This Amendment to the Bylaws of Valentine Estates Pool Owners Association (“Association”) is made the date executed below by the Board of Directors (the “Board”).

RECITALS

A. The Association is governed in part by the Bylaws of Valentine Estates Pool Owners Association, which were recorded in the Davis County Recorder’s Office as Exhibit B to the First Amended Declaration of Covenants, Conditions and Restrictions for Valentine Estates Pool Owners Association as Entry 2492010, Book 4897, Pages 1266-1282;

B. This amendment shall be binding against all Members of the Association (the “Association”) and the property described in Exhibit “A” and the Declaration and any annexation or supplement thereto;

C. This amendment is intended to clarify how directors are elected;

D. Under Bylaw Article VI, Section 6.01, the Board certifies that this amendment was approved by the Directors at a regular meeting of the Board where a quorum was present and that Declarant has given written consent, if required;

E. All capitalized terms in this amendment shall have the same meaning as given to them in the Bylaws;

NOW, THEREFORE, the Board hereby amends the Bylaws as follows:

Article III, Sections 3.03 is amended in its entirety to read as follows:

3.03 Number of Board Members.

After the Turnover Meeting, the Board shall be composed of three (3) to five (5) persons, who are members in good standing. The Board by resolution shall determine the number of Directors. However, the number of Directors shall always be an odd number. Unless sooner relinquished, until the Turnover Meeting, the Declarant shall appoint all Directors.

Article III, Sections 3.04 is amended in its entirety to read as follows:

3.04 Selection and Term of Office of the Board.

The Directors shall be elected by the Members. At the 2015 election, the two people with the most votes shall serve an initial term of two years, the person with the third highest number of votes shall serve an initial term of one year. All subsequent Directors shall serve staggered terms of two years, with two Directors being elected in even years and one Director being elected in odd years. Directors shall hold office until their successor is elected. If the Directors terms become non-staggered or the number of Directors is adjusted (i.e., at the first election of Directors or after removal of the entire Board), the initial term of each Director (1 or 2 years) shall be decided by vote of the newly elected Directors at their organization meeting. There is no limit on the number of terms a Director may serve.

Article III, Section 3.10, second paragraph is amended in its entirety to read as follows:

“Vacancies in the Board caused by any reason shall be filled by appointment by the remaining Directors until the next annual meeting, at which a Director will be elected to fulfil the remaining term of the vacant directorship.”

Article III, Section 3.11 is amended to add paragraph (d), which reads as follows:

(d) Any Director who misses more than two consecutive board meetings.

Article III, Section 3.12 is amended in its entirety to read as follows:

3.12 Compensation.

The Board may, by policy, compensate the Directors for their service in an amount up to or equal to the amount of their assessments. A Director may also seek reimbursement for actual costs incurred associated with their service as a Director.

IN WITNESS WHEREOF, the Board, by and through its President and Secretary have executed this Amendment to the Bylaws as of the 12 day of July, 2015.
