The management committee may, from time to time, up to the close of the year for which such cash requirements have been so filed or determined, increase or

diminish the amount previously fixed or determined for such year. It may include in the cash requirements for any year, any liabilities or items of expense which accrued or become payable in the previous year, or which might have been included in the cash requirements for a previous year, but were not included therein; and also any sums which the management committee may deem necessary or prudent to provide a reserve against liabilities or expenses then accrued or thereafter to accrue although not payable in that year.

That portion payable by the unit owner in and for each year or for a portion of a year shall be a sum within the limits and on the conditions hereinabove provided bearing to the aggregate amount of such cash requirements for such year, or portion of year, determined as aforesaid, the same ratio as the unit owner owns an undivided interest in the common areas and facilities, and such assessments, together with any additional sums accruing under the Declaration shall be payable monthly in advance, or in such payments and installments as shall be required by the management committee, and at such times as shall be provided by the management committee.

Each monthly assessment and each special assessment shall be separate, distinct and personal debts and obligations of the owner against whom the same are assessed at the time the assessment is made and shall be collectible as such. Suit to recover a money judgment for unpaid common expenses shall be maintainable without foreclosing or waiving the lien securing the same. The said

lien for non-payment of common expenses shall have priority over all other liens and encumbrances, recorded or unrecorded, except only:

A. Tax and special assessment liens on the unit in favor of any assessment unit, and special district, and,

B. Encumbrances on the owner's interest in the unit (and common areas and facilities) recorded prior to the date such notice is recorded which by law would be a lien prior to subsequently recorded encumbrances.

A certificate executed and acknowledged by a majority of the management committee stating the indebtedness secured by the lien upon any condominium created hereunder, shall be conclusive upon the management committee and the owners as to the amount of such indebtedness on the date of the certificate, in favor of all persons who rely thereon in good faith, and such certificate shall be furnished to any owner or encumbrances or prospective encumbrances of a condominium upon request at a reasonable fee not to exceed ten dollars. Unless the request for a certificate of indebtedness shall be compiled within ten (10) days, all unpaid common expenses which become due prior to the date of making of such request shall be subordinate to the lien held by the person making the request. Any encumbrancee holding a lien on a condominium may pay any unpaid common expenses payable with respect to such condominium and upon such payment such encumbrances shall have a lien on such condominium for the amounts paid of the same rank as the lien of his encumbrance.

Upon payment of a delinquent assessment concerning which a notice of assessment has been recorded, or other satisfaction thereof, the management committee shall cause to be recorded in the same manner as the notice of assessment a further notice stating the satisfaction and release of the lien thereof. Such lien for non-payment of assessment may be enforced by sale of the management committee or by a bank or trust company or title insurance company authorized by the management committee, such sale to be conducted in accordance with the provisions of the law applicable to the exercise of powers of sale or foreclosure in deeds of trust or mortgages or in any manner permitted by law. In any foreclosure or sale, the unit owner shall be required to pay the costs

and expenses of such proceedings including reasonable attorney's fees.

In the event of foreclosure, the unit owner shall be required to pay a reasonable rental for the condominium and the plaintiff in the foreclosure action shall be entitled to the appointment of a receiver to collect the rental without regard to the value of the mortgage security. The management committee or manager shall have the power to bid in the condominium at foreclosure or other sale and to hold, lease, mortgage and convey the condominium.

18. Mortgage protection:

Notwithstanding all other provisions hereof:

A. The liens created hereunder upon any condominium shall be subject and subordinate to, and shall not affect the rights of the holder of the indebtedness secured by any recorded first mortgage (meaning a mortgage or a trust deed with first priority over other mortgages) upon such interest made in good faith and for value, provided that after the foreclosure of any such mortgage there may be a lien created pursuant to paragraph 17 hereof on the interest of the purchaser of such foreclosure sale to secure all assessments, whether regular or special, assessed hereunder to such purchaser as an owner after the date of such foreclosure sale, which said lien, if any claimed, shall have the same effect and be enforced in the same manner as provided herein.

B. No amendment to this paragraph shall affect the rights of the holder of any such mortgage recorded prior to recordation of such amendment who does not join in the execution thereof.

C. By subordination agreement executed by a majority of the management committee, the benefits of A and B above may be extended to mortgages not otherwise entitled thereto.

19. Maintenance of units:

In addition to decorating and keeping the interior of the residential unit in good repair, the unit owner shall be responsible for the maintenance or replacement of any plumbing, fixtures, refrigerators, air conditioning and heating equipment, dishwashers, disposals, ranges, garage doors, etc., that may be in or connected with the residential unit. Without the written permission of the management committee first had and obtained, the unit owner shall not make or permit to be made any structural alteration, improvement, or addition in or to the unit, garage, or to the exterior of the building.

20. Right of entry:

The management committee and its duly authorized agents shall have the right to enter any and all of the units in case of an emergency originating in or threatening such unit or any other part of the project, whether or not the unit owner or occupant thereof is present at the time. The committee and its duly authorized agents shall also have the right to enter into any and all of said units at all reasonable times as required for the purpose of making necessary repairs upon the common areas and facilities of the project for the purpose of performing emergency installations, alterations, or repairs to the mechanical or electrical devices or installations located therein or thereon; provided however, such emergency installations, alterations, or repairs are necessary to prevent damage or threatened damage to other units in the project; and provided further, that the unit owner affected by such entry shall first be notified thereof if available and if time permits.

21. Administrative rules and regulations.

The management committee shall have the power to adopt and establish by resolution, such building manage-

B. Priority of Mortgagee Over Certain Assessments. Any holder of a first mortgage or a trust deed on any unit which comes into possession of the unit pursuant to the remedies provided in the mortgage, foreclosure of mortgage, or deed (or assignment) in lieu of foreclosure, shall take the property free of any claims for unpaid assessments or charges against the mortgaged unit which accrue prior to the time such holder comes into possession of the unit (except for claims for a pro rate share of such assessments or charges resulting from a pro rate reallocation of such assessments or charges to all units including the mortgaged unit).

C. Certain Prohibitions Imposed on Unit owners. Unless all holders of the first mortgage liens on individual Units have given their prior written approval, the unit owners shall not:

1. Change the pro rate interest or obligation of any unit for purposes of levying assessments and charges and determining shares of the common areas and proceeds of the project.

2. Partition or subdivide any unit or the common areas of the project.

3. By act or omission seek to abandon the condominium status of the project except as provided by statute in case of substantial loss to the units and common areas of the project.

I. IDENTITY

These are the By-Laws of Fairway Estates Condominium, duly made and provided for in accordance with Utah Code Annotated Section 57-8-16 (1953 as amended) of the Utah "Condominium Ownership Act".

II. APPLICATION

All present or future owners, tenants, or any other persons who might use the facilities of Fairway Estates Condominium in any manner are subject to the regulations set forth in these By-Laws. The mere acquisition or rental of any of the units or the mere act of occupancy or use of any of said units or the common areas and facilities will signify that these By-Laws are accepted, ratified, and will be complied with by said persons.

III. ADMINISTRATION OF CONDOMINIUM PROJECT

1. Place of Meetings. Meetings of the unit owners shall be held in such place within the State of Utah as the management committee may specify in the notice, except as herein otherwise specified.
2. Annual Meetings. The first annual meeting of the unit owners shall be held on the first Saturday of October, 1980. Thereafter, the annual meetings shall be held on such day of each succeeding year; provided, however, that whenever such date falls on a legal holiday, the meeting shall be held on the next succeeding business day, and further provided that the management committee may by resolution fix the date of the annual meeting on such date or at such other place as the management committee may deem appropriate.
3. Special Meetings. Special meetings of the association of unit owners may be called at any time by written notice signed by a majority of the management committee, or by owners having thirty percent of the total votes, delivered not less than ten days prior to the date fixed for said meeting. Such meeting shall be held on the project or such other place as the management committee may specify and the notice thereof shall state the date, time and matters to be considered.
4. Notices. Any notice permitted or required to be delivered as provided herein may be delivered either personally or by mail. If delivery is by mail, it shall be deemed to have been delivered twenty-four hours after a copy of the same has been deposited in the United States Mail, postage prepaid, addressed to each unit owner at the address given by such person to the management committee or the manager for the purpose of service of such notice or to the unit of such person if no address has been given. Such address may be changed from time to time by notice in writing to the management committee or manager.

BOOK 5147 PAGE 1430

5. Quorum. At any meeting of the unit owners, the owners of more than fifty percent in the aggregate in interest of the undivided ownership of common areas and facilities shall constitute a quorum for any and all purposes, except where by express provisions a greater vote is required, in which event a quorum shall be the number required for such vote. In the absence of a quorum the chairman of the meeting may adjourn the meeting from time to time, without notice other than by announcement at the meeting, until holders of the amount of interest requisite to constitute a quorum shall attend. At any such adjourned meeting at which a quorum shall be present any business may be transacted which might have been transacted at all meetings as originally notified.

6. Voting. When a quorum is present at any meeting, the vote of unit owners representing more than fifty percent in the aggregate in interest of the undivided ownership of common areas and facilities, present in person or represented by proxy, shall decide any question of business brought before such meeting, including the election of the management committee, unless the question is one upon which, by express provision of the statutes, or of the By-Laws, a different vote is required, in which case such express provision shall govern and control the decision of such question. All votes may be cast either in person or by proxy. All proxies shall be in writing, and in the case of proxies for the annual meeting, they shall be delivered to the secretary at least five days prior to said annual meeting. Proxies for special unit owner's meetings must be of record with the secretary at least two days prior to said annual meeting.

7. Waivers of Notice. Any unit owner may at any time waive any notice required to be given under these By-Laws, or by statute or otherwise. The presence of a unit owner in person at any meeting of the unit owners shall be deemed such waiver.

IV

MANAGEMENT COMMITTEE

1. Purpose and Powers. The business, property and affairs of the Condominium shall be managed and governed by its management committee.

2. Composition of Management Committee. The Committee shall be composed of three members. At the first regular Owners meeting two Committee members shall be elected for two-year terms and one member for a one-year term. At each annual Owners meeting thereafter any vacant seat on the Committee shall be filled with a member elected for a two-year term. Only Unit Owners and officers and agents of Owners other than individuals shall be eligible for Committee membership. At the annual meeting each Unit Owner may vote his percentage of undivided ownership interest in favor of as many candidates for Committee membership as there are seats on the Committee to be filled; provided, however, that until the completion and sale of all units in the project or until two years from the date of recording this declaration whichever shall first occur, the Declarant alone shall be entitled to select three Committee members. Until the first annual meeting of the Owners the members of the Committee shall be the following persons and each shall hold the office indicated opposite his name:

In the event a Committee seat which was filled by Declarant becomes vacant, whether by reason of forfeiture or due to another cause, Declarant shall have the right to select a replacement member to sit on the Committee for the balance of the term associated with the vacated seat. In all other cases of vacancy a majority of the remaining Committee members (even though such remaining members may consist of less than a quorum) shall elect a replacement to sit on the Committee until the expiration of the term for which the member being replaced was elected. Unless he forfeits his seat as herein provided, a member shall serve on the Committee until his successor is elected and qualifies.

3. Regular Meetings. A regular annual meeting of the management committee shall be held immediately after the adjournment of each annual unit owners' meeting. Regular meetings, other than the annual meetings, shall or may be held at regular intervals at such places and at such times as either the president or the management committee may from time to time designate.

7. Waiver of Notice. Attendance by a member of the management committee at any meeting thereof shall be a waiver of notice by him of the time and place thereof.
