 Easement

*Equipment used to install pipeline is not to use driveway to come onto property for installation purposes.*

Grantee, in accepting this grant, agrees to abide by the following terms and conditions.

- 1. Upon completion of the installation, the land disturbed by the installation will be graded and refilled as near as may be to its existing condition.
- 2. Any and all damage done to any fences will be fully repaired and the fences will be placed in their existing condition.
- 3. Any and all damage to crops, trees and shrubbery by reason of use of said easement will be reasonably adjusted or restored to their existing condition.
- 4. The Grantors shall have a limited right to occupy and use the surface of the perpetual easement. They shall not build thereon any permanent structure or building, nor plant trees or shrubs whose root zones would contact or interfere with the pipeline. The easement may, however, be crossed or covered with sidewalks, curb and gutter, roadways, driveways, fences or similar improvements.

Dated this 17 day of September, 1959.
