ARTICLE III
MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

Section 3.1. Membership. Every Owner, upon acquiring title to a Unit, shall automatically become a member of the Association and shall remain a member thereof until such time as his/her ownership of such Unit ceases for any reason, at which time his/her membership in the Association with respect to such Unit shall automatically cease and the successor Owner shall become a Member. Membership in the Association shall be mandatory and shall be appurtenant to and may not be separated from the ownership of a Unit.

Section 3.2. Voting Rights. The Association shall have the following described two classes of Voting membership:

Class A. Class A members shall be all Owners, but excluding the Declarant until the Class B membership ceases. Any Owner who mortgages his Unit or any interest therein by a Mortgage which has priority over the lien of any assessment provided herein shall notify the secretary of the Association of the name and address of the mortgagee and also of the release of such Mortgage; and the secretary of the Association shall maintain all such information in the record of ownership.

ARTICLE IV OPERATION AND MAINTENANCE

Section 4.1. Duties of the Association. Without limiting any other duties which may be imposed upon the Association by its Articles of Incorporation or this Declaration, the Association shall have the obligations and duties to do and perform each and every one of the following for the benefit of the Owners and the maintenance and improvement of the Town Home Property, the costs of which shall be paid through assessments levied upon the Units and respective Owners as set forth within this Declaration:

- (a) The Association shall accept all Owners as Members of the Association.
- (b) The Association shall accept title to the Collective Town Home Common Area conveyed to it by the Declarant.
- (c) The Association shall provide and be responsible for the management, control, operation, care, maintenance, repair, replacement, and upkeep of the Town Home Common Area, including snow removal and landscaping, and shall keep the same in good, clean, attractive, safe and sanitary condition, unless, until and except to the extent that such responsibility is transferred to and accepted by some other authority, public agency, or utility, and such transfer is agreed to by Members holding at least two-thirds (2/3) of the votes of each class of membership of the Association.

(d) In addition to maintenance of the Town Home Common Area, the Association shall also provide and be responsible for the limited upkeep of the Town Home Limited Common Area, subject to assessment hereunder as follows: water, mow, cut, prune and replace as needed all lawns, trees, shrubbery, flowers and other landscaping features located on any portion of a Unit which lies between the boundaries of the Unit and the extremities of the Dwelling located thereon, including snow removal. In the event that the need for maintenance or repair is caused through the willful or negligent act of the Owner, his family, guests or invitees, the Owner shall be obligated to immediately reimburse the Association for the cost thereof. The Owner's obligation to reimburse the Association for the cost of such maintenance or repairs shall be secured by a lien against the Owner's Unit in the same manner as provided in Article V below with respect to Monthly Assessments and Special Assessments. To the extent not assessed to or paid by the Owners directly, the Association shall pay all real property taxes and assessments, levied upon any portion of the Town Home Common Areas and Town Home Limited Common Areas or other common areas; provided that the Association shall have the right to contest or compromise any such taxes or assessments.

(e) In addition, the association shall be responsible to maintain the Town Home Native Common Area in a way to insure it does not accumulate debris or excess foliage and spoilage and is safe for general use.

The compensation of the Managing Agent shall be such as shall be specified by the Board. Any agreement appointing a Managing Agent shall be terminable by the Board with cause upon thirty (30) days written notice thereof and at any time without cause or payment of a termination fee upon ninety (90) days written notice thereof, and the term of any such agreement may not exceed one (1) year, renewable by agreement of the parties for successive one-year periods. Any Managing Agent shall be an independent contractor and not an agent or employee of the Association.

Section 4.2. Powers and Authority of the Association. The Association shall have all the powers set forth in its Articles of Incorporation, together with its general powers as a limited liability company, and the power to do any and all things which may be authorized, required or permitted to be done by the Association under and by virtue of this Declaration, including the power to levy and collect assessments as hereinafter provided. The Association shall also have the power and authority from time to time in its own name, on its own behalf, or in the name and behalf of any Owner or Owners who consent thereto, to commence and maintain actions and suits to restrain and enjoin any breach or threatened breach of this Declaration or any rules and regulations promulgated by the Board, or to enforce by mandatory injunction or otherwise all of the provisions of this Declaration and such rules and regulations.

(b) In fulfilling any of its duties under this Declaration, including its duties for the maintenance, repair, operation or administration of the Town Home Common Area and the Town Home Limited Common Area and the Town Home Native Common Area, as well as its elective duty to provide the same to the Units (to the extent required herein or necessitated by the failure of the Owners of such Units) or in exercising any of its rights to construct improvements or other work upon any of the Town Home Common Area and Town Home Limited Common Area, and provided that any contract for goods or services having a term of more than one (1) year shall state that it may be terminated by either party at the end of the first year or at any time thereafter upon not less than ninety (90) days' written notice, the Association shall have the power and authority (i) to pay and discharge any and all liens placed upon any Town Home Common Area or Town Home Limited Common Area on account of any work done or performed by the Association in the fulfillment of any of its obligations and duties of maintenance, repair, operation or administration and (ii) to obtain, contract and pay for; or otherwise provide for:

**ARTICLE V
ASSESSMENTS**

Section 5.1. Personal Obligation and Lien. Each Owner shall by acquiring or in any way becoming vested with his/her interest in a Unit, be deemed to covenant and agree to pay to the

Association the monthly and special assessments described in this Article, together with late payment fees, interest and costs of collection, if and when applicable. All such amounts shall be, constitute and remain: (a) a charge and continuing lien upon the Unit with respect to which such assessment is made until fully paid; and (b) the personal, joint and several obligation of the Owner or Owners of such Unit at the time the assessment falls due. No Owner may exempt himself or his Unit from liability for payment of assessments by waiver of his rights in the Town Home Common Areas and Town Home Limited Common Areas or by abandonment of his Unit. In a voluntary conveyance of a Unit, the grantee shall be jointly and severally liable with the grantor for all unpaid monthly and special assessments, late payment fees, interest and costs of collection which shall be a charge on the Unit at the time of the conveyance, without prejudice to the grantee's right to recover from the grantor the amounts paid by the grantee therefore.

Section 5.2. Purpose of Assessments. Assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety and welfare of the residents of the Town Home Property. The use made by the Association of funds obtained from assessments may include payment of the cost of: taxes and insurance on the Town Home Common Area and Town Home Limited Common Area; maintenance, repair, and improvements of the Town Home Common Area and Town Home Limited Common Area; management and supervision of the Town Home Common Area and Town Home Limited Common Area; establishing and funding of a reserve to cover major repair or replacement of improvements within the Town Home Common Area and Town Home Limited Common Area; and any expense necessary or desirable to enable the Association to perform or fulfill its obligations, functions or purposes under this Declaration or its Articles of Incorporation. The Association shall maintain an adequate reserve fund or funds for maintenance, repairs and replacement of those elements of the Town Home Common Area and Town Home Limited Common Area that must be maintained, repaired or replaced on a periodic basis.

Section 5.3. Monthly Assessments. The Board shall from time to time and in its discretion set the amount of the monthly assessment in an amount reasonably estimated by the Board to be sufficient to meet the obligations imposed by this Declaration and on the basis specified in Section 5.7 below.

Section 5.4. Special Assessments. From and after the date set under Section 5.8 of this Article, the Association may levy special assessments for the purpose of defraying, in whole or in part: (a) any expense or expenses not reasonably capable of being fully paid with funds generated by monthly assessments; or (b) the cost of any construction, reconstruction, or unexpectedly required repairs or replacement of the Town Home Common Area and Town Home Limited Common Area. Any such special assessment must be assented to by a majority of the votes of the membership which Owners present in person or represented by proxy are entitled to cast at a meeting duly called for that purpose. Written notice setting forth the purpose of such meeting shall be sent to all Owners at least ten (10) but not more than thirty (30) days prior to the meeting date.

Section 5.5. Quorum Requirements. The quorum at any meeting required for any action authorized by Section 5.4 above shall be as follows: At the first meeting called, the presence of Owners or of proxies entitled to cast sixty percent (60%) of all of the votes of each class of membership shall constitute a quorum. If a quorum is not present at the first meeting or any subsequent meeting, another meeting may be called (subject to the notice requirements set forth in Section 5.4) at which a quorum shall be one-half of the quorum which was required at the immediately preceding meeting. No such subsequent meeting shall be held more than forty-five (45) days following the immediately preceding meeting.

Section 5.6. Special Assessment on Specific Units. In addition to the monthly assessment and any special assessment authorized pursuant to Section 5.4 above, the Board may levy at any time special assessments (a) on every Unit especially benefited by any improvement to adjacent Roadways, sidewalks, planting areas or other portions of the Town Home Common Area or Town Home Limited Common Area made on the written request of the Owner of the Unit to be charged, (b) on every Unit the Owner or occupant of which shall cause any damage to any of the Common Areas and/or Limited Common Areas necessitating repairs, and (c) on every Unit as to which the Association shall incur any expense for maintenance or repair work performed, or enforcement action taken, pursuant to Section 4.2(a) of Article IV or other provisions of this Declaration. The aggregate amount of any such special assessments shall be determined by the cost of such improvements, repairs, maintenance or enforcement action, including all overhead and administrative costs, and shall be allocated among the affected Units according to the special benefit or cause of damage or maintenance or repair work or enforcement action, as the case may be, and such assessment may be made in advance of the performance of work. If a special benefit arises from any improvement which is part of the general maintenance obligations of the Association, it shall not give rise to a special assessment against the Units benefited.

Section 5.7. Uniform Rate of Assessment. All monthly and special assessments authorized by Section 5.3 or 5.4 above shall be fixed at a uniform rate for all Units; provided, however, that until a Unit has been both fully improved with a Dwelling and occupied for the first time for residential purposes, the monthly assessment applicable to such Unit shall be ten percent (10%) of the monthly assessment which would otherwise apply to such Unit. No amendment of this Declaration changing the allocation ratio of such assessments shall be valid without the consent of the Owners of all Units adversely affected.

Section 5.8. Monthly Assessment Due Dates. The monthly assessments provided for herein shall commence as to all Units as of the first month following conveyance to the Association of the Common Areas shown on the Plat. At least fifteen (15) days prior to such commencement date and at least fifteen (15) days prior to the effective date of any change in the amount of monthly assessments, the Association shall give each Owner written notice of the amount and first due date of the assessment concerned.

Section 5.9. Certificate Regarding Payment. Upon the request of any Owner or prospective purchaser or encumberer of a Unit and upon the payment of a reasonable fee to the Association to cover administrative costs, the Association shall issue a certificate stating whether or

not payments of all assessments respecting such Unit are current and, if not, the amount of the delinquency. Such certificate shall be conclusive in favor of all persons who rely thereon in good faith.

Section 5.10. Effect of Nonpayment - Remedies. Any assessment not paid when due shall, together with interest and costs of collection, be, constitute, and remain a continuing lien on the affected Unit. If any assessment is not paid within thirty (30) days after the date on which it becomes due, the amount thereof shall bear interest from the due date at the rate of one and one-half percent (1 1/2%) per month; and the Association may bring an action against the Owner who is personally liable or may foreclose its lien against the Unit, or both. Any judgment obtained by the Association in connection with the collection of delinquent assessments and related charges shall include reasonable attorney's fees, court costs and every other expense incurred by the Association in enforcing its rights.

Section 5.11. Subordination of Lien to Mortgages. The lien of the assessments provided herein shall be subordinate to the lien of any first Mortgage to a bank, savings and loan association, insurance company or other institutional lender; and the holder of any such first Mortgage or purchaser who comes into possession of a Unit by virtue of the foreclosure of such Mortgage or the exercise of a power of sale under such mortgage, or by deed in lieu of foreclosure, shall take free of such assessment lien as to any assessment which accrues or becomes due prior to the time such holder or purchaser takes possession of such Unit; provided, that to the extent there are any proceeds of the sale on foreclosure of such Mortgage or by exercise of such power of sale in excess of all amounts necessary to satisfy all indebtedness secured by and owed to the holder of such Mortgage, the lien shall apply to such excess. Whether or not the description employed in any such instrument is in the above-specified form, however, all provisions of this Declaration shall be binding upon and shall inure to the benefit of any party who acquires any interest in a Unit. Any lease of a Unit shall be in writing and shall provide that the terms of the Lease shall be subject in all respects to the provisions of this Declaration and the Articles of Incorporation and Bylaws of the Association and that any failure by the lessee to comply with the terms of such documents shall be a default under the Lease.

Section 6.4. Transfer of Title to the Collective Town Home Common Area. Declarant shall convey to the Association title to the Collective Town Home Common Area free and clear of all liens (other than the lien of current general taxes and the lien of any non-delinquent assessments, charges, or taxes, imposed by governmental or quasi-governmental authorities and the conservation and/or flood plane easement/encumbrance, and anything related thereto, on the Town Home Native Common Area), as the Town Home Common Area and Town Home Limited Common Area are substantially completed.

Section 6.5. Limitation on Easement. An Owner's right and easement of use and enjoyment concerning the Town Home Common Area and the Town Home Native Common Area shall be subject to the following:

(a) The right of the Association to govern by rules and regulations the use of the Town Home Common Area and the Town Home Native Common Area for the Owners so as to provide for the enjoyment of said common areas by every Owner in a manner consistent with the preservation of quiet enjoyment of the Units by every Owner, including the right of the Association to impose reasonable limitations on the number of guests per Owner who at

any given time are permitted to use the Town Home Common Area and the Town Home Native Common Area;

(b) The right of the Association to suspend an Owner's right to the use of any amenities included in the Town Home Common Area and/or the Town Home Common Area for any period during which an assessment on such Owner's Unit remains unpaid and for a period not exceeding ninety (90) days for any infraction by such Owner of the provisions of this Declaration or of any rule or regulation promulgated by the Board;

(c) The right of Davis County and Kaysville City, and any other governmental or quasi-governmental body having jurisdiction over the Town Home Property, to enjoy access and rights of ingress and egress over and across any street, parking area, walkway, or open area contained within the Town Home Common Areas for the purpose of providing police and fire protection, transporting school children, and providing any other governmental or municipal service; and

No such dedication or transfer, however, may take place without the Association first receiving written approval from Kaysville City pursuant to all applicable state and city laws, rules and ordinances in effect at the time of such proposed dedication or transfer.

If any structure on any Unit shall be partially or totally destroyed and then rebuilt in a manner intended to duplicate the structure so destroyed, minor encroachments of such structure upon any other Unit or upon any portion of the Town Home Common Area or Town Home Limited Common Area due to such reconstruction shall be permitted; and valid easements for such encroachments and the maintenance thereof, so long as they continue, shall exist.

(b) Units shall be used only for single-family residential purposes, and no more than one Dwelling shall be constructed on any Unit. The Association shall not incur liability in any respect by failing to provide any notice to any Owner of any needed repair or maintenance issue or obligation. Accordingly, and by way of example, an Owner or subsequent Owner may not bring any claim or demand against the Association for any alleged failure to enforce this provision specifically and/or this Declaration generally alleging that the maintenance or repair should have or could have been performed prior to said Owner's ownership of the Unit. All failed and/or breached obligations, duties and requirements under this Declaration shall inure to any and all subsequent owners. All owners, therefore, shall be jointly and severally liable to the Association.

Section 8.2. Actions Requiring Approval. No fence, wall, Dwelling, accessory or addition to a Dwelling, or landscaping or other improvement of a Unit, or repair or maintenance of the exterior of a Unit or Unit's Roof shall be constructed or performed, nor shall any alteration of any structure on any Unit, including a change in exterior color, be made, unless complete plans and specifications showing the nature, color, kind, shape, height, materials and location of the same shall first be submitted to and approved by the Design Committee.

Section 8.3. Standard of Design Review. Before granting any approval of plans and specifications, the Design Committee shall determine to its reasonable satisfaction that such plans and specifications (a) conform to all architectural standards contained in this Declaration and all further architectural standards promulgated from time to time by the Board and (b) provide for a structure, alteration, landscaping or other improvements in harmony as to external design and location with surrounding structures and topography.

Section 8.4. Design Committee Rules and Architectural Standards. Section 8.5. Approval Procedure. The Design Committee and any subcommittees thereof shall meet from time to time as necessary to perform the duties of the Design Committee. The vote or written consent of a majority of the Design Committee or any authorized subcommittee shall

constitute the act of the Design Committee. Any plans and specifications submitted to the Design Committee shall be approved or disapproved within thirty (30) days after receipt by the Design Committee. If the Design Committee fails to take action within such period, the plans and specifications shall be deemed to be approved as submitted.

Section 8.6. Variance Procedure. If plans and specifications submitted to the Design Committee are disapproved because such plans and specifications are not in conformity with applicable architectural standards, the party or parties making such submission may submit a request for variance to the Design Committee, which shall make a written recommendation of approval or disapproval of the requested variance to the Board. Section 8.10. Estoppel Certificate. Within thirty (30) days after written demand therefor is delivered to the Design Committee by any Owner and upon payment therewith to the Association of a reasonable fee from time to time to be fixed by the Board, the Design Committee shall issue an estoppel certificate in recordable form executed by any two of its members, certifying with respect to any Unit of such Owner that as of the date thereof either (a) all improvements and other work made or done upon or within such Unit by the Owner, or otherwise, comply with this Declaration, or (b) such improvements or work do not so comply, in which event the certificate shall also (i) identify the nonconforming improvements or work, and (ii) set forth the nature of such noncompliance. **ARTICLE IX
INSURANCE**

The matter of insurance and its applicability is largely governed by state statutory law. To the extent anything herein is inconsistent with state law duly applicable to this Declaration, state law shall control.

Section 9.1. Liability Insurance. The Board shall procure and maintain from a company or companies holding a rating of "B+" or better from Best's Insurance Reports a policy or policies (herein called "the Policy") of Public Liability Insurance to insure the Association, the Board and the Managing Agent and employees of the Association against claims for bodily injury and property damage arising out of the conditions of the Collective Town Home Common Area or activities thereon under a Comprehensive General Liability form. Such insurance shall be for such limits as the Board may decide, but not less than those limits customarily carried by properties of comparable character and usage in the County of Davis nor less than \$1,000,000.00 for personal injury and property damage arising out of a single occurrence, such coverage to include protection against water damage liability, liability for non-owned and hired automobiles, liability for property of others and such other risks as shall customarily be covered with respect to property similar in construction, location and use. The Policy shall contain a "Severability of Interest" endorsement which shall preclude the insurer from denying the claim of any Owner because of negligent acts of the Association or other Owners and a cross-liability endorsement pursuant to which the rights of the named insureds as between themselves are not prejudiced. The Policy shall provide that the Policy may not be cancelled by the insurer unless it gives at least thirty (30) days' prior written notice thereof to the Board and every other person in interest who shall have requested in writing such notice of the insurer. Any such coverage procured by the Board shall be without prejudice to the right of the Owners to insure their personal liability for their own benefit at their own expense.

Section 9.2. Association Casualty Insurance. The Board shall also procure and at all times maintain in full force and effect a policy or policies of fire and casualty insurance, with extended coverage endorsement, insuring all physical structures within the Town Home Property, the Town Home Limited Common area and the Dwelling Units and their garages located on such Owner's Unit, and any improvements and betterments installed by an Owner subject to the restrictions of this Declaration, in an amount equal to its full insurable replacement cost. This insurance shall be known as the "Primary Insurance." The Association shall maintain an amount in reserve equal to the deductible of the Primary Insurance or \$10,000.00, whichever is less. When multiple Units are damaged in the same loss, the Association's Primary Insurance deductible shall be apportioned according to Unit damage percentages.

Section 9.3. Owner Casualty Insurance or Secondary Insurance. No later than upon conveyance of a Unit to an Owner shall each such Owner purchase and maintain property or building insurance in an amount equal to the deductible amount of the Primary Insurance such that

the Secondary Insurance shall pay the deductible of the Primary Insurance upon a claim against the same. If an Owner fails to pay his or her share of the deductible amount of the Association on the Primary Insurance within 30 days of substantial completion of the repairs to the Unit(s), the Association may levy an assessment against said Unit Owners(s) for that amount and may subsequently lien the Unit to enforce payment. The Association shall notify the Owner(s) of the deductible provisions of the Primary Insurance. If the Association determines that a claim is likely not to exceed the Primary Insurance Deductible, the Secondary Insurance of the Unit Owner shall be considered the primary insurance to the amount of deductible of the Primary Insurance policy, and the Association need not tender the claim to the Primary Insurance carrier.

Section 9.4. ~~Additional Insurance. Further General Requirements.~~ The Board may also procure insurance which shall insure the Town Home Common Areas and Town Home Limited Common Areas and the Association, the Board, the Managing Agent or the Owners and others against such additional risks as the Board may deem advisable. Insurance procured and maintained by the Board shall not require contribution from insurance held by any of the Owners or their mortgagees. Each policy of insurance obtained by the Board shall, if reasonably possible, provide: (a) a waiver of the insurer's rights of subrogation against the Association, the Owners and their respective directors, officers, agents, employees, invitees and tenants; (b) that it cannot be cancelled, suspended or invalidated, due to the conduct of any particular Owner or Owners; (c) that it cannot be cancelled, suspended, or invalidated due to the conduct of the Association or any directors, officer, agent, or employee of the Association without a prior written demand that the defect can be cured and (d) that any "no other insurance" clause therein shall not apply with respect to insurance maintained individually by any of the Owners.

Section 9.5. Review of Insurance. The Board shall periodically, and whenever requested by twenty percent (20%) or more of the Owners, review the adequacy of the Association's insurance program and shall report in writing the conclusions and action taken on such review to the Owner of each Unit and to the holder of any mortgage on any Unit who shall have requested a copy of such report. Copies of every policy of insurance procured by the Board shall be available for inspection by any Owner.

Section 9.6. Dwelling Contents Not Insured by Association. The Association shall have no duty or responsibility to procure or maintain any fire, liability, extended coverage or other insurance covering any Dwelling contents or acts and events occurring within a Dwelling. In connection therewith, Each Owner shall purchase and maintain adequate liability and property insurance on his or her Unit, personal property and contents; provided, however, no Owner shall be entitled to exercise his or her right to maintain insurance coverage in such a way as to decrease the Amount which the Association, on behalf of all the Owners and their Mortgagees, may realize under any insurance policy that the Association may have in force on the Town Home Property at any particular time.

Section 9.7. Primary Coverage. The insurance coverage of an Owner shall, in the event the Association also has insurance covering the loss, be primary and the insurance of the Association shall be secondary.

**ARTICLE X
CONDEMNATION**

Section 10.1. Condemnation. If at any time or times the Town Home Common Areas or Town Home Limited Common Areas or any part thereof shall be taken or condemned by any authority having the power of eminent domain, all compensation and damages shall be payable to the Board and shall be used promptly by the Board to the extent necessary for restoring or replacing any improvements on the remainder of the Town Home Common Areas or Town Home Limited Common Areas. Upon completion of such work and payment in full therefor, any proceeds of condemnation then or thereafter in the hands of the Board which are proceeds for the taking of any portion of the Town Home Common Areas or Town Home Limited Common Areas shall be disposed of in such manner as the Board shall reasonably determine; provided, however, that in the event of a taking in which any Unit is eliminated, the Board shall disburse the portion of the proceeds of the condemnation award allocable to the interest of the Owner of such Unit in the Association and the Town Home Common Areas and Town Home Limited Common Areas to such Owner and any first mortgagee of such Unit, as their interests shall appear, after deducting the proportionate share of said Unit in the cost of debris removal.

**ARTICLE XI
RIGHTS OF FIRST MORTGAGEES**

Notwithstanding any other provisions of this Declaration, the following provisions concerning the rights of first mortgagees shall be in effect:

Section 11.1. Preservation of Regulatory Structure and Insurance.
