

NOTICE OF INTENTION

PUBLIC NOTICE IS HEREBY GIVEN that on the 3rd day of April, 2001 the Municipal Council of Provo, Utah adopted a resolution declaring its intention to create a special improvement district to be known as Provo, Utah Central Business Economic Development District (the "District"). It is the intention of the Municipal Council to promote economic development ("Economic Promotion Activities") in an area of downtown Provo within the District and to levy special assessments, as provided in Title 17A, Chapter 3, Part 3, Utah Code Annotated 1953, as amended, on the real estate lying within the District for the benefit of which such assessments are to be expended in the management and costs of such promotional activities.

INTENDED ECONOMIC PROMOTION ACTIVITIES

The Economic Promotion Activities may include, but need not be limited to downtown events, downtown advocacy, promotions, advertising, marketing, business recruiting, improving pedestrian access, festivals, parades, special projects, cultural promotions, reports, surveys, parking management, publicity, beautification, maintenance, meetings, administrative efforts and other promotional activities designed to benefit the downtown central business area.

DESCRIPTION OF DISTRICT

The District area is described by reference to the following streets which comprise the District boundaries:

The north side of 100 South from 600 West to 300 East;
The west side of 300 East from 100 South to 200 North;
The south side of 200 North from 300 East to 100 East;
The west side of 100 East from 200 North to 400 North;
The south side of 400 North from 100 East to 300 West;
The east side of 300 West from 400 North to 200 North;
The south side of 200 North from 300 West to 600 West;
The east side of 600 West from 200 North to 100 South.

The categories of Economic Promotion Activities and the estimated cost ("Estimated Cost") thereof for the first year are set out in the following projected budget tabulation:

**ESTIMATED COSTS OF ECONOMIC PROMOTION ACTIVITIES
AND PROJECTED ANNUAL BUDGET**

<u>Economic Promotion Activity</u>	<u>Estimated Cost</u>
Recruiting New Business for Downtown	\$ 7,000
Retention of Existing Downtown Business	2,213
Business Advocacy	8,936
Enhancing Downtown Appearance	7,481
Visuals, Signage, etc.	2,847
Improved Facades	12,813
Enhanced Appearance	26,580
Attract Business Activity	58,626
Improve Parking and Pedestrian Access	12,607
Contingency	<u>5,897</u>
 Total to be Raised Annually from Assessments	 \$145,000

- Notes: 1) The total estimated budgets for years two and three are subject to approval and adoption by the Municipal Council, but it is anticipated these budgets will be substantially comparable to the estimated budget for the first year. However, amounts for each designated item may change.
- 2) No more than thirty percent (30%) of assessment revenues and interest earned thereon will be allocated for administrative and start up costs. If such costs exceed the thirty percent (30%) limit, such excess shall be paid from revenues other than assessments and interest thereon. The estimated costs shown above include an allocation of administrative costs which do not exceed thirty percent (30%).
- 3) The budget presented above allocates assessment revenues only. Additional monies may become available to supplement the assessments.
- 4) The proposed assessment will be levied once at the beginning of the three year period constituting the life of the District. Property owners will be given the option of paying the assessment in full at the time of assessment or in three annual installments.

PROPERTIES EXCLUDED FROM DISTRICT ASSESSMENTS

Residential, ecclesiastical and government properties shall be excluded from assessments. The determination of qualification for exclusion for ecclesiastical and governmental property shall be based upon existing exemptions from ad valorem real property taxes for properties used by churches for non commercial purposes and for properties owned and operated by governmental agencies. The exclusion for residential properties within the District shall be based upon the determination of Utah County that the residential real property tax rate is applicable.

BASIS FOR ASSESSMENT AND ASSESSMENT RATE

It is proposed to levy assessments one time for a three year period on assessed property in the District to pay all or a portion of the Estimated Costs of Economic Promotion within the District. Costs are estimated above by budget category. Approximately \$145,000 per year of the total estimated cost of all service and Economic Promotion Activities is to be paid by an assessment to be levied upon commercial property within the District. The projected annual rate of assessment shall be .0015 of taxable value (using as a base the taxable values as determined by Utah County for the year 1999) with a minimum of \$200 and a maximum of \$10,000 per year for each parcel of property to be assessed. The total assessment will be approximately three times the annual assessment installments since the total assessment will apply for the three-year life of the District.

Assessments shall be due and payable at one time, or, at the option of the property owner, in three (3) equal installments (the "Assessment Installment" or "Installments"). The first Installment shall be due on the effective date of the Assessment. The second and third Installments shall fall due on the respective annual anniversary dates of the Assessment in each of the years 2002 and 2003. Any installment remaining unpaid for more than thirty (30) days after the due date shall be delinquent. Interest on any delinquent Assessment Installment shall accrue at the same rate as will be applied to delinquent real estate taxes in the year of delinquency. The whole or any part of the assessment may be paid without interest within 15 days (the "Cash Payment Period") after the ordinance levying the assessment becomes effective, and the first Assessment Installment shall be due and payable during the Cash Payment Period.

The following table illustrates how the assessment rate will be applied to the 1999 taxable value of real property within the District.

<u>Assumed 1999 Taxable Value of Property to be Assessed</u>	<u>Assessment Rate to be Levied One Time for Three Year Period</u>	<u>Annual Equivalent of Assessment Rate</u>	<u>Total Assessment to be Levied at Beginning of Three Year Life of the District</u>	<u>Amount of Annual Assessment</u>
Up to \$133,334	.0045	.0015	\$600	\$200

More than \$6,666,666	.0045	.0015	\$30,000	\$10,000

TIME FOR FILING PROTESTS

To be counted against the creation of the District, all protests or objections to the proposed Economic Promotion Activities or the creation of the District **MUST BE IN WRITING**, signed by the owner of the property to be assessed, describing or otherwise identifying said property.

WRITTEN NOTICE OF PROTESTS MUST BE FILED IN THE OFFICE OF THE PROVO CITY RECORDER, ROOM 315 WEST CENTER STREET, ON OR BEFORE 5:00 o'clock p.m. on April 30, 2001. Thereafter at 7:00 p.m., on May 1, 2001, the Municipal Council will meet at the Municipal Council Chambers, 351 West Center Street, Provo, Utah to hear and consider any protests and objections to the creation of the special improvement district or any other comments relating thereto. Timely filed written protests will be considered and counted whether or not the protesting property owner appears at the May 1, 2001 public hearing. The method for determining the number of protests sufficient to defeat the District shall be according to the aggregate assessed taxable valuation of property owned by those submitting a written protest on or prior to the deadline. The Municipal Council may elect to delete portions of the proposed district before creating the District. Protests from owners of property within areas deleted from the District will not be counted as protests against creation of the District. If the portion of assessed taxable valuation of property within the District, owned by persons who make a timely filing of a written protest and who do not withdraw the written protest prior to the closure of the protest hearing, exceeds fifty percent (50%) of the total assessed taxable valuation of the District, as modified by any deletions, the District shall not be created. After considering the written protests and the comments during the May 1, 2001 public hearing the Municipal Council may, in its discretion, decide not to create the District, even if the protest rate is less than fifty percent (50%).
