2.1 Ownership of Common Areas. All of the Common Areas are or will be owned by the Association as HOA Common Areas. The Common Areas shall remain private property of the Association, unless dedicated to a public authority pursuant to the provisions hereof, and nothing contained herein shall be construed as a dedication to the public of the Common Areas or any portion thereof.

2.2 Encumbrances Against Common Areas. Title to the Common Areas is or may be subject to the following encumbrances ("Existing Encumbrances "):

- (a) The lien of real property taxes and assessments;
- (b) The obligations imposed, directly or indirectly, by virtue of any statutes, law, ordinance, resolution, or regulation of the United States of America, the State of Utah, County of Washington, or any other political subdivision or public organization having jurisdiction over the Property, or by virtue of any organization or political body created pursuant to any such statute, law, ordinance, or regulation;
- (c) Any and all easements and other rights shown on the Plat Map;
- (d) All easements and other rights and obligations created by the Declaration;

(e) Any and all loans for the construction of Improvements to the Common Areas which loans shall be paid by Association as the same become due and payable; and

(f) Any other lien, encumbrance, or defect of title of any kind whatsoever (other than of the type that would at any time or from time to time create a lien upon the Common Areas to secure an obligation to pay money) that would not materially and actually prejudice Owners in their use and enjoyment of their Units and the Common Areas.

2.3 Taxes and Assessments. If, any taxes or special district or other assessments may be, in the opinion of the Association, a lien on the Community or any part thereof, then the Association shall pay the same and assess the same to the Owners responsible therefor. Each Owner shall pay the taxes or assessments assessed against their Unit, or interest therein.

2.4 Owners' Easements of Enjoyment. Except as otherwise expressly provided elsewhere in this Declaration, each Owner shall have, and the Association hereby grants to each Owner, a non-exclusive easement of use and enjoyment in, to, and throughout the Common Areas and for ingress, egress, and support over and through the Common areas. Each such easement shall be appurtenant to and pass with title to each Unit, subject to the following rights and restrictions:

2.4.1 The Association shall have the right to adopt, amend, and enforce Rules and Regulations affecting use of the Common Areas; provided, however, that such Rules and Regulations shall not be in conflict with the provisions of this Declaration.

2.5 Use of the Common Areas. Any Owner may extend their rights of use and enjoyment in the Common Areas, including any recreational facilities, to such Owner's family members, guests, and invitees, subject, however, to the provisions of this Declaration and the Rules and Regulations. If an Owner has rented all of such Owner's Unit to a tenant(s), then the Owner, such Owner's family, members, guests, and invitees shall not be entitled to use and enjoy the recreational facilities of the Common Areas while the Owner's Unit is occupied by such tenant(s). Instead, the tenant(s), while occupying such Unit, shall be entitled to use and enjoy the recreational facilities of the Common Areas and, during the period of such tenants' occupancy, such tenant(s) can extend to other persons the right of use and enjoyment in the same manner as if such tenant(s) were an Owner. Each Owner shall notify the secretary of the Association of the names of any tenants of such Owner's Unit. Each Owner or tenant also shall notify the secretary of the Association of the names of all persons to whom such Owner or tenant has extended any rights of use and enjoyment in the Common Areas and the relationship that each such person bears to the Owner or tenant. All permitted rights of use and enjoyment of the Common Areas are subject to suspension as set forth below in this Declaration. Each Owner shall at all times be responsible for any and all activities of their tenants, guest and invitees using the Common Areas. If any part of a Unit encroaches or shall hereafter encroach upon the Common Areas, or upon an adjoining Unit, an easement for such encroachment and for the maintenance of the same does and shall exist. Such encroachments shall not be considered to be encumbrances either on the Common Areas or the Units. Encroachments referred to herein include, but and not limited to, encroachments caused by initial construction, settling, rising, or shifting of the earth, or by changes in position caused by repair or reconstruction of the Community or any part thereof. Notwithstanding the foregoing, no such encroachment shall exist to the extent it is caused by the willful misconduct of the Owner of the encroaching Unit or the failure of such Unit's Owner to cause the Unit to be repaired or reconstructed after damage or destruction in accordance with approved plans and specifications.

2.8 Utility Easements. There is reserved for the benefit of each Unit easements for utility services over, under, or through such portions of the Community and other Units, where such utilities are constructed when construction of the Community is completed. In addition, Association reserves, and the Association is granted, the right to establish and convey subsequent utility easements; and each Owner in accepting a deed to a Unit, expressly consents to such easements. However, no such easement can be granted if it would interfere with the use, occupancy, or enjoyment by any Owner of their Unit or the common facilities of the Community unless approved by a vote of the membership.

2.9 Easements Deemed Created. All conveyances of Units hereafter made shall be constructed to grant and reserve such reciprocal easements as shall give effect to the provisions of this Article II even through no specific reference to such easements or to the sections pursuant to which they are created appear in any such conveyance.

2.10 Structural and Exterior Alterations. No Owner shall paint, decorate, change or add any item to any exterior of the Owner's Unit or any building or other structure in the Community without first obtaining written consent of the ARC. Prior to obtaining such consent of the ARC, it shall be the Owner's obligation to obtain any and all necessary approvals for such alterations from the appropriate governmental body exercising jurisdiction over such matter and present such approval to the ARC with their architectural application.

2.11 Association's Common Areas Easement Rights: Dedication of Common Areas.

2.11.1 Reservation of Common Areas Easements in Favor of Association. Association hereby reserves unto itself such easements over, through and under the Common Areas as may be reasonably necessary to discharge Association's obligations.

2.11.2 Reservation of Right to Grant Additional Common Areas Easements and License, and to Dedicate Common Areas. Association hereby reserves unto itself the right to grant easements and rights of way on, over, through and under the Common Areas for the purposes described below and for the benefit of the Owners, the Association, and the right to offer for dedication any portion of the Common Areas to any political subdivision, or any public or quasi-public entity or utility. Furthermore, Association reserves the right to enter into a license agreement for the benefit and use of the HOA Common Areas by the members of the Sky Mountain Homeowner's Association, Inc., which license agreement shall be on such terms as Association deems appropriate and which shall be binding upon the Association. 2.13 Access to Units. Each Owner shall have an unrestricted right of ingress and egress to their Unit. Such right of access shall be appurtenant to each such Unit; and any transfer of such Unit, of whatever kind, which does not include such right of access shall be void.

2.14 Drainage Easements. There may be drainage easements within the Property which will exist between Lots and which must be maintained free of all debris by the affected Lot Owners. In the event such drainage ways are not kept free of debris by the affected Lot Owners or are altered in a manner which impairs their functional ability, the Association shall have the right to enter upon the affected Lots for the purpose of removing such debris or removing such alteration, as applicable; and the cost of such removal shall be borne by the affected Lot Owners and shall be deemed a Special Assessment (below described) established and enforceable in accordance with the terms and provisions of Article VI of this Declaration. No Owner shall alter the grade or do any other thing which alters or disrupts the flow of water through said drainage channels in the manner originally established by Declarant.

2.15 Easements for Repair, Maintenance, and Emergencies. Copies of such decision shall be mailed to all persons who filed an Owner Complaint. The decision of the Board shall be conclusive as to whether or not a Maintenance Violation in fact exists. The notice period within which a Maintenance Violation must be cured shall be tolled from the date of filing such objection until the date the Board notifies the Owner in Writing of its decision.

Such Owner shall have the right to approve the bid by notifying the Board in writing within fourteen (14) days after the bid is mailed by the Board to the Owner. In the event the Owner fails to approve the bid within such time period, the Board shall approve the bid and commence work. If an emergency exists, the Association may commence work to correct the Maintenance Violation immediately without notice and without obtaining a written bid.

3.21.2 Special Assessment. When the bid has been approved or when an emergency exists, the Board shall levy a Special Assessment pursuant to Article VI hereof against the Owner to the Lot on which a Maintenance Violation exists to pay for the cost of correcting the Maintenance Violation.

The Board shall have the duty to cause the corrective work to be commenced promptly after the Special Assessment has been levied against the defaulting Owner; provided, however, that if the cost of such corrective work exceeds two (2) times the amount of the periodic installment of the Annual Assessment against one Lot for the fiscal year in which the Maintenance Violation is required to be corrected, then the Association may, in the sole discretion of the Board, elect to levy a Special Assessment against the defaulting Owner prior to performing the corrective work, and perform such corrective work when the Special Assessment is paid in full. The cost of reasonable repair and maintenance of party walls shall be shared by the Owners who use such wall in proportion to such use (e.g., if the party wall is the boundary between two Owners, then each such Owner shall bear half of such cost). If a party wall is destroyed or damaged by fire or other casualty, any Owner whose Lot has use of the wall may restore it, and any other Owner whose Lot makes use of the wall shall contribute to the cost of restoration thereof in proportion to such use. Notwithstanding any provision of this Section 3.18, an Owner who by their negligent or willful act causes a party wall to be exposed to the elements shall bear the entire cost of furnishing the necessary protection against such elements. determined that such violation exists, the Board may impose a Violation Assessment against such Owner in the Manner provided in Section 6.5 hereof to collect any fine which remains unpaid for a period of ten (10) days or more. Before invoking any such suspension or fine, the Board shall give such Owner or other person notice and opportunity to be heard with respect to such violation, which notice shall provide not less than ten (10) days prior written notice of such hearing and reasonable detail with respect to the matter of which complaint is being made. The Association does not have the power or authority to cause a forfeiture or abridgment of an Owner's right to the full use and enjoyment of such Owner's Unit if the Owner does not comply with provisions of this Declaration or of the Articles, the bylaws, or the Rules and Regulations, except when the loss or forfeiture is the result of a court judgment, arbitration decision, or a foreclosure or sale under a power of sale based on failure of the Owner to pay assessments levied by the Association.

ARTICLE VI

ASSESSMENTS

6.1 Agreement to Pay. Each Owner for each Lot owned by such Owner hereby covenants and agrees to pay to the Association such Assessments as are made pursuant to paragraphs 6.4, 6.5 and 6.6 of this Declaration.

6.2 Personal Obligations. Each Assessment or installment thereof, together with any late charges, interest, collection costs, and reasonable attorney fees, shall be the personal obligation of the person or entity who is the Owner of the Unit at the time such Assessment (or installment) became due and payable. If more than one person or entity is the Owner of the Unit, the personal obligation to pay such Assessment (or installment) respecting such Unit shall be both joint and several. Subject to the provisions of paragraph 9.3 hereof, a purchaser of a Unit shall be jointly and severally liable with the seller for all unpaid Assessments against the Unit, up to the time of the grant or conveyance, without prejudice to the purchaser's right to recover from the seller the amount paid by the purchaser for such Assessments. Suit to recover a money judgment for such personal obligation shall be maintainable by the Association without foreclosure or waiver of the lien securing the same. No Owner may avoid or diminish such personal obligation by non-use or abandonment of their Unit.

6.3 Purpose and Amount of Assessments. The Assessments levied by the Association shall be the amount estimated to be required, and shall be used exclusively, to promote the health, safety, and welfare of the Members of the Association, for the performance of the duties of the Association as set forth in this Declaration, and for the repair, maintenance and upkeep of the Common Areas and any other Association Property.

6.4 Annual Assessments.

6.4.1 Definitions. As used herein, "Annual Assessment" shall mean the amount of the Association budget (Budget") for each fiscal year to pay the Common Expenses (defined below) as established pursuant to the provisions of this Article. As used herein, "Common Expenses" means the expenditures made by the Association in the performance of its obligations hereunder, and the financial liabilities of the Association during the applicable fiscal year, including an allocation to reserves, and shall include, but are not limited to, expenditures for the following purposes: (i) to operate, manage, maintain and repair the Common Areas and other Association Property, and to administer the operation of the Association; (ii) to provide for reasonable reserves consistent with sound business practice for the repair and replacement of Improvements to the Common Areas and any Association Property, and for such other purposes as are consistent with good business practice; and (iii) to provide for the possibility that some Assessments may not be paid on a current basis. Without limiting the generality of the foregoing, Common Expenses shall include all charges, costs, and expenses whatsoever incurred by the Association for or in connection with Association administration, including, but not limited to, the maintenance of the Common Areas; any taxes and assessments assessed against Association Property, any taxes

assessed against the Association itself, insurance premiums, including fire and other casualty insurance, liability insurance, workers compensation insurance, and other insurance obtained pursuant to this Declaration; payment of any liability of the Association whatsoever for loss or damage arising out of or in connection with the Common Areas or any fire, accident, or nuisance occurring with the Common Areas; the cost of repair, rebuilding and replacement of the Improvements to the Common Areas; the unpaid share of any Assessment levied during the previous fiscal year against any Owner who has defaulted in payment thereafter the extent that the same becomes uncollectible; accounting and legal fees, management fees, and cleaning, janitorial and lawn care fees, and other necessary expenses of upkeep, maintenance, management and operation incurred with respect to the Common Areas and the Improvements thereon.

6.4.2 Allocation of Annual Assessments. The Annual Assessments shall be allocated equally among the Units on the date the Annual Assessment for the applicable fiscal year is deemed approved.

6.4.3 Procedure for Establishing Annual Assessments. Not less than ninety (90) days before the beginning of each fiscal year of the Association, the Board shall meet for the purpose of preparing the Proposed budget of the Common Expenses (defined below) for the next succeeding fiscal year and establishing the Annual Assessment for such fiscal year. Within thirty (30) days after adoption of the proposed Budget by the Board for such fiscal year, the Board shall provide a summary of the Budget to all Owners, and shall set a date for a meeting of the Owners to consider ratification of the Budget, which date shall be not less than fourteen (14) nor more than thirty (30) days after mailing of the summary. The Board shall be authorized to adopt the annual budget, thus establishing the regular assessment payable by the Owners, unless the percentage increase in the regular assessment over the pervious year's regular assessment exceeds an increase of fifteen percent (15%) over the previous year's assessment. If the proposed budget would require an increase in the regular assessment greater than fifteen percent (15%) over the prior year's assessment, at that meeting the budget must be affirmatively approved by at least a simple majority (50%+) of the owners voting. They may be present to vote, vote by mail, or vote via verifiable electronic means. If the proposed Budget is so rejected or not approved, as applicable, the Budget last ratified by the Owners shall be continued until such time as the Owners ratify a subsequent Budget proposed by the Board.

6.5 Special Assessments. If the Board determines that the estimated total amount of funds necessary to defray the Common Expenses for a given fiscal year is or will become inadequate to meet the Common Expenses for any reason, including, but not limited to, delinquencies in the payment of Assessments, or in the event the Association has insufficient reserves to perform its obligation under this Declaration, then the Board shall determine the approximate amount of such shortfall, shall provide a summary thereof to all of the Owners with the Board's recommendation for a special assessment ("Special Assessment") to meet such shortfall, and shall set a date for a meeting of the Owners which is not less than fourteen (14) nor more than thirty (30) days after the mailing of the summary and a ballot. Owners may vote by mail, verifiable electronic means or may vote in person. At that meeting, the proposed Special Assessment shall be deemed ratified by the Owners provided 50%+ of the owners voting consent to the special assessment, whether or not a quorum is present at such meeting, and shall become a Special Assessment against, and allocated equally to, the Owners of the Lots. The Board may, in its discretion, provide for payment of any Special Assessment in any number of installments or provide that it is payable in one (1) installment within such time period as the Board Deems reasonable. All Special Assessments shall be allocated in the manner set forth in subparagraph 6.4.2.

6.6 Violation Assessments. The Board shall levy a violation assessment against the Owners of a Unit ("Violation Assessment"): (i) to pay for the cost of curing any maintenance violation of such Owners and/or any other work performed by the Association for such Owners' account pursuant to the provisions of this Declaration, and any costs or expenses incident thereto, including but not limited to attorneys' fees and court costs, and (ii) to collect liquidated damages and fines levied by the Association pursuant to the terms of this Declaration and any and all attorneys' fees and court costs.

6.7 Capital Improvement Assessments.

6.7.1 Association's Power to Levy; Definition. The Association shall have the power to levy assessments for Capital Improvements ("Capital Improvements Assessments") on the terms and conditions set forth below. As used herein "Capital Improvement" means (i) any Improvement upon the Common Areas which is not a repair or replacement of an existing Improvement, or (ii) any expenditure relating to the Common Areas which is outside the ordinary course of business of the Association.

6.7.2 Petition; Association Approval.

(a) Owners of not less than twenty-five percent (25%) of the Lots comprising the Community from time to time may petition the Association for the construction, installation, or acquisition of, or expenditure for, a Capital Improvement. Such petition shall be in writing and be in such form and shall contain such information as the Board may reasonably require. The Board may, on its own motion, move for the construction, installation, or acquisition of, or expenditure for, a Capital Improvement.

(b) Upon receipt of a petition for a proposed Capital Improvement or if the Board desires to propose a Capital Improvement, the Board shall obtain three (3) estimates from licensed contractors for the construction of the Capital Improvements.

(c) The Board shall submit the Capital Improvement proposal to the Members at the annual meeting or a special meeting called for such purpose. The Capital Improvement Assessment shall be deemed approved upon the affirmative vote 67% of owners that cast a vote once a quorum has been established.

6.7.3 Levy of Capital Improvements Assessments. Capital Improvements Assessments shall be levied in equal proportions against the Owners of all of the Lots. The Owner of each Lot shall be assessed a fractional portion of such Assessment, the numerator of which fraction shall be one and the denominator of which shall be the sum of the number of Lots within the Property of the date such Assessment is levied. A Capital Improvement Assessment shall be paid in such installments and during such period or periods as shall be voted upon by the Members at the time such Assessment is approved. If no terms of payment are specified by such vote of the Membership, then the Capital Improvement Assessment shall be due and payable upon terms set by the Board.

6.7.4 Expenditure for Capital improvement. After the levy of the Capital Improvement Assessment and the collection of the entire Capital Improvement Assessment, or a sufficient portion thereof as, the Board deems prudent, then the Board shall cause the Capital Improvement to be constructed, installed, or acquired, or shall contract for the extraordinary expenditure constituting the Capital Improvement.

6.7.5 Deficiency in Capital Improvements Assessment. If at any time and from time to time a Capital Improvement Assessment proves or appears likely to be inadequate for any reason, including nonpayment of any Owner's share thereof, the Board may, subject to the limitations set forth in this paragraph 6.5, levy a further Capital Improvement Assessment in the amount of such actual or estimated inadequacy, which shall be assessed to the Owners of all of the Lots within the Subject Property and any Annexed Property in the ratios defined in paragraph 6.7.3 hereof. If an additional assessment is needed for the original Capital Improvement the additional assessment shall be deemed approved upon the affirmative vote of 67% of owners that cast a vote once a quorum has been established.

6.8 Rate of Assessment. Except as otherwise specifically provided in this Declaration, all Assessments levied by the Association must be fixed at an equal rate for all Units; and the amount assessed to each Unit shall be determined by dividing the total amount assessed by the total number of Units then within the Community and subject to assessment.

6.9 Assessment Period. The Annual Assessment period shall coincide with the fiscal year of the Association, which shall commence of January 1 of each year and shall terminate on December 31 of such year.

6.10 Notices of Assessment; Delinquencies. Any Assessment installment hereunder which is not paid within fifteen (15) days following the date it is due shall be deemed delinquent. All delinquent Assessments shall bear interest at the rate of twelve percent (12%) per annum from the date the Assessment becomes delinquent hereunder until paid, and, in addition, a late charge of \$20.00 shall be due for each delinquent installment. The Association shall give written notice of all Assessments to the Owners of the Units, which notice shall specify the amount of the Assessment and the date or dates payment of the same is due and shall be given in the manner provided for notices in this Declaration. Notice of a Violation Assessment is required to be sent only to the Owners of the Unit against whom the Violation Assessment is made. One notice of an Assessment shall be sufficient to meet the requirements of this paragraph, even though the Assessment may be payable in installments. Failure of the Association to give notice of any Assessment shall not affect the liability of the Owner of the Unit for such Assessment; provided, however, that the date when payment of the first installation of such Assessment shall become due in such a case shall be deferred to a date fifteen (15) days after such notice shall have been given, and the first installment of such Assessment shall not be deemed delinquent until fifteen (15) days after such deferred due date. If the delinquent installments of Common Assessments and any charges thereon are delinquent for more than 60 days from the date such installment first came due, the Board, or its authorized agent, may declare all of the unpaid balance of the annual Common Assessment to be immediately due and payable without further demand and may enforce the collection of the full Common Assessment and all charges thereon in any manner authorized by law and this Declaration. If, however, the Common Assessment is accelerated and an Owner subsequently files bankruptcy or the Board otherwise decides acceleration is not in the Association's best interest, the Board, at its option and in its sole discretion, may elect to decelerate the obligation.

6.11 Statement of Account. Upon payment of a reasonable fee, not to exceed Twenty-Five Dollars (\$25.00), and upon written request of any Owner or any mortgagee, prospective mortgagee, or prospective purchaser of an Unit, the Association shall issue a written statement setting forth the amount of the unpaid assessments, if any, with respect to such Unit, the amount of the current periodic assessment, and the date that such assessment becomes or became due, and if there is any credit for advance payments. Such statement shall be conclusive upon the Association in favor of persons who rely thereon in good faith.

6.12 Collection of Assessments. The right to collect and enforce Assessments is vested in the Board acting for and on behalf of the Association. The Board or its authorized representative can enforce the obligations of the Owners to pay Assessments provided for in this Declaration by commencement and maintenance of a suit at law or in equity; or the Board may enforce by judicial proceedings or, to the extent permitted by applicable law, through the exercise of the power of sale granted to the Board pursuant to applicable statutes and laws, and this Declaration. Suit to recover a money judgment against an Owner for unpaid assessments together with all other amounts due hereunder shall be maintainable without first foreclosing against the Unit which is subject to the lien for such assessment or waiving the lien rights granted hereby.

6.13 Assignment of Rents. Any Owner who leases their Lot and becomes more than 60 days delinquent in the payment of Assessments levied hereunder does hereby presently assign to the Association, absolutely and regardless of possession of the Lot, may demand that the tenant pay to the Association all future lease payments due to the Owner until the amount due to the Association is paid. The Association must notify in writing the owner and the Tenant and act in accordance with the Utah Code annotated 57-8a-205.

6.14 Lien for Assessments; Priority. All sums assessed to any Unit pursuant to this Declaration, and all fines imposed by the Association against the Owner of a Unit, together with interest thereon as provided herein, shall be secured by a lien on such Unit in favor of the Association from the date the Assessment or fine becomes due. If an Assessment or fine is payable in installments, the full amount of the Assessment or fine is a lien from the time the first installment thereof becomes due. Such lien shall be prior to all other liens and encumbrances on such Unit, except for (a) valid tax and special assessment liens in favor of any governmental assessing authority; (b) liens and encumbrances recorded before the recordation of this Declaration; and (c) a First Deed of Trust recorded before the date on which the Assessment or fine sought to be enforced became delinquent.

6.15 Enforcement of Lien.

6.15.1 Trust Deed for Assessments. By acceptance of a deed for a Lot, each Owner as Trustor, conveys and warrants to Trustee in trust for the Association as Beneficiary, with power of sale, the Owner's Lot and all improvements thereon for the purpose of securing payment of all assessments (including basis of collection) provided for in this Declaration. For purposes of this Section and Utah Code Ann. §§ 57-1-19, et seq., as amended from time to time, the Trustee shall mean the attorney for the Association and the Association may provide notice and disclosure of a substitution of Trustee by recording a "Substitution of Trustee" in the records of the County Recorder. Each Owner hereby also grants to the Association and Trustee, all powers and rights of non-judicial trust deed foreclosure provided for in Utah Code Ann. §§ 57-1-19, et seq.

6.15.2 Notice of Delinquent Assessments and Notice of Default. The Association may foreclose its lien by sale pursuant to a non-judicial trust deed foreclosure according to Utah law after:

(a) The Association has caused to be recorded with the Washington County Recorder or the county in which the Property or any part thereof is situated ("the County Recorder") a notice of delinquent assessment (herein "Notice of Delinquent Assessment"), which states the amount of the Assessments or fines which are due together with all interest and late charges thereon in accordance with the provisions of this Declaration, a description of the Unit against which the lien is imposed, and the name of the record Owner of the Unit; and

(b) The Association or other person conducting the sale has executed and caused to be recorded with the County Recorder, a notice of default and election to sell the Unit to satisfy the lien ("Notice of Default"), which shall contain the same information as the Notice of Delinquent Assessment, but which shall also describe the deficiency in payment and the name and address of the person authorized by the Association to enforce the lien by sale; and

(c) The Owner of the Unit or his successor in interest has failed to pay the amount of the lien, including interest and late charges, and costs, fees and expenses incident to its enforcement for a period of sixty (60) days which commences on the first day following the later of:

(i) the day on which the Notice of Default is so recorded; and

(ii) The day on which a copy of the Notice of Default is mailed by certified or registered mail, return receipt requested, to the Owner of the Unit or his successor in interest at his address if known, or otherwise to the address of the Unit.

6.15.3 Notice of Sale. The Association or other person conducting the sale shall, at any time after the expiration of such sixty (60) days period and before selling the Unit, give notice of

the time and place of the sale ("Notice of Sale") in the manner and for a time not less than that required by law for the sale of real property upon execution, except that a copy of the Notice of Sale must be mailed, on or before the date of first publication or posting, by certified or registered mail, return receipt requested, to the Owner of the Unit or his successor in interest at his address if known, or otherwise to the address of the Unit. Such sale shall be conducted in any manner permitted by law. Each Owner who is liable for payment of the Assessment shall be required to pay the costs and expenses of such foreclosure proceeding including, but not limited to, the cost of preparation of all notices (whether or not such notice has been given to the Owner at the time payment is made), reasonable attorney fees, and title insurance costs.

All such costs and expenses of the foreclosure shall be secured by the lien being foreclosed. Each Owner who is liable for payment of the Assessment shall be required to pay to the Association any and all Assessments against such Owner which shall become due during the period of foreclosure. The Association shall have the right and power to bid at the foreclosure sale or other legal sale and to acquire, hold, convey, lease, rent, encumber, use, and otherwise deal with the Unit. The Association shall be entitled to bid on credit up to and including the amount secured by the lien being foreclosed.

A further notice stating the satisfaction and release of any such lien shall be executed by the Association and recorded in Washington County, Utah, upon payment of all sums secured by such lien.

Any encumbrancer holding a lien on a Unit may, but shall not be required to, pay any amounts secured by a lien for unpaid assessments, and upon such payment, such encumbrancer shall be subrogated to all rights of the Association with respect to such lien, including rights of priority.

In the case of foreclosure, the owner shall pay a reasonable rental for the unit, and the plaintiff in the foreclosure action may require the appointment of a receiver to collect the rental without regard to the value of the mortgage security.

6.16 Reserve Funds. The Association shall establish and maintain an adequate reserve fund for maintenance, replacement or enhancement of Improvements to the Common Area and Limited Common Elements that it is obligated to maintain. The amount of the replacement fund shall be determined by the Board of Trustees and shall be maintained out of regular assessments for common expenses. The Board shall periodically obtain reserve studies and updates to assist the Board in determining an appropriate amount for repair and replacement reserves for the Association; provided, however: (1) the results of any such studies and reports shall be advisory only and the Board shall have the right to provide for reserves which are greater or less than those shown in the study; and (2) in establishing replacement and repair reserves for the Association, the Board may take into account the past incidences of required repairs at the Association. The funds established in the reserve fund shall be allocated for asset management only and shall not be utilized for shortfalls in the operating budget.

6.17 Surplus Funds. Any surplus funds of the Association remaining after payment of or provision for Common Expenses and any prepayment of reserves may be credited to the Owners to reduce their future assessments for Common Expenses or may be carried over to the following fiscal year to meet budget requirements at the discretion of the Board.

In the event of damage done to any Unit as a direct result of another Owner, and said damage is not repaired by that Owner, the Association shall have the right to perform the work and assess the Owner causing the damage.

ARTICLE VIII

ARCHITECTURAL CONTROL; DEVELOPMENT STANDARDS

8A. Architectural Control.

8A.1 Architectural Review Committee. There shall be an "Architectural Review Committee" (sometimes hereinafter "ARC") consisting of one or more members of the Board of Trustees and may also have non-Trustee members in an advisory capacity. The Board shall have the power to appoint all members of the ARC. The ARC shall have the authority to establish Design Guidelines and Standards. The Design Guidelines and Standards may be amended from time to time by the ARC and/or the Board.

8A.2 ARC Approval. No building or other structure or improvement, including, but not limited to, landscaping, shall be erected, placed or altered upon any Lot until the location and the complete plans and specifications thereof (including, without limitation, the exterior color board and finish materials of each building, shed, structure, fence and/or wall to be created) have been approved in writing by the ARC. The ARC shall provide guidelines for the submission of

plans and specifications which may be amended by the ARC from time to time. Such guidelines shall set forth both procedural requirements of submittal to the ARC as well as architectural, landscaping and other applicable substantive specifications. Failure to comply with the requirements for ARC approval shall be deemed sufficient basis for the ARC to refuse to review the submission. In the event the ARC fails to approve or disapprove the location, plans and specifications or other request made of it within sixty (60) days of submittal of plans will be deemed to be an approval if the Owner complies with the following procedure: After sixty (60) days have passed from the submittal of plans without a reply from the Architectural Review Committee, the Owner must send a certified letter to the Architectural Review Committee requesting a response. If the Architectural Committee does not respond with an approval or denial of the plans within seven (7) days after the Owner receives receipt of delivery of the certified letter, the plans shall be deemed to be approved. No alteration shall be made in the exterior color design or openings of any building or other construction unless written approval of said alteration shall have been obtained from the ARC. The grade, level or drainage characteristics of any Lot shall not be altered without the prior written consent of the ARC. When the ARC issues an approval as provided for herein, a copy of the plans and specifications shall be returned to the ARC for permanent record. Anything herein to the contrary notwithstanding, approval by the ARC is not exclusive and all plans and specifications required to be approved by the City of Hurricane and/or Washington County, whether through the building permit process or otherwise, shall be so approved prior to the commencement of any work. Upon the completion of any work for which approved plans are required under this Article, the Owner shall give written notice of completion to the ARC, who will inspect for completion of the work and compliance with plans originally submitted and approved.

8A.3 Interpretation. All questions of interpretation or construction of any of the terms or conditions in this Article shall be resolved by the Board with the input of the Architectural Committee. The decision of the Board shall be final, binding and conclusive on all of the parties affected.

8A.4 Violations. In the event violation of these restrictions exists, or in the event of the failure of any individual Owner to comply with a written directive or order from the ARC, then in such event, the ARC shall have the right and authority to perform the subject matter of such directive or order, including, if necessary, the right to enter upon the Unit and the cost of such performance shall be charged to the Owner of the Unit in question, which cost shall be due within five (5) days after receipt of written demand therefore, and may be recovered by the ARC pursuant to a Violation Assessment or in an action at law against such individual Owner.

8B. Community Wide Standards and Design Guidelines.

8B.1 Intent. The intent of the Sky Mountain Golf Estates Community Wide Standards and Design Guidelines (Guidelines) is to protect and enhance the spectacular views of the surrounding mountains and golf course; to respect the climatic conditions and environment of the region and to maintain and enhance Community property values. Also within this intent, it is important to allow individual ideas to flourish and enrich the Community, provided that standards are maintained.

The Guidelines provide an overall framework and comprehensive set of standards to allow the Community to develop and progress in an orderly and cohesive manner. They establish criteria for architectural style and design, landscape concepts, site improvements, colors and materials. They also establish a process for judicious review of proposed new developments and changes within the Community. The Guidelines additionally set forth the means by which they may be changed and amended to better serve the needs of an evolving Community.

The Guidelines have been adopted by the Board of Trustees of Sky Mountain Golf Estates Homeowners Association and the Architectural Review Committee pursuant to this

Declaration. Copies of the Guidelines are available at the office and will be made available to all Owners.

To the extent that any local government ordinance, building code or regulation requires a more restrictive standard than that found in the Guidelines, the local government standard shall prevail. To the extent that the local ordinance is less restrictive than the Guidelines or this Declaration, the Guidelines and this Declaration shall prevail.

ARTICLE IX
PROTECTION OF LENDERS

9.1 Encumbrance of Parcels Permitted. Any Owner may encumber such Owner's Unit with a Deed of Trust.

9.2 Subordination. Except as provided otherwise by Utah Code Ann. § 57-8a-203 or Article VI hereof, any lien created or claimed under Article VI of this Declaration is subject and subordinate to the lien of any First Deed of Trust encumbering any Unit, unless the priority of such First Deed of Trust is expressly subordinated to such assessment lien by a written instrument duly recorded.

9.3 Non-Liability for Unpaid Assessments. Any beneficiary of a First Deed of Trust who acquires title to a Unit pursuant to the judicial or non judicial foreclosure remedies provided in the Deed of Trust shall take the Unit free of any claims for unpaid assessments or Association charges against the encumbered Unit that accrue greater than six (6) months prior to the time such beneficiary so acquires ownership of the Unit; provided, however, after the foreclosure of any such Deed of Trust, such Unit shall remain subject to this Declaration; and the amount of all regular and special assessments, to the extent they relate to expenses incurred subsequent to such foreclosure sale, shall be assessed hereunder to the grantee or purchaser thereunder.

9.4 Breach of Covenants. A breach by an Owner of any of the provisions of this Declaration shall not defeat or render invalid the lien of any Deed of Trust made in good faith and for value as to the Community or any portion thereof; provided, however, the provisions of this Declaration shall be binding upon the Owner whose title thereto is acquired under foreclosure, trustee's sale, or otherwise.

9.5 Notice to Eligible Mortgage Holders, Insurers and Guarantors. The holder of any First Deed of Trust shall be entitled to become an "Eligible Mortgage Holder" pursuant to the provisions of this Declaration and any insurer or guarantor of a First Deed of Trust shall be entitled to become an "Eligible Insurer" hereunder by notifying the Association of its name, address and the address of the Unit encumbered by the First Deed of Trust which it holds or insures in the manner provided in paragraph 9.10 below. Such notification shall be deemed to be a request with respect to such Unit for written notice from the Association of (i) any default in the payment of Assessments which remains uncured for a period of sixty (60) days; (ii) any condemnation or casualty loss that affects a material portion of the Community or the Unit; (iii) any lapse, cancellation or material modification of any insurance policy or fidelity bond maintained by the Association; and (iv) any proposed action described in paragraph 9.9 below. The Association shall give written notice to Eligible Mortgage Holders in accordance with the provisions of this paragraph 9.5 and in the manner prescribed in paragraph 9.10 below. Any holder of a First Deed of Trust encumbering any Unit, or any portion of the Property, who does not so request notice shall not be deemed to be an Eligible Mortgage Holder under the terms of this Declaration. Unless and until notice is given to the Association as provided in this Declaration by a mortgage holder, insurer or guarantor, such mortgage holder, insurer or guarantor shall not be entitled to notice of default, nor to any right, distribution or notice pursuant to this Declaration.

9.6 Insurance Proceeds and Condemnation Awards. No provision of this Declaration or the Articles shall give an Owner, or any other party, priority over any rights of the holders of First Deeds of Trust in the case of a distribution to Owners of insurance proceeds or condemnation awards.

9.7 Appearance at Meetings. Because of its financial interest in the Community, any beneficiary of a First Deed of Trust may appear (but cannot vote) at meetings of the Members and the Board, and may draw attention to violation of this Declaration that have not been corrected or made the subject of remedial proceedings or Assessments.

9.8 Examination of Records. The holders of First Deeds of Trust shall have the right to examine at reasonable times the books and records of the Association and can require the submission of financial data concerning the Association, including annual audit reports and operation statements as and when furnished to the Owners.

9.9 Prior Approvals. Unless fifty-one percent (51%) of Eligible Mortgage Holders have given their prior written approval, (except as to Section (a), (b), (c) and (d) which shall require a sixty-seven percent (67%) approval), (each Eligible Mortgage Holder having one vote for each Unit encumbered by it), neither the Association, nor any Member shall do the following:

- (a) Change the method of determining the obligations, assessments, or other charges which may be levied against an Owner.
- (b) By act or omission, seek to abandon, partition, subdivide, encumber, sell, or transfer the Common Area. The granting of easements for public utilities or for other public purposes consistent with the intended use of the Common Area by the Association or the Owners shall not be deemed to be a transfer within the meaning of this section;
- (c) Use hazard insurance proceeds for losses to any Association Property, for other than the repair, replacement, or reconstruction of such improvements or property.
- (d) By act or omission, change, waive, or abandon the provisions of this Declaration, or the enforcement thereof, pertaining to control of the exterior appearance of structures in the Community, and the maintenance of the Common Area;
- (e) Terminate professional management and assume self-management of the Community when professional management is required by FNMA, FHLMC, HUD or VA;
- (f) Make a material change in the boundaries of any Lot or Common Area;
- (g) Impose any material restrictions of an Owner's right to sell or transfer their Lot or Unit, or use the Common Area;
- (h) Change materially any provision herein that by its terms refers to and expressly benefits institutional holders of first deeds of trust;
- (i) Impose any right of first refusal or similar restriction of the right of an Owner to sell, transfer, or otherwise convey their Unit;
- (j) Change the subordinate priority of the provisions of this Declaration relating to allocation of hazard insurance proceeds or condemnation awards as set forth in relation to the holders of First Deeds of Trust;
- (k) Fail to maintain the insurance required by Article VII hereof; or
- (l) Change the purposes to which any Unit or the Common Area are restricted.

In the event any Eligible Mortgage Holder is notified in the manner provided in paragraph 11.4 below and at the address designated by such Eligible Mortgage Holder to the association in the manner provided in such paragraph 11.4, of any proposed decision or action described in subparagraphs (a) through

(e), inclusive, above, and fails to submit a written response within thirty (30) days after notice of such proposed decision or action, then such Eligible Mortgage Holder shall be deemed to have given its approval of such decision or action and such implied approval shall be conclusive as to all persons relying thereon in good faith.

9.10 Notices to Eligible Mortgage Holders. Upon written request from an Eligible Mortgage Holder, such Eligible Mortgage Holder shall be entitled to written notification from the Association of the following:

- (a) Any condemnation or casualty loss that affects either a material portion of the Community or the Unit securing its mortgage;
- (b) Any 60-day delinquency in the payment of assessments or charges owed by the Owner of any Unit on which it holds the mortgage;
- (c) A Lapse, cancellation, or material modification of any insurance policy maintained by the Association; and
- (d) Any proposed action that requires the consent of a specified percentage of Eligible Mortgage Holders.

ARTICLE X
GOLF COURSE: ASSOCIATION'S DISCLOSURES

10.1 Golf Course Owner Liability. To the extent permitted by applicable law, each Owner by acceptance of their deed to a Unit shall be deemed to have waived conclusively any right to bring any action or proceeding, or to assert a claim in any manner, against the Association for compensation for any loss, damage or injury to person or property caused by the impact of a golf ball which enters upon any portion of the Property from the Golf Course, whether or not such ball is struck in a negligent manner, but excluding willful or intentional acts.

10.2 Golf Course Association Liability. Association shall have no responsibility whatsoever for the use, maintenance, repair, continuance or operation of the Golf Course.

ARTICLE XI
MISCELLANEOUS PROVISIONS

11.1 Duration. The provisions of this Declaration shall continue and be effective for a period of fifty (50) years from the date of first recordation hereof and shall be automatically extended for successive periods of ten (10) years each until (i) the Owners of at least eighty percent (80%) of the Units within the Community shall execute a written instrument, which may be executed in counterparts, in recordable form declaring that the provisions of this Declaration shall terminate, and (ii) such written instrument is recorded in the office of the Recorder of Washington County, Utah.

11.2 Amendment. All amendments to this Declaration shall require first, that a quorum be established and, second that 67% of the votes cast approve the proposed amendment as follows:

11.2.1 A quorum must be established. A quorum is established when the time by which all ballots must be received passes so that a quorum can be determined; whereupon the President of the

Board shall certify that a quorum is present. A quorum is defined as the representation in person, by proxy or by ballot of members entitled to cast at least fifty percent (50%) of the votes by all Members.

11.2.2 Approval. Once a quorum is gathered, this Declaration shall only be amended after the affirmative vote of at least sixty-seven percent (67%) of the votes cast by Members who are voting in person, by proxy or by faxed or mailed ballot at such a meeting duly called for the purpose of amending this Declaration. By way of illustration, if the Association had 100 Members, at least 50 Members must vote in order to establish a quorum, if only those 50 Members vote, 34 affirmative votes would pass a proposed amendment, if 60 Members vote, 41 affirmative votes would be required, and so forth. All such amendments must be in writing, and prepared, executed, recorded and certified on behalf of the Association by the President of the Association. Such amendment shall be recorded in the Office of the County Recorder of Washington County, State of Utah.

Any substantive amendment to any of the following described provisions of this Declaration requires the written consent of fifty-one percent (51%) of the Eligible Mortgage Holders (except items (a), (b), (e), (g) and (h) which require a sixty-seven percent (67%) approval):

- (a) Voting rights;
- (b) Assessments, assessment liens, or the priority of assessment liens;
- (c) Reserves for maintenance, repair, and replacement of the Common Areas Improvements which the Association required to maintain pursuant to the provisions of this Declaration;
- (d) Responsibility for maintenance and repairs;
- (e) Insurance or fidelity bond provisions;
- (f) Other than reasonable rental restrictions, the imposition of any restrictions of an Owner's right to sell or transfer such Owner's Lot;
- (g) Any provision that expressly benefits mortgage holders or mortgage insurers or guarantors; or
- (h) Provisions pertaining to termination of this Declaration.

In the event any Eligible Mortgage Holder is notified, in the manner provided in paragraph 11.4 below and at the address designated by such Eligible Mortgage Holder to the Association in the manner provided in such paragraph 11.4, of any proposed substantive amendment to this Declaration in the nature of the amendments described in subparagraphs (a) through (h), inclusive, above, and fails to submit a written response within thirty (30) days after notice of such proposed amendment, then such Eligible Mortgage Holder shall be deemed to have given its approval of such amendment and such implied approval shall be conclusive as to all persons relying thereon in good faith. A certificate signed by the Secretary of the Association as to any Eligible Mortgage Holder's failure to so respond shall be deemed to be sufficient evidence of such approval.

Paragraph 11.1 shall be amended only upon the written consent of the Owners of eighty percent (80%) of the lots within the Community.

11.3 Enforcement and Waivers.

11.3.1 Violations and Nuisance. Every act or omission whereby a covenant, condition, or restriction of the Declaration is violated in whole or in part is hereby declared to be a

nuisance and may be enjoined or abated, whether or not the relief sought is for negative or affirmative action.

11.3.2 Violation of Law. Any violation of any state, municipal, or local law, ordinance, or regulation pertaining to the ownership, occupation, or use of any portion of the Property is hereby declared to be a violation of this Declaration and subject to any or all of the enforcement procedures herein set forth.

11.3.3 Remedies Cumulative. Each remedy provided by this Declaration is cumulative and not exclusive.

11.3.4 Nonwaiver. The failure to enforce the provisions of any covenant, condition, or restriction contained in this Declaration shall not constitute a waiver of any right to enforce any such provisions or any other provisions of this Declaration.

11.3.5 Notice. Before a Member commences any legal action against the Association for a violation of any provision of the Declaration, such Member must first:

- (a) Provide written notice to the Association of any such alleged violation and of intent to take judicial action, which notice shall be delivered to the Association not less than thirty (30) days prior to filing any lawsuit;
- (b) Obtain or provide the Association with legal and reasonable access to the Common Areas or the private property or residence alleged to be in violation; and
- (c) Allow the Association, or its agents, a reasonable time in which to remedy or cure any such alleged violation.

11.4 Notices. All notices hereunder to the Association or the Board shall be sent by regular mail, or registered or certified mail, return receipt requested, addressed to the Board at the address of the Manager, or to such other place as the Board may designate from time to time by notice in writing to the Owners of all of the Units.

All notices given by the Association to any Owner shall be sent by regular mail, or by registered or certified mail, electronic mail, return receipt requested, to such Owner's Unit address or to such other address as may be designated by such Owner from time to time, in writing, to the Board. All notices to Eligible Mortgage Holders shall be sent by registered or certified mail, return receipt requested, at the address to which such Eligible Mortgage Holder has last requested that notice be sent by notifying the Association in the manner provided in this paragraph 11.4. All notices shall be deemed to have been received within seventy-two (72) hours after the mailing thereof, except notices of change of address which shall be deemed to have been given when actually received.

11.5 Approvals. Any consent or approvals by the Board or Architectural Review Committee shall be in writing.

11.6 Construction and Severability; Singular and Plural; Titles.

11.6.2 Restrictions and Easements Severable. The covenants, conditions, restrictions and easements contained in this Declaration shall be deemed independent and severable; and the invalidity or partial invalidity of any provision or portion hereof shall not affect the validity or enforceability of any other provision.

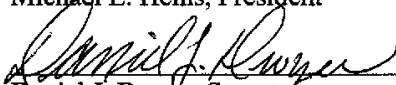

11.6.3 Singular Includes Plural. The singular shall include the plural and the plural the singular unless the context requires the contrary; and the masculine, feminine, or neuter shall each the masculine, feminine, and neuter, as the context requires.

11.6.4 Captions. All captions or titles used in this Declaration are intended solely for convenience of reference and shall not affect that which is set forth in any of the provisions of any paragraph.
