(c) For the purposes of this covenant, eaves, steps, and open porches shall not be considered as a part of a building, provided, however, that this shall not be construed to permit any portion of a building, on a lot to encroach upon another lot.

C-5. LOT AREA AND WIDTH. No dwelling shall be erected or placed on any lot having a width of less than 70 feet at the minimum building setback line nor shall any dwelling be erected or placed on any lot having an area of less than 9,000 square feet, except that a dwelling may be erected or placed on all lots as shown on the recorded plat provided that front, side and rear setbacks required above are complied with.

C-6. EASEMENTS.

Within these easements, no structure, planting or other material shall be placed or permitted to remain which may damage or interfere with the installation and maintenance of utilities, or which may change the direction of flow of drainage channels in the easements, or which may obstruct or retard the flow of water through drainage channels in the easements. The easement area of each lot and all improvements in it shall be maintained continuously by the owner of the lot, except for those improvements for which a public authority or utility company is responsible.

(b) Easements for irrigation and bridal paths are reserved as shown on the recorded plat and over the rear ten feet of the following lots:

Lots 23-26, 49-59, 66 & 67.

It shall be the responsibility of the owner of the above described lots to place a fence or wall at a distance of ten feet in from their rear lot line to allow a ten foot space for the bridal path easement as shown on the recorded plat.

C-7. NUISANCES. No noxious or offensive activity shall be carried on upon any lot, nor shall anything be done thereon which may be or may become an annoyance or nuisance to the neighborhood.

C-8. TEMPORARY STRUCTURES. No structure of a temporary character, trailer, basement, tent, shack, garage, barn, or other outbuilding shall be used on any lot at any time as a residence either temporarily or permanently.

C-9. PRIVATE RESIDENCE: MOVING OF STRUCTURES: Said premises shall be used for private residence purposes only, except as hereinafter set forth and no structure of any kind shall be moved from any other prior residence upon said premises, nor shall any incomplete building be permitted to remain incomplete for a period in excess of 1 year from the date the building was started unless approved by the Architectural Supervising Committee.

C-10. SIGNS. No sign of any kind shall be displayed to the public view on any lot except one professional sign of not more than one square foot, one sign of not more than five square feet, advertising the property for sale or rent, or signs used by a builder to advertise the property during the construction and sales period.

No fence, wall, hedge or shrub planting which obstructs sight lines at elevations between 2 and 6 feet above the roadways shall be placed or permitted to remain on any corner lot within the triangular area formed by the street property lines and a line connecting them at points 25 feet from the intersection of the street lines, or in the case of a rounded property corner from the intersection of the street property lines extended. The same sight-line limitations shall apply on any lot within 10 feet from the intersection of a street property line with the edge of a driveway or alley pavement. No tree shall be permitted to remain within such distances of such intersections unless the foliage line is maintained at sufficient height to prevent obstruction of such sight lines.
