ARTICLE I.

SECOND SERIES OF BONDS.

SECTION 1.01. There shall be a series of bonds designated "Secured Medium-Term Notes, Series A" (herein sometimes referred to as the Second Series), each of which shall also bear the descriptive title "First Mortgage and Collateral Trust Bond," and the form thereof, which shall be established by or pursuant to a Resolution, shall contain suitable provisions with respect to the matters hereinafter in this Section specified.

(I) Bonds of the Second Series shall mature on such date or dates not less than nine months nor more than 30 years from the date of issue as shall be set forth in or determined in

accordance with a Resolution filed with the Trustee and shall be issued as fully registered bonds in the denomination of One Hundred Thousand Dollars and, at the option of the Company, in any multiple or multiples of Two Thousand Dollars in excess of One Hundred Thousand Dollars (the exercise of such option to be evidenced by the execution and delivery thereof).

The Company reserves the right to establish, at any time, by or pursuant to a Resolution filed with the Trustee, a form of coupon bond, and of appurtenant coupons, for the Second Series and to provide for exchangeability of such coupon bonds with the bonds of the Second Series issued hereunder in full registered form and to make all appropriate provisions for such purpose.

(II) Bonds of the Second Series shall bear interest at such rate or rates (which may either be fixed or variable), payable on such dates, and have such other terms and provisions not inconsistent with the Mortgage as may be set forth in or determined in accordance with a Resolution filed with the Trustee. Bonds of the Second Series shall be dated and shall accrue interest as in Section 2.06 of the Mortgage provided.

Interest payable on any bond of the Second Series and punctually paid or duly provided for on any interest payment date for such bond will be paid to the person in whose name the bond is registered at the close of business on the Record Date (as hereinafter specified) for such bond next preceding such interest payment date; provided, however, that the first payment of interest on any bond with an Issue Date (as hereinafter specified) between a Record Date and an interest payment date or on an interest payment date will be made on such interest payment date to the person in whose name the bond is initially issued; provided, further, that interest payable at maturity or upon earlier redemption will be payable to the person to whom principal shall be payable. The "Record Date" with respect to bonds of the Second Series of a designated interest rate and maturity shall be determined by or in accordance with a Resolution filed with the Trustee. "Issue Date" with respect to bonds of the Second Series of a designated interest rate and maturity shall mean the date of first authentication of bonds of such designated interest rate and maturity.

(A) Any interest on any bond of the Second Series which is payable but is not punctually paid or duly provided for, on any interest payment date for such bond (herein called "Defaulted Interest"), shall forthwith cease to be payable to the registered owner on the relevant Record Date for the payment of such interest solely by virtue of such owner having been such owner; and such Defaulted Interest may be paid by the

Company, at its election in each case, as provided in subsection (i) or (ii) below:

(i) The Company may elect to make payment of any Defaulted Interest on the bonds of the Second Series to the persons in whose names such bonds are registered at the close of business on a Special Record Date (as hereinafter defined) for the payment of such Defaulted Interest, which shall be fixed in the following manner: The Company shall, at least 30 days prior to the proposed date of payment, notify the Trustee in writing (signed by an Authorized Financial Officer of the Company) of the amount of Defaulted Interest proposed to be paid on each bond of the Second Series and the date of the proposed payment (which date shall be such as will enable the Trustee to comply with the next sentence hereof), and at the same time the Company shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit on or prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the persons entitled to such Defaulted Interest as in this subsection provided and not to be deemed part of the Mortgaged and Pledged Property. Thereupon, the Trustee shall fix a record date (herein referred to as a "Special Record Date") for the payment of such Defaulted Interest which date shall be not more than 15 nor less than 10 days prior to the date of the proposed payment and not less than 10 days after the receipt by the Trustee of the notice of the proposed payment. The Trustee shall promptly notify the Company of such Special Record Date and, in the name and at the expense of the Company, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first-class postage prepaid, to each registered owner of a bond of the Second Series at his address as it appears in the bond register not less than 10 days prior to such Special Record Date. Notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor having been mailed as aforesaid, such Defaulted Interest shall be paid to the persons in whose names the bonds of the Second Series are registered at the close of business on such Special Record Date and shall no longer be payable pursuant to the following subsection (ii).

(ii) The Company may make payment of any Defaulted Interest on the bonds of the Second Series in any other lawful manner not inconsistent with the requirements of any securities exchange on which such bonds may be listed and upon such notice as may be required by such exchange, if, after notice given by the Company to the Trustee of the proposed payment pursuant to this subsection, such payment shall be deemed practicable by the Trustee.

Subject to the foregoing provisions of this Section, each bond of the Second Series delivered under the Mortgage upon transfer of or in exchange for or in lieu of any other bond shall carry all the rights to interest accrued and unpaid, and to accrue, which were carried by such other bond and each such bond shall bear interest from such date, that neither gain nor loss in interest shall result from such transfer, exchange or substitution.

(III) The principal of and interest on each bond of the Second Series shall be payable at the office or agency of the Company in the Borough of Manhattan, The City of New York, in such coin or currency of the United States of America as at the time of payment is legal tender for public and private debts or in such other currency or currency unit as shall be determined by or in accordance with a Resolution filed with the Trustee.

(IV) Each bond of the Second Series may be redeemable prior to maturity at the option of the Company, as determined by or in accordance with a Resolution filed with the Trustee. The Company may redeem any of the bonds of the Second Series which are redeemable and remain outstanding either in whole or from time to time in part, upon not less than 30 nor more than 60 days' notice in accordance with Section 12.02 of the Mortgage.

(V) At the option of the registered owner, any bonds of the Second Series, upon surrender thereof for cancellation at the office or agency of the Company in the Borough of Manhattan, The City of New York, shall be exchangeable for a like aggregate principal amount of bonds of the same series of other authorized denominations.

(VI) Bonds of the Second Series shall be transferable, upon the surrender thereof for cancellation, together with a written instrument of transfer in form approved by the registrar duly executed by the registered owner or by his duly authorized attorney, at the office or agency of the Company in the Borough of Manhattan, The City of New York. Upon any transfer or exchange of bonds of the Second Series, the Company may make a charge therefor sufficient to reimburse it for any tax or taxes or other governmental charge, as provided in Section 2.08 of the Mortgage, but the Company hereby waives any right to make a charge in addition thereto for any exchange or transfer of bonds of the Second Series.

(VII) After the execution and delivery of this First Supplemental Indenture and upon compliance with the applicable provisions of the Mortgage and this First Supplemental Indenture, it is contemplated that there shall be issued from time to time bonds of the Second Series in an aggregate principal amount of up to Two Hundred Fifty Million Dollars

(\$250,000,000). Bonds of the Second Series shall be issued pro rata on the basis of Class "A" Bonds of the Forty-eighth Series, designated "First Mortgage Bond Medium-Term Notes, Series A," issued under each of the Utah Mortgage and the Pacific Mortgage and delivered to the Trustee. The claim of the registered owner of any such Class "A" Bond shall be limited to the principal amount of the bonds of the Second Series issued and Outstanding on the basis of such Class "A" Bond.

(VIII) Upon receipt by the Trustee from time to time of a written request or requests (stating that the Trustee holds an aggregate principal amount of Class "A" Bonds of the Forty-eighth Series, designated "First Mortgage Bond Medium-Term Notes, Series A," issued under the Utah Mortgage and the Pacific Mortgage which exceeds the principal amount of bonds of the Second Series then Outstanding and stating the amount of such excess and the principal amount of any such Class "A" Bonds to be cancelled) executed by an Authorized Executive Officer of the Company, the Trustee shall return to the trustee under the Utah Mortgage or trustee under the Pacific Mortgage, as the case may be, for cancellation, a principal amount of Class "A" Bonds issued in the name of and held by the Trustee with respect to bonds of the Second Series not to exceed the excess of the principal amount of such Class "A" Bonds then so held over the principal amount of bonds of the Second Series then Outstanding. Upon cancellation of any such principal amount of Class "A" Bonds, the Trustee shall receive from the trustee under the Utah Mortgage or trustee under the Pacific Mortgage, as the case may be, a Class "A" Bond in the principal amount not so cancelled.

(IX) The Trustee shall, within 30 days after any due date for the payment of interest or principal on bonds of the Second Series with respect to which due date full payment has not been made, notify in writing (signed by the President, a Vice President, an Assistant Vice President or a Trust Officer) the trustees under each of the Utah Mortgage and Pacific Mortgage that interest or principal due and payable on such bonds has not been fully paid and the amount of funds required to make such payment. If after such notice is given the Company cures the nonpayment within the cure period permitted in the Mortgage, the Trustee shall, as soon as practicable, notify the trustees under the Utah Mortgage and Pacific Mortgage of such cure.

ARTICLE II.

AMENDMENT OF
ARTICLE II OF THE MORTGAGE.

SECTION 2.01. Article II of the Mortgage is hereby amended to add a Section 2.14 which shall read as follows:

"SECTION 2.14. Notwithstanding anything herein to the contrary, bonds of any series that the Board of Directors has by or pursuant to Resolution authorized to be issued from time to time, the terms of which may vary among bonds of such series to the extent permitted herein, shall be authenticated and delivered hereunder by the Trustee, from time to time, upon the receipt of (i) the written order or orders of the Company required by such Article hereof as shall be applicable to the issuance of bonds of such series or, to the extent applicable, the issuance instructions pursuant to the automated issuance system described in Section 2.15 hereof, and (ii) the other documents required by such Article for the issuance of bonds of such series, which documents shall be delivered prior only to the first issuance of bonds of such series, except that the Company shall deliver a new Net Earning Certificate to the Trustee if the Net Earning Certificate held by the Trustee at the time that bonds of any such series are to be issued does not reflect the Adjusted Net Earnings of the Company for a period of twelve (12) consecutive calendar months within the fifteen (15) calendar months immediately preceding the first day of the month in which the written order or automated issuance instructions are delivered to the Trustee in connection with such issuance."

SECTION 2.02. Article II of the Mortgage is hereby amended to add a Section 2.15 which shall read as follows:

"SECTION 2.15. If a Resolution, any action taken pursuant to a Resolution or any indenture supplemental hereto establishing the terms of bonds of any series shall specify that the automated issuance system described in this Section shall be available for the bonds of such series, all completion and issuance instructions for the bonds of such series shall be given by an authorized representative of the Company named as such in an Officers' Certificate (an "Authorized Representative") through computer timesharing facilities entered as prescribed in the user documentation provided by the Trustee, such computer timesharing facilities being herein called the "MPI System," or telephone or facsimile transmission or other writing, if the MPI System is inoperative. All instructions must be received by the Trustee not later than 3:00 p.m. New York City time on the Business Day next preceding the delivery date of each bond. All instructions shall include with respect to each such bond the

following information (and such additional information as the Company and the Trustee may from time to time agree to include) to the extent applicable to such bond:

- (a) name in which the bond is to be registered (the "Registered Owner");
- (b) address of the Registered Owner and address for the payment of principal and interest, if different;
- (c) taxpayer identification number of the Registered Owner;
- (d) principal amount;
- (e) settlement date;

Although the Trustee may be instructed to deliver bonds against payment in immediately available funds, delivery of the bonds, in accordance with the custom prevailing in the market, may be made before actual receipt of payment. Therefore, once the Trustee has delivered bonds to any placement agent or its designated consignee, the Company shall bear the risk that such placement agent or such designated consignee fails to remit payment for the bonds or return same to the Trustee. Each delivery of bonds hereunder shall be subject to the rules of the New York Clearing House in effect at the time of such delivery. Telephone instructions given to the Trustee may be

electronically voice-recorded by the Trustee and such recording is hereby consented to. Should any discrepancy develop with respect to such telephonic instructions, the instructions as recorded and understood by the Trustee will be deemed the controlling and proper instructions. The Trustee shall incur no liability to the Company in acting hereunder upon electronic, telephonic or other instructions contemplated hereby which the Trustee believed in good faith to have been given by an Authorized Representative. The MPI System timesharing facilities, which may be utilized by the Company and the Trustee in the issuance of bonds, may be furnished by a contractor selected by the Trustee. All such facilities are supplied to the Company "AS IS," WITHOUT WARRANTY by the Trustee or any contractor. The Company hereby waives any claims it may have against the Trustee or any contractor arising out of such timesharing facilities. The Company agrees to indemnify, defend and save harmless the Trustee and any such contractor from all loss, liability or expense incurred by the Trustee or any such contractor in connection with the Company's use of such time-sharing facilities in giving MPI instructions hereunder, except to the extent they are caused by the gross negligence or willful misconduct of the Trustee or any such contractor."
