AGREEMENT For: TREMONTON CITY Pages: 19
Chad Montgomery, Box Elder County Utah Recorder FEE \$40.00

Approved for use by Tremonton City Council Resolution No.18-09

WHEREAS, Developer desires to develop the Property and Developer has submitted to the City all plats, plans (including utility plans), reports and other documents required for the approval of a Final Plat according to the City's outlined policies, procedures, and code; and

WHEREAS, the Parties hereto have agreed that the development of the Property will require municipal services from the City in order to serve such area and will further require the installation of certain improvements primarily of benefit to the lands to be developed and not to the City of Tremonton as a whole; and

WHEREAS, the City has approved the Final Plat for recording with the Recorder's Office of Box Elder County, Utah, which was submitted by the Developer subject to certain requirements and conditions, which involved the installation of and construction of utilities and other municipal improvements in connection with the Property; and

WHEREAS, Utah Code 10-9a-102 provides the City's general land use authority to adopt ordinances, resolutions, rules, and may enter into development agreements.

NOW, THEREFORE, in consideration of the promises of the Parties hereto and other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, it is agreed as follows:

SECTION 1. GENERAL CONDITIONS

A. **Development Activities.** The terms of this Agreement shall govern all development activities of the Developer pertaining to the Property. For the purposes of this Agreement, "development activities" shall include, pursuant to Utah Code Annotated (hereinafter "U.C.A.") § 10-9a-103(8), but be not limited to, the following: any change in the use of land that creates additional demand and need for public facilities. Furthermore, for purposes of this agreement only, "development activities" shall also include the following: (1) the actual construction of improvements, (2) obtaining a permit therefore, or (3) any change in grade, contour or appearance of the Property caused by, or on behalf of, the Developer with the intent to construct improvements thereon, none of which shall occur until execution of the Agreement and City approval of the Final Plat.

B. **Time Limitations for Improvements.** All water lines, sanitary sewer collection lines, storm sewer lines and facilities, streets, curbs, gutters, sidewalks, streetlights, and trails shall be installed as shown on the Final Plat, Construction Drawings and in full compliance with the standards and specification of the City, at the time of approval of the Final Plat, subject to a two (2) year time limitation from the date of approval of the Final Plat, which is in compliance with Title II, Chapter 2.05 of the Tremonton City Land Use and Development Code. In the event that the Developer commences or performs any construction pursuant hereto after the passage of two (2) years from the date of approval of the Final Plat, the Developer shall resubmit the Final Plat and documentation supporting a new guaranty bond to the City Engineer for reexamination. Pursuant to U.C.A. § 10-9a-603, the City may then require the Developer to comply with the approved standards and specifications of the City at the time of resubmission.

After two (2) years from the date of approval of the Final Plat, if any development improvements have not been completed, the City, at its sole discretion, may use the guaranty bond money to complete development improvements.

C. **Culinary Water and Sewer Treatment Capacity.** The City, which includes the Tremonton City Culinary Water Authority and Tremonton City Sanitary Sewer Authority, does not reserve or warrant water capacity or sewer treatment capacity until the issuance of a building permit. Recording of the Final Plat, execution of this Agreement, and/or recording of any lot within the Development does not constitute a reservation or warranty for water capacity and/or sewer treatment capacity

D. **Fee-in-Lieu Payments.** In cases where a Developer shall be required by City Ordinance to install an improvement, but circumstances, as determined by the City Engineer, prevent the construction of the improvement, the Developer shall pay a fee-in-lieu of construction. The fee-in-lieu payment shall be the current cost of constructing the improvement as estimated by the City Engineer and formalized in Section 2- "Special Conditions in this Agreement." The fee-in-lieu payment shall be used towards the costs of installing the required improvements, the timing of when said improvement shall be constructed shall be at the sole discretion of the City and absolve the Developer from making the improvement in the future or paying the future cost of the required improvement.

E. **Off-Site Project Improvements.** Developer may be required to install off-site improvements without participation or reimbursement from the City or surrounding property owners. Such improvements are identified as "Project Improvements" as defined by Utah Code Annotated 11-36a-102 (14), which generally include improvements that are: 1) planned and designed to provide service for the Development; 2) necessary for the use and convenience of the occupants or users of the Development; and 3) improvements that are not identified or reimbursed as a "System Improvement" as defined by Utah Code Annotated 11-36a-102 (21).

F. **Secondary Water System.** In accordance with Utah Code Annotated 10-9a-508, subdivisions that require water service shall provide to the City, in addition to those requirements and improvements associated with culinary water, the necessary water shares in the Bear River Canal Company sufficient to meet the municipal needs that will be created by the Development. Said dedication of water shares shall occur prior to, or contemporaneous with, the approval for subdivision of Property. All such water share dedications shall occur prior to the recording of the subdivision with the Box Elder County Recorder. Developer shall also construct a secondary water transmission and distribution system in accordance with the City's construction standards sufficient to satisfy the existing and future uses of the occupants to be supplied by the City's Secondary Water System in the Development. The use of the water shares dedicated to the City by the Developer and connection of the Developer's installed secondary water distribution system within the Development to secondary water transmission lines constructed by the City, shall be at the sole discretion of the City.

G. **Building Permit Issuance.** No building permit for the construction of any structure within the development shall be issued by the City until all individual lots in the development are staked by licensed surveyor, the public water lines and stubs to each lot,

charged fire hydrants, sanitary sewer lines and stubs to each lot, street lights and public streets (including all weather access, curb, gutter, and pavement with at least the base course completed), serving such structure have been completed and accepted by the City.

H. **Certificate of Occupancy.** No Certificates of Occupancy shall be issued by the City for any structure within the development until gas lines to the structure are installed, street signs are installed, and all electrical lines are installed.

I. **Financial Responsibilities of Developer.** Except as otherwise herein specifically agreed, the Developer agrees to install and pay for all water, sanitary sewer, and storm drainage facilities and appurtenances, and all streets, curbs, gutters, sidewalks, trails and other public improvements required by this Development as shown on the Final Plat, Construction Drawings and other approved documents pertaining to this Development on file with the City.

J. **Utility Line Installments.** Street improvements shall not be installed until all utility lines to be placed therein have been completely installed, including all individual lot service lines (water and sewer) leading in and from the main to the property line, all electrical lines, and all communication conduits.

K. **Inspection by City Officials.** The installation of all utilities shown on the Final Plat and Construction Drawings shall be inspected by the Engineering Department and/or Public Works Department of the City and shall be subject to such department's approval. The Developer agrees to correct any deficiencies in such installations in order to meet the requirements of the plans and/or specifications applicable to such installation. In case of conflict, the Tremonton City Public Works Standards shall supersede the Final Plat and Construction Drawings, unless written exceptions have been made.

L. **Form of Recorded Drawings.** The Developer shall provide the City Engineer with two (2) certified Record Plan Drawings upon completion of each phase of the construction. Utilities will not be initially accepted prior to as-built drawings being submitted to and approved by the City of Tremonton. The City reserves the right to request alternative forms of plans (i.e., CAD drawings, GIS images, etc.).

M. **Developer Compliance with EPA and other Regulations.** The Developer specifically represents that to the best of its knowledge all property dedicated (both in fee simple and as easements) to the City associated with this Development (whether on or off-site) is in compliance with all environmental protection and anti-pollution laws, rules, regulations, orders or requirements, including solid waste requirements, as defined by the U.S. Environmental Protection Agency Regulations at 40 C.F.R. Part 261, and that such property as is dedicated to the City pursuant to this Development, is in compliance with all such requirements pertaining to the disposal or existence in or on such dedicated property of any hazardous substances, pollutants or contaminants, as defined by the Comprehensive Environmental Response Compensation and Liability Act of 1980, as amended, and regulations promulgated thereunder. The Developer, for itself and its successor(s) in interest, does hereby indemnify and hold harmless the City from any liability whatsoever that may be imposed upon the City by any governmental authority or any third Party, pertaining to the disposal of hazardous substances,

pollutants or contaminants, and cleanup necessitated by leaking underground storage tanks, excavation and/or backfill of hazardous substances, pollutants or contaminants, or environmental cleanup responsibilities of any nature whatsoever on, of, or related to any property dedicated to the City in connection with this Development, provided that such damages or liability are not caused by circumstances arising entirely after the date of acceptance by the City of the public improvements constructed on the dedicated property, except to the extent that such circumstances are the result of the acts or omissions of the Developer. Said indemnification shall not extend to claims, actions or other liability arising as a result of any hazardous substance, pollutant or contaminant generated or deposited by the City, its agents or representatives, upon the property dedicated to the City in connection with this Development. The City agrees to give notice to the Developer that he must obtain a complete discharge of all City liability through such settlement. Failure of the City to give notice of any such claim to the Developer within ninety (90) days after the City of first receives a notice of such claim under the Utah Governmental Immunity Act for the same, shall cause this indemnity and hold harmless agreement by the Developer to not apply to such claim and such failure shall constitute a release of this indemnity and hold harmless agreement as to such claim.

N. **City Ownership Rights.** The Developer acknowledges and agrees that the City, as the owner of any adjacent property (the "City Property") on which off-site improvements may be constructed, or that may be damaged by the Developer's activities hereunder, expressly retains (and does not by this Development Agreement waive) its rights as property owner. The City's rights as owner may include without limitation those rights associated with the protection of the City Property from damage, and/or the enforcement of restrictions, limitations and requirements associated with activities on the City Property by the Developer as an easement recipient.

O. **Developer Vesting.** Developer, by and through execution of this agreement, receives a vested right to develop the number of lots shown and configured on the Final Plat, without interference from the City, so long as development is completed in accordance with the plans specifically shown on the Final Plat, Construction Drawings and pursuant to the statutory requirements codified by Utah State and Tremonton City Codes. Furthermore, following execution of the Agreement, Developer's right to develop and construct in accordance with the statutory requirements at the time of execution of the Agreement shall be deemed vested.

SECTION 2. SPECIAL CONDITIONS

A. **Fee in Lieu Street Lights.** That the Developer pays a fee in lieu in the amount of \$3,000.00 for 2 (two) street lights before recording the plat. The Developer shall be responsible for installing the conduit for the street lights per Rocky Mountain Power's standards. It shall be the responsibility of the City to maintain the street lights after installation.

B. **Private Streets.** That the Developer and City agree that all streets within the Development are private streets because they are not being built to the City's standards for width or construction and are to be maintained by the respective homeowner's association. The Developer shall expressly include language regarding the

perpetual maintenance obligation of these private streets in the homeowner's association, Covenants, Conditions, and Restrictions.

C. Utilities in the Private Streets. The Developer shall design and construct the utilities within these private streets to the City's construction standards, and the following utilities are dedicated within the private streets to Tremonton City to be owned and maintained: culinary water, secondary water, sewer collection, and storm drain. The Developer shall bond for all culinary water, secondary water, sewer collection, and storm drain within a private street.

D. Bear River Water Canal Shares. In accordance with Section 2.06.105 of the Tremonton City Land Use Code, the Developer dedicates to Tremonton City 3.09 water shares in the Bear River Canal Company. At the time of the signing of this Agreement, the City acknowledges that the Developer has dedicated the required water shares.

E. Open Trench & UTOPIA. In accordance with Section 2.06.060 of the Tremonton City Land Use Code, the Developer will give written notice to utility companies, including UTOPIA, a minimum of ten (10) days prior to the availability of access to open trenches. Tremonton City currently has the following individuals as the appropriate UTOPIA representatives to coordinate the open trench:

Brian Kelsey
Outside Plant Design Manager
Office: (801) 613-3868 | Cell: (801)-792-1353

kperkins@utopiafiber.com

F. Frontage Improvements Rocket Road. The Developer shall construct the following frontage improvements in front of their Development on Rocket Road, which includes a curb, gutter, and an eight (8) foot sidewalk. The City shall pay the Developer the actual incremental costs associated with upsizing the sidewalk on Rocket Road from four (4) feet to eight (8) feet, which has been estimated to be \$1,485. At the completion of these improvements, the Developer or their subcontractor shall invoice the City half the actual costs associated with the construction of the eight (8) sidewalk, with the Developer being responsible for the cost of the remainder of the aforementioned frontage improvements. The City will pay the Developer for the increased sidewalk upon inspecting that the work has been completed and submission of sufficient documentation that verifies the actual cost of the upsizing the sidewalk.

G. Amenities & Timeframe. In accordance with Section 1.16.125 of the Tremonton City Land Use Code, the Developer shall commence with the amenities listed

below upon completion of seventy-five (75) percent of the units that are being associated within the Aspen Ridges Overlay Zoning District. The amenities below shall be completed before ninety (90) percent of the units are completed within the Aspen Ridge Overlay Zoning District. It is anticipated there will be 150 total units with the Aspen Ridges Overlay Zoning District, and as such, construction of the amenities shall commence upon completion of 112 units, and the amenities shall be completed prior to completing 135 units. The amenities shall include the following:

1. Swimming Pool & Spa. A large swimming pool with a built-in splash pad along with an oversized custom in-ground Jacuzzi.
2. Clubhouse. A clubhouse that features thirty (30) seat community movie theater; large great room with vaulted ceilings; and a community banquet area with kitchenette.
3. Fitness Center. Fitness center with commercial-grade cardio machines, fitness equipment, surround sound system, and satellite TV.
4. Playground & Pavilion. Large playground with artificial turf and oversized pavilion with numerous picnic tables.

H. Exterior Materials. In accordance with Section 1.16.125 of the Tremonton City Land Use Code, that all buildings structures shall be constructed out of masonry materials including but not limited stone, stucco, cement board, etc.

I. Secondary Water Upsizing. In accordance with Section 2.05.020 of the Tremonton City Land Use Code, the City will pay the actual incremental pipe costs to upsize the secondary water main and gate valves from 6" to 8" within the Development, which has been estimated by the City Engineer to be \$9,600.00. Tremonton City will also pay the actual incremental pipe actual costs to upsize the secondary water main and gate valves from 6" to 10" in Rocket Road, which has been estimated by the City Engineer to be \$3,950.00. The City will pay the Developer for the actual cost to increase pipe size and gate valves upon inspecting that the work has been completed and submission of sufficient documentation that verifies the actual cost of the upsizing.

J. Fencing. On March 15, 2016, the Tremonton City Council approved Resolution No. 16-16, adopting an Impact Fee Reimbursement Agreement for the dedication of a 20' corridor of land paralleling the canal for a trail system. In section 3.3 of this agreement, Tremonton City agreed to participate equally in the cost to construct a fence when the Developer subdivided the land into future residential lots. The Aspen Ridge, Phase 1 subdivision, has 550 linear feet of fence, with the City portion estimated to be \$6,600 for the fencing and \$1,650 each for the concrete mow strip.

SECTION 3. MISCELLANEOUS

A. **Construction Site Safety.** The Developer agrees to provide and install, at its expense, adequate barricades, flaggers, warning signs and similar safety devices at all construction sites within the public right-of-way and/or other areas as deemed necessary by the City Engineer, City Public Works Department, and Traffic Engineer in accordance with any and all Federal Regulations, the City's Policies and Procedures, Utah Department of Transportation Requirements, OSHA, and Manual of Uniform Traffic Control Devices ("MUTCD") and shall not remove said safety devices until the construction has been completed.

B. **Construction Site Waste.** The Developer shall, at all times, keep the public right-of-way free from accumulation of waste material, rubbish, or building materials caused by the Developer's operation, or the activities of individual builders and/or subcontractors; shall remove such rubbish as often as necessary, but no less than daily and; at the completion of the work, shall remove all such waste materials, rubbish, tools, construction equipment, machinery, and surplus materials from the public right-of-way. The Developer further agrees to maintain the finished street surfaces so that they are free from dirt caused by the Developer's operation or as a result of building activity. Any excessive accumulation of dirt and/or construction materials shall be considered sufficient cause for the City to withhold building permits and/or certificates of occupancy until the problem is corrected to the satisfaction of the City Building Inspector and/or the City Public Works Director. If the Developer fails to adequately clean such streets within two (2) days after receipt of written notice, the City may have the streets cleaned at the Developer's expense and the Developer shall be responsible for prompt payment of all such costs. The Developer also agrees to require all contractors within the Development to keep the public right-of-way clean and free from accumulation of dirt, rubbish, and building materials. Under no circumstances shall the Developer or any sub-contractors use open burning procedures to dispose of waste materials.

C. **Compliance with City Building Inspector, City Engineer, and City Public Works Director.** The Developer hereby agrees that it will require its contractors and subcontractors to cooperate with the City's Building Inspector, City Engineer, or City Public Works Director by ceasing operations when winds are of sufficient velocity to create blowing dust, which, in the inspector's opinion, is hazardous to the public health and welfare.

D. **Protection Strips and Undevelopable Lots.** Developer covenants and warrants that they have not, or will not in the future, unlawfully divide real property in such a way that a parcel of property is created or left behind that cannot be developed according to the requirements of Tremonton City Land Use Ordinances, or other applicable laws. Examples of a parcel of property that is created or left behind that cannot be developed include, but are not limited to, spite strips or protection strips, which are parcels created or left for the sole purpose of denying another property owner access to their property, parcels with insufficient square footage, parcels with insufficient buildable area, parcels that do not meet the requirements of Tremonton City Land Use Ordinances, and parcels that do not abut on a dedicated street. When a Developer unlawfully divides property, the Developer agrees, as a remedy, to dedicate and otherwise deed ownership of these undevelopable parcels of land to the City, within thirty (30) days of the City's written request.

E. Consequences of Developer non-compliance with Final Plat and the Agreement. The Developer shall, pursuant to the terms of this Agreement, complete all improvements and perform all other obligations required herein, as such improvements or obligations may be shown on the Final Plat and Construction Drawings, or any documents executed in the future that are required by the City for the approval of an amendment to the Final Plat or the Agreement, and the City may place liens on vacant lots still owned by the Developer and or withhold such building permits and certificates of occupancy as it deems necessary to ensure performance in accordance with the terms of the Agreement.

F. No Waiver of Regulation(s). Nothing herein contained shall be construed as a waiver of any requirements of the City Code or the Utah Code Annotated, in its current form as of the date of approval of the Final Plat, and the Developer agrees to comply with all requirements of the same.

G. Severability of Waivers. A waiver by any party of any provision hereof, whether in writing or by course of conduct or otherwise, shall be valid only in the instance for which it is given, and shall not be deemed a continuing waiver of said provision, nor shall it be construed as a waiver of any other provision hereof.

H. City Council Budgetary Discretion. All financial obligations of the City arising under this Agreement that are payable after the current fiscal year are contingent upon funds for the purpose being annually appropriated, budgeted and otherwise made available by the Tremonton City Council, in its discretion.

I. Covenants Run with the Land. This Agreement shall run with the Property, including any subsequent, approved, amendments to the Final Plat of all, or a portion of the Property. This Agreement shall also be binding upon and inure to the benefit of the Parties hereto, their respective personal representatives, heirs, successors, grantees and assigns. It is agreed that all improvements required pursuant to this Agreement touch and concern the Property regardless of whether such improvements are located on the Property. Assignment of interest within the meaning of this paragraph shall specifically include, but not be limited to, a conveyance or assignment of any portion of the Developer's legal or equitable interest in the Property, as well as any assignment of the Developer's rights to develop the Property under the terms and conditions of this Agreement.

J. Liability Release. With limitations pursuant to Utah Code Annotated § 10-9a-607, in the event the Developer transfers title to the Property and is thereby divested of all equitable and legal interest in the Property, the Developer shall be released from liability under this Agreement with respect to any breach of the terms and conditions of this Agreement occurring after the date of any such transfer of interest. In such event, the succeeding property owner shall be bound by the terms of this Agreement.

K. Default and Mediation. Each and every term of this Agreement shall be deemed to be a material element hereof. In the event that either Party shall fail to perform according to the terms of this Agreement, such Party may be declared in default. In the event that a Party has been declared in default hereof, such defaulting Party shall be given written notice specifying

such default and shall be allowed a period of ten (10) days within which to cure said default. In the event the default remains uncorrected, the Party declaring default may elect to: (a) terminate the Agreement and seek damages; (b) treat the Agreement as continuing and require specific performance or; (c) avail itself of any other remedy at law or equity.

In the event of the default of any of the provisions hereof by either Party, which shall give rise to commencement of legal or equitable action against said defaulting Party, the Parties hereby agree to submit to non-binding mediation before commencement of action in any Court of law. In any such event, defaulting Party shall be liable to the non-defaulting Party for the non-defaulting Party's reasonable attorney's fees and costs incurred by reason of the default. Nothing herein shall be construed to prevent or interfere with the City's rights and remedies specified in Paragraph III.D of this Agreement.

L. **No Third-Party Beneficiaries.** Except as may be otherwise expressly provided herein, this Agreement shall not be construed as or deemed to be an agreement for the benefit of any third Party or Parties, and no third Party or Parties shall have any right of action hereunder for any cause whatsoever.

M. **Applicable Laws.** It is expressly understood and agreed by and between the Parties hereto that this Agreement shall be governed by and its terms construed under the laws of the State of Utah and the City of Tremonton, Utah.

N. **Notice.** Any notice or other communication given by any Party hereto to any other Party relating to this Agreement shall be hand-delivered or sent by certified mail, return receipt requested, addressed to such other Party at their respective addresses as set forth below; and such notice or other communication shall be deemed given when so hand-delivered or three (3) days after so mailed:

If to the City: Tremont City
102 S. Tremont Street
Tremonton, UT 84337

With a copy to: Daines & Jenkins, LLP
108 North Main Street
Logan, UT 84321

If to the Developer: Aspen Ridges, LLC
120 West 400 South #104
Smithfield, Utah 84335

Notwithstanding the foregoing, if any Party to this Agreement, or its successors, grantees or assigns, wishes to change the person, entity or address to which notices under this Agreement are to be sent as provided above, such Party shall do so by giving the other Parties to this Agreement written notice of such change.

O. **Word Meanings.** When used in this Agreement, words of the masculine gender shall include the feminine and neutral gender, and when the sentence so indicates, words of the neutral gender shall refer to any gender; and words in the singular shall include the plural and vice versa. This Agreement shall be construed according to its fair meaning and as if prepared by all Parties hereto, and shall be deemed to be and contain the entire understanding and agreement between the Parties hereto pertaining to the matters addressed in this Agreement.

P. **Complete Agreement.** There shall be deemed to be no other terms, conditions, promises, understandings, statements, representations, expressed or implied, concerning this Agreement, unless set forth in writing signed by all of the Parties hereto. Further, paragraph headings used herein are for convenience of reference and shall in no way define, limit, or prescribe the scope or intent of any provision under this Agreement.

Q. **Property Owner as Party.** The Owner is made a Party to this Agreement solely for the purpose of subjecting the Property to the covenants contained in this Agreement. The City and the Developer expressly acknowledge and agree that the Owner shall not be liable for any obligations of the Developer under this Agreement, unless the Owner were to exercise any of the rights of the Developer in which event the obligations of the Developer shall become those of the Owner.

Developer expressly acknowledges and agrees that the Owner shall not be liable for any obligations of the Developer under this Agreement, unless the Owner were to exercise any of the rights of the Developer in which event the obligations of the Developer shall become those of the Owner.

R. **Greenbelt Taxes.** Pursuant to Utah Code Annotated § 10-9a-603(3), The City shall require payment of all Greenbelt Taxes, if applicable, prior to Recordation of the Final Plat.

S. **Recording.** The City and Developer/Owner are authorized to record or file any notices or instruments with the Box Elder County Recorder's Office appropriate to assuring the perpetual enforceability of the Agreement, and the Developer/Owner agrees to execute any such instruments upon reasonable request.

T. **"Arms Length" Transaction.** The Parties hereto expressly disclaim and disavow any partnership, joint venture or fiduciary status, or relationship between them and expressly affirm that they have entered into this Agreement as independent Parties and that the same is in all respects an "arms-length" transaction.

U. **Severability.** Should any portion of this Agreement be deemed invalid or unenforceable by rule of law or otherwise, all other aspects of the Agreement shall remain enforceable and in full effect.

V. **Incorporation of Recitals and Exhibits.** The above recitals and all exhibits attached hereto are incorporated herein by this reference and expressly made a part of this Agreement.

Approved for use by Tremonton City Council Resolution No.18-09

W. **Preparation of Agreement.** The Parties hereto acknowledge that they have both participated in the preparation of this Agreement and, in the event that any question arises regarding its interpretation, no presumption shall be drawn in favor of or against any Party hereto with respect to the drafting hereof.

X. **Amendments.** This Agreement may be amended at any time upon unanimous agreement of the Parties hereto, which amendment(s) must be reduced to writing and signed by all Parties in order to become effective.

Y. **Further Instruments.** The Parties hereto agree that they will execute any and all other documents or legal instruments that may be necessary or required to carry out and effectuate all of the provisions hereof.

EXHIBIT "A"

CONSTRUCTION/IMPROVEMENT GUARANTEE:

The Bond guaranteeing the Developer's timely and proper installation and warranty of required improvements shall be equal in value to at least one hundred-ten (110) percent of the cost of the required improvements, as estimated by the City Engineer contained in Exhibit "B". The purpose of the bond is to enable the City to make or complete the required improvements in the event of the developer's inability or failure to do so. The City need not complete the required improvements before collecting on the bond. The City may, in its sole discretion, delay taking action on the bond and allow the developer to complete the improvements if it receives adequate assurances that the improvements shall be completed in a timely and proper manner. The additional ten (10) percent shall be used to make up any deficiencies in the bond amount and to reimburse the City for collection costs, including attorney's fees, inflationary costs, etc.

All required improvements shall be completed and pass City inspections within one (1) year of the date that the Final Plat is recorded. Required improvements for plats recorded between November 1st and March 31st shall be completed by the next October 1st. For example, the required improvements for a plat recorded on February 6th, shall be completed by October 1st, in the same calendar year. Failure to meet this time frame may result in forfeiture of the bond. A written agreement to extend the completion of the improvements may be granted by the Land Use Authority Board where due to circumstances as determined by the Land Use Authority Board would delay the completion of required improvements.

All subdivision improvements shall be completed by qualified contractors in accordance with Title III General Public Works Construction Standards and Specifications. No work may be commenced on improvements intended to be dedicated to the City without approved construction drawings and a pre-construction meeting with the City.

The Bond shall be an escrow bond, or cash bond in favor of the City. The requirements relating to each of these types of bonds are detailed below. The City Attorney shall approve any bond submitted pursuant to this section. The City Attorney reserves the right to reject any of the bond types if it has a rational basis for doing so. Escrow bonds shall be held by a federally insured bank, savings and loan or credit union or a title insurance underwriter authorized to do business in the State of Utah. A developer may use a cash bond by tendering the required bond amount in cash or certified funds to the City, partial releases may be made from the cash bond as allowed for other bond types, but shall retain ten (10) percent of the bond through the warranty period for any repairs necessary prior to final approval at the end of the warranty period. If no repairs are required at the end of the warranty period the remaining portion of the bond shall be released to the Developer. The City shall not pay any interest on funds held as a cash bond.

MAINTENANCE GUARANTEE:

The Developer hereby warrants and guarantees to the City, for a period of one (1) years from the date of completion and final inspection by the City of the public improvements warranted hereunder, the full and complete maintenance and repair of the public improvements constructed for this Development. This warranty and guarantee is made in accordance with the Tremonton City Land Use Code and/or the Utah Code Annotated, as applicable. This guarantee applies to the streets and all other appurtenant structures and amenities lying within the rights-of-way, easements and other public properties, including, without limitation, all curbing, sidewalks, trails, drainage pipes, culverts, catch basins, drainage ditches and landscaping and all other improvements contained in Exhibit "B" of this Agreement. Any maintenance and/or repair required on utilities shall be coordinated with the owning utility company or city department.

The Developer shall maintain said public improvements in a manner that will assure compliance on a consistent basis with all construction standards, safety requirements and environmental protection requirements of the City until one (1) year following the final inspection. The Developer shall also correct and repair or cause to be corrected and repaired, all damages to said public improvements resulting from development-related or building-related activities. The City may require the Developer to guarantee and warrant that any repairs remain free from defect for a period of one (1) year following the date that the repairs pass City inspection. The City may retain the Developer's guarantee until the repairs have lasted through the warranty period, and may take action on the bond if necessary to properly complete the repairs. In the event the Developer fails to correct any damages within thirty (30) days after written notice thereof, then said damages may be corrected by the City and all costs and charges billed to and paid by the Developer. The City shall also have any other remedies available to it as authorized by this Agreement. Any damages which occurred prior to the end of said one (1) year period which are unrepaired at the termination of said period shall remain the responsibility of the Developer.

REPAIR GUARANTEE:

The Developer agrees to hold the City, harmless for a one (1) year period, commencing upon the date of completion and final inspection by the City of the public improvements constructed for this Development, from any and all claims, damages, or demands arising on account of the design and construction of public improvements of the Property shown on the approved plans and documents for this Development; and the Developer furthermore commits to make necessary repairs to said public improvements, to include, without limitation, all improvements contained in Exhibit "B" of this Agreement, roads, streets, fills, embankments, ditches, cross pans, sub-drains, culverts, walls and bridges within the right-of-way easements and other public properties, resulting from failures caused by design and/or construction defects. This agreement to hold the City harmless includes defects in materials and workmanship, as well as defects caused by or consisting of settling trenches, fills or excavations.

Further, the Developer agrees that the City shall not be liable to the Developer during the warranty period, for any claim of damages resulting from negligence in exercising engineering techniques and due caution in the construction of cross drains, drives, structures or buildings, the changing of courses of streams and rivers, flooding from natural creeks and rivers, and any other

Approved for use by Tremonton City Council Resolution No.18-09

matter whatsoever on private property. Any and all monetary liability occurring under this paragraph shall be the liability of the Developer.

The obligations of the Developer pursuant to the "maintenance guarantee" and "repair guarantee" provisions set forth above may not be assigned or transferred to any other person or entity unless the warranted improvements are completed by, and a letter of acceptance of the warranted improvements is received from the City by, such other person or entity.
