The above described tract of land contains 19,427 square feet in area or 0.446 acres.

Together with and subject to any and all easements, rights of way and restrictions appearing of record or enforceable in law and equity.

Junkyards, as defined in Title 23 United States Code, Section 136, shall not be established or maintained on the above described tracts of lands.

Pursuant to Title 72, Chapter 6, Section 117, Utah Code Annotated, 1998, as amended, the above described tract of land is granted without access to or from the adjoining freeway over and across the northerly boundary line of said tract of land.

This above tract of land is conveyed without access to or from SR-85 (2100 N.) across the northerly boundary line of said tract being a Highway Right of Way and No-Access Line. All access to the above tract of land will be from an access road connecting to 1550 West Street.

Signs, Billboards, outdoor Advertising structures, or advertising of any kind as defined in Title 23 United States Code, Section 131, shall not be erected, displayed, placed or maintained upon or within this tract, EXCEPT signs to advertise the sale, hire or lease of this tract or the principal activities conducted on this land.

The grantor reserves rights to use the abutting state property for highway purposes and excludes from this grant any rights to air, light, view and visibility over and across the abutting state property. The Grantee is hereby advised that due to present or future construction on the adjacent highway including but not limited to excavation, embankment, structures, poles, signs, walls, fences and all other activities related to highway construction or which may be permitted within the Highway Right of Way that air, light, view and visibility may be restricted or obstructed on the above described property.

729:2E

Reserving unto said Grantor a portion of a perpetual easement described below for the purpose of constructing (reconstructing) and maintaining thereon roadway facilities, overhead and buried utilities and appurtenant parts thereof including, but not limited to fiber optics, lighting facilities, communication cables, storm drains, irrigation ditches and pipes, water lines, sewer lines, gas lines, and highway appurtenances including but not limited to slopes and traffic signs to facilitate 2100 North. This easement includes the right to construct, maintain, and continue the existence of said cut and/or fill slopes in the same grade and slope ratio as constructed by Grantor. This easement shall run with the real property and shall be binding upon the Grantee, successors, heirs and assigns, and reserves unto the Grantor all rights to change the vertical distance or grade of said cut and/or fill slopes. The boundaries of said part of an entire tract are described as follows:
