3.3. Multiple Ownership Interests. In the event there is more than one Owner of a particular Homestead, the vote relating to such Homestead shall be exercised as such Owners may determine among themselves. A vote cast at any Association meeting by

any of such Owners, whether in person or by proxy, shall be conclusively presumed to be the vote attributable to the Homestead concerned unless an objection is immediately made by another Owner of the same Homestead. In the event such an objection is made, the vote involved shall not be counted for any purpose whatsoever other than to determine whether a quorum exists.

3.4. Record of Ownership. Every Owner shall promptly cause to be duly filed of record the conveyance document (or in the case of contract buyer, a copy of the sales contract) to him of his Homestead. Each Owner shall file a copy of such conveyance document (or contract) with the secretary of the Association who shall maintain a record of ownership of the Homesteads. Any Owner who mortgages his Homestead or any interest therein by a mortgage which has priority over the lien of any assessment provided herein shall notify the secretary of the Association of the name and address of the Mortgagee and also of the release of such Mortgage; and the secretary of the Association shall maintain all such information in the records of ownership. Any cost incurred by the Association in obtaining the information about an Owner as specified herein which is not furnished by such Owner shall nevertheless be at the expense of such Owner and shall be reimbursed to the Association as a "Reimbursement Assessment" in accordance with the provisions of Section 5.4.

4. PROPERTY RIGHTS IN COMMON AREAS

4.1. Easement of Enjoyment. Each Member shall have a right and non-exclusive easement of use and enjoyment in and to the Common Areas. Such right and easement shall be appurtenant to and shall pass with title to each Homestead and in no event shall be separated therefrom. Any Member may delegate the right and easement of use and enjoyment described herein to any family member, tenant, invitee, lessee or contract purchaser who resides on such Member's Homestead.

4.2. Form for Conveyancing. Any deed, lease, mortgage, deed of trust, or other instrument conveying or encumbering title to a Homestead shall describe the interest or estate involved substantially as follows:

(For Phase 1)

TOGETHER WITH a right and easement of use and enjoyment in and to the Common Areas described and provided for in said Declaration of Covenants, Conditions and Restrictions and in the Record of Survey Map in the official record of the Wasatch County Recorder.

(For Phase 2)

TOGETHER WITH a right and easement of use and enjoyment in and to the Common Areas described and provided for in said Declaration of Covenants, Conditions and Restrictions and in the Record of Survey Map in the official record of the Wasatch County Recorder.

Whether or not the description employed in any such instrument is in the above-specified form, however, all provisions of this Declaration shall be binding upon and shall inure to the benefit of any party who acquires any interest in a Homestead.

4.3. Transfer of Title. Declarant agrees to convey to the Association title to the easement comprising the Common Area.

5. ASSESSMENTS

5.1. Personal Obligation and Lien. Each Owner shall, by acquiring or in any way becoming vested with his interest in a Homestead, be deemed to covenant and agree to pay to the Association the special assessments described in this Article, together with the hereinafter provided for interest and costs of collection. All such amounts shall be, constitute, and remain: (a) a charge and continuing lien upon the Homestead with respect to which such assessment is made; and (b) the personal obligation of the person who is the Owner of such Homestead at the time the assessment falls due. No Owner may exempt himself or his Homestead from liability for payment of assessments by waiver of his rights concerning the Common Areas or by abandonment of his Homestead. In a voluntary conveyance of a Homestead, the grantee shall be jointly and severally liable with the grantor for all such unpaid assessments, late payment fees, interest and costs of collection, including reasonable attorneys' fees, which shall be a charge on the Homestead at the time of the conveyance, without prejudice to the grantee's right to recover from the grantor the amounts paid by the grantee therefor.

5.2. Purpose of Assessments. Assessments levied by the Association shall be used exclusively for the purpose of promoting the health, safety, and welfare of residents of the Property, including but not limited to the appearance and aesthetics of the Development. The use made by the Association of funds obtained from assessments may include any expenses necessary or desirable to enable the Association to perform or fulfill its obligations, functions or purposes under this Declaration or its Articles of Incorporation.

5.3. Special Assessments. The Association may levy special assessments for fulfilling the purposes identified in Section 5.2. Any such special assessments must be assented to by not less than a majority of the Members other than the Declarant (or if the two class voting structure is still in effect as provided herein, a majority of the votes of each Class of Members), present in person or represented by proxy who are entitled to

cast votes at a meeting duly called for the purpose. Written notice setting forth the purpose of the meeting shall be sent to all Members at least ten (10) but not more than thirty (30) days prior to the meeting date.

5.4. Reimbursement Assessment on a Specific Homestead. In addition to any special assessment authorized pursuant to Section 5.3 above, the Board may levy at any time Special Assessments: (a) on each Homestead the Owner or occupant of which shall cause any damage to the Common Areas necessitating repairs ; (b) on each Homestead as to which the Association shall incur any expense for maintenance or repair work performed, or enforcement action taken, pursuant to Section 6.1(c), Section 6.2(a) or other provisions of this Declaration; and (c) on each Homestead, the Owner or occupant of which shall violate the Declaration and/or the rules and regulations of the Association, with the first violation resulting in a Special Assessment of not less than \$100 (and in such greater amount as specified in rules and regulations as adopted and amended from time to time by the Association), and any subsequent violation resulting in an assessment.

5.5. Uniform Rate of Assessment. Except as provided in Section 5.4 above, special assessments shall be fixed at a uniform rate for all Homesteads. Declarant, for each unsold Homestead owned by it in the development, shall pay the assessments as herein provided for each unsold Homestead; provided that until such date as Declarant closes and conveys a Homestead to an Owner (other than Declarant), the assessment attributable to such Homestead shall be one-half (1/2) the regular assessment.

5.6. Assessment Due Dates. The assessments provided for herein shall be due on the tenth (10th) day after mailing of invoices by the Association to the Owner of each Homestead. Assessments not paid within ten (10) days of the due date thereof shall be deemed late and subject to a late fee of the greater of five percent (5%) of the total assessment due or Twenty-Five Dollars (\$25.00).

5.7. Certificate Regarding Payment. Upon the request of any Owner or a prospective purchaser or encumbrancer of a Homestead, the Association shall issue a certificate stating whether or not all assessments respecting such Homestead are current and, if not, the amount of the delinquency. Such certificate shall be conclusive in favor of all persons who in good faith rely thereon.

5.8. Effect of Non-Payment; Remedies. Any assessment not paid when due shall, together with the hereinafter provided for interest and costs of collection be, constitute, and remain a continuing lien on the affected Homestead; provided, however, that any such lien will be subordinate to the lien or equivalent security interest of any first mortgage on the Homestead recorded prior to the date any such assessments became due. If the assessment is not paid within thirty (30) days after the date on which it becomes delinquent, the amount thereof shall bear interest from the date of delinquency at the rate of eighteen percent (18%) per annum and the Association may bring an action either against the Owner who is personally liable or to foreclose the lien against the Homestead. **Any judgment obtained by the Association shall include reasonable attorneys' fees, court costs, and each and every expense incurred by the Association in enforcing its rights. In**

addition, voting rights associated with the affected Homestead shall be suspended until the assessment, interests and costs due hereunder shall be paid in full.

5.9. Tax Collection. It is recognized that under the Declaration, the Association will own rights to Common Areas. Should the Association become obligated to pay property taxes, it is recognized that each Owner of a Homestead as a Member of the Association will be required to reimburse the Association for his pro rata share of such taxes paid.

6. DUTIES AND POWERS OF THE ASSOCIATION

6.1. Duties of the Association. Without limiting any other duties which may be imposed upon the Association by its Articles of Incorporation or this Declaration, the Association shall have the obligation and duty to do and perform each and every one of the following for the benefit of the Owners:

(a) The Association shall accept all Owners as members of the Association.

(b) The Association shall accept title to all Common Areas conveyed to it by Declarant.

(c) The Association shall ensure the maintenance, repair, and replacement all landscaping and improvements in the Common Areas to be made by the Owner of the Homestead on which the Common Area easement is situated, including but not limited to the maintenance of all exterior trees, shrubs, grass, and other Common Area improvements. The Association shall have no obligation to perform any exterior maintenance and/or repair of any part of a Living Unit or any other landscaping installed by an Owner without the Association's express agreement to maintain such landscaping.

As provided in Section 7.9, each Owner shall have the obligation to provide exterior maintenance of his Living Unit including but not limited to painting, repair, replacement and care of roofs, gutters, downspouts, exterior building surfaces, and landscaping installed by an Owner or his predecessor in title. Each Owner shall paint, repair, and otherwise maintain the exterior and interior of his Living Unit and shall maintain all mechanical devices, including but not limited to, appurtenant electrical, plumbing and heating, ventilating and air conditioning systems. The maintenance of all Living Units and accessory buildings shall be in accordance with the Design Guidelines.

In the event that the need for maintenance or repair of Common Areas as specified herein is caused through the willful or negligent acts of an Owner, or through the willful or negligent acts of the family, guests or invitees of an Owner, the Board may cause such repairs to be made by the Association and the cost of such maintenance or repair (and administrative expenses equal to ten (10%) percent of such costs) shall be added to and become part of the Reimbursement Assessment (as set forth in Section 5.4) to which such Homestead is subject.

(d) To the extent not assessed to or paid by the Owners directly, the Association shall pay all real property taxes and assessments levied upon any portion of the Common Areas, provided that the Association shall have the right to contest or compromise any such taxes or assessments.

6.2. Powers and Authority of the Association. The Association shall have all the powers set forth in its Articles of Incorporation and its Bylaws, together with its general powers as a nonprofit corporation, and the power to do any and all things which may be authorized, required or permitted to be done by the Association under and by virtue of this Declaration, including the power to levy and collect assessments as hereinafter provided and suspend Class A voting rights. Without in any way limiting the generality of the foregoing, the Association shall have the following powers:

(a) The Association shall have the power and authority at any time and from time to time and without liability to any Owner for trespass, damage or otherwise, to enter upon any Homestead for the purpose of maintaining and repairing such Homestead or any improvement thereon if for any reason the Owner fails to maintain and repair such Homestead or improvement, or for the purpose of removing any improvement constructed, reconstructed, refinished, altered or maintained upon such Homestead in violation of Article VII of this Declaration. The Association shall have the right to permit access to the Subdivision through any and all entrances, subject to governmental requirements, if any. The Association shall also have the power and authority from time to time in its own name, on its own behalf, or in the name and behalf of any Owner or Owners who consent thereto, to commence and maintain actions and suits to restrain and enjoin any breach or threatened breach of this Declaration or any rules and regulations promulgated by the Board, or to enforce by mandatory injunction or otherwise all of the provisions of this Declaration and such rules and regulations.

(b) In fulfilling any of its duties under this Declaration, provided that any contract for goods or services having a term of more than one (1) year shall state that it may be terminated by either party at the end of the first year or at any time thereafter upon no less than ninety (90) days written notice, the Association shall have the power and authority (i) to pay and discharge any and all liens placed upon any Common Areas on account of any work done or performed by the Association in the fulfillment of any of its obligations and duties and (ii) to obtain, contract and pay for, or to otherwise provide for:

i. Construction, maintenance, repair and landscaping of the Common Areas and exterior repairs of Living Units upon Homesteads to the extent necessitated by the failure of Owners of such Homesteads on such terms and conditions as the Board shall deem appropriate.

ii. Such insurance policies or bonds as the Board may deem **appropriate for the protection or benefit of Declarant, the Association, the members of the Board and the Owners;**

iii. Such services as the Board may from time to time deem desirable; and

iv. Such materials, supplies, furniture, equipment, services and labor as the Board may deem necessary.

(c) The Board may delegate by resolution or contract to a Managing Agent any of its powers under this Declaration; provided, however, that the Board cannot delegate to such Managing Agent the power to execute any contract binding on the Association for a sum in excess of Five Thousand Dollars (\$5,000.00), nor the power to sell, convey, mortgage, or encumber any Common Areas.

(d) The Board may suspend Class A voting rights of any Owner who is in violation of the terms and conditions of this Declaration until all violations are remedied. The Board may not suspend the voting rights of the Declarant.

6.3. Association Rules. The Board from time to time and subject to the provisions of this Declaration, may adopt, amend, repeal and enforce rules and regulations governing, among other things: (a) the use of the Common Areas; (b) the collection and disposal of refuse; (c) the maintenance of animals on the Property, provided, however, the provisions of Section 7.6 shall not be subject to amendment except as provided in Section 9.3, but only with the affirmative vote of eighty-five percent (85%) of all Class A membership votes; (d) the use of Living Units for business or rental purposes; and (e) other matters concerning the use and enjoyment of the Property and the conduct of residents. The Board may also adopt additional Architectural Guidelines, in addition to those adopted by the Declarant, for the construction of Living Units; provided, however, that until the earlier of the expiration of twenty (20) years from the date on which this Declaration is filed for record in the office of the County Recorder of Wasatch County, or all Units to be located upon the Property and the Additional Property have been sold to third parties, Declarant shall have the unilateral right to amend or modify the Design Guidelines or to reject any additional Architectural Guidelines proposed by the Board. 6.4. Limitation of Liability. No member of the Board acting in good faith shall be personally liable to any Owner, guest, lessee or any other person for any error or omission of the Association, its representatives and employees, the Board, any committee or the Managing Agent.

6.5. Quorum Requirements. The quorum required for any action by the Members hereunder, unless otherwise specifically set forth in this Declaration, shall be as follows: At the first meeting called, the presence of Members or of proxies entitled to cast sixty percent (60%) of all outstanding votes shall constitute a quorum. If a quorum is not present, another meeting may be called (subject to the notice requirement set forth in Section 9.2 and 9.3), at which a quorum shall be one-half (1/2) of the quorum which was required at the immediately preceding meeting. No such subsequent meeting shall be held more than forty-five (45) days following the immediately preceding meeting.

7. USE RESTRICTIONS

Each Living Unit shall be used only as a single-family residence. No Homestead or Living Unit shall be used, occupied, or altered in violation of law, so as to jeopardize the support of any other Living Unit or so as to create a nuisance or interfere with the rights of any Owner.

7.3. Preferred Builder Requirement. All Living Units shall be constructed by a Preferred Builder. This restriction is in place to ensure quality of work, consistency of finished look and timeliness of completion. The addition to, modification of, or removal of trees and other approved vegetation (excluding removal of the same because of death which is thereafter immediately replaced by the same approved vegetation) without the prior approval of the Architectural Committee shall be deemed a violation of the requirements of Owner to maintain the same and the Architectural Committee shall have the right to require Owner to restore such area to its prior approved condition at the sole cost of Owner. In the event Owner fails to restore such area as required herein, the Association shall have the right to restore the same and the cost of such restoration together with administrative expenses equal to ten percent (10%) of such costs, shall be added to and become part of the Reimbursement Assessment (as set forth in Section 5.4) to which such Homestead is subject. The prevailing party in an action for the enforcement of any provisions of this Declaration shall be entitled to collect court costs and reasonable attorney's fees. In addition to the foregoing, the Association is granted the specific authority to assess a Reimbursement Assessment in accordance with the provisions of Section 5.4 for a violation of the Use Restrictions contained in this Article VII or any other provision of the Declaration.

7.18. Exception for Declarant. Notwithstanding the restrictions contained in this Article VII, for the twenty (20) years following the date on which this Declaration is filed for record in the office of the County Recorder of Wasatch County, Utah, Declarant shall have the right to use any Homestead or Living Unit owned by it, and any part of the Common Areas reasonably necessary or appropriate, in any way in furtherance of any construction, marketing, sales, management, promotional, or other activities designed to accomplish or facilitate improvement of the Common Areas or improvement and/or sale of all Homesteads owned by the Declarant.

8. ARCHITECTURAL CONTROL

8.1. Architectural Committee. In accordance with the procedures set forth in Article 5 of the Design Guidelines, until such time as the Class B voting rights terminate, the Declarant shall appoint, and thereafter the Board of Trustees of the Association shall appoint, a three (3) member Committee, to be known as the Architectural Committee, the function of which shall be to insure that all improvements and landscaping within the property harmonize with the Design Guidelines and the existing surroundings and structures. The Committee need not be composed of Owners. If such a Committee is not appointed, the Board itself shall perform the duties required of the Committee.

8.2. Submission to Committee. No Living Unit, accessory building or structure or addition to a Living Unit, and no landscape installations, additions and/or changes shall be constructed or maintained, and no alteration, repainting (excluding repainting of the same color as originally painted), or refurbishing of the exterior of any Living Unit, nor of any court enclosure, except as herein otherwise mentioned, shall be performed, unless complete plans and specifications therefor have first been submitted to and approved by the Committee. All such plans and specifications shall be consistent with Design Guidelines which shall be from time to time adopted. All such plans and specifications shall be submitted to the Architectural Committee in accordance with its time frames, conditions and procedures set forth in this document and Article 2 of the Design Guidelines.

8.3. Standard. In deciding whether to approve or disapprove plans and specifications submitted to it, the Committee shall use its best judgment to insure that all improvements, construction, landscaping and alterations on Homesteads within the Property conform to the Design Guidelines and harmonize with existing surroundings and structures and that such proposed improvements enhance the value and aesthetics of the Project.

8.4. Approval Procedure. Any plans and specifications submitted to the Committee shall be submitted, after a pre-application conference with a member of the Committee, on a form provided by the Committee and in duplicate. A preliminary review of design drawings will be required with a final review to be made of working drawings. Upon completion of each review, one set of plans will be retained by the Association and the remaining set of plans will be returned to the property owner.

Architectural review fees (made payable to the Association) as specified in the Design Guidelines, are required with the submittal of plans and specifications.

After receiving a submission of any plans and specifications, the Committee shall approve or disapprove in writing within fifteen (15) business days after submission (the "Actual Submission Date"). In the event the Committee fails to take any action within such period it shall be deemed to have approved the material submitted.

8.5. Completion Deposit. As a condition for Final Design Review approval, the Architectural Committee will require an Owner to pay to the Association a Completion Deposit equal to Five Thousand Dollars (\$5,000) or ten percent (10%) of the estimated cost of the submitted improvements, whichever is less. This amount may be adjusted by

the Architectural Committee as directed by the Board of Trustees. No person shall commence any work or improvement until this Completion Deposit requirement has been complied with to the satisfaction of the Architectural Committee and as contained in the Design Guidelines.

The Completion Deposit is intended to assure Owner's compliance with the requirements for construction of an approved building(s) and the proper clean-up of dirt and debris and the repair of any damage to the landscaping, streets or other property within the Subdivision, caused by Owner or his agents in the construction of improvements.

8.6. Address for Submittal. ii. The front, side and rear yards of each Homestead shall be landscaped within a period of nine (9) months following completion or occupancy of the Living Unit.

(b) Owners and builders shall comply with all construction and builder regulations contained within the Design Guidelines, including but not limited to the clean up of all trash and debris on the construction site at the end of each day. Trash and debris shall be removed from each construction site at least once per week to a dumping location off-site of the development. Lightweight material, packaging and other items shall be covered or weighted down to prevent wind from blowing such materials off the construction site. Owners and builders are prohibited from dumping, burying or burning trash anywhere on a Homestead. During the construction period, each construction site

shall be kept neat and trash and debris shall be promptly removed from public or private roads, open spaces and driveways.

Owners and builders shall also observe to keep the roadways clean and free from dirt and mud that is tracked in or brought off the Homestead during the construction process. A "clean wheel" standard shall be the policy for all construction vehicles. Any Owner who violates this Section shall be subject to such penalties or fines as the Board by resolution or as regulation may provide.

Each property owner and builder shall be responsible for providing adequate sanitary facilities for his construction personnel. Portable toilets or similar temporary toilet facilities shall be located only on the site itself or in areas approved by the Architectural Committee.

Construction crews shall not park on, or otherwise use other Homesteads or any open space. All construction vehicles and machinery shall be parked only in areas designated by the Architectural Committee.

8.9. Exception for Declarant. The foregoing provisions of this Article VIII shall not apply to any improvement, construction, landscaping, or alteration which is carried out by Declarant on any Homestead or on any part of the Common Areas and which occurs at any time during the twenty (20) year period following the date on which this Declaration is filed for record in the office of the County Recorder of Wasatch County, Utah.

8.10. Declarant's Obligation. Declarant hereby covenants in favor of each Owner that all Living Units erected by it and all improvements of the Common Areas accomplished by it in the Development shall be architecturally compatible with respect to one another.

9. MISCELLANEOUS

9.1. Governing Documents. The Parties shall take all actions and pay all costs necessary to perform all of their respective obligations under the Governing Documents except to the extent modified under this Declaration. Declarant shall not pass Declarant's obligations under the Governing Documents on to the Association, the Owners or any other person or entity without the prior written consent of the Board; provided, however nothing herein shall eliminate the Association or the Owners from their obligation to pay for services which may be provided under such Governing Documents.

9.2. Notices. Any notice required or permitted to be given to any Owner or Member under the provisions of this Declaration shall be deemed to have been properly

furnished if mailed, postage prepaid, to the person who appears as a Member or Owner, at the latest address for such person appearing in the records of the Association at the time of mailing.

9.3. Amendment. Subject to the provisions of Section 6.3 of Article VI, any amendment hereto shall require (i) the affirmative vote of at least two-thirds (2/3) of all Members, as contained in Section 3.2, which Members present in person or represent by proxy are entitled to cast at a meeting duly called for such purpose; and so long as the Class B membership exists, (ii) the written consent of the Declarant. Written notice setting forth the purpose of the meeting and the substance of the amendment proposed shall be sent to all Members at least ten (10) but not more than thirty (30) days prior to the meeting date. The quorum required for any such meeting shall be as follows: At the first meeting called the presence of Members or of proxies entitled to cast sixty percent (60%) of all votes of the Members shall constitute a quorum. If the quorum is not present, another meeting may be called (subject to the notice requirement set forth in the foregoing portion of this Section), at which a quorum shall be one-half (1/2) of the quorum which was required at the immediately preceding meeting. No such subsequent meeting shall be held more than forty-five (45) days following the immediately preceding meeting. Any amendment authorized pursuant to this Section shall be accomplished through the recordation of an instrument executed by the President or Vice President of the Association, and by the Declarant if the Class B Membership then exists. In such instrument the President or Vice President of the Association shall certify that the vote required by this Section for amendment has occurred.

9.4. Consent in Lieu of Voting. In any case in which this Declaration requires for authorization or approval of a transaction the assent or affirmative vote of a stated percentage of the votes present or represented at a meeting, such requirement may be fully satisfied by obtaining, with or without a meeting, consents in writing to such transaction from Members entitled to cast at least the stated percentage of all membership votes outstanding in connection with the Class of membership considered. The following additional provisions shall govern any application of this Section 9.4:

(a) All necessary consents must be obtained prior to the expiration of ninety (90) days after the first consent is given by any Member.

(b) The total number of votes required for authorization or approval under this Section 9.4 shall be determined as of the date on which the last consent is signed.

(c) Except as provided in the following sentence, any change in ownership of a Homestead which occurs after consent has been obtained from the Owner thereof shall not be considered or taken into account for any purpose. A change in ownership which would otherwise result in an increase in the total number of Class A votes outstanding shall, however, be effective in that regard and shall entitle the new Owner to give or withhold his consent.

9.5. Lease Provision. Any Owner may lease his Homestead and such buildings as are situated thereon; provided, however, that any lease agreement between a Homestead Owner and a Lessee must be in writing, and must provide, inter alia, that:

(a) The terms of the lease shall in all respects be subject to the provisions of the Declaration, Articles of Incorporation of the Association and the By-Laws; and

(b) Any failure by the Lessee to comply with the terms of such documents shall constitute a default under the lease.

9.6. Declarant's Rights Assignable. All or any portion of the rights of Declarant under this Declaration or in any way relating to the property may be assigned.

9.7. Dissolution. The Association may be dissolved by the affirmative assent in writing of two-thirds (2/3) of the votes of each class membership. Upon dissolution of the Association, all of its assets (including the Common Areas) may be dedicated or transferred to an appropriate public agency or authority to be used for purposes similar to those provided for in the By-laws, the Articles of Incorporation or this Declaration. In the event such dedication or transfer is not made or is not accepted, the Association's assets shall be transferred to a non profit corporation, trust, or other entity to be used for such similar purposes, and each Owner shall continue to be obligated to make assessment payments for the maintenance and upkeep of the Common Areas on a pro rata basis which conforms substantially with the assessment procedure, terms and conditions set forth in Article V of this Declaration.

9.8. Declarant's Covenant to Construct Common Areas. Declarant hereby covenants to construct and complete all Common Areas improvements within two (2) years of the filing of this Declaration in the office of the County Recorder of Wasatch County, Utah.

9.9. Interpretation. The captions which precede the Articles and Sections of this Declaration are for convenience only and shall in no way affect the manner in which any provision hereof is construed. Whenever the context so requires, the singular shall include the plural, the plural shall include the singular, the whole shall include any party thereof, and any gender shall include the other gender. The invalidity or unenforceability of any portion of this Declaration shall not affect the validity or enforceability of the remainder hereof.

9.10. Reservation of Right to Buy. **NOTE: SELLER IS RESERVING THE RIGHT TO REPURCHASE THE PROPERTY IN THE EVENT THAT (i) CONSTRUCTION OF HOME DOES NOT COMMENCE BEFORE TWO (2) YEARS FROM THE DATE OF THE CLOSING OF THIS SALE; OR (ii) BUYER SEEKS TO SELL OR TRANSFER THE PROPERTY TO A THIRD PARTY PURCHASER WITHOUT A LIVING UNIT CONSTRUCTED ON THE LOT.** In the event that (i) construction of a Living Unit is not commenced within a period of two (2) years from the date of Closing; or (ii) the Buyer seeks to sell or transfer the Property

to a third party purchaser without a living unit constructed on the Property and before the Buyer may actually transfer or sell the Property, the Buyer shall give written notice to the Seller of the Buyer's intention to transfer or sell the Property. For 30 days following receipt of the notice, Seller shall have the right to repurchase the Property upon the same terms and conditions, including but not limited to purchase price, as such Property was originally sold by Seller to Buyer. In the event that Seller elects to repurchase the Property, Seller shall give written notice of its election to the Buyer and such repurchase shall be closed within sixty (60) days after the date of such notice at a location acceptable to Seller. At closing and as a condition thereto, Buyer shall reconvey the Property to Seller by warranty deed, subject only to those exceptions which encumbered the Property at the date of original sale. In the event that Buyer transfers or sells the Property without giving the Seller notice and an opportunity to purchase the Property pursuant to these terms, the Buyer shall immediately forfeit to Seller the difference between the Buyer's sales price to a third party and the original purchase price. The Seller's right to repurchase the Property shall automatically terminate upon the completion of construction upon such Property of a Living Unit approved by the Architectural Committee or twenty (20) years from the date of recording of the Declaration of Covenants, Conditions and Restrictions in the Wasatch County Recorder's Office, provided that Seller shall have the right to close the repurchase of any Property for which notice of repurchase has been given to the Owner prior to the expiration of twenty (20) years from recording.

9.11. Property Part of Development. The Property shall comprise the Cove Estates Subdivision.

9.12. Covenants to Run With Land. This Declaration and all provisions hereof shall constitute covenants to run with the land or equitable servitudes, as the case may be, and shall be binding upon and shall inure to the benefit of the Declarant, and all parties who hereafter acquire any interest in a Homestead or in the Common Areas. Owners shall be subject to the terms of this Declaration and the provisions of any rules, regulations, agreements, instruments, and determinations contemplated by this Declaration; and failure to comply with any of the foregoing shall be grounds for an action by the Association for the recovery of damages, or for injunctive relief, or both. By acquiring any interest in a Homestead or in the Common Areas, the party acquiring such interest consents to, and agrees to be bound by, each and every provision of this Declaration.

9.13. Effective Date. This Declaration and any amendment hereof shall take effect upon its being filed for record in the office of the County Recorder of Wasatch County, Utah.

EXECUTED the day and year first above written.
