KNOW ALL MEN BY THESE PRESENTS:

The undersigned owners of the following described property situate in Salt Lake County, Utah, to-wit:

All Lots in TERRACE VIEW NO. 6, according to the official plat thereof recorded in the office of the County Recorder of said County.

are desirous of creating restrictions and covenants affecting said property.

NOW THEREFORE, in consideration of the premises, the undersigned hereby declare the property hereinabove described subject to the following restrictions and covenants.

1. These covenants are to run with the land and shall be binding on all persons claiming under them from date hereof until June 1, 1988, at which time said covenants shall be automatically extended for successive periods of ten years unless by vote of a majority of the then owners of the lots it is agreed to change said covenants in whole or in part.
2. If the parties hereto, or any of them or their heirs or assigns, shall violate or attempt to violate any of the covenants herein, it shall be lawful for any other person or person owning any real property situated on the above described tract to prosecute any proceedings at law or in equity against the person or persons violating or attempting to violate any such covenants and either to prevent him or them from so doing or to recover damages or other dues for such violation.
3. Invalidation of any one of these covenants by judgment or court order shall in no wise affect any of the other provisions which shall remain in full force and effect.
4. All above described lots in the tract shall be known and described as residential lots. No structures shall be erected, altered, placed or permitted to remain on any residential building plot other than one detached single family dwelling not to exceed two stories in height and a private garage for not more than two cars.
5. No building shall be erected, placed or altered on any building plot in the above described property until the building plans, specifications, and plot plan showing the location of such building have been approved in writing as to conformity and harmony of external design with existing structures in the said property, and as to location of the building with respect to topography and finished ground elevation by a committee composed of John O. Speck and Beverly Speck and or by a representative designated by a majority of the members of said committee. In the event of death or resignation of any member of said committee, the remaining member or members, shall have full authority to approve or disapprove such design and location or to designate a representative with like authority. In the event said committee, or its designated representative, fails to approve or disapprove such design and location within thirty days after said plans and specifications have been submitted to it or, in any event if no suit to enjoin the erection of such building or the making of such alterations has been commenced prior to the completion thereof, such approval will not be required and this covenant will be deemed to have been fully complied with. Neither the members of such committee, nor its designated representative, shall be entitled to any compensation for services performed pursuant to this covenant. The powers and duties of such committee and of its designated representative, shall cease on or after June 1, 1988. Thereafter the approval described in this covenant shall not be required unless, prior to said date and effective thereon, a written instrument shall be executed by the then record owners of a majority of the lots above described and duly recorded appointing a representative, or representatives, who shall thereafter exercise the same powers previously exercised by said committee.
