TOGETHER WITH all easements, rights-of-way, and other appurtenances and rights incident to, Appurtenant to, or accompanying the above-described parcel of real property, whether or not the same are reflected on the Plat of the Property;

RESERVING UNTO DECLARANT, however, such easements and rights of ingress and egress over, across, through, and under the said property and any improvements (excluding residence dwellings) now or hereafter constructed thereon, as may be reasonably necessary for Declarant (in manner which is reasonable and not inconsistent with the provisions of the Declaration) to construct and complete each and all of the other improvements described in the recorded Plat, and to do all things reasonably necessary or proper in connection therewith.

ARTICLE I – RESIDENTIAL AREA COVENANTS

1.1 **Zoning.** The subdivision is zoned residential and is restricted to single family residential use pursuant to applicable provisions of Salem City's zoning ordinances. No residence, nor any part thereof, shall be occupied by any persons not coming within the definition of "Family" as such term is intended and defined in such ordinances.

1.2 Subdivision Design Concept. It is intended hereby to create a single family residential subdivision of homes which are all of a compatible design, size and value. All homes shall exhibit creative architectural design, detail and the use of above-average new materials (except for used brick, which may be utilized) with conventional construction methods. Pre-fabricated or pre-constructed homes are not permitted.

1.3 Architectural and Landscape Control. No structure, building, landscaping, or other improvements shall be erected, placed or altered on any lot until the construction plans and specifications therefor, and a plan showing the location of the proposed improvements upon the lot, have been approved by the Architectural and Landscape Committee (the "ALC"), as hereinafter provided, as to quality of workmanship and materials, harmony of exterior design with existing structures, and as to location with respect to topography and finish grade elevation. No accessory buildings, fences, walls or landscaping shall be erected, replaced or altered on any lot unless similarly approved. No residential dwelling shall contain less square footage than the minimums set forth in this Declaration.

The ridge line of any accessory building shall not be at an elevation above the ridge line of the dwelling unit.

1.4.6 Architectural Intent. It is the intent of the declarant that Whisper Ridge be a "Custom" Subdivision. For the purposes of this document, "Custom" shall mean that all homes are distinguishable from one to another. No two home designs shall be constructed which are, for all intents and purposes, the same. If a home design is desired which is similar to a home already constructed or under construction in Whisper Ridge Subdivision, the design must be modified such that it is distinguishable from the other(s). All homes should be architecturally pleasing in general and shall include elements of style and variety.

1.5 Landscape Plan. As part of the submission to the ALC of plans and specifications for improvements to be constructed on any lot, there shall be a landscape plan which shall include plans for sprinkler, drainage of surface water, and details of fencing. Chain link fencing will not be allowed.

1.6 Landscaping. A growing season shall be deemed to be from April 1 through September 30. The remaining residential landscaped area shall be completed within one year from issuance of occupancy permit.

1.7 Timely Construction; Material Storage. Construction on all dwellings must commence within one year of the ALC approval or such approval will lapse. All dwellings under construction must be completed pursuant to the plans and specifications submitted to the ALC within one year from commencement of any construction, or alteration, with dates to be determined by the records of Salem City as to building permits, inspections, etc. Damage to public roads or sidewalks within the Subdivision which occur during construction shall be repaired, or bonded therefor, prior to issuance of a certificate of occupancy. No building material of any kind or character shall be placed or stored upon any lot until the owner thereof is prepared to commence construction of improvements and plans have been approved by the ALC. Building materials shall be placed only within the property lines of the lot upon which the improvements are to be erected.

1.8 Signs. No signs of any kind shall be displayed to the public view on any lot except one sign of not more than six to eight square feet advertising the lot for sale or rent, or similar size signs used by a builder or realtor to advertise the lot during the construction and sales period. This provision shall not impair Declarant's right to utilize larger signage for permanent entrance statements or for advertisement during construction, development and marketing of the Subdivision lots.

1.9 Livestock, Poultry and Pets. No animals, livestock or poultry of any kind shall be raised, bred, or kept on any lot, except for dogs, cats, and other domesticated household pets; provided further, that all pets kept outside must be restrained in a humane manner. Kennels, runs and leash areas must be kept clean and sanitary. No pets shall be kept in unreasonable numbers or against any provisions of the Salem City ordinances as to type, licensing, etc.

ARTICLE II – ARCHITECTURAL AND LANDSCAPE COMMITTEE (“ALC”)

2.1 Membership. The ALC shall be composed of three persons of Declarant’s choosing who may or may not be lot owners. A majority of the ALC members may designate a representative to act for the ALC without in any way relieving any owner from compliance with the requirements set forth in the Declaration. In case of a vacancy on the ALC which remains unfilled by Declarant for 30 days, the remaining members shall have full authority to designate a successor. Neither the members of the ALC nor its designated representatives shall be entitled to compensation for services performed pursuant to this Declaration nor shall they assume any personal liability and shall be held free and harmless from damages, including attorney fees and costs, for actions taken or decisions made by the ALC. When all lots within the Development owned initially by Declarant have been sold, Declarant shall appoint a successor ALC. The ALC shall at all times have a minimum of three members. Except for the initial members of the ALC, all members shall be residents of the Subdivision at the time of their appointment and during their tenure.

2.2 Standards. In deciding whether to approve or disapprove plans and specifications submitted to it, the ALC shall use its best judgment to ensure that all improvements, construction, landscaping, and alterations on lots within the Subdivision conform to the requirements set forth herein, and that they harmonize with existing surroundings and structures. If any structure hereafter constructed on any lot in replacement of the structure previously located thereon shall be constructed in substantially the same configuration, location and architectural style, and be approximately the same size as the prior structure, and if the plans and specifications therefore meet such criteria, the ALC must approve the same.

2.3 Procedures. The ALC shall act within a reasonable time on any submittal, and shall document its action in writing to be held as a permanent record, with copies to parties concerned and on file. The requirements for preliminary plans and final working drawings shall be those prescribed by the ALC in writing and given to lot owners at the time of their lot purchase, or at any time, from time to time. An owner whose plans or other requests are rejected shall meet with the ALC at the ALC’s invitation and shall be informed of the nature of the cause for rejection so that necessary remedial action might be taken. In the event the ALC fails to approve or disapprove such plans and specifications within 30 days after the same have been submitted to it then the plans shall be deemed approved, except as to such matters that are prohibited herein or in the ALC specifications referred to in Section 4.1.3 or by the ordinances of Salem City.

2.4 Submittals. All plans, specifications and plot plans, including exterior material and color selections, must be submitted to the ALC in duplicate and be accompanied by a written request for approval. As long as Declarant has the right to choose the members of the ALC, the address for submittals to the ALC pursuant to this Declaration shall be that of Declarant. The ALC’s approval or disapproval shall be in writing and returned to the one making submission, together with a notation of approval, disapproval, corrections, or modifications and the date thereof, affixed to one copy of such plans and specifications. A duplicate copy of such actions and the other copy of plans and specifications shall be retained by the ALC for its permanent records.

ARTICLE III - GENERAL PROVISIONS

3.1 Nature of Subdivision. The Subdivision contains no areas common to all lot owners. Therefore, all lot owners must obtain, pay for and keep in force their own hazard and liability insurance coverage with respect to their residences and lots.

3.2 Enforcement. Enforcement of the provisions of this Declaration shall be by proceedings at law or in equity to restrain violation and/or to recover damages against any person or persons violating or attempting to violate any of the provisions contained within this Declaration. The ALC or any of the lot owners shall have the right, but not the obligation, of enforcement as described in this Section 3.2. The successful party in any such proceedings shall be entitled to reasonable attorney’s fees and costs incurred, whether such proceedings are by suit or through alternative dispute resolution.

3.3 Term. The provisions of this Declaration shall run with the land in perpetuity from the date of its recording but may be amended or supplemented as provided herein.

3.4 Amendment. This Declaration may be amended by a written instrument executed by the then record owners of at least two-thirds (2/3) of the lots within the Subdivision and upon recording the same with the Recorder of Utah County, Utah; provided, however, that until at least 45% of the lots in the Subdivision have been conveyed by Declarant, Declarant alone shall have the right to make and effect such amendments and record such instruments.

3.5 Interpretation. In interpreting the provisions hereof as they pertain to municipal zoning or subdivision ordinances, if there are any discrepancies with the Salem City and subdivision ordinances, as amended from time to time, then the Salem City zoning and subdivision ordinances shall control such interpretation, including the meaning of any terms or definition used herein.

3.6 Covenants to Run with Land. This Declaration and all the provisions hereof, whether deemed or express, are declared to be and shall constitute covenants which run with the land, or equitable servitudes, as the case may be, and shall be binding upon and inure to the benefit of Declarant and any and all parties who have acquired, or who shall hereafter acquire, any interest in a lot, their respective grantees, transferees, mortgagees, tenants heirs, devisees, personal representatives, successors and assigns. Each present and future owner, mortgagee, tenant or occupant of a lot or dwelling shall be subject to and shall comply with the provisions of the Declaration. Each party acquiring any interest in a lot or dwelling within the Subdivision thereby consents to and agrees to be bound by all of the provisions of this Declaration.

ARTICLE IV – SUPPLEMENTAL DECLARATIONS

4.1 Future Plats. Following their approval by Salem City, future Plats of the Subdivision shall be made subject to the provisions of this Declaration upon concurrent recordation thereof in the Public Records of a Supplemental Declaration containing the following information:

4.1.1 The sequential and alphabetical name of the Subdivision Plat, and the numerical number of the Supplemental Declaration;

4.1.2 The number of new lots in said Plat and the cumulative total of all lots which are then subject to the provisions of this Declaration, which total shall not exceed 50; and

4.1.3 Amendments or clarifications to the Declaration, if any.

4.2 Availability of Copies. Copies of all recorded Supplemental Declarations shall be attached to all copies of the recorded Declaration and made available to all new lot purchasers in connection of such purchase, and to current owners in the Subdivision upon request at a reasonable cost.

IN WITNESS WHEREOF, Declarant executes this Declaration as of the day and year first above written.
