DURFEE CREEK ESTATES SUBDIVISION COMMON AREA RULES

Preface.

This document contains the rules by which the common areas of Durfee Creek Estates (the Association) shall be governed.

The rules listed herein are to be enforced by the Board of Directors (the Board) and legally appointed subcommittees in a manner as outlined in the Durfee Creek By-Laws, Section C Paragraph 3.19 and Section 5.4 of the Amended Declaration of Covenants, Conditions and Restrictions.

This document may be amended in accordance with the procedures set forth in Utah Code, Title 57, Chapter 8a, Section 217 as it may be amended from time to time.

Common Area parcels and legal descriptions subject to these Common Area Rules are listed in Attachment A. Rules governing use of the Right of Way (R.O.W.) road between parcel 17-138-0001 (lot 18) and parcel 17-138-0002 (lot 19) are in Attachment B.

- 1. <u>Laws, Ordinances and Regulations.</u> No portion of the Common Area shall be used in a manner that violates any federal, state or Weber County statute, law, ordinance, permit or regulation. If the provisions of these rules are more stringent than any applicable government statute, law, ordinance, permit or regulation the provisions of these rules shall control. Federal agencies, the State of Utah and Weber County are responsible for enforcing their laws, ordinances and regulations. However, if the responsible governmental entities are not willing to take enforcement action, the Association may elect to take appropriate action as determined by the Board of Directors. The Association is solely responsible for the enforcement of all other provisions of these rules.
- 2. <u>Development.</u> No development activity of any kind shall be allowed in the Common Area except:
 - a) that which is expressly permitted by Weber County;
 - b) that which is allowed by the Association's Governing Documents; and
 - b) changes or improvement to utilities.
- 3. Encroachments. No permanent or temporary encroachment of any kind shall be allowed on the Common Area, including but not limited to encroachments associated with the construction and occupancy of Residences and accessory buildings on Lots adjacent to the Common Area. For the purpose of this rule, "Encroachment" shall be defined as any activity that is not authorized by Weber County, the Association or its Members.

- 4. <u>Vegetation Maintenance</u>. The Association shall be responsible for the maintenance of all vegetation on the Common Area, including the control of noxious weeds. As a general practice, vegetation maintenance shall be conducted in accordance with an annual plan and budget prepared by the Association's Board of Directors. If requested, the Board may permit the removal of dead vegetation, including but not limited to fallen and standing dead trees, by individual Lot Owners.
- 5. Excavations and Rock Removal. All forms of excavation and the removal of rocks are prohibited. The foregoing shall not preclude such activities in connection with the construction of authorized Association improvements, such as the operation and maintenance of the Wastewater Disposal System, the maintenance of public utility facilities serving the Community or as required to facilitate the vegetation maintenance as described above.
- 6. <u>Signage</u>. Signage of any kind shall not be permitted within the Common Area, except those installed by Weber County or the Association.
- 7. <u>Animals.</u> All Owners, members of their family, their guests or their tenants having animals within the Common Area shall, at all times, be responsible for compliance with Weber County Ordinance Title 6 Comprehensive Animal Control, as amended.
- 8. <u>Disposal of Waste Material</u>. No garbage, trash, construction debris, recyclable material, dirt, rock or yard waste shall be placed or otherwise disposed of within the Common Area, except in containers, if any, that may be provided by the Association.
- 9. <u>Hazardous Activity.</u> The use or disposal of caustic, toxic, flammable, explosive, or otherwise hazardous materials; the discharge of fireworks; and the setting of fires within the Common Area is prohibited.
- 10. <u>Protection of Natural Drainage, Ponds, Springs, Streams and Wetlands.</u> Except as required to protect a Residence, accessory building or other Lot improvement and respond to an emergency, the natural flow of surface or ground water in the Common Area shall not be altered in any way.

No existing pond within the Common Area shall be filled or altered except by the Association and only after receiving approval from government agencies having jurisdiction over such activities.

The riparian area along both sides of Durfee Creek shall not be cleared, thinned, or otherwise disturbed unless such activities are sponsored and supervised by the Board or committee with Board delegated responsibility or any government agencies having jurisdiction over such activities. The foregoing does not prohibit Owners of Lots adjacent to Durfee Creek from removing noxious weeds from the riparian area and fallen dead trees that may be partially resting on a Lot.

The Association shall not be responsible for any loss, damage, or injury to any person or property arising out of the authorized or unauthorized use of ponds, springs, streams or wetlands located within or adjacent to the Common Area.

- 12. <u>Discharge of Firearms and Hunting.</u> The discharge of firearms and other dangerous weapons as defined by Utah law into the Common Area from any Lot and within the Common Area is prohibited. The hunting of all wildlife by any means is expressly prohibited within the Common Area. The foregoing does not prohibit Durfee Creek Lot Owners, and guests who are accompanied by a Durfee Creek Lot Owner, from crossing the Common Area to hunt on adjacent land where hunting is permitted.
- 13. <u>Use of Motorized Vehicles and Parking.</u> The term "motorized vehicles" includes without limitation, automobiles, trucks, trailers, motorcycles, tractors, excavation equipment, snowmobiles, campers, vans, and all-terrain vehicles.

No motorized vehicles shall be operated or parked within the Common Area, except;

- a) as required to construct, operate and maintain utilities as specified in the Association By-Laws and Association Amended and Restated Covenants, Conditions and Restrictions, and in certain perpetual easement agreements recorded in Weber County records and granted to Liberty Pipeline Company by the Association;
- to respond to an emergency, including but not limited to an accident, injury or wildfire; and
- c) to remove or relocate stray livestock.

If the owner of a vehicle parked on the Common Area does not promptly move the vehicle to an acceptable location after being requested to do so, the Association shall have the authority to have the vehicle towed from the Community.

14. Prohibition of Access to and Use of the Common Area by Non-Residents. Each Lot Owner within Durfee Creek Estates owns an undivided interest in the entire Common Area. Use of the Common Area is reserved exclusively for Durfee Creek Lot Owners, their guests in the company of a Lot Owner, and the Lot Owner's tenants, if any. The Common Area is not open to the public. There is no access at any point across the Common Area for the public to gain access to public or other lands via crossing the Common Area by any means. In those few cases where Lots in Durfee Creek Estates are adjacent to public lands, access across those Lots by the public may be granted only in writing by a Lot owner to those wanting access to public lands, in accordance with Utah Department of Natural Resources regulations and requirements.

CERTIFICATION

I, the undersigned, being President of Durfee Creek Association Inc., a Utah non-profit corporation ("the Association"), do hereby certify the foregoing to be the Common Area Rules for Durfee Creek Estates Subdivision, as adopted by resolution of the Board of Directors on January 16, 2018 and that such Common Area Rules are applicable to the real property contained in Durfee Creek Subdivision as set forth in the Attachment C.
