ARTICLE V

Operation of the Property

Section 1. Determination of Common Expenses and Common Charges. The management committee shall from time to time, and at least annually, prepare a budget for the condominium, determine the amount of the common charges required to meet the common expenses of the condominium and allocate and assess such common charges against the unit owners according to their respective common interests. The common expenses shall include, among other things, the cost of all insurance premiums on all policies of insurance required to be or which have been obtained by the management committee pursuant to the provisions of Section 2, of this Article V and the fees and disbursements of the management committee. The common expenses may also include such amounts as the management committee may deem proper for the operation and maintenance of the condominium property, including, without

limitation, an amount for working capital of the condominium, for a general operating reserve and shall include for a reserve fund for replacements, maintenance and repairs and to make up any deficit in the common expenses for any prior year. The management committee shall advise each unit owner in writing of the amount of common charges payable by him and shall furnish copies of each budget on which such common charges are based to all unit owners and to their mortgagees. In the event that such assessment shall result in any excess for any one year, the management committee may refund the excess to the unit owners or apply such excess to assessments for the succeeding year.

That portion of the common assessments payable by each unit owner in and for each year or for a portion of a year shall be a sum within the limits and on the conditions hereinabove provided bearing to the aggregate amount of such cash requirements for each year, or portion of a year, determined as aforesaid, to the same ratio as the unit owner owns an undivided interest in the common areas and facilities and such assessments together with any additional sums accruing under this Declaration, By-Laws or the Act shall be payable monthly in advance, or in such payments and installments as shall be required by the management committee, and at such times as shall be provided by the management committee, but in any event, the charges shall be payable in regular installments rather than by special assessment.

The management committee shall have absolute discretionary authority to prescribe the manner of maintaining and operating the project and to determine the cash requirements of the management committee to be paid as aforesaid by the owners under this Declaration. Any such determination by the management committee within the bounds of the Act, By-Laws or this Declaration shall be final and conclusive on the unit owners, and any expenditures made by the management committee within the bounds of the Act, By-Laws, or Declaration shall be deemed necessary and proper for such purpose as against the unit owners.

Section 2. Insurance. The management committee shall

BOOK 4904 PAGE 894

be required to obtain and maintain, the following insurance:

(a) Fire insurance with extended coverage, vandalism, and malicious mischief endorsements, insuring the entire condominium buildings (including all of the condominium units and the bathroom and kitchen fixtures initially installed therein by the Declarant, but not including furniture furnishing, or other personal property supplied or installed by unit owners), together with all air conditioning equipment and other service machinery contained therein; such insurance shall cover the condominium, the management committee, and all unit owners and their mortgagees, as their interests may appear, in an amount equal to the full replacement value of the buildings, without deduction for depreciation. Each policy shall contain a standard mortgagee clause in favor of each mortgagee of a condominium unit which shall provide that proceeds shall be payable to such mortgagee as its interest may appear, subject, however, to payment provisions in favor of the management committee for repair, replacement or reconstruction as provided for herein;

- (b) Workmen's compensation insurance;
- (c) Boiler and machinery insurance, where appropriate;
- (d) Plate glass insurance;
- (e) Water damage insurance;
- (f) Such insurance necessary to meet F.H.L.M.C. specifications;
- (g) Such other insurance as the management committee may determine.

All such policies shall comply with F.H.L.M.C. standards and shall provide that adjustment of loss shall be made by the management committee, and that the net proceeds thereof shall be payable to the management committee subject to the rights of the respective mortgagees to receive proceeds for any purpose other than repair, replacement, or reconstruction.

All policies of physical damage insurance shall contain waivers of subrogation and waivers of any defense based on coinsurance or of invalidity arising from any acts of the insured, and shall provide that such policies may not be cancelled or substantially modified without at least ten days prior written notice to all

of the insureds, including all mortgagees of condominium units. Duplicate originals of all policies of physical damage insurance and of all renewals thereof, together with proof of payment of premiums, shall be delivered to all mortgagees of condominium units at least ten days prior to expiration of the then current policies. Prior to obtaining any policy of fire insurance or any renewal thereof, the management committee shall obtain an appraisal from a fire insurance company or otherwise of the full replacement value of the building including all of the condominium units and all of the common elements therein, without deduction for depreciation, for the purpose of determining the amount of fire insurance to be effected pursuant to this section.

The management committee shall also be required to obtain and maintain, to the extent obtainable, public liability insurance in such limits as the management committee may from time to time determine, covering each member of the management committee, the managing agent, the manager, and each unit owner. Such public liability coverage shall also cover cross liability claims of one insured against another. The Board of Directors shall review such limits once each year.

Unit owners shall not be prohibited from carrying other insurance for their own benefit provided that all policies shall contain waivers of subrogation and further provided that the liability of the carriers issuing insurance obtained by the management committee shall not be affected or diminished by reason of any such additional insurance carried by any unit owner.

Section 3. Repair or Reconstruction After Damage. In the event of damage to or destruction of any building as a result of fire or other casualty (unless the last paragraph of this section applies), the management committee shall arrange for the prompt repair and reconstruction of the buildings (including any damaged condominium units, and any kitchen or bathroom fixtures initially installed therein by the Declarant, but not including any wall, ceiling or floor decorations or coverings or other furniture, furnishings, fixtures, or equipment installed by unit owners in the condominium units), and the

management committee shall disburse the proceeds of all insurance policies to the contractors engaged in such repair and restoration in appropriate progress payments. Any cost of such repair and restoration in excess of the insurance proceeds shall constitute a common expense and the management committee may assess all the unit owners for such deficit as part of the common charges.

The management committee will give any notice of loss required by F.H.L.M.C.

If 75% or more of the building is destroyed or substantially damaged and if 75% or more of the first mortgagees (each mortgagee having the same number of votes as the owners of the units for which it holds the mortgages) or owners (other than the sponsor, developer or builder) of the units have given their prior written approval, and only under such conditions, the condominium property shall be subject to an action for partition at the suit of any unit owner or lienor or mortgagor, as if owned in common, in which event the net proceeds of sale, together with the net proceeds of insurance policies (or if there shall have been a repair or restoration pursuant to the first paragraph of this Section 3, and the amount of insurance proceeds shall have exceeded the cost of such repair or restoration then the excess of such insurance proceeds) shall be divided by the management committee among all the unit owners in proportion to their respective common interests, after first paying out of the share of each unit owner the amount of any unpaid liens or mortgages on his condominium unit, in the order of the priority of such liens or mortgages.

Section 4. Payment of Common Charges. All unit owners shall be obligated to pay the common charges assessed by the management committee pursuant to the provisions of Section 1 of Article V at such times as the management committee shall determine.

No unit owner shall be liable for the payment of any part of the common charges assessed against his condominium unit subsequent to a sale, transfer, or other conveyance by him thereof (made in accordance with the provisions of Section 1 of Article VII of these By-Laws). A purchaser of a condominium

unit shall be jointly and severally liable for the payment of common charges assessed against such condominium unit subsequent to the acquisition by him of such condominium. A mortgagee or other purchaser of a condominium unit at a foreclosure sale of such condominium unit shall not be liable for, and such condominium unit shall not be subject to a lien for, the payment of common charges which accrue prior to the acquisition of title to such unit by the mortgagee.

Section 5. Collection of Assessments. The management committee shall assess common charges against the unit owners from time to time and at least annually and shall take prompt action to collect from a unit owner any common charge due which remains unpaid by him for more than 30 days from the due date for its payment.

Section 6. Default in Payment of Common Charges.

(a) If any unit owner shall fail or refuse to make any payment of the common expenses when due, the amount thereof shall constitute a lien on the interest of the owner of the property, and upon the recording of notice thereof by the management committee shall be a lien upon the unit owner's interest in the property prior to all other liens and encumbrances, recorded and unrecorded, except only:

- (1) tax and special assessment liens; and
- (2) prior recorded encumbrances which are superior as a matter of law.

(b) In the event of default by any unit owner in paying to the management committee the assessed common charges, such unit owner shall be obligated to pay interest at the legal rate on such common charges from the date due thereof, together with all expenses, including attorney's fees, incurred by the management committee in any proceeding brought to collect such unpaid common charges. The management committee shall have the right and duty to attempt to recover such common charges, together with interest thereon, and the expenses of the proceeding, including attorney's fees, in an action brought against such unit owner,

or by foreclosure of the lien on such condominium unit.

(c) Upon payment of a delinquent assessment the management committee shall cause a satisfaction of lien filed in cases where a notice of lien had been filed.

(d) If a unit owner shall at any time let or sublet the unit and shall be in default for a period of one month in the payment of any assessments, the management committee may, at its option, so long as such default shall continue, demand and receive from any tenant or subtenant of the owner occupying the unit the rent due or becoming due and payment of such rent to the management committee shall be payment and discharge of such tenant or subtenant and the owner of the unit to the extent of the amount so paid. No action on the part of the management committee under this section shall have the effect of relieving its unit owner of primary liability.

Section 7. Foreclosure of Liens for Unpaid Common Charges.

In any action brought by the management committee to foreclose a lien on a condominium unit because of unpaid common charges, the unit owner shall be required to pay a reasonable rental for the use of his condominium unit and the plaintiff in such foreclosure action shall be entitled to the appointment of a receiver to collect such rental. The management committee, acting on behalf of all unit owners, shall have power to purchase such condominium unit at the foreclosure sale and to acquire, hold, lease, mortgage, vote the votes appurtenant to, convey, or otherwise deal with the same. A suit to recover a money judgment for unpaid common charges shall be maintainable without foreclosing or waiving the lien securing the same.

Section 8. Statement of Common Charges. The management committee shall promptly provide any unit owner, who makes a request in writing with a written statement of his common charges.

Section 9. Abatement and Enjoining of Violations.

The violation of any rule or regulation adopted by the management committee, or the breach of any By-Law contained herein, or the breach of any provision of the declaration, shall give the management committee the right, in addition to any other rights

available at law or set forth in these By-Laws:

(a) to enter the condominium unit in which, or as to which, such violation or breach exists and to summarily abate and remove, at the expense of the defaulting unit owner, any structure, thing or condition that may exist therein contrary to the intent and the meaning of the provisions hereof, and the management committee shall not thereby be deemed guilty in any manner of trespass; or
