described in Exhibit "A" attached hereto and incorporated herein by this reference.

TOGETHER WITH all easements, rights-of-way, and other appurtenances and rights incident to, appurtenant to, or accompanying the above-described parcel of real property.

ALL OF THE FOREGOING IS SUBJECT TO: all liens for current and future taxes, assessments, and charges imposed or levied by governmental or quasi-governmental authorities; all Patent reservations and exclusions; any mineral reservations of record and rights incident thereto; all instruments of record which affect the above-described land or any portion thereof, including, without limitation, any mortgage or deed of trust; all visible easements and rights-of-way; all easements and rights-of-way of record; any easements, rights-of-way, encroachments, or discrepancies otherwise existing; an easement for each and every pipe, line, cable, wire, utility line, or similar facility which traverses or partially occupies the above-described land at such time as construction of all Project improvements is complete; and all easements necessary for ingress to, egress from, maintenance of, and replacement of all such pipes, lines, cables, wires, utility lines, and similar facilities.

With the exception of such perpetual easements, the reservations hereby effected shall, unless sooner terminated in accordance with their terms, expire seven (7) years after the date on which this Declaration is

filed for record in the Office of the County Recorder of Washington County, Utah.

III. MEMBERSHIP AND VOTING RIGHTS

1. Membership. Every Owner shall be a Member of the Association. Membership in the Association shall be mandatory, shall be appurtenant to the Lot in which the Owner has the necessary interest, and shall not be separated from the Lot to which it appertains.

2. Voting Rights. The Association shall have the following described two classes of voting membership:

Class A. Class A Members shall be all the Owners other than the Declarant. Class A Members shall be entitled to one vote for each Lot in which the interest required for membership in the Association is held. In no event, however, shall more than one Class A vote exist with respect to any Lot.

Class B. The Class B Member shall be the Declarant. The Class B Member shall be entitled to five (5) votes for each Lot in which it holds the interest required for membership in the Association. The Class B membership shall automatically cease and be converted to Class A membership on the first to occur of the following events.

(a) When the total number of votes held by all Class A members equals the total number of votes held by the Class B Member.

(b) The expiration of seven (7) years after the date on which this Declaration is filed for record in the office of the County Recorder of Washington County, Utah.

3. Multiple Ownership Interests. In the event there is more than one Owner of a particular Lot, the vote relating to such Lot shall be exercised as such Owners may determine among themselves. A vote cast at any Association meeting by any of such Owners, whether in person or by proxy, shall be conclusively presumed to be the vote attributable to the Lot concerned unless an objection is immediately made by another Owner of the same Lot. In the event such an objection is made, the vote involved shall not be counted for any purpose whatsoever other than to determine whether a quorum exists.

IV. PROPERTY RIGHTS IN COMMON AREAS

1. Easement of Enjoyment. Each Member shall have a right and easement of use and enjoyment including, but not limited to, the right of ingress and egress to and from his Lot and in and to the Common Areas. Such right and easement shall be appurtenant to and shall pass with title to each Lot and in no event shall be separated therefrom. Any Member may permit any person to the use

and enjoyment described herein to any tenant, lessee, or contract purchaser who resides on such Member's Lot.

2. Form For Conveyancing. Any deed, lease, mortgage, deed of trust, or other instrument conveying or encumbering title to a Lot shall describe the interest or estate involved substantially as follows:

Lot No. _____ contained within the Color View Townhome Phase I, as the same is identified in the Plat recorded in the office of the Washington County Recorder, and in the Declaration of Covenants, Conditions and Restrictions of the Color View Townhomes Phase I" (the Declaration) recorded in Book 351 at Page 934 as Entry No. 262783 of the official records of Washington County, Utah, TOGETHER WITH a right and easement of use and enjoyment in and to the Common Areas, described and as provided for, in the Declaration. SUBJECT TO all of the provisions of the Declaration, and subject, also, to liens for current taxes.

Whether or not the description employed in any such instrument is in the above-specified form, however, all provisions of this Declaration shall be binding upon and shall inure to the benefit of any party who acquires any interest in a Lot.

3. Transfer of Title. Declarant agrees that it shall, on or prior to the first conveyance of a Lot, convey to the Association title to all Common Areas of the Development, and Declarant further agrees that it will discharge all liens and encumbrances on said Common Areas on or before the sale and closing of the last Lot in the Development.

4. Limitation on Easement. A Member's right and easement of use and enjoyment concerning the Common Areas shall be subject to the following:

(a) The right of the Association to suspend a Member's right to the use of any amenities included in the Common Areas for any period during which an assessment on such Member's Lot remains unpaid and for a period not exceeding ninety (90) days for any infraction by such Member of the provisions of this Declaration or of any rule or regulation promulgated by the Association;

(b) The right of the Association to impose reasonable limitations on the number of guests per Member who at any given time are permitted to use the Common Areas;

(c) The right of the County of Washington and any other governmental or quasi-governmental body having jurisdiction over the property to access and rights of ingress and egress over and across any street, parking area, walkway, or open spaces contained within the

Property for purposes of providing police and fire protection and providing any other governmental or municipal service; and

(d) The right of the Association to dedicate or transfer all or any part of the Common Areas to any public agency or authority for such purposes and subject to such conditions as may be agreed to by the Association. Any such dedication or transfer must, however, be assented to by two-thirds (2/3) of the vote of each class of membership which Members present in person or by proxy are entitled to cast at a meeting duly called for the purpose. Written or printed notice setting forth the purpose of the meeting and the action proposed shall be sent to all Members at least ten (10) days but not more than thirty (30) days prior to the meeting date.

5. Encroachments. If any portion of a Living Unit constructed by Declarant, or if any portion of a Living Unit reconstructed so as to substantially duplicate the Living Unit originally constructed by Declarant, encroaches upon the Common Areas or other Lots, as a result of the construction, reconstruction, repair, shifting, settlement or movement of any portion of the development, a valid easement for the encroachment and for the maintenance of the same shall exist so long as the encroachment exists.

V. ASSESSMENTS

1. Personal Obligation and Lien. Declarant, for each Lot owned by it, and each Owner shall, by acquiring or in any way becoming vested with his interest in a Lot, be deemed to covenant and agree to pay to the Association the monthly and the special assessments described in this Article, together with the hereinafter provided for interest and costs of collection. All such amounts shall be, constitute, and remain: (a) a charge and continuing lien upon the Lot with respect to which such assessment is made; and (b) the personal obligation of the person who is the owner of such Lot at the time the assessment falls due. No Owner may exempt himself or his Lot from liability for payment of assessments by waiver of his rights concerning the Common Areas or by abandonment of his Lot. Any such liens, however, shall be subordinate to the lien or equivalent security interest of any first Mortgage on the unit recorded prior to the date any such common expense assessments become due.

2. Purpose of Assessments. Assessments levied by the Association shall be used exclusively for the purpose of promoting the maintenance, health, safety, and welfare of residents of the Property. The use made by the Association of funds obtained from assessments may include payment of the cost of: taxes and insurance on the Common Areas; maintenance, repair, replacement, and improvement of the Common Areas; management and supervision of the Common Areas; establishing and funding a reserve to cover major repair or replacement of improvements within the Common Areas; and any expense necessary or desirable to enable the Association to perform or

fulfill its obligations, functions, or purposes under this Declaration or its Articles of Incorporation.

3. Base for Assessment. Each Living Unit which is certified for occupancy and each unimproved Lot which has been conveyed to an Owner shall be assessed at a same and equal rate. For the purpose of assessment, the term "Owner" shall exclude the Declarant, builder, contractor, investor, or other person or entity who purchases a Lot for the purpose of constructing improvements thereon for resale to an Owner, who shall pay no assessment unless a unit constructed on a lot is occupied for a permanent residence.

4. Special Assessments. In addition to the annual assessments authorized above, the Association may levy special assessments for the purpose of defraying, in whole or in part: (a) any expense or expenses not reasonably capable of being fully paid with funds generated by monthly assessments; or (b) the cost of any construction, reconstruction, or unexpectedly required repair or replacement in connection with the Common Areas. Any such special assessment must be assented to by more than fifty percent (50%) of all votes which Members present in person or represented by proxy are entitled to cast at a meeting duly called for the purpose. Written notice setting forth the purpose of the meeting shall be sent to all Members at least ten (10) days but not more than thirty (30) days prior to the meeting date.

5. Quorum Requirements. The quorum required for any action authorized by Section 4 above shall be as follows: at the first meeting called the presence of Members or of proxies entitled to cast fifty percent (50%) of all outstanding votes shall constitute a quorum. If a quorum is not present at the first meeting or any subsequent meeting, another meeting may be called (subject to the notice requirements set forth in Section 4) at which a quorum shall be one-half of the quorum which was required at the immediately preceding meeting. No such subsequent meeting shall be held more than forty-five (45) days following the immediately preceding meeting.

6. Equal Rate of Assessment. Both monthly and special assessments shall be fixed at a uniform (equal) rate for all Lots, subject to the provision of paragraph 3 above regarding the Declarant, or his assigns.

7. Monthly Assessment Due Dates. The monthly assessments provided for herein shall commence as to all Lots on the date deed is delivered to first purchaser of a Lot (or contract of sale) or the date of occupancy under an occupancy agreement whichever first occurs. The first monthly assessment shall be adjusted according to the number of days remaining in the month of conveyance, contract or occupancy, as the case may be. At least 15 days prior to the effective date of any change in amount of the monthly assessment the Association shall give each Owner written notice of the amount and the first due date of the assessment concerned.

8. Certificate Regarding Payment. Upon the request of any Owner or Prospective purchaser or encumbrancer of a Lot the Association shall issue a certificate stating whether or not all assessments respecting such Lot are current and, if not, the amount of the delinquency. Such certificate shall be conclusive in favor of all persons who in good faith rely thereon.

9. Effect of Non-payment -- Remedies. Any assessment not paid when due shall, together with the hereinafter provided for interest and costs of collection, be, constitute, and remain a continuing lien on the Lot, provided, however, that any such lien will be subordinate to the lien or equivalent security interest of any first mortgage on the Lot recorded prior to the date any such assessments become due. The person who is the Owner of the Lot at the time the assessment falls due shall be and remain personally liable for payments. Such personal liability shall not pass to the Owner's successors in title unless expressly assumed by them. If the assessment is not paid within thirty (30) days after the date on which it becomes delinquent, the amount thereof shall bear interest from the date of delinquency at the rate of Eighteen percent (18%) per annum plus late payment service charge equal to five (5) percent of each delinquent amount due and the Association may, in its discretion, bring an action either against the Owner who is personally liable or to foreclose the lien against the Lot. Any judgment obtained by the Association shall include reasonable attorney's fees, court costs, and each and every other expense incurred by the Association in enforcing its rights.

10. Tax Collection From Lot Owners by Washington County Authorized. It is recognized that under the Declaration the Association will own the Common Areas and that it will be obligated to pay property taxes to Washington County. It is further recognized that each Owner of a Lot as a Member of the Association and as part of his monthly common assessment will be required to pay to the Association his prorata share of such taxes. Notwithstanding anything to the contrary contained in the Declaration, or otherwise, Washington County shall be, and is, authorized to collect such prorata share (on equal basis) of taxes directly from each Owner by inclusion of said share with the tax levied on each Lot. To the extent allowable, Washington County is hereby directed so to do. In the event that the assessor shall separately assess Common Areas to the Association, the Board of Trustees may require the unit owners, including the Declarant to pay a special assessment, on a prorata basis, for property taxes.

VI. OPERATION AND MAINTENANCE

1. Maintenance of Lots and Living Units. Each Lot and Living Unit shall be maintained by the Owner thereof so as not to detract from the appearance of the Property and so as not to affect adversely the value or use of any other Lot or Living Unit. The Association shall have no obligation regarding maintenance or care of Lots or Living Units except as provided in Paragraph 2 of this Article VI.

2. Operation and Maintenance by Association. The Association, by its duly delegated representative, shall provide for such maintenance and operation of the Common Areas as may be necessary or desirable to make them appropriately usable in conjunction with the Lots and to keep them clean, functional, attractive and generally in good condition and repair. The Association shall maintain, repair and restore the Front Yard Area on the common areas in front of each Lot including, but not by way of limitation, grass, landscaping, shrubs, watering and the sprinkling system. In addition to maintenance of the Common Areas, the Association shall provide exterior maintenance upon each Lot which is subject to assessment under Article V hereof, including, but not limited to the following: paint, repair, replace and care for roofs, gutters, downspouts, exterior building surfaces, fences, street signs, lights, mailboxes, walkways and other exterior improvements. In the event that special need for maintenance or repair of the Common Areas and Lot exteriors should be necessitated through willful or negligent act of the Member, his family or guests, or invitees, the cost of such maintenance shall be added to and become a part of assessment to which such Lot is subject. Notwithstanding the provisions regarding Lot and Living Unit maintenance by Owners, in the event an Owner of any Lot in the Property shall fail to maintain his Lot and the exterior of his Living Unit situated thereon in a manner satisfactory to the Architectural Control Committee or the Board, the Association, after approval by 2/3 vote of the Board, shall have the right, through its agents, employees, or through an independent contractor to enter upon his Lot and repair, maintain, and restore the portion of the Lot maintainable by the Owner and the exterior of his Living Unit and any other improvements erected thereon (but not the interior of his Living Unit). The cost of such exterior maintenance shall be added to and become part of the assessment to which Lot is subject.

3. Maintenance of Evaporative Coolers. The Association shall contract and pay for periodic normal maintenance of the evaporative coolers and shall also be responsible for repairs or replacement beyond normal maintenance.

4. Water, Sewer and Garbage Removal. The Association shall pay for all water, sewer and garbage removal services furnished to each Lot. Each Lot Owner shall pay for all utility services which are separately billed or metered to individual Lots by the utility or other party furnishing such service.

5. Insurance. The Association shall secure and at all times maintain the following insurance coverages:

(a) A policy or policies of fire and casualty insurance, with extended coverage endorsement, for the full insurable replacement value of all improvements comprising a part of the Common Areas. The name of the insured under each such policy shall be in form and substance similar to: "Color View Townhome Owners Association for the use and benefit of the individual Lot

Owners and Mortgagees, as their interests may appear".

(b) A comprehensive policy or policies insuring the Owners, the Association, and its directors, officers, agents, and employees against any liability incident to the ownership, use or operation of the Common Areas which may arise among themselves, to the public, and to any invitees or tenants of the Property or of the Owners. Limits of liability under such insurance shall not be less than \$1,000,000.00 for all claims for personal injury and/or property damage arising out of a single occurrence, such coverage to include protection against water damage, liability for non-owned or hired automobile, liability for property of others, and such other risks as shall customarily be covered with respect to projects similar in construction, location and use. Such policies shall be issued on a comprehensive liability basis, shall provide a cross-liability endorsement pursuant to which the rights of the named insureds as between themselves are not prejudiced, and shall contain "a severability of interest" clause or endorsement to preclude the insurer from denying the claim of an Owner in the Development because of negligent acts of the Association or other Owners.

The following additional provisions shall apply with respect to insurance:

- (1) In addition to the insurance described above, the Association shall secure and at all times maintain insurance against such risks as are or hereafter may be customarily insured against in connection with developments similar to the Property in construction, nature, and use.
- (2) All policies shall be written by a company holding a rating of Class IV or better from Best's Insurance Reports or other similar standard yielding this minimum quality of insurer. Each insurer must be specifically licensed in the State of Utah.
- (3) The Association shall have the authority to adjust losses.
- (4) Insurance secured and maintained by the Association shall not be brought into contribution with insurance held by the individual Owners or their Mortgagees.
- (5) Each policy of insurance obtained by the Association shall, if reasonably possible, provide: A waiver of the insurer's subrogation rights with respect to the Association, the Owners, and their respective directors, officers, agents, employees, invitees, and tenants; that it cannot be cancelled, suspended, or invalidated due to the conduct of any particular Owner or Owners; that it

each Lot and to the holder of any mortgage on any Lot who shall have requested a copy of such report. Copies of every policy of insurance procured by the Board shall be available for inspection by the Owner.

(10) Lots Not Insured by Association. The Association shall have no duty or responsibility to procure or maintain any fire, liability, extended coverage or other insurance covering any Lot and acts and events thereon. Accordingly, each Owner shall secure and keep in force at all times fire and extended coverage insurance which shall be equal to or greater than fire and extended coverage and shall be at least equal to that commonly required by private institutional mortgage investors in the area in which the Mortgaged premises are located. The policy shall provide, as a minimum, fire and extended coverage insurance on a replacement cost basis in an amount not less than that necessary to comply with any co-insurance percentage stipulated in the policy. The amount of coverage shall be sufficient so that in the event of any damage or loss to the Mortgaged premises of a type covered by the insurance, the insurance proceeds shall provide at least the lesser of: (i) compensation equal to the full amount of damage or loss, or (ii) compensation to the first Mortgagee under the Mortgage equal to the full amount of the unpaid principal balance of the Mortgage Loan. However, the Board may choose to obtain a master policy of insurance. If the Board elects so to do, such policy shall be in an amount equal to full replacement value of all Living Units on the Lots with a co-insurance clause and each Owner of such Lots shall be designated as additional insured. The cost of such insurance shall be part of the assessment for such Lot.

(11) Unacceptable Policies. Policies are unacceptable where: (i) under the terms of the carrier's charter, bylaws or policy, contributions or assessments may be made against the Lot Owner or Mortgagee or Mortgagee's designee; or (ii) by the terms of the carrier's charter, bylaws or policy, loss payments are contingent upon action by carrier's board of directors, policyholders, or members; or (iii) the policy includes any limiting clauses (other than insurance conditions) which could prevent Lot Owner, Mortgagee or Mortgagee's Designee from collecting insurance proceeds.

(12) The Development is not located in an area identified by the Housing and Urban Development as an area having special flood hazards. In the event that at some future time the Development should be declared to be in such flood area, a blanket policy of flood insurance on the Project shall be maintained in the amount of the aggregate of the outstanding principal balances of the mortgage loans on the Living Units comprising the Development or

the maximum limit of coverage available under the National Flood Insurance Act of 1968, as amended, whichever is less. The name of the insured under each required policy must be in form and substance as that required by the Federal Home Loan Mortgage Corporation at any given time.

6. Manager. The Association may carry out through a Manager any of its functions which are properly the subject of delegation. Any Manager so engaged may be an independent contractor or an agent or employee of the Association, shall be responsible for managing the Property for the benefit of the Association and the Owners, and shall, to the extent permitted by law and the terms of the agreement with the Association, be authorized to perform any of the functions or acts required or permitted to be performed by the Association itself.

7. Terms of Management Agreement. Any agreement for professional management of the Development, or any other contract providing for services of the Declarant, sponsor, or builder, may not exceed three (3) years. Any such agreement must provide for termination by either party without cause and without payment of a termination fee on ninety (90) days or less written notice.

VII. USE RESTRICTIONS

1. Use of Common Areas. The Common Areas shall be used only in a manner consistent with their community nature and with the use restrictions applicable to Lots and Living Units. No admission fees, charges for use, leases, or other income-generating arrangement of any type shall be employed or entered into with respect to any portion of the Common Areas.

2. Use of Lots and Living Units. All Lots are improved with Living Units and are restricted to such use. Each Lot has been or will be improved with a Living Unit, each to be used only as a residence. No Lot or Living Unit shall be used, occupied, or altered in violation of law, so as to create a nuisance or interfere with the rights of any Owner or in a way which would result in an increase in the cost of any insurance covering the Common Areas.

3. Parking Lot. Parking Lot must be large enough to accommodate one (1) parked automobile per unit. One parking stall shall be appurtenant to the corresponding unit as shown on the Plat and shall be Limited Common Area appurtenant to the unit. the Declarant.

6. Non-residential Use. No part of the Property shall be used for any commercial, manufacturing mercantile, storing, vending, or other such non-residential purposes. Declarant, its successors or assigns, may use the Property for a model home site display, and as a sales office during the construction and sales period.

7. Signs. No sign or billboard of any kind shall be displayed to the public view on any portion of the Property or any Lot advertising the property for sale or rent except signs used by Declarant, its successor or assigns, to advertise the property during the construction and sales period, provided that each unit owner shall be allowed to display no more than 2 "for sale", or "for rent" signs in the unit windows and said signs shall be no more than 12" x 14" in size.

8. Windows. Windows shall be kept clean and free from offensive signs or coverings, which detract from the exterior appearance of the project. In the event of a complaint in this regard the Architechtural Control Committee shall meet and determine whether the condition detracts from the exterior appearance and if it is so determined, the unit owner shall remove or correct the condition. The Architechtural Control Committee shall also have the power to issue appropriate Rules and Regulations regarding this subject.

9. Quiet Enjoyment. No noxious or offensive trade or activity shall be carried on upon any Lot or any part of the Property, nor shall anything be done thereon which may be or may become an annoyance or nuisance to the neighborhood, or which shall in any way interfere with the quiet enjoyment of each of the owners of his respective Living Unit or which shall in any way increase the rate of insurance.

10. Temporary Structures, Equipment, Motor Vehicles, Etc. No structure of a temporary character, trailer, basement, tent, shack, garage, barn, or other out building shall be used on any lot at any time as a residence, either temporarily or permanently. No trailer, camper, boat, truck larger than 3/4 ton, flat bed truck, or similar equipment or vehicle not in running condition shall be permitted to be parked upon any Lot. No motor vehicle whatsoever may be parked on any common street or driveways, but shall be kept in the parking areas.

11. Animals. No animals, livestock, or poultry of any kind shall be raised, bred or kept on any Lot, except that dogs, cats or other household pets may be kept on the Lots provided that they are not kept, bred or maintained for any commercial purpose or kept in unreasonable numbers. Notwithstanding the foregoing, no animals or fowl may be kept on the Property which result in an annoyance or an obnoxious, by noise or otherwise, to Lot Owners. All pets must be kept in the townhome unit, fenced Yard of the Lot

or on a leash attended by an owner in the Common Areas.

12. Garbage Removal. All rubbish, trash and garbage shall be regularly removed from the Property, and shall not be allowed to accumulate thereon. All clotheslines, refuse containers, woodpiles, storage areas and machinery and equipment shall be prohibited upon any Lot unless obscured from view of adjoining Lots and streets by a fence, building, or appropriate screen.

13. Electronic Antennas and Stove or Chimney Flues. No television, radio, or other electronic antenna or devise of any type shall be erected, constructed, placed or permitted to remain on any of the Living Units or structures on the Lots in said tract unless and until the same shall have been approved in writing by the Architectural Committee of the Association. No stove flue, chimney or other similar venting system shall be installed to the exterior of the unit, nor shall any heating device be installed other than that provided with the unit without the written approval or the Architechtural Control Committee.

14. Exception for Declarant. XI. ANNEXATION OF ADDITIONAL LAND

1. Annexation by Declarant. Declarant will expand the Property subject to this Declaration by the annexation of all of Phase II Land. (See Exhibit B hereto for description of Phase II land.) rations, and reference to this Declaration shall mean this Declaration as so supplemented.

No such subsequent meeting shall be held more than forty-five (45) days following the immediately preceding meeting. Any amendment authorized pursuant to this Section shall be accomplished through the recordation of an instrument executed by the Association (and by the Declarant if the Class B membership then exists). In such instrument an officer or director of the Association shall certify that the vote required by this Section for amendment has occurred. Notwithstanding anything herein contained to the contrary, until eighty percent (80%) of the Lots in the Development (including additional phases as may be added) have been sold to purchasers, Declarant shall have, and is hereby vested with, the right to unilaterally amend this Declaration as may be reasonably necessary or desirable; (a) to move accurately express the intent of any provision of this

(a) The terms of the Lease shall in all respects be subject to the provisions of the Declaration, Articles of Incorporation of the Association and the By-Laws; and
