Thank you Robert for all you do for our neighborhood.
I wish I could attend this meeting,
it is nice when the meetings are
scheduled on the week-end, so we can
attend. Please e-mail minutes to sandraosburn

Thank you.

I'm just curious about any measures taken to conserve water. On the occasion we are at the condo, we see water running down the street. Sprinklers can be adjusted, also we should not water the grass when it is raining, this also can be adjusted on sprinkler systems...

This is what I would ask about if I could be at the meeting.

Thank you

Sandra Astum
