

Resolution 2020-13

A RESOLUTION OF THE WILLARD CITY COUNCIL DISSOLVING THE WILLARD CITY WASTE WATER SPECIAL SERVICE DISTRICT

Whereas, the Willard City Waste Water Special Service District was created in August 2013 to service an area within Willard City as shown on Attachment A, and

Whereas the Willard City Waste Water Special Service District never provided waste water service because subsequently Willard City entered into an interlocal agreement with Perry City and created the Perry Willard Waste Water Treatment Facility, and

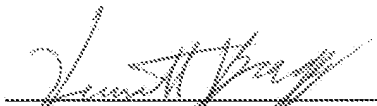

Whereas the area in Attachment A is now serviced by the Perry Willard Waste Water Treatment Facility, and

Whereas Utah State Code 17D-1-601 provides that a municipality's governing body may by resolution dissolve a special service district if the district is no longer needed for the purposes for which it was created, and

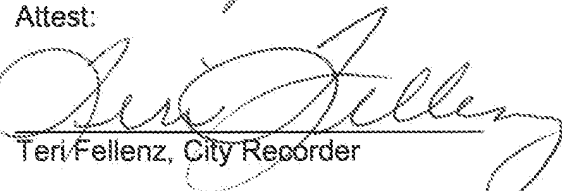

Whereas the Willard City Council finds that the Willard City Waste Water Special Service District is no longer needed to provide sewer service to the area in Willard City described in Exhibit A attached,

Now therefore, be it resolved by the Willard City Council that the Willard City Waste Water Special Service District is hereby dissolved.

Passed this 11 day of June, 2020 by a vote of 4 for and 0 against.

Kenneth Braegger, Mayor Willard City
