**NOTICE OF REINVESTMENT FEE COVENANT  
BRIO HOMEOWNERS ASSOCIATION, INC.**

NOTICE IS HEREBY GIVEN by BRIO HOMEOWNERS ASSOCIATION, INC., (the "Association") located at 230 W. Brio Clubhouse Drive, Washington, Utah 84780, by and through its Board of Directors ("Board"), that a reinvestment fee covenant applies upon the occurrence of any sale, transfer, or conveyance of any Unit (as applicable, a "Transfer") within the property subject to the Declaration of Covenants, Conditions and Restrictions for Brio, recorded August 12, 2015, as Doc. No. 20150028404, in the Official Records of the Washington County Recorder's Office, as amended or supplemented (the "Declaration") (which property is described in Exhibit "A" attached hereto, including any other Units or parcels that are added to the Association through annexation), as set forth in Section 7.14(b) of the Declaration (the "Reinvestment Fee Covenant").

Any party (the "Initial Transferee") initially receiving title to a Unit from the Declarant shall pay to the Association an Initial Reinvestment Fee, as defined in the Declaration; and any party ("Transferee") subsequently receiving title to a Unit shall pay to the Association a Reinvestment Fee, as defined in the Declaration. The Initial Reinvestment Fee and the Reinvestment Fee shall each be in an amount to be established from time to time by the Board; provided that in no event shall either the Initial Reinvestment Fee or the Reinvestment Fee exceed any maximum rate permitted by applicable law. As a "large master planned development," property in the Brio community is not currently subject to a maximum allowable legal rate. In the event that a maximum allowable legal rate is imposed, the new maximum shall be effective as to the Association without requiring any amendment of this Notice.

The Initial Reinvestment Fee or Reinvestment Fee shall be due and payable by the Initial Transferee or Transferee, as the case may be, to the Association at the time of the Transfer giving rise to the payment of the same, and shall be treated as an individual assessment under the Declaration for collection purposes.

The burden of the Reinvestment Fee Covenant is intended to run with the land, in perpetuity, and to bind any and all successors in interest and assigns. The duration of the Reinvestment Fee Covenant is the duration of the Declaration within which the covenant is contained, as set forth above.

The existence of the Reinvestment Fee Covenant precludes the imposition of an additional reinvestment fee covenant on the affected property.

The purpose of the Reinvestment Fee Covenant is for the benefit of the burdened property, including but not limited for:

- a) common planning, facilities, and infrastructure;
- b) obligations arising from an environmental covenant;
- c) community programming;
- d) resort facilities;
- e) open space;
- f) recreation amenities;
- g) charitable purposes; or
- h) association expenses.

The fees collected pursuant to the Reinvestment Fee Covenant are dedicated to benefitting the burdened property identified herein.

This Notice of Reinvestment Fee Covenant is made and recorded pursuant to Utah Code Annotated section 57-1-46 (2018).

DATED this 1<sup>st</sup> day of June, 2018.
