Commencing at the Southwest Corner of Lot 1, Block 82, Plat "D", Salt Lake City Survey, and running thence East 55.00 feet; thence North 165 feet; thence West 96.25 feet; thence South 165 feet; thence East 41.25 feet to the point of beginning.

TOGETHER WITH all easements and other appurtenances and rights incident to, appurtenant to, or accompanying the above-described parcel of real property.

ALL OF THE FOREGOING IS SUBJECT TO: all liens for current and future taxes, assessments, and charges imposed or levied by governmental or quasi governmental authorities; all Patent reservations and exclusions; any mineral reservations of record and rights incident thereto; all instruments of record which affect the above-described Tract or any portion thereof, including, without limitation, any mortgage or deed of trust; all visible easements; all easements and rights-of-way of record; any easements, rights-of-way, encroachments, or discrepancies shown on or revealed by the Survey Map or otherwise existing; an easement for each and every pipe, line, cable, wire, utility line, or similar facility which traverses or partially occupies the above-described Tract at such time as construction of all Project improvements is complete; and all easements necessary for ingress to, egress from, maintenance of, and replacement of all such pipes, lines, cables, wires, utility lines, and similar facilities.

## III. COVENANTS, CONDITIONS, AND RESTRICTIONS

The foregoing submission of the Land is made upon and under the following covenants, conditions and restrictions:

1. Descriptions of Improvements on Land. The improvements contained in the Project are now or will be located upon the Land. The major improvements contained in the Project include one building (which contains 14 Units), and concrete sidewalks or walkways. The location and configuration of said improvements are shown on the Map. The Project also contains other improvements such as landscaping and fencing, all of which are to be of the type and in the location reasonably deemed by Declarant to be appropriate. The Project contains 23 parking spaces of which 14 are Limited Common Areas, the number of stories, and the number of Units which are contained in the Building. Said Building is composed of the following building materials: masonry construction with load and non-load bearing walls studded with wood; basement walls and floor of concrete;

BOOK 5340 PAGE 825

combination pitch and flat roof with asphalt shingles; concrete floors in Units, interior walls of sheet rock and exterior walls of brick veneer trimmed with wood.

3. Description and Legal Status of Units. The Map shows the Unit designation, its location, dimensions from which its floor area may be determined and the Common Areas to which it has immediate access and the Limited Common Areas. All Units are residential Units.

4. Common Areas; Limited Common Areas; Maintenance.

(a) The Common Areas contained in the Project are described and identified in Article I of this Declaration and shown on the Map. Neither the Percentage Interest nor the right of exclusive use of a Limited Common Area shall be separated from the Unit to which it appertains; and, even though not specifically mentioned in the instrument of transfer, the Percentage Interest and such right of exclusive use shall automatically accompany the transfer of the Unit to which they relate. The Limited Common Areas, which are included or to be included in the Project consist of all of the following which are designated as such on the Map: (i) balcony or deck adjoining certain Units; and (ii) each of the 14 Units has one combination parking and storage area in the basement level of the Building designated by the same number by which the Unit itself is designated.

(b) The use of the Common Areas shall be limited to the Owners in residence and to their tenants in residence, and to their guests, invitees and licensees. The use of each of the Limited Common Areas shall be restricted to the Owner of the Unit to which it is appurtenant, to his tenants in residence, and to his guests, invitees and licensees. The use of the Common Areas and Limited Common Areas shall be governed by the Declaration and the rules and regulations as initially established by Declarant and as adopted and amended from time to time by the Management Committee.

(c) Each Unit Owner shall keep his balcony or patio and in a clean and orderly condition but shall not otherwise maintain the same. Except as herein otherwise provided, the Committee shall provide for such maintenance and operation of the Common and Limited Common Areas as may be reasonably required to make them appropriately usable in connection with the Units and to keep them clean, functional and attractive and in good condition and repair.

5. Computation of Percentage Interest. The Percentage Interest which is appurtenant to a Unit shall be equal to the ratio between the Par Value of such Unit and the aggregate Par Value of all Units included in the Project. To avoid a perpetual series of digits, and to obtain the total of 100% the last digit may have been adjusted, and rounded up or down to a value that is most nearly correct. The Percentage Interest of each Unit Owner as contained in said Exhibit "A" shall have a permanent character and shall not be altered without the consent of all Unit Owners expressed in an amended declaration duly recorded.

6. Unit Maintenance. Each Owner shall at his own cost and expense maintain, repair, paint, re-paint, tile, wax, paper or otherwise refinish and decorate the interior surfaces of the walls, ceilings, floors, windows and doors forming the boundaries of his Unit and all walls, ceiling, floors, windows, and doors within such boundaries. In addition to decorating and keeping the interior of his Unit in good repair and in a clean and sanitary condition, he shall be responsible for the maintenance, repair or replacement of any plumbing fixtures, air conditioner,

lighting fixtures, refrigerator, disposal equipment, range, or other appliances or fixtures that may be in, or connected with, his Unit. Each Unit shall be maintained so as not to detract from the appearance of the Project and so as not to affect adversely the value or use of any other Unit. The Committee shall have no obligation regarding care or maintenance which is required to be accomplished by Unit Owners.

7. Association Membership. Membership in the Association shall be automatic, shall be appurtenant to the Unit in which the Owner has the necessary interest and shall not be separated from the Unit to which it appertains.

8. Easement for Encroachment. If any part of the Common Areas encroaches or shall hereafter encroach upon a Unit or Units, an easement for such encroachment and for the maintenance for the same shall and does exist. If any part of a Unit encroaches or shall hereafter encroach upon the Common Areas, or upon an adjoining Unit or Units, an easement for such encroachment and for the maintenance shall and does exist. Such encroachments shall not be considered to be encumbrances either to the Common Areas or the Units. Encroachments referred to herein include, but are not limited to, encroachments caused by error in the original construction of the Building on the Land, by error in the Map, by settling, rising or shifting of the earth, or by changes in position caused by repair or reconstruction of the Project or any part thereof.

9. Access for Repair of Common Areas. Some of the Common Areas are or may be located within the Units or may be conveniently accessible only through the Units. The Owners of the other Units shall have the irrevocable right to be exercised by the Committee as its agent, to have access to each Unit and to all Common Areas from time to time during such reasonable hours as may be necessary for the maintenance, repair or replacement of any of the Common Areas located therein or accessible therefrom or for making emergency repairs therein necessary to prevent damage to the Common Areas or to another Unit or Units. The Committee shall also have such rights independent of the agency relationship. Damage to the interior of any part of a Unit or Units resulting from the maintenance, repair, emergency repair, or replacement of any of the Common Areas or as a result of emergency repairs within another Unit at the instance of the Committee or of Unit Owners shall be the responsibility of the Association; provided, that if such damage is the result of negligence of the Owner of a Unit, then such Owner shall be financially responsible for all such damage. Such damage shall be repaired and the property shall be restored substantially to the same condition as existed prior to damage. Amounts owing by Owners pursuant hereto shall be collected by the Committee by assessment.

10. Rights of Ingress, Egress. Each Owner shall have the right to ingress and egress over, upon and across the Common Areas necessary for access to his Unit, and to the Limited Common Areas designated for use in connection with his Unit, and such rights shall be appurtenant to and pass with the title to each Unit.

11. Easement to Management Committee. The Management Committee shall have non-exclusive easements to make such use of the Common Areas as may be necessary or appropriate to perform the duties and functions which it is obligated or permitted to perform pursuant to this Declaration.

12. Easement for Utility Services. There is hereby created a blanket easement upon, across, over and under the Land

for ingress, egress, installation, replacing, repairing and maintaining all utilities, including but not limited to, water, sewers, gas, telephones, electricity, and other utility services.

13. Use of Units and Common Areas.

(a) Each of the Units in the Project is intended to be used for single family residential housing for adults only and is restricted to such use. Accordingly, no Unit shall be occupied by any person under 16 years of age. Provided, however: (i) that in determining whether the foregoing restrictions are being abridged, account shall be taken of occupants who are residing in the Unit concerned in conjunction with a visit lasting less than two months; (ii) that in determining whether such restrictions are being violated, account shall not be taken of a child born to an occupant of the Unit until the child reaches the age of one year; and (iii) that the restrictions imposed by this sub-section may, on a case-by-case basis, be waived by the unanimous written agreement of the full Management Committee.

(c) Nothing shall be done or kept in any Unit or in the Common Areas or any part thereof which would result in the cancellation of the insurance on the Project or any part thereof or increase of the rate of the insurance on the Project or any part thereof or increase of the rate of the insurance on the Project or any part thereof over what the Committee, but for such activity, would pay, without the prior written consent of the Committee. Nothing shall be done or kept in any Unit or in the Common Areas or any part thereof which would be a violation of any statute, rule, ordinance, regulation, permit or other validly imposed requirement of any governmental body. No damage to, or waste of, the Common Areas or any part thereof shall be committed by any Owner or any invitee of any Owner, and each Owner shall indemnify and hold the Committee and the Owners harmless against all loss resulting from any such damage or waste caused by him or his invitees; provided, however, that any invitee of the Declarant shall not under any circumstances be deemed to be an invitee of any other Owner. No noxious, destructive or offensive activity shall be carried on in any Unit or in the Common Areas or any part thereof, nor shall anything be done therein which may be or may become an annoyance or nuisance to any other Owner or to any person at any time lawfully residing in the Project.

(d) No Owner shall violate the rules and regulations regarding use of the Units and of the Common Areas as adopted from time to time by the Management Committee.

(e) No structural alterations to any Unit shall be made by any Owner without the prior written consent of the Committee.

(f) No signs whatsoever shall be erected or maintained in the Common Areas without the prior written consent of the Committee, except: (i) Such signs as may be required by legal proceedings, and (ii) Such signs as Declarant may erect or maintain incident to sale of Units.

(g) No pet shall be kept or allowed in any part of the Project without the written permission of the full Committee.

(h) Notwithstanding anything contained herein to the contrary, until the Declarant has completed and sold all of the Units, neither the Unit Owners who have purchased Units from the Declarant nor the Association nor the Committee shall interfere with the completion of improvements and sale of all remaining Units. The Declarant reserves the right to use any Units owned by Declarant as models, management offices or sales offices

BOOK 5340 PAGE 828

until such time as Declarant conveys title thereto to Unit Owners. Declarant reserves the right to relocate the same from time to time within the Project; upon relocation or sale of a model, management office or sales office, the furnishings thereof may be removed. Declarant further reserves the right to maintain on the Project such advertising signs, which may be placed in any location on the Project and may be relocated or removed, all at the sole discretion of Declarant.

14. Status and General Authority of Committee. Notwithstanding anything herein contained to the contrary, the Condominium Project shall be managed, operated, and maintained by the Management Committee exclusively as agent of, and in the name of, the Association and any act performed by the Management Committee pursuant to this Declaration or the Bylaws, as the same may be amended from time to time, shall be deemed to be performed by the Committee for and on behalf of the Association as its agent. The Management Committee shall have, and is hereby granted, the following authority and powers:

(a) The authority, without the vote or consent of the Unit Owners or of any other person(s) to grant or create, on such terms as it deems advisable, utility and similar easements over, under, across, and through the Common Areas and Facilities.

(b) The authority to execute and record, on behalf of all the Unit Owners, any amendment to the Declaration or Map which has been approved by the Vote or consent necessary to authorize such amendment.

(c) The power to sue and be sued.

(d) The authority to enter into contracts which in any way concern the Project, so long as any vote or consent of the Unit Owners necessitated by the subject matter of the agreement has been obtained.

(e) The power and authority to convey or transfer any interest in real property authorized by the Owners having an interest therein.

(f) The power and authority to purchase, otherwise acquire, and accept title to, any interest in real property, so long as such action has been authorized by any vote or consent which is necessary under the circumstances.

(g) The power and authority to borrow money, provided that no indebtedness for borrowed funds shall exceed at any given time the sum of \$2,500.00 without the prior vote or approval of the Association at a meeting duly called and conveyed at which a quorum is present.

(h) The authority to promulgate such reasonable rules and regulations, and procedures as may be necessary or desirable to aid the Committee in carrying out any of its functions or to insure that the Project is maintained and used in a manner consistent with the interests of the Unit Owners.

(i) The power and authority to perform any other acts and to enter into any other transactions which may be reasonably necessary for the Management Committee to perform its functions as agent of the Association.

Any instrument executed by the Management Committee that recites facts which, if true, would establish the Committee's power and authority to accomplish through such instrument what is purported to be accomplished thereby, shall conclusively estab-

BOOK 5340 PAGE 829

lish said power and authority in favor of any person who in good faith and for value relies upon said instrument.

15. Manager. The Committee may carry out any of its functions which are capable of delegation through a Manager. Any Manager retained for such purposes must be an individual or entity experienced and qualified in the field of property management. The Manager so engaged shall be responsible for managing the Project for the benefit of the Unit Owners and shall, to the extent permitted by law and the terms of the agreement with the Committee, be authorized to perform any of the functions or acts required or permitted to be performed by the Management Committee itself.

16. Composition of Management Committee. The Committee shall be composed of three members. At the first annual meeting of the Association at which Committee Members are elected, two Committee members shall be elected for two-year term and one member for one-year term. At each annual meeting of the Association thereafter any vacant seat on the Committee shall be filled with a member elected for a three-year term. Only Unit Owners and officers and agents of Owners other than individuals shall be eligible for Committee membership. At each annual meeting the Percentage Interest appurtenant to a Unit may be voted in favor of as many candidates for Committee membership as there are seats on the Committee to be filled; provided, however, that until the happening of the event hereinafter described in this Section 16 Declarant alone shall be entitled to select all or any portion of the three Committee members.

The event referred to in the first paragraph of this Section 16, shall be the first to occur of the following:

(a) Units to which an aggregate of at least three-fourths (3/4) of the Percentage Interest then appertain have been conveyed by Declarant; or

(b) The expiration of two (2) years after the date on which this Declaration is filed for record in the office of the County Recorder of Salt Lake County, Utah.

17. Agreement to Pay Assessment. Declarant, for each Unit owned by it within the Project, hereby covenants, and each Owner of any Unit by the acceptance of a deed therefor, whether or not it be so expressed in the deed, or by entering into a sale and purchase contract, shall be deemed to covenant and agree with each other and with the Association to pay to the Association annual assessments made by the Association for the purposes provided in this Declaration, and special assessments for capital improvements and other matters as provided in this Declaration. Such assessments shall be fixed, established and collected from time to time in the manner provided in this Article.

(a) Amount of Total Annual Assessments. The total annual assessments against all Units shall be based upon advance estimates of cash requirements by the Committee to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Common Areas, which estimates may include, among other things expenses of management, taxes and special assessments, (until the Units are separately assessed as provided herein), premiums for all insurance which the Committee is required or permitted to maintain pursuant hereto, repairs and maintenance of the Common Areas that must be replaced on a periodic basis, wages for Committee employees, legal and accounting fees, any deficit remaining from a previous period; the creation of a reasonable contingency reserve, surplus and/or sinking fund; and any other expenses and liabilities which

BOOK 5340 PAGE 830

may be incurred by the Association for the benefit of the Owners under or by reason of this Declaration.

(b) Apportionment of Annual Assessments. Expenses attributable to the Common Areas and to the Project as a whole shall be apportioned among all Owners in proportion to their respective Percentage Interests.

(c) Notice of Annual Assessments and Time for Payment Thereof. Annual assessments shall be made on a calendar year basis. The Committee shall give written notice to each Owner as to the amount of the annual assessment with respect to his Unit not less than thirty (30) days nor more than sixty (60) days prior to the beginning of the next calendar year. Such assessment shall be due and payable in monthly installments on the first day of each and every month of each year; provided, however, that the first annual assessment shall be for the balance of the calendar year remaining after the date fixed by the Committee as the date of commencement of the Project. Such assessment shall be due and payable within thirty (30) days after written notice of the amount thereof shall have been given to the respective Owner of a Unit. Each monthly assessment shall bear interest at the rate of eighteen percent (18%) per annum from the date it becomes due and payable if not paid within thirty (30) days after such date. Moreover, the Committee may impose a late payment service charge equal to four percent (4%) for each delinquent monthly assessment. Failure of the Committee to give timely notice of any assessment as provided herein shall not affect the liability of the Owner of a Unit for such assessment, but the date when payment shall become due in such case shall be deferred to a date thirty (30) days after such notice shall have been given. Assessments shall commence as to Units sold from the date of closing of sale, and as to all unsold Units no later than sixty (60) days from the date of closing of first Unit sold.

Each time a legal title to a Unit passes from one person to another, within thirty (30) days after the effective date of such title transaction the new Unit Owner shall pay to the Committee, in addition to any other required amounts, the sum of \$50.00 or such other reasonable sum as the Committee deems proper. The provisions for payment of assessments shall apply to the collection of such sum. The sums received by the Committee pursuant to this paragraph shall be held by it as a contingency reserve and shall be used at such times and for such purposes as the Committee may determine.

(d) Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Committee may levy in any assessment year a special assessment, payable over such a period as the Committee may determine, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of the Project or any part thereof, or for any other expense incurred or to be incurred as provided in this Declaration. This Section shall not be construed as an independent source of authority for the Committee to incur expenses, but shall be construed to prescribe the manner of assessing for expenses authorized by other Sections hereof. Any amounts assessed pursuant hereto shall be assessed to Owners in proportion to their respective Percentage Interests in the Common Areas. Notice in writing of the amount of such special assessments and the time for payment thereof shall be given promptly to the Owners, and no payment shall be due less than thirty (30) days after such notice shall have been given. A special assessment shall bear interest at the rate of eighteen percent (18%) per annum from the date it becomes due and payable if not paid within thirty (30) days after such date. Notwithstanding anything to the contrary herein con-

BOOK 5340 PAGE 831

tained, additions or capital improvements to the Project which cost no more than \$3,000.00 may be authorized by the Management Committee alone. Additions or capital improvements, the cost of which will exceed such amount must, prior to being constructed, be authorized by at least a majority vote of the Percentage Interests at a meeting duly called and convened at which a quorum is present. Any addition or capital improvement which would materially alter the nature of the Project must, regardless of its cost and prior to being constructed, be authorized by a vote of Unit Owners in person or by proxy of not less than 67% of the Percentage Interest at a meeting of the Association, special or annual, duly called and conveyed at which a quorum is present.

(e) Lien for Assessments. All sums assessed to any Unit pursuant to this Declaration, together with interest thereon as provided herein, shall be secured by a lien on such Unit in favor of the Association. Such lien shall be superior to all other liens and encumbrances on such Unit, except only for: (a) valid tax and special assessments liens on the Unit in favor of any governmental assessing authority; and (b) a lien for all sums unpaid on a first Mortgage, or on any Mortgage to Declarant, duly recorded in the Official Records of Salt Lake County, Utah, including all unpaid obligatory advances to be made pursuant to such Mortgage and all amounts advanced pursuant to such Mortgage and secured by the lien thereof in accordance with the terms of such instrument. All other lienors acquiring liens on any Unit after this Declaration shall have been recorded in said records shall be deemed to consent that such liens shall be inferior to future liens for assessments, as provided herein, whether or not such consent be specifically set forth in the instruments creating such liens.

To evidence a lien for sums assessed hereunder, the Committee may prepare a written notice of lien setting forth the amount of the assessment, the date due, the amount remaining unpaid, the name of the Owner of the Unit and a description of the Unit. Such a notice shall be signed by the Committee and may be recorded in the office of the County Recorder of Salt Lake County, Utah. No notice of lien shall be recorded until there is a delinquency in payment of the assessment. Such lien may be enforced by judicial foreclosure by the Committee in the same manner in which mortgages on real property may be foreclosed in Utah. In any such foreclosure, the Owner shall be required to pay the costs and expenses of such proceeding, the costs and expenses of filing the notice of lien and all court costs and reasonable attorneys' fees. All such costs, expenses and fees shall be secured by the lien being foreclosed. The Owner shall also be required to pay to the Committee any assessments against the Unit which shall become due during the period of foreclosure. In the event of foreclosure, after the institution of the action the Unit Owner shall pay a reasonable rental for his use of the Unit and the Committee shall, without regard to the value of the Unit, be entitled to the appointment of a receiver to collect any rentals due from the Owner or any other person. The Committee shall have the right and power to bid an amount equal to its then existing lien at the foreclosure sale or other legal sale and to acquire, hold, convey, lease, rent, encumber, use and otherwise deal with the same as the Owner thereof.

A release of notice of lien shall be executed by the Committee and recorded in the Office of the County Recorder of Salt Lake County, Utah, upon payment of all sums secured by a lien which has been made the subject of a recorded notice of lien.

Any encumbrancer holding a lien on a Unit may pay, but shall not be required to pay, any amounts secured by the lien

BOOK 5340 PAGE 832

created hereunder, and upon such payment such encumbrancer shall be subrogated to all rights of the Committee with respect to such lien, including priority.

The Committee shall report to any encumbrancer of a Unit any unpaid assessments remaining unpaid for thirty days after the same shall have become due; provided, however, that such encumbrancer first shall have furnished to the Committee written notice of such encumbrance.

(f) Personal Obligation of Owner. The amount of any annual or special assessment against any Unit shall be the personal obligation of the Owner thereof to the Association. Suit to recover a money judgment for such personal obligation shall be maintainable by the Committee without foreclosing or waiving the lien securing the same. No Owner may avoid or diminish any personal obligation by waiver of the use and enjoyment of any of the Common Areas or by abandonment of his Unit.

(g) Statement of Account. Upon payment of a reasonable fee not to exceed ten dollars (\$10.00), or such other amount as may in the future be allowed by the Act, and upon written request of any Owner or any Mortgagee, prospective Mortgagee or prospective purchaser of a Unit, the Committee shall issue a written statement setting forth the amount of the unpaid assessments, if any, with respect to such Unit; amount of the current yearly assessment and the date that such assessment becomes or became due; credit for advanced payments or prepaid items, including, but not limited to, an Owner's share of repaid insurance premiums; and such statement shall be conclusive upon the Committee in favor of persons who rely thereon in good faith. Unless such request for a statement of account shall be complied with within twenty (20) days, all unpaid assessments which became due prior to the date of making such request shall be subordinate to the lien of a Mortgagee which acquired its interest subsequent to requesting such statement. Where a prospective purchaser makes such request, both the lien for such unpaid assessments and the personal obligations of the purchaser shall be released automatically if the statement is not furnished within the twenty (20) day period provided herein and thereafter an additional written request is made by such purchaser and is not complied with within ten (10) days, and the purchaser subsequently acquires the Unit.

(h) Personal Liability of Purchaser for Assessments. Subject to the provisions of subparagraph (g) a purchaser of a Unit shall be jointly and severally liable with the Seller for all unpaid assessments against the Unit up to the time of the grant or conveyance, without prejudice to the purchaser's right to recover from the Seller the amount paid by the purchaser for such assessments.

18. Insurance. The Management Committee shall secure and at all times maintain the following insurance coverages:

(a) A multi-peril type policy or policies of fire and other hazard insurance covering the entire Project (both Units and Common Areas), with extended coverage and all other coverage in the kinds and amounts commonly required by private institutional mortgage investors for projects similar in construction, location and use on a replacement cost basis in an amount not less than one hundred percent (100%) of the insurable value (based upon replacement cost). Each such policy shall contain the standard mortgagee clause which must be endorsed to provide that any proceeds shall be paid to the Association for the use and benefit of mortgagees as their interests may appear. The assured shall be the Association as a trustee for the Unit

Owners, or their authorized representative. Such insurance must provide protection against at least the following: loss by fire and other hazards covered by the standard extended coverage.

(b) A comprehensive policy of public liability insurance covering all of the Common Areas insuring the Association, the Committee, the Managing Agent, and the Unit Owners against any liability incident to the ownership, use, or operation of the Common Areas of the Project or of any Unit which may arise among themselves, to the public, or to any invitees, or tenants of the Project, or of the Unit Owners. Limits of liability under such insurance shall be not less than One Million Dollars (\$1,000,000.00) covering all claims for personal property injury and/or property damage arising out of a single occurrence, including protection against water damage liability, liability for nonowned and hired automobile and liability for property of others. Such insurance policy shall contain a "severability of interest" endorsement which shall preclude the insurer from denying the claim of a Unit Owner because of negligent acts of the Association or other Unit Owners. The scope of coverage must include all other coverage in the kinds and amounts required by private institutional mortgage investors for similar projects in location, construction and use.

(c) The Project is not located in an area identified by the Secretary of Housing and Urban Development as an area having special flood hazards. In the event that at some future time the Project should be declared to be in such flood area, a blanket policy of flood insurance on the Project shall be maintained in the amount of the aggregate of the outstanding principal balances of the mortgage loans on the Units comprising the Project or the maximum limit of coverage available under the National Flood Insurance Act of 1968, as amended, whichever is less. The name of the insured under each required policy must be in form and substance as that required by the mortgagee or assigns at any given time.

The following additional provisions shall apply with respect to insurance:

(a) In addition to the insurance coverages described above, the Committee shall secure and at all times maintain insurance against such risks as are or hereafter may be customarily insured against in connection with all condominium projects similar to the Project in construction, nature and use.

(b) All insurance policies shall be written by a company holding a current rating of Class B/VI or better as designated in Best's Insurance Reports. Each insurer must be specifically licensed to transact business within the State of Utah. Policies are unacceptable where (i) under the terms of the carrier's charter, bylaws or policy, contributions or assessments may be made against the Borrower, the Mortgagee, or its assignee, or (ii) by the terms of the carrier's charter, bylaws or policy, loss payments are contingent upon action by the carrier's board of directors, policy holders, or members; or (iii) the policy includes any limiting clauses (other than insurance conditions) which could prevent the Mortgagee, its assigns, or the borrower from collecting insurance proceeds.

(c) The Committee shall have the authority to adjust losses.

(d) Insurance secured and maintained by the Committee shall not be brought into contribution with insurance held by the individual Unit Owners or their mortgagees.

BOOK 5340 PAGE 834

(e) Each policy of insurance obtained by the Committee shall provide: a standard mortgagee clause commonly accepted by private institutional mortgage investors in the area in which the Project is located; a waiver (if available) of the insurer's subrogation rights with respect to the Committee, the Manager, the Unit Owners, and their respective servants, agents, and guests; that it cannot be cancelled, suspended or invalidated due to the conduct of any member, officer, or employee of the Committee or of the manager without a prior written demand that the defect be cured; that any "no other insurance" clause therein shall not apply with respect to insurance held individually by the Unit Owners; and that a mortgagee clause endorsement which must provide that the insurance carrier shall notify in writing any and all insureds, including the services on behalf of Mortgagees or its assignee thereof at least thirty (30) days in advance of the effective date of any substantial modification or cancellation of the policy.

(f) Any Unit Owner may obtain additional insurance at his own expense, so long as such additional insurance does not have the effect of decreasing the amount which may be realized under any policy maintained by the Committee. Any Unit Owner who individually obtains insurance covering any portion of the Project shall supply the Committee with a copy of his policy within 30 days after he acquires such insurance.

(g) Insurance coverage required by this Section 18 must not be prejudiced by (i) any act or neglect of the Unit Owners when such act or neglect is not within the control of the Association, or (ii) any failure of the Association to comply with any warranty or condition regarding any portion of the Project over which the Association has no control.

(h) All policies of property insurance must provide that notwithstanding any provision affording the insurer the right to elect to restore damage in lieu of a cash settlement, such option shall not be exercisable without the prior written approval of the Association (or any insurance trustee) or when in conflict with the provisions of any insurance trust agreement to which the insurance may be a party, or any requirement of law.

(i) The foregoing provisions of Section 18 shall not be construed to limit the power or authority of the Committee or Association to obtain and maintain insurance coverage, in addition to any insurance coverage required hereunder, in such amounts and in such forms as the Committee or Association may deem proper from time to time.

(j) The Association shall maintain such other coverages of such kinds and amounts as the mortgagee or its assigns may from time to time require.

19. Damage to Project. In the event of damage of or destruction of part or all of the improvements in the Condominium Project, the following procedures shall apply:

(a) If proceeds of the insurance maintained by the Management Committee are alone sufficient to repair or reconstruct the damage or destroyed improvement, such repair or reconstruction shall be carried out.

(b) If less than 75% of the Project's improvements are destroyed or substantially damaged, and if proceeds of the insurance maintained by the Committee are not alone sufficient to accomplish repair or reconstruction, restoration shall be carried out and all the Unit Owners shall be assessed for any deficiency on the basis of their respective Percentage Interest.

BOOK 5340 PAGE 835

(c) If 75% or more of the Project's improvements are destroyed or substantially damaged, if proceeds of the insurance maintained by the Management Committee are not alone sufficient to accomplish restoration, and if the Unit Owners within 100 days after the destruction or damage by a vote of at least 75% elect to repair or reconstruct the affected improvements, restoration shall be accomplished in the manner directed under subparagraph (b) above.

(d) If 75% or more of the Project's improvements are destroyed or substantially damaged, if proceeds of the insurance maintained by the Committee are insufficient to accomplish restoration, and if the Unit Owners do not, within 100 days after the destruction or damage and by a vote of at least 75%, elect to repair or reconstruct the affected improvements, the Management Committee shall promptly record with the Salt Lake County Recorder a notice setting forth such facts. Upon the recording of such notice the provisions of the Act shall apply and shall govern the rights of all parties having an interest in the Project or any of the Units.

Any reconstruction or repair which is required to be carried out by this Paragraph 19 regarding the extent of damage to or destruction of Project improvements shall be made by three MAI appraisers selected by the Management Committee. The decision of any two such appraisers shall be conclusive.

20. Certain Provisions Applicable to Declarant. Notwithstanding any other provisions herein contained, for so long as Declarant continues to own any of the Units the following provisions shall be deemed to be in full force and effect, none of which shall be construed so as to relieve the Declarant from any obligations as Unit Owner to pay assessments, except as herein otherwise provided, as to each Unit owned by Declarant in accordance with the Declaration.

(a) Declarant specifically disclaims any intent to have made any warranty or representation in connection with the Project or the Declaration except as specifically set forth herein or in any agreement for sale of a Unit, and no person shall rely upon any warranty or representation not so specifically made therein.

(b) No amendment may be made to the Declaration without the written consent of Declarant so long as Declarant retains the ownership of one or more Units; provided, however, that the obligation to acquire said written consent of Declarant shall cease on a date two (2) years from the date of recording of the Declaration.

21. Amendment. Except as hereinafter provided, the vote of at least sixty-seven percent (67%) of the Percentage Interest of the Unit Owners in person or represented by proxy at a meeting of the Association, or any adjournment thereof, at which a quorum is present shall be required to amend the Declaration or the Map. Any amendment so authorized shall be accomplished through the recordation of an instrument executed by the Management Committee. In such instrument the Committee shall certify that the vote required by this Paragraph for amendment has occurred. The foregoing right of amendment shall be subject to the following paramount rights:

(a) Until all but one Unit of the Project have been sold, Declarant shall have, and is hereby vested with, the right to unilaterally amend this Declaration or the Map. Such right shall obtain without regard to the subject matter of amend-

BOOK 5340 PAGE 836

ment, so long as the amendment involved is consistent with law and does not attempt to divest any vested property rights of any Owner or Mortgagee.

(b) Notwithstanding anything to the contrary contained in the Declaration, including in the immediately preceding paragraph, neither Section 18 ("Insurance") nor Section 24 ("Rights of Mortgagee") shall be amended without the written approval of all institutional Mortgagees.

(c) Until the happening of the event mentioned in the second Paragraph of Section 16 of this Article III, no amendment to the Map or to any provision of this Declaration which has or may have the effect of diminishing or impairing any right, power, authority, privilege, protection, or control reserved to Declarant (in its capacity as Declarant) herein shall be accomplished or effective unless the instrument through which such amendment is purported to be accomplished is consented to in writing by Declarant.

22. Consent Equivalent to Vote. In those cases in which the Act or this Declaration requires the vote of a stated percentage of the Project's undivided ownership interest for the authorization or approval of a transaction, such requirement may be fully satisfied by obtaining, with or without a meeting, consents in writing to such transaction from Unit Owners who collectively hold at least the necessary percentage of undivided ownership interest.

23. Service of Process. Ivan W. Hall, whose address is 717 East 5th Avenue, Salt Lake City, Utah 84103, is the person to receive service of process in cases authorized by the Act. The Management Committee shall, however, have the right to appoint a successor substitute process agent. Such successor or substitute agent and his address shall be specified by an appropriate instrument filed in the office of the County Recorder of Salt Lake County, State of Utah.

24. Rights of Mortgagee. Notwithstanding anything to the contrary contained in the Declaration:

(a) An adequate reserve fund for repair, maintenance and replacement of those elements of the Common Areas that must be replaced on a periodic basis must be established and shall be funded by regular monthly payments rather than by special assessments.

(b) Any mortgage holder which comes into possession of the Unit pursuant to the remedies provided in the Mortgage or foreclosure of the Mortgage or deed (or assignment in lieu of foreclosure) shall be exempt from any "right of first refusal," or other provisions which may exist relating to sale or lease of the Units in the Project, and no right of first refusal shall impair the rights of any first mortgage to: (i) foreclose or take title to a Unit pursuant to the remedies provided in the Mortgage, or (ii) accept a deed (or assignment) in lieu of foreclosure in the event of default by a mortgagor, or (iii) interfere with a subsequent sale or lease of the Unit so acquired by the Mortgagee.

(c) In the event of damage to or destruction of any Unit, which loss exceeds \$1,000.00, or any part of the Common Areas, which loss exceeds \$10,000.00, the institutional holder of any first mortgage on a Unit shall be entitled to timely written notice to any such damage or destruction. No Unit Owner or other party shall be entitled to priority over such institutional holder with respect to the distribution to such Unit Owner of any

BOOK 5340 PAGE 837

insurance proceeds regardless of the amount of loss. Upon request of any first mortgagee of the Association must provide a letter to said first Mortgagee wherein the Association agrees to notify the first Mortgagee or any organization it designates at the address indicated by the Mortgagee whenever (i) damage to a Unit covered by the first Mortgagee's Mortgage exceeds \$1,000.00, or (ii) damage to the Common Areas and related facilities exceeds \$10,000.00.

(d) If any Unit or portion thereof or the Common Areas or any portion thereof is made the subject matter of any condemnation or eminent domain proceeding or is otherwise sought to be acquired by a condemning authority, the institutional holder of any first mortgage of a Unit shall be entitled to timely written notice of any such proceeding or proposed acquisition. No Unit Owner or other party shall have priority over such institutional holder regardless of the amount of the condemnation award with respect to the distribution to such Unit Owner of the proceeds of any award or settlement.

(e) With the exception of a lender in possession of a Unit following a default in a first mortgage, a foreclosure proceeding or any deed or other arrangement in lieu of foreclosure, no Unit Owner shall be permitted to lease his Unit for transient or hotel purposes. No Unit Owner may lease less than the entire unit. Any lease agreement shall provide that the terms of the lease shall be subject in all respects to the provisions of the Declaration and Bylaws and that any failure by the lessee to comply with the terms of such documents shall be a default under the lease. All leases shall be in writing.

(f) Each holder of a first mortgage lien on a Unit who obtains title to a Unit by virtue of remedies provided in the Mortgage, including but not limited to, foreclosure of the mortgage, or by deed of assignment in lieu of foreclosure, or any purchaser at a foreclosure sale, shall take the Unit free of unpaid charges and shall not be liable for any unpaid claims or assessments and charges against the Unit which accrue prior to the acquisition of title of such Unit Mortgagee.

(g) Any holder of a Mortgage is entitled to written notification from the Committee of any default by the mortgagor of such Unit in the performance of such mortgagor's obligation(s) under the Declaration which is not cured within sixty (60) days.

(h) Any lien which the Management Committee may have on any Unit in the Project for the payment of Common Expense assessments attributable to such Unit will be subordinate to the lien or equivalent security interest of any Mortgage on the Unit recorded prior to the date any such Common Expense Assessments become due.

(i) Unless at least two-thirds (2/3) of the first mortgagees (based on one vote for each Mortgage owned) or Owners (other than Declarant) of the individual Units have given their prior written approval, neither the Management Committee, Declarant, Owners, nor the Association shall:

(1) By act or omission, seek to abandon or terminate the Project, except in the case of substantial destruction by fire or other casualty or in the case of a taking by condemnation or eminent domain.

(2) Change the Percentage Interests or obligations of any Unit for (i) purposes of levying assessments or charges or allocating distributions of hazard insurance proceeds

BOOK 5340 PAGE 838

or condemnation awards or for (ii) determining the pro-rata share of ownership of each Unit in the appurtenant Common Areas.

(3) Partition or subdivide any Unit or of the Common Areas.

(4) By act or omission, seek to amend, partition, subdivide, encumber, sell, abandon or transfer the Common Areas. (The granting of easements for public utilities or for other public purposes consistent with the intended use of the Common Areas of the Project shall not be deemed a transfer within the meaning of this subparagraph).

(5) Use hazard insurance proceeds for losses to any condominium property (whether to Units or to the Common Areas) for other than the repair, replacement or reconstruction of such improvements, except as provided by statute in cases of substantial loss to the Units and/or the Common Areas of the Project.

(j) Any institutional holder of a Mortgage (or trust deed) of a Unit in the Project will, upon request, be entitled to examine the books and records of the Project during normal business hours.

(k) Whenever there is a change of ownership of a Unit, the Committee shall require that the new Unit Owner furnish the Committee with the name of the holder of any Mortgage (or trust deed) affecting such Unit. The Management Committee or Manager shall maintain a current roster of Unit Owners and of the holders of Mortgages (or trust deed) affecting Units in the Project.

(l) Any agreement for professional management which may be entered into by the Committee or the Association, or any other agreement providing for services of declarant or builder, shall provide for a term not exceeding three (3) years and shall also provide that either party, with or without cause, and without payment of any termination fee, may terminate such agreement upon not in excess of ninety (90) days written notice.

25. Duty of Owner to Pay Taxes on Unit Owned. It is understood that under the Act each Unit (and its Percentage Interest in the Common Areas) in the Project is subject to separate assessment and taxation of each taxing authority and the special district(s) for all types of taxes and assessments authorized by law, and that as a result thereof, no taxes will be assessed or levied against the Project as such, except for certain personal properties thereof. Accordingly, each Unit Owner will pay and discharge any and all taxes and assessments which may be assessed against him on his Unit.

26. Information Regarding Transferee of Unit. Any Unit Owner who sells, leases, or otherwise disposes of his Unit shall submit to the Committee pertinent information concerning the transferee or new occupant within one week of any transfer of title or possession on a form furnished by the Committee.

27. Liability and Indemnification of Management Committee. No member of the Management Committee shall be liable to the Unit Owners for any mistake of judgment, for negligence, or on other grounds, except for such member's own individual and willful misconduct or bad faith. The Unit Owners shall indemnify and hold harmless each member of the Management Committee from and against all liability to third parties arising out of any contract made by the Management Committee on behalf of the Owners, unless such contract was made in bad faith or contrary to

the provisions of the Act or this Declaration. The liability of any Unit Owner arising out of any contract made by the Management Committee or out of the indemnification provision set forth in the foregoing portion of this Section 27 shall be limited to the total liability concerned multiplied by such Owner's undivided ownership interest in the Common Areas.

28. Declarant's Rights Assignable. All of the rights of Declarant under this Declaration may be assigned or transferred either by operation of law or through a voluntary conveyance, transfer, or assignment.

29. Invalidity. The invalidity of any provisions of this Declaration, or any portion thereof, shall not be deemed to impair or affect in any manner the validity, enforceability, or effect of the remainder of this Declaration and, in such event, all of the other provisions of this Declaration shall continue in full force and effect as if such invalid provision had never been included herein.

30. Waiver. No provision contained in this Declaration shall be deemed to have been abrogated or waived by reason of any failure to enforce the same, irrespective of the number of violations or breaches which may occur.

31. Gender. The use of the masculine gender in this Declaration shall be deemed to refer to the feminine gender and the use of the singular shall be deemed to refer to the plural, and vice versa, whenever the context so requires.

32. Topical Headings. The headings appearing at the beginning of the paragraphs of this Declaration are only for convenience of reference and are not intended to describe, interpret, define, limit, extend, or otherwise affect the content, meaning or intent of this Declaration or any paragraph or provision hereof.

33. Conflicts. This Declaration is set forth to comply with the requirements of the Act. In the event of any conflict between this Declaration and the provisions of the Act, the provisions of the latter shall control.

34. Covenants to Run With Land; Compliance. This Declaration and all the provisions hereof shall constitute covenants running with the land or equitable servitudes, as the case may be, and shall be binding upon and shall inure to the benefit of Declarant, all parties who hereafter acquire any interest in a Unit or in the Project, and their respective grantees, transferees, heirs, devisees, personal representatives, successors, and assigns. Each Owner or occupant of a Unit shall comply with, and all interests in all Units shall be subject to, the terms of the Act, the terms of this Declaration, the Bylaws, and the provisions of any rules, regulations, agreements, instruments, and determinations contemplated by this Declaration, and failure to comply shall be grounds for an action to recover sums due for damages or injunctive relief or both, maintainable by the Committee on behalf of Unit Owners, or, in a proper case, by an aggrieved Unit Owner. By acquiring any interest in a Unit or in the Project, the party acquiring such interest consents to, and agrees to be bound by, each and every provision of this Declaration.

35. Effective Date. This Declaration shall take effect upon recording in the office of the County Recorder of Salt Lake County, Utah.

3. Personal Application. All present and future Owners, tenants, future tenants, their licensees, servants, agents, employees and any other person or persons who shall be permitted to use the facilities of the Project, shall be subject to these Bylaws. 4. Office. The office of the Project and of the Management Committee shall be located at the Project or at such other place as may be designated from time to time by the Management Committee.

ARTICLE II

ASSOCIATION

1. Composition. All of the Unit Owners, acting as a group in accordance with the Act, the Declaration and these Bylaws, shall constitute the Association, who shall have the responsibility of administering the Project, establishing the means and methods of collecting the contributions to the Common Expenses, arranging for the management of the Project, and performing all of the acts that may be required to be performed by the Association. Except as to those matters which the Act specifically requires to be performed by the vote of the Unit Owners, the administration of the Project shall be performed by the Committee, unless delegated to the Manager.

2. Voting. The total number of votes in the Association shall be one hundred (100), and each Unit shall be entitled to the number of votes proportionate to the Percentage Interest assigned to such Unit in the Declaration. Since a Unit Owner may be more than one person, if only one of such persons is present

BOOK 5340 PAGE 844

at a meeting of the Association that person shall be entitled to cast the votes appertaining to that unit. But if more than one of such persons is present, the vote appertaining to that Unit shall be cast only in accordance with the agreement of a majority of them, and such consent shall be conclusively presumed if any one of them purports to cast the vote appertaining to that Unit without protest being made forthwith by any of the others to the person presiding over the meeting. Since a person need not be a natural person, the word "person" shall be deemed for the purposes of this Section to include, without limitation, any natural person having authority to execute deeds on behalf of any person, excluding natural persons, which is, either alone or in conjunction with another person or persons, a Unit Owners. Except where a greater number is required by the Act, the Declaration, or these Bylaws, a majority of the votes of Unit Owners present, in good standing and entitled to vote is required to adopt decisions at any meetings of the Association. If the Declarant owns or holds title to one or more Units, the Declarant shall have the right at any meeting of the Association to cast the votes to which such Unit(s) is entitled.

3. Place of Meeting. Meetings of the Association shall be held at the principal office of the Project or at such other suitable place as may be designated by the Committee and stated in the notice of the meeting.

4. Annual Meeting. The first annual meeting of the Association shall be held on a date to be determined by the Committee, which date shall be no later than ninety (90) days after Units representing seventy-five percent (75%) of the Percentage Interests have been legally conveyed by the Declarant to purchasers thereof. Notice of such meeting shall be given in accordance with the provisions of Section 6 of this Article II. At such meeting the persons designated by the Declarant shall resign as members of the Committee, and all of the Owners, including the Declarant if the Declarant owns any unit or units, shall elect a new Committee. Thereafter, the annual meetings of the Association shall be held on the same date of each succeeding year, unless such date shall occur on a Sunday or holiday, in which event the meeting shall be held on the next succeeding Monday which is not a holiday. At such annual meetings the Committee shall be elected by ballot of the Owners in accordance with the requirements of Section 4 of Article III. The foregoing notwithstanding, until Units representing seventy-five percent (75%) of the Percentage Interests have been legally conveyed by the Declarant, the Declarant shall be entitled to elect or any portion all of the members of the Committee which members shall serve until their successors are elected. The Association may transact such business as may properly come before them at such meeting.

5. Special Meetings. It shall be the duty of the President to call a special meeting of the Association if so directed by resolution of the Committee or, after all of the Committee has been elected by Unit Owners other than Declarant, upon a petition signed and presented to the Secretary by Owners having not less than 30% of the votes of all Owners. The notice of any special meeting shall state the time and place of such meeting and the purpose thereof. No business shall be transacted at a special meeting except as stated in the notice.

6. Notice of Meeting. It shall be the duty of the Secretary to mail, by United States mail, return receipt

BOOK 5340 PAGE 845

requested, a notice of (a) each annual meeting of the Owners, at least twenty (20) days in advance of such meeting and (b) each special meeting of the Owners at least seven (7) days in advance of such meeting, stating the purpose thereof as well as the time and place where it is to be held, to each Owner of record, at the address of their respective Units and at such other address as each Owner may have designated by notice in writing to the Secretary. The mailing of a notice of meeting in the manner provided in this Section shall be considered service of notice.

7. Voting Requirements. An Owner shall be deemed to be in "good standing" and "entitled to vote" at any annual meeting or at any special meeting of the Association if, and only if, he shall have fully paid all due installments of assessments made or levied against him and his Unit by the Committee as hereinafter provided, together with all interest, costs, attorney's fees, penalties and other expenses, if any, properly chargeable to him and against his Units, at least three (3) days prior to the date fixed for such annual or special meeting.

8. Proxies. The votes appertaining to any Unit may be cast pursuant to a proxy or proxies duly executed by or on behalf of the Unit Owner, or, in cases where the Unit Owner is more than one person, by or in behalf of all such persons. No such proxy shall be revocable except by actual notice to the person presiding over the meeting, by the Unit Owner or by any of such persons, that it be revoked. Any proxy shall be void if it is not dated, if it purports to be revocable without notice as aforesaid. The proxy of any person shall be void if not signed by a person having authority, at the time of the execution thereof, to execute deeds on behalf of that person. Any proxy shall terminate automatically upon the adjournment of the first meeting, held on or after the date of that proxy, and must be filed with the Secretary before the appointed time of that meeting.

9. Quorum. Except as may otherwise be provided herein or by statute, a majority of the Owners shall constitute a quorum for the adoption of decisions. If, however, such quorum shall not be present or represented at any meeting, the Owners entitled to vote thereat, present in person or represented by proxy, shall have power to adjourn the meeting and reschedule for a time no earlier than 48 hours, and no later than thirty (30) days after the time set for the original meeting. No notice of such rescheduled meeting shall be required. A quorum for the transaction of business at the rescheduled meeting shall be thirty percent (30%) of the Percentage Interest.

10. Order of Business. The order of business at all meetings of the Association shall be as follows: (a) roll call; (b) proof of notice of meeting; (c) reading of minutes of preceding meeting; (d) reports of officers; (e) report of special committees, if any; (f) election of inspectors of election, if applicable; (g) election of Committee Members, if applicable; (h) unfinished business; and (i) new business.

11. Title to Unit. Title to Units may be taken in the name of a natural person or in the names of two or more natural persons, or in the name of a corporation, partnership, association, or other entity capable of holding title to real property, or any combination thereof.

12. Conduct of Meeting. The Chairman shall, or in his absence the Vice-Chairman, preside over all meetings of the Asso-

ciation and the Secretary shall keep the minutes of the meeting and record in a Minute Book all resolutions adopted by the meeting as well as a record of all transactions occurring thereat.

### ARTICLE III

#### MANAGEMENT COMMITTEE

1. Powers and Duties. The affairs and business of the Association shall be managed by the Committee of three members which shall have all of the powers and duties necessary for the administration of the affairs of the Association as provided in the Declaration and in these Bylaws and may do all such acts and things as are not by the Act or by these Bylaws directed to be exercised and done by the Association. The Committee shall have the power from time to time to adopt any Rules and Regulations deemed necessary for the enjoyment of the Project provided such Rules and Regulations shall not be in conflict with the Act, the Declaration or these Bylaws.
