DEVELOPMENT AGREEMENT

PROPERTY RELEASE

This Property Release Agreement (the "Release") is dated 30th August, 2001 and hereby amends the Development Agreement, as amended, (the "Agreement") dated July 5, 1998 by and between TOOELE COUNTY, a political subdivision of the State of Utah (the "County") and SADDLEBACK PARTNERS, L.C., a Utah limited liability company ("Saddleback").

RECITALS:

- A. The County and Saddleback entered into the Agreement on July 5, 1998. The Agreement was recorded August 13, 1999, as Entry No. 135787, in Book 583, at Page 254, Tooele County Recorder's Office.
- B. The County and Saddleback entered into an amendment to the Agreement in December 1998, titled First Amendment to Development Agreement (the "First Amendment"), recorded August 13, 1999, as Entry No. 135788, in Book 583, at Page 390, Tooele County Recorder's Office. For purposes of the Release, the term "Agreement" refers to the Agreement as amended by the First Amendment.
- C. The County and Saddleback recognize that through a "scrivener's error", the parcel described on Schedule 1 attached hereto (the "Schedule 1 Parcel") was inadvertently left off of the original Exhibit A of the Agreement. The Schedule 1 Parcel is encompassed by lands owned or controlled by Saddleback and was so as of the execution date of the Agreement.
- D. As allowed in the Agreement and as part of approval for The Pastures at Saddleback Plat 1 subdivision, Saddleback transferred density off of certain parcels identified on Schedule 2, attached hereto (the "Schedule 2 Open Space Parcels") and either used this density as part of the Pastures at Saddleback Subdivision or "banked" this density for future subdivision plats. Attached hereto as Schedule 3 is a copy of the tracking sheet that was created as part of this process and shows the "banked" density (the "Tracking Sheet").

- E. As part of the density transfer mentioned above, Saddleback was required to permanently dedicate the Schedule 2 Open Space Parcels as permanent open space prior to commencing construction of any units.
- F. In order to permanently protect the Schedule 2 Open Space Parcels, Saddleback is now completing a conservation easement on these parcels that will be held by Utah Open Lands, a conservation organization.
- G. In order to complete the conservation easement, Saddleback is required to remove from the title of the Schedule 2 Open Space Parcels reference to the Agreement or any future applicability of development rights under the Agreement to these parcels.
- H. Saddleback is also in the process of transferring certain parcels around Yates Springs to the Bureau of Land Management (the "BLM"), which parcels are further identified on the attached Schedule 4 (the "Schedule 4 Yates Spring Parcels"). These parcels are being transferred to the BLM in order to preserve these parcels as a public access/passive recreation site.
- I. Prior to transferring the Schedule 4 Yates Spring Parcels to the BLM, Saddleback is required to remove from the title of these parcels reference to the Agreement or any future applicability of development rights under the Agreement to these parcels.
- J. The County and Saddleback now desire to amend certain portions of the Agreement by affirming the proper legal descriptions and releasing certain properties as outlined below.

Release Agreement:

NOW, THEREFORE, in consideration of the foregoing goals and objectives and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Saddleback and the County, intending to be legally bound, agree as follows:

1. **Definitions.** When used in this Release, each capitalized term shall have the meaning indicated in the Agreement.
2. **Exhibit A Clarification.** The parties hereby agree that the Schedule 1 Parcel was included as part of the land described in Exhibit A of the Agreement. The parties also recognize that as allowed below, the Schedule 1 Parcel is part of the Schedule 2 Open Space Parcels and will therefore be released from the Agreement with the density having been transferred or "banked" for use in the Project.

3. Exhibit A Release.

- a. Exhibit A of the Agreement shall be and is hereby amended to remove the Schedule 2 Open Space Parcels from the legal description in Exhibit A of the Agreement and thereby free these parcels from any future applicability of the Agreement.
- b. Saddleback and the County hereby recognize and affirm that prior to this release taking place, Saddleback was allowed to transfer the density from the Schedule 2 Open Space Parcels with such density to be located on future subdivision plats as part of the Project. The parties recognize and affirm that this transfer is reflected on the Tracking Sheet.
- c. Exhibit A of the Agreement shall be and is hereby amended to remove the Schedule 4 Yates Spring Parcels from the legal description in Exhibit A of the Agreement and thereby free these parcels from any future applicability of the Agreement.

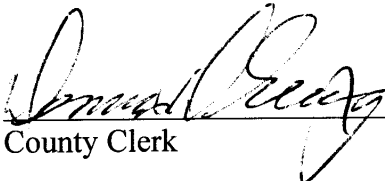

Except as expressly amended herein, the Agreement shall remain in full force and effect and shall not be affect by the Release.

IN WITNESS WHEREOF, the parties have executed this Release by their authorized representatives and have taken all actions necessary to make this Release binding and valid.
