ABSTRACT OF DECISION

I, Kathryn H. Sahm, being first duly sworn, depose and say that I am the secretary of the Salt Lake County Board of Adjustment, and that on the 9th day of June, 1977, Application #1967-B, submitted by Elliott Family Limited Partnership, was heard by the Board. Elliott Family Limited Partnership requested a variance to reduce the number of required parking spaces within an existing dwelling group from 26 stalls to 24 stalls. By motion seconded and carried, the Board of Adjustment approved this application to reduce the number of required parking spaces within an existing dwelling group with the stipulation that there will be two (2) parking spaces for each of eleven units and one parking space for each of the remaining two units.
