RECORDED FOR PROVO ABSTRACT COMPANY

WHEREAS, Spring Creek Development, Inc., a Utah corporation, "Declarant", is the record owner of the following described property located in Springville, County of Utah, State of Utah:

All of Lots 8-17, inclusive, Plat "B", EASTRIDGE ESTATES SUBDIVISION, Springville, Utah, according to the official plat thereof on file in the office of the Recorder of Utah County, Utah.

WHEREAS, it is the desire of the Declarant to subdivide into lots for the purpose of sale and to restrict the use of the above described real property, and for this purpose executes these covenants and building restrictions.

NOW THEREFORE, all of the land described above is held and shall be conveyed subject to the restrictions and covenants hereinafter set forth, and all persons and entities who hereafter own or have any interest in any lot in said subdivision shall take and hold the same subject to these restrictions and covenants with the other owners, their heirs, successors and assigns.

1). RESIDENTIAL AREA COVENANTS:

A. Dwelling Quality and Size

A1. All of the lots shown on the subdivision plat shall be used only for residential purposes. No dwelling shall be erected, altered, placed or permitted to remain on any lot other than one (1) single family dwelling, not to exceed three (3) stories in height in addition to a basement and private garage for not less than two (2) cars and not more than three (3) cars. Carports will not be allowed. Detached garages or "shops" will not be allowed.

A2. For a single story dwelling, the finished area above grade will not be less than one thousand six hundred (1,600) square feet exclusive of open porches and garages. All ramblers must have a minimum of a 9/12 pitch roof, or as approved by the architectural control committee.

A3. For a two (2) story dwelling, the finished area above grade will be not less than one thousand two hundred (1,200) square feet on the main level and eight hundred (800) square feet on the upper level exclusive of open porches and garages.

A4. All roofs must be of either Wood Shake, Bartile or 30 year Architectural Grade asphalt shingles or equivalent.

A5. The exterior of each structure must be at least 75% masonry or stucco construction or as approved by the Architectural Control Committee.

B. Uniform Mail Boxes and Lamp Posts. Upon each lot which a home is constructed the owner shall install, at their expense and within 30 days of completion said home, a mail box and a front yard lamp post, both of which must conform to Architectural Control Committee standards as to size, style and location. The front yard lamp must remain working at all times regardless of occupancy of the home.

C. Landscaping. All yards must be landscaped on front, rear and side yards within 24 months of completion of the home. Chain-link fencing will not be allowed.

D. Architectural Control. No buildings shall be erected, placed or altered on any lot until the construction plans and specifications and a plan showing the location of the proposed structure on the lot have been approved by the Architectural Control Committee as to quality of workmanship and materials, harmony of exterior design with existing structures, and as to location with respect to topography and finish grade elevation. No fence or wall shall be erected, placed or altered on any lot nearer to any street than the minimum setback line unless similarly approved. No residence dwelling shall contain less square footage than the minimums set forth in the Declaration, unless by reason of lot size, set-back lines, etc. the Architectural Control Committee shall approve a lesser amount.

2). ARCHITECTURAL CONTROL COMMITTEE:

A. Membership. The Architectural Control Committee shall be composed of Declarant and two other individuals of its choosing who may or may not be lot owners. A majority of the committee may designate a representative to act for it. In case of death or resignation of any member of the committee, the remaining members shall have full authority to designate a successor. Neither the members of the committee nor its designated representative shall be entitled to compensation for services performed pursuant to this Declaration. From and after October 5th, 1995, the then record owners of a majority of the lots with the subdivision shall the power, through a duly recorded written instrument, to change the membership of the committee and any of its powers and duties.

B. Procedure. All plans and specifications submitted to the committee must be submitted in duplicate and accompanied by a written request for approval. The committee's approval or disapproval shall be in writing and returned to the one making submission, together with a notation of approval or disapproval and the date thereof affixed to one copy of such plans and specifications. In the event the committee fails to approve or disapprove such plans and specifications within thirty (30) days after the same have been submitted to it, or in the event if no suit to enjoin the construction has been commenced before completion thereof, approval will not be required and the related covenants herein shall be deemed to have been fully complied with.

3). ENFORCEMENT. Enforcement of these covenants and restrictions shall be by proceedings at law or in equity to restrain violation or to recover damages against any person or persons violating or attempting to violate any of the covenants contained with this Declaration.

4). NUISANCES. No noxious or offensive activity shall carried on upon lot, nor shall anything be done thereon which may be or may become an annoyance or nuisance to the neighborhood. No animals, livestock or poultry of any kind shall be raised, bred or otherwise kept on any lot, with the exception of a reasonable number of household pets. No lot shall be used or maintained as a dumping ground for rubbish or debris. No structures of a temporary nature nor any trailer, basement, tent, shack, garage, barn or other out buildings shall be used on any lot at any time as a residence, either temporarily or permanently. Each lot owner shall be responsible for maintaining the sidewalk, curb and gutter in front each lot and will repair any damage thereto related to construction or otherwise.

5). TERM. These covenants to run with the land for a period of twenty five (25) years from the date of recording; provided, however that said restrictions and covenants shall be renewed and automatically continue thereafter for successive periods of ten (10) years each, unless an amendment to or revision of this instrument is executed as defined herein.
