4.11 Entry Monument Easement. The Entry Monument Easement and corresponding utility and drainage systems and facilities, and irrigation are reserved hereby and on the recorded Plat. No Subassociation or Owner may interfere with the Entry Monument Easement. No Owner or Subassociation may do any landscaping, grading or work, or install any structure, building, improvement, planting, or other object, natural or artificial, or materials which may damage or interfere with the installation and maintenance of utilities, Entry Monument, or which may change the direction of flow of drainage channels in, on or about the easements and rights of way, or which may obstruct or retard the flow of water through the drainage channels in the easements and rights of way. If a drainage channel is altered by an Owner or Subassociation, then the Declarant and/or the Association expressly reserve the right to enter onto the property to restore the area at the cost of the Owner, and without being guilty of a trespass. In addition, the easement and right of way area of or on each Lot, including by way of illustration but not limitation, the Entry Monument, in whole or in part, utilities, drainage systems and facilities, and irrigation, and all improvements within said area shall be maintained

continuously by the Owner of the property, at his sole expense, excepting those improvements for which a public authority or utility company is expressly responsible.

4.12 Temporary Access Easement. The Declarant hereby grants to the City for fire and emergency access a temporary easement over, across and through Nicholls Road as shown on the Final Plat (the "Temporary Access Easement"). The Temporary Access Easement shall automatically terminate when a second access point is established; that is, when a second road is created into the Project.

4.13 Reciprocal Use Easement. The Declarant hereby reserves to itself and hereby grants to the Owner or Owners of the Units in the Orchard Farms Condominium Neighborhood the Reciprocal Use Easement on the Property Subject to the Reciprocal Use Easement. The terms of and the operating agreement for the Reciprocal Use Easement are set forth in Exhibit "E" attached hereto and incorporated herein by this reference.

4.14 Easement of Support. Each Lot, Unit, the Common Area and Facilities, and the Exclusive Common Area shall have an easement of lateral, adjacent, subjacent and structural support from every other Lot, Unit, the Common and Facilities, and Exclusive Common Area.

4.15 Parking. The Declarant reserves to itself and hereby grants to the Board of Directors the right to assign parking and adopt, modify or repeal parking rules and regulations. The parking rules and regulations are subject to change.

Any notice permitted or required to be delivered as provided herein may be delivered either personally, by first class mail, by express mail or overnight courier service providing proof of delivery, or by telecopy, facsimile transmission, the Master Association's website, e-mail, text message, or other electronic medium; provided, however an Owner may require by making a written request to the Association a written notice hand delivered or delivered by U.S. Mail. Notice to Owners shall be addressed to each Owner at the address given by such Owners to the Board of Directors for the purpose of service of such notice or to the Lot of such Owner if no such address has been given to the Board of Directors. Notice shall be deemed given when actually received if personally delivered or sent by overnight courier; if faxed, when the fax is received, except that if the fax is received at a time other than the normal business hours of the office at which it is received, on the next regular business day; and if by mail, the earlier of the day actually received or the third business day after the notice is deposited in the United States Mail, properly addressed and postage prepaid. Such address may be changed from time to time by notice in writing to the initial Managing Member of the Board of Directors, to wit:

The name and address of the contact person for the Association may be changed by a written notice delivered to all of the Owners.

ARTICLE VI: INSURANCE AND INDEMNITY

6.1 **Rules and Regulations.** The Board of Directors may adopt general insurance house rules, policies and procedures (collectively, "Insurance Rules and Regulations"). The Insurance Rules and Regulations are intended as a guide for owners and residents in order to maintain the insurability of the project, keep the insurance premium reasonable, and enforce the maintenance responsibilities of the individual owners. The Insurance Rules and Regulations are subject to change.

6.2 **Insurance.** In accordance with Part 4 of the Utah Community Association Act, Utah Code Ann., Sections 57-8a-401-407, inclusive, (2011), as amended and supplemented, the Master Association shall obtain the following insurance for the Common Area and Facilities:

- Public liability; and
- Property, fire and extended hazard.³⁴

In addition, the Master Association may obtain additional or greater coverage, including:

- Directors and officers insurance;
- Workers compensation;
- A fidelity bond; and
- Other miscellaneous coverage.

This insurance described above and/or obtained by the Master Association is referred to collectively as "Master Association Insurance Policy". The premium shall be Master Common Expense.

6.3 **Full Replacement.** The Property Insurance must be for at least 100% of the FULL replacement cost of the item at the time insurance is purchased and at the renewal date.

³ The Property Insurance coverage must include:

- a. All Common Area and Facilities; and
- b. All Structures, Buildings, Lots, Dwelling Units, fixtures, floor coverings, wall coverings, cabinets, heating and plumbing fixtures, windows, any (other) item permanently attached.

⁴ The Association is not obligated to insure detached Dwelling Units; that is, a Dwelling Unit that is **NOT** physically attached to another Dwelling Unit or to an above-ground structure that is part of the Common Area.

6.4 **Adjust Claims.** The Board of Directors is hereby granted the right, power and authority to adjust claims. THE ASSOCIATION IS NOT OBLIGATED TO SUBMIT A CLAIM TO ITS PROPERTY INSURANCE CARRIER IF THE GOVERNING BOARD DETERMINES THAT IN ITS REASONABLE BUSINESS JUDGMENT THE AMOUNT OF THE CLAIM IS UNLIKELY TO EXCEED THE INSURANCE DEDUCTIBLE AND, IF SO, THE UNIT OWNER'S INSURANCE POLICY PROVIDES THE PRIMARY COVERAGE, OR IF THE UNIT OWNER IS UNINSURED, THEN HE OR SHE WILL BE LIABLE FOR THE LOSS UP TO THE AMOUNT OF THE DEDUCTIBLE.

6.5 **Notice of Cancellation, Lack or Denial of Coverage.** If property or liability insurance is not reasonably available, then fair and reasonable notice must be given to the owners within seven (7) days.

6.6 **Primary Coverage.** When a claim is covered by the Association's Property Insurance and an Owner's Property Insurance, the Association's Property Insurance is considered PRIMARY, although the Unit Owner's insurance may apply to the deductible.

6.7 **Deductible.** If an Owner makes a claim on the Association's Property Insurance policy, then the Owner is responsible for the deductible on the Association Policy. If two (2) or more Owners make a claim arising out of a single event, then each Owner is responsible for payment of his or her portion of the deductible based upon his or her percentage of the loss . If an Owner fails to pay his or her share of the loss/deductible, then the Association may assess an Assessment against the Owner or his or her property and file a lien against the property to secure payment.

6.8 **Reserve.** For each claim made by an Owner on the Association's Property Insurance Policy the Association must set aside in reserve the amount of the deductible or \$10,000, whichever is less.

6.9 **Notice of Amount of Deductible/Change.** The Association shall provide notice to all Owners of (a) the amount of the deductible and (b) their obligation to pay the Association's deductible if a claim is filed, and (c) provide follow-up notice of any change to the amount of the deductible. The Association is responsible to pay the deductible if it has failed to provide the Owner with this notice.

6.10 **Insurance Proceeds.** When the Association receives insurance proceeds from its Property Insurance carrier, the Association receives the insurance proceeds in trust for the benefit of the Owner(s) and the Association.

6.11 **Severance.** All insurance policies must be consistent with the requirements of Utah law. If any term, part or provision of this document is ruled by a court of competent jurisdiction to be illegal or in conflict with any Utah law, that provision shall be considered null, void and of no-effect; provided, however, the validity of the remaining portions or provisions

shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if the document did not contain such term, part or provision.

ARTICLE VII: MAINTENANCE

7. Maintenance.

7.1 **Area of Common Responsibility.** The Master Association shall maintain the Area of Common Responsibility which includes the Common Area and Facilities, including snow and ice removal from the Common Area. The Master Association shall maintain the Roads. The Master Association shall maintain the Landscaping, including the park strip landscaping, the Entry Monument or Monuments, Open Space, and the subsurface drains.

7.2 **Area of Personal Responsibility.** Each Owner shall maintain his or her privately owned Lot as shown on the Final Plat and all improvements therein. The Owners of Lots in the Orchard Farms SFR Neighborhood shall be responsible for the maintenance of their landscaping, including snow and ice removal, and for the maintenance, repair and replacement of the sidewalks in front of their Lots and the landscaping on their Lots.

7.3 **Area of Neighborhood Responsibility.** Each Neighborhood shall maintain its Exclusive Common Area, including snow and ice removal.

7.4 **Standard of Care.** The Property, including all Buildings, Units, Lots, Common Area, and Exclusive Common Area, shall be maintained in a usable, clean, functional, safe, sanitary, attractive and good condition.

7.5 **Landscaping - Standard of Care.** All landscaping in the Project shall be maintained and cared for in a manner consistent with the standards of design and quality originally established by Declarant and in accordance with any City landscaping maintenance plans or ordinances. Specific additional written guidelines, standards, controls, and restrictions on landscaping may be adopted or amended by the Board of Directors from time to time. Any weeds or diseased or dead lawn, trees, ground cover or shrubbery shall be removed and replaced. All lawn areas shall be edged and mowed. All trees, shrubs and bushes shall be pruned. No landscaping shall be allowed to affect adversely the value or use of any other Lot or to detract from the architecture, design and appearance of the Project.

7.6 **Trees.** The Master Association shall replace any damaged or dead tree with a similar tree of comparable size and/or quality in a timely manner, weather permitting, for a period of not less than one (1) year from the date it was originally planted.

7.7 **Default Provisions.** If (except in the case of an emergency) after written notice and a hearing, it is determined that any responsible party has failed or refused to discharge properly his or her obligation with regard to the maintenance, repair, or replacement of the real property and improvements described herein, or that the need for maintenance, repair, or replacement thereof is caused through the willful or negligent act of any person, then the Master

Association through the Board of Directors or Property Manager may, but is not obligated to, provide such maintenance, repair, or replacement at the defaulting or responsible party's sole cost and expense (the "Default Maintenance Cost"). The term "emergency" as used here means a situation or condition in which there is a threat of imminent and substantial harm to person or property. The Default Maintenance Cost is the debt of such defaulting or responsible party at the time the expense is paid and shall be secured and collectible as such in the same manner as unpaid Assessments.

7.8 Alterations to the Common Area. The Declarant reserves to itself and is hereby granted the right to make changes to the design and construction of the improvements located in or on the Common Area or any Exclusive Common Area. No Owner or Subassociation may make structural alterations to the Common Area without the express prior written consent of the Board of Directors.

7.9 Certain Work Prohibited. No Owner shall do any work or make any alterations or changes which would jeopardize the soundness or safety of the Property, reduce its value or impair any easement or hereditament, without in every such case the unanimous written consent of all the other Owners being first had and obtained.

7.10 Covenant To Share Costs. The Master Association shall pay for the cost of maintaining the Property Subject To The Reciprocal Use Easement; provided, however, the Owner or Owners of the Units in the Orchard Farms Condominium Neighborhood has covenanted and agreed, and shall, contribute annually its or their share of the Common Expenses and the Orchard Farms Condominium Neighborhood Assessment.

This section is NOT subject to change without the express prior written consent of the Declarant, its successor or assign.

ARTICLE VIII: BOARD OF DIRECTORS

8. Board of Directors. The Master Association shall be governed by a Board of Directors who shall have all the powers, duties and responsibilities as are now or may hereafter be provided by the Act and this Master Declaration, including but not limited to the following items:

8.13 To keep the books and records.

8.14 To appoint officers.

8.15 To create non-exclusive easements.

8.16 To enter into covenants to share costs agreements.

8.17 To immobilize, tow and impound vehicles.

8.18 To charge fines.

8.19 To incorporate the Master Association or if its status has been suspended or dissolved to reinstate the corporate status of the Master Association.

8.20 To do all other acts necessary for the maintenance of the Project, administration of the Master Association, and enforcement of the Governing Documents.

In the event of any conflict or disagreement as to the meaning of any provision, the powers granted to the Board of Directors shall be liberally and broadly construed.

ARTICLE IX: LIMITATION OF LIABILITY

9.5 **Limitation of Liability.** The Master Association shall save, indemnify and hold any member of the Board of Directors or officer of the Master Association harmless from any and all losses, liability or claims arising out of, caused by or related to his or her service, and shall undertake all costs of defense, until and unless it is proven that he or she was guilty of

intentional misconduct. Members of the Board of Directors are not personally liable to the victims of crimes occurring at the Project. Punitive damages may not be recovered against the Master Association, Board of Directors or officers of the Association, although they may be recovered against individuals guilty of intentional misconduct.

ARTICLE X: ASSESSMENTS AND FEES

11. Master Assessments.

11.1 **Obligation of Members of Master Association.** Each Member of the Master Association shall pay its share of the Master Common Expenses (the "Master Assessment" or "Base Fee").

11.2 **Computation of Master Assessments.** The Master Association shall base the amount of the annual Master Assessments upon budgeted estimates of the Master Common Expenses expected to be incurred during the coming calendar year, plus amounts required to establish an adequate reserve.

11.3 **Apportionment of Master Common Expenses.** The Master Common Expenses shall be allocated among each of its Members, to wit: The Orchard Farms Town Homes Association and the Orchard Farms SFR Association -- in accordance with their respective percentages of ownership interest. This section is NOT subject to change without the express prior written consent of the Declarant, its successor or assign.

11.4 **Orchard Farms Condominium Neighborhood.** The Budget referred to in Section 11.5 below shall include a line item for the cost of maintenance of the Roads⁵ and Landscaping located within the Orchard Farms Condominium Neighborhood. If the Association and the Subassociation for the Orchard Farms Condominium elect to send out a combined billing to the Owners, then the Subassociation for the Orchard Farms Condominium Neighborhood shall contribute to the Master Association -- for the maintenance of the Road and Landscaping (and other) improvements located within the Property Subject To The Reciprocal Easement -- a sum equal to (a) the percentages noted below multiplied by (b) the amount of the line item in the annual Operating Budget of the Master Association (the "Budget") for the year in which the contribution is collected (the "Orchard Farms Condominium Neighborhood Assessment"):

Roads	_____	% ⁶
Landscaping	_____	%

This subsection is NOT subject to change without the express prior written consent of the Declarant, its successors or assigns.

⁵ Not to include the cost of snow and ice removal

⁶ Does not include the cost of snow or ice removal, or any part thereof, which is the sole obligation of the Master Association.

11.5 **Budget.** The Board of Directors shall prepare and adopt an annual Budget and provide a copy of the proposed Budget to the Owners of the Orchard Farms Town Homes and the Orchard Farms SFR, the Subassociation for the Orchard Farms Condominium Neighborhood and the Owner or Owners of the Units in the Orchard Farms Condominium. The Owners of the Orchard Farms Town Homes, Orchard Farms SFR and Orchard Farms Condominium Units may call a special meeting within forty-five (45) days of the delivery of the proposed Budget to vote to disapprove the Budget, although to reject the Budget requires a fifty-one percent (51%) of total ownership. If the new Budget is disapproved, then the Budget for the prior year shall continue to be valid and enforceable until such time as a new Budget is adopted. This subsection is NOT subject to change without the express prior written consent of the Declarant, its successor or assign.

11.6 **Books and Records.** The Master Association shall (a) keep books and records in accordance with generally accepted accounting practices and (b) prepare monthly billing statements and/or ledgers for each Member detailing its share of the Master Common Expenses and any other charges.

11.7 **Payment.** Master Assessments and each Member's share of the Master Common Expenses and the Orchard Farms Condominium Neighborhood Assessments shall be payable to the Master Association annually, although payment may be made in twelve (12) equal monthly installments. Monthly invoices for each Member will be prepared by the Master Association. All Assessments will automatically be billed monthly to the Member and must be paid by the tenth (10th) day of the month in which they were due. The Board of Directors may require a credit card or debit card for payment. If so, each Owner shall provide the Master Association with a valid credit card or debit card number. Charges will be posted to the Owner's credit card or debit account by the tenth (10th) day of the following month. Statements detailing Assessments will be provided at the beginning of every month. Each Member shall keep his credit card and/or debit card current, and immediately notify the Board of any changes. Each Member hereby authorizes and directs the Master Association to charge its credit card or debit account as indicated above for all balances outstanding on a regular monthly billing schedule.

11.8 **Reserves.** The Master Association shall establish and fund a reasonable reserve account or accounts for unforeseen operating expenses, major repairs, and capital improvements. In the event the reserve account(s) fall below an amount considered acceptable by the Directors, then, in its sole discretion and without any additional approval required, the Master Association may restore or replenish the account(s) by an equitable increase in the monthly Master Assessment, a special assessment, or any combination. The Master Association may elect to accelerate the entire annual Master Assessment in the event of default.

11.9 **Equitable Changes.** If the aggregate of all monthly payments on all of the Lots and Units is too large or too small as a result of unanticipated income or expenses, the Board of Directors may from time to time effect an equitable change in the amount of the regular Assessments, and this shall not be considered a Special Assessment. Owners shall be given at least thirty (30) days written notice of any changes.

11.10 **Capital Asset Table.** The Board of Directors shall establish and update at least annually a Capital Asset Table which shall list each major asset and physical improvement for which the Master Association is responsible, its expected useful life, the present cost of replacement; the estimated cost to replace the item at the end of its useful life, the percentage and amount of each Assessment designated for the reserve account to replace the item at the end of its useful life, and the amount of money currently set aside in the reserve account for the replacement of the item.

11.11 **Analysis Report.** The Board of Directors shall prepare and update as often as is necessary but at least annually a written Reserve Account Analysis, and make the report(s) available to the Owners at least thirty (30) days prior to the annual meeting of the Association.

11.12 **Standard Operating Procedures and Miscellaneous Provisions.** The making and collection of Master Assessments by the Master Association from Owners of Lots and Units for their share of Master Common Expenses shall be made as follows and subject to the following provisions:

11.12.1 The Master Common Expenses shall be charged to, and the voting rights shall be allocated among the Owners on an equal and uniform basis, regardless of size, location or value.

11.12.2 At least two separate and distinct funds shall be created and maintained by the Master Association: One for its general operating expenses and the other for its reserve account or accounts.

11.12.3 The Master Assessments charged by the Master Association shall include both the Base Fee component and a Reserve Account Fee component.

11.12.4 The duty to pay regular Master Assessments for each Lot shall commence on the first (1st) day of the calendar month following the closing of the first (1st) sale of a Lot by the Declarant and continue on the first day of each month thereafter.

11.12.5 The Board of Directors may make equitable changes in the Master Assessments during any calendar year; provided, however, the Master Association shall provide notice, by first class mail to all Owners, of any increase in the Master Assessments not less than thirty (30) nor more than sixty (60) days prior to the date any modified Assessment is due.

11.12.6 In addition to the regular Master Assessments, the Master Association may assess in any fiscal year Special Master Assessments applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any unforeseen expenditure or the construction or reconstruction, unexpected repair or replacement of a described capital asset or improvement upon any Common Area and Facilities, including the necessary fixtures and personal property related thereto, and other costs, expenses of operation or shortfalls in the collection of Master Assessments from the Owners.

11.12.7 The portion of any Special Common Assessment levied against a particular Lot shall be equal to its corresponding percentage of undivided interest.

11.12.8 These conditions for the imposition or allocation of Special Master Assessments shall not apply when the charge is to pay an increase in real property taxes or when the special assessment against an Owner is a remedy utilized by the Board of Directors to reimburse the Master Association for costs incurred in bringing the Owner and/or his Lot into compliance with the provisions of the Governing Documents.

11.12.9 The Board of Directors shall provide notice by first class mail to all Owners of any Special Master Assessments not less than thirty (30) nor more than sixty (60) days prior to the date such Assessment is due.

11.12.10 Anything to the contrary notwithstanding, the Declarant is not obligated to pay Master Assessments of any kind on Lots or Units it owns unless a certificate of permanent occupancy has been issued and the property has been sold, rented or is occupied, excluding any Lot used as a model home.

11.12.11 If the Declarant is required to advance funds to maintain the Common Area and Facilities until a sufficient number of Lots or Units have been sold, then it shall enter into a subsidy agreement with the Master Association (the "Subsidy Agreement"); provided, however, such advances shall be considered a loan evidenced by a note and secured by the Common Area, funds in the operating account, and funds in the reserve account, even if the parties have not executed a written subsidy agreement, security instrument or other contract. The Declarant shall maintain books and records documenting funds advanced for the purpose of maintaining the property. The Master Association shall pay to the Declarant all sums due and owing under the Subsidy Agreement.

11.12.12 Declarant may pay the Master Association an amount less than its proportionate share of Master Common Expenses, its regular Master Assessments, or any Special Master Assessment provided Declarant has executed a subsidy agreement requiring Declarant to pay monies which are sufficient, together with the Master Assessments paid by all other Owners, to enable the Master Association to timely pay all of the Master Common Expenses. Any subsidy agreement shall require Declarant to pay its full proportionate share of all reserves for the repair or replacement of capital assets or improvements assessed against the Lots or Units which it owns.

11.12.13 All Master Assessments shall be due as determined by the Board of Directors.

11.12.14 Master Assessments not paid within ten (10) days after the date when due shall bear interest at a rate set by the Board of Directors from the date when due until paid.

11.12.15 The Board of Directors may charge a late fee on payments received after their due date.

11.12.16 If the percentages of ownership are reallocated, any Master Assessments or Base not yet due may be recalculated in accordance with the reallocated percentage interests.

11.12.17 Every Owner shall pay his share of the Master Common Expenses, Master Assessment and Special Master Assessment. An Assessment is a debt of the Owner at the time the Assessment is made and is collectible as such. If any Owner fails or refuses to pay an Assessment when due, that amount constitutes a lien on the interest of the Owner in the Property, and upon the recording of notice of lien, it is a lien upon the Owner's or Member's interest in the Property prior to all other liens and encumbrances, recorded or unrecorded, except: (a) tax and special assessment liens on the Lot in favor of any assessing unit or special improvement district; and (b) encumbrances on the interest of the Owner or Member recorded prior to the date such notice is recorded which by law would be a lien prior to subsequently recorded encumbrances.

Such a lien may be enforced by sale or foreclosure, judicial or non-judicial, conducted in accordance with the provisions of law applicable to the exercise of powers of sale or foreclosure in deeds of trust or mortgages or in any other manner permitted by Utah law. If the Master Association elects to pursue a non-judicial foreclosure, the Owner of the Lot, by acceptance of a deed or other document of conveyance, shall be considered to have expressly authorized the Board of Directors to appoint a trustee and record in the office of the County Recorder a Notice of Appointment. In any foreclosure or sale, the Owner shall pay the costs and expenses of such proceedings, including but not limited to the cost of a foreclosure report, reasonable attorney's fees, and a reasonable rental for the Lot during the pendency of the foreclosure action. The Master Association in the foreclosure action may require the appointment of a receiver to collect the rental without regard to the value of the mortgage security. The Board of Directors may bid for the Lot at foreclosure or other sale and hold, lease, mortgage, or convey the same. If the Master Association elects to foreclose the lien in the same manner as foreclosures in deeds of trust, then the Owner by accepting a deed to the Lot hereby irrevocably appoints the attorney of the Master Association, provided s/he is a member of the Utah State Bar, as Trustee, and hereby confers upon said Trustee the power of sale set forth with particularity in Utah Code Ann., Section 57-1-23 (1953), as amended. In addition, the Owner hereby transfers in trust to said Trustee all of his right, title and interest in and to the real property for the purpose of securing his performance of the obligations set forth herein. The Master Association reserves the right to substitute and appoint a successor trustee as provided for in Title 57, Chapter 1, Utah Code.

11.12.18 In any such foreclosure, the Owner shall be required to pay the costs and expenses of such proceeding (including reasonable attorneys' fees), and such costs and expenses shall be secured by the lien being foreclosed.

11.12.19 The Owner shall also be required to pay to the regular Master Association any Master Assessments and Special Master Assessments against his property which shall become due during the period of foreclosure, and all such regular Master Assessments and Special Master Assessments shall be secured by the lien being foreclosed.

11.12.20 The Board of Directors shall have the right and power in behalf of the Master Association to bid in at any foreclosure sale and to hold, lease, mortgage or convey the Property in the name of the Master Association.

11.12.21 In furtherance of such foreclosure rights, the Master Association may bring an action at law against the Owner personally obligated to pay the same or the Master Association may foreclose the lien, either judicially or non-judicially, in accordance with the provisions of the Utah Community Association Act (Title 57, Chapter 8a, Utah Code), as they may be amended or supplemented from time to time.

11.12.22 The lien of the Master Association shall be superior to all other liens and encumbrances except liens and encumbrances recorded before recordation of this Master Declaration, a first mortgage, liens and charges in favor of the state or any political subdivision thereof, tax liens and other governmental assessments or charges past due and unpaid on the property.

11.12.23 The lien procedures described herein do not prohibit actions to recover sums for which this Master Declaration creates a lien or prohibit the Master Association from taking a deed in lieu of foreclosure.

11.12.24 The Board of Directors, upon written request, shall furnish to an Owner a statement setting forth the amount of unpaid Master Assessments against the Lot. This statement must be furnished within ten (10) business days after receipt of the request and is binding on the Master Association, the Board of Directors, the property manager and every Owner, in favor of all who rely on such statement in good faith.

11.12.25 The amount of any Assessment against any Lot shall be the personal obligation of the Owner.

11.12.26 Suit to recover a money judgment for such personal obligation shall be maintainable by the Master Association without foreclosing or waiving the lien securing the same.

11.12.27 No Owner may avoid or diminish any such personal obligation by waiver of the use and enjoyment of any of the Common Area and Facilities, by abandonment of his property or by waiving any services or amenities provided for in this Master Declaration.

11.12.28 In the event of any suit to recover a money judgment of unpaid Master Assessment and Special Master Assessment hereunder, the involved Owner shall pay the costs and expenses incurred by the Master Association in connection therewith, including reasonable attorneys' fees.

11.12.29 In a voluntary sale, transfer, conveyance, exchange or assignment, the personal obligation of an Owner to pay any unpaid Master Assessment and Special Master Assessment against his property shall also pass to his successors in title.

11.12.30 The Master Association through the Board of Directors shall include in the Master Assessment amounts representing sums to be used for major repairs, the replacement of or additions to capital items or improvements in the Project. Said amounts shall be dedicated for the uses provided in this Section and shall be set up as reserve accounts for each Lot.

11.12.31 In the event of transfer of a Lot, the reserve account for such property shall be deemed transferred to the transferee of the property.

11.12.32 The Board of Directors shall not expend funds designated as reserves for any purpose other than unforeseen expenses or the repair, restoration, replacement or maintenance of major components of the Common Area and Facilities for which the Master Association is responsible and for which the reserve fund was established or for litigation involving such matters.

11.12.33 The Board of Directors shall exercise prudent fiscal management in the timing of restoring any transferred funds to the reserve account and shall, if necessary, levy a Special Master Assessment to recover the full amount of the expended funds within the time limit specified above.

11.12.34 The Board of Directors annually shall cause a study to be conducted of the reserve account of the Master Association and its adequacy to satisfy anticipated future expenditure requirements. The Board of Directors shall, thereafter, annually review the reserve account study and shall consider and implement necessary adjustments to reserve account requirements and funding as a result of that review. Any reserve account study shall include, at a minimum:

11.12.35 Identification of the major components which the Master Association is obligated to repair, replace, restore or maintain which, as of the date of the study, have a useful life of less than thirty (30) years.

11.12.36 Identification of the probable remaining useful life of the components identified above, as of the date of the study.

11.12.37 An estimate of the cost of repair, replacement, restoration or maintenance of each major component identified above, during and at the end of its useful life.

11.12.38 An estimate of the total annual contribution necessary to defray the cost to repair, replace, restore or maintain each major component during and at the end of its useful life, after subtracting total reserve funds as of the date of the study.

11.12.39 For the purposes of this Section, the term "reserve account requirements" means the estimated funds which the Board of Directors has determined are required to be available at a specified point in time to repair, replace or restore those major components which the Master Association is obligated to maintain.

11.12.40 If an Owner shall at any time lease or rent his Lot and shall default in the payment of Master Assessments, the Board of Directors may, at its option, so long as such default shall continue, demand and receive from any tenant, lessee or renter of the Owner the rent due or becoming due, and the payment of such rent or lease payment to the Board of Directors shall be sufficient payment and discharge of such tenant, lessee or renter and the Owner for such Master Assessments to the extent of the amount so paid.

11.12.41 No Owner may waive or otherwise exempt himself or herself from liability for the payment of his share of the Master Common Expenses or his Master Assessment and any Special Master Assessments provided for herein, including but not limited to his non-use of the Common Area and Facilities or abandonment of his Lot.

11.12.42 Anything to the contrary notwithstanding, any first mortgagee who obtains title to a Lot pursuant to the remedies in the mortgage or trust deed or through foreclosure will not be liable for more than six (6) months of the unpaid regularly budgeted assessments, dues or charges accrued before acquisition of the title to the property by the mortgage, although the first mortgagee will also be liable for any reasonable attorneys fees or costs related to the collection of the unpaid dues. All other grantees who obtain title to a Lot in a voluntary conveyance or pursuant to the remedies in a mortgage or trust deed or through foreclosure shall be jointly and severally liable with the trustor or mortgagor for all unpaid assessments, late fees, default interest and collection costs, including a reasonable attorneys fee, against the Lot for its share of the Master Common Expenses up to the time of the grant or conveyance, without prejudice to the grantee's rights to recover from the trustor or mortgagor the amounts paid by the grantee.

ARTICLE XII: INITIAL USE RESTRICTIONS

12.1 **Zoning and Land Use Ordinances.** All land use and buildings shall be in compliance with all zoning and land use Ordinances as well as all regulations of the municipalities and agencies governing the Subdivision.

12.2 **Nuisance.** No noxious or offensive activity shall be carried on, in or about the Property, nor shall anything be done or permitted thereon which may be or may become an annoyance, disturbance, bother, embarrassment or nuisance to other residents or which might interfere with the right of other residents to the quiet and peaceful enjoyment of their property.

12.4 **Compliance with Laws.** Owners shall comply with all local, state and federal ordinances, laws and regulations.

12.5 **Statutes.** Nothing shall be done or kept in, on or about any Lot or any part thereof, which would be a violation of any statute, rule, ordinance, regulation, permit or other validly imposed requirement of any governmental body.

12.6 **Insurance.** Nothing shall be done or kept in any Building, Lot, Unit or in the Common Area and Facilities or any part thereof which would result in cancellation of the insurance on the Project or any part thereof, nor shall anything be done or kept in any Lot which would increase the rate of insurance on the Project or any part thereof over what the Master Association but for such activity, would pay, without the prior written consent of the Board of Directors.

12.7 **Motor Vehicles.** The driving, parking and storage of motor vehicles within the Property are subject to rules and regulations adopted by the Board of Directors as they may be changed from time to time. Vehicles parked in violation of the rules and regulations may be immobilized, impounded, or towed by the Master Association without further notice and at the owner's sole risk and expense.

12.8 **Views.** Neither the Declarant nor the Master Association guarantees or represents that any view over and across any property, including any Building, Lot will be preserved without impairment. Neither the Declarant nor the Master Association shall have the obligation to prune or thin trees or other landscaping except as set forth herein. Any express or implied easements for view purposes or for the passage of light and air are hereby expressly disclaimed.

12.9 **Drainage and Erosion.** No structure, plant, improvement or other material may be placed or permitted to remain, or other activities undertaken which may damage or interfere with established Lot ratios, create erosion or sliding problems, or which may change the direction or flow of drainage channels, or obstruct or retard the flow of water through the channels.

12.10 **Rules and Regulations.** Each Owner shall comply with the Club management contract, rules and regulations.

12.11 **Indemnity.** Each Owner shall save, indemnify and hold the Master Association harmless against any and all loss, liability or damage caused by or resulting from his violation of the use restrictions.

ARTICLE XIII: ARCHITECTURAL REVIEW

13.1 **Designs, Plans and Specifications.** Architectural designs, and plans and specifications showing the nature, kind, shape, color, size, materials, and location of all proposed structures and improvements in the Project shall be submitted to the Architectural Review Committee appointed by the governing board (the "ARC") for review and approval. Designs submitted for approval shall be limited to those prepared

by architects or by qualified residential designers of outstanding ability whose previous work may be reviewed as a part of the approval process.

13.1.1 In reviewing each submission, the ARC may consider the proposed design, harmony of external design with existing structures and the common scheme, the location in relation to surrounding structures, topography, finish grade and elevation, among other things.

13.1.2 Decisions of the ARC may be based on purely aesthetic considerations which may be subjective and may vary as ARC members change over time.

13.2 **Fencing.** All fencing must be pre-approved in writing by the ARC before installation. This includes the fencing material, style, type, design, location, etc. Any fencing installed without the express prior written approval of the ARC shall be presumed to be non-conforming. All non-conforming fencing shall, upon request of the ARC be removed and the property restored to its former condition at the owner's sole expense. The following fencing materials are pre-approved, although the style, type, design, location, etc., must still be approved in writing:

13.2.1 Villas - Tan Vinyl

13.2.2 Estates - Wrought Iron, Masonry, and Tan Vinyl

No fence or similar structure shall be placed in any front yard. No fence or similar structure shall be placed in any side or rear yard in excess of six (6) feet. Chain link fencing is strictly prohibited. If there is a dispute between the parties about fencing, including by way of illustration but not limitation, disputes as to fencing materials, style, type, design, or location, including what constitutes a front, side or rear yard, or whether a variance has been granted, the decision of the ARC shall be final, binding and conclusive.

13.3 **No Waiver of Future Approvals.** The approval of the ARC of any proposals or plans and specifications or drawings for any work done or proposed, or in connection with any other matter requiring the approval and consent of such Committee, shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any similar proposals, plans and specifications, drawings or matters whatever subsequently or additionally submitted for approval or consent.

13.4 **Variance.** The ARC may authorize variances from compliance with any of the architectural guidelines when circumstances such as topography, natural obstructions, hardship, aesthetic, or environmental considerations require, but only in accordance with its duly adopted rules and regulations, and prior written consent of the City Board of Adjustment. Such variances may only be granted, however, when unique circumstances dictate and no variance shall (a) be

effective unless in writing, (b) be contrary to the restrictions set forth in the body of this Declaration, or (c) estop the ARC from denying a variance in other circumstances. For purposes of this Section, the inability to obtain approval of any governmental agency, the issuance of any permit or the terms of financing shall not be considered a hardship warranting a variance.

13.55 Limitation of Liability. Neither the Developer nor the ARC, or any of their employees, agents, representatives or consultants shall be responsible in any way for any defects in any plans or specifications submitted, revised or approved in accordance with the provisions of this Declaration, nor for any structural or other defects in any work done according to such plans and specifications. By accepting a deed or other document of conveyance to a Lot, each Owner agrees to and shall defend, indemnify, save and hold the Developer and the ARC, and their employees, agents, representatives or consultants, harmless from any and all loss, damage or liability they may suffer, including defense costs and attorney fees, as a result of any claims, demands, actions, costs, expenses, awards or judgments arising out of their review or approval of architectural designs, plans and specifications.

13.6 Enforcement of Architectural Guidelines. Should an Owner fail to remove and restore as required hereunder, the ARC shall have the right to enter the property, remove the violation, and restore the property to substantially the same condition as existed prior to the construction, alteration or other work, without being guilty of a trespass.

ARTICLE XIV: LEASING

14. Leases. For Orchard Farms Town Homes and Orchard Farms SFR:

14.1 Any agreement for the leasing, rental, or occupancy of a Lot (collectively "Rental Agreement") shall be in writing and a copy thereof shall be delivered to the Master Association upon request;

14.2 Daily or weekly rentals are prohibited;

14.3 No Owner may lease individual rooms to separate persons or less than his entire Dwelling Unit without the express written consent of the Board of Directors; and

14.4 Other than as expressly stated in this Section 14, there is no restriction on the right of any Owner to rent, lease or otherwise grant occupancy rights to his or her Lot in these Neighborhoods.

There are no restrictions on the right of any Owner to rent, lease or otherwise grant occupancy rights in a Lot or Unit.

ARTICLE XV: TERMINATION

15.1 **Termination.** The Project may be terminated only by the unanimous agreement of all Lots or Units. This Article may not be amended, modified or repealed without the express prior written consent of all Owners.

15.2 **Recording of Notice of Removal.** All of the Owners may remove the Project from the provisions of the Master Declaration by an instrument duly recorded to that effect, provided that the holders of all liens affecting any of the Lots or Units consent or agree by instruments duly recorded that their liens are transferred to the undivided ownership interest of the Owners in the Project. Provided further, as long as Declarant has ownership rights in the Project, its consent shall also be required to remove the Project from the provisions of this Master Declaration. Upon removal of the Project from the provisions of this Master Declaration, the Project shall be deemed to be owned in common by the Owners based upon the percentage of ownership of each Lot.

15.3 **Termination Agreement.** A termination agreement may provide that all of the Project shall be sold following termination. If, pursuant to the agreement, any real estate in the Project is to be sold following termination, the termination agreement shall set forth the minimum terms of the sale.

15.4 **Master Association as Agent.** The Master Association may contract for the sale of real estate in the Project, but the contract is not binding on the Owners until approved by the Board of Directors. If any real estate in the Project is to be sold following termination, then title to the real estate shall vest in the name of the Master Association as trustee for all Owners based upon their percentages of ownership. Thereafter, the Master Association shall have all powers necessary and appropriate to effect the sale. Until the sale has been concluded and the proceeds of the sale distributed, the Master Association shall continue in existence with all powers it had before termination. Proceeds of the sale shall be distributed to Owners and Mortgagees as their interests may appear, based on their percentages of ownership. Unless otherwise specified in the termination agreement, as long as the Master Association holds title to the property, each Owner and his successors in interest have an exclusive right to occupancy of the portion of the real estate that formerly constituted their Lot in accordance with the terms of this Master Declaration. During the period of that right of occupancy or use, each Owner and his successors in interest remain liable for all Master Assessments or Base Fees, Special Master Assessments and other obligations imposed on Owners by this Master Declaration.

15.5 **Master Association as Trustee.** Following termination of the Project, the proceeds of any sale of real estate, together with the assets of the Master Association, shall be held by the Master Association as trustee for Owners and Mortgagees as their interests may appear.

15.6 **Mortgagees.** Following termination, Mortgagees holding Mortgages on the Lots or Units which were recorded before termination may enforce those liens in the same manner as any lienholder.

15.7 **Common Area and Facilities.** In the event of the dissolution of the Master Association the Property shall be transferred to a nonprofit corporation, trust, or other entity to be used for such similar purposes, and each owner shall continue to be obligated to make assessment payments for the maintenance and upkeep of the Common Area and Facilities and improvements on a pro rata basis which conforms substantially with the assessment procedure, terms and conditions set forth herein. To the extent the foregoing is not possible, the Common Area and Facilities shall be sold or disposed of and the proceeds from the sale or disposition shall be distributed to Owners as tenants in common.

ARTICLE XVI: DEVELOPMENT RIGHTS

16. **Development Rights.** The following development rights are hereby granted to or reserved by Declarant (collectively, "Development Rights"):

16.1 **Easement.** Declarant hereby reserves an easement throughout the Project for a period twenty (20) years from the date of the recording of this Master Declaration for the purpose of completing all improvements contemplated hereby and in the Final Plat, including but not limited to improvements to any land annexed.

16.2 **Improvements.** Declarant hereby reserves the right but not the obligation to construct any improvements shown on the Final Plat; and any other buildings, structures or improvements that Declarant desires to construct on the Property, or any other real estate owned by Declarant, regardless of whether the same ever become part of the Project.

16.3 **Sales Offices.** Declarant hereby reserves the right to maintain sales offices, management offices, signs advertising the Project and models in any of the Property which it owns or leases or on the Common Area and Facilities of the Project for so long as Declarant is an Owner within the Project. All signage shall comply with county regulations, as the same may be changed from time to time. Declarant shall be entitled to utilize, at any one time, any number of Lots or Units which it owns or leases and some or all of the Common Area and Facilities as sales offices, management offices, and models anywhere in the Project. Declarant may relocate sales offices, management offices and models to other Units or Common Area and Facilities at any time.

16.4 **Declarant's Obligation to Pay Master Assessments.** The Declarant is not obligated to pay Assessments on Lots or Units it owns unless or until a certificate of permanent occupancy has been issued and the property has been sold, rented or is occupied, excluding any Lot used as a model home.

16.5 **Waiver of Obligation to Pay Assessments on Leased Model Home.** The Owner of a Lot or Unit leased or rented to Declarant for use as a model home is hereby excused from and shall not be obligated to pay any portion of the Master Common Expenses, Master Assessment or Base Fee, or Special Master Assessment on that Lot, anything to the contrary notwithstanding.

16.6 **Changes to the Property.** Notwithstanding anything to the contrary contained in this Master Declaration, Declarant may unilaterally and in its sole discretion make such alterations, changes or modifications to any of the Property, Lot owned by it or to the adjacent Common Area, as Declarant deems necessary or appropriate, including but not limited to the creation or removal of interior walls and modifications to plumbing and electrical systems.

16.7 **Promotions.** The Declarant hereby reserves to itself the right to create promotions for the sale and marketing of the Property, including by way of illustration but not limitation the right to alter the number, type, kind, nature, or features of Lots or Units available.

16.8 **Transfer and Impact Fees.** Declarant hereby reserves the right to establish and collect community enhancement, reinvestment and impact fees, and in the event it elects to do so it shall record in the office of the Salt Lake County Recorder a written Notice in accordance with the laws of the State of Utah.

16.9 **Interference.** Neither the Master Association, Board of Directors, Subassociation or Owner may take any action or adopt any rule or regulation that interferes or diminishes any Development Rights set forth herein, without Declarant's express prior written consent, and any action taken in violation of this subsection shall be null and void and of no force or effect.

16.10 **Books and Records.** The Books and Records of the Declarant are private, privileged and confidential, and shall not be made available to any Person for inspection, copying or any other purpose, without the express prior written consent of the Declarant.

16.11 **Vested Rights.** The Declarant reserves to itself and is hereby granted the "vested rights" as that term is construed in Utah's common law and pursuant to Utah Code Ann., Section 10-9a-509 (2009) as amended or supplemented.

ARTICLE XVII: SECURITY

17. **Security.** The Master Association may, but shall not be obligated to, maintain or support certain activities within the Project designed to make the Project safer than they otherwise might be. Neither the Declarant nor the Master Association shall in any way be considered insurers or guarantors of security within the Project, however, and neither the Declarant nor the Master Association shall be held liable for any loss or damage by reason of failure to provide adequate security or ineffectiveness of security measures undertaken. All Owners for themselves and their Permittees acknowledge that neither the Declarant, Master Association or Board of Directors represent or warrant that any fire protection system or burglar alarm system designated by or installed in the Project may not be compromised or circumvented, that any fire protection or burglar alarm systems will prevent loss by fire, smoke, burglary, theft, hold-up, or otherwise nor that fire protection or burglary alarm systems will in all cases provide the detection or protection for which the system is designed or intended. Each Owner for himself and his Permittees acknowledge and understand that the Declarant, Master Association

and Board of Directors are not insurers and that each Owner for himself and his Permittees assumes all risks for loss or damage to persons or property within the Project and further acknowledges that Declarant, Master Association and Board of Directors have made no representations or warranties nor has any Owner or Permittees relied upon any representations or warranties, expressed or implied, including any warranty of merchantability or fitness for any particular purpose, relative to any fire and/or burglar alarm systems recommended or installed or any security measures undertaken within the Project.

XVIII: AMENDMENT

18.1 **General.** Except as provided elsewhere in this Master Declaration, including by way of illustration but not limitation to sections pertaining to the annexation or withdrawal of land, any amendment to this Master Declaration shall require the affirmative written vote or consent of at least sixty-seven percent (67%) of the Total Votes of the Master Association cast either in person or by proxy at a meeting duly called for such purpose or otherwise approved in writing by such Owners without a meeting. Any Amendment authorized pursuant to this Section shall be accomplished through the recordation in the Office of the County Recorder of an instrument executed by the Master Association. In such instrument an officer or Director of the Master Association shall certify that the vote required by this Section for Amendment has occurred.

18.2 **Initial Declarant Right to Amend.** The Declarant alone may amend or terminate this Master Declaration prior to the closing of a sale of the first Lot.

18.3 **Unilateral Right to Amend Under Certain Conditions.** Anything to the contrary notwithstanding, this Master Declaration may be amended unilaterally at any time and from time to time by Declarant if such Amendment is (a) necessary to correct typographical errors or inadvertent omissions; (b) necessary to bring any provision hereof into compliance with any applicable governmental statute, rule, or regulation or judicial determination which shall be in conflict therewith; or (c) reasonably necessary to enable any reputable title insurance company to issue title insurance coverage with respect to the Lots or Units subject to this Master Declaration; provided, however, any such Amendment shall not materially adversely affect the title to any such Lot, unless any such Owner shall consent thereto in writing.

18.4 **Declarant's Right to Amend Unilaterally Prior to Termination of Declarant's Right to Control.** Prior to the expiration of the Period of Declarant's Control, Declarant may unilaterally amend this Master Declaration for any other purpose; provided, however, any such Amendment shall not materially adversely affect the substantive rights of any Owner, nor shall it adversely affect title to any property without the consent of the affected Owner.

18.5 **To Satisfy Requirements of Lenders.** Anything to the contrary notwithstanding, Declarant reserves the unilateral right to amend all or any part of this Master Declaration to such extent and with such language as may be requested by a State Department of Real Estate (or similar agency), FHA, VA, the FHLMC or FNMA and to further amend to the extent requested by any other federal, state or local governmental agency which requests such an amendment as a

condition precedent to such agency's approval of this Master Declaration or approval of the sale of Lots or Units, or by any federally chartered lending institution as a condition precedent to lending funds upon the security of any Lot, or any portions thereof. Any such amendment shall be effected by the recordation by Declarant of an Amendment duly signed by the Declarant, specifying the federal, state or local governmental agency or the federally chartered lending institution requesting the amendment and setting forth the amendatory language requested by such agency or institution. Recordation of such an Amendment shall be deemed conclusive proof of the agency's or institution's request for such an amendment, and such Amendment, when recorded, shall be binding upon all Lots or Units and all persons having an interest therein. It is the desire of Declarant to retain control of the Master Association and its activities during the anticipated period of planning and development. If any amendment requested pursuant to the provisions of hereof deletes, diminishes or alters such control in any manner whatsoever in the opinion of Declarant, Declarant shall have the unilateral right to amend this Master Declaration to restore such control.

18.6 Declarant's Rights. No provision of this Master Declaration reserving or granting to Declarant the Developmental Rights shall be amended without the prior express written consent of Declarant, which consent may be withheld, conditioned or delayed for any reason or for no reason at Declarant's sole and exclusive discretion.

18.7 Termination of Development Status. To amend the Declaration to terminate the Development or to modify, amend or repeal this subsection requires the unanimous consent of all Owners, anything to the contrary notwithstanding.

ARTICLE XIX: DISPUTE RESOLUTION AND LIMITATION ON LITIGATION AGREEMENT TO AVOID COSTS OF LITIGATION

19.1 General. Expressly excluding all mortgagees, lenders, and holders of security instruments affecting the Property, who may but are not obligated to participate in or by bound by or subject to this Dispute Resolution Article or any requirements for mediation or arbitration, the Declarant, Master Association and all Owners subject to this Master Declaration, and any person not otherwise subject to this Master Declaration who agrees to submit to this Section (collectively, "Bound Parties") agree to encourage the amicable resolution of disputes involving the properties at the Project, and to avoid the emotional and financial costs of litigation if at all possible. Accordingly, each Bound Party covenants and agrees that all claims, grievances or disputes between such Bound Party and any other Bound Party involving properties at the Project, including, without limitation, claims, grievances or disputes arising out of or relating to the interpretation, application or enforcement of this Master Declaration or the Governing Documents (collectively "Claim"), except for those Exempt Claims authorized under this Section, shall be subject to the procedures set forth herein.

19.2 Exempt Claims.

Any Bound Party having an Exempt Claim (as defined below) may submit it to the alternative dispute resolution procedures set forth in this Section, but there shall be no obligation

to do so. The following Claims ("Exempt Claims") shall be exempt from the provisions of hereof:

19.2.1 Any suit by Declarant against any Bound Party to enforce the provisions of this Master Declaration or to enforce any of Declarant's developmental rights set forth in this Master Declaration, including any defensive or responsive actions by the party against whom this Master Declaration is taken; Any suit by the Master Association against any Bound Party to enforce the provisions of this Master Declaration, including any defensive or responsive actions by the party against whom this Master Declaration is taken;

19.2.2 Any suit by the Master Association to obtain a temporary restraining order (or equivalent emergency equitable relief) and such other ancillary relief as the court may deem necessary in order to maintain the status quo and preserve the Master Association's ability to enforce the provisions of this Master Declaration, including any defensive or responsive actions by the party against whom this Master Declaration is taken;

19.2.3 Any suit between Owners (other than the Declarant) seeking redress on the basis of a Claim which would constitute a cause of action under the law of the State of Utah in the absence of a claim based on the Governing Documents, if the amount in controversy exceeds \$20,000.00; and

19.2.4 Any suit or enforcement action or exercise of any right or remedy under or in respect of any Mortgage, any indebtedness secured by such Mortgage or any other document or agreement executed in connection with such Mortgage or in respect of any right provided herein with respect to such Mortgage.

19.3 Mandatory Procedures for All Other Claims. Any Bound Party having a Claim ("Claimant") against any other Bound Party ("Respondent") other than an Exempt Claim, shall not file suit in any court or initiate any proceeding before any administrative tribunal seeking redress or resolution of such Claim until it has complied with the following procedures:

19.4 Notice. The Claimant shall notify each Respondent in writing of the Claim ("Notice"), stating plainly and concisely:

19.4.1 The nature of the Claim, including date, time, location, person involved, Respondent's role in the Claim;

19.4.2 The basis of the Claim (i.e., the provision of the Master Declaration, Governing Documents, or other authority out of which the Claim arises);

19.4.3 What Claimant wants Respondent to do or not to do to resolve the Claim;
and

19.4.4 That Claimant wishes to resolve the Claim by mutual agreement with Respondent, and is willing to meet in person with Respondent at a mutually agreeable time and place to discuss in good faith ways to resolve the Claim.

19.5 Good Faith Negotiation. Each Claimant and Respondent (“Parties”) shall make every reasonable effort to meet in person and confer for the purpose of resolving the Claim by good faith negotiation. Upon receipt of a written request from any Party, accompanied by a copy of the Notice, the Board of Directors may appoint a representative to assist the Parties in resolving the dispute by negotiation, if in its discretion it believes its efforts will be beneficial to the Parties and to the welfare of the Project.

19.6 Final and Binding Arbitration. If the Parties do not resolve the Claim through negotiation within thirty (30) days of the date of the Notice (or within such other period as may be agreed upon by the Parties) (“Termination of Negotiations”), the Claimant shall have thirty (30) days following Termination of Negotiations to submit the Claim to arbitration in accordance with the Rules of Arbitration maintained on file in the office of the Master Association or the Claim shall be deemed abandoned, and Respondent shall be release and discharged from any and all liability to Claimant arising out of such Claim; provided, nothing herein shall release or discharge Respondent from any liability to Persons not a Party to the foregoing proceedings.

19.7 Arbitration Award. This constitutes an agreement of the Bound Parties to arbitrate all Claims except Exempt Claims and is specifically enforceable under the applicable Utah arbitration law. The arbitration award (the “Award”) shall be final and binding, and judgment may be entered upon it in any court of competent jurisdiction to the fullest extent permitted under Utah law.

19.8 Allocation of Costs of Resolving Claims.

19.8.1 Each Party shall bear all its own costs incurred prior to and during the proceedings described herein, including the fees of its attorney or other representative.

19.8.2 Each Party shall share equally in the costs of conducting the arbitration proceeding (collectively, “Arbitration Costs”), except as otherwise provided herein; provided, however, if the Claim is rejected in whole or in part, the Claimant shall pay all Arbitration Costs, including the costs incurred by the Respondent.

19.9 Enforcement of Resolution. If the Parties agree to resolve any Claim through negotiation in accordance herewith and any Party thereafter fails to abide by the terms of such Agreement, or if the Parties agree to accept the Award following arbitration and any Party thereafter fails to comply with such Award, then any other Party may file suit or initiate administrative proceedings to enforce such agreement or Award without the need to again comply with the procedures set forth herein. In such event, the party taking action to enforce the agreement or Award shall be entitled to recover from the non-complying Party (or if more than one non-complying Party, from all such Parties pro rata) all costs incurred in enforcing such agreement or Award, including, without limitation, attorneys fees and court costs.
