The property which is initially associated with the Development and which is and shall be held, transferred, sold, conveyed and occupied subject to the provisions of this Declaration consists of the real property situated in Washington County, State of Utah, and more particularly described in Exhibit "A" attached hereto and incorporated herein by this reference.

TOGETHER WITH all easements, rights-of-way, and other appurtenances and rights incident to, appurtenant to, or accompanying the above-described parcel of real property.

ALL OF THE FOREGOING IS SUBJECT TO: all liens for current and future taxes, assessments, and charges imposed or levied by governmental or quasi-governmental authorities; all Patent reservations and exclusions; any mineral reservations of record and rights incident thereto; all instruments of record which affect the above-described land or any portion thereof, including, without limitation, any mortgage or deed of trust; all visible easements and rights-of-way; all easements and rights-of-way of record; any easements, rights-of-way, encroachments, or discrepancies otherwise existing; an easement for each and every pipe, line, cable, wire, utility line, or similar facility which traverses or partially occupies the above-described land at such time as construction of all Project improvements is complete; and all easements necessary for ingress to, egress from, maintenance of, and replacement of all such pipes, lines, cables, wires, utility lines, and similar facilities.

512621

RESERVING UNTO DECLARANT, however, such easements and rights of ingress and egress over, across, through, and under the above-described land and any improvements now or hereafter constructed thereon as may be reasonably necessary for Declarant or for any assignee or successor of Declarant (in a manner which is reasonable and not inconsistent with the provisions of this Declaration): (i) To construct and complete each of the Living Units on the Lots and all of the other improvements as Declarant deems to be appropriate, and to do all things reasonably necessary or proper in connection therewith; (ii) To construct and complete on the Phase II Land or any portion thereof such improvements as Declarant or said assignee or successor shall determine to build in its sole discretion; (iii) To improve portions of the Property with such other or additional improvements, facilities, or landscaping designed for the use and enjoyment of all the Owners as Declarant or as such assignee or successor may reasonably determine to be appropriate. If, pursuant to the foregoing reservations, the above described land or any improvement thereon is traversed or partially occupied by a permanent improvement or utility line, a perpetual easement for such improvement or utility line shall exist. With the exception of such perpetual easements, the reservations hereby effected shall, unless sooner terminated in accordance with their terms, expire seven (7) years after the date on which this Declaration is filed for record in the office of the County Recorder of Washington County, Utah.

### III. MEMBERSHIP AND VOTING RIGHTS

1. Membership. Every Owner shall be a Member of the Association. Membership in the Association shall be mandatory, shall be appurtenant to the Lot in which the Owner has the necessary interest, and shall not be separated from the Lot to which it appertains.

2. Voting Rights. The Association shall have the following described two classes of voting membership:

Class A. Class A Members shall be all the Owners other than the Declarant. Class A Members shall be entitled to one vote for each Lot in which the interest required for membership in the Association is held. In no event, however, shall more than one Class A vote exist with respect to any Lot.

Class B. The Class B Member shall be the Declarant. The Class B Member shall be entitled to five (5) votes for each Lot in which it holds the interest required for membership in the Association. The Class B membership shall automatically cease and be converted to Class A membership on the first to occur of the following events:

(a) When the total number of votes held by all Class A members equals the total number of votes held by the Class B Member.

212621

(b) The expiration of seven (7) years after the date on which this Declaration is filed for record in the office of the County Recorder of Washington County, Utah.

3. Multiple Ownership Interests. In the event there is more than one Owner of a particular Lot, the vote relating to such Lot shall be exercised as such Owners may determine among themselves. A vote cast at any Association meeting by any of such Owners, whether in person or by proxy, shall be conclusively presumed to be the vote attributable to the Lot concerned unless an objection is immediately made by another Owner of the same Lot. In the event such an objection is made, the vote involved shall not be counted for any purpose whatsoever other than to determine whether a quorum exists.

#### IV. PROPERTY RIGHTS IN COMMON AREAS

1. Easement of Enjoyment. Each Member shall have a right and easement of use and enjoyment including, but not limited to, the right of ingress and egress to and from his Lot and in and to the Common Areas. Such right and easement shall be appurtenant to and shall pass with title to each Lot and in no event shall be separated therefrom. Any Member may permit any person to the use and enjoyment described herein to any tenant, lessee, or contract purchaser who resides on such Member's Lot.

2. Form For Conveyancing. Any deed, lease, mortgage, deed of trust, or other instrument conveying or encumbering title to a Lot shall describe the interest or estate involved substantially as follows:

Lot No. \_\_\_\_\_ contained within the Park at Green Valley Planned Unit Development, as the same is identified in the Plat recorded in Book \_\_\_\_\_ at Page \_\_\_\_\_ as Entry No. \_\_\_\_\_ and in the "Declaration of Covenants, Conditions, and Restrictions of the Park at Green Valley Planned Unit Development" (the Declaration)

recorded in Book \_\_\_\_\_ at Page \_\_\_\_\_ as Entry No. \_\_\_\_\_ of the official records of Washington County, Utah TOGETHER WITH a right and easement of use and enjoyment in and to the Common Areas, described and as provided for, in the Declaration. SUBJECT TO all of the provisions of the Declaration, and subject, also, to liens for current taxes.

Whether or not the description employed in any such instrument is in the above-specified form, however, all provisions of this Declaration shall be binding upon and shall inure to the benefit of any party who acquires any interest in a Lot.

3. Transfer of Title. Declarant agrees that it shall, on or prior to the first conveyance of a Lot, convey to the Association title to all Common Areas of the Development, and Declarant further agrees that it will discharge all liens and encumbrances on said Common Areas on or before the sale and closing of the last Lot in the Development.

4. Limitation on Easement. A Member's right and easement of use and enjoyment concerning the Common Areas shall be subject to the following:

812671 (a) The right of the Association to suspend a Member's right to the use of any amenities included in the Common Areas for any period during which an assessment on such Member's Lot remains unpaid and for a period not exceeding ninety (90) days for any infraction by such Member of the provisions of this Declaration or of any rule or regulation promulgated by the Association;

(b) The right of the Association to impose reasonable limitations on the number of guests per Member who at any given time are permitted to use the Common Areas;

(c) The right of the County of Washington and any other governmental or quasi-governmental body having jurisdiction over the Property to access and rights of ingress and egress over and across any street, parking area, walkway, or open spaces contained within the Property for purposes of providing police and fire protection, and providing any other governmental or municipal service; and

(d) The right of the Association to dedicate or transfer all or any part of the Common Areas to any public agency or authority for such purposes and subject to such conditions as may be agreed to by the Association. Any such dedication or transfer must, however, be assented to by two-thirds (2/3) of the vote of each class of membership which Members present in person or by proxy are entitled to cast at a meeting duly called for the purpose. Written or printed notice setting forth the purpose of the meeting and the action proposed shall be sent to all Members at least ten (10) days but not more than thirty (30) days prior to the meeting date.

5. Encroachments. If any portion of a Living Unit constructed by Declarant, or if any portion of a Living Unit reconstructed so as to substantially duplicate the Living Unit originally constructed by Declarant, encroaches upon the Common Areas or other Lots, as a result of the construction, reconstruction, repair, shifting, settlement or movement of any portion of the development, a valid easement for the encroachment and for the maintenance of the same shall exist so long as the encroachment exists.

212621

## V. ASSESSMENTS

1. Personal Obligation and Lien. Declarant, for each Lot owned by it, and each Owner shall, by acquiring or in any way becoming vested with his interest in a Lot, be deemed to covenant and agree to pay to the Association the monthly and the special assessments described in this Article, together with the hereinafter provided for interest and costs of collection. All such amounts shall be, constitute, and remain: (a) a charge and continuing lien upon the Lot with respect to which such assessment is made; and (b) the personal obligation of the person who is the owner of such Lot at the time the assessment falls due. No Owner may exempt himself or his Lot from liability for payment of assessments by waiver of his rights concerning the Common Areas or by abandonment of his Lot. Any such lien, however, shall be subordinate to the lien or equivalent security interest of any first Mortgage on the unit recorded prior to the date any such common expense assessments become due.

2. Purpose of Assessments. Assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, and welfare of residents of the Property. The use made by the Association of funds obtained from assessments may include payment of the cost of: taxes and insurance on the Common Areas; maintenance, repair, replacement, and improvement of the Common Areas; management and supervision of the Common Areas; establishing and funding a reserve to cover major repair or replacement of improvements within the Common Areas; and any expense necessary or desirable to enable the Association to perform or fulfill its obligations, functions, or purposes under this Declaration or its Articles of Incorporation.

3. Basis for Assessment. Each Living Unit which is certified for occupancy and each unimproved Lot which has been conveyed to an Owner shall be assessed at a same and equal rate. For the purpose of assessment, the term "Owner" shall exclude the Declarant, builder, contractor, investor, or other person or entity who purchases a Lot for the purpose of constructing improvements thereon for resale to an Owner.

4. Special Assessments. In addition to the annual assessments authorized above, the Association may levy special assessments for the purpose of defraying, in whole or in part: (a) any expense or expenses not reasonably capable of being fully paid with funds generated by monthly assessments; or (b) the cost of any construction, reconstruction, or unexpectedly required repair or replacement in connection with the Common Areas. Any such special assessment must be assented to by more than fifty percent (50%) of all votes which Members present in person or represented by proxy are entitled to cast at a meeting

duily called for the purpose. Written notice setting forth the purpose of the meeting shall be sent to all Members at least ten (10) days but not more than thirty (30) days prior to the meeting date.

5. Quorum Requirements. The quorum required for any action authorized by Section 4 above shall be as follows: at the first meeting called the presence of Members or of proxies entitled to cast sixty percent (60%) of all outstanding votes shall constitute a quorum. If a quorum is not present at the first meeting or any subsequent meeting, another meeting may be called (subject to the notice requirements set forth in Section 4) at which a quorum shall be one-half of the quorum which was required at the immediately preceding meeting. No such subsequent meeting shall be held more than forty-five (45) days following the immediately preceding meeting.

6. Equal Rate of Assessment. Both monthly and special assessments shall be fixed at a uniform (equal) rate for all Lots.

212621

7. Monthly Assessment Due Dates. The monthly assessments provided for herein shall commence as to all Lots on the date deed is delivered to first purchaser of a Lot (or contract of sale) or the date of occupancy under an occupancy agreement whichever first occurs. The first monthly assessment shall be adjusted according to the number of days remaining in the month of conveyance, contract or occupancy, as the case may be. At least 15 days prior to the effective date of any change in amount of the monthly assessment the Association shall give each Owner written notice of the amount and the first due date of the assessment concerned.

8. Certificate Regarding Payment. Upon the request of any Owner or Prospective purchaser or encumbrancer of a Lot the Association shall issue a certificate stating whether or not all assessments respecting such Lot are current and, if not, the amount of the delinquency. Such certificate shall be conclusive in favor of all persons who in good faith rely thereon.

9. Effect of Nonpayment -- Remedies. Any assessment not paid when due shall, together with the hereinafter provided for interest and costs of collection, be, constitute, and remain a continuing lien on the Lot, provided, however, that any such lien will be subordinate to the lien or equivalent security interest of any first mortgage on the Lot recorded prior to the date any such assessments become due. The person who is the Owner of the Lot at the time the assessment falls due shall be and remain personally liable for payments. Such personal liability shall not pass to the Owner's successors in title unless expressly assumed by them. If the assessment is not paid within thirty (30) days after the date on which it becomes delinquent,

the amount thereof shall bear interest from the date of delinquency at the rate of twelve percent (12%) per annum plus late payment service charge equal to five (5) percent of each delinquent amount due and the Association may, in its discretion, bring an action either against the Owner who is personally liable or to foreclose the lien against the Lot. Any judgment obtained by the Association shall include reasonable attorney's fees, court costs, and each and every other expense incurred by the Association in enforcing its rights.

10. Tax Collection From Lot Owners by Washington County Authorized. It is recognized that under the Declaration the Association will own the Common Areas and that it will be obligated to pay property taxes to Washington County. It is further recognized that each Owner of a Lot as a Member of the Association and as part of his monthly common assessment will be required to pay to the Association his prorata share of such taxes. Notwithstanding anything to the contrary contained in the Declaration, or otherwise, Washington County shall be, and is, authorized to collect such prorata share (on equal basis) of taxes directly from each Owner by inclusion of said share with the tax levied on each Lot. To the extent allowable, Washington County is hereby directed so to do.

212621

## VI. OPERATION AND MAINTENANCE

1. Maintenance of Lots and Living Units. Each Lot (except for the Front Yard Area) and Living Unit shall be maintained by the Owner thereof so as not to detract from the appearance of the Property and so as not to affect adversely the value or use of any other Lot or Living Unit. The Association shall have no obligation regarding maintenance or care of Lots or Living Units except as provided in Paragraph 2 of this Article VI.

2. Operation and Maintenance by Association. The Association, by its duly delegated representative, shall provide for such maintenance and operation of the Common Areas as may be necessary or desirable to make them appropriately usable in conjunction with the Lots and to keep them clean, functional, attractive and generally in good condition and repair. In addition thereto, the Association shall maintain, repair and restore the Front Yard Area of each Lot including, but not by way of limitation, grass, landscaping, shrubs, watering and the sprinkling system. In the event that special need for maintenance or repair of the Front Yard Area should be necessitated through wilful or negligent act of the Member, his family or guests, or invitees, the cost of such maintenance shall be added to and become a part of assessment to which such Lot is subject. Notwithstanding the provisions regarding Lot (except the Front Yard Area) and Living Unit maintenance by Owners, in the event an Owner of any Lot in the Property shall fail to maintain his Lot (excluding Front Yard Area) and the exterior of his Living Unit situated thereon in a manner satisfactory to the Architectural Control Committee or the Board, the Association, after approval by 2/3 vote of the Board, shall have the right, through its agents, employees, or through an independent contractor to enter upon his Lot and repair, maintain, and restore the portion of the Lot maintainable by the Owner and the exterior of his Living Unit and any other improvements

erected thereon (but not the interior of his living Unit). The cost of such exterior maintenance shall be added to and become part of the assessment to which Lot is subject.

3. Water and Garbage Removal. The Association shall pay for all water and garbage removal services furnished to each Lot. Each Lot Owner shall pay for all utility services which are separately billed or metered to individual Lots by the utility or other party furnishing such service.

4. Insurance. The Association shall secure and at all times maintain the following insurance coverages:

212621 (a) A policy or policies of fire and casualty insurance, with extended coverage endorsement, for the full insurable replacement value of all improvements comprising a part of the Common Areas. The name of the insured under each such policy shall be in form and substance similar to: "The Park at Green Valley Homeowners Association for the use and benefit of the individual Lot Owners and Mortgagees, as their interests may appear".

(b) A comprehensive policy or policies insuring the Owners, the Association, and its directors, officers, agents, and employees against any liability incident to the ownership, use or operation of the Common Areas which may arise among themselves, to the public, and to any invitees or tenants of the Property or of the Owners. Limits of liability under such insurance shall not be less than \$1,000,000.00 for all claims for personal injury and/or property damage arising out of a single occurrence, such coverage to include protection against water damage, liability for non-owned or hired automobile, liability for property of others, and such other risks as shall customarily be covered with respect to projects similar in construction, location and use. Such policies shall be issued on a comprehensive liability basis, shall provide a cross-liability endorsement pursuant to which the rights of the named insureds as between themselves are not prejudiced, and shall contain "a severability of interest" clause or endorsement to preclude the insurer from denying the claim of an Owner in the Development because of negligent acts of the Association or other Owners.

The following additional provisions shall apply with respect to insurance:

(1) In addition to the insurance described above, the Association shall secure and at all times maintain insurance against such risks as are or hereafter may be customarily insured against in connection with developments similar to the Property in construction, nature, and use.

(2) All policies shall be written by a company holding a rating of Class VI or better from Best's

Insurance Reports. Each insurer must be specifically licensed in the State of Utah.

(3) The Association shall have the authority to adjust losses.

(4) Insurance secured and maintained by the Association shall not be brought into contribution with insurance held by the individual Owners or their Mortgagees.

212621  
(5) Each policy of insurance obtained by the Association shall, if reasonably possible, provide: A waiver of the insurer's subrogation rights with respect to the Association, the Owners, and their respective directors, officers, agents, employees, invitees, and tenants; that it cannot be cancelled, suspended, or invalidated due to the conduct of any particular Owner or Owners; that it cannot be cancelled, suspended, or invalidated due to the conduct of the Association or of any director, officer, agent, or employee of the Association without a prior written demand that the defect be cured; that any "no other insurance" clause therein shall not apply with respect to insurance held individually by the Owners.

(6) Notwithstanding any provisions to the contrary herein, so long as the Mortgagee or its designee holds a mortgage or beneficial interest in a trust deed on a Lot in the Development or owns a Lot, insurance policies shall meet all requirements and contain such other coverage and endorsements as may be required from time to time by the Mortgagee or its designee.

(7) Fidelity Coverage. The Association shall maintain fidelity coverage to protect against dishonest acts on the part of trustees, officers, manager, employees of the Association and all others (including volunteers) who handle, or are responsible for handling, funds of the Association. Such fidelity bonds shall:

(a) name the Association as an obligee as the name insured;

(b) be written in an amount sufficient to provide protection which is in no event less than one and one-half (1-1/2) times the Association's estimated annual operating expenses and reserves;

(c) contain waivers of any defense based upon the exclusion of volunteers or persons who serve without compensation from any definition of "employee" or similar expression; and

(d) provide that they may not be cancelled or substantially modified (including cancellation for non-payment of premium) without at least thirty (30) days' prior written notice to all first Mortgagees of Lots.

(8) Mortgagee Clause. All policies of hazard insurance must contain or have attached the standard mortgagee clause commonly accepted by private institutional mortgage investors in the area in which the mortgaged premises are located. The mortgagee clause must provide that the insurance carrier shall notify the first Mortgagee (or trustee) named at least ten (10) days in advance of the effective date of any reduction in or cancellation of the policy.

(9) Review of Insurance. The Board shall periodically, and whenever requested by twenty percent (20% or more) of the Owners, review the adequacy of the Association's insurance program and shall report in writing the conclusions and each taken on such review to the Owner of each Lot and to the holder of any mortgage on any Lot who shall have requested a copy of such report. Copies of every policy of insurance procured by the Board shall be available for inspection by the Owner.

212621

(10) Lots Not Insured by Association. The Association shall have no duty or responsibility to procure or maintain any fire, liability, extended coverage or other insurance covering any Lot and acts and events thereon. Accordingly, each Owner shall secure and keep in force at all times fire and extended coverage insurance which shall be equal to or greater than fire and extended coverage and shall be at least equal to that commonly required by private institutional mortgage investors in the area in which the Mortgaged premises are located. The policy shall provide, as a minimum, fire and extended coverage insurance on a replacement cost basis in an amount not less than that necessary to comply with any co-insurance percentage stipulated in the policy. The amount of coverage shall be sufficient so that in the event of any damage or loss to the Mortgaged premises of a type covered by the insurance, the insurance proceeds shall provide at least the lesser of: (i) compensation equal to the full amount of damage or loss, or (ii) compensation to the first Mortgagee under the Mortgage equal to the full amount of the unpaid principal balance of the Mortgage Loan. However, the Board may choose to obtain a master policy of insurance. If the Board elects so to do, such policy shall be in an amount equal to full replacement value of all Living Units on the Lots with a co-insurance clause and each Owner of such Lots shall be designated as additional insured. The cost of such insurance shall be part of the assessment for such Lot.

(11) Unacceptable Policies. Policies are unacceptable where: (i) under the terms of the carrier's charter, bylaws or policy, contributions or assessments may be made against the Lot Owner or Mortgagee or Mortgagee's designee; or (ii) by the terms of the carrier's charter, bylaws or policy, loss payments are contingent upon action by carrier's board of directors, policyholders, or members; or (iii) the policy includes any limiting clauses (other than insurance conditions) which could prevent Lot Owner, Mortgagee or Mortgagee's Designee from collecting insurance proceeds.

212621

(12) The Development is not located in an area identified by the Housing and Urban Development as an area having special flood hazards. In the event that at some future time the Development should be declared to be in such flood area, a blanket policy of flood insurance on the Project shall be maintained in the amount of the aggregate of the outstanding principal balances of the mortgage loans on the Living Units comprising the Development or the maximum limit of coverage available under the National Flood Insurance Act of 1968, as amended, whichever is less. The name of the insured under each required policy must be in form and substance as that required by the Federal Home Loan Mortgage Corporation at any given time.

5. Manager. The Association may carry out through a Manager any of its functions which are properly the subject of delegation. Any Manager so engaged may be an independent contractor or an agent or employee of the Association, shall be responsible for managing the Property for the benefit of the Association and the Owners, and shall, to the extent permitted by law and the terms of the agreement with the Association, be authorized to perform any of the functions or acts required or permitted to be performed by the Association itself.

6. Terms of Management Agreement. Any agreement for professional management of the Development, or any other contract providing for services of the Declarant, sponsor, or builder, may not exceed three (3) years. Any such agreement must provide for termination by either party without cause and without payment of a termination fee on ninety (90) days or less written notice.

## VII. USE RESTRICTIONS

1. Use of Common Areas. The Common Areas shall be used only in a manner consistent with their community nature and with the use restrictions applicable to Lots and Living Units. No admission fees, charges for use, leases, or other income-generating arrangement of any type shall be employed or entered into with respect to any portion of the Common Areas, provided, however, that for a period of not less than three (3) years from the effective date of this Declaration and until 60% of the Lots have been conveyed to purchasers, Declarant reserves the right to permit persons not owning Lots or occupying Living Units in the Development to use the recreational facilities thereof upon payment of such admission fees or charges as the Association shall determine to be appropriate.

2. Use of Lots and Living Units. All Lots are improved with Living Units and are restricted to such use. Each Lot has been or will be improved with a Living Unit, each to be used only as a single-family residence. No Lot or Living Unit shall be used, occupied, or altered in violation of law, so as to create a nuisance or interfere with the rights of any Owner or in a way which would result in an increase in the cost of any insurance covering the Common Areas.

3. Setback Requirements. No Living Unit or other structure shall be located on any Lot nearer than 15 feet to the front lot line or nearer than 10 feet to any side street Lot line. No Living Unit or other structure shall be located nearer than 10 feet to an interior side Lot line nor nearer than 5 feet to the rear Lot line.

4. Accessory Buildings. Living Units may include the following accessory buildings and structures not used for residential occupancy: private garage for the storage of not more than three (3) automobiles with a closing door owned by persons residing on the Property; small greenhouses for private use only; private swimming pools; pergolas and arbors.

5. Garage Required. Every Living Unit must have a minimum of a two-car garage attached to the Living Unit with a closing door.

6. Driveways. Driveways for Living Units must be large enough to accommodate two (2) parked automobiles.

7. Minimum Square Footage. The minimum square footage requirements for any Living Unit shall be 1,000 square feet of finished interior feet exclusive of garages, patios, balconies, decks or other semi-external space.

212621

8. Fences. No fences will be allowed in the front yards or in side yards from the average front line of the Living Unit forward. Fence hedges and landscaping will be permitted.

9. Non-residential Use. No part of the Property shall be used for any commercial, manufacturing mercantile, storing, vending, or other such non-residential purposes. Declarant, its successors or assigns, may use the Property for a model home site display, and may use including, but not limited to, the lounge area of the clubhouse, as a sales office during the construction and sales period.

10. Signs. No sign or billboard of any kind shall be displayed to the public view on any portion of the Property or any Lot advertising the property for sale or rent except signs used by Declarant, its successors or assigns, to advertise the property during the construction and sales period.

11. Quiet Enjoyment. No noxious or offensive trade or activity shall be carried on upon any Lot or any part of the Property, nor shall anything be done thereon which may be or may become an annoyance or nuisance to the neighborhood, or which shall in any way interfere with the quiet enjoyment of each of the owners of his respective Living Unit or which shall in any way increase the rate of insurance.

12. Temporary Structures, Equipment and Motor Vehicles, Etc. No structure of a temporary character, trailer, basement, tent, shack, garage, barn, or other out building shall be used on any lot at any time as a residence, either temporarily or permanently. Upon completion of such work and payment in full therefor, any proceeds of condemnation then or thereafter in the hands of the Association which are proceeds for the taking of any portion of the Common Areas shall be disposed of in such manner as the Association shall reasonably determine; provided, however, that in the event of a taking in which any Lot is eliminated, the Association shall disburse the portion of the proceeds of the condemnation award allocable to the interest of the Owner of such Lot to such Owner and any first Mortgagee of such Lot, as their interests shall appear, after deducting the proportionate share of said Lot in the cost of debris removal.

First mortgagees may, jointly or singly, pay taxes or other charges which are in default and which may or have become a charge against any portion of the Common Areas and may pay overdue premiums on hazard insurance policies, or secure new hazard insurance coverage on the lapse of a policy, for the Common Areas; and first Mortgagees making such payments shall be owed immediate reimbursement therefor from the Association. Declarant, for the Association as owner of the Common Areas, hereby covenants and the Association by acceptance of the conveyance of the Common Areas, whether or not it shall be so expressed in such conveyance, is deemed to covenant and agree to make such reimbursement.

7. Exemption from any First Right of Refusal. Any first Mortgagee and any purchaser therefrom who obtains title to the Lot pursuant to the remedies provided in the first Mortgage, or by foreclosure of the first Mortgage, or by deed or assignment in lieu of foreclosure, or by sale pursuant to any power of sale or otherwise shall be exempt from any "right of first refusal" which would otherwise affect the Lot.

#### XI. ANNEXATION OF ADDITIONAL LAND

1. Annexation by Declarant. Declarant will expand the Property subject to this Declaration by the annexation of all of Phase II Land. The annexation of such land shall become effective upon the recordation in the office of the County Recorder of Washington County, Utah of a Supplementary Declaration which (i) describes the land to be annexed or incorporated by reference the description contained in Phase II portion of the Plat, (ii) declares that the annexed land is to be held, sold, conveyed, encumbered, leased, occupied and improved as part of the Property subject to the Declaration, and (iii) sets forth such additional limitations, restrictions, covenants and conditions as are applicable to the annexed land. When such annexation becomes effective, the annexed land shall become part of the Property. Such annexation may be accomplished in one or more annexations.

2. Limitation on Annexation. Declarant's right to annex said land to the Property shall be subject to the following limitations:

(a) The annexed land must be part of the land which is Phase II Land as of the date of this Declaration.

(b) Declarant shall not effectuate any annexation of land which would cause the total number of living units existing on, or planned for, the Property to exceed 131 Lots.

(c) Declarant's right to annex land to the Property shall expire seven (7) years after this Declaration is filed for record in the office of the County Recorder of Washington County, Utah.

212621

3. Supplementary Declaration. The annexation authorized under the foregoing section shall be made by filing of record a Supplementary Declaration of Covenants, Conditions and Restrictions or similar instrument, with respect to the additional property which shall extend the plan of this Declaration to such property.

Such Supplementary Declaration contemplated above may contain such complementary additions and modifications of the covenants, conditions and restrictions contained in this Declaration as may be necessary to reflect the different character, if any, of the added property and as are not inconsistent with the plan of this Declaration.

The recordation of such Supplementary Declaration shall constitute and effectuate the annexation of the said real property described therein, making said real property subject to this Declaration and subject to the functions, powers and jurisdiction of the Association, and thereafter all of the owners of Lots in said real property shall automatically be members of the Association.

4. Declarant's Right to Amend. Until all portions of the Phase II Land are included in the Development, or until the right to enlarge the Development through the addition of tracts or subdivisions terminates, whichever event first occurs, Declarant shall have, and is hereby vested with, the right to unilaterally amend the Declaration as may be reasonably necessary or desirable: (i) to more accurately express the intent of any provisions of the Declaration in the light of then existing circumstances or information; (ii) to better insure, in light of then existing circumstances or information, workability of the arrangement which is contemplated by the Declaration; or (iii) to facilitate the practical, technical, administrative or functional integration of any additional tract or subdivision into the Development.

5. Expansion of Definitions. In the event the Property is expanded the definitions used in this Declaration automatically shall be expanded to encompass and refer to the Property as so expanded. E.g., "Property" shall mean the real property described in Article II of this Declaration plus any additional real property

added by a Supplementary Declaration or by Supplementary Declarations, and reference to this Declaration shall mean this Declaration as so supplemented.

## XII. MISCELLANEOUS

1. Notices. Any notice required or permitted to be given to any Owner under the provisions of this Declaration shall be deemed to have been properly furnished if delivered or mailed, postage prepaid, to the person named as the Owner, at the latest address for such person as reflected in the records of the Association at the time of delivery or mailing. Any notice required or permitted to be given to the Association may be given by delivering or mailing the same to the Managing Agent or the President of the Association. Any notice required or permitted to be given to the Architectural Control Committee may be given by delivering or mailing the same to the Chairman or any member of such Committee.

2. Rules and Regulations. The Association shall have authority to promulgate and enforce such reasonable rules, regulations, and procedures as may be necessary or desirable to aid the Association in carrying out any of its functions or to insure that the Property is maintained and used in a manner consistent with the interests of the Owners.

212621

3. Amendment. Any amendment to this Declaration shall require: (a) the affirmative vote of at least two-thirds (2/3) of all Class A membership votes which Members present in person or represented by proxy are entitled to cast at a meeting duly called for such purpose; and, (b) so long as the Class B membership exists the written consent of Declarant. Written notice setting forth the purpose of the meeting and the substance of the amendment proposed shall be sent to all Members at least ten (10) but not more than thirty (30) days prior to the meeting date. The quorum required for any such meeting shall be as follows: At the first meeting called the presence of Members or of proxies entitled to cast sixty percent (60%) of all the votes of the Class A membership shall constitute a quorum. If a quorum is not present at the first meeting or any subsequent meeting, another meeting may be called (subject to the notice requirement set forth in the foregoing portion of this Section 3) at which a quorum shall be one-half of the quorum which was required at the immediately preceding meeting. No such subsequent meeting shall be held more than forty-five (45) days following the immediately preceding meeting. Any amendment authorized pursuant to this Section shall be accomplished through the recordation of an instrument executed by the Association (and by the Declarant if the Class B membership then exists). In such instrument an officer or director of the Association shall certify that the vote required by this Section for amendment has occurred. Notwithstanding anything herein contained to the

contrary, until eighty percent (80%) of the Lots in the Development have been sold to purchasers, Declarant shall have, and is hereby vested with, the right to unilaterally amend this Declaration as may be reasonably necessary or desirable; (a) to more accurately express the intent of any provision of this Declaration in light of then existing circumstances, information or mortgagee requirements, or (b) to better insure, in light of then existing circumstances or information, workability of the Arrangement which is contemplated by this Declaration.

4. Consent in Lieu of Vote. In any case in which this Declaration requires for authorization or approval of a transaction the assent or affirmative vote of a stated percentage of the votes present or represented at a meeting, such requirement may be fully satisfied by obtaining, with or without a meeting, consents in writing to such transaction from Members entitled to cast at least the stated percentage of all membership votes outstanding in connection with the class of membership concerned. The following additional provisions shall govern any application of this Section 4:

(a) All necessary consents must be obtained prior to the expiration of ninety (90) days after the first consent is given by any Member.

212621

(b) The total number of votes required for authorization or approval under this Section 4 shall be determined as of the date on which the last consent is signed.

(c) Except as provided in the following sentence, any change in ownership of a Lot which occurs after consent has been obtained from the Owners thereof shall not be considered or taken into account for any purpose. A change in ownership which would otherwise result in an increase in the total number of Class A votes outstanding shall, however, be effective in that regard and shall entitle the new Owner to give or withhold his consent.

(d) Unless the consent of all Members whose memberships are appurtenant to the same Lot are secured, the consent of none of such Members shall be effective.

5. Reserve Fund. The Association shall establish adequate reserve to cover the cost of reasonably predictable and necessary major repairs and replacements of the Common Areas and exterior maintenance and shall cause such reserve to be funded by regular monthly or other periodic assessments against the Lot Owners rather than by special assessments.

6. Lease Provisions. Any Owner may lease his Lot or Living Unit, provided, however, that any lease agreement between a Lot Owner and a Lessee must be in writing and must provide, inter alia, that:

(a) The terms of the Lease shall in all respects be subject to the provisions of the Declaration, Articles of Incorporation of the Association and the By-Laws; and

(b) Any failure by the Lessee to comply with the terms of such documents shall constitute a default under the lease.

7. Boat and Camper Area. The Development has, or will have a recreational vehicle and equipment parking area (RV Area) for the parking or storing of recreational vehicles and equipment including, but not by way of limitation, boats, campers, trailers, snowmobiles, trucks larger than 3/4 ton and motor homes. Every recreational vehicle and equipment owned, leased, or possessed by a Lot Owner or occupant in the Development shall be parked in the RV Area. Parking of such vehicles and equipment thereat shall be subject to (i) the payment of such rental as Association may from time to time specify, and (ii) the strict observance of the rules and regulations regarding such parking as may be promulgated from time to time by the Association.

212621

8. Reciprocity Concerning Recreational Facilities. It is anticipated by Declarant that it will create other residential developments, whether condominiums or otherwise, in the general vicinity of the Development which may contain recreational facilities (the Amenities) different from that contained in the Development. Accordingly, if and when such other developments have been created, the Lot Owners of this Development shall have the privilege of using and enjoying the amenities of other developments created by Declarant subject, however, to the reciprocal right of owners in said other developments to use and enjoy the amenities of this Development. Reciprocity provided hereunder shall be subject to such reasonable rules and regulations as the respective owners Associations may promulgate from time to time. The provisions of this Section 8 shall not be amended by the Lot Owners for a period of fifteen years from the effective date of this Declaration without the written consent of Declarant in recordable form first had and obtained.

9. Declarant's Covenant to Construct Common Areas. Declarant hereby covenants to construct all Common Areas and amenities thereto indicated on the Plat.

10. Declarant's Rights Assignable. All or any portion of the rights of Declarant under this Declaration or in any way relating to the Property may be assigned.

Whenever the context so requires the singular shall include the plural, the plural shall include the singular, the whole shall include any part thereof, and any

gender shall include both other genders. The invalidity or unenforceability of any portion of this Declaration shall not affect the validity or enforceability of the remainder hereof.

12. Covenants to Run With Land. This Declaration and all the provisions hereof shall constitute covenants to run with the land or equitable servitudes, as the case may be, and shall be binding upon and shall inure to the benefit of Declarant, all parties who hereafter acquire any interest in a Lot or in the Common Areas shall be subject to, the terms of this Declaration and the provisions of any rules, regulations, agreements, instruments, and determinations contemplated by this Declaration and failure to comply with any of the foregoing shall be ground for an action by the Association or any aggrieved Owner for the recovery of damages, or for injunctive relief, or both. By acquiring any interest in a Lot or in the Common Areas, the party acquiring such interest consents to, and agrees to be bound by, each and every provision of this Declaration.

13. Effective Date. This Declaration and any amendment hereof shall take effect upon its being filed for record in the office of the County Recorder of Washington County, Utah.

EXECUTED the day and year first above written.
