle shall be stored only in enclosed garages. No Owner shall park, store or keep on any property or street (public or private) within the Project any large commercial-type vehicle (including, but not limited to, any dump truck, cement mixer truck, oil or gas truck or delivery truck), any recreational vehicle (including, but not limited to, any camper unit or motor home), any bus, trailer, trailer coach, camp trailer, boat, aircraft, mobile home, inoperable vehicle or any other similar vehicle or any vehicular equipment, mobile or otherwise, deemed to be a nuisance by the Board, upon any unenclosed parking space, so as to be visible from anywhere in the Project. The above excludes camper trucks and similar vehicles up to and including three-quarter (3/4) ton when used for everyday-type transportation. Any vehicle owned or controlled by an Owner, to be parked within the Project is subject to approval by the Board. No Owner shall conduct repairs or restorations of any motor vehicle, boat, trailer, aircraft or other vehicle upon any portion of any Unit or upon the Common Areas, except wholly within the Owner's garage, and then only when the garage door is closed; provided, however, that such activity shall at no time be permitted if it is determined by the Board to be a nuisance. Garage doors shall remain closed except for reasonable periods while the garages are being used. Recreational vehicles may temporarily be parked, from time to time, for periods not to exceed four (4) hours for purposes of loading, unloading and cleaning.

15.6. Laundry and Storage.

No clothing or fabrics shall be hung, dried or aired in such a way in the Project as to be visible to other property, and no lumber, grass, shrub or tree clippings or plant waste, metals, bulk material, scrap, refuse or trash shall be kept, stored or allowed to accumulate on any portion of the Project except, within an enclosed structure or appropriately screened from view.

15.7. No Overloading.

No Owner shall bring or store any item or substance, or permit any action, in any Unit that will cause damage to a Condominium Building. No Owner shall overload a floor on that Owner's Unit.

15.8. Declarant Exemption.

Notwithstanding anything in this Declaration to the contrary, no provision of this Declaration shall

be construed as to prevent or limit Declarant's rights to perform Declarant's rights and obligations hereunder, to complete development of the Project and construction of improvements therein, nor Declarant's rights to maintain model units or homes, construction, sales or leasing offices or similar facilities on any property in the Project owned by Declarant or the Association, nor Declarant's right to promote and market the Project or to post signs incidental to construction, sales, or leasing.

In order that said work may be completed and the Project established as a fully occupied residential community as rapidly as possible, no Owner nor the Association shall do anything to interfere with, and nothing in this Declaration shall be construed to:

15.8.1. Prevent Declarant, its successors or assigns, or their contractors or subcontractors, from doing, on any Unit owned by them, whatever they determine to be necessary or advisable in connection with the completion of said work, including, without limitation, subdividing, grading, constructing, or making improvements to Units, Common Areas, or other facilities and improvements in the Project.

15.8.2. Prevent Declarant, its successors or assigns, or their contractors or subcontractors, from altering construction plans and designs, or from effectuating such alterations, as Declarant deems advisable and as are acceptable to the Architectural Committee, for any part of the Project throughout the course of development.

15.8.3. Limit the right of Declarant, its assigns, contractors, subcontractors or representatives, to, on any Unit or portion thereof, or portion of the Common Areas or Project, make, construct, install and maintain such reasonable structures or improvements as Declarant deems necessary, for the establishing the Project as a residential community and disposing of the same in Units by sale, lease or otherwise; including, without limitation, signs, models, displays, booths, decorations, sales and promotion centers, directional signs, and any other structure associated with marketing and the disposition of Units.

15.8.4. Prevent Declarant, its assigns, contractors, subcontractors or representatives, on any Unit or portion thereof, or portion of the Common Areas or Project, to establish or allow on that area additional temporary uses, for any purpose in connection with or incidental to the construction, development, sale, lease or other transfer of property within or adjacent to the Project, (including, without limitation, licenses, reservations, rights-of-way, easements, parking, rights of access, or any other reasonable alternative use as may be reasonably necessary to the proper development and disposal of the Project), and to grant such uses to others (including, without limitation, Declarant's agents, employees, utility companies, representatives, contractors, subcontractors, and prospective purchasers), provided, however, that the exercise of such right and easement shall not unreasonably interfere with the reasonable use and enjoyment of the Common Areas by the Members.

15.9. Conveyance and Release.

All of Declarant's rights and obligations under this Declaration may be assigned, transferred and conveyed voluntarily or by operation of law without the consent of any Owner or Eligible Mortgagee. Upon Declarant's conveyance of any or all of its obligations in connection with the Project, the Association and/or this Declaration, Declarant shall be entirely released and exonerated from those Obligations.

15.10. Limitation on Liability.

The Owners and the Association shall indemnify and hold Declarant harmless from and against any and all liabilities, claims and expenses (including attorneys' fees) incurred directly or indirectly by Declarant in connection with the Project, the Association or this Declaration except to the extent caused by the gross negligence or intentional misconduct of Declarant. None of Declarant's owners, employees, agents or contractors shall have any personal, recourse or deficiency liability in connection with the Project, the Association or this Declaration.

15.11. No Representations.

Each person that acquires a Unit is responsible to reasonably investigate that Unit and the Project. Declarant conveys each Unit in "as is" condition without any representation or warranty as to that Unit or the Project.

15.12. Conflicts.

In case of any conflict between this Declaration and the Articles or Bylaws, this Declaration shall control.

15.13. Attorneys' Fees.

In the event of any controversy or claim respecting this Declaration, or in connection with the enforcement of this Declaration, the prevailing party shall be entitled, in addition to all expenses, costs and damages, to reasonable attorneys' fees to be reimbursed by the non-prevailing party.

15.14. No Waiver.

Any party's failure to enforce any provision of this Declaration shall not constitute a waiver of the right to enforce such provision. The provisions may be waived only in writing by the party intended to be benefited by the provisions, and a waiver by a party of a breach hereunder by another party shall not be construed as a waiver of any succeeding breach of the same or other provisions.

15.15. Force Majeure.

Any prevention, delay or stoppage of the performance of any obligation under this Declaration which is due to strikes; labor disputes; inability to obtain labor, materials, equipment or reasonable substitutes therefor; acts of nature; governmental restrictions, regulations or controls; wars; civil commotions; fires; other casualties or other causes beyond the reasonable control of the Party obligated to perform hereunder shall excuse performance of the obligation by that Party for a period equal to the duration of that prevention, delay, or stoppage.

15.16. Request for Notice.

The Association hereby requests that a copy of any notice of default and a copy of a notice of sale under any mortgages, deeds of trust or other liens or encumbrances filed for record against any Units or the Project be mailed to the Association as follows: The Courtyard At Pages Lane Homeowner Association, Inc., 132 South 600 East, Salt Lake City, Utah 84102, Attention: Peter S. Cook, pursuant to Utah Code Annotated Section 57-1-26, as amended.

15.17. Leader's Agreement of Subordination.

By its execution of this Declaration, Zions First National Bank, a national banking association ("Lender") hereby agrees that this Declaration shall be senior in priority to that certain Trust Deed, Assignment of Rents and Security Agreement dated as of April 8, 1997, among Declarant, as trustor, and Lender as trustee and beneficiary recorded in the official records of the County as Entry No. 1315569, in Book 2114, beginning at Page 655 (the "Trust Deed"); and that the Trust Deed shall be subordinate and subject to this Declaration notwithstanding the fact that this Declaration is recorded later in time than the Trust Deed.

This Amended and Restated Declaration is also executed by Lender solely with respect to this subordination provision. Lender shall have no other covenants, obligations or liabilities under this Declaration.

15.18. Notices.

Any notice required or permitted to be given to any Owner under the provisions of this Declaration shall be deemed to have been properly furnished if mailed postage prepaid to the person who appears as an

Owner, at the latest address for such person, appearing in the records of the Association at the time of mailing.

15.19. Amendment.

Except as provided elsewhere in this Declaration, any amendment to this Declaration shall require the affirmative vote or written approval of at least sixty-seven percent (67%) of the total votes of the Owners. Any amendment authorized pursuant to this Section shall be accomplished through the recordation in the official records of the County of an instrument executed by the Association. In such instrument an officer or Trustee of the Association shall certify that the vote required by this Section for amendment has occurred. Anything in this Article or Declaration to the contrary notwithstanding, Declarant reserves the unilateral right to amend all or any part of this Declaration to such extent and with such language as may be requested by FNMA and to further amend to the extent requested by any other federal, state or local governmental agency which requests such an amendment as a condition precedent to such agency's approval of the Declaration, or by any federally chartered lending institution as a condition precedent to lending funds upon the security of any Units or any portions thereof. Any such amendment shall be effected by the recordation by Declarant of an amendment duly signed by or on behalf of the authorized officers of Declarant with their signatures acknowledged, specifying the federal, state or local governmental agency or the federally chartered lending institution requesting the amendment and setting forth the amendatory language requested by such agency or institution. Recordation of such an amendment shall be deemed conclusive proof of the agency's or institution's request for such an amendment, and such amendment, when recorded, shall be binding upon all of the Project and all persons having an interest therein. It is the desire of Declarant to retain control of the Association and its activities during the anticipated period of planning and development. If any amendment requested pursuant to the provisions of this Section deletes, diminishes or alters such control, Declarant alone shall have the right to amend this Declaration to restore such control. Within ten (10) years from the date of recording this Declaration, and so long as the Declarant is the Owner of any Unit in the Project, this Declaration may be amended or terminated only with the written approval of the Declarant. The Declarant alone may amend or terminate this Declaration prior to the closing of sale of any Unit.

15.20. Rights of Action.

The Association and any aggrieved Owner shall have a right of action against Owners who fail to comply with the provisions of this Declaration or the decisions of the Association. Owners shall have a similar right of action against the Association.

15.21. Declarant's Rights Assignable.

The rights of Declarant under this Declaration or in any way relating to the Property may be assigned whereupon the assignee of Declarant shall have all the rights of Declarant hereunder.

15.22. Interpretation.

Whenever the context so requires, the singular shall include the plural, the plural shall include the singular, the whole shall include any part thereof, and any gender shall include both genders. The invalidity or unenforceability of any portion of this Declaration shall not affect the validity or enforceability of the remainder thereof., this Declaration shall be liberally construed to effect all of its purposes.

15.23. Covenants to Run With Land.

This Declaration and all of the provisions hereof shall constitute covenants to run with the land or equitable servitudes, as the case may be, and shall be binding upon and shall inure to the benefit of

Declarant, all parties who hereafter acquire any interest in a Unit or in the Common Areas and their respective grantees, transferees, heirs, devisees, personal representatives, successors and assigns. Each Owner, user or occupant of a Unit shall comply with, and all interests in all Units or in the Common Areas shall be subject to, the terms of this Declaration and the provisions of any rules, regulations, agreements, instruments and determinations contemplated by this Declaration. By acquiring any interest in a Unit or in the Common Areas, the party acquiring such interest consents to and agrees to be bound by, each and every provision of this Declaration.

15.24. Lists of Owners and Eligible Mortgages.

The Board shall maintain up-to-date records showing: (i) the name of each person who is an Owner, the address of such person, and the Unit which is owned by him or her; (ii) the name of each person or entity who is an Eligible Mortgagee, the address of such person or entity and the Unit which is encumbered by the Mortgage held by such person or entity; and (iii) the name of each person or entity who is an insurer or governmental guarantor, the address of such person or entity and the Unit which is encumbered by the Mortgage insured or guaranteed by such person or entity. The Corporation shall have "members" as that term is defined in the Declaration.

3.2. Voting Rights.

The voting rights of the member shall be as set forth in the Declaration.

3.3. Place of Meetings.

Meetings of the members shall be held at any place within or without the State of Utah designated by the board of Trustees, or, in the absence of such designation, at the principal executive office of the Corporation.

3.4. Annual Meetings.

An annual meeting of the members shall be held on the first Saturday of October each year at the hour of 10:00 a.m. If the date scheduled for the annual meeting of members is a legal holiday, then the annual meeting of the members shall be held on the next business day following or within 180 days following the end of the fiscal year of the Corporation at a date and time designated by the board of trustees. At each annual meeting the trustees shall be elected, reports of the affairs of the Corporation shall be considered and any other proper business may be transacted thereat.

3.5. Special Meetings.

3.5.1. Special meetings of the members may be called by the board of trustees, the Chairman of the Board and the President or by the members upon the request of the holders of memberships entitled to cast not less than twenty-five percent (25%) of the votes at such meeting.

3.5.2. Any request for the calling of a special meeting of the members shall (i) be in writing, (ii) specify the date and time thereof, which date shall be not less than thirty-five (35) nor more than sixty (60) days after receipt of the request, (iii) specify the general nature of the business to be transacted thereat and (iv) be given either personally or by first-class mail, postage prepaid, or other means of written communication to the Chairman of the Board, President, any Vice President or Secretary of the Corporation. The officer receiving a proper request to call a special meeting of the members shall cause notice to be given to the members entitled to vote thereat that a meeting will be held at the date and time specified by the person or persons calling the meeting. If notice is not given within 20 days of the receipt of the request, the members making the request may give notice of such meeting so long as the notice given complies with the other provisions of this subsection.

3.5.3. No business may be transacted at a special meeting unless the general nature thereof was stated in the notice of such meeting.

3.6. Notice of Annual, Special or Adjourned Meetings.

3.6.1. Whenever any meeting of the members is to be held, a written notice of such meeting shall be given in the manner described in subdivision 3.6.4. of this Section not less than ten (10) nor more than sixty (60) days before the date thereof to each member entitled to vote thereat. The notice shall state the place, date and hour of the meeting and (i) in the case of a special meeting, the general nature of the business to be transacted or (ii) in the case of the annual meeting, those matters which the board of trustees, at the time of the giving of the notice, intends to present for action by the members. The notice of any meeting at which trustees are to be elected shall include the name of any nominee or nominees who, at the time of the notice, management intends to present for election.

3.6.2. Any proper matter may be presented at an annual meeting for action. However, any action to approve (i) a contract or transaction in which a trustee has a direct or indirect financial interest, (ii) an amendment of the Articles of Incorporation, (iii) a reorganization of the Corporation, (iv) a voluntary dissolution of the Corporation, or (v) a distribution in dissolution (other than in accordance with the rights of outstanding preferred shares) may be taken only if the notice of the meeting states the general nature of the matter to be approved.

3.6.3. Notice need not be given of an adjourned meeting if the time and place thereof are announced at the meeting at which the adjournment is taken, except that if the adjournment is for more than forty-five (45) days or if after the adjournment a new record date is provided for the adjourned meeting, a notice of the adjourned meeting shall be given to each member of record entitled to vote at that meeting.

3.6.4. Notice of any meeting of the members shall be given personally, by first class mail, or by telegraph or other written communication, addressed to the member at the member's address appearing on the books of the Corporation or given by that member to the Corporation for the purpose of notice; or if no such address appears or is given, at the place where the principal executive office of the Corporation is located or by publication at least once in a newspaper of general circulation in the counties in which the principal executive office and Property are located. Notice shall be deemed to have been given at the time when delivered personally to the recipient, deposited in the mail, delivered to a common carrier for transmission to the recipient or sent by other means of written communication. An affidavit of the mailing or other means of giving notice may be executed by the Secretary, Assistant Secretary or any transfer agent of the Corporation giving the notice and shall be prima facie evidence of the giving of the notice. Such affidavits shall be filed and maintained in the minute books of the Corporation.

3.6.4. If any notice or report addressed to the member at the member's address appearing on the books of the Corporation is returned to the Corporation by the United States Postal Service marked to indicate that the United States Postal Service is unable to deliver the notice or report to the member at such address, all future notices or reports shall be deemed to have been duly given without further mailing if the same shall be available for the member upon the member's written demand at the principal executive office of the Corporation for a period of one year from the date of the giving of the notice or report to all other members.

3.7. Record Date.

3.7.1. The board of trustees may fix a time in the future as a record date for determination of the members who are (i) entitled to receive notice of any meeting or to vote thereat, (ii) entitled to give written consent

to any corporate action without a meeting, or (iii) entitled to exercise any rights in respect of any other lawful action. The record date so fixed shall be not more than sixty (60) or less than ten (10) days prior to the date of any meeting of the members, or more than sixty (60) days prior to any other action.

3.7.2. In the event no record date is fixed:

3.7.2.A. The record date for determining the members entitled to notice of or to vote at a meeting of members shall be at the close of business on the business day immediately preceding the day on which notice is given or, if notice is waived, at the close of business on the business day next preceding the day on which the meeting is held.

3.7.2.B. The record date for determining members entitled to give consent to corporate action in writing without a meeting, when no prior action by the board of trustees has been taken, shall be the day on which the first written consent is given.

3.7.2.C. The record date for determining members for any other purpose shall be at the close of business on the day on which the board of trustees adopts the resolution relating thereto, or the 60th day prior to the date of such other action, whichever is later.

3.7.3. Notwithstanding any transfer of any memberships on the books of the Corporation after the record date, only members of record on the close of business on the record date are entitled to receive notice and to vote, to give written consent, to receive an allotment of rights or to exercise rights, as the case may be.

3.7.4. A determination of members of record entitled to receive notice of or to vote at a meeting of members shall apply to any adjournment of the meeting unless the board of trustees fixes a new record date for the adjourned meeting, but the Board shall fix a new record date if the meeting is adjourned for more than 45 days from the date set for the original meeting.

3.8. Quorum.

3.8.1. A majority of the memberships entitled to vote at a meeting of the members, represented in person or by proxy, shall constitute a quorum for the transaction of business thereat.

3.8.2. The members present at a duly called or held meeting at which a quorum is present may continue to transact business until adjournment notwithstanding the withdrawal of enough members to leave less than a quorum, if any action taken (other than adjournment) is approved by at least a majority of the shares required to constitute a quorum.

3.9. Adjournment.

Any meeting of the members may be adjourned from time to time whether or not a quorum is present by the vote of a majority of the memberships represented thereat either in person or by proxy. At the adjourned meeting the Corporation may transact any business which might have been transacted at the original meeting.

3.10. Validation of Actions Taken at Defectively Called, Noticed or Held Meetings.

3.10.1. The transactions of any meeting of the members, however called and noticed and wherever held, are as valid as though had at a meeting duly held after regular call and notice, if a quorum is present either in person or by proxy, and if, either before or after the meeting, each of the persons entitled to vote thereat, not present in person or by proxy, signs a written waiver of notice or a consent to the holding of the meeting or an approval of the minutes thereof. All such waivers, consents and approvals shall be filed with the corporate records or made a part of the minutes of the meeting.

3.10.2. Attendance of a person at a meeting shall constitute a waiver of notice of and presence at such meeting, except (i) when the person objects, at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened and (ii) that attendance at a meeting is not a waiver of any right to object to the consideration of any matter required by the Act to be included in the notice but not so included, if such objection is expressly made at the meeting.

3.11. Voting for Election of Trustees

3.11.1. Except as provided in subdivision 3.11.3. of this Section, the affirmative vote of the majority of the memberships represented and voting at a duly held meeting at which a quorum is present (which shares voting affirmatively also constitute at least a majority of the required quorum) shall be the act of the members, unless the vote of a greater number is required by law, the Articles of Incorporation, the Declaration or any member agreement.

3.11.2. Every member complying with subdivision 3.11.3. of this Section and entitled to vote at any election of trustees may cumulate the member's votes and give one candidate a number of votes equal to the number of trustees to be elected multiplied by the number of votes to which the member's shares are normally entitled, or distribute the member's votes on the same principle among as many candidates as the member thinks fit.

3.11.3. No member shall be entitled to cumulate votes (i.e., cast for any candidate a number of votes greater than the number of votes which such member normally is entitled to cast) unless the candidate's or candidates' name(s) for which the member desires to cumulate votes has or have been placed in nomination prior to the voting and the member has given notice at the meeting prior to the voting of that member's intention to cumulate votes. If any one member has given such notice, all members may cumulate their votes for candidates in nomination.

3.11.4. Elections for trustees may be by voice vote or by ballot unless any member entitled to vote demands election by ballot at the meeting prior to the voting, in which case the vote shall be by ballot.

3.11.5. In any election of trustees, the candidates receiving the highest number of affirmative votes of the shares entitled to be voted for them up to the number of trustees to be elected by such shares are elected as trustees.

3.12. Proxies

3.12.1. Every person entitled to vote memberships may authorize another person or persons to act with respect to such memberships by a written proxy signed by that person or that person's attorney-in-fact and filed with the Secretary of the Corporation. A proxy shall be deemed signed if the member's name is placed on the proxy (whether by manual signature, typewriting, telegraphic transmission or otherwise) by that member or that member's attorney-in-fact.

3.12.2. Any validly executed proxy, except a proxy which is irrevocable pursuant to subdivision 3.11.C. of this Section, shall continue in full force and effect until the expiration of the term specified therein or upon its earlier revocation by the person executing it prior to the vote pursuant thereto (i) by a writing delivered to the Corporation stating that it is revoked, (ii) by written notice of the death of the person executing the proxy, delivered to the Corporation, (iii) by a subsequent proxy executed by the person executing the prior proxy and presented to the meeting or (iv) as to any meeting, by attendance at such meeting and voting in person by the person executing the proxy. No proxy shall be valid after the expiration of eleven (11) months from the date

hereof unless otherwise provided in the proxy. The date contained on the form of proxy shall be deemed to be the date of its execution.

3.12.3. A proxy which states that it is irrevocable is irrevocable for the period specified therein.

3.13. Inspectors of Election.

In advance of any meeting of the members, the board of trustees may appoint either one (1) or three (3) persons (other than nominees for the office of trustee) as inspectors of election to act at such meeting or any adjournments thereof. If inspectors of election are not so appointed, or if any person so appointed fails to appear or refuses to act, the chairman of any such meeting may, and on the request of any member or member's proxy holder shall, appoint inspectors of election (or persons to replace those who so fail or refuse to act) at the meeting. If appointed at a meeting on the request of one or more members or the proxy holders thereof, the majority of shares represented in person or by proxy shall determine whether one or three inspectors are to be appointed.

3.14. Action by Written Consent.

3.14.1. Subject to subdivisions 3.14.1. and 3.14.3. of this Section, any action which may be taken at any annual or special meeting of the members may be taken without a meeting, without a vote and without prior notice, if a consent in writing, setting forth the action so taken, is signed by the holders of outstanding memberships having not less than the minimum number of votes which would be necessary to authorize or take such action at a meeting at which all memberships entitled to vote thereon were present and voted. All such consents shall be filed with the Secretary of the Corporation and maintained with the corporate records.

3.14.2. Except for the election of a trustee by written consent to fill a vacancy on the board of trustees (other than a vacancy created by removal), trustees may be elected by written consent only by the unanimous written consent of all memberships entitled to vote for the election of trustees. In the case of an election of a trustee by written consent to fill a vacancy (other than a vacancy created by removal), any such election requires the consent of a majority of the outstanding memberships entitled to vote for the election of trustees.

3.14.3. Unless the consents of all members entitled to vote have been solicited in writing, the Secretary of the Corporation shall give prompt notice of the corporate action approved by the members without a meeting. This notice shall be given in the manner specified above. In the case of approval of (i) contracts or transactions in which a trustee has a direct or indirect financial interest, (ii) indemnification of agents of the Corporation, (iii) a reorganization of the Corporation, or (iv) a distribution in dissolution, notice of such approval shall be given at least ten (10) days before the consummation of any action authorized by that approval.

3.14.4. Any member giving a written consent, or that member's proxy holder, or a transferee of the memberships or a personal representative of the member or their respective proxy holders, may revoke the consent by a writing received by the Corporation prior to the time that written consents of the number of shares required to authorize the proposed action have been filed with the Secretary of the Corporation, but may not do so thereafter. Such revocation is effective upon its receipt by the Secretary of the Corporation.

**ARTICLE IV
TRUSTEES**

4.1. Governing Board.

The affairs of the Corporation shall be managed by a governing board of trustees. Trustees need not be residents of the State of Utah. Trustees may or may not be members.

4.1.1. Specific Powers.

Without prejudice to the general powers set forth in these Bylaws, but subject to the same limitations, the trustees shall have the power to:

4.1.1.A. Appoint and remove, at the pleasure of the governing board, all the Corporation's officers, agents and employees; prescribe powers and duties for them that are consistent with law, the Articles of Incorporation and these Bylaws; fix their compensation; and require from them security for faithful performance of their duties;

4.1.1.B. Change the principal office or the principal business office in Utah from one location to another; and

4.1.1.C. Borrow money and incur indebtedness on behalf of the Corporation and cause to be executed and delivered for the Corporation's purposes, in the corporate name, promissory notes, bonds, debentures, deeds of trust, mortgages, pledges, hypothecations and other evidences of debt and securities.

4.2. Number and Term.

The number of trustees on the governing board shall be not less than three (3) nor more than ten (10). The initial number of trustees shall be three (3). The number of trustees shall be increased or decreased from time to time by amendment to the Bylaws. No decrease in number shall have the effect of shortening the term of any incumbent trustee. Each trustee shall hold office for a term consisting of the shorter of one year or until his or her successor shall have been elected or appointed and qualified.

4.3. Nomination and Appointment.

Any trustee may be removed from the governing board with or without cause by a single majority vote of the members. Any vacancy occurring in the governing board by reason of resignation, removal or otherwise, may be filled by the affirmative vote of a majority of the remaining trustees though less than a quorum of the governing board. Any trusteeship to be filled by reason of an increase in the number of trustees may be filled by a majority of the governing board. A trustee elected or appointed, as the case may be, to fill a vacancy shall be elected or appointed, for the unexpired term of his or her predecessor in office.

4.4. Meetings.**4.4.1. Place of Meetings.**

Meetings of the governing board shall be held at any place inside or outside Utah that has been designated by resolution of the governing board or in the notice of the meeting or, if not so designated, at the principal office of the Corporation.

4.4.2. Meetings by Telephone.

Any meeting may be held by conference telephone or similar communication equipment as long as all trustees participating in the meeting can hear one another. All such trustees shall be deemed to be present in person at such a meeting.

4.4.3. Annual Meeting.

The governing board shall hold a regular annual meeting for purposes of organization, election of officers and transaction of other business.

4.4.4. Other Regular Meetings.

Other regular meetings of the governing board may be held without notice to the members at

such time and place as the governing board may fix from time to time.

E 1483351 B 2439 P 643

4.4.5. Special Meetings.

4.4.5.A. Authority to Call.

Special meetings of the governing board for any purpose may be called at any time by the chairman of the governing board, if any; the president; any vice president; the secretary; or any two trustees.

4.4.5.B. Notice.

4.4.5.B.(i). Manner of Giving Notice.

Notice of the time and place of special meetings shall be given to each trustee by one of the following methods: (i) by personal delivery of written notice; (ii) by first-class mail, postage prepaid; (iii) by telephone, either directly to the trustee or to a person at the trustee's office who would reasonably be expected to communicate that notice promptly to the trustee; or (iv) by telegram, charges prepaid. All such notices shall be given or sent to the trustee's address or telephone number as shown on the records of the Corporation.

4.4.5.B.(ii). Time Requirements.

Notices sent by first-class mail shall be deposited in the United States mails at least four days before the time set for the meeting. Notices given by personal delivery, telephone or telegraph shall be delivered, telephoned or given to the telegraph company at least 48 hours before the time set for the meeting.

4.4.5.B.(iii). Notice Contents.

The Notice shall state the time of the meeting and the place, if the place is other than the principal office of the Corporation. It need not specify the purpose of the meeting.

4.4.6. Quorum.

A majority of the authorized number of trustees shall constitute a quorum for the transaction of business, except to adjourn. Every action taken or decision made by a majority of the trustees present at a duly held meeting at which a quorum is present shall be the act of the governing board, subject to the law. A meeting at which a quorum is initially present may continue to transact business, despite the withdrawal of trustees, if any action taken or decision made is approved by at least a majority of the required quorum for that meeting.

4.4.7. Waiver of Notice.

Notice of a meeting need not be given to any trustee who, either before or after the meeting, signs a waiver of notice, a written consent to the holding of the meeting or an approval of the minutes of the meeting. The waiver of notice or consent need not specify the purpose of the meeting. All such waivers, consents and approvals shall be filed with the corporate records or made a part of the minutes of the meetings. Attendance of a trustee at any meeting shall constitute a waiver of notice of such meeting except where such trustee attends a meeting for the express purpose of objecting to the transaction of any business because the meeting is not lawfully called or convened.

4.4.8. Adjournment.

A majority of the trustees present, whether or not a quorum is present, may adjourn any meeting to another time and place. Notice of the time and place of holding an adjourned meeting need not be given unless the original meeting is adjourned for more than twenty-four (24) hours. If the original meeting is adjourned for more than twenty-four (24) hours, notice of any adjournment to another time or place shall be given, before the time of the adjourned meeting, to the trustees who were not present at the time of the adjournment.

4.5. Action Without a Meeting.

Any action that the governing board is required or permitted to take may be taken without a meeting if all trustees of the governing board consent in writing to the action; provided, however, that the consent of any trustee who has a material financial interest in a transaction to which the Corporation is a party shall not be required for approval of that transaction. Such action by written consent shall have the same force and effect as any other validly approved action of the governing board. All such consents shall be filed with the minutes of the proceedings of the governing board.

4.6. Compensation and Reimbursement.

Trustees and members of committees may receive such compensation, if any, for their services as trustees or officers and such reimbursement of expenses as the governing board may determine by resolution to be just and reasonable as to the Corporation at the time the resolution is adopted.

4.7. Committees.**4.7.1. Committees of the Governing Board.**

The governing board, by resolution adopted by a majority of the trustees then in office, provided a quorum is present, may create one or more committees, each consisting of two or more trustees and no persons who are not trustees, to serve at the pleasure of the governing board. Appointments to committees of the governing board shall be by majority vote of the trustees then in office. The governing board may appoint one or more trustees as alternate members of any such committee, who may replace any absent member at any meeting. Any such committee, to the extent provided in the governing board resolution, shall have all the authority of the governing board, except that no committee, regardless of governing board resolution, may:

4.7.1.A. Take any final action on any matter that, under the Act, also requires approval of a majority of all trustees;

4.7.1.B. Fill vacancies on the governing board or on any committee that has the authority of the governing board;

4.7.1.C. Fix compensation of the trustees for serving on the governing board or on any committee;

4.7.1.D. Amend or repeal the Bylaws or the Articles of Incorporation or adopt new bylaws or articles of incorporation;

4.7.1.E. Amend or repeal any resolution of the governing board that by its express terms is not so amendable or repealable;

4.7.1.F. Adopt a plan of merger or consolidation with another corporation;

4.7.1.G. Authorize the sale, lease, exchange, mortgage or pledge of all or substantially all of the property or the assets of the Corporation;

4.7.1.H. Authorize the voluntary dissolution of the Corporation or revoking proceedings therefor;

4.7.1.I. Adopt a plan for the distribution of the assets of the Corporation on dissolution;

4.7.1.J. Create any other committees of the governing board or appoint the members of committees of the governing board; or

4.7.1.K. Approve any contract or transaction to which the Corporation is a party and in which one or more of its trustees has a material financial interest, except as special approval is provided for in the Act or in these Bylaws.

The designation and appointment of any such committee and the delegation thereto of authority shall not operate to relieve the governing board, or any individual trustee, of any responsibility imposed upon it or him by law.

4.7.2. Meetings and Action of Committees

Meetings and actions of committees of the governing board shall be governed by, held and taken in accordance with the provisions of these Bylaws concerning meetings and other governing board actions, except that the time for regular meetings of such committees and the calling of special meetings of such committees may be determined either by governing board resolution or, if there is none, by resolution of the committee of the governing board. Minutes of each meeting of any committee of the governing board shall be kept and filed with the corporate records. The governing board may adopt rules for the government of any committee, provided they are consistent with these Bylaws; or in the absence of rules adopted by the governing board, the committee may adopt such rules.

ARTICLE V OFFICERS

5.1. Officers of the Corporation

The officers of the Corporation shall be a president, a chief financial officer and a secretary. The Corporation may also have, at the governing board's discretion, a chairman of the governing board, one or more vice presidents, one or more assistant secretaries, one or more assistant treasurers and such officers as may be appointed in accordance with these Bylaws.

Each officer so appointed shall have the title, hold office for the period, have the authority and perform the duties specified in the Bylaws or determined by the governing board.

5.4. Removal of Officers

Without prejudice to any rights of an officer under any contract of employment, any officer may be removed with or without cause by the governing board and also, if the officer was not chosen by the governing board, by any officer on whom the governing board may confer that power of removal.

5.5. Resignation of Officers

Any officer may resign at any time by giving written notice to the Corporation. The resignation shall take effect as of the date the notice is received or at any later time specified in the notice; and unless otherwise specified in the notice, the resignation need not be accepted to be effective. Any resignation shall be without prejudice to the rights, if any, of the Corporation under any contract to which the officer is a party.

5.6. Vacancies in Office.

A vacancy in any office because of death, resignation, removal, disqualification or any other cause shall be filled in the manner prescribed in these Bylaws for regular appointments to that office; provided, however, that vacancies need not be filled on an annual basis.

5.7. Responsibilities of Officers**5.7.1. Chairman of the Board.**

If a chairman of the governing board is elected, he or she shall preside at meetings of the governing board and shall exercise and perform such other powers and duties as the governing board may assign from time to time. If there is no president, the chairman of the governing board shall also be the chief executive officer and shall have the powers and duties of the president of the Corporation prescribed by these Bylaws.

5.7.2. President

Subject to such supervisory powers as the governing board may give to the chairman of the governing board, if any, and subject to the control of the governing board, the president shall be the general manager of the Corporation and shall supervise, direct and control the Corporation's activities, affairs and officers. The president shall preside, in the absence of the chairman of the governing board, or if there is none, at all governing board meetings. The president shall have such other powers and duties as the governing board or the Bylaws may prescribe.

5.7.3. Vice Presidents.

If the president is absent or disabled, the vice presidents, if any, in order of their rank as fixed by the governing board, or, if not ranked, a vice president designated by the governing board, shall perform all duties of the president. When so acting, a vice president shall have all powers of and be subject to all restrictions on the president. The vice presidents shall have such other powers and perform such other duties as the governing board or the Bylaws may prescribe.

5.7.4. Secretary.**5.7.4.A.****Book of Minutes.**

The secretary shall keep, or cause to be kept, at the Corporation's principal office or such other place as the governing board may direct, a book of minutes of all meetings, proceedings and actions of the governing board, committees of the governing board and trustees' meetings. The minutes of meetings shall include the time and place that the meeting was held; whether the meeting was annual, regular or special and, if special, how authorized; the notice given, the names of those present at governing board and committee meetings; and the number of trustees present or represented at trustees' meetings. The secretary shall keep, or cause to be kept, at the principal office in Utah, a copy of the Articles of Incorporation and Bylaws, as amended to date.

5.7.4.B.**Notice, Seal and Other Duties.**

The secretary shall give, or cause to be given, notice of all meetings of the governing board and committees of the governing board required by these Bylaws to be given. The secretary shall keep the corporate seal in safe custody and shall have such other powers and perform such other duties as the governing board or the Bylaws may prescribe.

5.7.5. Chief Financial Officer.**5.7.5.A.****Books of Account.**

The chief financial officer shall keep and maintain, or cause to be kept and maintained, adequate and correct books and accounts of the Corporation's properties and transactions. The chief financial officer shall send, or cause to be given, to the trustees such financial statements

and reports as are required to be given by law, these Bylaws or the governing board. The books of account shall be open to inspection by any trustee at all reasonable times.

5.7.5.B. Deposit and Disbursement of Money and Valuables.

The chief financial officer shall deposit, or cause to be deposited, all money and other valuables in the name and to the credit of the Corporation with such depositories as the governing board may designate; disburse the Corporation's funds as the governing board may order; render to the president, chairman of the governing board, if any, and the governing board, when requested, an account of all transactions as chief financial officer and of the financial conditions of the Corporation; and have such other powers and perform such other duties as the governing board or the Bylaws may prescribe.

5.7.5.C. Bond.

If required by the governing board, the chief financial officer shall give the Corporation a bond in the amount and with the surety or sureties specified by the governing board for faithful performance of the duties of the office and for restoration to the Corporation of all of its books, papers, vouchers, money and other property of every kind in the possession or under the control of the chief financial officer on his or her death, resignation, retirement or removal from office.

ARTICLE VI
INDEMNIFICATION

6.1. Right of Indemnity.

To the fullest extent permitted by law including Sections 16-10a-901 through 16-10a-909 of the Act (the "Indemnification Laws"), this Corporation shall indemnify its trustees, officers, employees and other persons described in that Section including persons formerly occupying any such position, against all expenses (including attorneys' fees), judgments, fines, settlements and other amounts actually and reasonably incurred by them in connection with any proceeding, and including an action by or in the right of the Corporation, by reason of the fact that the person is or was a person described in that Section, if such person acted in good faith and in a manner such person reasonably believed to be in the best interests of the Corporation and, in the case of a criminal proceeding, had no reasonable cause to believe the conduct of such person was unlawful. All terms used in these indemnification provisions shall have the same meanings as set forth in the Indemnification Laws.

6.2. Approval of Indemnity.

On written request to the governing board by any person seeking indemnification under these Bylaws, the governing board shall promptly determine whether the applicable standard of conduct set forth in Indemnification Laws; and, if so, the governing board shall authorize indemnification. If the governing board cannot authorize indemnification because the number of trustees who are parties to the proceeding with respect to which indemnification is sought prevents the formation of a quorum of trustees who are not parties to that proceeding, the governing board shall promptly elect additional trustees who shall determine whether the applicable standard of conduct set forth in Indemnification Laws has been met; and, if so, the trustees shall authorize indemnification.

6.3. Advancement of Expenses.

To the full extent permitted by the Indemnification Laws and except as otherwise determined by the governing board in a specific instance, expenses incurred by a person seeking indemnification under these Bylaws in defending any proceeding covered by these Bylaws shall be advanced by the Corporation before final disposition of the proceeding on receipt by the Corporation of an undertaking by or on behalf of that person that the advance will be repaid unless it is ultimately determined that the person is entitled to be indemnified by the Corporation for those expenses.

**ARTICLE VII
INSURANCE**
