6. Easements for ducts and conduits for all utilities and drainage as now located upon Grantor's property for services to Grantee's part of the Tower building.

7. All other easements, rights of way, appurtenances and hereditaments belonging or in any wise appertaining to all reasonable use of the air space hereby granted, including use of office directories in the First and Second Floor Arcade areas.

8. The right to comparable easements and rights of way as are reasonably necessary if the present structures of Grantor or Grantee are changed, renovated or replaced.

Grantor reserves the following rights:

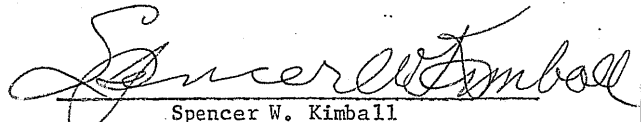

1. Easements for ducts and conduits for all utilities located in Grantee's air space and serving Grantor's property, subject to reasonable re-location by Grantee.
2. Rights to reasonably enter with men, materials and equipment into Grantee's air space to repair, replace or service Grantor's structures in adjoining air space.
3. The right to reasonably relocate Grantee's easements and rights of way.
4. The right to use the elevators transferred to Grantee for the benefit of persons entitled to enter structures occupying space below Grantee's air space.

The above rights are understood to run to successors in interest to Grantor and Grantee.

Grantor also gives to Grantee for the benefit of persons entitled to enter Grantee's air space a revocable license to use passage ways in common with others through the Z.C.M.I. Center, including access from Main Street, First South Street, South Temple Street and designated parking areas. It is understood that this license is subject to modification, curtailment or revocation at any time.

Dated this 30th day of December, 1976.
