AMENDED AND RESTATED
 DECLARATION OF
 COVENANTS, CONDITIONS AND RESTRICTIONS
 OF
 CANBERRA

THIS AMENDED AND RESTATED Declaration of Covenants and Restrictions for the Canberra Subdivision, is made and executed this 29th day of April, 1997, by the Canberra Development Company, L.C., a Utah limited liability corporation with its principal place of business located at 124 South 400 East, Suite 350, Salt Lake City, State of Utah, 84111 (hereinafter referred to as "Declarant").

RECITALS:

A. Declarant is the record owner of that certain tract of property more particularly described in Article II of this Declaration.

B. Declarant desires to provide for preservation of the values and amenities of the Property and for maintenance of the Common Areas. To this end, and for the benefit of the Property and of the Owners thereof, Declarant desires to subject the Property described in Article II of this Declaration and the various Lots now or hereafter contained within the entire tract hereinafter described to the covenants, restrictions, easements, charges, liens hereinafter set forth.

C. Declarant deems it desirable for the efficient preservation of the values and amenities of the Property, to create an entity which possesses the power to maintain and administer the Common Areas, to collect and disburse the assessments and charges hereinafter provided for, and otherwise to administer and enforce the provisions of this Declaration. For such purpose Declarant has, in conjunction with recordation of this Declaration, caused or will cause to be incorporated under the laws of the State of Utah, as a nonprofit corporation, THE CANBERRA HOMEOWNERS' ASSOCIATION.

NOW, THEREFORE, Declarant hereby covenants, agrees and declares that all of the Property described in Article II hereof shall be held, transferred, sold, conveyed, occupied and used subject to the covenants, restrictions, conditions, easements, charges, assessments, obligations, and lien hereinafter set forth.

I. DEFINITIONS

1.1. Additional Land shall, at any point in time, mean the real property, or any portion thereof, located in Utah County, State of Utah, and more particularly described on Exhibits A,B,C,D attached hereto.

1.2. Association shall mean and refer to the Canberra Homeowners' Association, a Utah nonprofit corporation.

1.3. Board shall mean and refer to the Board of Directors of the Association as duly elected in accordance with the terms and conditions of the Articles of Incorporation and Bylaws of the Association.

1.4. Common Areas shall mean and refer to that part of the Property which is not included with the Lots which is owned by the Association for the common use and enjoyment of the Owners, together with all improvements thereon and all easements appurtenant thereto including but not limited to storm water basins, private utility lines and personal property owned by the Association when the context so requires.

1.5. Declaration shall mean and refer to this Declaration of Covenants, Conditions and Restrictions, including any subsequent amendments hereto.

1.6. Development shall at any point in time mean, refer to, and consist of the Subdivision or planned unit development then in existence.

1.7. Homeowners' Association Easements shall mean those easements designated upon the Plat or provided in this Declaration and reserved for the benefit of the Association and its Members. All such easements shall be limited to the purposes specified for the same. Such easements shall include but are not limited to each Landscape Easement, Open Space Easement, Monument Easement, Pathway Easement and other easement described upon the Plat or provided herein.

1.8. Landscape Easement shall mean those areas designated on a Plat as a Common Landscape Easement in which the Association has retained an easement requiring the planting, maintenance and replacement of natural trees and shrubs and other landscaping requirements for the benefit of all Owners of Lots within the Subdivision. A Landscape Easement shall not be a Common Area when the same is located upon a Lot, but costs incurred by the Association in repairing and maintaining such areas for the benefit of Members shall be deemed Common Area costs to the extent not assessable to specific Owners. No structures shall be erected within a Landscape Easement.

1.9. Living Unit shall mean and refer to a structure which is designed and intended for use and occupancy as a single-family residence, together with all improvements located on or with respect to the Lot concerned which are used in connection with such residence.

1.14. Mortgagee shall mean any person named as a mortgagee of a mortgage or beneficiary under or holder of a deed of trust.

1.15. Owner shall mean and refer to the person who is the Owner of record (in the office of the County Recorder of Utah County, Utah) of a fee or an undivided interest in any Lot. Notwithstanding any

applicable theory relating to a mortgage, deed of trust or like instrument, the term "Owner" shall not mean or include a mortgagee or a beneficiary or trustee under a deed of trust unless and until such party has acquired title pursuant to foreclosure or any arrangement or proceeding in lieu thereof.

1.16. Parcel shall mean and refer to each portion of the Property which is separately subjected to the terms of this Declaration with the intention that it shall thereby comprise part of the Development and is filed for record in the office of the County Recorder of Utah County, Utah. The real property described in Article II of this Declaration constitutes a Parcel.

1.17. Pathway Easement shall mean those areas designated on a Plat as a Pathway Easement in which the Association has retained an easement for a walking, biking, equestrian and other recreation uses path which shall be regulated or limited primarily but not exclusively for the benefit of all Owners of Lots within the Subdivision. 1.18. Plat shall mean and refer to any subdivision plat, any plat of a planned unit development, or any plat or map similar to any of the foregoing: (a) which covers all or a portion of the Property; (b) which describes or creates one or more Lots; (c) on which or in an instrument recorded in conjunction therewith there is expressed the intent that the subdivision or planned unit development created by the Plat shall comprise the Development or that the real property described therein is all or a portion of the Additional Land and that such real property shall become part of the subdivision or planned unit development; and (d) which is filed for record in the office of the County Recorder of Utah County, Utah. Recorded concurrently with this Declaration is Canberra Plat 1, and executed and acknowledged by Declarant on November 19, 1992, and creating separately numbered Lots. Said plat constitutes a Plat.

1.20. Subdivision shall mean and refer to the entire residential development which is created and covered by a Plat.

II. PROPERTY DESCRIPTION

RESERVING UNTO DECLARANT, however, such easements and rights of ingress and egress over, across and through and under the above-described tract and any improvements now or hereafter constructed thereon as may be reasonably necessary for Declarant or any assignee of Declarant (in a manner which is reasonable and not inconsistent with the provisions of this Declaration): (i) to construct a Living Unit on each and every Lot; (ii) to improve the Common Areas with such facilities, including, but not limited to, roads, recreational facilities, walkways and various landscaped areas, designed for the use and enjoyment of all the Members as Declarant may reasonably determine to be appropriate; and (iii) to develop and improve, as Declarant or its assignee, may in its sole discretion determine to be appropriate, each and every portion of the Entire Tract, irrespective of whether or not the particular portion of such Entire Tract developed or improved is or is to be part of Canberra. With the exception of such perpetual easements, the reservation hereby effected shall, unless sooner terminated in accordance with its terms, expire seven (7) years after the date on which this Declaration is filed for record in the office of the County Recorder of Utah County, Utah.

ALL OF THE FOREGOING IS SUBJECT TO: All liens for current and future taxes, assessments and charges imposed or levied by governmental or quasi-governmental authorities; all patent reservations and exclusions; all mineral reservations and exclusions; all mineral reservations of record and rights incident thereto; all instruments of record which affect the above-described tract or any portion thereof, including without limitation, any mortgage or deed of trust; all visible easements and rights-of-way; and all easements and rights-of-way of record.

III. MEMBERSHIP AND VOTING RIGHTS

3.1. Membership. Every Owner shall be a Member of the Association. Membership in the Association shall be mandatory, shall be appurtenant to the Lot in which the Owner has the necessary interest, and shall not be separated from the Lot to which it appertains. The Declarant whether he owns a lot in the subdivision covered by this declaration shall be deemed to be an owner of 500 lots because of the expandable nature of this subdivision and because the Declarant owns an interest in the property described in paragraph 2.2.

3.2. Voting Rights. The Association shall have the following described two classes of voting membership:

Class A. Class A Members shall be all Owners, with the exception of the Declarant until the Class B membership ceases, at which time the Declarant shall become a Class A Member. Class A Members shall be entitled to one vote for each Lot in which the interest required for membership in the Association is held. In no event, however, shall more than one Class A vote exist with respect to any Lot.

Class B. The Class B Member shall be the Declarant. The Class B Member shall be entitled to 500 votes interest required for Membership in the Association. The Class B Membership shall automatically cease and be converted to a Class A membership on the first to occur of the following events:

(a) When the total number of votes held by all Class A Members equals the total number of votes held by the Class B Member; or

(b) The expiration of Twenty-Five (25) years after the date on which this

Declaration is filed for record in the office of the County Recorder of Utah County, Utah.

The Class B Membership shall be revived in the event that Additional Land is annexed as part of the Development and such annexation results in the addition of sufficient lots to give the Developer more votes, such Developer receiving three votes for each Lot, which is more than the Class A Members who are to receive one vote for each Lot.

3.3. Multiple Ownership Interests. In the event there is more than one Owner of a particular Lot, the vote relating to such Lot shall be exercised as such Owners may determine among themselves. A vote cast at any Association meeting by any of such Owners, whether in person or by proxy, shall be conclusively presumed to be the vote attributable to the Lot concerned unless an objection is immediately made by another Owner of the same Lot. In the event such an objection is made, the vote involved shall not be counted for any purpose whatsoever other than to determine whether a quorum exists.

3.4. Record of Ownership. Every Owner shall promptly cause to be duly filed of record the conveyance document (or in the case of contract buyer, a copy of the sales contract) to him of his Lot. Each Owner shall file a copy of such conveyance document (or contract) with the secretary of the Association with a transfer fee of \$25.00, who shall maintain a record of ownership of the Lots. Any Owner who mortgages his Lot or any interest therein by a mortgage which has priority over the lien of any assessment provided herein shall notify the secretary of the Association of the name and address of the Mortgagee and also of the release of such Mortgage; and the secretary of the Association shall maintain all such information in the records of ownership. Any cost incurred by the Association in obtaining the information about an Owner as specified herein which is not furnished by such Owner shall nevertheless be at the expense of such Owner and shall be reimbursed to the Association as a "Reimbursement Assessment" in accordance with the provisions of Section 5.5.

IV. PROPERTY RIGHTS IN COMMON AREAS

4.1. Easement of Enjoyment. Each Member shall have a right and easement of use and enjoyment in and to the Common Areas. Such right and easement shall be appurtenant to and shall pass with title to each Lot and in no event shall be separated therefrom. Any Member may delegate the right and easement of use and enjoyment described herein to any family member, tenant, lessee or contract purchaser who resides on such Member's Lot.

4.2. Form for Conveyancing. Any deed, lease, mortgage, deed of trust, or other instrument conveying or encumbering title to a Lot shall describe the interest or estate involved substantially as follows:

Lot No. _____, contained within the Canberra Plat as the same is identified in the Plat recorded in Book _____, at Page _____, and in the "Declaration of Covenants, Conditions and Restrictions of the Canberra, A Planned Unit Development" recorded in Book _____ at Page _____, of the official records of the Utah County Recorder. TOGETHER WITH a right and easement of use and enjoyment in and to the Common Areas and Easements described and provided for in said Declaration of Covenants, Conditions and Restrictions and in the Record of Survey Map in the official record of the Utah County Recorder.

Whether or not the description employed in any such instrument is in the above-specified form, however, all provisions of this Declaration shall be binding upon and shall inure to the benefit of any party who acquires any interest in a Lot.

4.3. Transfer of Title. Declarant agrees to convey to the Association title to the various Common Areas free and clear of all liens (other than the lien of current general taxes and the lien of any

assessments, charges, or taxes imposed by governmental or quasi-governmental authorities), as each such Common Area is substantially completed.

4.4. Limitation on Easement. A Member's right and easement of use and enjoyment concerning the Common Areas shall be subject to the following:

(a) The right of the Association to impose reasonable limitations on the number of guests per Member who at any given time are permitted to use the Common Areas;

(b) The right of the Architectural Control Committee to approve and designate the point of access from a Lot in accordance with the requirements of Article VIII;

(c) The right of any governmental or quasi-governmental body having jurisdiction over the Property to access and rights of ingress and egress over and across any street, parking area, walkway, or open area contained within the Property for purposes of providing police and fire protection, transporting school children, and providing any other governmental or municipal service; and

(d) The right of the Association to dedicate or transfer all or any part of the Common Areas, and any sewer, water and storm drain trunk lines and storm water basins, to any public agency or authority for such purposes and subject to such conditions as may be agreed to by the Association. Any such dedication or transfer must, however, be assented to by (i) the public agency or authority, Lindon City, (ii) all holders of first Mortgages secured by Lots and (iii) by two-thirds (2/3) of the vote of each class of membership which Members present in person or by proxy are entitled to cast at a meeting duly called for that purpose written or printed notice setting forth the purpose of the meeting and the action proposes shall be sent to all Members at least ten (10) but not more than thirty (30) days prior to the meeting date.

V. ASSESSMENTS

5.1. Personal Obligation and Lien. Each Owner shall, by acquiring or in any way becoming vested with his interest in a Lot, be deemed to covenant and agree to pay to the Association the monthly and special assessments described in this Article, together with the hereinafter provided for interest and costs of collection. All such amounts shall be, constitute, and remain: (a) a charge and continuing lien upon the Lot with respect to which such assessment is made; and (b) the personal obligation of the person who is the Owner of such Lot at the time the assessment falls due. No Owner may exempt himself or his Lot from liability for payment of assessments by waiver of his rights concerning the Common Areas or by abandonment of his Lot. In a voluntary conveyance of a Lot, the grantee shall be jointly and severally liable with the grantor for all such unpaid assessments, late payment fees, interest and costs of collection, including reasonable attorneys fees, which shall be a charge on the Lot at the time of the conveyance, without prejudice to the grantee's right to recover from the grantor the amounts paid by the grantee therefor.

5.2. Purpose of Assessments. Assessments levied by the Association shall be used exclusively for the purpose of promoting the health, safety, and welfare of residents of the Property, including but not limited to the appearance and aesthetics of the Development. The use made by the Association of funds obtained from assessments may include, but is not limited to, payment of the cost of taxes and insurance on the Common Areas; maintenance, repair and improvement of the Common Areas; establishing and funding a reserve to cover major repair or replacement of improvements within the Common Areas; maintenance, repair and improvements of the Landscape Easement to the extent undertaken by the Association; and any expenses necessary or desirable to enable the Association to perform or fulfill its obligations, functions or purposes under this Declaration or its Articles of Incorporation.

5.3. Maximum Monthly Assessment. As of the date set under Section 5.7, each Lot shall be subject to a monthly assessment sufficient to maintain the common areas. The assessment may be increased or decreased so long as the change is assented to by not less than a majority of the Members present in person or represented by proxy at a meeting duly called for such purposes. Written notice setting forth the purpose of the meeting shall be sent to all Members at least Ten (10) but not more than Thirty (30) days prior to the meeting date. The Board of Directors of the Association may from time to time and in its discretion set the amount of the monthly assessment at any sum not in excess of the then applicable maximum amount.

5.4. Special Assessments. From and after the date set under Section 5.7, the Association may levy special assessments for the purpose of defraying, in whole or in part: (a) any expense or expenses not reasonably capable of being fully paid with funds generated by monthly assessments; or (b) the cost of any construction, reconstruction or unexpectedly required repair or replacement in connection with the Common Areas. Any such special assessments must be assented to by not less than a majority of the Members other than the Declarant (or if the two class voting structure is still in effect as provided herein, a majority of the votes of each Class of Members), present in person or represented by proxy are entitled to cast at a meeting duly called for the purpose. Written notice setting forth the purpose of the meeting shall be sent to all Members at least Ten (10) but not more than Thirty (30) days prior to the meeting date.

5.5. Reimbursement Assessment on Specific Lot. In addition to the monthly assessment and any special assessment authorized pursuant to Sections 5.3 and 5.4 above, the Board may levy at any time Special Assessments (a) on each Lot specifically benefitted by any improvement to adjacent roads, sidewalks, planting areas or other portions of the Common Areas made on the written request of the Owner of the Lot to be charged; (b) on each Lot the Owner or occupant of which shall cause any damage to the Common Areas necessitating repairs; and (c) on each Lot as to which the Association shall incur any expense for maintenance or repair work performed, or enforcement action taken, pursuant to Section 3.4, Section 6.1(c), Section 6.2(a) or other provisions of this Declaration (all or part of the foregoing being sometimes referred to as a "Reimbursement Assessment"). The aggregate amount of any such Special Assessments shall be determined by the cost of such improvements, repairs, maintenance or enforcement action, including all overhead and administrative costs and attorney's fees, and shall be allocated among the affected Lots according to the special benefit or cause of damage or maintenance or repair work or enforcement action, as the case may be, and such assessment may be made in advance of the performance of work. If a special benefit arises from any improvement which is part of the general maintenance obligations of the Association, it shall not give rise to a Reimbursement Assessment against the Lots benefitted.

5.6. Uniform Rate of Assessment. Except as provided in Section 5.5 above, monthly and special assessments shall be fixed at a uniform rate for all Lots. Declarant, for each unsold Lot owned by it in the development, shall pay monthly assessments as herein provided for all Lot Owners; provided that until such date as Declarant closes and conveys a Lot to an Owner (other than Declarant), the monthly assessment attributable to such Lot shall be one-half (1/2) the regular monthly assessment.

5.7. Monthly Assessment Due Dates. The monthly assessments provided for herein shall commence as to all Lots on the date a deed is delivered to the purchaser of a Lot, or if the sale is by way of a contract of sale, on the date the contract is executed by the parties thereto, or the date of occupancy agreement, or the date the Owner actually takes possession of a Lot, whichever first occurs. The first monthly assessment shall be adjusted according to the number of days remaining in the month of conveyance, contract or occupancy as the case may be. At least fifteen (15) days prior to the effective date of any change in the amount of the monthly assessment, the Association shall give each Owner written notice of the amount and the first due date of the assessment concerned.

5.8. Certificate Regarding Payment. Upon the request of any Owner or prospective purchaser or encumbrancer of a Lot the Association shall issue a certificate stating whether or not all assessments respecting such Lot are current and, if not, the amount of the delinquency. Such certificate shall be conclusive in favor of all persons who in good faith rely thereon.

5.9. Effect of Non-Payment; Remedies. Any assessment not paid when due shall, together with the hereinafter provided for interest and costs of collection be, constitute and remain a continuing lien on the affected Lot; provided, however, that any such lien will be subordinate to the lien or equivalent security interest of any first mortgage on the Lot recorded prior to the date any such assessments became due. If the assessment is not paid within sixty (60) days after the date on which it becomes delinquent, the amount thereof shall bear interest from the date of delinquency at the rate of eighteen percent (18%) per annum and the Association may bring an action either against the Owner who is personally liable or to foreclose the lien against the Lot. In addition, the mortgagee clause shall provide that the insurance carrier shall notify each mortgagee at least ten (10) days in advance of the effective date of any reduction in or cancellation of the policy.

Failure by the Association or by any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter. Costs of such enforcement, including reasonable attorney's fees, shall be borne by the party(ies) in violation.

10.2. Notices. Any notice required or permitted to be given to any Owner or Member under the provisions of this Declaration shall be deemed to have been properly furnished if mailed, postage prepaid, to the person who appears as a Member or Owner, at the latest address for such person

appearing in the records of the Association at the time of mailing.

10.3. Amendment. Any amendment hereto shall require (i) the prior written approval of Lindon City to such amendments, (ii) the affirmative vote of at least two-thirds (2/3) of all votes, which Members present in person or represent by proxy are entitled to cast at a meeting duly called for such purpose; and (iii) so long as the Class B membership exists, the written consent of the Declarant. In any case in which this Declaration requires for authorization or approval of a transaction the assent or affirmative vote of a stated percentage of the votes present or represented at a meeting, such requirement may be fully satisfied by obtaining, with or without a meeting, consents in writing to such transaction from Members entitled to cast at least the stated percentage of all membership votes outstanding in connection with the Class of membership considered. The following additional provisions shall govern any application of this Section 10.3 :

(a) All necessary consents must be obtained prior to the expiration of ninety (90) days after the first consent is given by any Member.

(b) The total number of votes required for authorization or approval under this Section 3 shall be determined as of the date on which the last consent is signed.

(c) Except as provided in the following sentence, any change in ownership of a Lot which occurs after consent has been obtained from the Owner thereof shall not be considered or taken into account for any purpose. A change in ownership which would otherwise result in an increase in the total number of Class A votes outstanding shall, however, be effective in that regard and shall entitle the new Owner to give or withhold his consent.

(d) Unless the consent of all Members whose memberships are appurtenant to the same Lot are secured, the consent of none of such Members shall be effective.

10.7. Dissolution. Subject to the restrictions set forth in Article IX of this Declaration pertaining to mortgagee and Lindon City protection, the Association may be dissolved by the affirmative assent in writing of two-thirds (2/3) of the votes. Upon dissolution of the Association all of its assets (including the Common Areas) may be dedicated or transferred to an appropriate public agency or authority to be used for purposes similar to those provided for in the By-laws, the Articles of Incorporation or this Declaration. In the event such dedication or transfer is not made or is not accepted, the Association's assets shall be transferred to a non profit corporation, trust, or other entity to be used for such similar purposes, and each Owner shall continue to be obligated to make assessment payments for the maintenance and upkeep of the Common Areas, common access roadways, curbs, waste water basins and systems, gutters and sidewalks on a pro rata basis which conforms substantially with the assessment procedure, terms and conditions set forth in Article V of this Declaration.

By acquiring any interest in a Lot or in the Common Areas, the party acquiring such interest consents to, and agrees to be bound by, each and every provision of this Declaration.
