If the Owner does not comply with the Board's ruling within such period, the Board at its option, may either remove the non-complying improvement or remedy the noncompliance, and the Owner shall reimburse the Association upon demand for all expenses incurred in connection therewith. If such expenses are not promptly repaid by the Owner to the Association, the Board shall levy an assessment against such Owner and the

Improvement in question and the Lot upon which the same is situated for reimbursement, and the same shall constitute a lien upon such land and improvement and be enforced as provided in this Declaration.

- (iv) If for any reason after receipt of said written notice of completion from the Owner the Committee fails to notify the Owner of any noncompliance with the period provided above in subparagraph (ii) of Section 9.08, the improvement shall be deemed to be in accordance with said approved Plans and Specifications.

B. Work in Progress. The Committee may inspect all work in progress and give notice of noncompliance as provided above in subparagraph (ii) of Section 9.08. If the Owner denies that such noncompliance exists, the procedure set out in subparagraph (iii) of Section 9.08 shall be followed, except that no further work shall be done, pending resolution of the dispute, which would hamper correction of the noncompliance if the Board shall find that such noncompliance exists.

SECTION 9.09. Non-liability of Committee Members. Neither the Committee nor any member thereof nor the Board nor any member thereof shall be liable to the Association or to any owner or to any other person for any loss, damage or injury arising out of or in any way connected with the performance of the Committee's or the Board's respective duties under this Declaration unless due to the willful misconduct or bad faith of the Committee or its members or the Board or its members, as the case may be. The Committee shall take into consideration the aesthetic aspects of the architectural designs, placement of buildings, landscaping, color schemes, exterior finished and materials and similar features, but shall not be responsible for reviewing, nor shall its approval of any Plans and Specifications be deemed approved thereof from the standpoint of structural safety, engineering soundness, or conformance with building or other codes.

- (ii) December 31, 2004.

SECTION 10.03. Organization and Purpose. The Association is a nonprofit Utah corporation created for the purposes, charged with the duties, and investing with the powers prescribed by law or set forth in its Articles and By-Laws or in this Declaration. Neither the Articles nor By-Laws shall for any reason be amended or otherwise changed or interpreted so as to be inconsistent with this Declaration. In the event of a conflict between the provisions of the Articles of Incorporation and By-Laws of the Association and this Declaration, the terms and provisions of this Declaration shall control. The Association shall be charged with the administration of North Ranch and the terms and provisions of this Declaration. Further, the Association shall be responsible for the maintenance and operation of any open space or easements and any improvements on such open space or easements within North Ranch owned by the Association.

SECTION 10.04. Specific Powers of the North Ranch Association.

- A. Right of Entry and Enforcement.** The Association may enter, after twenty-four (24) hours written notice without being liable to any Owner, onto any Lot for the purpose of enforcing by peaceful means the provisions of this Declaration. The Association may also, in its own name and behalf or in the name and behalf of any Owner who consents thereto, commence and maintain actions and suits to enforce by mandatory injunction or otherwise, or to restrain and enjoin any breach or threatened breach of provisions of this Declaration.
- B. Fines.** If any Owner, or any member of his family, or any of his guests, invitees, or tenants, shall breach any covenant, condition or restriction contained in this Declaration, and if such Owner shall not cease and remedy such breach (or cause such other person to cease or remedy such breach) after Notice and Hearing, the Association may levy a reasonable fine not to exceed Fifty Dollars (\$50.00) for each breach per month while the breach remains uncured against such Owner and he shall be personally liable to pay the same and the same shall become a lien against such Owner's Lot and all improvements thereon, and payment may be enforced, as is hereinafter provided for Assessments.
- C. Delegation of Functions.** To the extent permitted by law, the Association and the Board may delegate any of their duties, powers or functions to the manager or to any other person, or committee of persons. The Owners release the Association and the members of the Board from Liability for any omission or improper exercise by the Manager or such other person or committee of any duty, power or function so delegated.
- D. Contracts.** The Association may enter into contracts with Grantor and all other persons to provide any service or perform any function, including but not limited to contracts delegating enforcement of some or all of the duties under this Declaration and the right to collect and remit (but not to levy) Assessments and fines levied by the Association.
- E. Rules and Regulations.** The Association may enact such reasonable rules and regulations, not in contradiction of this Declaration, as it deems proper covering any and all aspects of its functions hereunder.

ARTICLE XI

NORTH RANCH ASSESSMENTS

SECTION 11.01. Creation of the Lien and Personal Obligation of Assessments. Each Owner of any Lot by acceptance of a deed therefore, whether or not it shall be so expressed in any such deed or other conveyance, is deemed to covenant and agree to pay to the Association:

- A. Annual assessments or charges; and
- B. Special assessments for capital improvements, such assessments to be fixed, established and collected from time to time as hereinafter provided.

The annual and special assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment together with such interest, costs and reasonable attorney's fees, shall be a lien on such Lot and shall also be the personal obligation of the owner of such Lot, provided, however, that the personal obligation for delinquent assessments shall not pass to such Owner's successors in title unless expressly assumed by them.

SECTION 11.02. Purpose of Assessments. The assessments levied by the Association through its Board of Trustees shall be used exclusively for the purpose of promoting the recreation, health, safety and welfare of the residents in North Ranch, and in particular, for the services and facilities devoted to this purpose and related to the use and enjoyment of any open space or easements within North Ranch owned by the Association, and further, for the purpose of repairing, reconstructing, replacing and maintaining private roads, and ways, footpaths, utilities, landscaping, recreational facilities, if any, and any such other maintenance or improvement obligations which may be deemed necessary for the common benefit of the Owners and the maintenance of property values of which may be incurred by virtue of agreement with or requirement of the County or other governmental authorities. The assessments shall further be used to provide adequate insurance of any and all types and amounts deemed necessary by the Board and to provide such reserves as may be deemed necessary in order to accomplish the objects and purposes of the Association. A portion of the annual assessments shall further be used to provide a reserve fund for the replacement and maintenance of the common areas and the Board shall be obligated to establish such reserve fund.

SECTION 11.03. Basis and Payment of Annual Assessments.

- A. The annual assessments with respect to each Lot shall be estimated by the Board prior to the conveyance of the first Lot and shall be payable in advance in annual installments, or in such other installments as the Board may determine.

- (i) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner other than Grantor, the maximum annual assessment shall be adjusted in conformance with the Consumer Price Index (CPI) published by the U.S. Department of Labor, specifically the Consumer Price Index for Urban Wage Earners and Clerical Workers, U.S. City Average, All Items unadjusted for seasonal variation. The maximum monthly assessment for any year shall be the amount determined by:

- (a) Taking the dollar amount specified above;

- (b) Multiplying that amount by the published CPI number for the second month prior to the beginning of the subject year; and
 - (c) Dividing that resultant by the published CPI number for the month in which this Declaration was recorded.
- (i) From and after January 1 or the year immediately following the conveyance of the first Lot to an Owner, other than Grantor, the maximum annual assessment may be increased above the amount computed in accordance with the provisions of (i) above, by a vote of sixty-six and two-thirds percent (66 2/3%) of each class of members who are voting in person or by proxy, at a meeting duly called for such purpose;
 - (ii) The Board of Trustees may fix the annual assessment at any amount not in excess of the maximum.
- B.** Annual assessments shall be payable on or before the 10th day of the first month of each calendar year or within ten (10) days of the first day of the first month of any other assessment period adopted by the Association's Board. Written notice of the annual assessment shall be sent to every Owner immediately following the assessment date. The Association shall upon demand of any Owner, prospective purchaser, mortgagees and prospective mortgagees furnish a certificate in writing signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A reasonable charge may be made by the Board for the issuance of these certificates. Such certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid.

SECTION 11.04. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any reconstruction, repair or replacement of a capital improvement which is situated upon any open space or easement owned by the Association, including the fixtures and personal property related thereto, provided, that any such assessment shall have the assent of sixty-six and two-thirds percent (66 2/3%) of the votes for class A members.

SECTION 11.05. Date of Commencement of Actual Assessments; Due Dates. The annual assessments provided for herein shall commence on the first day of the calendar month following the conveyance of the first Lot to an Owner. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto.

SECTION 11.06. Effect of Nonpayment of Assessments Remedies of the Association. Any annual or special assessment which is not paid when due shall be delinquent. If the assessment is not paid within fifteen (15) days after the due date, the assessment shall bear interest from the date of delinquency at the rate of twelve percent (12%) per annum and carry a late fee of thirty percent (30%) of the amount due for each month of delinquency. The Association may bring an action at law against the Owner personally obligated to pay the delinquent installments, or foreclose the lien against the Owner's Lot. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of Common Area amenities or his Lot or abandonment of his Lot.

SECTION 11.07. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot as a result of

court foreclosure of a first mortgage, foreclosure through the Public Trustee, or any proceeding in lieu of foreclosure, shall extinguish the lien of such assessments as to payments thereof which become due prior to the time such first mortgagee acquires title, but shall not relieve any former Owner of personal liability therefor. No sale or transfer shall relieve such Lot from liability for any assessments becoming due after such first mortgagee acquires title.

SECTION 11.08. Notice to Mortgagee. Upon request of a mortgagee, and upon receipt by the Association of a reasonable fee not to exceed Ten Dollars (\$10.00) for such service, the Association shall report to the mortgagee of a Lot any unpaid assessments or other defaults under the terms hereof which are not cured by said mortgagee's mortgagor within thirty (30) days; provided, however, that a mortgagee shall have furnished to the Association notice of its encumbrance.

ARTICLE XII

ENFORCEMENT AND NONWAIVER

SECTION 12.01. Right of Enforcement. Except as otherwise provided herein, any Owner of any Lot which is subject to this Declaration, regardless of when it became so subject, at Owner's own expense, Grantor, and the Board shall have the right to enforce all of the provisions of this Declaration against any other Lot which is subject to the Declaration. Such rights shall apply regardless of when the Lot became subject to the Declaration and regardless of the Owners thereof. Such right of enforcement shall include both damages for and injunctive relief against the breach of any such provision.

SECTION 12.02. Violation a Nuisance. Every act or omission whereby any provision of this Declaration is violated in whole or in part is hereby declared to be a nuisance and may be enjoined or abated by any Owner at his own expense, Grantor, and the Board, whether or not the relief sought is for negative or affirmative action. However, only Grantor, the Board, and the duly authorized agent of either of them may enforce by self-help any of the provisions of this Declaration and then only if such self-help is preceded by reasonable notice to the owner in violation.

SECTION 12.03. Violation of Law. Any violation of any federal, state or local law, resolution or regulation pertaining to the ownership, occupancy or use of any property subject hereto is declared to be a violation of this Declarations and subject to all of the enforcement provisions set forth herein.

SECTION 12.04. Enforcement in Small Claims Court. The Association may enforce any fine or delinquent Assessment levied or assessed under this Declaration and any late payment charge attributable thereto, and any interest thereon and the cost of collecting the same under the terms and provisions of any legislation with respect to a "small claims court" as may exist from time to time. The Association may also bring any action at law or equity in any other court available to it under the statutes of the State of Utah for enforcement of any provision of this Declaration.

SECTION 12.05 Remedies Cumulative. Each remedy provided by this Declaration is cumulative and not exclusive.

SECTION 12.06. Nonwaiver. The failure to enforce any provision of this Declaration at any time shall not constitute a waiver of the right thereafter to enforce any such provision or any other provision hereof.

ARTICLE XIII

MORTGAGEE PROTECTION

SECTION 13.01. Rights of First Mortgagee of the Lot. The First Mortgagees of any Lot may, jointly or severally, pay taxes or other charges which are in default and which may or have become a charge against any real or personal property owned by or held as easements by the Association and may pay all the due premiums on hazard insurance policies or secure new hazard insurance coverage on any such property and any such First Mortgagee making such payments shall be owed immediate reimbursement therefore from the Association.

SECTION 13.02. Professional Management. Any agreement for professional management entered into by the Association or any other contract providing for services of Grantor or any other developer of the project may not exceed five (5) years in term. Any such agreement must provide for termination by either party to such agreement with or without cause and without payment of a termination fee on ninety (90) days or less written notice.

ARTICLE XIV

MISCELLANEOUS

SECTION 14.01. Term. This Declaration as the same may be amended from time to time hereafter, including all of the covenants, conditions and restrictions hereof, shall run until December 31, 2020, this Declaration, including all such covenants, conditions and restrictions shall be automatically extended for successive periods of ten years each, unless amended or extinguished by a written instrument executed by the owners of at least seventy-five percent (75%) of the Lots then in North Ranch and recorded in the Utah County real property records.

SECTION 14.02. Mortgage Protection. Notwithstanding any provision of this Declaration, no lien arising by reason of the breach of or the enforcement of any provision of this Declaration shall defeat or render invalid the rights of the Beneficiary under any recorded Mortgage or Deed of Trust of first and senior priority now or hereafter upon a Lot made in good faith and for value. However, after the foreclosure of any such first Mortgage or Deed shall remain subject to this Declaration and shall be liable for all Assessments levied subsequent to such foreclosure or conveyance, and all installments of Assessments levied prior to completion of such foreclosure or before such conveyance but falling due after such completion or such conveyance.

SECTION 14.03. Amendment.

- A. Special Provisions.** No amendment of Section 14.02 shall be effective as to any Mortgagee who does not join in the execution thereof, provided that his Mortgage or Deed of Trust is recorded in the real property records of Utah County prior to the recordation of such amendment; provided however, that after foreclosure or conveyance in lieu of foreclosure the property which was subject to such Mortgage or Deed of Trust, shall be subject to such amendment. No amendment of this Declaration shall be effective until executed and recorded in the real property records of Utah County in the manner hereinafter provided.
- B. By Grantor.** Except as provided in Section 14.03 A, this Declaration may be amended only by Grantor during the period of Grantor control. If Grantor wishes to amend this

Declaration, it shall first give at least ten (10) days written notice to each Owner of a Lot then subject thereto of the time and place of a hearing to be held to consider such amendment. Such notice may be given in person or by mail. If such notice is given by mail, the effective date thereof shall be the third (3) day (other than a Saturday, Sunday or legal holiday) after such notice shall have been deposited in the United States mail, postage prepaid, and addressed to such owner at this address as then shown on the records of the Association, or to the residence of such Owner in North Ranch if his address has not been given to the Association. If the Owners of seventy-five percent (75%) or more of the Lots which on the date of such hearing were subject to this Declaration, by written notice delivered to Grantor within fifteen (15) days after such hearing object to the amendment proposed by Grantor it shall not become effective. No amendment shall be effective until there has been recorded, in the real property records of Utah County, an instrument executed and acknowledged by Grantor setting forth the amendment and certifying that the above mentioned notice and hearing was given and held and that Grantor did not within twenty-five (25) days after said hearing receive written objections to the amendment from the Owners of seventy-five percent (75%) or more of said Lots, as aforesaid.

- C. **By Owners.** Except as provided in Sections 14.03 A and 14.03 B, this Declaration may be amended by the recording in the Utah County real property records of an instrument executed and acknowledged by the Owners of at least seventy-five percent (75%) of the Lots subject to this Declaration at the time of the amendment.
- D. **Common Owners.** For purposes of Sections 14.03 B and 14.03 C above, if title to any Lot is held jointly or in common by more than one Person, the vote with respect to said Lot shall be held in the same manner. However, neither fractional votes nor split votes shall be allowed, and all joint or common Owners must object in writing to the proposed amendment under Section 14.03 B, or approve in writing the proposed amendment under Section 14.03 C, as the case may be, or the vote with respect to such Lot shall not be counted.
- E. **Town of Eagle Mountain.** The provisions of this Declaration concerning enforcement by the Town of Eagle Mountain of architectural guidelines, building and zoning ordinances and codes may not be amended without the express written consent of the Town of Eagle Mountain.

SECTION 14.04. Interpretation. The Provisions of this Declaration shall be liberally construed to effectuate their purposes of creating a uniform plan for the development of the Lots subject hereto and of promoting and effectuating the fundamental concepts of North Ranch as set forth in the RECITALS and DECLARATION of this Declaration. This Declaration shall be construed and governed under laws of the State of Utah.

SECTION 14.05. Construction.

- A. **Restrictions Severable.** Notwithstanding the provisions of the foregoing Section 14.04 each of the provisions of this Declaration shall be deemed independent and Severable, and the invalidity or partial invalidity of any provision or portion thereof shall not affect the validity or enforceability of any other provision.
- B. **Singular Includes Plural.** Unless the context requires a contrary construction, the singular shall include the plural, and the plural the singular; and the masculine, feminine or neuter shall each include the masculine, feminine and neuter.
- C. **Captions.** All captions and titles used in this Declaration are intended solely for convenience of reference and shall not enlarge limit or otherwise affect that which is set forth in any paragraph, section or article hereof.

ARTICLE XV

**EXEMPTION OF GRANTOR FROM CONTROL OF
ARCHITECTURAL COMMITTEE**

Anything to the contrary in any other part of this Declaration notwithstanding, this Declaration is not meant to, does not, and shall not be construed as (i) subjecting Grantor or any of Grantor's activities to the control or jurisdiction of the North Ranch Architectural Committee; or (ii) eliminating or restricting any right, power, privilege or exemption of Grantor under Declaration.

IN WITNESS WHEREOF, Grantor has executed this Declaration the day and year first above written.
