If a budget is disapproved under this Section 5.3, the budget that the Board last adopted that was not disapproved by Members continues as the budget until and unless the Board presents another budget to members and that budget is not disapproved.

5.4 Capital Replacements.

The Board, in establishing an annual budget, shall include a sum to be collected and maintained as a special reserve fund for capital replacements. Money placed in the reserve fund may not be used (i) for the Association's daily maintenance expenses, unless a majority of Members vote to approve the use of reserve fund money for that purpose; or (ii) for any purpose other than the purpose for which the reserve fund was established. The Association shall maintain any reserve fund separate from other Association funds.

5.5 Special Assessments.

In addition to Annual Assessments, the Association may levy in any assessment year, a Special Assessment applicable to that year only, for the purpose of defraying in whole or in part, the cost of any unanticipated and non-budgeted Common Expense.

6.1 Personal Obligation.

Each Unit Owner, on the first day of the first month after acquiring their Unit, and by acceptance of such deed, covenants and agrees to pay the Annual Assessment, any Special Assessments and any Specific Assessments to the Association and such assessments shall be fixed, established and collected from time to time, as hereinafter provided. Each such assessment, together with interest thereon and the cost of collection thereof, shall also be the personal obligation of the person or entity that was the Unit Owner on the payment due date set forth in this Declaration or as otherwise established by the Board.

6.2 Creation of Claim of Lien.

If the assessments, as provided for herein, are not paid on the date when due, then such assessments shall become delinquent and, together with interest thereon and the cost of collection thereof, shall thereupon become a continuing lien on the Unit.

6.3 Effect of Non-Payment of Assessment – Remedies of Association.

6.3.1 Any assessment or installment thereof not paid within thirty (30) days after the due date therefor shall be delinquent and shall bear interest from the due date at the rate of eighteen percent (18%) per annum (or such lesser rate as the Board shall determine appropriate) until paid. In addition, the Board may assess a late fee for each delinquent installment which shall not exceed ten percent (10%) of the installment.

6.3.2 The Board may, in the name of the Association, (a) bring an action at law against the Member personally obligated to pay any such delinquent assessment without waiving the lien of assessment, or (b) may foreclose the lien against the Unit in accordance with the laws of the State of Utah applicable to the exercise of powers of sale in deeds of trust or to the foreclosure of mortgages, or in any other manner permitted by law, and/or (c) may restrict, limit, or totally terminate any or all services performed by the Association on behalf of the delinquent Member.

6.3.3 There shall be added to the amount of any delinquent assessment the costs and expenses of any action, sale or foreclosure, and a reasonable attorney's fee, together with an account for the reasonable rental for the Unit from time to time of commencement of the foreclosure. The Association shall be entitled to the appointment of a receiver to collect the rental income or the reasonable rental without regard to the value of the other security.

6.3.4 If a Unit Owner shall be in default in the payment of an installment for more than sixty (60) days, the Board may accelerate the remaining annual installments of the annual Assessment upon notice to the Unit Owner and the then unpaid balance of the Assessment shall come due ten (10) days after hand delivery of the notice to the Unit Owner or twenty (20) days after delivery of such notice to the Unit Owner by certified mail, return receipt requested

6.3.5 The Declarant hereby conveys and warrants pursuant to Utah Code Sections 57-1-20 and 57-8a-402 to Southern Utah Title Company, with power of sale, the Units and all improvements to the Units for the purpose of securing payment of assessments under the terms of this Declaration. Under the power of sale, the Unit of a Member may be sold in the manner provided by Utah law pertaining to deeds of trust as if said Association were beneficiary under a deed of trust. The Association may substitute for the named trustee above any other person or entity qualified by law to serve as trustee for purposes of power of sale foreclosure in the manner provided by Utah law pertaining to deeds of trust.

6.3.6 No member may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Property or by abandonment of a Unit.

6.4 Satisfaction of Lien.

When full payment of all sums secured by such lien is made, the claim of Lien shall be satisfied of record by the President or Vice President of the Association.

6.5 Notice of Lien Rights.

All persons, firms, corporations or other business entities which shall acquire, by whatever means, any interest in the ownership of any Unit or who may be given or acquire a mortgage, lien or other encumbrance on a Unit, are hereby placed on notice of the lien rights granted to the Association under this Declaration and all of such persons, firms, corporations or other business entities shall acquire their rights, title and interest in and to such Unit, expressly subject to the lien rights provided herein.

6.6 Subordination of Lien Rights to Mortgages.

The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage held by an institutional lender if the mortgage was recorded prior to the date the assessment became due. Sale or transfer of any Unit shall not affect the assessment lien. However, the sale or transfer of any Unit pursuant to foreclosure of a first mortgage or any proceeding in lieu thereof, shall extinguish the assessment lien as to payments which became due prior to such sale or transfer. No sale or transfer, however, shall relieve a Unit Owner from personal liability for assessments coming due after he or she takes title or from the lien of such later assessments.

6.7 Certificate of Payment Status

The Association, upon demand and receipt of payment of a reasonable charge, shall furnish a certificate signed by an officer or authorized agent of the Association setting forth whether the assessments on a specific Unit have been paid. Such certificate, duly signed, shall be binding on the Association as of the date of the certificate.

8.2.1 Each Unit Owner is hereby granted an irrevocable and exclusive license to use and occupy the outside area that is enclosed by a wall and is appurtenant to such Unit Owner's Dwelling (designated as "Limited Common Area"), subject to the rights of the Declarant and the Board as set forth in the Documents. The Declarant reserves the right to designate other Limited Common Area as it deems necessary from time to time by: (i) indicating or designating on the Plat the Limited Common Area appertaining to one or more Units or (ii) designating, depicting, and/or describing such Limited Common Area in this Declaration or any supplemental declaration, amendment or any exhibit.

8.2.2 The right of exclusive use and occupancy does not include the right to repaint, remodel, erect structures upon or attach or install any deck, awning, or other improvement or apparatus to or within the Limited Common Area, which a Unit Owner may not do without the express written consent of the Board.

8.2.3 The Board's right of regulation in and maintenance of the Limited Common Area includes all rights it possesses with respect to the Common Area which are not inconsistent with exclusive use to a particular Unit or Units to which the Limited Common Area is assigned, and includes, but is not limited to, the right to maintain the Limited Common Area, establish Association Rules and Regulations governing the use of the Limited Common Area, and regulate and control architectural and aesthetic appearances of the Limited Common Area.

8.2.4 Except to the extent the Association elects to maintain the Limited Common Area, each Unit Owner shall maintain their respective Limited Common Areas in good repair and clean manner, including, without limitation, the interior surfaces of the wall enclosing a Unit Owner's Limited Common Area.

8.2 Maintenance Easement.

There is hereby granted and created to the Association, its employees, subcontractors, agents and designees a non-exclusive perpetual easement over, through, across and under the exterior of each Unit, Common Area and Property to permit the Association, its employees, subcontractors, agents and designees to maintain and replace, as necessary, the Common Areas and those portions of all Units required to be maintained, replaced and repaired by the Association, as provided in this Declaration and this easement shall automatically be granted over and attached to any such Unit.

8.3 Right of Egress and Ingress for Services.

There is also hereby granted and created a non-exclusive and perpetual right over and across the driveways, streets and easements as depicted on the Plat, to the benefit of persons and their vehicles for commercial delivery and services, police and law enforcement, fire protection services, United States Postal Service carriers, express delivery, scavenger and recycling services, utility employees, communication representatives, mortgage lien holders, contractors and sub-contractors authorized by the association to serve Creekside Townhomes.

8.4 Encroachments.

In the event that any Dwelling or appurtenance thereto, shall encroach upon the Common Areas or any adjoining Unit, for any reason, than an easement shall exist to the extent of such encroachment so long as the same shall exist.

8.5 Right to Grant Easements.

The Declarant reserves the right to grant such easements as may be required for access over Common Areas to and the furnishing of utility, communication and other services which may be necessary for development of the Property.

8.6 Limitation of Rights and Easements.

The rights and easements of enjoyment created hereby shall be subject to the right of the Association to take such steps as may be necessary to protect the Common Areas against foreclosure and to establish Association Rules and Regulations regarding the use of such easements and the Common Property.

8.7 Indemnity.

The Association shall have the duty to defend and shall indemnify the owner of any Unit against any and all expenses, claims and liabilities, including attorney's fees incurred by or imposed upon them for injuries or damages sustained and arising out of the use of their Unit by the Association.

ARTICLE 9

COVENANT AGAINST PARTITION AND TRANSFER OF RIGHTS

9.1 Restriction for Transfer or Partition of Membership Rights.

The membership rights of any Unit Owner in the Common Areas shall have no right at law or equity to seek partition or severance of such membership rights in the Common Area and there shall exist no right to transfer the membership rights in the Common Areas in any other manner than as an appurtenance to and in the same transaction with a transfer of title or lease agreement.

9.2 Membership by Separate Transfer.

Any conveyance or transfer of a Unit shall include the membership rights in the Common Areas appurtenant to that Unit, whether or not such membership rights shall have been described or referred to in the deed by which said Unit shall have been conveyed.

**ARTICLE 10
INSURANCE**

10.1 Liability Insurance - Association Property.

The Board shall obtain a comprehensive policy of public liability insurance covering all of the Common Property for at least \$1,000,000.00 per occurrence for personal or bodily injury and property damage that results from the operation, maintenance or use of the Common Areas. Liability insurance policies obtained by the Association shall contain a "severability of interest" clause or endorsement which shall preclude the insurer from denying the claim of a Unit Owner because of negligent acts of the Association or other Unit Owners.

10.2 Casualty Insurance - Association Property.

The Association shall keep all insurable improvements and fixtures of the Common Area insured against loss or damage by fire for the full insurance replacement cost thereof, and may obtain insurance against such other hazards and casualties as the Association may deem desirable. The Association may also insure any other property whether real or personal, owned by the Association, against loss or damage by fire and such other hazards as the Association may deem desirable, with the Association as the owner and beneficiary of such insurance. The insurance coverage with respect to the Common Area shall be written in the name of, and the proceeds thereof shall be payable to, the Association. Insurance proceeds shall be used by the Association for the repair or replacement of the property for which the insurance was carried. Premiums for all insurance carried by the Association are common expenses which shall be included in the regular annual assessments made by the Association.

10.3 Casualty Insurance - Dwellings.

In addition to casualty insurance on the Common Area, the Association shall obtain and continue in effect, on behalf of all Unit Owners, adequate blanket casualty and fire insurance in such form as the Board deems appropriate in an amount equal to the full replacement value, without deduction for depreciation or coinsurance, of all of the Dwellings. Insurance premiums from any such blanket insurance coverage, and any other insurance premiums paid by the Association shall be a common expense of the Association to be included in the regular annual assessments as levied by the Association. The insurance coverage with respect to the Units shall be written in the name of, and the proceeds thereof shall be payable to the Association as trustee for the Unit Owners.

10.4 Loss Payable; Other Provisions - Association.

All policies purchased by the Association shall be for the benefit of the Members and all insurance proceeds payable on the account of loss or damage to Association Property shall be

payable to the Association and shall be used in accordance with the terms hereof. The Association policies may contain a reasonable deductible and the amount thereof shall not be subtracted from the face amount of the policy in determining whether the policy limits satisfy the requirements herein. In the event of an insured loss, the deductible shall be treated as a common expense in the same manner as the premiums for the applicable insurance coverage. However, if the Board reasonably determines, after notice and opportunity to be heard, that the loss is the result of the negligence or willful misconduct of one or more Unit Owners, their guests, invitees, or lessees, then the Board may assess the full amount of such deductible against such Unit Owner and the Unit Owner's Unit.

10.5 Loss Payable Provisions For Dwellings

Proceeds on account of loss or damage to a Dwelling shall be payable to the Association, and, in every event, shall be used only to repair, reconstruct or replace such Dwellings.

10.6 Obligation to Repair or Reconstruct.

In order to maintain and preserve the values of all Units and the overall appearance of the Property and the Dwellings constructed on the Units, it is essential that all damaged or partially or fully destroyed Dwellings be promptly repaired, reconstructed or replaced. Accordingly, when loss or damage occurs either to a Dwelling or Dwellings or to the Common Property, it shall be obligatory upon the Unit Owner(s) to repair or reconstruct the Dwelling(s) and to promptly contract for the replacement, repair or reconstruction of such Dwelling(s). No first mortgagee of record or any other mortgagee shall have the right to require the application of insurance proceeds to the payment of its loan except as to any proceeds remaining after the repair or reconstruction. The Association shall have the right to require application of the insurance proceeds to payment of all repair or replacement costs and expenses in the event the Unit Owner(s) fails or refuses to comply with the requirements of this paragraph.

10.7 Assessments For Repair and Reconstruction - Association Property.

If the proceeds of insurance are not sufficient to defray the actual cost of repair or reconstruction of Common Property, a special assessment shall be made by the Board against all Unit Owners in sufficient amount to provide funds for the payment of such costs.

10.8 Conformance With Plans and Specifications.

Any repair or reconstruction of Common Property or of Dwellings must be substantially in accordance with the Plans, Description of Work and Specifications as originally permitted and with materials of equal or better value and of equal or similar characteristics as were used for the original building or as the building was last repaired or reconstructed.

10.9 Association's Powers to Compromise Claim.

The Association is hereby irrevocably appointed agent for each Unit Owner for the purpose of compromising and settling claims arising under insurance policies purchased by the Association incident to Association Property and to execute and deliver releases therefrom upon the payment of claims.

10.10 Unit Owner's Additional Insurance.

Nothing herein contained shall be construed to prohibit a Unit Owner from purchasing at his own expense, additional homeowner's insurance coverages upon or applicable to the Dwelling or his personal property.

10.11 Other Association Insurance.

The Association is authorized to obtain such other insurance from time to time as the Board shall determine to be desirable or beneficial for the protection of the Members or for the preservation of the Property. Such policies may contain deductible clauses which the Board determines shall be within the financial capabilities of the Association. The premiums for such policies of insurance coverages shall be considered a Common Expense.

**ARTICLE 11
ENFORCEMENT**

The Association, the Declarant or any Member, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants reservations, liens and charges now or hereafter imposed by the provisions of this Declaration, or any rule of the Association, including but not limited to any proceeding at law or in equity against any person or persons violating or attempting to violate any covenant or restriction, either to restrain violation or to recover damages, and against the land to enforce any lien created by these covenants. Failure of the Association, Declarant or of any Member to enforce any covenant or restriction herein contained or any rule of the Association shall in no event be deemed a waiver of the right of the Association, Declarant or any Member to do so thereafter. In the event action, with or without suit, is undertaken to enforce any provision hereof or any rule of the Association, the party against whom enforcement is sought shall pay to the Association or enforcing Member the reasonable attorney fees incurred with respect to such enforcement. The Board may impose or establish a schedule of liquidated damage amount (or "schedule of fines") for violations of this Declaration or the Association Rules and Regulations. Liquidated damage amounts (or fines) shall not exceed for each violation ten percent (10%) of the amount of the maximum annual assessment against any Member who fails to refrain from violation of these covenants or a rule of the Association. The Board shall give a Member three (3) days written notice and an opportunity for a hearing. A Member who cures his violation within the three (3) days of receiving notice may not be levied against. Any liquidated damage amount or fine levied by the Board which is not paid within the time period established by the Board or otherwise set forth in the Association Rules and Regulations shall be recoverable by the Association in the same manner as an assessment under Articles 5 and 6, and shall create a lien in favor of the Association against the Unit Owner's Unit in the same manner as an assessment.

**ARTICLE 12
AMENDMENT AND TERMINATION**

12.1 Amendment After Turnover Date.

After relinquishment of Declarant control of the Association (i.e. the Turnover Date as defined in the Bylaws), this Declaration may be amended at a duly constituted special meeting for such purpose or at an annual meeting of the Members by a vote of not less than two-thirds (2/3) of the aggregate votes of Unit Owners. Such Members may amend, modify or rescind such provisions of this Declaration as they deem necessary or desirable and shall be evidenced by a certificate executed by the President and the Secretary of the Association with the formality of a deed and recorded in the Washington County Recorders' office in Washington County, Utah certifying to the adoption of the amendment, modification or rescission. Such certificate shall recite that the amendment was adopted at a meeting duly called, at which a quorum was present and that at least a minimum of those entitled to vote had voted for the adoption of such amendment or termination.

12.2 Amendment Prior to Turnover Date.

Until relinquishment of Declarant control of the Association (i.e. the Turnover Date as defined above), this Declaration may be unilaterally amended by the Declarant for any purpose with or without notice to the Members.

**ARTICLE 13
EXPANSION**

13.1 Expansion Rights. Declarant reserves the right, at its sole election, to expand the Property to include additional property more particularly described below by unilateral action without the consent of Members, for a period that continues until the Turnover Date (as defined in the Bylaws).

13.2 Expansion Property. The property, all or part of which may be included in one or more expansions, is located in Washington County, Utah, and is more particularly described as follows:

ALL PROPERTY LOCATED IN THE GENERAL VICINITY OF THE PROPERTY PREVIOUSLY DESCRIBED HEREIN, WHICH IS CONTIGUOUS TO ANY PHASE OF THE DEVELOPMENT.

13.3 Procedure for Expansion. Expansion shall occur by the Declarant filing:

13.3.1 an additional subdivision plat or plats creating additional planned unit developments on the property described above, stating on each plat the intention to have the property described on said plat bound by the terms, covenants and conditions of this Declaration upon the filing of a Declaration of Annexation; and

13.3.2 a Declaration of Annexation (after satisfying conditions hereafter stated), which shall state the Declarant's intention to have the area described therein subject to this Declaration. Upon the recording of such a Declaration of Annexation the property described therein shall be subject to this Declaration.

13.4 Use of Expansion Property. Any additional properties annexed hereto by the Declarant shall be exclusively for residential dwellings, architecturally compatible to the existing Units, similar to the Units already constructed, constructed out of similar materials with similar Unit and Dwelling size. The Declarant shall have the sole discretion as to development of the Common Area in any expansion area and may include any facilities or amenities thereon that Declarant deems necessary and such Common Areas shall be owned by the Association.

ARTICLE 14 GENERAL CONDITIONS

14.1 Equitable Servitude.

The covenants, conditions, easements and restrictions of this Declaration shall constitute covenants running with the land and each shall constitute an equitable servitude upon the Unit Owner and the appurtenant undivided interest in the Common Property and upon the heirs, personal representatives, successors and assigns of each Unit Owner.

14.2 Compliance with Laws.

The Association shall take such action as it deems necessary or appropriate in order for the Property and the improvements thereon to be in compliance with all laws, statutes, ordinances and regulations of any governmental authority.

14.3 Duration.

This Declaration shall be binding and of full force and effect for a period of thirty (30) years from the date this Declaration is recorded in the Washington County Recorders' office of Washington County, Utah, after which time this Declaration shall automatically be extended for successive twenty (20) year periods, unless an instrument signed by not less than two-thirds (2/3) percent of the then record owners of the Units is recorded containing an agreement of said Unit Owners with respect to the alteration, change, modification or termination, in whole or in part, of the provisions of this Declaration.

14.4 Notices.

Any notices, demands, requests, consents or other communications required or permitted to be sent to any Member or Unit Owner under the provisions of this Declaration shall be deemed to be properly sent when mailed, postpaid to the last known address of the person or entity who appears as a Member or Unit Owner on the records of the Association at the time of such mailing.

The Association may also provide notice by electronic means, including text message, email, or through Association's website unless a Member, by written demand, requires the Association to provide notice to the Member by mail.

14.5 No Implied Waiver.

Failure of the Board, Unit Owner or Declarant to enforce any provision of the Declaration or other Documents for any period of time, shall in no event be deemed a waiver or estoppel by such parties or other persons or entities having an interest therein, of the right to object to same and to seek compliance therewith, in accordance with the provisions of the Documents.

14.6 Secondary Mortgage Market.

Declarant intends that the provisions of this Declaration meet and be consistent with the Federal Home Loan Mortgage market requirements in effect on the date hereof. Unless at least two-thirds (2/3) percent of the first mortgagees (based upon one vote for each first mortgage owned) or Unit Owners have given their prior written approval, not to be reasonably withheld, no amendment of this Declaration shall be effective if such amendment would disqualify or preclude the purchase of first mortgages on the Federal Home Loan Mortgage Corporation secondary mortgage market.

14.7 Severability.

Invalidation of any one of the provisions of this Declaration by judgment or court order shall in no way affect any provisions which shall remain in full force and effect.

14.8 Title and Captions.

Article titles or other captions contained in this Declaration are inserted only as a matter of convenience and for reference purposes and in no way define, limit, extend or describe the scope of the Declaration or the intent of any provision hereof.

14.9 Person or Gender.

Whenever the singular number is used herein and when required by the context, the same shall include the plural and the masculine gender shall include the feminine and neuter genders.

14.10 Applicable Law.

The provisions of this Declaration and any dispute arising hereunder shall be governed by the laws of the State of Utah.

14.11 Assignment of Declarant's Rights.

All of the rights and powers of Declarant herein contained may be delegated, transferred, or assigned, in whole or in part. To be valid, said delegation, transfer, or assignment must be via a written instrument recorded in the Washington County Recorders' office of Washington County, Utah.

ARTICLE 15
DISPUTE RESOLUTION AND LIMITATION ON LITIGATION

15.1 Alternative Dispute Resolution Without Litigation.

15.1.1 Bound Parties. The Declarant; the Association; the Unit Owners; the officers, directors, committee members, managers, members, employees, representatives, agents, successors and assigns of any of the foregoing; any other person subject to this Declaration; and any other person not otherwise subject to this Declaration who agrees to submit to this Article 15 (collectively, "Bound Parties"), agree that it is in the best interest of all Bound Parties to encourage the amicable resolution of Claims without the emotional and financial costs of litigation or the toll or market taint such litigation can have on the value of the Property and/or the Units that may be involved. Accordingly, each Bound Party agrees not to file suit in any court with respect to a Claim described in subsection 15.1.2, unless and until it has first submitted such Claim to the alternative dispute resolution procedures set forth in Section 15.2 in a good faith effort to resolve such Claim.

15.1.2 Claims. As used in this Article 15, the term "Claim" means any claim, grievance, or dispute arising out of or relating to:

- (i) the interpretation, application, or enforcement of the Documents; or
- (ii) the rights, obligations, and duties of any Bound Party under the Documents; or
- (iii) the design or construction or maintenance of improvements on the Property.

15.1.3 Exclusion from Definition of Claims. The following shall not be considered "Claims" unless all parties to the matter otherwise agree to submit the matter to the procedures set forth in Section 15.2:

- (i) any suit by the Association to collect assessments or other amounts due from any Unit Owner;
- (ii) any suit by the Association to obtain a temporary restraining order (or emergency equitable relief) and such ancillary relief as the court may

deem necessary in order to enforce the rights and obligations set forth in this Declaration or the Association Rules and Regulations;

(iii) any suit that does not include the Declarant, any affiliate of the Declarant, or the Association as a party, if such suit asserts a Claim that would constitute a cause of action independent of the Documents;

(iv) any dispute that affects the material rights or obligations of a party who is not a Bound Party and has not agreed to submit to the procedures set forth in Section 15.2;

(v) any suit as to which any applicable statute of limitations would expire within 180 days of giving the Notice required by Section 15.2.1, unless the party or parties against whom the Claim is made agree to toll, or extend, the Claim's statute of limitations to comply with this Article 15;

(vi) any suit or dispute between the Declarant or an affiliate of Declarant and a builder, developer, contractor(s), subcontractor(s), or any other party contracted by the Declarant or an affiliate of the Declarant in connection with the development of the Property; and

(vii) any suit or dispute involving a governmental entity as a party.

15.2 Dispute Resolution Procedures.

15.2.1 Notice. The Bound Party asserting a Claim ("Claimant") against another Bound Party ("Respondent") shall give notice in the manner required or permitted herein ("Notice") to each Respondent and to the Board, stating plainly and concisely:

(i) the nature of the Claim, including the persons involved and the Respondent's role in the Claim;

(ii) the legal basis of the Claim (i.e., the specific authority out of which the Claim arises);

(iii) the Claimant's proposed resolution or remedy; and

(iv) the Claimant's desire to meet with the Respondent to discuss, in good faith, ways to resolve the Claim.

15.2.2 Negotiation. The Claimant and Respondent shall make every reasonable effort to meet in person and confer for the purpose of resolving the Claim by good faith negotiation. If requested in writing, accompanied by a copy of the Notice, the Association Board may appoint a representative to assist the parties in negotiating a resolution of the Claim.

15.2.3 Mediation. If the parties have not resolved the Claim through negotiation within 30 days of the date of the Notice (or within such other agreed upon period), the Claimant shall have 30 additional days to submit the Claim to mediation with an individual or entity designated by the Association (if the Association is not a party to the Claim) or to an independent agency providing dispute resolution services in the Washington County, Utah area. Each Bound Party shall present the mediator with a written summary of the Claim.

(i) Waiver of Claim for Failure to Appear or Participate. If the Claimant does not submit the Claim to mediation within such time, or does not appear for and participate in good faith in the mediation when scheduled, the Claimant shall be deemed to have waived the Claim, and the Respondent shall be relieved of any and all liability to the Claimant (but not third parties) on account of such Claim.

(ii) Termination of Mediation Proceedings. If the parties do not settle the Claim within 30 days after submission of the matter to mediation, or within such time as determined reasonable by the mediator, the mediator shall issue a notice of termination of the mediation proceedings indicating that the parties are at an impasse and the date that mediation was terminated. Subject to Section 15.3 below, the Claimant shall thereafter be entitled to file suit or to initiate administrative proceedings on the Claim, as appropriate.

(iii) Costs of Mediation. Each Bound Party shall bear its own costs of the mediation, including attorneys' fees, and each Party shall pay an equal share of the mediator's fees.

15.2.4 Settlement. Any settlement of the Claim through negotiation or mediation shall be documented in writing and signed by the parties. If any party thereafter fails to abide by the terms of such agreement, then any other party may file suit or initiate administrative proceedings to enforce such agreement without the need to comply again with the procedures set forth in this section. In such event, the party taking action to enforce the agreement or award shall, upon prevailing, be entitled to recover from the non-complying party (or if more than one non-complying party, from all such parties in equal proportions) all costs incurred in enforcing such agreement or award, including, without limitation, attorneys fees and court costs.

15.3 Initiation of Litigation by Association. The Association shall not initiate any judicial or administrative proceeding unless first approved by a vote of Members entitled to cast 75% of the total votes of the Members (which vote must be an Informed Vote as defined below), except that such approval shall not be required for actions or proceedings:

15.3.1 initiated prior to the Turnover Date (as defined in the Bylaws);

15.3.2 initiated to enforce the provisions of this Declaration, including collection of assessments and foreclosure of liens;

15.3.3 initiated to challenge ad valorem taxation or condemnation proceedings;

15.3.4 initiated against any contractor, vendor, or supplier of goods or services arising out of a contract for services or supplies; or

15.3.5 to defend claims filed against the Association or to assert counterclaims in proceedings instituted against it.

15.4 Informed Vote. With respect to any judicial or administrative proceeding involving legal representation undertaken on any contingent fee basis (the "Contingent Fee Litigation"), the law firm proposing to represent the Association on such basis (the "Proposed Law Firm") must provide to the Unit Owners in a writing signed by the managing partner (or similar position) for the Proposed Law Firm and the lead attorney proposing to handle the representation the following opinions and disclosures at least 30 days prior to any Member casting any vote to initiate judicial or administrative proceedings:

15.4.1 The following information regarding all contingent fee based litigation by a homeowner or condominium association in Washington County that was active during the prior 10 year period and known by or disclosed to the Association or the Proposed Law Firm ("Prior Washington County HOA Contingent Fee Litigation"), (1) the name of the association involved in the litigation, (2) the amount of damages claimed in such litigation, (3) the length of time elapsed since such litigation commenced until conclusion (or, if not yet concluded, through the date of this disclosure), (4) the amount of any monetary payments received by the association in such litigation through the date of disclosure and the extent to which it exceeded attorneys' fees, costs and expenses for such litigation (if none, disclose that fact), and (4) the amount of attorney's fees received or paid to the law firm handling such litigation.

15.4.2 An opinion of the Proposed Law Firm that the proposed Contingent Fee Litigation will not impose a stigma on or otherwise reduce the value of any of the Units within the Property in excess of that which may already exist due to the conditions sought to be remedied by the proposed Contingent Fee Litigation or, if the Proposed Law Firm is unable or unwilling to provide such opinion, then a prominently disclosed statement as follows:

"The proposed contingent fee litigation may reduce the value and marketability of your homes as home buyers may be reluctant to buy homes within an association involved in ongoing litigation alleging substantial damages and harm have occurred within the Property. [Insert name of Proposed Law Firm] is unwilling or unable to provide an opinion that the proposed contingent fee litigation will not reduce the value and marketability of your homes."

15.4.3 An opinion of the Proposed Law Firm stating (1) the range of monetary recovery that the Proposed Law Firm reasonably expects will be recovered by the Association (net of attorneys' fees, costs and expenses), (2) the attorneys' fees expected to be received by the Proposed Law Firm from the Contingent Fee Litigation, (3) the period of time the Proposed Law Firm reasonable expects litigation to continue before a monetary recovery will be received by the Association, (4) if the foregoing opinion regarding recovery amounts and period of time materially differs from the Prior Washington County HOA Contingent Fee

Litigation, an opinion of why the proposed Contingent Fee Litigation will differ from the Prior Washington County HOA Contingent Fee Litigation, and (5) the involvement that will be required by the Unit Owners and the Association Board to respond to discovery requests, attend and participate in depositions, attend and testify at trial, and otherwise assist in the proposed Contingent Fee Litigation.

15.4.4 A prominent and succinct description of any out of pocket expenses or fees that the Association will be obligated to pay for the proposed Contingent Fee Litigation.

15.4.5 A prominent and succinct description of any restrictions on the ability of the Association (including any estimate of fees and expenses, including attorneys' fee that may be required to be paid) to (1) terminate or dismiss the proposed Contingent Fee Litigation or (2) terminate the services of the Proposed Law Firm.
