ARTICLE III
COMMON AREAS, LIMITED COMMON AREAS, & DWELLING
MAINTENANCE & PARTY WALLS

3.1 Common Areas. The Common Areas consist of areas designated as Common Areas on the recorded Plat(s) or described in this Declaration, including any structures related to the operation or maintenance of the Common Areas, together with any rights of way and utilities, as shown on the recorded Plat(s). Notwithstanding anything contained in this Declaration to the contrary, all Common Areas appurtenant to each recorded Plat of the Project shall be conveyed to the Association upon recordation of a Plat depicting such Common Areas, reserving all easements as set forth in this Declaration.

- (a) Except as otherwise provided in this Declaration, the Association, or its duly designated agent, shall maintain all Common Areas, including, without limitation, the Improvements and landscaping located thereon in good order and repair and shall otherwise manage and operate all Common Areas as it deems necessary and appropriate. The Association shall have the authority to assess its members for the costs of said maintenance in accordance with the terms of this Declaration.
- (b) Landscaping. The Association shall contract with a third party to perform general landscaping maintenance within Subdivision, which generally includes mowing, edging, and blowing and leaf disposal on the property outside of the footprint of the Dwelling. The Association may adopt Rules to add further detail with regard specific landscape maintenance services provided by the Association and those responsibilities of Owners concerning such items including, but not limited to: gardens, flowerbeds, and other landscaping elements.
- (c) Snow Removal. The Association shall make reasonable and prudent efforts to contract with a third party for the removal of snow from Common Areas within

the Subdivision. Unless the Board elects to provide snow removal for Limited Common Areas, Owners shall be responsible for such areas and other applicable areas on their Lot. Owners shall be responsible and take reasonable precautions with respect to ice and ice accumulation. The work of removing snow will be delegated to a third party, who will utilize its discretion in the frequency of the snow removal and the amount of accumulation meriting removal. To the extent allowed by law, the Association shall not be responsible or liable for said third party's discretion and removal of snow.

3.2 Limited Common Areas. Owners shall maintain the Limited Common Areas associated with their Units and Dwellings.

3.3 Association Maintenance of Units & Dwellings. The Association shall maintain, repair and replace the roofs, rain gutters and downspouts on the Dwellings, and the normal wear and tear on exterior wall finishes of the Dwellings. All necessary structural repairs of exterior walls will be the responsibility of the affected Owners. Exterior wall maintenance by the Association does not include: doors, doorframes, garage doors, windows, window frames, window wells, skylights, patio doors, or glass of any kind. All other components or Improvements for the Unit, including the Dwelling that are not specifically assigned to the Association herein shall be maintained by Owners.

3.4 General Rules of Law to Apply to Party Walls. Each wall which is built as a part of the original construction of a Dwelling within the Project and placed on the dividing line between two Dwellings shall constitute a Party Wall, and, to the extent not inconsistent with the provisions of the Act, the general rules of law regarding Party Walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto.

3.5 Party Wall Maintenance. Each Dwelling that shares one or more Party Wall(s), will also share elements of a common roof, a common exterior wall, or other common exterior elements with adjacent Dwelling(s). The Owners acknowledge that certain repairs or maintenance to Dwellings with a Party Wall(s) may become necessary, which repairs or maintenance may not be able to be performed on one Dwelling only.

3.6 Insurance. The existence of attached Units within the Project will require blanket property insurance coverage as required by the Governing Documents and/or Act on all attached Dwellings.

ARTICLE IV

OWNERS' MAINTENANCE OBLIGATIONS

4.1 Duty to Maintain. With the exception of those items reference in Article 3.3 above, it is the obligation of each Owner to maintain his Unit, Dwelling and Improvements located thereon, which shall remain in a clean and sanitary condition, free of pests and rodents, and

uncluttered at all times in order to preserve and enhance the enjoyment of the Project.

4.2 Repairs by Association. In the event that an Owner permits his Unit or Improvements to fall into a state of disrepair that is dangerous, unsafe, unsanitary or unsightly condition or fails to comply with any other covenant or restriction in violation of this Declaration, the Association may give written notice to the Owner describing the condition complained of and demand that the Owner correct the condition within 15 days. If the Owner fails to take corrective action, the Association shall have the right, but not the obligation, to enter upon the offending Owner's Unit and take corrective action to abate the condition. All costs of abatement shall be charged to the Owner, who agrees to promptly pay the reasonable costs of any work performed under this provision, plus 15%. In addition, each Owner hereby grants to the Association a lien on the Unit and any improvements to secure repayment of any sums advanced pursuant to this section, which lien may be foreclosed at any time by the Association in the manner prescribed in Utah for the foreclosure of mortgages. Alternatively, without requiring foreclosure, the Association may seek collection of sums advanced directly from the Owner of the Unit in question. Unpaid amounts will bear interest from the date advanced at the lawful judgment rate under applicable state law.

4.3 Alterations of Exterior Appearance. The Owners will maintain their Units and Improvements in substantially the same condition and appearance as originally constructed. No subsequent exterior alterations, improvement or remodeling, or any changes in landscaping, paint color or materials will be made without the advance consent of the Board. Declarant shall be exempt from this provision.

4.4 Repair Following Damage. In the event of casualty loss or damage to the improvements, the Owner will be entitled to reconstruct the Improvements as they existed prior to the damage or loss without review by the Board, provided however that alterations or deviations from the original approved plans will require review. Nothing in this Declaration is intended to prevent an Owner who has suffered property damage or loss from taking temporary measures to secure the property and prevent injury or dangerous conditions following loss or damage, before re-construction begins. Such temporary measures may be taken without the consent or approval of the Board, provided that any such measure must be of a temporary nature, and repair or reconstruction must begin as soon as circumstances will permit. Unless delayed by City/County approval or insurance carrier approval, no damaged structure will be permitted to remain on any Unit for more than 90 days without repairs commencing and any damaged structure which does remain unrepaired after 90 days following the occurrence of damage is deemed a nuisance which may be abated by the Association.

ARTICLE V
MEMBERSHIP

5.1 Membership in the Association shall at all times consist exclusively of the Owners. Each Owner shall be a member of the Association so long as such Owner has an ownership interest

in a Unit and such membership shall automatically terminate when the Owner cease to have an ownership interest in the Unit. Upon the transfer of an ownership interest in a Unit the new Owner succeeding to such ownership interest shall likewise succeed to such membership in the Association. If titled ownership to a Unit is held by more than one Person, the membership appurtenant to that Unit shall be shared by all such Person in the same proportional interest and by the same type of tenancy in which title to the Unit is held. Notwithstanding the foregoing, the Declarant shall also be granted voting rights as a Class "B" Member, as defined below.

ARTICLE VI VOTING

6.1 The Association shall have two (2) classes of voting membership, Class "A" and Class "B", as follows:

(a) Class "A". Class "A" Members shall be all Owners with the exception of Class "B" membership, if any. Class "A" membership shall be entitled to one (1) equal vote for each Unit in which they are an Owner. Since an Owner may be more than one Person, if only one of such Person(s) is present at the meeting of the Association that Person shall be entitled to cast all votes appertaining to that Unit. But if more than one of such Person(s) is present, the votes appertaining to that Unit shall be cast only in accordance with the agreement of a majority of them, and such consent shall be conclusively presumed if any one of them purports to cast the votes appertaining to that Unit without protest being made forthwith by any of the others to the person presiding over the meeting. The votes appurtenant to any one Unit may not be divided between Owners of such Unit or with respect to matters before the Association, and all such votes appurtenant to any one Unit shall be voted in one block. If the vote of a majority of the owners of a Unit cannot be determined, no vote shall be cast in relation to such Unit.

(b) Class "B". The Class "B" Member shall be Declarant. In all matters requiring a vote, the Class "B" membership shall receive fifty (50) votes for each recorded Unit owned by Declarant. The Class "B" membership shall also be entitled to appoint the members of the Board and Association during the Class "B" Control Period.

ARTICLE VII CONTROL PERIOD

7.1 The Class "B" Control Period runs until ninety (90) days after the first to occur of the following:

-
- (a) When the total number of votes for the Class B Member is less than the total number of votes for the Class A Members; or
- (b) When, at its discretion, the Class B Member so determines.

7.2 Notwithstanding anything to the contrary in this Declaration, Declarant may exercise its discretionary termination of control in whole or in part as to any portion of the Subdivision at its sole election and determination. In doing so as to a portion of the Subdivision, it does not waive any reversionary or remaining control as to all other portions of the Subdivision, the control of which is not expressly terminated by Declarant.

ARTICLE VIII
HOMEOWNER ASSOCIATION

8.1 Organization. The Association has been created to effectively enforce the Governing Documents and shall operate as a non-profit corporation. The Association shall be comprised of the Owners within the Project, and is established for the benefit of the Owners and the enforcement of the Governing Documents. Membership in the Association is deemed an appurtenance to the Unit, and is transferable only in conjunction with the transfer of the title to the Unit. The Association shall serve as the organizational body for all Owners.

8.2 Enforcement Powers. The Association shall have all powers granted to it by the Governing Documents and the Act to enforce these covenants and restrictions by actions in law or equity brought in the name of the Association, and the power to retain professional services needed to the enforcement of the Governing Documents and to incur expenses for that purpose, including but not limited to: (1) record, lien, foreclose and other enforcement and collection actions against an Owner and their Unit; (2) initiate legal or similar proceedings; (3) impose fines; (4) collect any rents directly from tenant for past due assessments; (5) terminate an Owners' right to receive utility service paid as a common expense; (6) terminate an Owner's right to utilize Common Area and/or amenities; and (7) any other action or remedy allowed by the Governing Documents or Utah law.

(a) The Association shall have the exclusive right to initiate enforcement actions in the name of the Association. The Association may appear and represent the interest of the Project at all public meetings concerning zoning, variances, or other matters of general application and interest to the Owners.

(b) The Association shall have the authority to initiate and compromise claims and litigation on behalf of the Association resulting from the enforcement of the Governing Documents. In the event that the Association initiates legal action against a specific Owner or Owners to enforce these Governing Document, whether or not such action results in the commencement of a formal legal proceeding, the Association shall have the right to assess the costs of such litigation, dispute, or enforcement action, including reasonable attorney fees, ~~against the Owner(s) or Unit(s) in question and collect those assessment in any~~ manner authorized in the Governing Documents or Utah law.

(c) The Board shall be afforded discretion to utilize its reasonable judgment to determine whether and how to: impose fines, record liens, pursue legal action; otherwise enforce the Governing Documents; or when and how to settle or compromise claims.

8.3 Assessments. Assessments will be made to meet the anticipated and recurring costs, expenses and Common Expenses of the Association. The Association has the power to levy assessments against each Unit as necessary to carry out its functions. Assessments shall be levied against all Units in the Property, whether vacant or improved. Each Owner shall by acquiring or in any way becoming vested with his/her interest in a Unit, be deemed to covenant and agree to pay to the Association the assessments described in these covenants, together with late payment fees, interest and costs of collection (including reasonable attorney fees), if and when applicable.

(a) All such amounts shall be, constitute and remain: (a) a charge and continuing lien upon the Unit with respect to which such assessment is made until fully paid; and (b) the personal, joint and several obligations of the Owner or Owners of such Unit at the time the assessment falls due. No Owner may exempt himself or his Unit from liability for payment of assessments by waiver of his rights in the Common Areas or by abandonment of his Unit. In a voluntary conveyance of a Unit, the grantee shall be jointly and severally liable with the grantor for all unpaid assessments, late payment fees, interest and costs of collection (including reasonable attorney fees) which shall be a charge on the Unit at the time of the conveyance, without prejudice to the grantee's right to recover from the grantor the amounts paid by the grantee therefor.

(b) Special Assessment. The Association may levy special assessments for the purpose of defraying, in whole or in part: (a) any expense or expenses not reasonably capable of being fully paid with funds generated by monthly assessments; or (b) the cost of any construction, reconstruction, or unexpectedly required repairs or replacement of the Common Areas.

(c) Individual Assessment. The Association may levy individual assessments on every Unit, Owner or occupant that shall cause any damage to the Project or otherwise causes the Association to incur any individual expense for maintenance, repairs, or enforcement action taken under the provisions of the Governing Documents. The amount of any such individual assessments shall be determined by the cost of such repairs, maintenance or enforcement action, including all overhead and administrative costs (including reasonable attorney fees), and shall be allocated among the affected Owner(s) or Unit(s) according to the cause of damage, maintenance, repair work or enforcement action, as the case may be, which individual assessment may be levied in advance of the performance of work.

(d) Reserve Fund. The Association may levy a reserve fund assessment, as set forth in this article.

(e) The Association may levy other assessments or fees, as authorized by the Governing Documents.

8.4 Budget. The Board is authorized and required to adopt a budget annually, which shall be presented to the Owners at a meeting of members.

(a) The Board may revise the approved budget from time to time as necessary to accurately reflect actual and/or anticipated expenses that are materially greater than previously budget.

(b) The budget shall estimate and include the total amount for the Common Expenses, shall contain an appropriate amount for reserves, and may include an amount for other contingencies. The budget shall also be broken down into reasonably detailed expense and income categories.

(c) Unless otherwise established by the Board, regular Assessments shall be paid in equal monthly installments.

8.5 Reserve Fund Analysis. Following the Class B Period, the Board shall cause a reserve analysis to be conducted no less frequently than every six (6) years to analyze the cost of repairing, replacing or restoring Common Area that have a useful life of three years or more and a remaining useful life of less than 30 years. This reserve analysis should be reviewed no less frequently than every three (3) years and updated if necessary. The Board may conduct a reserve analysis itself or may engage a reliable person or organization, as determined by the Board, to conduct the reserve analysis.

8.6 Reserve Fund Account Creation. The Board shall create a reserve fund account that is separate and distinct from the Association's general account, which account shall be funded from the reserve fund assessments. The amount of the reserve fund assessment shall be a separate line item in the approved budget. The Board shall cause an assessment to be made against all Owners in an amount sufficient, within the Board's discretion, to fund the reserve account.

8.7 Reinvestment Fee. The Board shall have power to levy a one-time reinvestment fee when a change in ownership of a Unit occurs in the amount of one half of one percent (1/2%) of the sales price, unless a lesser amount is determined by the Board. The Declarant shall not be subject to the Reinvestment Fee.

8.8 Date of Commencement of Assessments. Assessments provided for herein shall commence as to each Unit on the first day of the first month following the effective date of the first budget. Assessments shall be due and payable in a manner and on a schedule, as the Board may provide. Notwithstanding, Assessments for those Units owned by Declarant or their assigns, successors, subsidiaries, related construction entities, or other entities established by Declarant, or Declarant' members, for the purpose of constructing Dwellings on the Unit (collectively

“Declarant’ Related Entities”) shall not commence until the completed Dwelling is conveyed to an Owner that is not the Declarant or a Declarant’ Related Entity. (d) The failure to take enforcement action shall not be construed as a waiver of the contents contained in this Declaration in the future or against other similar violations.

20.2 Association Litigation.

(a) In recognition of the expenses and disruption associated with litigation, the Association shall not commence a judicial or administrative proceeding without the approval of the Declarant for so long as the Declarant governs the Association and thereafter only upon the approval of Owners representing at least 80% of the total vote of the Association.

~~(b) Neither the Association nor any Owner shall institute an action against any person which arises out of an alleged defect in the development of the Subdivision until:~~
(i) Declarant and the person(s) who physically constructed the portion of the subdivision in which the alleged defect exists have been notified and given a reasonable time and opportunity in which to inspect, assess, correct, or redesign any alleged defect or other portions of the Subdivision (provided, however, that the terms of this Section shall not

create an obligation of any person to effect a repair of an alleged defect); (ii) the Association or Owner(s) have pursued their remedies under any express warranty covering all or any portion of the alleged defect; (iii) the Declarant and the affected contractor(s) have been given the opportunity to be heard at a meeting of the Association regarding the alleged defect; and (iv) all proposed parties to the action have been given a reasonable opportunity to mediate any dispute or disagreement relating to the alleged defect, and have either participated or refused to participate in such mediation.

(c) Notwithstanding any other provision to the contrary in this Declaration, the Association shall not file, commence or maintain any lawsuits, actions or legal proceedings against Declarant, the individual managers, owners, members or officers of Declarant, Declarant' contractors, Declarant Related Entities or any other person or entity involved in the construction of the Dwellings unless and until all of the following requirements have been satisfied:

(i) The Association has obtained a legal opinion from an attorney licensed to practice law in Utah having at least ten (10) years of experience in litigation practice, with the legal opinion providing in substance the following: (i) a description of the factual allegations and legal claims to be asserted in the action; (ii) an analysis of the facts and legal claims explaining why it would be in the best interests of the Association to file and pursue such action, taking into account the anticipated costs and expenses of litigation, the likelihood of success on the merits of the claims, and the likelihood of recovery if a favorable judgment is obtained by the Association; and (iii) providing a budget of the estimated amounts of legal fees, costs, expert witness fees and other expenses likely to be incurred in connection with such action (the "Litigation Budget"); and

(ii) The Association has collected funds from the Owners, by special assessment or otherwise, equal to at least one-half (1/2) of the Litigation Budget.

(d) If any claims or actions falling within the scope of this Section are filed without satisfying all of the requirements set forth above, such claims/action shall be dismissed without prejudice and shall not be re-filed unless and until all such requirements have been satisfied. In any action to enforce the requirements of this Section, the prevailing party shall be entitled to an award of reasonable attorney fees and costs. Individual Owners, however, shall not be allowed to file or pursue any actions or claims belonging to other Owners or to the Association.

(e) No action affected by this Section shall be conducted utilizing legal counsel who are compensated on a contingency fee or similar means of compensation in which

litigation costs and attorney's fees are not paid on a current basis or are paid out of the settlement or judgment amount recovered by the Association in such action.

(f) This Section shall not apply to: (i) actions brought by the Association to enforce the Governing Documents (including, without limitation, the foreclosure of liens); (ii) the collection of assessments; (iii) proceedings involving challenges to ad valorem taxation; (iv) counterclaims brought by the Association in proceedings instituted against it; or, (v) actions brought by the Association against any contractor, vendor, or supplier of goods or services arising out of an express contract with the Association or its manager for services or supplies. This Section shall not be amended unless such amendment is approved by the percentage of votes, and pursuant to the same procedures, necessary to institute proceedings as provided above.

In the event any Owner shall commence or threaten to commence legal action against Declarant or Declarant' Related Entities in connection with any alleged construction defects in such Owner's Dwelling or Unit, Declarant shall have the option, but not the obligation, to purchase such Dwelling on the following terms and conditions:

(a) The purchase price shall be an amount equal to the sum of the following, less any sums paid to such Owner under any homeowner's warranty, in connection with the alleged defect:

(i) The purchase price paid by the original Owner of the Dwelling & Unit when originally purchased from Declarant;

(ii) The agreed upon value of any improvements made to the Dwelling by anyone other than Declarant; and

(c) Title shall be conveyed to Declarant free and clear of all monetary liens and other encumbrances other than non-delinquent real estate taxes.

(d) Exercise of the repurchase option as provided for herein above shall constitute full and final satisfaction of all claims relating to the subject Dwelling and Unit. The Owner shall promptly execute and deliver any notice of dismissal or other document necessary or appropriate to evidence such satisfaction.

By acceptance of a deed, lease, or other conveyance of an interest in Dwelling, each Owner or occupant consents to the rights reserved to the Association in this Declaration, including but not limited to, the right to prepare, execute, file, process, and record necessary and appropriated documents and other items to establish and grant easements and to make necessary and appropriate amendments of this Declaration, the Plat and Bylaws. 20.7 No Representations and Warranties. Each Owner and occupant understands, agrees, and acknowledges through taking title or residing in the Project that the Declarant, Association and the Board have not made any representations or warranties of any kind related to the Project and that each Owner or occupant has not relied upon any reorientations or warranties, expressed or implied, including any warranty of merchantability or fitness for any particular purpose relative to the Project.
