DIXIE B MATHESON - IRON COUNTY RECORDER

REQUEST: CEDAR CITY CORPORATION

A RESOLUTION AUTHORIZING THE CITY OFFICIALS TO PROCEED TO CONSTRUCT ADDITIONAL IMPROVEMENTS WITHIN THE CEDAR CITY, UTAH SPECIAL IMPROVEMENT DISTRICT NO. 98-1 AS SET FORTH IN THE NOTICE OF INTENTION ADOPTED BY THE CITY ON APRIL 28, 1999; AUTHORIZING THE CITY ENGINEER TO PREPARE A NOTICE TO CONTRACTORS FOR SEALED BIDS WITH RESPECT TO THE CONSTRUCTION OF THE IMPROVEMENTS; AND RELATED MATTERS.

BE IT RESOLVED by the Mayor and City Council of Cedar City, Iron County, Utah:

Section 1. The City Council of Cedar City, Iron County, Utah, hereby determines that it will be in the best interest of the Municipality to construct additional improvements within the Cedar City, Utah Special Improvement District No. 98-1 (the "District"). The District was previously created by resolution adopted by the City on April 8, 1998. The specific description of the nature of the additional improvements is more particularly set out in the Notice of Intention adopted on April 28, 1999, which has been published and mailed as required by law.

Section 2. The City Council has heretofore considered each and every protest filed and has heard each and every person who wished to be heard in protest against the making of any of the improvements therein or on any other matter pertinent to the District. In view of the protests received at the meeting held for that purpose on June 9, 1999, action was deferred by the City Council until this meeting.

Section 3. The improvements proposed and described in the Notice of Intention adopted on April 28, 1999, are hereby authorized, and the improvements to be constructed within the District are hereby extended to include said additional improvements.

Section 4. As required by law, the City Recorder is hereby authorized and directed to file a copy of the Notice of Intention adopted on April 28, 1999 and resolution creating the District as finally approved, together with a list of properties proposed to be assessed described by tax identification number and legal description, in the Iron County Recorder's office within five days from the date hereof.

Section 5. In addition to the requirements of Section 4 hereof, immediately upon its adoption, this Resolution shall be placed in the records of the City where it will be continuously available for public inspection on a reasonable basis at the office of the City during regular business hours of the City, from and after the date hereof through and including the last date of issuance of the bonds or such other time as is determined by the City.

Section 6. The City Engineer is hereby authorized to prepare a notice to contractors for the receipt of bids for the construction of improvements. Said notice shall specify the time and place for the receipt of sealed bids and shall publish the notice one time in a newspaper having general circulation in the Municipality at least fifteen (15) days before the date specified for the receipt of sealed bids. The City Council shall in open session at the time specified in the notice, open, examine and publicly declare the bids and may reject any or all bids when deemed for the public good and, at such or a later meeting, shall reject all bids other than the lowest and best bid of a responsible bidder. If the price bid by the lowest and best responsible bidder exceeds the estimated costs as determined by the City Engineer, the City Council may nevertheless award a contract for the price so bid. The City Council may in any case refuse to award a contract and may obtain new bids after giving a new notice to contractors or may determine to abandon the district or not to make some of the improvements proposed to be made.

Councilmember Kip Hansen seconded the motion to adopt the foregoing Resolution. The Resolution was thereupon put to a vote and unanimously adopted on the following recorded vote:
