WHEREAS, Declarant intends that the Lots, and each of them, together with the Common Easements as specified herein, shall hereafter be subject to the covenants, conditions, restrictions, reservations, assessment; charges and liens herein set forth.

NOW, THEREFORE, Declarant hereby declares, for the purpose of protection of the value and desirability of the Lots, that all of the Lots shall be held, sold, conveyed, subject to the following easements, restrictions, covenants and conditions, which shall run with the Lots, and be binding on all parties having any right, title and interest in the Lots or any part thereof, their heirs, successors and assigns, and shall insure to the benefit of each Owner thereof.

SECTION 1. The Architectural Control Committee shall be composed of the following three individuals appointed by the Declarant: John Aldous, Gordon Etter, and David Irwin. A majority of the committee may designate a representative to act for it. In the event of death or resignation of any member of the committee, the remaining members of the committee shall have full authority to select a successor. Neither members of the committee, nor its designated representatives shall be entitled to any compensation for services performed pursuant to this covenant.

SECTION 2. The Committee's approval or disapproval as required in these covenants shall be in writing on the set of plans or in letter form. The Lot Owner must submit a set of formal plans, specifications, and site plan to the Committee before the review process can commence. In the event the Committee or its designated representative fails to approve or disapprove within 30 days after plans and specifications have been submitted to it, approval will not be required and the related covenants shall be deemed to have been fully complied with.

SECTION 3. No building, fence, wall or other structure shall be commenced, erected or maintained upon the Project, nor shall any exterior addition to or change or alteration therein be made until the plans and specifications showing the nature, kind, shape, height, materials, exterior color combinations and location of the same shall have been submitted to and approved in writing as to the harmony of the exterior design and location in relation to the surrounding structures and topography by the Architectural Control committee. In no case will front yard fencing of any type or chain link fencing be permitted. Storage sheds may be considered, but are subject to approval. Sheds must be constructed of wood and have gabled roofs, be painted and maintained, and not contradict the aesthetics, flow and appearance of the home and community. Such use will continue without complaint from those who purchase Lots in any of the plats located in Argyle Acres Subdivision.

SECTION 10. Disclosure.

a. Proximity to the Airport. The Argyle Acres Subdivision, Phase 4, is less than one (1) mile from the Skypark Airport. The parcel is also located within the Controlled Development Zone as defined by the Airport Zoning Map. Airplanes may fly at low elevations over the parcel as they operate to, from, or at the airport. The airport is operational 24 hours per day. Flights may occur at all hours of the day or night.

b. Disclosure of Noise Impacts. Due to the proximity of the parcel to the Skypark Airport, and the airport's associated flight patterns; owner(s)/buyer(s) should expect varying degrees of noise from these aircraft, which some persons may find intrusive.

c. Future Improvements and Aircraft Operations. The airport plans to expand its facilities and operations in the future. The plans include, but are not limited to those shown on the approved Airport Layout Plan. These improvements may result in increased aircraft operations, operations by larger aircraft, and increased nighttime operations, which could increase the noise levels within the vicinity of the airport.

d. Argyle Acres Subdivision. The Argyle Acres Subdivision is located adjacent to a commercial zone and existing light industrial/commercial uses. There may be noises and minor odors associated with these activities that are not normally associated with residential uses. These activities are regulated by Woods Cross City and other governmental entities as to their operation and maintenance. We recognize the rights of the owners of these facilities to operate their businesses in accordance with federal, state and local regulations.

ARTICLE III**GENERAL PROVISIONS**

SECTION 1. Enforcement. Any Owner shall have the right to enforce, by any proceeding at law or in equity, all restrictions, imposed by the provisions of this Declaration. Failure by any Owner to enforce any covenants or restrictions herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Enforcement of this Declaration shall be by proceedings at law or in equity against any person or persons violating or attempting to violate any covenant, either to restrain the violation or to recover damages, or both. In acquiring title to any Lot in the community, the purchaser or purchasers violating or attempting to violate any covenant, agree to reimburse the Association and/or any Owners for all costs and expenses for which it or they may be out as a result of the said violation or attempted violation, including but not limited to court costs and attorneys' fees.

SECTION 2. Severability. Invalidation of any of these covenants or restrictions by judgment or court order shall in no way affect any other provision which shall remain in full force and effect.

This Declaration may be amended or terminated by a vote of at least eighty-five

percent (85%) of the total votes of all owners, which vote shall be taken at a duly called meeting.

Any amendment approval shall be reduced to writing, signed, and recorded against the Lots.

IN WITNESS WHEREOF, the undersigned, being the Declarant herein, has hereunto set its hand this 27th day of February, 2002.
