**3.2.1 Right of Entry.** The Association and any person authorized by the Association may at any reasonable time, and from time to time at reasonable intervals, enter upon any Lot for the purpose of performing maintenance and determining whether or not the Lot is in compliance with the Governing Documents. Requests for entry shall be made in advance. Entry shall be made at a time convenient to the Owner, except in the case of an emergency, when such right shall be immediate. No such entry shall be deemed to constitute a trespass or otherwise create any right of action in the Owner of such Lot. The right of entry granted by this subsection is in addition to the Association's enforcement rights and applies only to Lots upon which the Association has maintenance responsibilities as provided for in the Governing Documents.

**3.2.2 Easement for Encroachment.** If any part of the Common Areas encroaches on a Lot, an easement for the encroachment and for maintenance shall exist. ## **4 PROPERTY AND USE RIGHTS IN COMMON AREA**

### **4.1 Member's Right of Enjoyment**

**4.1.1** The Project will have Common Areas as designated in the Map for the benefit of all owners. Every member of the Association shall have a non-exclusive right and easement for the use, benefit and enjoyment in and to the Common Area, but not Limited Common Area, and such nonexclusive right and easement shall be appurtenant to and shall pass with the title to every Lot, subject to the restrictions herein set forth.

Each Owner and Resident shall comply with the covenants and restrictions imposed by this Declaration on the use and enjoyment of the Common Area. Further, each Owner and Resident shall fully and faithfully comply with the rules, regulations and restrictions applicable to use of the Common Area, as such rules, regulations and restrictions are from time to time adopted by the Association for the safety, care, maintenance, good order and cleanliness of the Common Area.

## **5 MAINTENANCE**

### **5.1 Association Responsibility**

The Association shall improve, develop, supervise, manage, operate, examine, insure, inspect, care for, repair, replace, restore and maintain the Common Areas. The Association shall also maintain, repair, and replace the exterior finished surfaces of the walls, soffit, fascia, and roofs of the Living Units.

There shall be no obstructions of the Common Areas by the Owners, Residents, and their tenants, guests or invitees without the prior written consent of the Board. The Board may by Rules and Regulations prohibit or limit the use of the Common Areas as may be reasonably necessary for protecting the interests of all the Owners or protecting the Lots or the Common Areas.

The Board, after notice and opportunity for hearing, or in the case of an emergency immediately, may assume the maintenance responsibility over a Lot or Living Unit if, in the opinion of the Board, the Owner is unwilling or unable to adequately provide such maintenance. Should the

Board exercise its right under this provision, it shall not be liable for trespass or nuisance and shall have the right to levy an Individual Assessment to recover its maintenance costs.

### 5.2 Owner Responsibility

Unless otherwise assigned to the Association in 5.1, all maintenance, repair, and replacement of the Lots, Living Units, Limited Common Area, and improvements shall be the sole responsibility of the Owner thereof, who shall maintain such Lot and Living Unit in good repair and in accordance with the Governing Documents and Master Governing Documents. Maintenance, repair, and replacement responsibility shall include, by way of illustration only: all interior and structural components; exterior doors, exterior door frames, exterior door casings, exterior door jambs, exterior door hardware, thresholds, and any weatherproofing required for the exterior doors; garage doors, garage door casing and molding, garage door hardware and openers; windows, window frames, window casing, window hardware, any weatherproofing required for the windows; driveways, walkways, patios, or any other concrete adjoining the Lot; exterior light fixtures, exterior electrical outlets, light bulbs; HVAC installations; plumbing installations; electrical installations; and any other component of the Living Unit, Limited Common Area, or Lot not expressly assumed by the Association.

### 5.3 Party Walls

Each wall used as the dividing line between Living Units is a party wall. Nothing in this section shall alter or limit the general rules of law regarding party walls and liability for damage due to negligence, or willful acts or omissions. The cost of reasonable repair and maintenance of party walls shall be shared by the Owners who use the party wall in proportion to their use. If a party wall is destroyed or damaged by fire or other casualty, and is not a covered loss under insurance, either Owner may restore the wall and the other Owner shall contribute to the cost of restoration in proportion to the damage sustained by the Owner compared to all damage to the party wall. The right of an Owner to contribution from any other Owner for party wall costs shall be appurtenant to and run with the land and shall pass to an Owner's successor in title.

## 6 ASSESSMENTS

### 6.1 Covenant for Assessment

By accepting a deed or other conveyance, each Owner covenants and agrees to pay the Association all regular assessments, special assessments, supplemental assessments, individual assessments, late penalties, and collection costs (including attorney's fees) whether or not a lawsuit is commenced. No Owner may exempt themselves from liability for assessments by abandonment of their Lot, failure of the Association to maintain the Common Areas, or non-use of the Common Areas. Except for foreclosures, the personal obligation for unpaid assessments, late fees, interest, and collection costs, including attorney's fees, shall pass to the successor in title. A successor in title is entitled to a statement from the Association setting forth the amounts due by the prior owner. The amounts set forth in the statement shall be binding upon the Association. If an Owner loses their Lot to foreclosure or voluntarily conveys it, they shall remain personally liable for unpaid assessments, late fees, interest, and collection costs (including attorney's fees).

### 6.2 Declarant's Covenant for Assessments

Declarant shall not initially be obligated to pay assessments. However, during the period that Declarant owns lots where the residence is being constructed, the Declarant shall provide the

difference between the Association's expenses and actual assessment collections.

Once an occupancy permit is issued for any residence the Declarant is constructing, the Declarant will in the month following the issuance of the occupancy permit have the same financial responsibility toward assessments as any other owner. If a sale of the unit is not concluded within 9 months of the issuance of the occupancy permit the Declarant will be responsible for an initial transfer fee.

### **6.3 Annual Budget**

The Board shall prepare an annual budget for the Association. The annual budget shall provide for: the maintenance, repair, and replacement of the Common Areas; maintenance of other areas required to be maintained by the Association; insurance; all other Common Expenses; and the administration, management, operation, and reserves of the Association. If the Board fails to adopt an annual budget, the last adopted budget shall continue in effect.

### **6.4 Reserve Account**

The Association shall establish a reserve account to fund long-term maintenance and replacement items. The Board shall use reasonable efforts, subject to the Owners rights under the Community Associations Act, to fund the reserve account. The Board shall not be personally liable for failure to fund the reserve unless gross negligence or intentional misconduct is proven in a court of law.

### **6.5 Regular Assessment**

The Association may collect the regular assessment on an annual basis, semi-annual basis, quarterly basis, or monthly basis. Written notice of the regular assessment amount and payment schedule shall be sent to Owners at least 30 days in advance of the beginning of the fiscal year for which the regular assessment will be due. Apart from the initial notice of regular assessment, the Association is not obligated to send periodic invoices for regular assessments. If the Board fails to adjust a regular assessment, the amount of the last regular assessment and payment schedule will continue in effect, whether or not notice is sent.

### **6.6 Special Assessment**

The Association may levy a special assessment for the purpose of defraying in whole or in part the cost of any construction, reconstruction, maintenance, repair, or replacement of the Common Areas or exteriors of Lots. The Association may levy a special assessment up to 50% of the annual budget without approval from the Owners. If a special assessment exceeds 50% of the annual budget, it must be approved by a majority of the owners.

### **6.7 Supplemental Assessment**

If the regular assessments are inadequate to pay the Common Expenses, the Board shall determine the amount of the shortfall. Once the amount of the shortfall is determined, the Board shall adopt a supplemental budget. The Association may levy a supplemental assessment to fund the supplemental budget. The Association may levy a supplemental assessment up to 50% of the original annual budget without approval from the Owners. If a supplemental assessment exceeds 50% of the original annual budget, it must be approved by a majority of the owners.

### **6.8 Individual Assessment**

Any expenses attributable to less than all the Lots may be assessed exclusively against the affected Lots. Individual assessments include, without limitation:

**6.8.1** Assessments levied against a Lot to reimburse the Association for costs incurred in correcting a violation of the Governing Documents;

**6.8.2** Fines, late fees, interest, collection costs (including attorney's fees);

**6.8.3** Services provided to a Lot due to an Owner's failure to maintain, for emergency repairs, or to protect the health, safety, and welfare of adjoining Lots and Common Areas;

**6.8.4** Reinvestment or transfer fees due at the transfer of a Lot; and

**6.8.5** Any charge described as an individual assessment by the Governing Documents;

#### **6.9 Apportionment of Assessments**

Regular, special, and supplemental assessments will be apportioned equally among the Lots. Individual assessments shall be apportioned exclusively to the Lots benefitted or affected.

#### **6.10 Nonpayment of Assessment**

Assessments not paid within 10 days after the due date established by the Board will be late and subject to interest at 18% per annum on any delinquent balance and a \$25.00 late fee. Late fees may only be charged once per missed payment.

#### **6.11 Application of Payments**

Payments shall be credited first to collection costs (including attorney's fees), then to interest and late fees, then to the oldest assessments, then the most recent assessments.

#### **6.12 Acceleration**

If an Owner fails to pay their assessments for 61 days or more, the Board may elect to accelerate the remainder of the Assessments due that year.

#### **6.13 Suspension of Voting Rights**

If an Owner has a delinquent assessment balance, the Association may suspend their right to vote.

#### **6.14 Lien for Assessment**

All assessments, late fees, interest, and collection costs (including attorney's fees) not timely paid shall be a charge and continuing lien upon each Lot against which the assessment is made. The Association shall file a notice of lien with the county recorder as evidence of nonpayment.

#### **6.15 Enforcement of Lien**

Without waiving its right to personally pursue an Owner for unpaid assessments, the Association may foreclose its lien in the same manner as deeds of trust, mortgages, or any other manner permitted by Utah law.

#### **6.16 Termination of Utilities/Access to Recreational Facilities**

If an Owner fails to pay their assessments, the Association may terminate utility services paid in common and access to recreational facilities. The Board shall establish procedures for terminating utilities and access to recreational facilities, which shall comply with the Community Association Act.

#### **6.17 Collection of Rent from Tenant**

If an Owner rents their Lot and fails to pay their assessments, the Association may demand the tenants to pay the Association any rent owed to the Owner. Payment of rent to the Association shall not be a violation of the lease by the tenant. The Board shall establish procedures for

collecting rents from tenants, which shall comply with the Community Association Act.

#### 6.18 Appointment of Trustee

The Owners hereby convey and warrant pursuant to U.C.A. Sections 57-1-20 and 57-8a-402 to a member of the Utah State Bar, with power of sale, the Lot and all improvements to the Lot for the purpose of securing payment of assessments under the terms of the Declaration.

#### 6.19 Subordination of Lien

A lien for assessments shall be subordinate to a first Mortgage now or hereafter placed upon a Lot. The sale of a Lot pursuant to foreclosure of a first Mortgage shall extinguish the lien for assessments which became due prior to the foreclosure sale. A foreclosure will not relieve the purchaser's obligation to pay six months of assessments, late fees, and penalties.

## 7 RESTRICTIONS ON USE

### 7.1 Use of Lots - Residential Use

Each of the Lots in the Project is limited to single-family, residential use only. The use is further defined by Washington County zoning code. Each Lot and Owner is subject to the uses and restrictions imposed by such restrictions (including any parking restrictions).

### 7.2 No Obstruction of Common Areas

### 7.3 Cancellation of Insurance, Illegal Activity

Nothing shall be done or kept in any Lot or in the Common Areas or any part thereof which would result in the cancellation of the insurance on the Project or any part thereof or increase of the rate of the insurance on the Project or any part thereof or increase of the rate of the insurance on the Project or any part thereof over what the Board, but for such activity, would pay, without the prior written consent of the Board.

Nothing shall be done or kept in any Lot or in the Common Areas or any part thereof which would be a violation of any statute, rule, ordinance, regulation, permit or other validly imposed requirement of any governmental body. No damage to, or waste of, the Common Areas or any part thereof shall be committed by any Owner or any invitee of any Owner, and each Owner shall indemnify and hold the Board and the Owners harmless against all loss resulting from any such damage or waste caused by him or his invitees.

### 7.4 Nuisances

No Resident shall create, maintain or permit a nuisance in, on or about the Project. For purposes of this section a "nuisance" includes behavior which annoys, disturbs or interferes with other Residents and interferes with their right to the quiet and peaceful enjoyment of their property. A nuisance includes but is not limited to the following:
