(a) A reciprocal, non-exclusive, perpetual easement for ingress and egress, upon, over and across the Access Roads for pedestrian use by the Benefitted Parties of each other Parcel.

(b) A reciprocal, non-exclusive, perpetual easement for ingress and egress, upon, over and across those portions of the Access Roads for vehicular ingress and egress for the purpose of furnishing access and the right of access for the vehicles of the Benefitted Parties of each other Parcel.

(c) The installation, operation, maintenance, inspection, repair, replacement and relocation in the Utility Corridor of Utility Lines serving any part of the Parcels, all of which (except hydrants and transformers and other installations as may be requested by the utility company) will be even with or below the surface of the Utility Corridor or as otherwise agreed by the Owner of the burdened Parcel. All Owners will cooperate in the granting of appropriate and proper easements to each other or to utility companies and governmental authorities for the installation, operation, maintenance, repair, replacement and relocation of the Utility Lines. The location of the Utility Lines shall be within the Utility Corridor unless otherwise agreed to by the Owner on whose Parcel such Utility Line is being placed. Each Owner will have the right to enter upon any portion of the Parcels constituting the Utility Corridor and the areas immediately adjacent thereto as may be necessary or appropriate in order to accomplish the installation, operation, maintenance, inspection, repair, replacement and relocation of the Utility Lines subject to compliance with the following:

(i) The installation, operation, maintenance, inspection, repair and replacement of such Utility Lines (A) shall not unreasonably interfere with the use of the Parcel or with the normal operation of any business in each Parcel, (B) shall not unreasonably interfere with or diminish utility service to the businesses served by the Utility Lines, (C) shall not reduce or unreasonably impair the usefulness or functionality of the Utility Lines of the other Owners, (D) shall be performed without cost or expense to the Owner or Benefitted Party of any other Parcel, (E) shall be performed in a good and workmanlike manner, with due care, and in compliance with all Laws and (F) shall not unreasonably interfere with the pedestrian and vehicular access or parking. For non-routine maintenance and repair that will impact the utilization of the Utility Lines of the other Owners, the Performing Owner shall provide at least seven business (7) days' written notice to the other Owners prior to performing any such non-routine maintenance and repair.

(ii) To the extent any construction, maintenance, inspection, repair or replacement relates to Separate Utility Lines, the Owner of the benefitted Parcel shall, (A) to the extent applicable, comply with Section 3 of this Declaration; (B) repair to the original specifications any damage to any Building, signs, Common Utility Lines or Parcel resulting from such installation, operation, maintenance, inspection, repair and replacement; and (C) shall provide as-built plans for all such Separate Utility Lines to the Owners of all Parcels upon which such Separate Utility Lines are located within thirty (30) days after the date of completion of

construction of same. All costs associated with the installation, operation, maintenance, inspection, repair and replacement of Separate Utility Lines shall be borne solely by the Owner of the Parcel served thereby.

(iii) All costs associated with the installation, operation, maintenance, inspection, repair and replacement of Common Utility Lines shall be allocated among the Owners of the Parcels in accordance with the Cost Allocation Ratio. Except as may be otherwise provided herein, including, without limitation, the provisions of Section 5(d), the installation, operation, maintenance, inspection, repair and replacement of Common Utility Lines may be performed by the Owner of any Parcel served thereby. The Performing Owner shall bill the Owner(s) of the other Parcel(s) served thereby for each such Owner's respective share in proportion to the total square footage of all such Parcels served thereby of the costs incurred by the Performing Owner not more often than monthly in arrears and such costs shall be payable within thirty (30) days after receipt of an invoice therefor and, if requested, reasonable supporting documentation.

(iv) At any time and from time to time the Owner of a Parcel shall have the right to relocate on its Parcel any Utility Line which is then located on such Owner's Parcel, provided that any such relocation (A) shall be performed only after sixty (60) days' prior written notice of the Owner's intention to undertake the relocation shall have been given to the Owner of each Parcel served by the Utility Line, (B) shall not unreasonably interfere with or diminish utility service to the businesses served by the Utility Line, (C) shall not reduce or unreasonably impair the usefulness or function of the Utility Line, (D) shall be performed without cost or expense to the Owner or Benefitted Party of any other Parcel, (E) shall provide for the original and relocated area to be restored to a condition that is equal to or better than the condition prior to such work being completed, and (F) shall not unreasonably interfere with the pedestrian and vehicular access or the parking areas. At any time and from time to time the Owner of a Parcel may relocate onto its Parcel any Separate Utility Lines that are then present on the other Owner's Parcel, provided that in relocating such separate Utility Lines, the Owner relocating the Separate Utility Lines shall comply with subsections (A), (D) and (F). Further, if the Utility Lines on the other Parcel are accessed or the surface of the other Parcel is disturbed in such relocation, the original area shall be restored to a condition that is equal to or better than the condition prior to such work being completed. The Owner performing such relocation shall provide as-built plans for all such relocated Utility Lines to the Owners of all Parcels served by such Utility Lines within thirty (30) days after the date of completion of such relocation.

(d) Each Owner shall not interrupt, damage, or otherwise interfere with the Separate Utility Lines of the other Owner. Subject to the foregoing provisions of this Section 2, each Owner hereby reserves the right to eject from its Parcel any Persons not authorized to use such Parcel. In addition, each Owner reserves the right to close off its Parcel for such reasonable periods of time as may be required for serious security situations or legally necessary to prevent the acquisition of prescriptive rights by anyone;

provided, however, before closing off any part of the Common Maintenance Areas, such Owner must give notice to the other Owners of its intention to do so and must coordinate its closing with the activities of each of the other Owners so that no unreasonable interference occurs with the operation on the other Parcels.

3. Alteration, Relocation or Changes to Access Roads; Parking Requirements; Restricted Uses. The Owner of a Parcel shall be permitted to alter, relocate or change the configuration of that portion of the Access Roads located on the Parcel which it owns at any time and from time to time but only upon strict compliance with the provisions of this Section.

(a) Any proposed alteration, relocation or other change shall comply with all Laws.

(b) The Owner proposing to make any alteration, relocation or other change shall pay the entire cost of such alteration, relocation or change.

(c) Once the Access Road have been initially constructed, no portion of the Access Roads may be materially altered, relocated or changed, and no Owner may perform any work on, or stage any work from, any other Parcel, without the prior written consent of all Owners and Manager, which shall not be unreasonably withheld, conditioned, or delayed, except that an Owner may withhold its consent to any request for staging on such Owner's Parcel in such Owner's sole and absolute discretion. In connection with obtaining such consent, the Owner proposing to make such alteration, relocation or change shall provide copies of its preliminary plans to the Manager and the Owners of the other Parcels prior to commencing such work for review and obtain approval by the Owners of the other Parcels, which approval will not be unreasonably withheld, conditioned or delayed. In the event an Owner (the "Submitting Owner") submits a preliminary plan to the Manager and the Owners of the other Parcels (collectively, the "Consenting Owner") for its consent as required by this subsection (c), such preliminary plan shall be deemed approved if not disapproved in writing within twenty (20) days of the delivery of the preliminary plans to each Consenting Owner. In the event a Consenting Owner reasonably disapproves of such preliminary plans, such Consenting Owner shall, within such twenty (20) day period, deliver to the Submitting Owner the Consenting Owner's written objections to the preliminary plans which objections shall include a reasonably detailed description of what changes, if made, would cause the Consenting Owner to give its approval of the preliminary plans. The Submitting Owner shall, to the extent the Submitting Owner agrees with the Consenting Owner's requested changes, revise the preliminary plans and resubmit them to the disapproving Consenting Owner for its approval in accordance with the procedures set forth above in this subsection (c). Notwithstanding anything in the foregoing to the contrary, an Owner shall not be required to obtain the consent of the Manager and the other Owners to make any alteration, relocation or modification on such Owner's Parcel if such alteration, relocation or modification is required by Law and/or Governmental Authorities, provided, the Owner making such alteration, relocation or modification shall give each of the other Owners at least thirty (30) days prior written notice of such change.

(d) The Owner proposing to make any alteration, relocation, or other change shall construct and complete such alteration, relocation, or change in a diligent and timely manner subject only to delays beyond the reasonable control of the Owner. At least thirty (30) days prior to commencement of any major work on the Access Roads, the applicable Owner shall give notice to each of the Owners of the scope thereof, and the proposed commencement and completion dates.

(e) No Benefitted Parties of a Parcel shall be permitted to park their vehicles on another Parcel without the written consent of the Owner of such Parcel. Each Owner shall work in good faith to ensure that the Benefitted Parties of such Owner's Parcel shall not violate the provisions of this Section 3(e). All Building or Related Improvements constructed on any Parcel shall be developed in compliance with the Laws governing parking and access for the use proposed for the Parcel. The parking area on any Parcel shall provide at least the minimum number of parking stalls as required to comply with Laws or as may be required by Governmental Authorities with respect to the Building or Related Improvements located on such Parcel, without regard to any parking that may be available on any other Parcel. Subject to the provisions of Section 9 below, each Owner shall have the right to place the maximum number of signs permitted by Laws, but in all events, not to exceed two (2) signs, and as are consistent with this Declaration, upon its Parcel designating that the parking spaces located upon such Parcel are for the exclusive use of the Occupants of such Parcel.

4. Insurance and Indemnification.

(a) Each Owner shall, during the term of this Declaration, except as otherwise expressly set forth herein, maintain, or cause to be maintained, at its sole expense, in full force and effect, with good and solvent insurance companies authorized to do business in the State of Utah on its Parcel a policy or policies of (i) commercial general liability, bodily injury, personal injury and property damage liability insurance (“**CGL Insurance Policy**”) with combined single limits of at least One Million Dollars (\$1,000,000) per occurrence and Two Million Dollars (\$2,000,000) in the aggregate (which such limit will be increased on January 1, 2030, and on every fifth anniversary of such date (each an “**Adjustment Date**”), by the percentage increase in the Index (calculated by multiplying the then applicable insurance limit by a fraction, the numerator of which will be the Index for the month which is three months before the subject Adjustment Date and the denominator of which will be the Index for the month which is 63 months before such Adjustment Date)); and (ii) replacement cost property insurance on each Building or Related Improvement on that Owner's Parcel.

(b) Each Owner shall, upon the reasonable request thereof from any other Owner, furnish to the Person making such request certificates of insurance evidencing the existence of the insurance required to be carried pursuant to this Article.

(c) Each Owner hereby waives any claim that it might have against any other Owner for damages which would be covered by any of the insurance required to be carried under this Article. Said mutual waivers shall be in addition to, and not in limitation or derogation of, any other waiver or release regarding any loss of, or any

damage to the said property of any Owner. Inasmuch as the said mutual waivers will preclude the assignment of any such claim by way of subrogation (or otherwise) to an insurance company (or any other person, firm or corporation) each Owner shall give to each insurance company which has issued to it policies of all-risk insurance, written notice of the terms of said mutual waivers, and shall have said insurance policies properly endorsed, if necessary, to prevent invalidation of said insurance coverages by reason of said waiver.

(d) The Owner of each Parcel hereby agrees to indemnify, defend and hold harmless the other Owners and the Occupants of the Parcels from and against any and all liability, claims, damages, expenses (including reasonable attorneys' fees and reasonable attorneys' fees on appeal), judgments, proceedings and causes of action, for injury to or death of any person or damage to or destruction of any property resulting from the negligent or willful act or omission of the indemnifying Owner, its tenants, subtenants, agents, contractors or employees, or arising out of the performance or nonperformance of any of the obligations set forth in this Declaration, except to the extent caused by the negligent or willful act or omission of the indemnified Owner or Occupant, their tenants, subtenants, agents, contractors or employees.

5. Operation and Maintenance of the Parcels.

(a) Taxes and Assessments.

(i) Each Owner will pay directly to the taxing authority(ies), prior to delinquency, the Taxes attributable to their respective Parcels, including taxes for any Common Maintenance Areas located upon such Parcel. For purposes of this Declaration, "Taxes" will mean any and all taxes, assessments, impositions or levies of any kind (in all cases, whether general or special, anticipated or unanticipated) imposed by any Governmental Authority upon the land within each Parcel and/or any improvements therein or thereon.

(ii) Each Owner will have the right, in good faith, to contest the amount of Taxes owing with respect to its Parcel; provided that such Owner will take all such action as may be necessary to prevent any assessment or tax lien from being foreclosed or enforced with respect to any property within each Parcel, including recording an adequate bond to remove such lien as a matter of record or to otherwise secure the payment of such lien.

(b) Subject to the provisions of Section 5(d) below, each Owner, at its own cost and expense, will maintain, or cause to be maintained, its Parcel (including, without limitation, the Building or Related Improvements, but excluding the Common Maintenance Areas maintained by the Manager pursuant to Section 5(d) below) in a safe, clean, attractive, tenantable condition, in accordance with the Operating Standard.

(c) Each Owner will be solely responsible for obtaining and paying for all utilities and services required and used on its Parcel. Notwithstanding the foregoing, subject to the provisions of Section 5(d), any such utility costs which are attributable to

the Common Maintenance Areas will be paid by the Owner of the Parcel containing such Common Maintenance Areas. With respect to utilities serving the Common Maintenance Areas on the Parcels, such utilities shall be separately sub-metered if commercially feasible.

(d) Maintenance of the Common Maintenance Areas.

(i) At all times while Declarant is owned and controlled by H. Roger Boyer, his spouse and/or lineal descendants (collectively, the “**Boyer Family**”) and/or Kem C. Gardner, his spouse and/or lineal descendants (collectively, the “**Gardner Family**”), unless otherwise agreed to in writing by Declarant, the manager (the “**Manager**”) shall be Declarant or an entity affiliated with or controlled by The Boyer Company, L.C or KC Gardner Company, L.C. If both the Boyer Family and Gardner Family are no longer a direct or indirect owner of any Parcel, then the Manager will be the owner of the largest Parcel.

(ii) Prior to Manager commencing any operation and/or maintenance duties, Manager shall obtain, and thereafter maintain while continuing to be Manager, the following insurance coverages: (A) a CGL Insurance Policy with combined single limits of at least One Million Dollars (\$1,000,000) per occurrence and Two Million Dollars (\$2,000,000) in the aggregate (which such limit will be increased on each Adjustment Date by the percentage increase in the Index (calculated by multiplying the then applicable insurance limit by a fraction, the numerator of which will be the Index for the month which is three months before the subject Adjustment Date and the denominator of which will be the Index for the month which is 63 months before such Adjustment Date)), (B) worker’s compensation insurance in accordance with applicable Law, (C) employer’s liability insurance in the amount of \$1,000,000 for each accident for bodily injury, \$1,000,000 policy limit for bodily injury by disease and \$1,000,000 each employee for bodily injury by disease, and (D) automobile liability insurance for owned, hired and non-owned automobiles with limits of liability shall not be less than \$1,000,000 combined single limit each accident for bodily injury and property damage. The costs of maintaining such insurance shall be included as Common Maintenance Area Costs (as defined below). All such insurance shall name each of the Owners as additional insureds.

(iii) Manager shall operate and maintain the Common Maintenance Areas on the Parcels in accordance with the requirements of this Declaration and in a safe, clean, attractive, tenable condition, commensurate with the Operating Standard. Each of the Owners hereby grants to Manager, its agents, contractors and employees, a license to enter upon its Parcel for the purposes of performing Manager’s duties hereunder. Manager shall expend only such funds as are reasonably necessary for the operation and maintenance of the Common Maintenance Areas on the Parcels (“**Common Maintenance Area Costs**”) and for the performance of other obligations imposed on Manager pursuant to this Declaration, and shall promptly pay all such costs when incurred. In connection with performing its obligations under the Declaration, Manager may hire or

subcontract with third persons, provided, if such Persons are affiliated with Manager, such contracts must be on terms similar to those obtained in an arm's length transaction.

(iv) Each Owner agrees to pay its proportionate share of Common Maintenance Area Costs actually incurred during each calendar year, plus a management fee payable to Manager in the amount equal to five percent (5%) of all of the Common Maintenance Area Costs (the "Management Fee"). The Management Fee shall be included in the Common Maintenance Area Costs. The portion of the Common Maintenance Area Costs which each Owner is obligated to pay shall be calculated by multiplying the Common Maintenance Area Costs by the Cost Allocation Ratio attributable to such Owner. Each Owner shall pay to Manager in equal monthly payments, in advance, on the first day of each calendar month, such Owner's share of Common Maintenance Area Costs (as calculated pursuant to this subsection) based upon the amount set forth in the approved Budget, or the Budget from the prior calendar year plus a five percent (5%) increase if the Budget for the current calendar year has not been approved in accordance with Section 5(d)(vi) below.

(v) Common Maintenance Area Costs shall not include: (A) any late charges or fees or any cost, fee, fine, penalty or similar charge arising out of or resulting from any violation of Laws by Manager or anyone else acting by, through or under Manager, relating to the Parcels; (B) any charge for electricity for Building accent lighting or architectural features, or any Building security lighting; (C) any charge for utility service to an Owner that separately pays the cost of such service upon its Parcel, including any Common Maintenance Areas thereon; (D) any costs for promotional, marketing, seasonal or holiday events of any type; (E) any costs to clean up or repair the Common Maintenance Areas on the Parcels resulting from any construction, maintenance or replacement of Owner's Building(s); (F) any costs associated with trash and/or garbage removal from an Owner's Building(s), such removal obligation being the responsibility of such Owner; (G) any costs resulting from or arising out of the repair or replacement of items covered by warranties or guaranties including, but not limited to, site improvements, signs, trees, plants or other landscaping; (H) any costs of maintaining insurance required by Section 4 of this Declaration, which costs shall remain the responsibility of the applicable Owner; (I) any Taxes which shall remain the responsibility of the applicable Owner (including but not limited to those taxes that are each respective Owner's sole responsibility under Section 5(a)(i), above); (J) Manager's profit, administrative and overhead costs (other than the Management Fee); and (K) any fee or charge relating to the management and/or supervision of the operation of the Common Maintenance Area on the Parcels, or any part thereof, paid to a third party, commercial management company or similar provider (unless such party is designated as the Manager hereunder, in which case such party shall be entitled to the Management Fee).

(vi) No later than sixty (60) days prior to the commencement of a calendar year, Manager shall provide each of the Approving Parties an estimated

budget for the next succeeding calendar year (the "**Budget**"). If an Approving Party believes the charge for a particular line item in the Budget is excessive, such Approving Party shall notify Manager of such belief, and thereupon Manager shall obtain no fewer than two (2) competitive bids for such function. Unless the existing provider's cost is lower, the lowest acceptable bidder shall be utilized as soon as the contract with the existing provider can be terminated without penalty. Notwithstanding the foregoing, Manager shall not be required to accept a low bid pursuant to this subsection if Manager has a commercially reasonable basis for not accepting it. The Budget shall reasonably identify each of the categories of Common Maintenance Area Costs to be incurred by Manager.

(vii) If an Approving Party disapproves of the proposed Budget, such Approving Party shall give written notice to Manager within thirty (30) days of Manager's delivery of such Budget (the "**Budget Objection Notice**"), which Budget Objection Notice shall include a reasonably detailed description of what changes, if made, would result in the such Approving Party approving the proposed Budget. If a Budget Objection Notice is not received from Approving Parties who the Required Approving Parties, within such thirty (30) day period, the Budget shall be deemed approved. If the Budget Objection Notice is delivered by the Required Approving Parties within such thirty (30) day period, Manager shall revise the Budget and resubmit the Budget to the Approving Parties for their approval in accordance with the procedure set forth above. If a Budget for the next calendar year is not approved by December 15th of a calendar year, until the approval of the Budget for such next calendar year the Budget from the prior calendar year shall be used, plus an increase of five percent (5%) for each line item. In the event the Approving Parties and Manager cannot agree on a Budget, a Deadlock shall be deemed to exist, which Deadlock shall be resolved in accordance with Section 17 hereof.

(viii) Manager shall operate and maintain the Common Maintenance Areas on the Parcels in accordance with the Operating Standard. Manager shall have the right to make emergency repairs to the Common Maintenance Area on the Parcels to prevent injury or damage to Persons or property, it being understood that Manager shall nevertheless advise the Owners of such emergency condition as soon as reasonably possible, including the corrective measures taken and the cost thereof. If the cost of the emergency action exceeds \$5,000.00 (which amount shall be adjusted on each Adjustment Date calculated by multiplying the then applicable amount by a fraction, the numerator of which will be the Index for the month which is three months before the subject Adjustment Date and the denominator of which will be the Index for the month which is 63 months before such Adjustment Date), then Manager shall submit a supplemental billing to each Owner, together with evidence supporting such cost, and each Owner shall pay its share thereof (calculated in accordance with subsection 5(d)(iv) above) within thirty (30) days after receipt of such billing. If the cost limitation set forth above is not exceeded then such costs shall be included as part of Common Maintenance Area Costs for that year.

(ix) Within one hundred twenty (120) days after each calendar year, Manager shall furnish each Owner with a written reconciliation statement comparing the actual Common Maintenance Area Costs paid by Manager during the previous calendar year against the amounts paid by such Owner during the previous calendar year. If the annual reconciliation statement indicates that Common Maintenance Area Costs paid by an Owner for any year exceeded the actual Common Maintenance Area Costs owing by an Owner during such year, Manager shall promptly pay the amount of such excess to each applicable Owner. If the annual reconciliation statement indicates that Common Maintenance Area Costs paid by an Owner for any year is less than the actual Common Maintenance Area Costs owing by such Owner for such calendar year, each such Owner shall pay to Manager any such deficiency within thirty (30) days of such Owner's receipt of such reconciliation statement.

(x) For a period of two (2) years after the date of receipt of a reconciliation statement, each Owner shall have the right to audit Manager's books and records pertaining to the operation and maintenance of the Common Maintenance Area on the Parcels for the calendar year covered by such reconciliation statement. An Owner shall notify Manager of such Owner's intent to audit at least fifteen (15) days prior to the designated audit date. If such audit shall disclose any error in the determination of Common Maintenance Area Costs, or any allocation thereof to a particular Owner, the auditing Owner shall provide Manager with a copy of the audit, and an appropriate adjustment shall be made forthwith. The cost of any audit shall be assumed by the auditing Owner unless such Owner shall be entitled to a refund in excess of five percent (5%) of the amount calculated by Manager as such Owner's share for the applicable calendar year, in which case Manager shall pay the cost of such audit. If Manager disputes such audit, Manager and the auditing Owner shall work in good faith to resolve such dispute. If such dispute shall not have been settled by agreement, the parties to the dispute shall submit the dispute to arbitration within ninety (90) days after the delivery of the results of the audit. Pending the determination of such dispute by agreement or arbitration as aforesaid, each Owner shall continue to pay Common Maintenance Area Costs in accordance with Manager's statement, and such payment shall be without prejudice to such Owner position. If the dispute shall be determined in an Owner's favor, Manager shall, within thirty (30) days of issuance of the arbitration decision, refund to the Owner the amount of any overpayment. Manager agrees to grant each Owner reasonable access to Manager's books and records for the purpose of verifying the Common Maintenance Area Costs.

(xi) If not paid when due, the amounts payable under this Section 5(d) and any other amounts payable to the Manager under this Declaration may be secured by a lien against the delinquent Owner's Parcel. Such lien shall be evidenced by a notice of lien recorded by the Manager in the official records of Utah County, Utah. A copy of such notice of lien shall be given to the delinquent Owner and any Mortgagee holding a Mortgage covering such Owner's Parcel within ten (10) days following recordation. Such notice of lien shall set forth the unpaid amount, the date such amount was due, the name of such Owner and a

description of the Parcel subject to such lien, and shall be signed and acknowledged by the Manager. Any such lien may be foreclosed in the same manner as is provided under applicable law for the foreclosure of mortgages covering real property, and shall be subject and subordinate to (a) each Mortgage of record, (b) this Declaration, (c) each (recorded or unrecorded) utility right-of-way and easement existing at the time such notice of lien is recorded, (d) the interests of each tenant under each lease (whether recorded or unrecorded) existing at the time such notice of lien is recorded, and (e) the lien for general taxes and other governmental assessments, but shall be prior and superior to all other interests, whether recorded or unrecorded at the time such notice of lien is recorded.

(xii) The provisions of this Section 5(d) are for the benefit of the Owners only, and no other Person shall be entitled to enforce the provisions of this Section 5(d) against the Owners.

6. Casualty.

(a) If any Building or Related Improvement situated on a Parcel is damaged or destroyed by any casualty, the Owner upon whose Parcel such Building or Related Improvement is situated will promptly (i) repair and/or reconstruct such Building or Related Improvement and also promptly remove debris and keep the affected portions of the Parcel neat, orderly and well maintained and covered during such repair or reconstruction; or (ii) promptly demolish the Building or Related Improvement and remove the debris and keep the Parcel (including the demolition area) neat, orderly and well maintained.

(b) Upon any damage or destruction to the Common Maintenance Area on a Parcel, the Manager will, at the cost and expense of the Owners (in accordance with the Cost Allocation Ratio), promptly after the occurrence of the event of damage or destruction, restore, repair or rebuild such damaged or destroyed Common Maintenance Areas to at least the same condition they existed in prior to such damage or destruction. If such repair and restoration work requires material changes to the Common Maintenance Areas, the plans or specifications for such work will be subject to the prior written approval of Owners in accordance with Section 3(d). All repair work will, unless otherwise agreed by the Owners, be contracted with independent third parties on a competitive bidding basis. Each Owner will reimburse the Manager for the actual out-of-pocket costs incurred in performing such repairs (together with a management fee equal to five percent (5%) of the construction costs payable to Manager), within ten (10) business days of Manager's written demand, which written demand will include supporting invoices.

7. Condemnation.

(a) In the event of condemnation (or sale under threat of condemnation) by any duly constituted authority for a public or quasi-public use of all or any part of a Parcel which are not Common Maintenance Areas, that portion of the award attributable to the value of the interest in the Parcel so taken will be payable to the Owner of such

Parcel and no claim thereon will be made by any other Owner; provided, however, that the other Owners may file collateral claims with the condemning authority over and above the value of the interest to be taken, provided no such collateral claim will reduce the award to the Owner of the condemned Parcel; provided further, however, that the Owner of any portion of a Parcel to be taken will promptly repair and restore the remaining portion of the Parcel owned by such Owner as nearly as practicable to its condition immediately prior to the condemnation without contribution from any other Owner.

(b) In the event of condemnation (or sale under threat of condemnation) by any duly constituted authority for a public or quasi-public use of all or any part of the Common Maintenance Areas, the award shall be applied first to the repair and restoration of the Common Maintenance Areas. The Common Maintenance Areas shall be repaired and restored by the Manager at the cost and expense of the Owners (in accordance with the Cost Allocation Ratio) as nearly as possible to the same condition they existed in, and having the same use and utility that existed, prior to such condemnation. If the award is insufficient to repair the Common Maintenance Areas, each of the Owners shall be responsible for the excess costs. If such repair and restoration work requires material changes to the Common Maintenance Areas, the plans or specifications for such work will be subject to the prior written approval of Owners in accordance with Section 3(d). All repair work will, unless otherwise agreed by the Owners, be contracted with independent third parties on a competitive bidding basis. Each Owner will reimburse the Manager for the actual out-of-pocket costs incurred in performing such repairs (together with a management fee equal to five percent (5%) of the construction costs payable to Manager), within ten (10) business days of Manager's written demand, which written demand will include supporting invoices. If the award exceeds the costs of completing the repair and restoration of the Common Maintenance Areas, the remaining award shall be allocated among the Owners in accordance with the loss suffered by each.

8. No Interference. Except to the extent necessary (on a temporary basis) for reasonable construction, for repair and maintenance, for traffic regulation and control or to prevent a public dedication or the accrual of any rights to the public, no fence, gate, wall, barricade or other obstruction, whether temporary or permanent in nature, which limits or impairs the free and unimpeded use of the rights-of-way and easements granted in this Declaration shall be constructed or erected, nor shall any Owner in any other manner obstruct or interfere with the use of such rights-of-way and easements.

9. Restrictive Uses.

(a) No Parcel shall be used for a Prohibited Use.

(b) So long as the Owner of the Credit Union Parcel has commenced the operation of a credit union or bank within three (3) years of the date hereof, and so long as the Owner of the Credit Union Parcel has not ceased operating a bank of credit union on the Credit Union Parcel for a period in excess of six (6) months (except a result of a casualty or condemnation or a major building remodel, so long such Owner has commenced and is diligently seeking to mitigate such casualty or condemnation and/or

completing such remodel), no portion of Parcels 101 and 102 shall be used for a bank, credit union, or automated teller machine (the “**Exclusive Use Restriction**”) provided the Exclusive Use Restriction shall not apply to services provided by tenants or other users of such Parcels which are incidental to a retail business (other than as a bank or credit union) such as additional cash back to a customer following a retail transaction or check cashing.

(c) So long as the Boyer Family or Gardner Family own, directly or indirectly, any interest in a Parcel, no portion of the Credit Union Parcel will be used for any use other than a bank or credit union unless such Owner has first obtained the consent of the Declarant, which consent shall not be unreasonably withheld, conditioned or delayed so long as such use does not violate an exclusive use otherwise granted by Declarant or its affiliates to the Owner of another Parcel or to an Occupant of a Parcel.

(d) So long as (i) the Expansion Area has become subject to the provisions of this Agreement, (ii) if the Occupant of Parcel 104 is a lessee (and not an Owner) of such Parcel, such lease is in full force and effect, and (iii) the Occupant of Parcel 104 (as shown on Exhibit “C”) has commenced operation of a Wendy’s franchised restaurant within 3 years of the date hereof, and following such opening has not closed for more than 360 consecutive days (other than due to casualty, condemnation, Force Majeure or renovations), no portions of Parcels 105, 106, 107, or 108 as shown on Exhibit “C” (the “**Restricted Area**”) may be used or operated as a quick-service restaurant business or operation (which term “quick-service restaurant business,” shall include without limitation each and any quick-casual restaurant business or operation) where twenty-five percent (25%) or more of its gross sales, on an annual basis, (exclusive of tax or beverage sales) consist of hamburgers, ground meat or meat substitute, or a combination of ground meat and meat substitute (or any combination thereof) (a “**Competing Restaurant**”). A Competing Restaurant shall also mean any restaurant operated under any of the following trade names or any successor trade name thereto: Arby's, Big Boy, Bresslers, Burger Chef, Burger King, Carl's Jr., Carrow's, Checker's, Culver's, Five Guys Burgers and Fries, Fuddrucker's, Hardee's, In and Out Burgers, Jack-in-the-Box, Krystal, McDonald's, Smashburger, Sonic, Steak `n Shake, Whataburger, and White Castle. In addition to the foregoing, so long as the foregoing conditions specified in clauses (i) through and including (iii) of this subsection (d) above have been satisfied, no more than one (1) single tenant freestanding operator of a chicken concept selling chicken sandwiches/nuggets may be permitted within the Shopping Center. As used in this Section, “**Force Majeure**” means any strike, lockout, labor trouble (whether legal or illegal), an unforeseen inability to procure necessary materials, civil disorder, restrictive governmental laws mandates or regulations, riots, insurrections, war, accidents, casualties, acts of nature, pandemics (including but not limited to COVID-19), acts caused directly or indirectly by a third party (or such party’s agent, employees or invitees) or any other cause beyond its control.

10. Design Review.

(a) So long as the Boyer Family or Gardner Family own, directly or indirectly, any interest in a Parcel, no Building or Related Improvements may be

constructed, erected, or installed on a Parcel without the approval of the Declarant, which shall not be unreasonably withheld, conditioned, or delayed. Approval will also be required to repaint the exterior of a Building or Related Improvements in accordance with the originally approved color scheme or to rebuild a Building or Related Improvements in accordance with originally approved Plans and Specifications (defined below). Any Owner may remodel, paint, or redecorate the interior of its Building or Related Improvements without approval by the Declarant; provided, however, modifications to the exterior of a Building or Related Improvements will be subject to Declarant's approval in accordance with this Section 10.

(b) If the consent of Declarant is required pursuant to Section 10(a) above, any Owner seeking to construct a Building or Related Improvements must submit Plans and Specifications (as defined below) to the Declarant for review. The required materials will include plans and specifications showing site layout, structural design, exterior elevations, exterior materials and colors, landscaping, drainage, exterior lighting, irrigation, and other features of the proposed Building or Related Improvements, as applicable (collectively, the "**Plans and Specifications**"). Declarant may require the submission of such additional information as may be reasonably necessary to consider any Plans and Specifications. Declarant may also waive any requirements set forth in this Section 10.

(c) Declarant will review Plans and Specifications for compliance with this Declaration and to determine whether (i) the proposed improvements are consistent with the architectural character of the retail center of which the Parcels are a part, considering the nature, shape, color, size, material, location, height, form, proportion, volume, and aesthetic quality of the proposed Building or Related Improvements; (ii) the dimensions of the Parcel can accommodate the proposed Building or Related Improvements; (iii) the proposed Building or Related Improvements harmonize with the exterior design, topography, grade, and finished ground elevations of neighboring Parcels; (iv) the proposed improvements and the contemplated uses thereof comply with applicable zoning; and (v) the landscaping, drainage, utility service systems, and lighting are adequate. Declarant will have the sole discretion to make final, conclusive, and binding determinations on matters of aesthetic judgment, and such determinations will not be subject to review so long as they are made in good faith and in accordance with the procedures set forth in this Section 10.

(d) Declarant will make a determination on each submittal within thirty (30) days after receipt of a completed Plans and Specifications and all required information. Declarant may (i) approve the Plans and Specifications, with or without conditions; (ii) approve portions of the Plans and Specifications and disapprove other portions; or (iii) disapprove the Plans and Specifications. In the case of disapproval, Declarant will specify the reasons for disapproval or offer suggestions for curing any objections. If Declarant fails to render its decision within thirty (30) days after receipt of a completed application, approval will not be required, and the Owner will be deemed to have fully complied with this Section. Declarant's approval of Plans and Specifications shall not be construed as a representation or warranty that such Plans and Specifications comply with applicable law or this Declaration.

(e) Declarant shall not be liable to any Owner, Occupant, builder, or developer for any damage, loss, or prejudice suffered or claimed because of any act or omission of Declarant.

(f) Consent by Declarant to any matter will not be deemed to be a precedent or waiver preventing Declarant from withholding consent to any similar matter. Unless otherwise specified in the approval given by Declarant, Declarant's consent to any application will automatically be revoked one year after issuance unless Owner has begun construction of the proposed Building or Related Improvements or has applied for and received an extension of time from Declarant

11. Title and Mortgage Protection.

(a) No amendment to this Declaration shall in any way affect the rights of any Mortgagee pursuant to a Mortgage that is recorded at the time of the recordation of the amendment, or the rights of any successor in interest or title to such Mortgagee, either before or after such Mortgagee or its successor enters into possession or acquires title pursuant to foreclosure, trustee's sale or any arrangement or proceeding in lieu thereof, unless such Mortgagee has consented in writing to such amendment.

(b) A breach of any of the covenants, provisions, or requirements of this Declaration shall not result in any forfeiture or reversion of title or of any other interest in a Parcel. A breach of any of the covenants, provisions, or requirements of this Declaration shall not defeat, impair or render invalid the lien of or other rights under any Mortgage. Unless and until it enters into possession or acquires title pursuant to foreclosure, trustee's sale or any arrangement or proceeding in lieu thereof, a Mortgagee shall have no obligation to take any action to comply with, and may not be compelled to take any action to comply with, any of the covenants, provisions, or requirements of this Declaration.

12. Estoppel. Manager shall, within fifteen (15) days after request from any other Owner, execute and deliver to the requesting Owner a written declaration certifying that such Owner is not in default under this Agreement or, to such Owner's knowledge, are there any defaults by any other Owner under this Agreement and that all costs and expenses due under this Agreement have been paid. Each Owner's Mortgagee and prospective purchasers shall be entitled to rely on such certification.

13. Amendment or Termination; Duration of Declaration.

(a) Subject to the provisions of Section 13(b) below, this Declaration may be amended or terminated, but only by an instrument filed for record in the office of the County Recorder of Utah County, Utah that is executed by all of the Owners of the Parcels. The term of this Declaration is perpetual regardless of any change of ownership of the Parcels or the removal, alteration or destruction, in whole or in part, of a Building or Related Improvement; this Declaration shall be and remain in force and effect until terminated pursuant to this Section.

(b) Notwithstanding anything set forth in this Declaration to the contrary, so long as the Boyer Family or Gardner Family own, directly or indirectly, any interest in a Parcel, the Declarant shall have the right, from time to time, and without the consent of any other Owner, to amend this Declaration for purposes of amending the Site Plan attached hereto and subjecting the Expansion Area to this Declaration, in either such case, by recording such amendment in the official records of Utah County, Utah; provided, however, that any such amendment to the Site Plan that would materially adversely impact any Parcel will require the approval of the Owner of such Parcel.

14. Covenants to Run with Land. This Declaration and the easements and covenants created by this Declaration are intended by the Declarant to be and shall constitute covenants running with the land as to each of the Parcels, and shall be binding upon and shall inure to the benefit of each Owner and any Person who acquires or comes to have any interest in any Parcel, and their respective grantees, transferees, lessees, heirs, devisees, personal representatives, successors, and assigns. This Declaration and all of the easements, covenants, provisions, and requirements hereof shall also inure to the benefit of each and each Person owning any interest in or occupying any portion of a Parcel. Each Owner shall comply with, and all interests in all Parcels shall be subject to, the terms of this Declaration. By acquiring, in any way coming to have an interest in, or occupying a Parcel, the Person so acquiring, coming to have such interest in, or occupying a Parcel, shall be deemed to have consented to, and shall be bound by, each and every provision of this Declaration.

15. Enforcement. In the event of a breach of any of the terms, covenants, conditions or restrictions hereof, including the payment of Taxes and assessments, by any Owner of any portion of any Parcel, and if such breach continues for a period of thirty (30) days after the defaulting Owner's receipt of a notice of such breach, or such longer period as may be reasonably required to cure such breach provided the defaulting Owner has commenced the cure of such breach with such thirty (30) day period and is diligently prosecuting the cure of such breach, not to exceed one hundred twenty (120) days, the Manager or any one or all of the Owners of the other Parcel shall be entitled forthwith and after written notice to such breaching party to perform any of the breaching party's obligations hereunder or to make any payment required hereunder, as the breaching party's attorney-in-fact, and by reason of so doing, the Owner taking such action shall not be liable or responsible for any loss or damage thereby sustained by the breaching party. All actual out of pocket, reasonable costs and expenses incurred by any Owner in performing any of the breaching Owner's obligations or in making any such payment shall be assessed against the defaulting Owner and, upon filing a notice of such assessment in the Utah County Recorder's Office, shall constitute a lien against the real property or the interest therein for which such payment or performance was made, but any such lien shall be and is hereby made subordinate to the lien of any first Mortgage covering any portion of the Parcels. The Owner of a Parcel or any portion of a Parcel shall also have the right to enforce, through any permitted proceeding at law or in equity, the terms, provisions, restrictions and requirements of this Declaration. Any failure to insist upon the strict performance of or compliance with any of the terms, provisions, covenants and requirements of this Declaration shall not result in or be construed to be an abandonment or termination of this Declaration or any waiver of the right to insist upon such performance or compliance with the terms of this Declaration in the future. If any action or proceeding is brought because of a default under, or to enforce or interpret any of the covenants, provisions, or requirements of, this Declaration the

party prevailing in such action or arbitration shall be entitled to recover from the unsuccessful party reasonable attorneys' fees (including those incurred in connection with any appeal), the amount of which shall be fixed by the court or the arbitrator and made a part of any judgment rendered. In addition to the foregoing, if a defaulting Owner shall fail to pay the Manager or another Owner amounts due by such defaulting Owner within thirty (30) days after delivery of written demand on the defaulting Owner, then: (i) a five percent (5%) late payment fee shall be added to the amount due on the thirty-first (31st) day; and (ii) the unpaid balance shall thereafter accrue interest at the rate of ten percent (10%) per annum.

16. Effective Date. This Declaration, any amendment or termination hereof, and any supplement hereto shall take effect upon its being filed for record in the office of the County Recorder of Utah County, Utah.

17. Deadlock.

(a) A deadlock shall be deemed to exist (a "**Deadlock**") if at any time a Budget is submitted for approval and the Approving Parties cannot agree on a Budget prior to January 1 of the year in which such Budget is to be effective, or a Repair budget is submitted for approval and the Approving Parties cannot agree on a Repair Budget within thirty (30) days of the date of such damage, and any Approving Party withholding such approval reasonably believes that the items sought to be changed:

(i) are impossible to perform or if performed, would result in a violation of applicable Laws; or

(ii) would unreasonably increase the cost of the work to be performed by the Approving Party withholding such approval.

(b) The Deadlock shall be resolved by mutual written agreement of the Approving Parties, or if the Approving Parties cannot agree within five (5) business days after the Deadlock first arises, any Approving Party may submit the Deadlock first to mediation and then to binding arbitration pursuant to the following procedure: any Approving Party may give written notice to the other Approving Parties of the election to submit the Deadlock to mediation (the "**Mediation Notice**"). The Approving Parties shall then seek to agree on the identification of an arbitrator. If such parties cannot agree on an arbitrator within ten (10) business days after the Deadlock first arises, any party may apply to the Chief Justice of the Third Judicial District Court in the state of Utah to appoint an arbitrator. The Deadlock shall be presented to the mediator within 30 days after the appointment of the mediator. If the Deadlock is not resolved to the mutual satisfaction of the parties during the mediation, then immediately following the conclusion of the mediation, the parties shall proceed to submit the Deadlock to binding arbitration, using an arbitrator agreed upon by the parties, or if such parties cannot agree on an arbitrator within ten (10) business days after the conclusion of the mediation, any party may apply to the Chief Justice of the Third Judicial District Court in the state of Utah to appoint an arbitrator. The arbitration shall be conducted in accordance with the following rules and procedure: The entire procedure shall be conducted and concluded within ninety (90) days following the designation of the arbitrator. Each party shall be

limited to no more than three (3) depositions of not more than five (5) hours duration each for matters less than \$500,000, but for matters more than \$500,000 the arbitration shall proceed in accordance with the American Arbitration Association's ("AAA") rules. The rules of evidence as applied in the Utah State District Courts shall generally govern, provided that the arbitrator shall have broad discretion to hear any evidence that the arbitrator deems to be trustworthy and relevant. For disputes less than \$500,000: (1) following the conclusion of the depositions, each party shall submit to the arbitrator a written hearing brief not to exceed 15 pages in length, and (2) thereafter the parties shall proceed with the arbitration hearing before the arbitrator, who shall render a final written decision on the Deadlock within ninety days following the initiation of the arbitration. In all disputes the determination of the arbitrator shall be final and binding and shall not be subject to appeal. The Approving Parties shall be responsible for the payment of its own attorneys' fees and one-half of the fee payable to the arbitrator incurred in resolving the Deadlock, notwithstanding the AAA rules; provided, however, the arbitrator shall have the authority to award to the prevailing party the right to recover from the other party the attorneys' fees and arbitration costs incurred by the prevailing party in resolving the Deadlock.

(c) If or to the extent the arbitrator agrees with the party withholding approval that the items sought to be changed meet any of the two criteria enumerated in subsection 18(a) above, then the arbitrator shall rule in favor of the withholding party.

(d) If or to the extent the arbitrator does not agree with the party withholding approval that the items sought to be changed meet any of the two criteria enumerated in subsection 17(a) above, then the arbitrator shall rule in favor of the requesting party.

18. Titles, Captions and References. All Section titles or captions in this Declaration are for convenience only, shall not be deemed part of this Declaration and in no way define, limit, extend or describe the scope or intent of any provisions of this Declaration. When this Declaration refers to a Section by number or other designation, such reference shall be deemed to be to the correspondingly numbered Section of this Declaration unless the context refers to another agreement, document or instrument.

19. Pronouns and Plurals. Whenever the contest may require, any pronoun used in this Declaration shall include the corresponding masculine, feminine or neuter forms, and the singular form of nouns, pronouns and verbs shall include the plural and vice versa.

20. Applicable Law. This Declaration shall be construed in accordance with and governed by the laws of the State of Utah, without reference to its choice of law rules.

21. Counterparts. This Declaration may be executed in any number of counterparts. Each such counterpart of this Declaration shall be deemed to be an original instrument, and all such counterparts together shall constitute but one agreement.

22. Exhibits. All exhibits annexed to this Declaration are expressly made a part of and incorporated in this Declaration as fully as though completely set forth in this Declaration.

23. Time of Essence. Time is of the essence of this Declaration.

24. No Public Dedication. Nothing contained herein shall be construed or deemed to constitute a dedication, express or implied, of any real property to or for any public use or purpose whatsoever. The provisions of this Section 24 shall not limit any dedication for a public use made on a plat or any other instrument of record. If a public dedication of any portion of a parcel is made, this Declaration shall no longer apply as to such portion of a Parcel which has been dedicated to the public.

25. Irrigation Easement. A portion of the Parcels are subject to a claim for a prescriptive easement for an irrigation line. In connection with the foregoing, Declarant has agreed to negotiate an irrigation easement (the "**Irrigation Easement**") with the owner of the real property having tax parcel ID number: 58-020-0512 (the "**Irrigation Benefitted Property**") pursuant to which (a) Declarant will, at Declarant's sole cost and expense, and not the expense of any other Owner of a Parcel, install an underground irrigation line within the Irrigation Easement Area (the "**Irrigation Improvements**"), (b) the owner of the Irrigation Benefitted Property will be responsible for the maintenance and repair of the Irrigation Improvements at such owner's sole cost and expense, and (c) at such time as the Irrigation Benefitted Property is no longer used for agricultural purposes, the Irrigation Easement will automatically terminate. In connection with the foregoing, each Owner of a Parcel on which the Irrigation Easement is located will have the right to review and approve of such Irrigation Easement (which approval will not be unreasonably withheld, conditioned or delayed) and will execute such Irrigation Easement for purposes of encumbering such Owner's Parcel with the Irrigation Easement.
