- b. Amendments. Declarant hereby reserve the right to amend the general plan of development in response to changes in technological, economic, environmental or social conditions related to the development or marketing of the Lots, or to changes in requirements of government agencies or financial institutions. Such amendments shall be effected by (1) giving notice of the proposed changes to the Association, who shall in turn give notice to any Owners then of record, (2) publishing notice of proposed changes in a newspaper of general circulation in

Utah County once a week for two consecutive weeks, and (3) securing approval of any appropriate public agencies having jurisdiction in the matter if such approval is required. Providing that the requisite notice has been given to the Association, the Association may not use its resources nor take a public position in opposition to the proposed changes; however, nothing herein shall be construed to limit the rights of a Member of the Association to act as an individual or in affiliation with other Member of the Association or groups with respect to the proposed changes.

2.4 Nature of Ownership.

a. The Single Family Homes and Commercial Units shall be conveyed in fee simple absolute to each purchaser, who shall thereby become an Owner and a member of the Association.

b. The Townhome PUD Units, One Family Home PUD Units, and Two Family Home PUD Units shall be conveyed in fee simple absolute to each purchaser, who shall thereby become an Owner and member of the Association. Each such conveyance shall contain the reservation of an easement on all ground except the actual footprint (including the private patio/courtyard) of each building to be constructed thereon, and on the exterior of such building, for the purpose of maintaining the grounds and exterior of the buildings, which maintenance shall be performed by the Association in its discretion and subject to the terms of this Declaration.

III. MEMBERSHIP AND VOTING RIGHTS

3.1 Membership. Every Owner shall be a Member of the Association. Membership in the Association shall be mandatory, shall be appurtenant to the Lot in which the Owner has the necessary interest. This covenant of membership shall run with the land and shall not be separated from the Lot to which it appertains.

3.2. Voting Rights. The Association shall have the following described three classes of voting membership:

Class A. Class A Members shall be all Owners other than the Declarant until the Class C membership Ceases. Class A Members shall be entitled to one vote for each Lot in which the interest required for membership in the Association is held. In no event, however, shall more than one Class A vote exist with respect to any Lot.

Class B. Class B Members shall be the Owners, or their lessees, of the Commercial/Office Condominium Units to be constructed upon Segment 1-A of the Property. Class B Members shall be entitled to one vote for each Commercial/Office Condominium Unit in which the interest required for membership in the Associations is held. In no event, however, shall more than one Class B vote exist with respect to any Commercial/Office Condominium Unit.

Class C. The Class C member shall be the Declarant. The Class C Member shall be

entitled to ten (10) votes for each Lot in which it holds the interest required for Membership in the Association. The Class C Membership shall automatically cease and be converted to a Class A membership on the first to occur of the following events:

(a) As to an individual Lot, when such Lot is sold to an Owner;

(b) When the total number of votes held by all Class A and Class B Members equals the total number of votes held by the Class C Members; or

(c) The expiration of fifteen (15) years after the date on which this Declaration is filed for record in the office of the County Recorder of Utah County, Utah.

3.3. Multiple Ownership Interests. In the event there is more than one Owner of a particular Lot, the vote relating to such Lot shall be exercised as such Owners may determine among themselves. A vote cast at any Association meeting by any of the such Owners, whether in person or by proxy, shall be conclusively presumed to be the vote attributable to the Lot concerned except that if an objection is made, the vote involved shall not be counted for any purpose whatsoever other than to determine whether a quorum exists. Upon the failure of co-owners to agree regarding a vote, no vote shall be recognized as to that specific Lot. Partial votes will not be accepted.

3.4. Record of Ownership. Every Owner shall promptly cause to be duly filed of record the conveyance document (or in the case of contract buyer, a copy of the sales contract) to him of his Lot. Each Owner shall file a copy of such conveyance document (or contract) with the secretary of the Association, who shall maintain a record of ownership of the Lots. Any Owner who mortgages his Lot or any interest therein by a mortgage which has priority over the lien of any assessment provided herein shall notify the secretary of the Association of the name and address of the Mortgagee and also of the release of such Mortgage; and the secretary of the Association shall maintain all such information in the records of ownership. Each Owner shall also notify the Association in writing of any change of address by the Owner. Any cost incurred by the Association in obtaining the information about an Owner as specified herein which is not furnished by such Owner shall nevertheless be at the expense of such Owner and shall be reimbursed to the Association as a "Reimbursement Assessment" in accordance with the provisions of Section 6.5. Each Owner agrees that transmittal by first class mail, postage prepaid, of any document to the address listed on the records of the Association or of the Utah County Recorder's office for the Owner of any Lot shall constitute sufficient notice to such Owner for all purposes under this Declaration.

IV. PROPERTY RIGHTS IN COMMON AREAS

4.1 Easement of Enjoyment. Each Member shall have a right and easement of use and enjoyment in and to the Common Areas and the Private Streets. Such right and easement shall be appurtenant to and shall pass with title to each Lot and in no event shall be separated therefrom. Any Member may delegate the right and easement of use and enjoyment described herein to any family member, tenant, lessee or contract purchaser who resides on such Member's Lot.

4.2 Limitation on Easement. A Member's right and easement of use and enjoyment concerning the Common Areas and Private Streets shall be subject to the following:

a. The right of the Association to impose reasonable limitations on the number of guests per Member who at any given time are permitted to use the Common Areas;

b. The right of the Architectural Control Committee to approve and designate the point of access from a Lot to the Streets in accordance with the requirements of Article VIII.

c. The right of Mapleton City and any other governmental or quasi-governmental body having jurisdiction over the Property to access and rights of ingress and egress over and across any street, parking area, walkway, or open area contained within the Property for purposes of providing police and fire protection, transporting school children, and providing any other governmental or municipal service; and

d. The right of the Association to dedicate or transfer all or any part of the Common Areas, the Private Streets and any sewer, water and storm drain trunk lines to any public agency or authority for such purposes and subject to such conditions as may be agreed to by the Association. Any such dedication or transfer must, however, be assented to by two-thirds (2/3) of the vote of a quorum of each class of membership with such quorum being present or in person or by proxy. Such vote shall be taken at a meeting called for that purpose, which meeting shall be conducted pursuant to notice to be sent at least ten (10) but not more than thirty (30) days prior to the meeting date.

V. CONDITIONS ON TRANSFER OF TITLE

5.1 Form for Conveyancing. Any deed, lease, mortgage, deed of trust, or other instrument conveying or encumbering title to a Lot shall describe the interest or estate involved substantially as follows:

Lot No. _____, contained within HARVEST PARK PUD, as the same is identified in the Plat recorded as Document No. _____, of the official records of the Utah County Recorder, SUBJECT TO the Declarations of Covenants, Conditions and Restrictions of HARVEST PARK Planned Unit Development recorded as Document No. _____, of the official records of the Utah County Recorder, TOGETHER WITH a right and easement of use and enjoyment in and to the common Areas and Private Streets described and provided for in said Declaration of Covenants, Conditions and Restrictions and in the Record of Survey Map in the official record of the Utah County Recorder.

Whether or not the description employed in any such instrument is in the above-specified form, however, all provisions of this Declaration shall be binding upon and shall inure to the benefit of any party who acquires any interest in a Lot.

5.2 Transfer of Title. Declarant agrees to convey to the Association title to the various common Areas free and clear of all liens (other than the lien of current general taxes and the lien of any assessments, charges, or taxes imposed by governmental or quasi-governmental authorities), as each such Common Area is, in the discretion of Declarant, substantially completed.

VI. ASSESSMENTS

6.1. Personal Obligation and Lien. Each Owner shall, by acquiring or in any way becoming vested with a property interest in a Lot, be deemed to covenant and agree to pay to the Association the monthly and special assessments described in this Article, together with the hereinafter provided for interest and costs of collection, and such covenant shall run with the land. All such amounts shall be, constitute, and remain: (a) a charge and continuing lien upon the Lot with respect to which such assessment is made; and (b) the personal obligation of the person who is the Owner of such Lot at the time the assessment falls due. No Owner may exempt himself or his Lot from liability for payment of assessments by waiver of his rights concerning the Common Areas or by abandonment of his Lot. In a voluntary conveyance of a Lot, the grantee shall be jointly and severally liable with the grantor for all such unpaid assessments, late payment fees, interest and costs of collection, including reasonable attorneys fees, which shall be a charge on the Lot at the time of the conveyance, without prejudice to the grantee's right to recover from the grantor the amounts paid by the grantee therefore.

6.2. Purpose of Assessments. Assessments levied by the Association shall be used for the purpose of promoting the safety and welfare of residents of the Property, including but not limited to the appearance and aesthetics of the Development. The use made by the Association of funds obtained from assessments may include, but is not limited to, payment of the cost of taxes and insurance on the common Areas; maintenance, repair and improvements of the Common Areas; establishing and funding a reserve to cover major repair or replacement of improvements within the Common Areas; maintenance of the grounds and building exteriors of the Lots located in Phases 3, 4 and 5; any repairs performed pursuant to Sections 6.4 and 6.5 herein, and any other expenses necessary or desirable to enable the Association to perform or fulfill its obligations, functions or purposes under its Articles or Bylaws or this Declaration.

6.3. Maximum Monthly Assessment. As of the date set forth in Section 6.7, each Lot shall be subject to a monthly assessment as follows:

Segment 1-A: not more than Ninety Five Dollars (\$95.00).

Segment 1-B: not more than Ninety Five Dollars (\$95.00).

Segment 1-C, Phases 3 and 4: not more than One Hundred Five Dollars (\$105.00).

Segment 1-D and Phase 5: not more than One Hundred Dollars (\$100.00).

Segment 1-E and Phase 2: not more than Fifty Five Dollars (\$55.00).

From and after the date set in Section 6.8, the maximum monthly assessment may be

increased or decreased so long as the change is assented to by not less than a simple majority of the Board.

6.4. Special Assessments. From and after the date set as set forth in Section 6.8, the Board may levy special assessments for the purpose of defraying, in whole or in part: (a) any expense or expenses not reasonably capable of being fully paid with funds generated by monthly assessments; or (b) the cost of any construction, reconstruction or unexpectedly required repair or replacement in connection with the Common Areas. Any such special assessments must be assented to by not less than a simple majority of a quorum of at least twenty-five percent (25%) of each class of membership with such quorum being present or in person or represented by proxy at a meeting duly called for such purposes. Written notice setting forth the purpose of such meeting shall be sent to all Members at least ten (10) but not more than thirty (30) days prior to the meeting date.

6.5. Reimbursement Assessment on Specific Lot. In addition to the monthly assessment and any special assessment authorized pursuant to Sections 6.3 and 6.4 above, the Board may levy at any time special assessments (a) on each Lot specifically benefitted by any improvement to adjacent roads, sidewalks, planting areas or other portions of the Common Areas made on the written request of the Owner of the Lot to be charged; (b) on each Lot the Owner of occupant of which shall cause any damage to the Common Areas necessitating repairs; and (c) on each Lot as to which the Association shall incur any expense for maintenance or repair work performed, or enforcement action taken, pursuant to Section 3.4, Section 7.1(c), Section 7.2(a) or other provisions of this Declaration (all or part of the foregoing being sometimes referred to as "Reimbursement Assessment"). The aggregate amount of any such Special Assessments shall be determined by the cost of such improvements, repairs, maintenance or enforcement action, including all overhead and administrative costs and attorney's fees, and shall be allocated among the affected Lots according to the special benefit or cause of damage or maintenance or repair work or enforcement action, as the case may be, and such assessment may be made in advance of the performance of work. If a special benefit arises from any improvement which is part of the general maintenance obligations of the Association, it shall not give rise to a Reimbursement Assessment against the Lots benefitted.

6.6. Uniform Rate of Assessment. Except as provided in Section 6.5 above, monthly and special assessments shall be fixed at a uniform rate for all Lots within a specific segment. There shall be no assessment for vacant or unimproved lots owned by the Declarant or the Association until the issuance of a certificate of occupancy for a dwelling unit has been issued for such lot.

6.7. Exempt Property. The following property subject to this Declaration shall be exempt from the assessments created herein:

- a. Portions of the Property dedicated to and accepted by any local authority;
- b. The Common Area;
- c. Property exempt from general property taxes under Utah law.

6.8. Monthly Assessment Due Dates. The monthly assessments provided for herein shall commence with respect to each specific lot when a Certificate of Occupancy has been issued by Mapleton City for a dwelling constructed on that lot. The first monthly assessment shall be adjusted

according to the number of days remaining in the month of conveyance, contract or occupancy as the case may be. Thereafter all monthly assessments shall be due and payable on the first day of each month. A monthly assessment not paid within ten (10) days of due date thereof shall be deemed late and subject to a late fee of \$15.00 or an amount as determined by a majority of the Board. At least fifteen (15) days prior to the effective date of any change in the amount of the monthly assessment, the Association shall give each Owner written notice of the amount and the first due date of the assessment concerned.

6.9. Initial Additional Assessment. An additional one-time assessment equal to the current monthly assessment is to be paid by initial and subsequent purchasers at the time of purchase, which assessment is an addition to and not in lieu of all other assessments due hereunder.

6.10. Certificate Regarding Payment. Upon the request of any Owner or prospective purchaser or encumbrancer of a Lot the Association shall issue a certificate stating whether or not all assessments respecting such Lot are current and, if not, the amount of the delinquency. Such certificate shall be conclusive in favor of all persons who in good faith rely thereon.

6.11. Effect of Non-Payment; Remedies. Any assessment not paid when due shall, together with the hereinafter provided for interest and costs of collection be, constitute and remain a continuing lien on the affected Lot; provided, however, that any such lien will be subordinate to the lien or equivalent security interest of any first mortgage on the Lot recorded prior to the date any such assessments became due. If the assessment is not paid within thirty (30) days after the date on which it becomes delinquent, the amount thereof shall bear interest from the date of delinquency at the rate of eighteen percent (18%) per annum (or at a rate approved by a majority of the Board) and the Association may bring an action either against the Owner who is personally liable or to foreclose the lien against the Lot. The Association may, upon such delinquency, file a Notice of Lien against the Lot with the Utah County Recorder's Office as allowed by Utah law. In the event that management or an attorney is required to be retained to pursue collection of assessments herein, the Owner against whom such action is taken shall be required to pay the reasonable attorneys fees, court costs, and any other reasonable expense incurred by the Association. Such fees, costs and expenses shall be added to any assessment, and shall be a lien upon such Lot, regardless of whether litigation is commenced. Any assessments which are in excess of sixty (60) days (or other time period as determined by the Board) past due shall result in a suspension of such past-due Owner's voting rights herein, until such time as all assessments are paid current.

6.12. Tax Collection by County Authorized. It is recognized that under the Declaration the Association will own the Common Areas and that it will be obligated to pay property taxes to Utah County therefor. It is further recognized that each Owner of a Lot as a Member of the Association will be required to reimburse the Association for his pro rata share of such taxes paid, which reimbursement shall be included in the Assessment levied pursuant to Section 6.3 herein. Notwithstanding anything to the contrary contained in the Declaration, Utah County shall be authorized to collect such pro rata share of taxes directly from each Owner by inclusion of said share with the tax levied on each Lot.

VII. DUTIES AND POWERS OF THE ASSOCIATION

7.1. Duties of the Association. Without limiting any other duties which may be imposed
