6.12 ASSESSMENT OF ANNUAL MAINTENANCE FEE. The lot owners shall be responsible for the exclusive management, control and maintenance of the subsurface drainage system and maintenance of the drainage swale serving the Subdivision. In addition, lot owners shall be responsible for the exclusive management, control and maintenance of the landscaping along the frontage road. Each lot Owner, by the acceptance of instruments of conveyance and transfer therefore, whether or not it be so expressed in said instruments, shall be deemed to covenant and agree with each other (and with any Homeowners Association involved) to pay all assessments made for the purposes of providing maintenance of the subsurface drain system and the drainage swale serving the Subdivision. Unless otherwise specified herein, the fee assessed shall be a portion of the total maintenance costs representing the lot Owner's prorata share, i.e. if there are 80 lots total in the subdivision and Owner owns 1 lot, owner's share will be 1/80 of total expenses for year.

All sums assessed a lot Owner within the Subdivision pursuant to the provisions hereof, together with the interest thereon as provided in these protective covenants, shall be secured by a lien on such lot in favor of the lot Owners (or an homeowners association involved). To evidence a lien for sums assessed pursuant to this Section, the lot Owners (or the Homeowners Association) shall prepare a written notice of lien setting forth the amount of the assessment, the due date, the amount remaining unpaid, the name of the lot Owner and description of the lot. Such a notice shall be signed and acknowledged by a duly authorized officer of the lot Owners (or Homeowners Association) and may be recorded in the office of the Davis County Recorder, State of Utah. shall be recorded until there is a delinquency in payment of the assessment. (Other assessments may be made to cover the common expenses of the lot owners in a project.)

Subsurface drainage system assessments shall be assessed for maintenance of the drainage swale and those portions of the subsurface drainage system serving the subdivision which are located in public streets or dedicated public rights-of-way. Each lot owner shall be solely responsible for maintenance of the subsurface drainage facilities on or beneath said lot Owner's lot.

The lot Owners/developer may elect to delegate their responsibilities for the subsurface drain system, including funding and maintenance of such system, to a nonprofit corporation Homeowner's Association, provided however, such delegation shall not release or absolve the lot Owners from their obligations to maintain and fund the subdrain system in the event the Homeowner's Association should terminate at any time for any reason.

The lot Owners hereby covenant and agree with Centerville City that in the event the subsurface drainage system, drainage swale, and related parts thereof, are not maintained and funded by the lot Owners as provided herein above that the City shall have the right to assess the property owners their prorata share of the costs of such maintenance on an annual basis and shall have the right to secure such assessments with a lien with interest thereon and to provide notice thereof in the manner provided above in these covenants.

This Declaration may be amended by recording in the Davis County real property records a "Certificate of Amendment," duly signed and acknowledged as required for a Certificate of Termination. The Certificate of Amendment shall set forth in full the amendment adopted, and shall certify that at an election duly called and held pursuant to the provisions of the articles and bylaws of the Association the Members casting seventy-five percent of the votes at the election, voted affirmatively for the adoption of the amendment. Any amendment shall be effective only if the written consent from the holders of recorded first mortgages or deeds of trust on seventy-five percent of the Lots upon which there are such recorded first mortgages of deeds.
