Affects Utah County Tax Serial Nos. 11:031:0152 and 66:529:0101

EASEMENT AGREEMENT
(Sewer and Culinary Water Easement)

This Easement Agreement (**Agreement**) is entered into by and between **Perry Development, LLC**, a Utah limited liability company (**Perry**), and **Towns of Traverse Mountain, LLC**, a Utah limited liability company (**Towns**). Perry is the owner of a certain parcel of real property located in Utah County, Utah, known as Parcel No. 11:031:0152 and described on **Exhibit A**, attached hereto (the **Perry Property**). Towns is the owner of a certain parcel of real property located in Utah County, Utah, known as Parcel No. 66:529:0101 and described on **Exhibit B**, attached hereto (the **Towns Property**). The Perry Property and Towns Property are located within residential subdivisions in Lehi, Utah, known as La Ringhiera (**La Ringhiera Subdivision**) and the Seasons Townhomes (**Seasons Townhomes Subdivision**), respectively, to be constructed pursuant to the Traverse Mountain Area Plan (**Subdivisions**). Towns has agreed to grant to Perry a sewer easement and rights that will be beneficial in the development of the La Ringhiera Subdivision.

NOW THEREFORE, for good and valuable consideration, the sufficiency and receipt of which is acknowledged, Perry and Towns do hereby covenant and agree, and Towns hereby grants to Perry easements, as follows:

- A. Towns does hereby grant the following easements, rights, and privileges to Perry, its successors, and assigns: Perpetual, non-exclusive use of that portion of the Towns Property described on **Exhibit C** hereto (**Easement Parcel**) (a plan showing the location of the Easement Parcel is attached as **Exhibit D** for illustrative purposes) to enter upon and, in a workmanlike manner, construct, install, use, maintain, repair, and replace, as necessary, and all at Perry's sole and exclusive cost and expense, underground sewer related facilities and improvements which Perry deems necessary or advisable for the benefit of only Lot 315 of the Perry Property which is a part of the La Ringhiera Subdivision (**Lot 315**), and underground culinary water related facilities and improvements which Lehi City deems necessary or advisable for the benefit of the Parties and the culinary water system in the Traverse Mountain development together with reasonably necessary access rights to the Easement Parcel in order to gain access to, use and maintain the Easement Parcel for said purposes, all of which shall

be at Perry's sole cost, including, without limitation, all costs associated with adding and maintaining the sewer and culinary water connection and any association costs of such sewer and culinary water installation (**Easement**). Notwithstanding the foregoing, Perry agrees to reduce the size of the Easement Parcel to the minimum size required by Lehi City (contemplated to be 20' (10' on center)), following construction and installation of the sewer and culinary water line on the Easement Parcel by Perry.

- B. The Easement granted herein shall be limited in scope and used by Perry solely for ingress and egress to place sewer line for Lot 315 and the culinary water loop line required by Lehi City and to construct, install, use, maintain, repair, and replace, as necessary, the same. Perry covenants and agrees to indemnify Towns for any losses or damage caused by any use of the Easement.
- C. The Easement granted hereunder is non-exclusive. Towns shall be free to use the Easement Parcel in any manner it may determine, in its sole and absolute discretion, and without notice to or consent from Perry, so long as such use is not inconsistent with the rights granted to Perry hereunder. If Towns (or any of their employees, agents, officers or contractors) causes any damage, or materially impacts or interferes with the sewer connection properly created or constructed on the Easement Parcel by Perry, Towns shall promptly repair the same and restore the same to the condition that existed prior to such damage or interference, at its cost.
- D. Perry and Towns expressly agree that the use by Perry of the Easement Parcel shall not unreasonably interfere with the uses that can be made by Towns of the remaining portions of the Towns Property, including, without limitation, Towns ability from having an acceptable access in this area.
- E. To the fullest extent allowed under law, Towns disclaims any representations or warranties, express or implied, regarding the physical condition of, or any other matter relating to the Easement Parcel and the Easement Parcel is being transferred "as is" and "where is" with all faults, liabilities, and limitations appurtenant thereto.
- F. Prior to commencement of any work upon the Easement Parcel, Perry or the owner of the Perry Property, as applicable, shall procure commercial general liability insurance insuring Perry and its contractors against any liability arising out of or in connection with any work on the Easement Parcel and all areas appurtenant thereto, in an amount of \$2,000,000.00.
- G. In the event that the use of this Easement by Perry causes any damage or harm to the surface or subsurface areas of the Easement Parcel that is not contemplated by the improvements Perry is permitted to make on the

Easement Parcel pursuant to this Agreement, or to the Towns Property, or to any of Towns' utilities or utility systems, then Perry shall have a duty to repair and restore such areas or property to place them in a comparable condition as they were found at the commencement of any work done by Perry, its agents, contractors and representatives, or the condition as they were found at the time the damage or harm was incurred or discovered,. If Perry fails to restore such areas within thirty (30) days after receipt of written demand by Towns, Towns shall have the right to restore such areas and to charge Perry for the cost of repair. Interest shall accrue at the rate of ten percent (10%) per annum on any sums expended by Towns to restore the Easement Parcel or Towns Property disturbed by Perry, and Perry shall pay such interest charges in addition to the costs of restoration.

- H. Perry shall indemnify and hold Towns harmless from and against any and all damages, demands, claims, losses, liabilities, injuries, penalties, fines, liens, judgments, suits, actions, investigations, proceedings, costs or expenses whatsoever (including, without limitation, reasonable attorney and expert fees and costs) arising out of or relating to any physical harm, physical damage or personal injury or death caused by entry on the Easement Parcel by Perry or its invitees, guests, agents, employees or contractors in the course of utilizing the Easement Parcel or performing any work on the Easement Parcel for any purpose, except to the extent caused by the negligence or misconduct of Towns or its invitees, guests, agents, employees or contractors. Without limiting the generality of the foregoing indemnity, Perry shall remove any mechanic's or other liens which may be recorded against the Towns Property by any party providing labor, materials or services at the request of Perry.
- I. The Easement and associated rights established, granted, and conveyed by this Agreement are not intended to confer any benefit or right upon the general public other than to the extent that public systems may benefit from the underground sewer and culinary water lines installed by Perry in the easement.
- J. Each of the parties agree that it will execute any and all other documents or legal instruments that may be necessary or required to carry out and effectuate all of the provisions hereof.
- K. This Agreement, and all matters relating hereto, including any matter or dispute arising out of the Agreement, shall be interpreted, governed, and enforced according to the laws of the State of Utah, and the parties hereto consent to the jurisdiction of any appropriate court in the State of Utah, Utah County, to resolve such disputes.
- L. In the event that any provision of this Agreement, or any operation contemplated hereunder, is found by a court of competent jurisdiction to be inconsistent with or contrary to any law, ordinance, or regulation, the

latter shall be deemed to control and the Agreement shall be regarded as modified accordingly and, in any event, the remainder of this Agreement shall continue in full force and effect.

- M. In the event that either party is in default of their duties and obligations under this Agreement, such defaulting party shall be liable to the non-defaulting party for all of its costs, damages, and expenses, including a reasonable attorney fee and court costs, in enforcing its rights hereunder.
- N. In any legal action to enforce the rights granted to the parties under this Agreement, either party may, in addition to any other rights or remedies it may have at law or in equity, seek the remedy of specific performance to enforce the various duties and obligations arising under this Agreement. Each right and remedy provided in this Agreement is distinct from all other rights or remedies under this Agreement, and each shall be cumulative and may be exercised concurrently, independently, or successively, in any order.
- O. Each individual executing this Agreement hereby represents and warrants to each person so signing (and to each other entity for which another person may be signing) that he or she has been duly authorized to execute and deliver this Agreement in the capacity of the person or entity set forth for which he or she signs.

Except as may be provided herein, this instrument, and the easement granted herein, may not be terminated, modified or amended without the written consent of both parties, or their successors or assigns, and any such termination, modification or amendment will only be effective upon recordation in the official records of the Utah County recorder's office.

This instrument, and the easement granted herein, shall run with the land, and bind that portion of the Towns Property upon which the Easement Parcel sits, and shall be binding upon and inure to the benefit of the parties hereto and their successors in interest and assigns, and such successors in interest and assigns shall take title subject to this Easement. Conveyance of title to any portion of the Perry Property or the Towns Property shall not affect the enforceability of this Easement against any future owner of such property. The rights, conditions, obligations and provisions of this Agreement shall inure to the benefit of, and shall be binding upon, Towns and Perry and their respective successors and assigns.

[Signature Page Follows.]

IN WITNESS WHEREOF, the undersigned have executed this instrument this 4 day of ~~February~~ MARCH, 2017.
