This right-of-way and easement shall carry with it the right to use any available access road(s) for the purpose of conducting the foregoing activities. During temporary periods, Grantee may use such portion of the property along and adjacent to said right-of-way as may be reasonably necessary in connection with construction, maintenance, repair, removal or replacement of the facilities. Grantor(s) shall have the right to

Without limiting the generality of the foregoing, Grantor(s) does hereby covenant, warrant and agree as follows:

1. 2. Grantor(s) shall not change the contour within the right-of-way without prior written consent of Grantee.

3. Grantor(s) shall not plant, or permit to be planted, any deep rooted trees, or any vegetation with roots that may damage the Facilities, within the right-of-way, without prior written consent of Grantee.

4. Grantor(s) shall not place personal property within the right-of-way that impairs the maintenance or operation of the Facilities.

5. Grantee shall have the right to cut and remove timber, trees, brush, overhanging branches, landscaping and improvements or other obstructions of any kind and nature which may injure or interfere with Grantee's use, occupation or enjoyment of this easement and right-of-way, without liability to Grantor(s), and without any obligation of restoration or compensation.

6. Grantor(s) agrees to indemnify, hold harmless and defend Grantee, its agents and employees, from all claims, mechanics liens, demands, damages, actions, costs and charges for personal injury and property damage, and any other liabilities, including attorney's fees, arising out of or by any reason of Grantor's use of the easement or any activities conducted thereon by Grantor(s), his/her/its agents, employees, invitees or as a result of Grantor's negligence.

Grantee, following the installation or maintenance, of the facilities, shall restore the surface of the right-of-way and easement, and any improvements, to, as near as practicable, the condition of the surface, prior to said installation or maintenance.

This right-of-way shall be binding upon and inure to the benefit of the successors and assigns of Grantor(s) and the successors and assigns of Grantee, and may be assigned in whole or in part by Grantee.

It is hereby understood that any parties securing this grant on behalf of Grantee are without authority to make any representations, covenants or agreements not herein expressed.
