

\$ 5.00 - - - - - Received of the AMERICAN TELEPHONE AND TELEGRAPH COMPANY OF WYOMING

FIVE AND 00/100 - - - - - Dollars, in consideration of which the undersigned hereby grant(s) and convey(s) unto said Company, its associated and allied companies, its and their respective successors, assigns, lessees and agents, a right of way and easement to construct, operate, maintain, replace and remove such communication systems as the grantees may from time to time require, consisting of underground cables, wires, conduits, drains and splicing boxes, and surface testing-terminals, repeaters, repeater housings and markers, manholes and other appurtenances, upon, over and under a strip of land twenty feet wide across the land which the undersigned own(s) or in which the undersigned have (has) any interest in

A portion of the Northwest Quarter of Section 4, Township 9 North, Range 2 West of the Salt Lake Base and Meridian, U.S. Survey, Box Elder County, Utah. Said portion being a strip of land 20 feet wide, the boundaries of which are 10 feet each side of a centerline more particularly described as follows:

Commencing at the northeast corner of said northwest quarter of said Section 4, thence South 0°24' West along the east line of said quarter section a distance of 1901.8 feet to the south boundary line of said Reeder property; thence North 89°25' West along said south boundary line a distance of 887.5 feet to the point of beginning; thence North 29°25' West a distance of 779.0 feet to a point on the west boundary line of said Reeder property, said point being 656.2 feet North 0°10' East of the southwest corner of said Reeder property. Total length of cable route is 779.0 feet.

To have and to hold said right of way and easement together with the following rights: Of ingress and egress over and across the lands of the undersigned to and from said strip for the purpose of exercising the rights herein granted; to place surface markers beyond said strip; to clear and keep cleared trees, roots, brush and other obstructions from the surface and sub-surface of said strip and during construction periods to clear and use additional areas as required on each side of said strip; and to install gates and stiles in any fences crossing said strip. The boundaries of said twenty feet wide strip shall be lines parallel to and ten feet on each side of the first cable laid, which cable shall have its location indicated upon surface markers set at intervals on the land of the undersigned, or on adjacent lands. The undersigned for them self(s) (ves), their heirs, executors, administrators, successors and assigns, hereby covenant (s) that no structure shall be erected or permitted on said strip. The grantees agree that the said cables shall be buried below plow depth in order not to interfere with the ordinary cultivation of the strip, and to pay for damage done to fences and growing crops damaged in the course of the construction and maintenance activities associated with the aforesaid systems.
