AFFIDAVIT OF RYMAL J. HINTON
GOULD WASH ROAD
COUNTY ROAD NUMBER 0460
WASHINGTON COUNTY, UTAH

State of Utah)
)
) :ss
County of Washington)

RYMAL J. HINTON, being first duly sworn, deposes and states as follows:

1. I am an adult competent to testify about the matters set forth below based upon my personal knowledge. I am 56 years old. I currently reside in Hurricane, Washington County, Utah. I have lived in Washington County my entire life. I have been employed as a Deputy Sheriff for Washington County for about 28 years, and a member of the Search and Rescue Team for 37 years.

2. I have traveled and am familiar with a road in Washington County known as GOULD WASH ROAD. I am also familiar with the land the road traverses. I traveled the road with my father as early as 1960, before I could drive, for recreation and on search and rescue operations. When I first used and observed the road in 1960, it followed the same route as in 2006 when I last observed it. Attached is a Washington County map showing GOULD WASH ROAD. To the best of my knowledge and based upon my use of and familiarity with this road and the land it traverses, the location and route of the road are correctly illustrated on the attached map. The County also identifies this road according to the road number listed above.

3. I have observed that the road has been open to the public for all to use, to come and go as they pleased, since at least 1960, and continuing through 1976 to the present. Throughout this time period I have observed travel on the road by trucks, jeeps, stock trucks and other motor vehicles. Throughout this time period, the road has been used daily for more than ten continuous years prior to 1976, and it is presently used on a daily basis, weather permitting.

4. Throughout the time period from 1960 to the present, I have used the road myself for hunting, camping, hiking, sight seeing, wood gathering, government access for my job, and trapping.

5. Throughout the time period described in the previous paragraphs, I observed vehicles using the road at various times for the uses described in the previous paragraphs, plus livestock operations, commerce, mining and prospecting, recreation and tourism, and travel in and through the general areas.

6. It is also the reputation in the community that this road has been open to the public for all to use, to come and go as they pleased as early as 1900, when pioneers traveled the road, and continuing through 1976 to the present, for the uses described in the previous paragraphs.

7. Prior to 1976, I occasionally observed graders and road crews from Washington County on the road. I observed general repairs and maintenance of the road.

I observed cattle guards, berms, cuts and fills, grader marks, culverts, flood repair work,
and gated areas, where necessary.

DATED this 12 of April, 2007.

RYMAL J. HINTON

SUBSCRIBED AND SWORN to before me this 12 day of
