This Amended and Restated Declaration is made on the date executed below by Belle Street Partners, LLC, a Utah limited liability company (“Declarant”).

RECITALS

- A. Arrival is a planned unit development located in Eagle Mountain, Utah County, Utah;
- B. Arrival was created under and governed by the Utah Community Association Act (Utah Code §§ 57-8a-101 *et seq.*) as amended from time to time;
- C. Arrival was originally created and governed by the Declaration of Covenants, Conditions, and Restrictions for Arrival, recorded as Entry No. 82751:2014 in the Utah County Recorder’s Office (“Phase A Declaration”);
- D. Arrival was intended to be a multi-phase development. The Phase A Declaration was recorded only against those Lots depicted in Phase A, Plat 1 recorded as Entry No. 81331:2014 in the Utah County Recorder’s Office;
- E. On July 19, 2016, Phase A, Plat 2 was recorded as Entry No. 66366:2016 in the Utah County Recorder’s Office. Phase A, Plat 2 made minor adjustments to Lots 101 and 102 depicted on Phase A, Plat 1, and then renamed those Lots as Lots 201 and 202. The Phase A Declaration was recorded against Lots 101 and 102, but was not re-recorded against those same Lots after they were renamed to Lots 201 and 202;
- F. Phase B, Plat 1 was approved by Eagle Mountain City on October 12, 2017, and was recorded as Entry No. 101295:2017 in the Utah County Recorder’s Office;
- G. Another Declaration of Covenants, Conditions, and Restrictions for Arrival—that was almost identical to the Phase A Declaration—was recorded against the property described in Phase B, Plat 1 (“Phase B Declaration”);
- H. The Phase B Declaration was almost identical to the Phase A Declaration, with both declarations and both portions of real property being administered by the Arrival Homeowner’s Association. In order to provide clarity to Owners and to lessen the administrative burden, this Amended and Restated Declaration replaces the Phase A Declaration and the Phase B Declaration with all their amendments in their entirety. All property depicted in Phase A, Plat 1, Phase A, Plat 2, and Phase B, Plat 1 shall be subject to this Amended and Restated Declaration, which property is described in Exhibit “A”;
- I. Arrival Homeowner’s Association is incorporated as a Utah nonprofit corporation. If incorporated, it shall be entitled to the rights, obligations, and benefits of the

Revised Nonprofit Corporation Act (Utah Code §§ 16-6a-101, *et seq.*) as amended from time to time;

J. All Owners, guests, invitees, agents, and residents shall abide by the provisions of this Declaration;

K. These covenants, conditions, restrictions, easements, and limitations shall run with the land described in Exhibit "A" and shall be binding on and burden all parties having or acquiring any right, title, or interest to the land or any part thereof and shall create servient tenements on the land. The covenants, conditions, restrictions, easements, and limitations shall also benefit all parties having or acquiring any right, title, or interest to the land and shall create dominant tenements on the land;

L. Under the Phase A and Phase B Declarations, Article XIII, Section 13.1.3, Declarant certifies that it is still the Owner of at least one Lot in both Phase A and Phase B, and that it approves this Amended and Restated Declaration;

M. Under Article VII, Section 7.1 of the Bylaws, the Board of Directors certifies that a majority of the members of the Board of Directors have approved the amended and restated Bylaws;

NOW THEREFORE, for the benefit of the Project and the Owners thereof, the following covenants, conditions, restrictions, and easements shall apply to and be binding on the Project:

Requests for entry shall be made in advance. Entry shall be made at a time convenient to the Owner, except in the case of an emergency, when such right shall be immediate. No such entry shall be deemed to constitute a trespass or otherwise create any right of action in the Owner of such Lot. The right of entry granted by this subsection applies only to Lots upon which the Association has maintenance responsibilities as provided for in the Governing Documents.

3.2.2 Utility Easements. The Association or any public utility provider shall have an easement over all Lots for the installation, maintenance and development of utilities and drainage facilities. The Board, after notice and opportunity for hearing, or in the case of an emergency immediately, may assume the maintenance responsibility over a Lot or Living Unit if, in the opinion of the Board, the Owner is unwilling or unable to adequately provide such maintenance. Should the Board exercise its right under this provision, it shall not be liable for trespass or nuisance and shall have the right to levy an Individual Assessment to recover its maintenance costs.

5.2 Owner Responsibility

All maintenance, repair, and replacement of the Lots, Living Units, and improvements shall be the sole responsibility of the Owner thereof, who shall maintain such Lot and Living Unit in good repair and in accordance with the Governing Documents of the Association. The Owner of a Lot with any trail easement as shown on the Map shall be responsible for the maintenance and repair of the property within the easement. Nothing shall be kept or maintained on any Lot that impairs the ability of a vehicle driver to see pedestrians, bikers, horseback riders, or others using the trail easement at or near points where the trail easement crosses a road, driveway, or other avenue used by vehicular traffic.

6 ARCHITECTURAL CONTROL

6.1 Architectural Review Committee

No improvements, alterations, repairs, excavation or other work which in any way alters the exterior appearance of the Living Unit or the improvements located on any Lot shall be made without the prior approval of the ARC. No building, fence, wall, or other structure shall be erected, maintained, improved, altered, made or done (including choice of exterior color scheme and building materials) without the prior written approval of the ARC. The ARC shall be appointed by Declarant until the Turnover Meeting. After the Turnover Meeting the ARC shall be appointed and serve at the will of the Board. The ARC may consist of as many members as the Declarant or Board deems fit. If the Declarant or Board fail to appoint an ARC, the Board shall serve as the ARC. The ARC may levy fees for plan review. The ARC review fees shall be considered an Individual Assessment.

6.2 Architectural Standards and Guidelines

Any improvements shall minimally comply with the following standards and with any architectural guidelines created by the Association:

6.2.1 **Setbacks.** Living Units and outbuildings that include any human living space shall have 25 foot front and rear setbacks, 12 foot minimum side setbacks (and a total combined side yard setback of 30 feet), and 25 foot side setbacks where the side faces a street. Outbuildings that do not include any human living space shall have a 10 foot side and rear setback, a 15 foot side and rear setback bordering any street, and a 20 foot side or rear setback bordering any trail easement. RVs, trailers, and other recreational vehicles shall not be parked in the front of the Living Unit, nor within the side setback of the Living Unit where the side faces a street unless shielded from view in a manner acceptable to the ARC.

6.2.2 **Landscaping.** Front yard irrigation and landscaping shall be installed within 9 months of occupancy. Unimproved areas on Lots may be kept in a natural state, but must at all times be kept free of tumbleweeds, thistles, briars, and other noxious weeds. Unimproved areas lacking natural vegetation must be seeded with native grasses to prevent dust. Any native grasses shall be cut periodically and may not exceed six inches in height. The street frontage of

all Lots shall be landscaped to create an aesthetically pleasing streetscape. All Lots must have two deciduous trees with a minimum two-inch caliper planted eight feet to fifteen feet from the back of the curb or where applicable from the back of the trail. The approved tree types are listed on Exhibit "D" hereto. Trees not listed on Exhibit "D" may be planted by obtaining prior written approval from the ARC, which it may grant or deny in its absolute discretion. Front yards and street frontage may be xeriscaped. Any xeriscaped areas shall contain the required trees and shall have a minimum of 30% of the area covered by low lying plants.

6.2.3 Colors and styles: All materials and colors which will be used on the exterior of any Living Unit or other improvement shall first be approved by the ARC. A variation of materials shall be used with a preference given to stone, rock, masonry siding, in vertical, horizontal, or shake design, and stucco. No structure may have vinyl or aluminum siding. No structures may be constructed of logs. Wainscoting is only allowed if the wainscot materials are used elsewhere on the structure. When repairing, restoring, replacing, remodeling or redecorating the exterior of a Living Unit the Owner shall use materials and colors that are similar to the original construction or are harmonious to surrounding Living Units.

6.2.4 Roofs. With the exception of shed roofs, all Living Unit roofs shall have a minimum 6/12 pitch. The ARC may, in its reasonable discretion, grant a variance to an Owner allowing him or her to install a minimum 3/12 pitch. An Owner desiring such a variance shall submit a copy of the plans to the ARC along with a written statement from an architect or other construction professional describing how and why the reduced pitch is being used for design and aesthetic purposes. The ARC shall exercise its reasonable discretion in determining whether, based on the written statement, the reduced pitch is actually being used for design and aesthetic purposes or whether it is primarily being used to reduce costs. If the ARC determines that the primary purpose of using a reduced pitch is to save on costs, it shall deny the variance. The ARC shall have the discretion to request and consider any other information it considers relevant when making a decision to grant a variance, and may deny a variance based on any reason, such as the general aesthetics of the roof. Outbuilding roofs shall have a minimum 3/12 pitch. Membrane roof surfaces and the like are prohibited.

6.2.5 Minimum Square Footage. Single story Living Units shall have a minimum of 1,900 square feet above grade. Two-story Living Units shall have a minimum of 2,300 square feet above grade. The ARC may consider single story Living Units as small as 1,800 square feet if the elevations have significant movement, fenestration, and articulation.

6.2.6 Garages. All Living Units shall have a minimum 3 car garage attached.

6.2.7 Fences. Barbed wire fencing is prohibited. Fencing in the front yards, bordering trail easements, and bordering the park shall be split rail, open rail, or another open fencing. Privacy fencing in the front yards, bordering the trail easements, and bordering the park is prohibited. Privacy fencing in the back yard or side yard areas shall be setback at least 20 feet from the edge of the trail easements or park area. Any hotwire near the trail easements or park area must be installed on the opposite side of the nearest fence to the trail easements or park area. If an Owner replaces any fencing installed by Declarant, it shall be replaced with the same style fencing originally installed by the Declarant.

6.2.8 Outbuildings and Accessory Buildings. Each Lot may have up to two outbuildings. An outbuilding is a building that requires a building permit. No outbuildings may be constructed in front of the front plane of a Living Unit. All accessory buildings, outbuildings, sheds, and barns shall be constructed so their appearance is complimentary to the Living Unit. No building described in this Section may be used primarily as a Living Unit. Any building

constructed pursuant to this Section shall have no more than 50% of its above ground area set apart as human living space. In no event shall the human living area exceed 1,200 square feet. Any outbuilding shall be constructed in a manner that does not appear to be primarily intended for human living space, but shall appear to be intended for other uses such as a barn, garage, or other type of building. All buildings constructed pursuant to this Section shall comply with the setback requirements set forth in Section 6.2.1 and local law.

Any outbuilding that was constructed, or construction was begun, prior to the amendment of this Section shall be grandfathered and subject to those provisions of the Plat A and Plat B Declarations governing outbuildings. However, in the event any grandfathered outbuilding is destroyed or otherwise removed for any reason, any replacement or new outbuilding shall comply with this amended Section. Additionally, Owners of a grandfathered outbuilding shall have the right to repair and maintain such building, but shall not be allowed to enlarge, shrink, or materially modify the outbuilding.

6.2.9 Architectural Guidelines. The ARC may create architectural guidelines consistent with the Declaration. Additionally, the architectural guidelines may further define the restrictions set forth in this Declaration.

6.2.10 Driveways. Driveways shall be constructed of hardscape (concrete, asphalt or pavers). The entire driveway accessing the Living Unit, together with the apron outside the garage shall be hardscape. Driveways accessing outbuildings may be rolled road base, crusher fines or gravel, provided the first 30 feet from the street is hardscape, and the balance of the driveway is kept free of weeds and other growth. Where driveways cut through the asphalt trails on the roadside, the driveway from the street to the inside of the trail shall be concrete and shall follow Exhibit E attached hereto.

6.2.11 Accessory Apartment Doors. Accessory apartment doors shall not face any street. Additionally, accessory apartments shall be sited and constructed such that they are not discernable from the street or an adjoining Lot. In no event shall accessory apartments receive an address different from that of the Living Unit. Any accessory apartment that is not part of the primary Living Unit on a Lot, but is part of an outbuilding, shall comply with Section 6.2.8 as well as with this Section.

6.2.12 Utility Lines. All lines, wires, or other devices for the communication or transmission of electric current of power, including telephone, television and radio signals, shall be contained in conduits or cables installed and maintained underground or concealed in, under, or on buildings or other structures approved by the ARC.

6.2.13 Antennas and Satellite Dishes. Aerials, antennas, and satellite dishes larger than one meter in diameter are prohibited. Aerials, antennas, and satellite dishes may not be installed on Common Areas. One antenna or satellite dish smaller than one meter in diameter may be installed within the Lot. The Association may create policies to create a hierarchy of preferred installation locations to protect the aesthetics of the Project. The hierarchy of preferred installation locations may not interfere with reception.

6.3 Waiver, Precedent, Estoppel

Approval or disapproval by the ARC of any requested architectural change shall not be deemed to constitute precedent, waiver, or estoppel impairing its right to withhold approval or grant approval as to any similar matter thereafter proposed or submitted to it.

6.4 Variances

The ARC may approve variances from the architectural standards and architectural guidelines. Any variances shall be in writing. Variances shall not deviate from the general aesthetic of the Project, but shall be used to avoid hardships, address new building materials and techniques, and further the general aesthetic vision of Declarant in the initial design and construction of the Project.

6.5 Noncompliance

Any construction, alteration, or other work done in violation of this Declaration shall be deemed to be in noncompliance. Class A Members shall be entitled to one vote for each Lot in which the interest required for membership in the Association is held. In no event, however, shall more than one Class A vote exist with respect to any Lot.

2.7.2 Class B. The Class B Member shall be the Declarant. The Class B Member shall be entitled to 2 votes for every Lot owned by Declarant plus 2 votes for every class A vote. The Class B Membership shall automatically cease and be converted to a Class A membership upon the sale of the last Lot that may be developed.

If a Lot is owned by more than one Person and multiple Owners are present at a meeting, the vote appertaining to that Lot shall be cast by agreement of a majority of the Owners.
