The Association hereby waives and releases all claims against the Board, the Owners, the Declarant, and the agents and employees of each of the foregoing, with respect to any loss covered by such insurance, whether or not caused by negligence or of a breach of any agreement by said persons, but only to the extent that insurance proceeds are received in compensation for such loss.

8.04 Liability Insurance. The Association shall maintain a comprehensive policy of public liability insurance covering the Common Elements. Such insurance policy shall contain a "severability of interest" clause or endorsement which shall preclude the insurer from denying the claim of an Owner because of negligent acts of the Association or other Owners. Coverage shall have limits of liability of not less than \$1,000,000 per occurrence for personal injury and/or property damage.

8.05 Other Insurance. The Association shall also maintain Worker's Compensation Insurance as required by law and may maintain other liability insurance as it may deem desirable, insuring each Owner and the Association, Board and any manager, from liability in connection with the Common Elements. Such insurance policies shall have severability of interest clauses or endorsements which shall preclude the insurer from denying the claim of any Owner because of the negligent acts of the Association or other Owners. Premiums for all insurance carried by the Association are Common Expenses.

8.06 Unit Owners Policies. Each Unit Owner shall be responsible to purchase and maintain in force appropriate hazard, content and liability insurance as such Owner shall determine to be appropriate to the Owner's needs and circumstances. The Association will not be required to file claims on any of its policies for any damage or liability claim that either should or would have been covered under any Owner's policy.

8.07 Other Insurance Provisions. All insurance required pursuant to this Article 8 shall be written by insurers licensed in the State of Utah. Notwithstanding anything in this Article 8 to the contrary, any insurance required to be obtained by the Association pursuant to this Article 8 shall be required only to the extent that such coverage is reasonably obtainable at reasonable rates and is customarily obtained with respect to improvements or facilities having the same or similar characteristics of the Common Elements or risks being insured.

## ARTICLE 9

### ENFORCEMENT

9.01 Remedies and Enforcement. Declarant, the Association, any Owner, and any Mortgagee shall have the right to enforce this Declaration, and the Articles and Bylaws by appropriate proceedings at law or in equity, including the right to enjoin a violation thereof; provided, however, that the Association shall have the exclusive right to enforce the liens and remedies provided herein with respect to the levy, collection, and enforcement of liens for Common Assessments, Special Assessments, Capital Improvement Assessments and Specific Assessments.

9.02 Attorneys Fees and Costs. Any judgment rendered in any action or proceeding to enforce this Declaration, the Design Guidelines, the Articles, or Bylaws shall include a sum for

attorneys' fees in an amount as the court may deem reasonable, in favor of the prevailing party, as well as the amount of any delinquent payment, interest thereon, costs of collection and court costs.

9.03 Nuisance. Any act or omission resulting in a breach of this Declaration, the Design Guidelines, or the Articles or Bylaws is hereby declared to be and constitute a nuisance, and every remedy allowed by law or equity against a nuisance, either public or private, shall be applicable against every such act or omission and may be exercised by Declarant, the Association, or any Owner.

9.04 Cumulative Remedies. All rights, options, and remedies of Declarant, the Association, or any Owner for the enforcement of this Declaration, the Design Guidelines, the Articles or Bylaws shall be deemed cumulative and none of such rights, options, or remedies shall be deemed exclusive.

9.05 Waiver. The failure to enforce any of the covenants contained in this Declaration, the Design Guidelines, the Articles, or Bylaws shall not constitute a waiver of the right to enforce the same thereafter.

9.06 Personal Covenant. To the extent the acceptance of a conveyance of a Lot or Unit creates a personal covenant between the Owner of such Lot or Unit, other Owners, or the Association, such personal covenant shall terminate and be of no further force or effect from and after the date such Owner ceases to be the Owner of such Lot or Unit except for the payment of moneys which came due to the Association during the period of such ownership.

## ARTICLE 10

### RIGHTS OF MORTGAGEES

10.01 Title and Mortgagee Protection. A breach of any of the covenants, provisions, or requirements of this Declaration shall not result in any forfeiture or reversion of title or of any other interest in a Lot or any other portion of the Property. A breach of any of the covenants, provisions, or requirements of this Declaration shall not defeat, impair, or render invalid the lien of or other rights under any Mortgage. Unless and until it enters into possession or acquires title pursuant to foreclosure or any arrangement or proceeding in lieu thereof, any Mortgagee interested under any Mortgage affecting a Lot or any other portion of the Property shall have no obligation to take any action to comply with, and may not be compelled to take any action to comply with, any of the covenants, provisions, or requirements of this Declaration (other than those, if any, concerning a consent or approval to be given by a Mortgagee, in the event a Mortgagee's failure to give the same is wrongful). No amendment to this Declaration shall in any way affect the rights of any Mortgagee interested under a Mortgage which is in effect at the time of the amendment concerned or the rights of any successor in interest or title to such Mortgagee, either before or after such Mortgagee or its successor enters into possession or

acquires title pursuant to foreclosure, or any arrangement or proceeding in lieu thereof, unless such Mortgagee has consented in writing to such amendment.

10.02 Preservation of Common Elements. The Common Elements shall remain substantially of the same character, type and configuration as when such Common Elements became part of the Project. Unless the Association shall receive the prior written approval of (a) all first Mortgagees of Lots and (b) the Owners of all Lots, the Association shall not be entitled by act or omission to abandon, partition, subdivide, encumber, sell, transfer or materially modify the Common Elements, except to grant reasonable easements for utilities and similar or related purposes or as otherwise contemplated in this Declaration.

10.03 Notice-of Matters Affecting Security. The Association shall give written notice to any Mortgagee of a Lot specifically requesting from the Association such notice whenever:

(a) There is any material default by the Owner of the Lot subject to the Mortgage in performance of any obligation under this Declaration or the Articles of the Association which is not cured within 60 days after default occurs; or

(b) Damage to the Common Elements from any one occurrence exceeds \$50,000; or

(c) There is any condemnation or taking by eminent domain of any material portion of the Common Elements.

10.04 Notice of Meetings. The Board shall give to any Mortgagee of a Lot specifically requesting the same from the Association, notice of all meetings of the Association; and such Mortgagee shall have the right to designate in writing a representative to attend any or all such meetings.

10.05 Right to Examine Association Records. Any Mortgagee shall, upon reasonable request, have the same right to inspect the books and records of the Association and receive financial statements as the Owner of the Lot securing the Mortgage.

10.06 Right to Pay Taxes and Charges. Mortgagees may, jointly or singly, pay taxes or other charges which are in default and which may or have become a charge against any portion of the Common Elements and may pay overdue premiums on insurance policies pertaining to the Common Elements, or secure new insurance coverage pertaining to the Common Elements on the lapse of a policy; and Mortgagees making such payments shall be owed immediate reimbursement therefor from the Association.

10.07 No Priority Accorded. No provision of this Declaration gives or may give a Lot Owner or any other party priority over any rights of Mortgagees pursuant to their respective Mortgages in the case of a distribution to Lot Owners of insurance proceeds or condemnation awards for loss to or taking of Lots and/or the Common Elements.

10.08 Construction. In the event another provision or clause of this Declaration deals with the same subject matter as is dealt with in any provision or clause of this Article 10, the provision or clause which results in the greatest protection and security for a Mortgagee shall control the rights, obligations, or limits of authority, as the case may be, applicable to the Association with respect to the subject concerned.

## ASSOCIATION BYLAWS

THE ASSOCIATION'S BYLAWS ARE HEREBY EMBODIED IN THIS DECLARATION AS ARTICLES 11, 12, AND 13. THE MISCELLANEOUS PROVISIONS OF ARTICLE 14 OF THIS DECLARATION SHALL BE APPLICABLE TO BOTH THE BYLAW PROVISIONS AND THE OTHER PROVISIONS IN THIS DECLARATION.

### ARTICLE 11

#### BYLAWS - MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

11.01 Membership. Every Owner upon acquiring title to a Lot shall automatically become a Member of the Association and shall remain a Member thereof until such time as his ownership of such Lot ceases for any reason, at which time his membership in the Association with respect to such Lot shall automatically cease and the successor Owner shall become a Member. Membership in the Association shall be mandatory and shall be appurtenant to, and may not be separated from, the ownership of a Lot. Declarant shall also be a member, and shall remain such until all its security interests in the subject property have been reconveyed.

11.02 Voting Rights. The Association shall have two classes of voting rights.

(a) Each Owner, including Declarant, shall be entitled to one vote for each Lot in which such Owner holds the interest required for Association membership.

(b) Class B. Declarant shall be the only person entitled to Class B voting rights which shall entitle Declarant to 8 votes for each Class A voting right outstanding at the time (including those to which Declarant is entitled). Class B voting rights shall terminate and become a nullity on the later of:

(i) the expiration of 90 days following the date on which the total outstanding Class A voting rights, other than those held by Declarant, equal ninety-five percent (100%) of the total number of Lots or Units authorized in the Project pursuant to the Development Plan; and all Declarant's security interests are reconveyed, or

(ii) upon surrender of the Class B voting rights by Declarant in writing to the Association. Upon termination of the Class B voting rights, all Members including Declarant shall have equal voting rights as to all matters.

11.03 Multiple Ownership Interests. In the event there is more than one Owner of a particular Lot, the vote relating to such Lot shall be exercised as such Owners may determine between or among themselves, but in no event shall more than the total number of votes appurtenant to such Lot be cast with respect to any issue. A vote cast at any Association meeting or by written consent by any of such Owners, whether in person or by proxy, shall be conclusively presumed to be the entire vote attributable to the applicable Lot unless an objection is made at the meeting or in writing by another Owner of the same Lot, in which event no vote will be counted with respect to such Lot except to determine the presence or absence of a quorum.

11.04 Voting. Unless a greater than simple majority of the membership is specified as being required in the Articles, the Bylaws or this Declaration, the vote or approval of the Members shall require the approval of a simple majority of all eligible and outstanding Members' votes present in person or by proxy at a meeting of the Members at which a quorum is present.

11.05 Records of Ownership. Every Owner shall promptly cause to be duly filed of record in the Public Records the conveyance document (or in the case of a contract buyer, a copy of the sales contract or notice of interest) to him of his Lot and shall file a copy of such conveyance document with the Secretary of the Association, who shall maintain a record of ownership of the Lots. Any Owner who mortgages his Lot or any interest therein shall notify the Secretary of the Association of the name and address of the Mortgagee and also of the release of such Mortgage; and the Secretary of the Association shall maintain all such information in the records of ownership. The Association may at any time obtain and rely on information from the Public Records regarding the Owners and Mortgagees of Lots.

11.06 Place of Meeting. Meetings of the Association shall be held at such suitable place convenient to the Owners as may be designated by the Secretary of the Association in the notice thereof.

11.07 Annual Meetings. Annual meetings of the membership of the Association shall be held each year beginning in the year 2010 on such month, day and time as is set forth in the notice therefor; provided, however, that after the first such annual meeting, a month other than the month of the initial meeting may be chosen if it is deemed by the membership to be more convenient. At such annual meetings there shall be elected members of the Board of Directors, as needed, pursuant to the provisions of this Declaration. Financial and budget reports shall also be presented at such meetings as well as other business of the Association properly placed before each meeting.

11.08 Special Meetings. The President shall call a special meeting of the Owners as directed by a resolution of the Board or on a petition signed by Owners holding at least thirty percent (30%) of the total votes of the Association and having been presented to the Secretary.

No business shall be transacted at a special meeting except as stated in the notice therefor unless consented to by a majority of the Owners present, either in person or by proxy.

11.09 Notice of Meetings. The Secretary shall mail a notice of each annual or special meeting stating the purpose thereof as well as the time and place of the meeting to each Owner of record at least 10, but not more than thirty (30), days prior to such meeting. The mailing of notice by prepaid U.S. Mail or by delivery in person shall be considered notice served.

11.10 Quorum. Except as provided in Section 13.17, Owners present in person or by proxy at any membership meeting duly called pursuant to notice shall constitute a quorum at all meetings, both annual and special; provided, however, that such Owners collectively be entitled to cast at least fifty-one percent (51%) of the total Association votes eligible to vote.

11.11 Adjourned Meetings. If any meeting of Owners cannot be organized because a quorum is not present, the Owners who are present either in person or by proxy may adjourn the meeting to a time not less than 48 hours nor more than 45 days from the time the original meeting was called, at which time the requirements for a quorum shall be reduced by one-half that required at the immediately preceding meeting.

11.12 Officers. The Association shall have a President, a Vice President, a Secretary and a Treasurer, all of whom shall be elected by and from the Board. The Board may, if needed, appoint an Assistant Secretary and Assistant Treasurer. Only the offices of Secretary and Treasurer may be filled by the same person. The officers shall be elected by the Board in an organizational meeting of the Board immediately following each annual meeting of Owners at which the new Board has been elected; provided, however, that until the Board is elected by the Owners pursuant to Section 11.14, the officers will be appointed by Declarant.

(a) President. The President shall be the chief executive officer of the Association and shall preside at all meetings of the Association and of the Board. The President shall have all of the general powers and duties that are usually vested in the office of president of a similar type association.

(b) Vice President. The Vice President shall take the place of the President and perform his duties whenever the President shall be absent or unable to act. If neither the President nor Vice President is able to act, the Board shall appoint some other member of the Board to do so on an interim basis. The Vice President shall also perform such other duties as shall from time to time be imposed on him by the Board.

(c) Secretary. The Secretary shall keep the minutes of all meetings of the Board and the minutes of all meetings of the Association. The Secretary shall have charge of such books and records as the Board may direct and shall, in general, perform all duties incident to the office of secretary of a similar type association.

(d) Treasurer. The Treasurer shall have responsibility for Association funds and shall be responsible for keeping full and accurate accounts of all receipts and disbursements in books belonging to the Association. The Treasurer shall be responsible for the deposit of all money and any other valuable effects in the name and to the credit of the Association in such depositories as may from time to time be designated by the Board.

11.13 Initial Composition of Board; Declarant Control. Declarant alone shall have the right to select the initial Board of Directors which may be composed of three Directors, none of whom need be Owners. Such right of the Declarant to appoint the Board shall remain in Declarant until the termination of the Class B voting rights as provided in Section 11.02(b) at which time the Association shall proceed to elect members of the Board in accordance with the Association's Bylaws as set forth in Section 11.14.

11.14 Board of Directors; Owner Control; Composition, Election, Vacancies. The Association, through its Board of Directors, is responsible for the maintenance of any Common Elements, the determination, imposition and collection of Assessments, the enforcement of the provisions of this Declaration and, in general, the preservation of the residential quality and character of the Project to the benefit and general welfare of the Owners. Subject to the provisions of Section 11.13, the Board shall be composed of five Directors, each of whom shall be an Owner (or an officer, director, or agent of a non-individual Owner). At the first meeting of Owners to elect a Board of Directors, two shall be elected to a three-year term, two to a two-year term, and one to a one-year term. As Directors' terms expire, new Directors shall be elected for three-year terms and shall serve on the Board until their successors are elected. Vacancies on the Board shall be filled by the remaining Directors from among the Owners and such appointees shall serve until the next annual meeting of Owners when their successors shall be elected for the unexpired term of the Director they were appointed to replace. The Owners may increase the maximum number of Directors to an odd number up to nine at any meeting of Association members.

11.15 Indemnification of Board. Each of the Directors shall be indemnified and held harmless by the Lot Owners against all costs, expenses, and liabilities whatsoever (excluding fraudulent and/or criminal actions) including, without limitation, attorneys fees reasonably incurred in connection with any proceeding in which such Director may become involved by reason of being or having been a member of the Board.

11.16 Board Meetings, Quorum, Board Action. The Board may establish its rules for meetings, whether regular or special. A majority of current Board members shall constitute a quorum. The action of a majority or those Directors attending a meeting at which a quorum is present shall be sufficient to constitute the action of the Board. Action by consent shall require the unanimous consent of all current Directors.

## BYLAWS - DUTIES AND POWERS OF THE ASSOCIATION

12.01 Duties of the Association. Without limiting any other duties which may be imposed upon the Association by its Articles of Incorporation, Bylaws or the Declaration, the Association shall have the obligation and duty to do and perform each and every one of the following for the benefit of the Owners and the maintenance and improvement of the Project:

- (a) The Association shall accept all Owners as members of the Association.
- (b) The Association shall accept title to all Common Elements conveyed to it, whether by Declarant or by others, provided the same is free and clear of liens and encumbrances.
- (c) The Association shall maintain, repair and replace any structural Common Elements.
- (d) The Association shall maintain all landscaping and plantings upon the Common Elements of the Project.

- (f) The Association shall obtain and maintain in force the policies of insurance required of it by the provisions of the Declaration.
- (g) The Association may employ a responsible corporation, partnership, firm, person or other entity as the Managing Agent to manage and control the Common Elements, subject at all times to direction by the Board, with such administrative functions and powers as shall be delegated to the Managing Agent by the Board. The compensation, of the Managing Agent shall be reasonable as specified by the Board. Any agreement appointing a Managing Agent shall be terminable by either party, with or without cause and without payment of any termination fee, upon 30 days' written notice thereof; and the term of any such agreement shall not exceed one year, renewable by agreement of the parties for successive periods of one year each. Any Managing Agent may be an agent or employee of the Association or an independent contractor, as the Board deems appropriate.

12.02 Powers and Authority of the Association. The Association shall have all the powers set forth in its Articles of Incorporation and Bylaws, together with its general powers as a nonprofit corporation, and the power to do any and all things which may be authorized, required or permitted to be done by the Association under and by virtue of the Declaration or the Bylaws,

including the power to levy and collect Assessments as hereinafter provided. Without in any way limiting the generality of the foregoing, the Association shall have the following powers:

(a) At any time and from time to time and without liability to any Owner for trespass, damage or otherwise, to enter upon any Lot for the purpose of maintaining and repairing such Lot or any improvement thereon if for any reason the Owner fails to maintain and repair such Lot or improvement as required herein. The Association shall also have the power and authority from time to time in its own name, on its own behalf, or in the name and behalf of any Owner or Owners who consent thereto, to commence and maintain actions and suits to restrain and enjoin any breach or threatened breach of the Declaration, the Bylaws or any Rules and Regulations promulgated by the Board, or to enforce by mandatory injunction or otherwise all of the provisions of the Declaration, the Bylaws and such Rules and Regulations.

(b) In fulfilling any of its duties under the Declaration, including its duties for the maintenance, repair, operation or administration of the Common Elements and Lots (to the extent necessitated by the failure of the Owners of such Lots) or in exercising any of its rights to construct improvements or other work upon any of the Common Elements, the Association shall have the power and authority to obtain, contract and pay for, or otherwise provide for:

(i) Construction, maintenance, repair and landscaping of the Common Elements on such terms and conditions as the Board shall deem appropriate;

(ii) Such insurance policies or bonds as the Board may deem appropriate for the protection or benefit of the Association, the members of the Board and the Owners;

(iii) Such utility services related to the Common Elements as the Board may from time to time deem necessary or desirable;

(iv) The services of architects, engineers, attorneys and certified public accountants and such other professional or nonprofessional services as the Board may deem desirable;

(v) Fire, police and such other protection services as the Board may deem desirable or the benefit of the Owners or any portion of the Project; and

(vi) Such materials, supplies, furniture, equipment, services and labor as the Board may deem necessary.

12.03 Association Rules and Regulations. The Board from time to time, subject to and not inconsistent with the provisions of the Declaration or the Bylaws, may adopt, amend, repeal and enforce reasonable Rules and Regulations governing, among other things: (a) the use of the Common Elements; (b) the use of any streets, driveways or parking areas owned by the Association; (c) the collection and disposal of refuse; (d) uses and nuisances pertaining to the

Project; and (e) all other matters concerning the use and enjoyment of the Property and the conduct of Owners and their invitees within the Project.

12.04 Limitation of Liability. No member of the Board acting in good faith shall be personally liable to any Owner, guest, lessee or any other person for any error or omission of the Association, its representatives and employees, the Board, any committee of the Board, or the Managing Agent.

## ARTICLE 13

### BYLAWS - ASSESSMENTS

13.01 Assessments. The Association shall have the right to levy and collect Common Assessments, Special Assessments, Capital Improvement Assessments, and Specific Assessments as provided in this Article 13. The Board may require that payment of any of such Assessments, except Specific Assessments, be made to, and collected by the Association in monthly or periodic bulk payments as directed by the Board in its discretion. Declarant at its option is not liable for assessments.

13.02 Common Assessments. The Common Assessments levied by the Association shall be used to promote the common benefit, recreation and welfare of the Owners; to meet obligations imposed on, incurred or assumed by the Association; to cover costs, including overhead and administrative costs, for the operation of the Association; and the operation, management, maintenance, repair, and replacement of the Common Elements. The Common Assessments may also be used to establish adequate Reserves for maintenance, repair, and replacement of the Common Elements. Common Assessments shall be levied against each Lot and Unit and the Owner thereof and shall be payable in 12 equal monthly installments, one such installment due on the first day of each calendar month during the fiscal year to which the assessment relates; provided, however, the Common Assessments for the first fiscal year of the Association shall be based upon such portion of the fiscal year as follows the date of recordation of the Declaration in the Public Records and shall be payable in such installments and at such times as the Association, in the sole discretion of the Board, may determine. Without limiting the Association's ability to calculate the amount of Common Assessments pursuant to this Declaration, the Declarant estimates that Common Assessments shall be assessed at the rate of approximately \$ 60.00 per month per Lot during the year 2010. Declarant shall have the right to collect Common Assessments along with the monthly mortgage payments by Owners. Declarant shall have the right but not the obligation to pay common area assessments.

(a) Basis of Common Assessments. The total Common Assessments shall be based on advance estimates of cash requirements by the Association to provide for payment of all estimated Common Expenses growing out of or connected with the operation of the Association and the operation, management, maintenance, and repair of the Common Elements, which estimates may include, among other things, expenses of snow removal, taxes, premiums

for all insurance which the Association is required or permitted to maintain pursuant hereto, repairs and maintenance, wages for Association employees, compensation of a manager, legal and accounting fees, the creation of reasonable Reserves, surplus and/or sinking funds for the replacement of capital items and other purposes, and any other expenses and liabilities which may be incurred by the Association for the benefit of the Owners. Common Assessments shall be made on the basis of the Association's fiscal year (which may be a calendar year). Notice of the proposed assessment for any such year shall be mailed to each Owner not later than 30 days prior to the effective date thereof, together with an operating budget for the upcoming fiscal year.

(i) The budget shall itemize the estimated cash requirements for such fiscal year, anticipated receipts, reserves, and any deficit or surplus from the prior operating period. The budget shall serve as the supporting document for the Common Assessments for the upcoming fiscal year and as the major guideline under which the Project shall be operated during such fiscal year.

(ii) The failure of the Association to give timely notice of any Common Assessment as provided herein shall not be deemed a waiver of or modification in any respect of the provisions of the Declaration, or a release of any Owner from the obligation to pay such Assessment or any other Assessment; but the date when the payment shall become due in such case shall be deferred to a date 15 days after notice of such Assessment shall have been given to the Owner in the manner provided in Section 14.01.

(b) Reserves. Common Assessments may include reasonable amounts, as determined by the Board, collected as Reserves for the future periodic maintenance, repair and replacement of all or a portion of the Common Elements, or for any other purpose as determined by the Board. All amounts collected as Reserves, whether pursuant to this Section or otherwise, shall be deposited by the Board in a separate bank account to be held in trust for the purposes for which they are collected. Said amounts shall be segregated from and not commingled with any other funds of the Association. Such Reserves shall be deemed contributions to the capital account of the Association by the Members.

13.03 Special Assessments. If and when required, Special Assessments shall be levied to cover unbudgeted expenses or expenses in excess of those budgeted. Except as otherwise provided in the Articles, Bylaws, or in this Declaration, a Special Assessment shall require the affirmative vote or written consent of a majority of Members. Special Assessments shall be payable in such manner and at such times, including installments over time, as the Board may determine.

13.04 Capital Improvement Assessments. If and when required, a Capital Improvement Assessment may be levied for the purpose of defraying, in whole or in part, the cost of construction, reconstruction, repair or replacement of a capital improvement of or upon the Common Elements, including fixtures and personal property related thereto subsequent to the initial construction thereof for their intended purposes pursuant to the Development Plan; provided, however, that any such assessment in excess of Fifty Thousand Dollars (\$50,000) shall

require the affirmative vote or written consent of a majority of all outstanding Member votes. Capital Improvement Assessments shall be levied against each Lot and Unit and the Owner thereof shall be payable in such manner and at such times, including installments over time, as the Board may determine.

13.05 Specific Assessment. In addition to the Common Assessment and Supplemental Assessment and any Special Assessment or Capital Improvement Assessment authorized pursuant to Sections 13.02, 13.03, and 13.04, above, the Board may levy at any time Specific Assessments (a) on every Lot especially benefitted (i.e., benefitted to a substantially greater degree than any other Lot) by any improvement to adjacent roads, sidewalks, planting areas or other portions of the Common Elements made on the written request of the Owner of the Lot to be charged; (b) on every Lot the Owner, occupant or guest of an Owner of which shall cause any damage to the Common Elements necessitating repairs; and (c) on every Lot as to which the Association shall incur any expense for maintenance or repair work performed, or enforcement action taken, pursuant to any of the provisions of the Declaration or upon the written request of the Owner of the Lot to be charged. The aggregate amount of any such Specific Assessment shall be determined by the cost of such improvements, repairs, maintenance or enforcement action, including all overhead and administrative costs, and all attorney's fees and costs, and shall be allocated among the affected Lots according to the magnitude of special benefit or cause of damage or maintenance or repair work or enforcement action, as the case may be, and such Assessment may be made in advance of the performance of work. If a special benefit arises from any improvement which is part of the general maintenance or operation obligations of the Association, it shall not give rise to a Specific Assessment against the Lots benefitted.

13.06 Creation of Lien and Personal Obligation of Assessment. Each Owner of any Lot or Unit, by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association all Common Assessments, Special Assessments, Capital Improvement Assessments and Specific Assessments levied as provided herein. Each such assessment, together with interest, costs and reasonable attorney's fees for the collection thereof, shall be a charge on the Lot or Unit and shall be a continuing lien upon the Lot or Unit against which the assessment is made. It shall have priority over any declaration of homestead recorded after the date on which this Declaration is recorded in the Public Records and shall continue until paid in full or otherwise satisfied. In a voluntary conveyance of a Lot or Unit, the grantee shall be jointly and severally liable with the grantor for all unpaid assessments, late payment fees, interest and costs of collection, including reasonable attorney's fees, which shall be a charge on the Lot or Unit at the time of the conveyance, without prejudice to the grantee's right to recover from the grantor the amounts paid by the grantee therefor, and each such assessment, together with interest, late charges, collection costs and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such Lot or Unit at the time when the assessment fell due.

13.07 Adjustment of Assessments. The Association may, in the Board's sole discretion, phase in its budget for assessment purposes during a period of up to 12 months following the commencement of assessments pursuant to Section 13.13 with approximately equal monthly

additions so that the amount of the budget (determined based on assumed full operation) collected in the first month of the phase-in period will be (assuming the phase-in period is 12 months) one-twelfth (1/12) of the normal monthly assessment under the full budget, the amount collected in the second month will be two-twelfths (2/12) of the normal monthly assessment, and so on, until the full normal monthly amount is collected in the twelfth month. The Association shall reduce its expenditures not to exceed its collections in these phase-months. Further, in the event that a Plat is recorded, the Board shall have the power to make equitable and reasonable adjustments in the amount of assessments (or installments thereof) so as to take into account (a) any increases in assessments payable to the Association resulting from the inclusion of new Lots or Units and (b) any increases in Common Expenses resulting from the inclusion of new Lots or Units.

13.08 No Offsets or Abatement. All assessments shall be payable in the amount specified by the assessment, and no offsets or abatements against such amount shall be permitted for any reason, including, without limitation, a claim that (a) the Association is not properly exercising its duties and powers as provided in this Declaration, or (b) an Owner has made or elects to make no use of the Common Elements.

13.09 Uniform Rate of Assessment. All Common Assessments, Special Assessments, and Capital Improvement Assessments authorized by the Sections above shall be assessed and allocated among the owners of the Lots at a uniform rate for all Lots.

13.10 Homestead Waiver. Each Owner, to the extent permitted by law, does hereby waive, to the extent of any liens created pursuant to this Declaration, whether such liens are now in existence or are created at any time in the future, the benefit of any homestead or exemption laws of the State of Utah now in effect or from time to time hereafter.

13.11 Limitations on Certain Increases in Common and Special Assessments. The Board shall not in any fiscal year of the Association, without the affirmative vote or written consent of a majority of all outstanding Member votes, levy a Common Assessment per Lot or Unit which is more than fifteen percent (15%) greater than the Common Assessment per Lot or Unit for the immediately preceding fiscal year. Nor shall the Board for any fiscal year of the Association, without the affirmative vote or the written consent of a majority of all outstanding Member votes, levy a Special Assessment against each Lot or Unit which, when aggregated as to all Lots and Units, exceeds ten percent (10%) of the Common Expenses of the Association for such fiscal year. Notwithstanding the foregoing, the Board may increase Common Assessments and Special Assessments which are subject to the foregoing limitations in an "emergency situation" which is defined as either of the following: (a) an extraordinary expenditure necessary to operate, repair or maintain the Common Elements where there exists a threat to personal safety or (b) an extraordinary expenditure necessary to repair or maintain the Common Elements that could not have been reasonably foreseen by the Board in preparing its budget. However, prior to the imposition and collection of an assessment under clause (b) of the preceding sentence, the Board shall pass a resolution containing written findings as to the necessity of the extraordinary expense involved and why the expense was not or could not have been reasonably foreseen in the

budgeting process, and the resolution shall be distributed to the Members with the notice of the assessment.

13.12 Date of Commencement of Assessments. Common Assessments and other assessments shall commence on the first day of the month following the substantial completion of the construction of the Improvements that are located on that portion of the Property identified in the Development Plan as part of the Common Elements and the conveyance of such Property and Improvements to the Association. At its sole discretion, Declarant shall have the right to waive any assessments that would otherwise be applicable to itself.

13.13 Reports to Members. The Board shall cause to be prepared an annual balance sheet and operating statement reflecting income and expenditures of the Association for each fiscal year, and shall cause to be distributed a copy of each such statement to each Member. The Board shall also prepare and distribute to each Member with the delivery of notice of each new proposed Common Assessment as required above, a written, itemized estimate of the Common Expenses to be incurred by the Association during such new year in performing its functions under this Declaration as well as expected income and any surplus from the prior year's assessments.

13.14 Excess Funds. At the end of any fiscal year of the Association, the Board may determine that all excess funds of the Association, over and above the amounts used for any purpose, may be retained by the Association and used for Reserves, or to reduce the following year's Common Assessments.

13.15 Remedies for Non-payment of Assessments. Any installment of a Common Assessment, Special Assessment or Capital Improvement Assessment, or not paid within 10 days after the due date shall bear interest from the due date of such installment to the date paid at the rate of twelve percent (12%) per annum. If any installment of an assessment is not paid within 10 days after it is due, the Owner responsible therefor shall be required to pay a late charge of five percent (5%) of the amount of the delinquent installment. The Association may either bring a legal action at law against the Owner personally obligated to pay the same, or foreclose the lien against the Lot or Unit. Any judgment obtained by the association in connection with the collection of delinquent Assessments and related charges shall include reasonable attorney's fees, court costs and every other expense incurred by the Association in enforcing its rights. Failure of the Association to promptly enforce any remedy granted pursuant to this Section 13.15 shall not be deemed a waiver of any such rights. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Elements or by abandonment of the Owner's Lot or Unit.

(a) Notice of Default. No action shall be brought to enforce any assessment lien herein, unless at least 30 days have expired following the date Notice of Default is deposited in the United States mail, postage prepaid, to the Owner of the Lot, and a copy thereof has been recorded by the Association in the Public Records. Said Notice of Default must recite a good and sufficient legal description of the Lot or Unit, the record Owner or reputed Owner thereof,

the amount claimed (which may include interest and late charges as provided in this Section 13.15, plus reasonable attorney's fees and expenses of collection in connection with the debt secured by said lien), and the name and address of the Association, as claimant. Such Notice of Default shall be signed and acknowledged by an officer of the Association.

(b) Foreclosure Sale. Any sale provided for above may be conducted by the Board, its attorney or other persons authorized by the Board in accordance with the provisions of the Utah Code Annotated, 1953, as amended, applicable to the exercise of powers of sale in deeds of trust, by foreclosure as a mortgage, or in any other manner permitted by law. The Association, through duly authorized agents, shall have the power to bid on the Lot or Unit at foreclosure sale, and to acquire and hold, lease, mortgage and convey the same.

(c) Curing of Default. Upon the timely curing of any default for which a Notice of Default was recorded by the Association, an officer of the Association shall record in the Public Records an appropriate Release of Lien, upon payment by the defaulting Owner of a reasonable fee to be determined by the Association to cover the cost of preparing and recording such release.

(d) Certificate as to Indebtedness. A certificate executed and acknowledged by any officer of the Association stating the indebtedness secured by the liens created hereunder upon any Lot or Unit shall be conclusive upon the Association and the Lot or Unit Owner as to the amount of such indebtedness as of the date of the certificate, in favor of all persons who rely thereon in good faith.

(e) Cumulative Remedies. The assessment liens and the rights of foreclosure and sale hereunder shall be in addition to, and not in substitution for, all other rights and remedies which the Association and its assigns may have hereunder and by law, including a suit to recover a money judgment for unpaid assessments, as above provided.

13.16 Quorum Requirements. The quorum at any Association meeting required for any action authorized by Section 13.04 (special assessments), above, shall be as follows: At the first meeting called, the presence of Owners or proxies entitled to cast sixty percent (60%) of the total Association votes eligible to vote shall constitute a quorum. If a quorum is not present at the first meeting or any subsequent meeting, another meeting may be called (subject to the notice requirements set forth in Section 14.01) at which a quorum shall be one-half ( $\frac{1}{2}$ ) of the quorum which was required at the immediately preceding meeting. No such subsequent meeting shall be held less than 48 hours nor more than 45 days following the immediately preceding meeting.

13.17 Certificate Regarding Payment. Upon the request of any Owner or prospective purchaser or encumbrancer of a Lot and upon the payment of a reasonable fee to the Association to cover administrative costs, the Association shall issue a certificate stating whether or not payments of all Assessments respecting such Lot are current and, if not, the amount of the delinquency. Such certificate shall be conclusive in favor of all persons who rely thereon in good faith.

13.18 Subordination of Lien to First Mortgages. The lien of the Assessments provided herein shall be subordinate to the lien of any first Mortgage given in the first instance to a bank, savings and loan association, insurance company or other institutional lender; and the holder of any such Mortgage or purchaser who comes into possession of or becomes the Owner of a Lot by virtue of the foreclosure of such first Mortgage or the exercise of a power of sale under such first Mortgage, or by deed in lieu of foreclosure, shall take free of such assessment lien as to any Assessment installment which accrues or becomes due prior to the time such holder or purchaser comes into possession or ownership of such Lot; provided, however, that to the extent there are any proceeds of the sale on foreclosure of such first Mortgage or by exercise of such power of sale in excess of all amounts necessary to satisfy all indebtedness secured by and owed to the holder of such first Mortgage, the lien shall apply to such excess. No sale or transfer of a Lot in connection with any foreclosure of a first Mortgage shall relieve any Lot from the lien of any Assessment installment thereafter becoming due.

13.19 No Abatement. No diminution or abatement of any assessments under the Declaration shall be claimed or allowed for inconvenience, annoyance or discomfort arising from (a) any construction (or lack of construction) within the Project; (b) the making of (or failure to make) any repairs or improvements to or the maintenance of any Common Elements, or any part thereof; or (c) from any action taken to comply with the provision of the Declaration or with the laws, ordinances, regulations, rules, or orders of any governmental authority.

Any amendment subject to this provision shall be effective after the specified approval has been given and that fact has been certified in a writing executed by the President and the Secretary of the Association.

14.07 Consent in Lieu of Vote. In any case in which this Declaration requires for authorization or approval of a transaction the assent or affirmative vote of a stated percentage or number of votes outstanding in the Association or of the Owners, such requirement may be fully satisfied by obtaining, with or without a meeting, consents in writing to such transaction from Owners entitled to cast at least the stated percentage or number of all membership votes then outstanding in the Association, unless a higher percentage or a greater number is required by law. No amendment to any provision of this Declaration which has the effect of diminishing or impairing any right, power, authority, privilege, protection, or control accorded to Declarant, (in its capacity as Declarant), shall be accomplished or effective unless the instrument through which such amendment is purported to be accomplished is specifically consented to in writing by Declarant.

14.08 No Public Right or Dedication. Nothing contained in this Declaration shall be deemed to be a gift or dedication of all or any part of the Project or the Property to the public, or for any public use.
