All leases shall be required to be in writing.

D. Any proposal or plan pursuant to which the condominium project is subject to phasing or add-ons complies with the following limitations:

(1) Condominium unit owners undivided interest in the common elements must be stated in the Declarations of Condominium; and the conditions whereby any change in such percentage of undivided interest in common elements may take place are fully described in such Declaration, together with a description of the real property which will become subject to the condominium project if such alternative percentage interest becomes effective; and

(2) No change in the percentage interests in the common elements may be affected pursuant to such phasing or add-on plan more than seven years after the Declaration becomes effective.

E. All taxes, assessments, and charges which may become liens prior to the first mortgage under local law shall relate only to the individual condominium units and not to the condominium project as a whole.

F. No provision of the condominium constituent documents gives a condominium unit owner, or any other party, priority over any rights of the first mortgagee of the condominium unit, pursuant to its mortgage, in the case of a distribution to such unit owners of insurance proceeds or condemnation awards for losses or to a taking of condominium units and/or common areas or limited common areas or facilities.

G. The Homeowners Association shall give the holders of first mortgages prompt notice of any default in the unit mortgagor's obligations under the Declaration or By-Laws not cured within thirty (30) days of default.

14. AMENDMENTS. Except for the provisions herein for the benefit of any first mortgagee, these Declarations and/or Map may be modified or amended by the vote of fiftyone percent (51%) of all unit owners (holders of the common interests) at a meeting of unit owners duly held for such purposes. Amendments can only be made with the written approval of those mortgagees holding mortgages constituting first liens upon two-thirds (2/3) of the condominium units. Any amendment shall be affective by the recording of an instrument wherein the Management Committee certifies that not less than fiftyone percent (51%) of all unit owners and two-thirds (2/3) of the mortgagees holding mortgages which constitute first liens upon any of the units, have approved and consented to any

BOOK 5708 PAGE 2064

such amendment.

15. SEVERABILITY. The invalidity of any one or more phrases, sentences, clauses, paragraphs or sections hereof shall not affect the remaining portions of this instrument or any part hereof, all of which are inserted subject to their being held valid in law, and in the event that one or more of the phrases, sentences, clauses, paragraphs or sections contained therein should be invalid or should operate to render this instrument invalid, this instrument shall be construed as if such invalid phrase or phrases, sentence or sentences, clause or clauses, paragraph or paragraphs, section or sections had not been inserted.

16. RESERVATION OF RIGHTS OF WAY AND EASMENTS. The Declarant herein reserves to itself a right of way, more particularly described on Appendix "C" attached hereto and further reserves a right of use over all of the roadways and walkways of said project as may currently exist or as may be increased through expansion or as may be modified and enlarged or changed from time to time for the benefit of itself, its successors, or assigns, it being expressly understood that the Declarant may acquire additional land abutting said condominium on the West and this right of way reserved herein may provide needed access in and to that project for the owners, lessees, or successors in interest of the Declarant herein. It is further acknowledged that should the Declarant develop this additional property that the Declarant nor its successors or assigns shall have no right of use in and to the common areas of the condominium but shall have a mere right of way and easement over the roadways and walkways of the condominium. The Declarant further reserves a drainage easement over the roadways and including any drainage culverts catch basins, or component parts of the existing or to later be constructed drainage system in and to the project.

BOOK 5708 PAGE 20655

17. ROADWAY EASEMENTS. There exists a right of way agreement where the units hereof shall have access to a right of way and easement across land abutting the project on the South, said right of way more particularly described on Appendix "D" attached hereto; and in consideration for said easement, the condominium as it now exists or may be expanded hereunder is subject to an easement over the roadways thereon in favor of the owners, occupiers, or users of property abutting on the South of the expanded project description known as Woodland Park, Phase II.

18. EXPANDABLE PROJECT. The Declarant reserves the right to expand the project by adding hereto part or all of certain additional lands, described on Appendix "E" attached hereto, and improvements in accordance with this Declaration and the Condominium Act.

19. TOPICAL HEADINGS. The topical headings of the paragraphs contained in this Declaration are for convenience only and do not define, limit or control the interpretation of the paragraphs of this Declaration.

20. GENDER. The singular, whenever used herein, shall be construed to mean the plural whenever applicable and the necessary changes required to make the provisions hereof apply either to corporations or individuals, men or women, shall in all cases be assumed as though in each case fully expressed.

21. EFFECTIVE DATE. This Declaration shall take effect upon recordation.

### Management Committee

Section 1. Number and Qualification. The affairs of the condominium shall be governed by the Management Committee. Until eighteen months have elapsed from the time the Declaration and By-Laws have been recorded or until three-fourths of the units are conveyed to individual owners, whichever occurs first, Silverwood Estates (the "Declarant") in its sole discretion may determine, shall have the right to select the Management Committee, and thereafter until their successors shall have been elected by the unit owners. The Management Committee shall consist of such of the officers and agents of the Declarant as shall have been designated by the Declarant until said eighteen months have elapsed or until three-fourths of the units conveyed. Thereafter the Management Committee shall be composed of six persons, all of whom shall be the owners, spouses of owners or mortgagees of the condominium units; or, in the case of partnership owners or mortgagees, members or employees of such partnership, or in the case of corporate owners or mortgagees, officers, shareholders or employees of such corporations; or in the case of fiduciary owners or mortgagees, fiduciaries or officers or employees of such fiduciaries.

(j) Taking all steps necessary to incorporate the association of unit owners under the provisions of the Utah Business Corporation Act, Section 16-10-1, et seq., Utah Code Annotated, 1953 (as amended).

Section 3. Managing Agents and Manager. The Management Committee may employ for the condominium a professional managing agent and a manager at the compensation established by the Management Committee to perform such duties and services as the Management Committee shall authorize, including, but not limited to, the duties listed in subdivisions (a), (c), (d), (g) and (h) of Section 2 of this Article II. The Management Committee may delegate to the manager or managing agent all of the powers granted to the Management Committee by these By-Laws other than the powers set forth in subdivisions (b), (e), (f), (h) and (i) of Section 2 of this Article II.

Section 4. Election and Term of Office. At the first annual meeting of the unit owners, the term of office of three members of the Management Committee shall be fixed at three years and the term of office of three members of the Management Committee shall be fixed at one year. At the expiration of the initial term of office of each respective member of the Management Committee, his successor shall be elected to serve for a term of three years. The members of the Management Committee shall hold office until their respective successors shall have been elected by the unit owners.

Section 5. Removal of Members of Management Committee. At any regular or special meeting of unit owners, after the

BOOK 5708 PAGE 2072

unit owners have assumed the management responsibility, any one or more of the members of the Management Committee may be removed with or without cause by a majority of the unit owners and a successor may then and there or thereafter be elected to fill the vacancy thus created. Any member of the Management Committee whose removal has been proposed by the unit owners shall be given an opportunity to be heard at the time of the meeting.

Section 6. Vacancies. Vacancies in the Management Committee caused by any reason other than the removal of a member thereof by a vote of the unit owners, shall be filled by a vote of a majority of the remaining members at a special meeting of the Management Committee held for that purpose promptly after the occurrence of any such vacancy, even though the members present at such meeting may constitute less than a quorum, and each person so elected shall be a member of the Management Committee for the remainder of the term of the member so removed and until a successor shall be elected at the next annual meeting of the unit owners.

Section 7. Organization Meeting. The first meeting of the members of the Management Committee following the annual meeting of the unit owners shall be held within ten (10) days thereafter at such time and such place as shall be fixed by the unit owners at the meeting at which such Management Committee shall have been elected, and no notice shall be necessary to the newly elected members of the Management Committee in order to legally constitute such meeting, providing a majority of the whole Management Committee shall be present thereat.

Section 8. Regular Meetings. Regular meetings of the Management Committee may be held at such time and such place as shall be determined from time to time by a majority of

BOOK 5708 PAGE 2073

the members of the Management Committee, but at least two such meetings shall be held during each fiscal year. Notice of regular meetings of the Management Committee shall be given to each member of the Management Committee, by mail or telephone at least seven business days prior to the day named for such meeting.

Section 9. Special Meetings. Special meetings of the Management Committee may be called by the president on three business days notice to each member of the Management Committee, given by mail or telephone, which notice shall state the time, place and purpose of the meeting. Special meetings of the Management Committee shall be called by the president or secretary in like manner and on like notice on the written request of at least two members of the Management Committee.

Section 10. Waiver of Notice. Any member of the Management Committee may, at any time, waive notice of any meeting of the Management Committee in writing, and such waiver shall be deemed equivalent to the giving of such notice. Attendance by a member of the Management Committee at any meeting of the Management Committee shall constitute a waiver of notice by him of the time and place thereof. If all of the members of the Management Committee are present at any meeting of the Management Committee, no notice shall be required and any business may be transacted at such meeting.

Section 11. Quorum of Management Committee. At all meetings of the Management Committee, a majority of the members thereof shall constitute a quorum for the transaction of business, and the vote of a majority of the members of the Management Committee present at a meeting in which a quorum is present shall constitute the decision of

BOOK 5708 PAGE 2074

the Management Committee. If at any meeting of the Management Committee there shall be less than a quorum present, a majority of those present may adjourn the meeting from time to time. At any such adjourned meeting at which a quorum is present, any business which might have been transacted at the meeting originally called, may be transacted without further notice.

Section 12. Fidelity Bonds. The Management Committee shall obtain adequate fidelity bonds for all officers, directors, managers, trustees, volunteers and employees of the condominium handling or responsible for condominium funds, which fidelity bond shall be in an amount of one and one-half times the estimated annual operating expenses and reserves for each year, with the owners association of the condominium being the named insured thereon. The premiums on such bonds shall constitute a common expense.

Section 13. Compensation. No member of the Management Committee shall receive any compensation from the condominium for acting as such.

Section 14. Liability of Management Committee. The members of the Management Committee, including Declarant, shall not be liable to the unit owners for any mistake of judgment, negligence or otherwise, except for their own individual willful misconduct or bad faith. The unit owners shall indemnify and hold harmless each member of the Management Committee, including Declarant, against all contractual liability to others arising out of contracts made by the Management Committee on behalf of the condominium, unless such contract shall have been made in bad faith or contrary to the provisions of the Declaration or these By-Laws. The members of the Management Committee, including Declarant, shall have no personal liability with respect to any contract

BOOK 5708 PAGE 2075

made by them on behalf of the association of unit owners. It is intended that the liability of any unit owner arising out of any contract made by the Management Committee or out of the indemnity in favor of the members of the Management Committee shall be limited to such proportion of the total liability thereunder as his interest in the common elements bears to the interest of all the unit owners in the common elements. Every agreement made by the Management Committee or by the managing agent or by the manager on behalf of the condominium shall provide that the members of the Management Committee or the managing agent or the manager, as the case may be, are acting only as agents for the unit owners and shall have no personal liability thereunder (except as unit owners), and that each unit owner's liability thereunder shall be limited to such proportion of the total liability thereunder as his interest in the common elements bears to the interests of all unit owners in the common elements.

Section 15. Right of Entry. The Management Committee or its duly authorized agents shall have the right to enter any or all units in the case of an emergency originating in or threatening such unit or any part of the project, whether or not the unit owner or occupant thereof is present at the time. The Committee or its duly authorized agent shall also have the right to enter into any and all of said units at all reasonable times as required for the purpose of performing emergency installations, alterations or repairs to the mechanical, electrical or other utility devices or installations located therein or thereon; provided, however, that such emergency, installation, alteration or repair is necessary to prevent damage or threatened damage to such unit or units in the project; and further provided, that the unit owner affected by entry shall first be notified thereof if

BOOK 5708 PAGE 2076

available and if time and circumstances shall permit.

Section 16. Administrative Rules and Regulations. The Management Committee shall have the power to adopt, establish and amend by resolution, such building management, and operational rules as it may deem necessary for the maintenance, operation, management and control of the project and the committee may from time to time by resolution, alter, amend and repeal such rules. When a copy of any amendment or alteration or provision for repeal of any rule or rules has been furnished to the unit owners, such amendment, alteration, or repeal shall be deemed to be a part of such rules. Unit owners shall at all times, obey such rules and see that they are faithfully observed by those persons over whom they have or may exercise control and supervision, it being understood that such rules shall apply to and be binding upon all unit owners and/or occupants of any unit.

Section 17. Obligation to Comply with Rules. Each unit owner, tenant or occupant of a unit shall comply with the provisions of the Act, Declaration, By-Laws, the rules and regulations, all agreements and determinations lawfully made and/or entered into by the Management Committee or unit owners, when acting within the scope of their authority and any failure to comply with any of the provisions thereof shall be grounds for an action by the Management Committee for injunctive relief and/or to recover for any loss or damage resulting therefrom.

### ARTICLE III

#### Unit Owners

Section 1. Annual Meetings. Promptly after three-quarters of the units are conveyed to individual owners, or eighteen months after recordation of the Declaration has elapsed, whichever occurs first, the Declarant shall notify

BOOK 5708 PAGE 2077

all unit owners of the first annual meeting of the unit owners which shall be held within thirty (30) days thereafter on a call issued by the president. At such meeting the officers and directors of the Declarant shall resign as members of the Management Committee and all responsibility and obligations Declarant may have shall cease, and all unit owners, including the Declarant, shall elect a new Management Committee which shall immediately assume all such responsibilities and obligations on behalf of the unit owners. Thereafter, the annual meetings of the unit owners shall be held on the 15th day of January of each succeeding year, unless such date shall occur on a Saturday or Sunday, in which event the meeting shall be held on the succeeding Monday. At such meetings the Management Committee shall be elected by ballot of the unit owners in accordance with the requirements of Section 4 or Article II. of these By-Laws. The notice of any special

4. Notice of Meetings. The secretary shall mail to each unit owner of record a notice of each annual or special meeting of the unit owners, at least ten (10) days, but not more than twenty (20) days, prior to such meeting, stating the purpose thereof as well as the time and place where it is to be held, at the building or at such other address as such unit owner shall have designated by notice in writing to the secretary. The mailing of a notice of meeting in the manner provided in this section shall be considered service of notice.

Section 5. Adjournment of Meetings. The owner or owners of each condominium unit, or some persons designated by such owner or owners to act as proxy on his or their behalf and who need not be an owner, shall be entitled to cast the votes appurtenant to such condominium unit at all meetings of unit owners. The designation of any such proxy shall be made in writing to the secretary and shall be revocable at any time by written notice to the secretary by the owner or owners so designating. The total number of votes of all unit owners shall be one hundred fifty (when all units are constructed) and each unit owner shall be entitled to cast one vote at all meetings of the unit owners. A fiduciary shall be the voting member with respect to any condominium unit owned in a fiduciary capacity.

Section 10. Quorum. Except as otherwise provided in these By-Laws or Declaration, the presence in person or by proxy of unit owners having thirty-five (35) percent of the total authorized votes of all unit owners shall constitute a quorum at all meetings of the unit owners.

Section 11. Majority Vote. The vote of a majority of unit owners at a meeting at which a quorum shall be present shall be binding upon all unit owners for all purposes

Section 4. President. The president shall be the chief executive officer of the condominium. He shall preside at all meetings of the unit owners of the Management Committee. He shall have all of the general powers and duties which are incident to the office of president of a corporation organized under the Business Corporation Act of the State of Utah, including, but not limited to, the power to appoint from among the unit owners any committee which he decides is appropriate to assist in the conduct of the affairs of the condominium.

BOOK 5708 PAGE 2081

Section 5. Vice-President. The vice-president shall take the place of the president and perform his duties whenever the president shall be absent or unable to act. If neither the president nor the vice-president is able to act, the Management Committee shall appoint some other member of the Management Committee to act in the place of the president on an interim basis. The vice-president shall also perform such other duties as shall from time to time be imposed upon him by the Management Committee or by the president.

Section 6. Secretary. The secretary shall keep the minutes of all meetings of the unit owners and of the Management Committee. #### ARTICLE V

##### Operation of the Property

Section 1. Determination of Common Expenses and Common Charges. The Management Committee shall from time to time, and at least annually, prepare a budget for the condominium, determine the amount of the common charges required to meet the common expenses of the condominium and allocate and assess such common charges against the unit owners according to their respective common interests. The common expenses shall include, among other things, the cost of all insurance premiums on all policies of insurance required to be or which have been obtained by the Management Committee, pursuant to the provisions of Section 2 of this Article V and the fees and disbursements of the Management Committee. The common expenses may also include such amounts as the Management Committee may deem proper for the operation and maintenance of the condominium property, including, without limitation, an amount for working capital of the condominium, for a general operating reserve and shall include for a reserve fund for replacements, maintenance and repairs and to make up any deficit in the common expenses for any prior year. The Management Committee shall advise each unit owner in writing of the amount of common charges payable by him and shall furnish copies of each budget on which such common charges are based to all unit owners and to their mortgagees. In the event that such assessment shall result

BOOK 5708 PAGE 2083

in any excess for any one year, the Management Committee may refund the excess to the unit owners or apply such excess to assessments for the succeeding year.

That portion of the common assessments payable by each unit owner in and for each year or for a portion of a year shall be a sum equal to the same percentage as each unit owns in the common areas of the aggregate amount of such cash requirements for each year, or portion of a year, together with any additional sums accruing under the Declaration or these By-Laws, or the Act, and shall be payable monthly, in advance, or by such payments and installments as shall be required by the Management Committee and at such times as shall be provided by the Management Committee.

An adequate reserve fund for replacement of common element components must be established, which must be funded by monthly payments rather than by extraordinary special assessments. In addition, there must be a working capital fund for the initial months of operation of the project equal to at least two months' estimated common area charge for each unit.

The Management Committee shall have absolute discretionary authority to prescribe the manner of maintaining and operating the project and to determine the cash requirements of the Management Committee to be paid as aforesaid by the owners under this Declaration. Any such determination by the Management Committee within the bounds of the Act, By-Laws or the Declaration, shall be final and conclusive on the unit owners, and any expenditures made by the Management Committee within the bounds of the Act, By-Laws or Declaration shall be deemed necessary and proper for such purpose as against the unit owners.

Section 2. Insurance. The Management Committee shall

BOOK 5708 PAGE 2084

be required to obtain and maintain, to the extent obtainable, the following insurance:

(a) Fire insurance with extended coverage, vandalism and malicious mischief endorsements, insuring the entire condominium buildings (including all of the condominium units and the bathroom and kitchen fixtures initially installed therein by the Declarant, but not including furniture, furnishings or other personal property supplied or installed by unit owners), together with all air conditioning equipment and other service machinery contained therein; such insurance shall cover the condominium, the Management Committee and all unit owners and their mortgagees, as their interests may appear, in an amount equal to the full replacement value of the buildings, without deduction for depreciation. Each policy shall contain a standard mortgagee clause in favor of each mortgagee of a condominium unit which shall provide that proceeds shall be payable to such mortgagee as its interest may appear subject, however, to payment provisions in favor of the Management Committee hereinafter set forth:

(b) Workmen's compensation insurance;

(c) Water damage insurance;

(d) Such other insurance as the Management Committee may designate.

All such policies shall provide that adjustment of loss shall be made by the Management Committee and the net proceeds thereof shall be payable to the Management Committee.

All policies of physical damage insurance shall contain waivers of subrogation and waivers of any defense based on co-insurance or of invalidity arising from any acts of the insured and shall provide that such policies may not be

BOOK 5708 PAGE 2085

cancelled or substantially modified without at least ten (10) days prior written notice to all of the insureds, including all mortgagees of condominium units. Duplicate originals of all policies of physical damage insurance and of all renewals thereof, together with proof of payment premiums, shall be delivered to all mortgagees of condominium units at least ten (10) days prior to expiration of the then current policies. Prior to obtaining any policy of fire insurance or any renewal thereof, the Management Committee shall obtain an appraisal from a fire insurance company or otherwise of the full replacement value of the building, including all of the condominium units and all of the common elements therein, without deduction for depreciation, for the purpose of determining the amount of fire insurance to be effected pursuant to this action. Hazard insurance shall be written by a carrier which has a financial rating by Best's Insurance Reports of Class VI or better.

The Management Committee shall also be required to obtain and maintain, to the extent obtainable, public liability insurance in such amounts as the Management Committee may from time to time determine, covering each member of the Management Committee, the managing agent, the manager and each unit owner. Such public liability coverage shall also cover cross liability claims of one insured against another. The Management Committee shall review such limits once each year; however, the minimum coverage shall be \$ 1,000,000.00.

Unit owners shall not be prohibited from carrying other insurance for their own benefit; provided, however, that all policies shall contain waivers of subrogation and further provided that the liability of the carriers issuing insurance obtained by the Management Committee shall not be

BOOK 5708 PAGE 2086

affected or diminished by reason of any such additional insurance carried by any unit owner.

Section 3. Repair or Reconstruction After Damage. In the event of damage or destruction of any building as a result of fire or other casualty (unless seventy-five (75%) percent or more of the building is destroyed or substantially damaged and seventy-five (75%) percent or more of the unit owners do not duly and promptly resolve to proceed with repair or restoration), the Management Committee shall arrange for the prompt repair and reconstruction of the buildings (including any damaged condominium units and any kitchen or bathroom fixtures initially installed therein by the Declarant, but not including any wall, ceiling or floor decorations or coverings or other furniture, furnishings, fixtures or equipment installed by unit owners in the condominium units) and the Management Committee shall disburse the proceeds of all insurance policies to the contractors engaged in such repair and restoration in appropriate progress payments. Any cost of such repair and restoration in excess of the insurance proceeds shall constitute a common expense and the Management Committee may assess all the unit owners for such deficit as part of the common charges.

If seventy-five (75%) percent or more of the building is destroyed or substantially damaged and seventy-five (75%) percent or more of the unit owners do not duly and promptly resolve to proceed with repair or reconstruction, the condominium property shall be subject to an action for partition by any unit owner or leinor, as if owned in common, in which event the net proceeds of sale, together with the net proceeds of insurance policies (or if there shall have been a repair or restoration pursuant to the first paragraph of Section 3 and the amount of insurance proceeds shall have

BOOK 5708 PAGE 2087

exceeded the cost of such repair or restoration then the excess of such insurance proceeds) shall be divided by the Management Committee among all of the unit owners in proportion to their respective common interests, after first paying out of the share of each unit owner the amount of any unpaid liens on his condominium unit, in the order of the priority of such liens.

Section 4. Payment of Common Charges. All unit owners shall be obligated to pay the common charges assessed by the Management Committee, pursuant to the provisions of Section 1 of Article V, at such time or times as the Management Committee shall determine.

Each unit owner shall be liable for the payment of any part of the common charges assessed against his condominium unit subject to a sale, transfer, or other conveyance by him thereof (made in accordance with the provisions of Section 1 of Article VII of these By-Laws). Joint purchasers of a condominium unit shall be jointly and severally liable for the payment of common charges assessed against a condominium unit subsequent to the acquisition by them of such condominium. A mortgagee or other purchaser of a condominium unit as a result of foreclosure or deed in lieu thereof shall not be subject to a lien for the payment of common charges assessed prior to the foreclosure sale or deed.

Section 5. Collection of Assessments. The Management Committee shall assess common charges against the unit owners from time to time and at least annually and shall take prompt action to collect from a unit owner any common charge due which remains unpaid by him for more than thirty (30) days from the due date of its payment.

Section 6. Default in Payment of Common Charges.

(a) If any unit owner shall fail or refuse to make any payment of the common expenses when due, the

BOOK 5708 PAGE 2088

amount thereof shall constitute a lien on the interest of the owner of the property and upon the recording of notice thereof by the Management Committee, shall be a lien upon the unit owner's interest in the property prior to all other liens and encumbrances, recorded and unrecorded, except only:

- (1) tax and special assessment liens; and
- (2) prior recorded encumbrances which are superior as a matter of law.

(b) In the event of default by any unit owner in paying to the Management Committee the assessed common charges, such unit owner shall be obligated to pay interest at the rate of twelve (12%) percent per annum on such common charges from the date due thereof, together with all expenses, including attorney fees, incurred by the Management Committee in any proceeding brought to collect such unpaid common charges. The Management Committee shall have the right and duty to attempt to recover such common charges, together with interest thereon, and the expenses of the proceeding, including attorney fees, in an action brought against such unit owner or by a foreclosure of the lien on such condominium unit.

(c) Upon payment of a delinquent assessment the Management Committee shall cause a satisfaction of lien filed in cases where a notice of lien has been filed.

(d) If a unit owner shall at any time let or sublet the unit and shall be in default for a period of one month in the payment of any assessments, the Management Committee may, at its option and so long as such default shall continue, demand and receive from any tenant or subtenant of the owner occupying the unit the

BOOK 5708 PAGE 2089

rent due or becoming due and payment of such rent to the Management Committee shall be payment and discharge of such tenant or subtenant and the owner of the unit to the extent of the amount so paid. No action on the part of the Management Committee under this section shall have the effect of relieving its unit owner of primary liability.

Section 7. Foreclosure of Liens for Unpaid Charges.

In any action brought by the Management Committee to foreclose a lien on a condominium unit because of unpaid common charges, the unit owner shall be required to pay a reasonable rental for the use of his condominium unit and the plaintiff in such foreclosure action shall be entitled to the appointment of a receiver to collect such rental. The Management Committee, acting on behalf of all unit owners, shall have power to purchase such condominium unit at the foreclosure sale and to acquire, hold, lease, mortgage, vote the votes appurtenant to convey, or otherwise deal with the same. A suit to recover money judgment for unpaid common charges shall be maintainable without foreclosing or waiving the lien securing the same.

Section 8. Statement of Common Charges. The Management Committee shall promptly provide any unit owner who makes a request in writing with a written statement of his common charges.

Section 9. Abatement and Enjoining of Violations. The violation of any rule or regulation adopted by the Management Committee, or the breach of any By-Law contained herein, or the breach of any provision of the Declaration or the Act, shall give the Management Committee the right, in addition to any other rights available at law or set forth in these By-Laws:

BOOK 5708 PAGE 2090

(a) to enter the condominium unit in which, or as to which, such violation or breach exists and to summarily abate and remove as permitted by law, at the expense of the defaulting unit owner, any structure, thing or condition that may exist therein contrary to the intent and meaning of the provisions hereof, and the Management Committee shall not thereby be deemed guilty in any manner of trespass; or

(b) to enjoin, abate or remedy such thing or condition by appropriate legal proceeding.

Section 10. Maintenance and Repair.

(a) All maintenance of and repairs to any condominium unit, structural or non-structural, ordinary or extraordinary (other than maintenance of the repairs to any common elements contained therein not necessitated by the negligence, misuse or neglect of the owner of such condominium unit), shall be made by the owner of such condominium unit. Each unit owner shall be responsible for all damage to any other condominium unit and to the common elements resulting from his failure to effect such maintenance and repairs.

(b) All maintenance, repairs and replacements of the common elements, whether located inside or outside of the condominium units (unless necessitated by the negligence, misuse or neglect of the unit owner, in which case such expense shall be charged to the unit owner), shall be made by the Management Committee and be charged to all the unit owners as a common expense.

Section 11. Use of Condominium Units. In order to provide for congenial occupancy of the condominium property and for the protection of the values of the condominium units, the use of the condominium property shall be subject

BOOK 5708 PAGE 2091

to the following limitations:

(a) The condominium units shall be used for residences only, except as the association may choose to purchase and use a unit as a management office or for any other lawful purpose not repugnant to a residential development.

(b) The common elements shall be used only for the furnishing of the services and facilities for which they are reasonably suited and which are incidental to the use and occupancy of condominium units.

(c) No unlawful nuisances shall be allowed on the condominium property nor shall any unlawful use or practice be allowed which is a source of annoyance to its residents or which interferes with the peaceful possession or proper use of the condominium property by its residents.

(d) All valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction thereof shall be complied with. Such compliance shall be accomplished at the sole expense of the unit owners or the Management Committee, whichever shall have the obligation to maintain or repair such portion of the condominium property.

(e) No portion of a condominium unit (other than the entire condominium unit) may be rented and the minimum rental period shall be one month.

Section 12 Additions, Alterations, or Improvements by Unit Owners. No unit owner shall make any structural addition, alteration or improvement in or to his condominium unit, without the prior written consent thereto of the Management Committee. The Management Committee shall have

BOOK 5708 PAGE 2092

the obligation to answer any written request by a unit owner for approval of a proposed structural addition, alteration or improvement in such unit owner's condominium unit within fifteen (15) days of such request, and failure to do so within the stipulated time shall constitute a consent by the Management Committee to the proposed addition, alteration or improvement. Any application to any governmental authority for a permit to make an addition, alteration or improvement in or to any condominium unit shall be executed by the Management Committee. The Management Committee shall not be liable to any contractor, subcontractor, materialman or to any person sustaining personal injury or property damage, for any claim arising in connection with such addition, alteration or improvement. The provisions of this Section 12 shall not apply to condominium units owned by the Declarant until such condominium units shall have been initially sold by the Declarant and paid for.

Section 13. Water Charges and Sewer Rents. Water charges shall be supplied to all of the condominium units and the common elements through one or more building meters and the Management Committee shall pay, as a common expense, all charges for water consumed on the condominium property, together with all related sewer rents arising therefrom, promptly after the bills therefor are rendered. In the event of a proposed sale of the condominium unit by the owner thereof, the Management Committee, on request of the selling unit owner, shall execute and deliver to the purchaser of such condominium unit or to the purchaser's title insurance company or lender, a letter agreeing to pay all charges for water and sewer rents affecting the property as of the date of closing of title to such condominium unit promptly after such charges shall have been billed.

BOOK 5708 PAGE 2093

Section 14. Electricity and Natural Gas. Electricity and natural gas serving the common elements, if any, shall be separately metered, and the Management Committee shall pay all bills for electricity and natural gas consumed in such portions of the common elements as a common expense.

Section 15. Taxes. Each unit and its percentage of undivided interest in common area and facilities shall be deemed to be a parcel and shall be subject to separate assessment and taxation by each assessing unit and special district for all types of taxes authorized by law, including but not limited to, advalorem liens and special assessments.

#### ARTICLE VI

##### Mortgages

Section 1. Mortgage of Condominium Units. No unit owner shall mortgage his condominium unit except by a mortgage or trust deed made to a bank, trust company, insurance company, federal savings and loan association, pension fund, other institutional lender, or any other mortgage company or individual. Any such mortgage or trust deed shall be substantially in the form on file with the Management Committee, except for such form changes or additions as may be required in order to permit the particular lender to make the mortgage loan.

Section 2. Notice to Management Committee. A unit owner who mortgages his condominium unit shall notify the Management Committee of the name and address of his mortgagee and shall file a conformed copy of the note and mortgage or trust deed with the Management Committee. The Management Committee shall maintain such information in a book entitled "Mortgages of Condominium Units."

Section 3. Notice of Unpaid Common Charges. The Management Committee, whenever so requested in writing by a

BOOK 5708 PAGE 2094

mortgage of a condominium unit, shall promptly report any then unpaid common charges or other default by the owner of the mortgaged condominium unit.

Section 4. Notice of Default. The Management Committee when giving notice to a unit owner of a default in paying common charges or other default, shall send a copy of such notice to each holder of a mortgage covering such condominium unit whose name and address has theretofore been furnished to the Management Committee.

Section 5. Examination of Books. Each unit owner and each mortgagee of the condominium unit shall be permitted to examine the books of account of the condominium at reasonable times of business days, but not more often than twice monthly, and to require annual reports and other financial data.

#### ARTICLE VII

##### Sales and Leases of Units

Section 1. Sales and Leases. No unit owner may sell or lease his condominium unit or any interest therein except by complying with the provisions of this section. A unit owner's sale or lease of his condominium shall include:

(a) the undivided interest in the common elements appurtenant thereto; and

(b) the interest of such unit owner in any other assets of the condominium, hereinafter collectively called the appurtenant interests.

Section 2. No Severance of Ownership. No unit owner shall execute any deed, lease, mortgage, or other instrument conveying or mortgaging title to his condominium unit without including therein the appurtenant interests, it being the intention hereof, to prevent any severance of such combined ownership. Any such deed, lease, mortgage or other instrument

BOOK 5708 PAGE 2095

purporting to effect one or more of such interests, without including all such interests, shall be deemed and taken to include the interest or interests so omitted, even though the latter shall not be expressly mentioned or described therein. No part of the appurtenant interests of any condominium unit may be sold, leased, transferred or otherwise disposed of, except as part of a sale, lease, transfer or other disposition of the condominium unit to which such interests are appurtenant or as part of a sale, lease, transfer or other disposition of such part of the appurtenant interests of all condominium units.

Section 3. Gifts and Devises, Etc. Any unit owner shall be free to convey or transfer his condominium unit by gift or to devise his condominium unit by will or to pass the same by itestacy, with restriction.

#### ARTICLE VIII

##### Condemnation

Section 1. Condemnation. In the event of a taking in condemnation or by eminent domain of any of the common areas, the award made for such taking shall be payable to the Management Committee. If seventy-five (75%) percent or more of the unit owners duly and promptly approve the repair and reconstruction of such common areas, the Management Committee shall disburse the proceeds of such award to the

BOOK 5708 PAGE 2096

contractors engaged in such repair and reconstruction in appropriate progress payments. In the event that seventy-five (75%) percent or more of the unit owners do not duly and promptly approve the repair and reconstruction of such common areas, the Management Committee shall disburse the net proceeds of such award in the same manner as they are required to distribute insurance proceeds where there is no repair or restoration of the damage as provided in Section 3 of Article V of these By-Laws.

#### ARTICLE IX

##### Records

Section 1. Records and Audits. The Management Committee or the managing agent shall keep detailed records of the actions of the Management Committee and the managing agent, minutes of the meeting of the Management Committee, minutes of the meetings of the unit owners, and financial records and books of account of the condominium, including a chronological listing of receipts and expenditures, as well as a separate account of each condominium unit which, among other things, shall contain the amount of each assessment of the common charges against such condominium unit, the date when due, the amounts paid thereon and the balance remaining unpaid. A written report summarizing all receipts and expenditures of the condominium shall be rendered by the Management Committee to all unit owners at least quarterly. In addition, an annual report of the receipts and expenditures of the condominium, certified by an independent certified public accountant, shall be rendered by the Management Committee to all unit owners and to all mortgagees of condominium units who have requested the same, promptly after the end of each fiscal year.

BOOK 5708 PAGE 2098

otherwise herein and except for the provisions herein for the benefit of any first mortgagee, these By-Laws may be modified or amended by the vote of fifty-one (51%) percent of all unit owners (holders of the common interests) at a meeting of unit owners duly held for such purposes. Amendments can only be made with the written approval of those mortgages holding mortgages constituting first liens upon two-thirds (2/3) of the units.
