

BYLAWS OF THE WEST VIEW HOMEOWNERS ASSOCIATION

Change #1

The management committee feels this paragraph is unnecessarily restrictive and recommends it be changed to read as follows:

2.3. Annual Meetings. The first annual meeting of the Owners shall be held within one (1) year from the date of the adoption of these Bylaws. Subsequent regular annual meetings of the members shall be held in June each year. The date, time and place to be within the State of Utah as selected by the Management Committee of the Association.

There is no compelling reason to hold the meeting on the same day each year. Allowing flexibility within a one-month period will ensure the meetings occur but will allow adjustments for weekends and other events as appropriate. Selecting a good weather month like June will also allow the meeting to be held in the park. This would relieve our HOA of the expense of renting a facility in March when the weather won't provide suitable conditions to meet outside.

Change #2 -

Article 3, Management Committee:

The paragraphs numbering in the original document skipped paragraph 3.3. The paragraphs have been renumbered to correct this error. References to the renumbered paragraphs have also been changed in both Articles 3 and 4 so as to be consistent with the new numbering.
