1. Description of Improvements. The improvements included in the Project are now (or will be) located on the property described in Exhibit "A" annexed hereto, which contains the surveyor's legal description.

2. Common and Limited Common Areas.

a. The Common Areas contained in the Project are described and identified in Article II of this Declaration. Neither the Percentage Interest nor the right of Exclusive use of Limited Common Area shall be separated from the Unit to which it appertains; and even though not specifically mentioned in the instrument of transfer, the Percentage Interest and such right of exclusive use shall automatically accompany transfer of the Unit to which they relate. Each Unit Owner shall, at its own cost, keep the Limited Common Areas designed for exclusive use in connection with his Unit in a clean, sanitary and attractive condition at all times.

b. The use of the Common Areas shall be limited to Owners in residence and to their tenants in residence, and to Owner's guests, invitees and licensee. The use of the Common Areas and Limited Common Areas shall be governed by the Declaration and the Rules and Regulations as initially established by the Declarant and as adopted and amended from time to time by the Management Committee.

The property, business and affairs of the Association shall be governed by the Management Committee as agent of the Association.

6. Easement of Encroachment. If any part of the Common Areas encroaches or shall hereafter encroach upon a Unit or Units, an easement for such encroachment and for the maintenance for the same shall and does exist. The Owners of the other Units shall have the irrevocable right to be exercised by the Management Committee, as its agent, to have access to each Unit and to all Common Areas from time to time during such reasonable hours as may be necessary for the maintenance, repair or replacement of any of the Common Areas located therein or accessible therefrom or for making emergency repairs therein necessary to prevent damage to the Common Area or to another Unit or Units. The Management Committee shall also have such rights independent of the agency relationship. Damage to the interior of any part of a Unit or Units resulting from the maintenance, repair, emergency repair, or replacement of any of the Common Areas or as a result of emergency repairs within another Unit at the instance of the Management Committee or of Unit Owners shall be the responsibility of the Association; provided, that if such damage is determined to be the result of negligence of the Owner of a Unit, then such Owner shall be financially responsible for all such damage, provided the Management Committee follows the procedures as outlined below.

a. Notice of Hearing. The Management Committee shall cause to be mailed, by certified mail, a Notice of Hearing, signed by a majority of the Management Committee and addressed to the Owner at the Owner's last post office address as it then appears on the records of the Management Committee. The Notice of Hearing shall include the following:

(ii) Time, date and place of hearing. The Notice shall include the time, date and place of the hearing. The Hearing shall be held on a weekday, unless waived in writing by the Owner and Management Committee, and shall not be set any sooner than thirty (30) days from the date the Notice is mailed to the Owner. The Hearing shall be held in any convenient location within Tooele County; and

(iii) Objection to time or date. The Notice shall inform the Owner that Owner may object to the time and/or date of the Hearing upon a showing of a reasonable conflict. The objection shall be mailed, postage prepaid, to the Management Committee fifteen (15) days before the date of the Hearing. The objection shall also include at least three (3) dates (including times), subject to the limitations of subparagraph (ii) above, Owner can attend a Hearing.

b. Alternative Dates. The Management Committee may accept one of Owner's suggested dates, which it must then confirm in writing, by certified mail, or set a new date pursuant to the procedures of subparagraph (ii) above. If Owner has a reasonable conflict with the new date set by the Management Committee, Owner may again object to either the time or date as

allowed in subparagraph (iii) above. The procedures of subparagraphs (ii) and (iii) shall be followed until a time, date and place are selected convenient to the Management Committee and Owner.

c. Representation by Counsel. Owner is entitled to representation by counsel at the Hearing with the Management Committee. If Owner chooses to be represented by counsel, Owner shall first notify the Management Committee, in writing, fifteen (15) days prior to the date of the Hearing in order to give the Management Committee the opportunity to select its own counsel to represent it at the Hearing.

d. Hearing. At the Hearing, Owner shall be given a reasonable opportunity to efficiently and succinctly present his evidence.

e. Decision. The Management Committee shall render its written decision within thirty (30) days following the date of the Hearing. The written decision shall be mailed to the Owner at the Owner's last known address and shall be deemed a final decision in all respects.

Each Unit shall be subject to an easement in favor of the Owners of all other Units to use the pipes, ducts, cables, wires, conduits, public utility lines and other Common Facilities serving such other Units and located in such Unit. The Management Committee shall have a right of access to each Unit to inspect the same, to remove said violations therefrom and to maintain, repair or replace the common areas contained therein or elsewhere in the buildings. Every portion of a unit which contributes to the structural support of the building shall be burdened with an easement of structural support to the benefit of all other Units and the Common Areas.

10. Easement to Management Committee. The Management Committee shall have non-exclusive easements to make such use of the Common Areas as may be necessary or appropriate to perform the duties and functions which it is obligated or permitted to perform pursuant to this Declaration.

11. Easement for Utility Services. There is hereby created a blanket easement upon, across, over, and under the property described in Exhibit "A" for ingress, egress, installation, replacing, repairing, and maintaining all utilities, including but not limited to water, sewer, gas, telephones, electricity, and other utility services. This blanket easement extends to Tooele City for the extent necessary for the maintenance and servicing of municipal services to the Project.

12. Use of Units and Common Areas.

a. Each of the Units in the Project is intended to be used for single family residential housing and is restricted to such use.

b. There shall be no obstructions of the Common Areas by the Owners, their tenants, guests or invitees without the prior written consent of the Management Committee. The Management Committee may, by Rules and Regulations, prohibit or limit the use of the Common Areas as may be reasonably necessary for protecting the interests of all the Owners or protecting the Units or Common Areas. Nothing shall be kept or stored in any part of the Common Areas without the prior written consent of the Management Committee, except as specifically provided herein. Nothing shall be altered on, constructed in or removed from the Common Areas except on the prior written consent of the Management Committee.

c. Nothing shall be done or kept in any Unit or in the Common Areas or any part thereof which may result in the cancellation of the insurance on the Project or any part thereof or increase the rate of insurance on the Project or any part thereof over what the Management Committee, but for such activity, would pay without the prior written consent of the Management Committee. Nothing shall be done or kept in any Unit or in the Common Areas or any part thereof which would be a violation of any statute, rule, ordinance, regulation, permit or other validly imposed requirement of any governmental body. No damage to, or waste of the Common Areas or any part thereof shall be committed by any Owner or any invitee of any Owner and each Owner shall indemnify and hold the Management Committee and the Owners harmless against all loss resulting from any such damage or waste caused by him or his invitees; provided, however, that any invitee of the Declarant shall not, under any circumstances, be deemed to be an invitee of any other Owner. No noxious, destructive or offensive activity shall be carried on in any Unit or in the Common Areas or any part thereof, nor shall anything be done therein which may be or may become any annoyance or nuisance to any other Owner or to any person at any time lawfully residing in the Project.

d. No Owner shall violate the Rules and Regulations for the use of the Units and of the Common Areas as adopted from time to time by the Management Committee.

e. No structural alterations to any Unit shall be made by the Owner without the prior written consent of the Management Committee.

f. No recreational vehicle (boats, campers, trailers, motor homes, or similar items) shall be parked on any portion of the Common Areas except for temporary parking.

g. No signs whatsoever shall be erected or maintained in the Common Areas without the prior written consent of the Management Committee, except:

(i) such signs as may be required by legal proceedings, and

(ii) such signs as Declarant may erect or maintain incident to sale of Units.

h. Notwithstanding anything contained herein to the contrary, unless the Declarant has completed and sold all the Units, neither the Unit Owners who have purchased Units from the Declarant nor the Management Committee shall interfere with the completion of improvements and sale of the remaining Units. The Declarant reserves the right to use any Units owned by the Declarant as models, management offices, or sales offices until such times as Declarant conveys title thereto to Unit Owners. Declarant reserves the right to relocate same from time to time within the Project; upon relocation or sale of a model, management office or sales office, the furnishings thereof may be removed. Declarant further reserves the right to maintain on the Project such advertising signs which may be placed in any location on the Project and may be relocated or removed all at the sole discretion of Declarant.

13. Status and General Authority of Management Committee. Notwithstanding anything herein contained to the contrary, the WEST POINT MEADOWS CONDOMINIUMS Project shall be managed, operated, and maintained by the Management Committee exclusively as agent of the Association and any act performed by the Management Committee pursuant to this Declaration or the By-Laws, as the same may be amended from time to time, shall be deemed to be performed by the Management Committee for and on behalf of the Association as its agent. - f. The power and authority to purchase, otherwise acquire, and accept title to any interest in real property, so long as such action has been authorized by any vote or consent which is necessary under the circumstances.
- g. The authority to license persons not otherwise entitled to use any of the recreational areas and facilities, to use the same from time to time as the Management Committee deems appropriate upon the payment of fees prescribed by it to help defray the cost maintenance thereof.
- h. The power and authority to borrow money, provided no indebtedness for borrowed funds shall exceed at any given time the sum of Five Thousand Dollars (\$5,000.00) without the prior approval of the Majority of Owners.
- i. The authority to promulgate such reasonable Rules and Regulations, and procedures as may be necessary or desirable to aid the Management Committee in carrying out any of its functions or to insure that the Project is maintained and used in a manner consistent with the interests of the Owners.
- j. The power and authority to perform any other acts and to enter into any other transactions which may be reasonably necessary for the Management Committee to perform its functions as agent for the Association.

Any instrument executed by the Management Committee that recites facts which, if true, would establish the Management Committee's power and authority to accomplish through such instrument what is purported to be accomplished thereby, shall conclusively establish said power and authority in favor of any person who in good faith and for value relies upon said instrument.

14. Manager. The Management Committee may carry out any of its functions which are capable of delegation through a Project Manager. Any Manager retained for such purpose must be an individual or entity experienced and qualified in the field of property management. The Manager so engaged shall be responsible for managing the Project for the benefit of the Unit Owners and shall, to the extent permitted by law and the terms of the agreement with the Management Committee, be authorized to perform any of the functions or acts required or permitted to be performed by the Management Committee itself. Any Management Agreement must be terminable for cause upon thirty (30) days notice and run for a reasonable period from one (1) to three (3) years (unless negotiated by the Declarant in which case the Management Agreement shall not exceed two (2) years), and be renewable by consent of the Association and the Management Committee.

15. Composition of Management Committee and Initial Selection Thereof. Until the election of the Management Committee takes place at the first annual meeting of the Association as provided in Section 1, Article II of the By-Laws, the Management Committee shall consist of such persons as shall have been designated by the Declarant. From and after the first annual meeting of the Association, the Management Committee shall be composed of three persons, all of whom shall be officers, directors, or designees of Owners or spouses of Owners, or Mortgagees (or designees of Mortgagees) of Units. The Declarant shall have the right in its sole discretion to replace such members of the Management Committee as may be so selected and designated by it, and to select and designate their successors. In all other cases of vacancy, the remaining Management Committee members shall elect a replacement to sit on the Management Committee until the expiration date of the term for which the member being replaced was elected. Declarant may, by a written instrument duly recorded, waive its right to select the members of the Management Committee at any time prior to the termination of the right to select Management Committee members reserved hereunder.

16. Agreement to Pay Assessment. Each Owner of any Unit by the acceptance of a deed therefor, whether or not it be expressed in the deed, or by entering into a sale and/or purchase contract, shall be deemed to covenant and agree with each other and with the Management Committee to pay to the Management Committee annual assessments made by the Management Committee for the purposes provided in this Declaration, and special assessments for capital improvements and other matters as provided for in this Declaration. Such assessments shall be fixed, established, and collected from time to time in the manner hereinafter provided.

a. Amount of Total Annual Assessments: The total annual assessments against all Units shall be based upon advance estimates of cash requirements by the Management Committee to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Common Areas, which estimates may include, among other things, expenses of management, grounds maintenance, taxes and special assessments, (until the Units are separately assessed as provided herein), premiums for all insurance which the

Management Committee is required or permitted to maintain pursuant hereto, common lighting and heating, water charges, trash collection, sewer charges, repairs and maintenance of the Common Areas and replacement of those elements of the Common Areas that must be replaced on a periodic basis, wages for Management Committee employees, legal and accounting fees, any deficit remaining from a previous period; the creation of a reasonable contingency reserve, surplus and/or sinking fund; and any other expenses and liabilities which may be incurred by the Association for the benefit of the Owners under or by reason of this Declaration.

b. Apportionment of Annual Assessments: Expenses attributed to the Common Areas and to the Project as a whole shall be apportioned among all the Owners in proportion to their respective Percentage Interests in the Common Areas.

c. Notice of Annual Assessments and Time for Payment Thereof: Annual assessments shall be made on a calendar year basis. The Management Committee shall give written notice to each Owner as to the amount of the annual assessment with respect to his Unit not less than thirty (30) days nor more than sixty (60) days prior to the beginning of the next calendar year. Such assessments shall be due and payable in monthly installments on the first day of each and every month of each year, provided, however, that the first annual assessment shall be for the balance of the calendar year remaining after the date filed by the Management Committee as the date of commencement of the Project. Such assessment shall be due and payable within thirty (30) days after written notice of the amount thereof shall have been given to the respective Owner of a Unit. Each monthly assessment shall bear interest at the rate of twelve percent (12%) per annum from the date it becomes due and payable if not paid within thirty (30) days after such date. Failure of the Management Committee to give timely notice of any assessment as provided herein shall not effect the liability of the Owner of a Unit for such assessment, but the date when payment shall become due in such case shall be deferred to a date thirty (30) days after such notice shall be given.

d. Special Assessments for Capital Improvements: In addition to the annual assessments authorized above, the Management Committee may, in any assessment year, levy a special assessment, payable over such a period as the Management Committee may determine, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of the Project or any part thereof, or for any other expense incurred or to be incurred as provided in this Declaration. This Section shall not be construed as an independent source of authority for the Management Committee to incur expenses, but shall be authorized by other Sections hereof. Any amounts assessed pursuant hereto shall be assessed to the Owners in proportion to their respective Percentage Interests in the Common Areas. Notice in writing of the amount of such special assessments and the time for payment thereof shall be given promptly to the Owners and no payment shall be due less than thirty (30) days after such notice shall have been given. A special assessment shall bear interest at the rate of twelve percent (12%) per annum from the date it becomes due and payable if not paid within thirty (30) days after such

date. Notwithstanding anything to the contrary herein contained, additions or capital improvements to the Project which cost no more than Five Thousand Dollars (\$5,000.00) may be authorized by the Management Committee alone. Additions or capital improvements, the cost of which will exceed such amount must, prior to being constructed, be authorized by the Majority of the Owners. Any addition or capital improvement which would materially alter the nature of the Project must, regardless of its cost and prior to being constructed, be authorized by vote of Unit Owners in person or by proxy of not less than sixty-seven percent (67%) of the Percentage Interest at a meeting of the Association, special or annual, at which a quorum is present.

e. Lien for Assessments. All sums assessed to any Unit pursuant to this Declaration, together with interest thereon as provided herein, shall be secured by a lien on such Unit in favor of the Association. Such lien shall be superior to all other liens and encumbrances on such Unit, except only for: (i) valid tax and special assessment liens on the Unit in favor of any governmental assessing authority; and (ii) a lien for all sums unpaid on the first Mortgage, or on any Mortgage to Declarant, duly recorded in the Official Records of Tooele County, Utah, including all unpaid obligatory advances to be made pursuant to such Mortgage and all amounts advanced pursuant to such Mortgage and secured by a lien thereof in accordance with the terms of such instrument. All other lienors acquiring liens shall be deemed to consent that such liens shall be inferior to future liens for assessments as provided herein whether or not such consent be specifically set forth in the instruments creating such liens.

To evidence a lien for sums assessed hereunder, the Management Committee may prepare a written notice of the lien setting forth the amount of the assessment, the date due, the amount remaining unpaid, the name of the Owner of the Unit, and a description of the Unit. Such notice shall be signed by the Management Committee and may be recorded in the Office of the County Recorder of Tooele County, Utah. No notice of lien shall be recorded until there is a delinquency in payment of the assessment. Such lien may be enforced by judicial foreclosure by the Management Committee in the same manner in which trust deeds on real property may be foreclosed in Utah. In any such foreclosure, the Owner shall be required to pay the costs and expenses of such proceeding, the costs and expenses of the filing of the notice of lien and all reasonable attorney's fees. All such costs, expenses, and fees shall be secured by the lien being foreclosed. The Owner shall also be required to pay to the Management Committee any assessments against the Unit which shall become due during the period of foreclosure.

In event of foreclosure, after the institution of the action, the Unit Owner shall pay a reasonable rental for his use of the Unit and the Management Committee shall, without regard to the value of the Unit, be entitled to the appointment of a receiver to collect any rentals due from the Owner or any other person. The Management Committee shall have the right and power to bid an amount equal to its then existing lien at the foreclosure sale or other legal sale and to acquire, hold, convey, lease, rent, encumber, use and otherwise deal with the same as the Owner hereof.

A release of notice of lien shall be executed by the Management Committee and recorded in the Office of the County Recorder of Tooele County, Utah, upon payment of all sums secured by a lien which has been made the subject of a recorded notice of lien. Any encumbrancer holding a lien on a Unit may pay, but shall not be required to pay, any amounts secured by the lien created hereunder, and upon such payment such encumbrancer shall be subrogated to all rights of the Management Committee with respect to such lien, including priority.

The Committee shall report to any encumbrancer of a Unit any unpaid assessments remaining unpaid for thirty (30) days after the same shall become due; provided, however that such encumbrancer first shall have furnished the Management Committee written notice of such encumbrance.

If the Owner of a Unit who is leasing a Unit to a third party fails to pay any assessments for a period of more than sixty (60) days after it is due and payable, the Management Committee may demand the tenant to pay to the Association all future lease payments due the Owner, commencing with the next monthly or other period payment, until the amount due to the Association is paid. The Management Committee shall have all rights under Utah Code Annotated §57-8-21(6) in order to collect the funds from the tenant.

Any lien for nonpayment of an assessment may be enforced by sale or foreclosure of the Unit Owner's interest by the Manager or Management Committee. The sale or foreclosure shall be conducted in the same manner as foreclosures in deeds of trust or mortgages or in any other manner permitted by law. In any foreclosure or sale, the Unit Owner shall pay the costs and expenses of such proceedings and reasonable attorney's fees. Moreover, the Owner shall pay a reasonable rental for the Unit, and the Association may obtain appointment of a receiver to collect the rental without regard to the value of the mortgage security.

In addition, if an Owner fails or refuses to pay any assessment when due, the Management Committee may terminate an Owner's right to receive utility services which are paid as a common expense and may further terminate an Owner's right of access and use of recreational facilities. The termination of such rights shall comply with Utah Code Annotated §57-8-21.

f. Personal Obligation of Owner: The amount of any annual or special assessment against any Unit shall be the personal obligation of the Owner thereof to the Association. Suit to recover a money judgment for such personal obligation shall be maintainable by the Management Committee without foreclosing or waiving the lien securing the same. No Owner may avoid or diminish any personal obligation by waiving the use and enjoyment of any Common Areas or by abandoning or selling his Unit.

g. Statement of Account: Upon payment of a reasonable fee or such other amount as may in the future be allowed by the Act, and upon written request of any Owner or Mortgagee,

prospective Mortgagee or prospective purchaser of a Unit, the Management Committee shall issue a written statement setting forth the amount of the unpaid assessments, if any, with respect to such Unit; the amount of the current yearly assessment and the date that such assessment becomes or has become due; credit for advanced payments or prepaid items, including, but not limited to, an Owner's share of prepaid insurance premiums; and such statement shall be conclusive upon the Management Committee in favor of person who rely thereon in good faith. Unless such request for a statement of account shall be complied with within twenty (20) days, all unpaid assessments which became due prior to the date of making such request shall be subordinate to the lien of a Mortgagee which acquired its interest subsequent to requesting such statement. Where a prospective purchaser makes such a request, both the lien for such unpaid assessments and the personal obligations of the purchaser shall be released automatically if the statement is not furnished within the twenty (20) day period provided herein and thereafter an additional written request is made by such purchaser and is not complied with within ten (10) days, and the purchaser subsequently acquires the Unit.

h. Personal Liability of Purchaser for Assessment: Subject to the provisions of subparagraph (g) a purchaser of a Unit shall be jointly and severally liable with the seller for all unpaid assessments against the unit up to the time of the grant or conveyance, without prejudice to the purchaser's right to recover from the seller the amount paid by the purchaser for such assessments.

17. Transition of Management. Notwithstanding anything to the contrary contained in paragraph 15 above:

a. Declarant may, at any time, relinquish its reserved right to select members of the Management Committee and to transfer the management of the Project to the Management Committee elected by Unit Owners. If and when the Declarant elects to do so, Declarant shall notify Owners in writing of the effective date of such transfer (Transfer Date) at least forty-five (45) days prior thereto. Thereupon, Unit Owners shall call a meeting to elect the members of Management Committee to take office as of the Transfer Date. Declarant covenants to cooperate with Unit Owners in effecting orderly transition of management. Moreover, Declarant shall cause all obligation for Common Expense of the Management Committee prior to the Transfer Date to be paid in full on or before such date. Accordingly, it is intended that the cash position of the Management Committee as of the Transfer Date be zero (0).

b. Declarant shall relinquish all special rights, expressed or implied, through which the Declarant may directly or indirectly control, direct, modify or veto any action of the Association, its Management Committee, or a majority of Unit Owners, and control of the Association shall pass to the Owners of Units within the Project not later than the earlier of the following:

- (i) 120 days after the date by which 75% of the Units have been conveyed to unit purchasers; or
 - (ii) At the end of seven (7) years following the first conveyance of a Unit to a purchaser.
- c. The requirements of paragraph 17 b. shall not affect Declarant's rights, as a Unit Owner, to exercise the votes allocated to Units which Declarant owns.

18. Insurance. The Management Committee shall secure, and at all times maintain, the following insurance coverage:

a. A multi-peril policy or policies of fire and casualty insurance, with extended coverage and all other coverage in the kinds and amounts commonly required by private institutional mortgage investors on the common elements of the condominiums for projects similar in construction, location and use on a replacement cost basis in an amount not less than one hundred percent (100%) of the insurable value (based upon replacement costs). Each such policy shall contain the standard mortgage clause which must be endorsed to provide that any proceeds shall be paid to the Association for the use and benefit of Mortgagees as their interests may appear. The insured shall be the Association.

b. A comprehensive policy of public liability insurance insuring the Association, the Management Committee, the Manager, and the Unit Owners against any liability incident to ownership, use or operation of the Common Areas and public ways of the Project or of any Unit which may arise among themselves, to the public or to any invitees or tenants of the Project or of the Unit Owners. Limits of liability under such insurance shall be not less than One Million Dollars (\$1,000,000.00) per occurrence, for personal property injury and/or property damage. Such insurance policy shall contain a "severability of interest" endorsement which shall preclude the insurer from denying the claim of a Unit Owner because of negligent act of the Association or other Unit Owners. The scope of the coverage must include all other coverage in the kinds and amounts required by private institutional mortgage investors for similar projects in location, construction and use.

c. The Association shall maintain fidelity coverage to protect against dishonest acts on the part of Management Committee Members, Manager, employees or volunteers responsible for handling funds belonging to or administered by the Association. The fidelity bond or insurance must name the Association as the named insured and shall be written in an amount sufficient to provide protection which in no event shall be less than one and one-half times the insured's estimated annual operating expenses and revenues. In connection with such coverage, an

appropriate endorsement to the policy to cover any person who serves without compensation shall be added if the policy would not otherwise cover volunteers.

The following additional provisions shall apply with respect to insurance:

a. In addition to the insurance and bond coverage described above, the Management Committee shall secure and at all times maintain insurance against such risks as are, or hereafter may be, customarily insured against in connection with all condominium projects similar to the Project in construction, nature or use.

b. Each hazard insurance policy shall be written by a company holding a financial rating of Class VI or better from Best's Insurance Reports. Each insurer must be specifically licensed to transact business within the State of Utah. Policies are unacceptable where: (i) under the terms of the carrier's charter, by-laws or policy, contributions or assessments may be made against the Borrower or Declarant or its designee; or (ii) by the terms of the carrier's charter, by-laws or policy loss payments are contingent upon action by the carrier's board of directors, policyholders, or members; or (iii) the policy includes any limiting clauses (other than insurance conditions) which could prevent Declarant or the borrower from collecting the insurance proceeds.

c. The Management Committee shall have the authority to adjust losses.

d. Insurance secured and maintained by the Management Committee shall not be brought into contribution with insurance held by individual Unit Owners or their Mortgagee.

e. Each policy of insurance obtained by the Management Committee shall provide:

(i) a standard mortgagee clause commonly accepted by private institutional mortgage investors in the Area in which the Project is located;

(ii) a waiver (if available) of the insurer's subrogation rights with respect to the Management Committee, the Manager, the Unit Owners, and their respective servants, agents and guests;

(iii) that it cannot be cancelled, suspended, or invalidated due to the conduct of any particular Unit Owner or Owners;

(iv) that it cannot be cancelled, suspended, or invalidated due to the conduct of any member, office or employee of the Management Committee or the Manager without a prior written demand that the defect be cured;

(v) that any "no other insurance clause" therein shall not apply with respect to insurance held individually by the Unit Owners;

(vi) and that a mortgage clause endorsement which must provide that the insurance carrier shall notify the first Mortgagee (or trustee) named at least ten (10) days in advance of the effective date of any reduction in or cancellation of the policy.

f. Any Unit Owner may obtain additional insurance at his own expense, as long as such additional insurance does not have the effect of decreasing the amount which may be realized under any policy maintained by the Management Committee. Any Unit Owner who individually obtains insurance covering any portion of the Project shall supply the Management Committee with a copy of his policy within thirty (30) days after he acquires such insurance.

g. The Project is not located in an area identified by the Secretary of Housing and Urban Development as an area having specialized flood hazards. In the event that at some future time the Project should be declared to be in such flood area, a blanket policy of flood insurance on the Project shall be maintained in the amount of the aggregate of the outstanding principal balances of the mortgage loans on the Units comprising the Project or the maximum coverage limit available under the National Flood Insurance Act of 1968, as amended, whichever is less. The name of the insured under each required policy must be in form and substance as that required by the Federal Home Loan Mortgage Corporation at any given time.

h. Any funds received by the Association as a result of any insurance policy shall be held in trust for the benefit of the Owners until such time as it is distributed to Owners pursuant to the terms hereof.

19. Damage to Project. In the event of damage of or destruction of part of all of the improvements in the WEST POINT MEADOWS CONDOMINIUMS Project, the following procedures shall apply:

a. If proceeds of the insurance maintained by the Management Committee are alone sufficient to repair or reconstruct the damage or destroyed improvements, such repair or reconstruction shall be carried out.

b. If less than seventy-five percent (75%) of the Project's improvements are destroyed or substantially damaged, and if proceeds of the insurance maintained by the Management Committee are not alone sufficient to accomplish repair or reconstruction, restoration shall be carried out and all Unit Owners shall be assessed for any deficiency on the basis of their respective Percentage Interest.

c. If seventy-five percent (75%) or more of the Project's improvements are destroyed or substantially damaged, if proceeds of the insurance maintained by the Management Committee are not alone sufficient to accomplish restoration, and if the Unit Owners do not, within one hundred (100) days after the destruction or damage and by a vote of at least seventy-five percent (75%), elect to repair or reconstruct the affected improvements, the Management Committee shall promptly record with the Tooele County Recorder a notice setting forth such facts. Upon the recording of such notice the provisions of subsections one (1) through four (4) of Section 57-8-31, Utah Code Annotated (1953), shall apply and shall govern the rights of all parties having an interest in the Project or any of the Units.

Any reconstruction or repair which is required to be carried out by this Paragraph 19 regarding the extent of damage to or destruction of Project improvements shall be made by three MAI appraisers selected by the Management Committee. The decision by any two such appraisers shall be conclusive.

20. Certain Provisions Applicable to Declarant. Notwithstanding any other provision herein contained, for so long as Declarant continues to own any of the Units, the following provisions shall be deemed to be in full force and effect, none of which shall be construed so as to relieve the Declarant from any obligations as Unit Owner to pay assessments, except as herein otherwise provided, as to each Unit owned by Declarant in accordance with the Declaration.

a. Declarant specifically disclaims any intent to have made any warranty or representation in connection with the Project or the Declaration, except as specifically set forth herein or in any agreement for sale of a Unit, and no person shall rely upon any warranty or representation not so specifically made therein.

b. No amendment may be made to the Declaration without the written consent of Declarant so long as Declarant retains an ownership of one (1) or more Units; provided, however, that the obligation to acquire written consent of Declarant shall cease on the date five (5) years from the date this Declaration is recorded.

21. Amendment. The vote of at least sixty-seven percent (67%) of the Percentage Interest of the Unit Owners in person or represented by proxy at a meeting of the Association at which a quorum is present shall be required to amend the Declaration, Bylaws, Map, or other enabling documentation. The approval of at least fifty-one percent (51%) of the votes of units subject to a mortgage shall also be required to amend any provisions of the Declaration, Bylaws, Map or other enabling documents. The foregoing right of amendment shall be subject to the following: Notwithstanding anything to the contrary contained in the Declaration, neither the insurance provisions of Paragraph 18, the Mortgage protection provisions of Paragraph 25, nor the maximum\minimum Percentage interest in the Common Areas provision, shall be amended without the written approval of all institutional first Mortgages. Any

amendment shall become effective upon the recordation of an instrument executed by the Management Committee after the requirements hereof are satisfied.

22. Consent Equivalent to Vote. In those cases in which the Act or this Declaration requires the vote of a stated percentage of the Project's undivided ownership interest for the authorization or approval of a transaction, such requirements may be fully satisfied by obtaining with or without a meeting, consents in writing to such transaction from Unit Owners who collectively hold at least the necessary percentage of undivided ownership interest.

23. Eminent Domain. Whenever all or part of the Common Areas shall be taken, injured, or destroyed as a result of the exercise of eminent domain, each Unit Owner shall be entitled to notice thereof and to participate in the proceedings incident thereto, but in any proceeding for the determination of damages, such damages shall be determined for such taking, injury, or destruction as a whole and not for each Unit Owner's interest therein. After such determination each Unit Owner shall be entitled to a share in the damages in the same portion as his Percentage Interest in the Common Areas. The Association shall represent the unit owners in any condemnation proceedings or negotiations for acquisition of any common elements of the Association.

24. Service of Process. Mark Higley, 2000 West 1613 North, Clinton, Utah, 84015, is the person to receive service of process in cases authorized by the Act. The Management Committee shall, however, have the right to appoint a successor substitute process agent. Such successors or substitute agent and his address shall be specified by an appropriate instrument filed in the office of the County Recorder of Tooele County, State of Utah.

25. Mortgagee Protection. Notwithstanding any thing to the contrary contained in the Declaration:

a. An adequate reserve fund for repair, maintenance, and replacement of those elements of the Common Areas that must be replaced on a periodic basis must be established and funded by regular monthly payments rather than by special assessments.

b. There shall be established a working capital fund for the initial months of operation of the Project equal to a minimum amount of two months' estimated Common Areas charge for each Unit.

c. In the event of damage or destruction of any Unit, which loss exceeds One Thousand Dollars (\$1,000.00), or any part of the Common Areas, which loss exceeds ten Thousand Dollars (\$10,000.00), the institutional holder of any first mortgage on a Unit shall be

entitled to timely written notice of any such damage or destruction. No Unit Owner or other party shall be entitled to priority over such institutional holder with respect to the distribution to such Unit Owner of any insurance proceeds, regardless of the amount of loss. Upon request of any first Mortgage, the Association must provide a letter to said first Mortgagee wherein the Association agrees to notify the first Mortgagee or any organization it designates at the address indicated by the Mortgagee whenever:

(i) damage to the Unit is covered by the first Mortgagee's Mortgage exceeds One Thousand Dollars (\$1,000.00), or

(ii) damage to the Common Areas and related facilities exceeds Ten Thousand Dollars (\$10,000.00).

d. If any Unit or portion thereof or the Common Areas or any portion thereof is made the subject matter of any condemnation or eminent domain proceeding or is otherwise sought to be acquired by a condemning authority, the institutional holder of any first Mortgage of a Unit shall be entitled to timely written notice of any such proceeding or proposed acquisition. No Unit Owner or other party shall have priority over such institutional holder regardless of the amount of the condemnation award with respect to the distribution to such Unit Owner of the proceeds of any award or settlement.

e. With the exception of a lender in possession of a Unit following default in a first Mortgage, a foreclosure proceeding of any deed or other arrangement in lieu of foreclosure, no Unit Owner shall be permitted to lease his Unit for transient or hotel purposes. No Unit Owner may lease less than the entire Unit. Any lease agreement shall provide that the terms of the lease shall be subject in all respects to provisions of the Declaration and By-Laws and that any failure by the lessee to comply with the terms of such documents shall be at default under the lease. All leases shall be in writing. A Lessee and a Renter shall be treated the same.

f. Each holder of a first Mortgage lien on a Unit who obtains title to a Unit by virtue of remedies provided in the Mortgage, including but not limited to, foreclosure of the Mortgage, Trust Deed or by deed of assignment in lieu of foreclosure, shall take the Unit free of unpaid charges and shall not be liable for any unpaid claims or assessments and charges against the Unit which accrue prior to the acquisition of title of such Unit by Mortgagee.

g. Any holder of a Mortgage is entitled to written notification from the Management Committee of any default by the Mortgagor of such Unit in the performance of such Mortgagor's obligation under the Declaration which is not cured within sixty (60) days.

h. Unless at least fifty-one percent (51%) of the first Mortgagees (based on one vote for each Mortgage owner) of Units have given their prior written approval, which shall be deemed

given should a first Mortgagee fail to respond within forty five (45) days after its receipt of a request for approval, neither the Management committee, Declarant, nor Association shall:

- (i) By act or omission, seek to abandon or terminate the Project.
- (ii) Change the pro-rata interest or obligations of any Unit for:
 - (a) purposes for levying assessment or charges or allocating distributions of hazard insurance proceeds or condemnation award, or for
 - (b) determining the pro-rata share of ownership of each Unit in the appurtenant Common Areas.
- (iii) Partition or sub-divide any Unit.
- (iv) Make any amendment to the Declaration or to the By-Laws of the Association would change the Percentage Interests of the Unit Owners in the Common Areas.
- (v) By act or omission, seek to amend, partition, subdivide, encumber, sell, abandon, or transfer, the Common Areas. (The granting of easements for public utilities or for other public purposes consistent with the intended use for the Common Areas of the Project shall not be deemed a transfer within the meaning of this subparagraph).
- (vi) Use hazard insurance proceeds for losses to any condominium property (whether to Units or to the Common Areas) for other than repair, replacement, or reconstruction of such improvements, except as provided by statute in cases of substantial loss to the Units and/or the Common Areas of the Project.
- (vii) Conduct any restoration or repair of the condominium after partial condemnation or damage due to insurable hazard without the approval of fifty-one percent (51%) of the votes subject to first mortgages.
 - i. The Management Committee, on behalf of the Association, shall make available to all Unit Owners, lenders and the holders, insureds and guarantors of the first mortgage on any Unit, current copies of the Declaration, Bylaws and other rules governing the Project, and other books, records, and financial statements of the Association. The Management Committee shall also make available to prospective purchasers current copies of the Declaration, Bylaws, other rules governing the Project, and the most recent annual audited financial statement, if such is prepared. "Available" as used in this paragraph shall at least mean available for inspection, upon request, during normal business hours or under other reasonable circumstances.

j. Whenever there is a change of ownership of a Unit, the Management Committee shall require that the new Unit Owner furnish the Management committee with the name of the holder of the first Mortgage (or Trust Deed) affecting the Unit. The Management committee or Manager shall maintain a current roster of the Unit Owners and of the holders of the first Mortgages (or Trust Deed) affecting the Units in the Project.

k. Notwithstanding anything to the contrary in this Declaration, the Declaration may not be amended and the Project may not be merged with a successor condominium regime without the prior written approval of the Secretary of Veteran's Affairs. This paragraph shall not limit Declarant's right to expand the Project without the prior written approval of the Secretary of Veteran's Affairs if the expansion is in accordance with a previously approved general plan for the total development. However, a copy of the amendment to the Declaration or other annexation document which adds each phase to the Project must be submitted to the Secretary of Veteran's Affairs in accordance with Title 38 C.F.R. §36.4360a(b)(6).

26. Duty of Owner to Pay Taxes on Unit Owner. It is understood that under the Act, each Unit (and its Percentage Interest in the Common Areas) in the Project is subject to a separate assessment and taxation of each taxing authority and the special district(s) for all types of taxes and assessments authorized by law, and that as a result thereof, no taxes will be assessed or levied against the Project as such, except for certain personal properties thereof. Accordingly, each Unit Owner will pay and discharge any and all taxes and assessments which may be assessed against him or his Unit.

27. Covenant to Run With Land; Compliance. This Declaration and all the provisions hereof shall constitute covenants to run with the land or equitable servitudes, as the case may be, and shall be binding upon and shall inure to the benefit of the Declarant and all parties who hereafter acquire any interest in a Unit, in the Project, and their respective grantees, transferees, heirs, devisees, personal representatives, successors, and assigns. Each Owner or occupant of a Unit shall comply with, and all interests in all Units shall be subject to, the terms of the Act, terms of this Declaration, the By-Laws, and the provisions of any rules, regulations, agreements, instrument, and determinations contemplated by this Declaration, and failure to comply shall be grounds for an action to recover sums due for damages or injunctive relief or both, maintainable by the Management Committee on behalf of Unit Owners, or, in a proper case, by an aggrieved Unit Owner. By acquiring any interest in a Unit or in the Project, the party acquiring such interest consents to, and agrees to be bound by, each and every provision of this Declaration.

28. Information Regarding Transferee of Unit. Any Unit Owner who sells, leases, or otherwise disposes of his Unit shall submit to the Management committee pertinent information regarding the transferee or new occupant within one week of any transfer of title or possession on a form furnished by the Management Committee.

29. Indemnification of Management Committee. Each member of the Management Committee shall be indemnified and held harmless by the Unit Owners against all costs, expenses and fees reasonably incurred by him in connection with any proceeding to which he may become involved by reason of his being or having been a member of said Management Committee. This Indemnification shall not extend to nor cover actions on the part of any member of the Management Committee who intentionally or knowingly violates local, state or federal laws or who clearly acts in bad faith.

30. Maintenance of Limited Common Areas. Each Owner shall at his own cost and expense, maintain, including snow removal, repair and replace the Limited Common Area appurtenant to his Unit, unless the Association makes the decision to provide maintenance of Limited Common Areas. Units 1 and 2 shall share equally the cost and expense of maintenance of the common driveway providing access thereto.

31. Maintenance of Culinary Water Line. In addition to the other duties and responsibilities of the Homeowners Association to maintain Common Areas and Facilities, the Homeowners Association, at the cost of expense of the Homeowners, shall maintain, repair and replace, if and when needed, the water line from the city meter to the Project.

32. Special Power of Attorney. Notwithstanding any provision to the contrary in this Declaration, all Unit Owners who purchase Units within the Project and all lenders who have secured loans against any Units within the Project hereby make, constitute and appoint Declarant as their true and lawful attorney in fact for them and in their name, place and stead and on their behalf, with full power and authority, to execute any and all documents necessary, including a petition to the Tooele City Planning Commission and City Council, an amended plat and an amended declaration, to amend the plat and declaration if Declarant provides Unit Owners with thirty (30) days' advance notice thereof.

33. Invalidity. the invalidity of any provisions of this Declaration, or any portion thereof, shall not be deemed to impair or affect in manner the validity, enforceability, or effect of the remainder of this Declaration and, in such event, all of the other provisions of this Declaration shall continue in full force and effect as if such invalid provision had never been included herein.

34. Waiver. No provision contained in this Declaration shall be deemed to have been abrogated or waived by reason of any failure to enforce the same, irrespective of the number of violations or breaches which may occur.

35. Gender. The use of the masculine gender in this Declaration shall be deemed to refer to the feminine and the use of the singular shall be deemed to refer to the plural, and vice versa, whenever the context to requires.

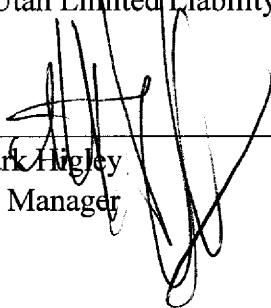

36. Headings. The headings appearing at the beginning of the paragraphs of this declaration are only for convenience of reference and are not intended to describe, interpret, define, limit, extend, or other affect the content, meaning, or intent of this Declaration or any paragraph or provisions hereof.

37. Conflicts. This Declaration is set forth to comply with the requirements of the Act. In event of any conflict between this Declaration and the provision of the Act, the provisions of the latter shall control.

38. Effective Date. This Declaration shall take effect upon recording in the Office of the County Recorder of Tooele County, Utah.

IN WITNESS WHEREOF, the undersigned, has executed this instrument on this 5 day of November, 2003.

No call or notice of any meeting of members shall be necessary if waiver of call and notice be signed by all of the members.

ARTICLE IV - ADMINISTRATIVE RULES AND REGULATIONS

The committee shall have the power to adopt and establish by resolution such building, management, and operational rules as the committee may deem necessary for the maintenance, operation, management and control of the project, and the committee may, from time to time by resolution, alter, amend and repeal such rules. When a copy thereof has been furnished to the owners they shall be taken to be a part hereof. Unit owners shall at all times obey such rules and see that they are faithfully observed by those persons over whom they have or may exercise control and supervision, it being understood that such rules shall apply and be binding upon all unit owners and/or occupants of the project. Rules and regulations may be altered or amended or abolished at a meeting of owners properly called and properly voted.

ARTICLE V - PAYMENT OF EXPENSES

Section 1. Assessments. Each unit owner shall pay the management committee his pro-rata portion of the cash requirements deemed necessary by the committee to manage and operate WEST POINT MEADOWS CONDOMINIUMS upon the terms, at the times, and in the manner herein provided without any deduction on account of any setoff or claim which the owner may have against the management, and if the owner shall fail to pay any installment within one (1) month from the time when the same becomes due, the owner shall pay interest thereon at the rate of twelve percent (12%) per annum from the date when such installment shall become due to the date of the payment thereof.

The cash requirements above referred to for each year, or portion of the year, are hereby defined, and shall be deemed to be such aggregate such as the management committee from time to time shall determine, in its judgment, is to be paid by all the owners of WEST POINT MEADOWS CONDOMINIUMS then in existence to enable the committee to pay all estimated expenses and outlays of the committee to the close of each year, growing out of or connected with the maintenance and operation of such land, buildings, and improvements, which sum may include, among other things, the cost of management, special assessments, fire, casualty, and public liability insurance premiums, common lighting and heating, and pool expenses, landscaping and care of grounds, repairs and renovations to common areas and facilities, garbage collections, wages, water charges, sewer fees, legal and accounting fees, management fees, expenses and liabilities incurred by the management committee under or by reason of the Declaration and these by-laws, the payment of any deficit remaining from a previous period, the creation of a reasonable contingency or other reserve or surplus fund, as well as all other costs and expenses relating to WEST POINT MEADOWS CONDOMINIUMS. The management committee may, from time to time, up to the close of the year for which such cash requirements have been so fixed or determined, increase or diminish the amount previously fixed or determined for such year. The committee may include, in the cash requirements for any year, any liabilities or items of expense which accrued or became payable in a previous year, or which might have been included in the case requirements for a previous year, but were not included therein; and also any sums which the management committee may deem necessary or prudent to provide a reserve against liabilities or expenses then accrued or thereafter to accrue although not payable in that year.

The pro-rata portion payable by the owner in and for each year or portion of year shall be a sum within the limits and on the conditions hereinabove provided bearing to the aggregate amount of such cash requirements for such year, or portion of year, determined as aforesaid, the ratio of the owner's unit to the total of all units, and such assessments, together with any additional sums accruing under the Declaration and these By-laws shall be payable monthly in advance, or in such payments and installments as shall be required by the management committee, and at such times as shall be provided by the committee.

Every such reasonable determination by the committee, within the bounds of the condominium

Ownership Act, the Declaration, and these By-laws, shall, as against the owner, be deemed necessary and properly made for such purpose.

First mortgagees of all units shall have the right to examine the books and records of the homeowners association.

If the owners shall at any time let or sublet the unit, and shall default for a period of one (1) month in the payment of any management assessments, the management committee may, at its option and so long as such default shall continue, demand and receive from any tenant or sub-tenant of the owner occupying the unit the rent due or becoming due from such tenant or sub-tenant to the owner up to an amount sufficient to pay all sums due from the owner to the management committee, and any such payments of such rent to the committee shall be sufficient payment and discharge of such tenant or sub-tenant as between such tenant or sub-tenant and the owner to the extent of the amount so paid.

Section 2. No Waiver. The omission of the management committee, before the expiration of any year, to fix the management assessments hereunder for that or the next year, shall not be deemed a waiver or modification in any respect of the covenants, conditions, or restrictions of the Declaration and these By-laws, or a release of the owner from the obligation to pay the assessments, or any installment thereof for that or any subsequent year, but the assessment fixed for the preceding year shall continue until a new assessment shall be fixed.

As between unit owners, participation in any proceeds realized by the committee from said insurance

policy or policies will be on the basis of any damage sustained. In the event such unit owners cannot agree on the amount of damage sustained by each, the decision of the committee respecting the appraisal of such damage shall be conclusive. Each unit owner shall be responsible for securing and maintain insurance coverage on the interior of his unit and furniture, appliances, and all personal property which he may have in or on his particular unit.

B. Public Liability Coverage. The committee shall secure and at all times maintain, in its own name a policy of comprehensive general liability insurance for bodily injury and property damage in the aggregate amount of \$1,000,000.00. It is intended that the insurance policies herein provided for include coverage for any act or omission of the committee, its officers, agents and employees, or of the occupants of any office unit in the project, respecting the ordinary and anticipated use, occupancy, operation and/or maintenance of the project. It is not intended, however, that said insurance policies include any coverage or recognize any liability with respect to any act or omission on the part of any unit owner or occupant, or their employees, respecting acts or omissions other than those arising out of the ordinary and anticipated use, occupancy, operation and/or maintenance of the project or of any of said units.

ARTICLE VIII - REIMBURSEMENT FOR DAMAGES

Each unit owner shall promptly perform or cause to be performed all maintenance and repair work within any of said units owned by him which, if omitted, will adversely affect the building in which said unit is located in its entirety, or any part of the project, and shall be liable in damages for any failure on his part to do so.
