I certify: (1) The agricultural land covered by this application constitutes no less than five contiguous acres exclusive of homestead and other non-agricultural acreage (see Utah Code 59-2-503(3) for waiver). (2) The above described eligible land is currently devoted to agricultural use, and has been so devoted for two successive years immediately preceding the tax years for which valuation under this act is requested. (3) The gross sales of agricultural products produced thereon have averaged at least \$1,000 per year for the two years immediately preceding the tax year in issue. State income tax records will be used to verify income. (4) I am fully aware of the 5 year roll-back provision which becomes effective upon a change in the use of all or part of the above described eligible land or other withdrawal. I understand the provisions of the roll-back which requires notice to the county assessor of any change in use of the land to other than agricultural, and that a 100 percent penalty of the computed roll-back tax due will be imposed on failure to notify the assessor within 90 days after change in land use.
